The impressive new armories in Vermilion was built by the Department of National Defence and was opened in 1952. This was done at a cost of $85,000. At the present time it is forming a very important part in the activities of this community. It forms the training headquarters for the reserve army in Vermilion, 'A' Coy., The Loyal Edmonton Regiment and also for the local Air Cadet Squadron No. 97. It plays an important part too in the life of the high school, being made available to the School board as a gym for the students and without it they would have no place for basketball nor for their numerous school functions.

At the present a new heating system is being installed to take over from the central steam heating plant which ceased operation.

The building has a two-storey front which provides office space for the military personnel and the main hall is 110 feet long and 38 feet wide

## F.U.A. Roundup Day Monday, Nov. 22

EDMONTON 'Monday Week, Nov 22 is F.U.A. Round-Up day. This date was announced to the public at the beginning of the month and is being supplemented by advertisements appearing in 77 weekly newspapers blanketing the province and the B.C. block.

A volunteer force of 460 Foremen assisted by 2400 riders (canvassers) with about 2000 co-riders (assistant canvassers) who are working wherever possible in pairs, have already been organized, according to an announcement from Farmers' Union of Alberta headquarters this week.

The final three weeks of preparation for the one-day drive is expected to increase the canvassing crews by at least 200 foremen and 1200 canvassing teams. They will represent an overall total of 8000 farm men and women in approximately 4000 cars or trucks to comb the Round-up area.

In a statement to the weekly press Round-up director Waldo Summers said that only adverse weather on Round-up day could offset a record enrollment of rural dwellers within the grassroots farm body. "I am convinced that realization of the F. U. A. objective lies within our grasp," he said. "All that is needed is fair weather and a faithful turn out of Foremen and their Crews. Given those two basic requirements we should make farm organization history in Alberta next Monday week."

The campaign is winding up with a rash of meetings it would appear from reports reaching the press. Speakers selected from a group of 23 FUA and FWUA district officials are holding almost 100 meetings within the next two weeks. It is expected that a further series of meetings will be held the week preceding the drive and that a prominent speaker representing the Interprovincial Farm Union Council will address a few mass meetings in the closing stages of the campaign, the F.U.A. release revealed.

## PARADISE VALLEY NEWS

The Paradise Valley W.A. of the United church met in the church basement on Tuesday evening Nov. 9th. The treasurer's report showed that the proceeds from the chicken supper were about the same as last year. The ladies wish to thank all those who helped in any way to make the supper a success. An invitation was received from the Edgerton W.A. to atend their meeting Thursday evening Dec. 2. All ladies who are able to accept this invitation please contact Mrs. C. Conarroe on or before Thursday, Nov. 25. The election of officers for the coming year will be held at the December meeting but the committee reports will not be given until the January meeting. The date of the Xmas party to which all the ladies in the community are invited will be set at the next meeting.

The fall bazaar and tea will be held in the church basement Thursday Dec. 9 in the afternoon from 2 until 5 o'clock. Any member who would rather donate jam, jelly fruit or home cooking to the sale instead of sewing or fancy work may do so.

After the business part of the meeting Mrs. Davidson showed a set of slides taken at the United Church Lake Whitney camp last summer.

Mesdames W. D. Block, C. Bleakley, K. Brasington and L. Knutson served a delicious lunch to the members and the ladies of the Rosedale W.A. who were guests at the meeting.

Mrs. G. F. Van Eaton of Shellbrook, Sask., is a guest at the home of Mr. and Mrs. A. M. Levitt.

Miss Lois Stoddart and Donald Levitt who are attending the Lutheran College at Camrose spent the holiday at their homes here.

Mr. and Mrs. E. L. Kragnes and Mrs. W. A. Gunn were visitors at Edmonton on Friday and Saturday to attend the wedding of Miss Barbara McElhinney, the wedding taking place on Saturday.

We extend our sympathy to the family of Mr Robert Fair who passed away in the Vermilion hospital on Thursday afternoon. Bob farmed here for many years before moving to Vermilion.

After a long spell of grand Indian Summer we now have a change. Oh well, we cannot expect the good weather to continue forever. Let us be thankful for what we had. Most of the farm work has been rounded up.

Mr. Charles Rohla who has been attending Tech school at Calgary for the past few months has completed his course and returned to his home.

Quite a number attended the chicken supper held at McLaughlin on Friday night. A grand supper was dished up to a big crowd and quite an interesting program followed. The C.G.I.T. group under the leadership of Miss Shirley Gunn gave a camp fire scene with favorite C.G.I.T. songs. Rev Mr Davidson showed some interesting slides which pleased the younger folks. It was a job to get them stoped from asking for more.

## Official Opening Canada's First Gas Turbine Power Plant Friday

The attention of power engineers will be focused here on Friday, Nov. 26 when Canada's first gas turbine power plant is officially opened.

The Hon. N. A. Willmore, Minister of Industries and Labor will commission the new power producer, going "on the line" for Canadian Utilities Ltd. A 5,500 to 7,700 kilowatt Brown Boveri gas turbine driven unit, the new generating set is especially interesting to power engineers because it produces power directly from an abundant natural resource. It is the first time such a "prime mover" has been used to produce commercial power in Canada.

Local and district citizens will benefit from a reliable source of power as well as a potentially greater capacity to meet the economy's growing power demands. During the high, peak-load winter season, the gas turbine generating set enjoys a considerable increase in power output, a distinct advantage over most types of power producing prime movers.

Mr. Green and Miss Shandro Guest Artists

## First Concert By Mixed Chorus Enthusiastically Received

On Sunday evening last an appreciative audience of some 400 people enjoyed the season's first concert given by the Mixed Chorus.

A varied program gave the chorus under the able direction of Mr. Jack Brown, an opportunity to show its paces. After the singing by all present of "O Canada", the chorus opened the program by singing an adaption of J. E. Walton of the hymn "Faith of Our Fathers" in a workmanlike manner. Mrs. Madeleine Exley, soprano, then gave a most pleasing rendering of Cadman's "A Thrush at Eve." Mrs. Exley then sang the ever popular "A Perfect Day" by Carrie Jacobs-Bond. These songs were very well received.

"Souvenirs" by Edgar Leslie and Horatio Nicholls found the chorus well into its stride, and this offering was followed by two contrasting songs sung by a male quartette. In the first of these, "Cornfield Medley" the lead was taken by Tom Watts singing second tenor. The second choice was "Sing Me A Chanty", when the lead was taken by Mr. Bill Fonks singing second bass. Gerald Stephens sang first bass in each case and Rev. D. A. Ford took the first tenor parts. The quartet sang well together and entered fully into the spirit of their songs.

"Kainka" by Rudolf Friml provided the next item for the chorus which sang the lilting "Allah's Holiday."

Next followed a new venture for Vermilion choirs in the form of a mixed octette. They sang with verve a negro spiritual "In'a dat Great Gittin' Up Mo'nin'" arranged by David Foltz. The experiment proved to be worthwhile, the singers blending well and making the most of a lively composition.

GUEST ARTISTS

Many in the audience had been looking forward particularly to seeing and hearing Harlan Green with his flute. This young man, who is sufficiently accomplished to play flute solo with the Edmonton Symphony Orchestra and over the trans-Canada network of the C.B.C., did not disappoint us. He showed off the tremendous range of his instrument with effortless ease. Mr. Green's technical skill with the flute was proven in his rendition of Chaminade's Concertino for Flute. The applause demanded an encore and the soloist provided further pleasure by playing Chopin's Minute Waltz. Mr Green was accompanied at the piano by Miss Patsy Shandro of Edmonton. Although only thirteen years old her poise and confidence, together with complete competence, were remarkable. The accompaniments were far from easy, and the success of the soloist depends upon a skilful accompanist. Harlan Green's contribution to the concert was a complete and most enjoyable success.

The chorus concluded the first half of the concert with the spirited singing of "The Heavens Are Telling" from "The Creation" by Haydn.

Having consideration for the normal fall weather in these parts, the music committee chose a song about spring and lovers with the thought in mind of taking our minds off winter for a few minutes. Although the weather failed to play its part, the Chorus opened the second half with "Is Not Spring For Lovers Made" by W. Charrington and C. Strickland with such warmth that frost and snow seemed farther away than ever.

Miss Betty Gray and Mrs. Elizabeth Shalka sang gracefully and sweetly in offering Offenbach's "Barcarolle" and followed this in complete contrast by singing the rhythmic "Hallelujah" from "Hit The Deck." The Chorus then gave a well phrased rending of Carrie Jacobs-Bond's "Just A'wearyin' for You."

Tom Watts then held his listeners easily as he sang "Thora" and "Lucky Old Sun". Mr. Watts has worked hard over the years at this class of entertainment, and no doubt was shown of his worth in any concert program by the spontaneous applause which greeted the announcement of his solo contribution to the program. Although he possesses a fine baritone voice, Mr. Watts, because of a sad shortage of tenor voices in the chorus, is one of the mainstays in this department.

Once again the audience was enthralled by Harlan Green and Patsy Shandro as together they played Beethoven's Minuet and Doll Dance by Poldini. We in Vermilion were privileged indeed to have this opportunity of seeing and hearing two musicians perform so completely in accord.

To close a most enjoyable program the Chorus sang possibly at their best during the evening, an arrangement by J. Hylton of an excerpt from "Finlandia" by Sibelius to which words had been set. The title "A Prayer for Peace" indicates the spirit of the item. The well known air lends itself admirably to thoughts of peace and prayer, and it is fair to say that the words do not detract from the majestic harmony of the music. Rather do they add to its effect.

Throughout the concert the Chorus sang well together. The attack was good and the direction of Jack Brown could not be faulted. The voices blended well and the diction was clear.

The participant in any choral concert who receives fewest bouquets is the accompanist. Quiet, unobtrusive but completely adequate coverage in this important department was given in all vocal items by Dr. C. W. Stephens. All members of the Chorus would wish to pass their grateful thanks to him for his hard and often difficult work.

Thanks are also due to the manager of the Columbia theatre for the use of his premises and for his help in many ways, so freely given.

Rehearse for Carol Concert

The Chorus is now in rehearsal for the forthcoming Carol Concert on December 19th. They would welcome additional voices, most particularly tenor voices, for this and for future productions. It is felt that this form of entertainment is worthwhile fostering in our community and all who can offer their services are encouraged to come along and help. Rehearsals are presently held in the high school each Wednesday at 7:30 p.m.

We would add here that music lovers in the district will be pleased to know that Miss Patsy Shandro has consented to appear as a guest artiste in the Spring concert.

COYOTE HUNT AT DERWENT

Coyote hunt at Derwent on Sunday Nov. 28 at 10 a.m. Meet at the town hall. Shotguns only.

## Elks Newspaper Car Bingo Numbers

Numbers previously published—

| | |
|---|---|
| B | 4, 11, 14 |
| N | 38, 41, 44 |
| G | 47, 50, 60 |
| O | 67 |

Numbers called Friday Nov. 19th

| | |
|---|---|
| B | 15, 1 |
| I | 19, 25, 28 |
| G | 46, 49, 51 |
| O | 75, 69 |

This week's Bingo numbers will be drawn at the Columbia theatre on Monday, Nov 29 and every Monday thereafter. They will be published each week in the Vermilion Standard.

Bingo numbers will also be announced every Saturday night in the Derwent theatre. Bingo cards for sale there by Henry Meyerman.

Get a bingo card now, start playing right away. It's fun -- and someone is going to win that new car!

Cards are available at the Standard office and at many business places in Vermilion.

## DUNCAN CAREY DIES AT ISLAY

People of Islay and district were shocked by the sudden death of Duncan Carey who passed away after a short illness, in the Islay hospital on Wednesday Nov. 24. Ill for but 12 hours death was due to a heart attack.

Mr Carey was 64 years of age and was a long time farmer of the Islay district.

He leaves to mourn his loss his wife, four sons, Roderick, Lyal, Michael and Duncan, all at home, and two daughters, Mrs. Kenneth McClennan in Ontario and Mary at home. There are four brothers, Jim, Jack, Laurence of Islay, Thomas in Ontario, and four sisters, Mrs. C. J. Chartrand, Vancouver; Mrs. D. V. Davis, in California; Miss Agnes Carey, Vancouver; Miss Mary Carey in Ontario.

Funeral services will be held at the Holy Name church Saturday, Nov. 27 at 10 o'clock in the morning. Interment will be in the Vermilion Roman Catholic cemetery.

Moyers have charge of the arrangements.

## Buffalo Coulee S.D. Forms Home and School Assoc'n

A meeting for the purpose of organizing a Home and School Association was held in the Buffalo Coulee school on the evening of Tuesday, Nov 16 with a very good attendance. William Bushko who acted as chairman gave the opening remarks and introduced Messrs. E. Clendenning and D. Hanlan, president and vice-president of the Vermilion Home and School, who came to offer their help in organizing.

Mr. Clendenning gave a very interesting talk to the group stating the purposes and objectives of this organization and later he and Dr. Hanlan answered the many questions put to them by those present.

The newly formed executive consists of:

President Dud Staden
Associate Pres. Wm. Bushko
Vice-Pres. — D. Love

## St. Paul Admitted To Hockey League

The Eastern Alberta Hockey League will be augmented by the addition of another team for the 1954-55 season by the admission of St. Paul, following a league meeting held recently. The fifth place team at the end of the regular league schedule will drop out thus leaving a four team play off.

Officers elected by the league are as follows:

President — Dr. J. E. Bradley, Wainwright
Vice-Pres. — Mr. K. Hillliker, Viking
Sec.-Treas. — Mr. J. Humphries, Wainwright

The meetings were attended by the Vermilion delegates consisting of A. E. Locke and Stan Manyluk; also attending was Mr. Neil McLean, President of the Tigers Hockey Club.

It is hoped that the schedule will commence Dec. 18, and that with the admission of St. Paul a good league will be enjoyed for the current season.

## Small Holding Plan Under V. L. A.

A Veteran's Land Act Small Holdings subdivision is in the process of being developed in the area immediately west of the hospital.

These small holdings are available to veterans of the Second World War and those who saw service in Korea. Each holding is 2 acres in size and will be served by natural gas and electricity.

There is a three acre park area set aside for the children and it is expected that within a few years this subdivision will be one of the beauty spots of the town.

Any veterans interested are asked to contact the local V.L.A. office for full particulars. As it is planned to start a course in construction immediately, early attention to this matter is important.

Sec-Treas. Mrs. A. Pheasey
Conveners:
Membership W. Hinton
Program Miss A. McCauley
Social Mrs. R. Harle.

The executive did not waste much time and immediately started to organize the program for the next meeting, and from all appearances it will prove to be very educational and entertaining.

The Association meetings will be held on the second Wednesday of each month.

## Extra Curricula Activities At V. S. A.

In addition to regular studies in Agriculture and Home Economics the students at V.S.A. carry on a wide range of activities under the management of the Students' Council.

The Students' Council is organized so that all classes are represented and this year is composed of the following officers:

President — George McMillan 2nd Yr. Agriculture; Vice-Pres Bernice Koetke, 2nd Yr. Home Economics; Secretary — Harold Roebuck, 1st Yr Agriculture; Treasurer — Ron Bardak, 2 in 1 Agriculture; Member without Portfolio Carol Zwack, 1st Yr Home Ec. Chairmen of the following committees: Social Gladys Svean, 2nd Yr. Home Ec.; Literary — Martin Krupa, 2nd Yr. Agric.; Athletic John La Porte, 2nd Yr Agric. Gymnasium Calvin Ross, 2nd Yr Agric.

The Students' Council organizes in a general way, all student extra curricula activities and represents the student body with respect to outside contacts and special occasions. It assumes with the school authorities responsibility for the development and upholding of school morale and tradition as well as care of the school properties.

The wide range of extra curricula activities including publication of the school paper and a yearbook, conduct of regular Saturday evening entertainment, dramatics and musical productions and the popular competitive literary programs, as well as the sponsorship of House League athletics and student teams would not be possible except through a well organized student council with the whole hearted and active support of the entire student body.

School authorities encourage and lend assistance to the organization of these activities and co-operate with the students in every way possible because they are recognized as providing an excellent medium for training in community organization and citizenship.

## V.S.A. Students Union Elects Officers

The two young people seated at the table are Miss Bernice Koetke, vice-president of the Students Union at the Vermilion School of Agriculture, and Mr George McMillan who is the president. Mrs. I. V. Cullin, Dean of the Women's residence and dietician is standing at the right and Mr J. F. Harcus, Dean of the Men's residence is standing at the left of the photo. This is a Vermilion Photocraft Photo.

## Agricultural Society Annual Meeting Tuesday Next, November 30th

The members of the Vermilion Agricultural Society will hold their annual meeting in George's Lower Deck on the evening of Tuesday, Nov. 30 at 8:00 o'clock sharp and those interested in the work of the Society are cordially invited to attend. Membership in the Society costs only $1 per year and it is felt that this organization is doing splendid work in the community being sponsor for a number of activities in addition to what is said to be one of the finest agricultural exhibitions in Western Canada.

The Agricultural Society has for some years conducted a short course of a full week's duration for farm boys and girls with an average attendance of 130 young people. With the facilities of the school of agriculture available for this purpose the Vermilion Fair Summer camp has developed a fine record of achievement in this activity.

Other promotions of the Society are the Farm and Home Improvement competition through which 25 young farm couples work to improve their farms and farmsteads with the assistance of the District Agriculturist and the Home Economics director; the annual fall sale of purebred livestock brings together the seller and buyer of good quality stock and has done much to improve district herds, while the rapidly expanding Junior Fair held in conjunction with the summer exhibition is working wonders with the youngsters who are keen on developing their interests and improving the class of their handiwork.

The show and sale of the Calf Club groups usually held on the first day of the fair is another project through which the Society extends its assistance and it is felt that the Agricultural Society is deserving of the support of the district.

Reports of the past year's work will be given to the meeting and plans laid for 1955 when the 50th anniversary of the holding of the first Vermilion fair will be celebrated. The annual dinner of the Society will not be held until a later date probably in early March to start off the new year's work.

## Christmas Carol Service Dec. 19th By Massed Choir

Vermilion musicians headed by the Mixed Chorus will present a program of Christmas carols at the Columbia theatre on Sunday evening before Christmas, December 19th. The Chorus will be augmented by members of the choirs of the United and Anglican churches and will number upwards of 50 voices.

Many well known carols will be sung, and some which are not so familiar. For instance, the child's Christmas carol "Rocking" a translation from Czecho-Slovakia will be sung for the first time here. The program will be climaxed by the "Hallelujah Chorus" from Handel's Messiah.

Present plans call for some 17 numbers but this is subject to some slight change.

Entire proceeds will be donated to the Salvation Army Christmas Cheer fund to be used for needy families within the town and immediate district.

## 16 Planes At Local Airfield On Sunday

The more it becomes known, the more popular does the Vermilion airfield become with fliers. On Sunday no less than 18 planes landed there coming from the University Flying Club, Edmonton; Central Aviation, Wetaskiwin, and Clyde, Spruce Grove, Westlock, Bonnyville, Stettler.

The planes landed, taxied into orderly rows and then pilots and passengers were taken into Vermilion by local business men and there enjoyed breakfast at the Brunswick hotel. Arrangements for greeting the visiting airmen were again carried out by the Board of Trade. The Board members are indebted to the proprietors of the Brunswick hotel dining room for opening on Sunday to accommodate the visitors for breakfast.

Among the airmen on Sunday was the mayor of Westlock who gave the town a very thorough once-over. He was particularly interested in hard surfaced streets, provincial park and curling rink.

## Youth For Christ Elect Officers

The annual meeting of the Youth For Christ was held on Oct. 28th with the Rev. B. McLean being elected as Director, Mr Kenneth Geake as vice director and Miss Donna Isley as secretary treasurer.

For the benefit of the public and through the courtesy of the Vermilion Standard, the committee wish to publish the following financial report:

| | |
|---|---|
| REVENUE | |
| Cash on hand Dec. 11, '53 | $ 20.52 |
| Bank Balance | 17.78 |
| Offerings at 5 rallies | 205.21 |
| Cash Receipts | $243.51 |
| EXPENDITURES | |
| Speakers & Films | $133.65 |
| Hall Rent & Caretaker's Fees | 24.00 |
| Advertising (Standard) | 17.40 |
| Express Charges | 7.88 |
| Postage | .50 |
| Phone Calls | 1.65 |
| TOTAL Expenditures | $188.50 |
| Cash on hand Oct. 28 | 37.23 |
| Bank Balance | 17.78 |
| | $243.51 |
| TOTAL cash on hand | $ 55.01 |

FIDDLERS CONTEST

Don't forget Old Time Fiddlers' contest in the Elks hall this Friday evening starting at 9 p.m.

## Mission At Holy Name Church

Rev. Father Edwards, C.SS.R. of The Congregation of The Most Holy Redeemer will preach a Mission at Holy Name church, commencing at 9 a.m. Sunday, Nov. 28 and continuing until Saturday Dec. 4. Sermons and instructions deal with the fundamentals of Christian life, the Purpose of Man on Earth; Sin, Redemption, The Justice; Mercy, Love and Graces of God; Death, Hell and Heaven. Evening services begin at 7:30 and everybody is welcome.

## Gideon Camp Observe First Anniversary

The Vermilion and Lloydminster camp of the Gideons met for their first anniversary meeting in Vermilion at the home of Gideon Roy Watkins, on Friday, Nov. 5. Other members present were Wm. Stefaniuk Mannville; R. A. Swanson, Marwayne, George Baynton Lloydminster; Wm. [illegible] son, E. Schurman and E. Clendenning of Vermilion.

Activities of the year since organization were reviewed. Church services have been held at the following places: Alliance church, Marwayne, Alliance chapel, Vermilion; United church, Lloydminster, United church, Elk Point; United church Men's club, Vermilion; Salvation Army, Vermilion; The People's Mission Wainwright and Alliance church, Irma.

Copies of the Bible and New Testament to the number of 550 have been distributed in local schools, motels, jails, and hospitals of the Vermilion-Lloydminster district.

It is planned to take over the distribution of youth testaments in the schools of the Vegreville S.D. as far west as Innisfree. This will mean an additional 150 New Testaments to be presented by the local camp annually in the future.

The [illegible] Bible plan has been in effect here for a year and has met genuine need in this respect. What better way to remember a loved one than to place Bibles in his or her memory?

A Christmas party is planned for our next meeting to be held at the home of the local camp president E. Clendenning Friday, Dec. 3.

## Hillside Service Wins Prize, Esso Contest

Although located in the country some two miles east of Vermilion on highway 16, the Hillside Service won third prize in the Imperial Oil Esso Extra Profit Service contest which started in June and ended on Oct. 15. This was open to all Imperial dealers from Vegreville to Lloydminster and from St Paul to Wainwright in this division.

The first three will receive presentations of prizes at an early date with honorary mention going to the next seven.

Clarence Nels is the owner and operator of Hillside Service.

The first ten were: Rose's Service Bonnyville, M & D Motors, St Paul, Hillside Vermilion; The Thomas Garage Vegreville, Diamond Service Smoky Lake; Kremlings Lamont; Marty's Myrnam; Kitscoty Motors, Kitscoty; Baychuk's Garage, Two Hills.

# The Vermilion Standard

VERMILION, ALBERTA

S. R. P. COOPER - - - FOUNDER

ESTABLISHED 1920

Published Every Thursday at the Office, Main Street.

Authorized as Second Class Mail, Post Office Dept., Ottawa

COOPER BROS. — PUBLISHERS

VERMILION, ALBERTA, THURSDAY, NOVEMBER 25, 1954

LIBRARY CIRCULATION DOUBLES

The number of books taken out during the month of October 1954, was 944, as compared with 380 in October, 1953. This indicates a growing interest in the Vermilion Public library. Membership for adults is only $1 per year and for students is 50 cents. Each book is allowed out for two weeks and a penalty of 5 cents per day after that time is then required.

3 DAY HOLIDAY AT XMAS

The Christmas holiday will last three days this year because Boxing Day, Dec. 26, falls on a Sunday.

Under the Provincial Interpretations Act, when Dec. 26 is a Sunday, Dec. 27th is to be observed as a holiday.

Canada's electrical manufacturing industry has an annual payroll of around $250,000,000.

## Early Morning Fire At Islay

Thursday a.m. Nov. 18, fire of unknown origin broke out in the home of Mrs. R. Martin. It was possibly about 7:30 when smoke was noticed belching out of the kitchen by two or three of the neighbors simultaneously. The first one on the spot was Alf Turner, janitor of the hospital, while the others got on the phone to arouse help. The Community Association fire bombs and extinguishers were brought out while the first to douse the flames was Dave Clarke with water and a hand pump. Others carried out furniture. Smoke had penetrated the whole building by this time but the fire was confined to the kitchen and a small shed. Vermilion fire wagon soon appeared on the scene but the blaze was under control.

Mrs. Martin is very grateful and thanks everyone who assisted in saving her home, and a special thank you to Vermilion for so kindly sending assistance. Mrs. Martin was at her daughter's home at the time, Mrs. Bill Hancock.

Saturday at 2 p.m. Nov. 27 the 4-H club will be held in the school. Samples of grain grown this year will be judged and prizes for the best will be awarded. The public is cordially invited to come along and encourage our future farmers.

Mr. and Mrs. Dave Martin, Muriel and Gladys Stone attended the concert by the Mixed choir in Vermilion Sunday night. We enjoyed it very much, were thrilled to hear Mr. Harlan Green and his accompanist Miss Patsy Shandro. We hope to hear him again in the near future and we are looking forward to hearing the Christmas Carols by this choir on Dec. 19.

The Gordon McFadyen family have sold his quarter section and moved to Elk Point where he has purchased more land.

Congratulations to Mr. and Mrs. Walter Carson on the birth of their second daughter.

Congrats to Mr. Henry Olds on winning the lazy-boy chair at the Bingo in Vermilion.

We noticed Mrs. Carey and Norman at the concert Sunday night. Misses Catherine and Marie Carey were home for the week end and spent Friday evening at the Neil McLennan home to bid farewell to Faye and Jean (Welline) who were leaving that night for Kitimat, B.C. Mr. Welline has been there for the past four months and now a new home is ready for his family.

The December meeting of the W.A. of the United church will be held at the home of Miss Bessie Anderson on Thursday, Dec. 2. A full attendance please, and we will make final arrangements for the bazaar on Dec. 11.

## Sixteen Years Ago Today

November 24th, 1938

The local Elks have purchased the fine brick building known as the McKone showroom. The Lodge has had the building under lease for some years and it is the centre of community activities.

Mr. and Mrs. George Law celebrated their 25th wedding anniversary.

At a meeting of representatives of all towns between Lloydminster and Vegreville dates were set for the annual bonspiels.

Hopes for a hockey league appeared dim and there was talk of forming a league with one team from town, one team from the college and one each from the north and south.

## Thirty-two Years Ago Today

November 23rd, 1922

The annual meeting of the curling club was held with A. Y. Law elected president, W. B. Nellis vice-president and S. R. P. Cooper secretary-treasurer. On the executive were Dr. Smith, Fred Long, Dr. Scott, Percy Long and John Craig.

The famous Farmers hockey team will not operate this winter, leaving Vermilion with only one team. A six-team league has been organized.

Attendance at the V.S.A. is 68, with 15 more students due to arrive before registration is complete.

Game guardians report that beavers are becoming numerous and that between Vermilion and Mannville there are no less than five beaver dams on the Vermilion river.

## OBITUARY

ANTON YOUNG

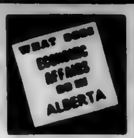
Funeral services for Mr. Anton Young of Minburn were held from the Minburn United church on Friday afternoon, November 12th, with interment in the Minburn cemetery. The Rev. Mr. Holter of Mannville officiated.

Mr. Young passed away at the Mannville Municipal hospital on November 9th.

Moyers were in charge of funeral arrangements.

How about your SUB?

## There Is Someone Creeping Up On You



The Department of Economic Affairs works for the betterment of economic, cultural and social conditions within the Province of Alberta. The efforts of all nine branches of the Department are combined toward this objective.

All branches of public service have a direct bearing upon the welfare and progress of the people generally, but two of the closer relationships with the economic progress of Alberta are maintained by the Alberta Travel Bureau and the Industrial Development Branch of the Department of Economic Affairs.

All Albertans share directly or indirectly in the benefits of our tourist trade and in the orderly development of our rich resources. The tourist industry and industrial growth mean greater prosperity for everyone. New money comes into the Province and production of essential goods is increased. We learn more about others, and they about us, and better relationships follow.

The tourist trade of Alberta is big business. Each year, about one and one-half million people spend their holidays at Alberta's famed resorts.

Conservative estimates indicate tourists spend $35,000,000 a year in Alberta. This money goes into the pockets of merchants, service station and garage operators, hotel and auto court proprietors, farmers, and all producers of human necessities.

The beauties of Alberta are the star attractions, the produce and services of the people are our stock in trade; and the tourists are our customers.

The Alberta Travel Bureau helps create the necessary desire among our neighbors to visit the Province, but it remains the privilege of every Albertan to give our guests a warm welcome, to see that they enjoy their stay and to encourage them to come again.

The Industrial Development Branch also encourages the growth of interest in Alberta.

Every effort is made to [illegible] attention to industrial [illegible]tunities provided by the [illegible] business [illegible] from far [illegible]. Closest attention is given to all inquiries.

Sponsored by the Branch, an Industrial Development Board has been operating for several years. This Board consists of the Deputy Minister of Economic Affairs, the Director of Industrial Development and the Industrial Commissioners and representatives of each Alberta city. The Board holds meetings each year at various locations within the Province to which local business men and representatives of the railways and banks are invited. On these occasions the development of the Province as a whole is discussed and programs for concerted action towards great development are formulated.

Activities such as these are playing an important part in Alberta's industrial expansion. In 1953 more than $35,000,000

was invested in new industrial plants, new additions to established plants and new warehouses. That same year, the value of production from all Alberta's manufacturing industries exceeded $[illegible]. New plants are opening up and new industries are being established in Alberta with impressive regularity, but impressive as our industrial development has been over the past few years, still greater development for the future is evident.

GOVERNMENT OF THE PROVINCE OF ALBERTA

## Death and Funeral Of Dan Krushinsky

The funeral service for Dan Krushinsky was held in St. Olga church, Vermilion, on Saturday Nov. 20 at 10 o'clock in the morning. Interment followed at the Catholic cemetery.

The Rev. Father Roman Starodub officiated.

Mr. Krushinsky passed away on Nov. 17 at the age of 71 years.

The pall bearers were the four sons Peter, Steve, Paul, Nick and two sons-in-law, Mike Hawryluk and Peter Enstom.

Mr. Krushinsky was born in Austria on June 15, 1883. He served in the army for three years, emigrated to Canada with his wife and one son in 1911 and homesteaded in the Mannville district. He started farming with oxen and throughout the years the work was hard and the going anything but easy. He persevered made a success of his farming and farmed for thirty years before retiring and moving into Mannville to live.

He is survived by his loving wife, four sons Peter and Steve of Vermilion, Paul and Nick of Vancouver, B.C., and six daughters Mrs. Enstrom (Mary), Edmonton; Mrs. Harrison (Annie), Vancouver; Mrs. Hutton (Nancy), Vancouver; Mrs. Moro (Mildred), Edmonton; Mrs. Hawryluk (Olga), Glace Bay, N.S.; and Miss Lily Krushinsky in Edmonton. There are 12 grandchildren.

Floral tributes were received from:

Loving Wife; The Family; Lillian; The Enstrom Family; Mildred and Walter; Mike Leroy and Lilly; George Moro; Sgt. Leroy Gaine, R.A.A.F. Illinois, U.S.A.; Mr. and Mrs. W. G. Lyons; Isabel and Freeman French; Mr. and Mrs. Hugh Stewart and family.

Cancer Fund: Mr. and Mrs. George Stewart.

Church Fund: Mr. and Mrs. Ralph Melynchuk.

Flowers for the home from the Hawley family.

Moyers were in charge of arrangements.

## OBITUARY

MRS. MYRTLE McROBERT

Mrs. Myrtle McRobert of Hazeldine passed away in the Islay hospital on November 18 at the age of 56 years.

She leaves to mourn her loss three sons, Peter, North Bay, Ont.; Ian and Robert of Hazeldine; and two daughters Mrs. Ted Carson of Marwayne and Mrs. Don Beckett of Hazeldine. There are nine grandchildren. There are also three brothers and three sisters, Tom Johnston at Great Falls, Montana; Marvin Johnston, Spokane, Wash.; Dan Johnston, Peace River; Mrs. D. Gilmour, in California; Mrs. Lorne McLean, Vermilion; Mrs. W. Swan, Islay.

Funeral services were held at the Hazeldine hall on Monday Nov. 22 at 2 o'clock p.m. with interment following at the Dewberry cemetery. The Rev. T. Sneddon officiated.

Moyers were in charge of arrangements.

MRS. ELLEN KNUTSON

Mrs. Ellen Knutson of Minburn, aged 87 years, passed away at the Mannville hospital on November 10. Funeral services were held at the Minburn United church on Saturday, Nov. 13th with interment in the Minburn cemetery. The Rev. Nielson conducted the last rites.

Surviving members of the family are four sons, Arthur, [illegible] Melvin, New Westminster; Clarence and Edwin, Minburn, and four daughters Mrs. C. McCrumb, California, Mrs. E. Rennie and Mrs. E. Rustad, Minburn; Mrs. Reg Ambler, Grand Prairie.

Moyers were in charge of funeral arrangements.

CANADA SAVINGS BONDS

Dear Sir or Madam:

I am pleased to advise that the Canada Savings Bonds are still on the market and can be purchased until November 30th at the following (the dollars and cents added to the bond amount represents the interest for November) viz: $50.14, $100.27, $502.71, $1005.42 and $5027.08. If you have funds on hand to invest in December the interest would be twice the amount as shown above.

The reason for this pre-payment is that the coupons attached to the bonds are for twelve months interest. The bonds are never under par and interest paid up to the time you cash them at 3¼%.

You have never been BEWILDERED by having a few extra dollars. Remember the time when you were SHORT? Start and save the safe way NOW. Call or contact the undersigned. Phone 100.

Sincerely,

H. P. LONG

## Wedding Bells

*MARIAN—TYM*

The Seven Day Adventist church of Beauvallon was the setting for the recent marriage of Josephine Rachael Tym, daughter of Mrs. Pearl Tym, and Lovyl Walter Marian, son of Mr. and Mrs. Wm. Marian.

Rev. Conrad Samograd performed the ceremony on a rostrum banked with fern, roses and African violets.

Given in marriage by her brother Alex of Consort, the bride wore a gown of white net over satin with lace bolero and full veil carrying a bouquet of pink orchids and lily of the valley.

Miss Ruth Tym was maid of honor with Misses Violet Marian, Victoria Tkachuk, Josephine Kostyk as bridesmaids, dressed in semi-formal gowns of net over satin in pastel shades of green, pink, yellow and mauve.

The groom was attired in semi-formal black tuxedo and attended by Mr. John Hirbertchuk as best man. Other attendants to the groom were Messrs. [illegible] Tym, Mike Kostyk and [illegible], all attired in white [illegible] jackets and black tuxedo trousers.

## Opening Meeting Of Canadian Club

The opening meeting of the Vermilion Canadian club which was held at the Junior high school on Monday evening of last week drew an exceptionally large attendance of members and visitors. The speaker for the occasion was Mr. Douglas Wilkinson, noted author and film director who spoke on "Work and Play among the Eskimos" of the great northwest of Canada where he had himself adopted by an Eskimo family in order to gain a better understanding of their way of life and means of existence in that cold and barren section of our country. The address took over two hours, interspersed by two films taken of families in their igloos and on their hunting and trapping trips with the dog sleds. It was one of the best and most informative of the addresses thus far given under the auspices of the club.

"The Eskimo" said Mr. Wilkinson, "was a silent and mysterious person, living mostly in small communities miles away from his neighbor, those near the coast making their living from the products of the sea and those on the barren lands from the chase and trapline. If the sea yields up seals and fish then he is happy but only as long as the catch lasts: If there are no seals and no caribou on the trek, then there is hunger, but this does not alarm him, it is so and cannot be helped. On the delta the Eskimo is nomadic, he goes or follows where meat is to be had. On the coast he watches the appearance of the seal. This means food and big eating while it lasts. At home the Eskimo has no fixed hours, he eats when he is hungry and has something to eat, otherwise he goes without. The women attend to scraping the skins and fixing them up as robes and clothes. The Eskimo is always warmly clad. The children early adopt the habits of the parent. He becomes a man when he kills a seal. There is little privacy in an igloo, no one however gives this a thought as it has always been thus.

"The first trace of our civilization reached the Eskimo when whalers came to their bays. The whaler taught them some of our customs and left a progeny to accept his ways. When trading posts opened up the Eskimo sold his furs and bought tea, sugar, flour and utensils. Then came the old age pension and mothers' allowance. With these came a change in his life. He began to forget his old customs and to live in small scale luxury. They eat their meat mostly raw. They eat only to have a full stomach. Taste means nothing to him. The Eskimo resembles the Indian in many respects but he is a distinct race. He lives for the present and the future does not bother him. He does not think of it. He does not prepare for it. He makes his catch of fish and meat and with some tea and flour he is happy and is not worried about the man in the nearest community. At that he is an interesting person. He is amiable and agreeable but a stoic and crime and petty thievery are unknown. The women are most mindful of their children. They bring their boys up to be like their fathers and the girls to take care of the igloo. The igloos are invariably crowded. Snow or frost has to be scraped off occasionally to prevent softening. Home comforts as we know them are missing. The Eskimo is steadily changing his life now though. Modern civilization is infiltrating into their lives, they are acquiring its facilities and one day they will be eligible to become Canadian citizens, but will not forsake the rigorous climate of the northern bays and the shores of the Arctic."

J. W. G. Morrison, President of the Club, introduced the speaker and at the close the usual question period elicited many questions which discussion was continued long into the refreshment hour provided by the lady members of the club. Gerald Stephens moved a vote of thanks to the speaker which was echoed with a round of applause.

The Princess Anne W. I. will hold a dance in the Island Hill hall on Friday, December 3rd. Horpestad's orchestra. 22-1x

## Landonville Wedding Of Wide Interest

[illegible]-TONER

Friday October 22nd, the United Church, Vermilion, was the scene of a lovely afternoon wedding when Miss Eileen Patricia Toner, daughter of Mr. and Mrs. Charlie Toner of Crystal Springs, Sask., became the bride of Mr. Thomas Sherman Bonnmiller Jr., only son of Mr. and Mrs. Tom Bonnmiller, of Landonville. Rev. Mr. McKay performed the ceremony.

The bride, who entered the church on the arm of her husband's grandfather Mr. R. M. Butz of Calgary, was [illegible] lovely in a white floor-length gown of Chantilly lace and net over white satin. The gown was fashioned with a sweetheart neckline and chantilly lace in the front and back of the skirt over rows of net ruffles. The bodice featured a slipped in waistline and long lily point sleeves. A matching finger tip veil was held in place with a pearl encrusted crown. She wore a set of rhinestones and carried a bouquet of red roses.

Bridesmaid, Miss Madeline Bonnmiller, wore a floor-length gown of yellow net over taffeta with a bouquet of blue flowers. Bridesmaid Miss Audrey Bonnmiller wore a floor length gown of blue sheer with an embroidered waistline and carried a bouquet of pink flowers. The bridesmaids were both sisters of the groom.

The flower girls, little Myrna Bonnmiller sister of the groom, wore a yellow nylon dress with matching head-dress and carried a yellow bouquet. Beverly Bonnmiller, sister of the groom, and Alpha Bonnmiller, cousin of the groom, were dressed in pink and yellow nylon and carried pink and yellow flowers.

Mr. Adolph Butz of Dewberry, cousin of the groom, acted as best man, along with Mr. Laurie Durnam of Dewberry.

Mrs. Bonnmiller chose for her son's wedding a blue dress with pink accessories.

Following the ceremony a reception was held at the groom's home where some 60 guests were entertained at the wedding dinner. The bride's table was centred with a 3-tiered wedding cake, baked and decorated by the groom's mother.

The popular young couple were the recipients of many lovely and useful gifts.

A dance was held later in the Columbus hall, Clandonald, where a huge crowd enjoyed the music of Jimmy Munroe and his orchestra.

The bride and groom left later on their honeymoon where they visited the bride's home at Crystal Springs.

Out-of-town guests were Mr. and Mrs. Roy Butz, Mr. and Mrs. Bill Taylor, Mr. and Mrs. Moral Butz, Mr. and Mrs. Alvin Butz and Mr. and Mrs. R. M. Butz, all of Calgary. Mr. and Mrs. Bert Taylor and Mr. and Mrs. P. H. McNamara of Edmonton. Mr. Charlie Deford of Trochu, Alta.

## Bowtell Bulletin

The November meeting of the Busy Bees was held at the home of Mrs. R. Repp with 20 present, including three visitors, Mrs. Gagnon, Mrs. B. Gould and Mrs. Gillies. New officers for 1955 elected were: President, Mrs. R. Repp, Vice-President Mrs. A. Moses, Secretary, Mrs. T. Sherwood, Treasurer, Mrs. J. Morrison, Auditor, Mrs. Johnson; Flower and Sick committee, Mrs. Maggs and Mrs. Moses.

The B. B.'s contributed $20.00 to the community hall. Mrs. Gillies won the lucky draw. Mrs. Jones, Mrs. Dedelly and Mrs. O. Repp were appointed to purchase candy, etc., for the children's Xmas treats.

Place of the December meeting will be Mrs. Bert Gould's, one week earlier than usual, Dec. 8th.

Prize winners at the last card party were Frances Sherwood, Mrs. Repp and Mrs. Maggs, guests, Henry Strang, Jim Repp and Isabell Sherwood.

Margaret Robinson is the latest victim of the mumps.

Visitors at the writer's on Friday were Mrs. B. Gould, Mr. and Mrs. Clarke and family, Mr. and Mrs. Hobbs and Wayne.

The writer is sorry to learn that at time of writing both of Charlie Pierman's parents are ill in hospital at Ponoka.

Twenty-three attended Pleasant Valley church on Sunday. It was nice to have Mrs. Bell and family and Mrs. Toohey and family of Islay there.

Mr. and Mrs. R. Repp were guests for supper Sunday at the home of Mr. and Mrs. Horpestad. Lynne Purser spent Monday night visiting Frances Sherwood. Tommy Rochford spent a few days in hospital this week with an infected throat.

Congratulations to Mr. and Mrs. Fulton on the birth of a baby girl recently at Vermilion hospital.

## Cookie Sale Success At Mannville

MANNVILLE. The C. G. I. T. Cookie sale on Saturday last was a great success. The girls were all sold out of C.G.I.T. cookies shortly after the sale started but were fortunate in securing a further supply from Van's to continue their sale.

The C.G.I.T. group are very grateful for the support given them. There will be home made candy for sale at the W. A. bazaar on Nov. 27. The girls have had an interesting month with their costume Hallowe'en party ...

## Clandonald Church Setting For Recent Wedding

KLATT - LAWRENCE

The Catholic church at Clandonald was the setting for a recent wedding uniting Catharine Anne Lawrence, daughter of Mr. and Mrs. George Lawrence of Clandonald, and Mr. Benjamin Daniel Klatt, son of Mrs. Fred Klatt of Edmonton.

Rev. Father Landrigan of Vermilion performed the ceremony.

Given in marriage by her father, the bride wore a gown of white nylon tulle over satin. The strapless gown was topped by a Chantilly lace full length coat buttoned to the waist, featuring lily-point sleeves and a peter pan collar. She wore a fingertip veil held in place by a high coronet. Her only jewelry was a rhinestone necklace and matching earrings, a gift of the groom. She carried a colonial bouquet of red roses.

Bridesmaids were Miss Mary Lawrence, sister of the bride and Miss Clare Lawrence, cousin of the bride. They wore ballerina length gowns of mauve and yellow identically styled with ruffled nylon tulle over taffeta with net bolero jackets and matching mittens. Their headdresses were net caps trimmed with tulle rosettes. They wore necklaces and matching earrings. They carried nosegays of parma violets.

The groom was attended by Edwin Lawrence and Henry Dyjur.

A breakfast for the immediate family and a few friends was held at the home of Mr. and Mrs. Arthur Lawrence. A reception followed in the afternoon for over a hundred guests. Rev. Father Landrigan proposed a toast to the bride and the groom fittingly responded. Father Scriven gave a few well chosen remarks. Telegrams were received from the bride's uncle and family of Toronto and from the groom's mother sister and brother of Edmonton.

Later that evening a dance was held at the Elks hall in Vermilion.

After a short honeymoon to Edmonton the couple are making their home in Vermilion.

## Memory Of War Dead Honored By Large Gathering

Observances of Remembrance Day carried out here on Thursday, Nov. 11 were probably the most colorful and just as widely attended as any ever seen in Vermilion.

The parade formed at the Legion hall, and headed by the local detachment of the R.C.M.P., and the Color party, marched to the cenotaph to the stirring notes of the Legion Pipe band. Making up the long parade were members of the Legion, Legion W.A., "A" Coy., L.E.R., Air Cadets, Boy Scouts, Cubs, Girl Guides, Brownies, I.O.D.E., Rebekahs, Stagettes, Vermilion High and Public school students and V.S.A. students.

At the cenotaph the ceremony of the Laying of the Wreaths was solemnly carried out and the two minutes of silence was observed. Music for the outdoor service was played by the Salvation Army band.

THE SERVICE

The Remembrance Day service was held in the Columbia theatre and here again there was an overflow attendance. On the platform and assisting in conducting the service were Major Battrick, J. T. McNair, Rev. C. W. MacKay, Rev. D. A. Ford and Mr. Victor Tillett, President of the Vermilion Branch of the Canadian Legion.

Giving the address was the Rev. W. E. Sewell, Rector of St. Johns Anglican church in Edmonton.

Introducing the speaker, the Rev. D. A. Ford informed the audience that Mr. Sewell was an ex-serviceman and during the war had been on tour of operations with the Edmonton Squadron No. 418. The address delivered by the Rev. Mr. Sewell was built around the three words "Courage, Enlistment, Sacrifice". These form the heart and core of Remembrance Day, and the speaker wove his message simply but inspiringly. He ended with the thought that if Remembrance Day is no different than any other day then peace is still far away. "True service calls for sacrifice so that we may have God and God's Peace in God's world".

His large audience was deeply impressed by the address of the Rev. Mr. Sewell, and those present feel much indebted to him for his long-to-be-remembered thoughts.

Dr. C. W. Stephens was accompanist for the hymns.

To complete the service the Roll of Honor was filmed on the screen, accompanied by apropriate sound effects.

REMEMBRANCE ACTIVITIES

Extensive activities were carried out by the Legion and the Legion W.A., including Poppy day, Armistice dance which was held on Nov. 10, and the Armistice Smoker and get-together of returned men, held immediately after the Remembrance Day service in the theatre.

## Home & School Association Discuss "Discipline At Home and At School"

MANNVILLE. — The Mannville and District Home and School Association met on Nov. 18 with a fairly large attendance. The association had previously appointed two committees in conjunction with the promotion of athletics, one, to study the landscaping and planning of playground areas surrounding the two schools, and the other to arrange or help in the erection of the new skating rink. It was most gratifying to hear of, and to see the response there has been in this work from most of the rural areas. There is still more to be done.

A discussion was held on the possibility of sponsoring an Army Cadet corps at Mannville, and was strongly favored. A cadet group takes in the ages 14 to 18, and it was felt that the boys would gain a great deal from cadet training, including an annual camping session at Vernon, B.C.

The main part of the meeting was a very successful buzz session. The topic was "Discipline — At Home and at School". Many interesting points were brought forth such as: respect for discipline; agreement between father and mother; friendly relationships between teacher and child; consistent and immediate discipline; overlooking of small and harmless pranks; stages at which children need more attention and consideration; children corrected forcibly at school should not be sympathized with at home; fairness with children is important so that the child understands what is expected of him; behavior on the school buses; is classroom discipline strong enough today?

The leaders of the groups are to be commended on the able manner in which they handled the discussion. More of these buzz sessions in the future can surely create a great deal of interest at our meetings and increase our membership. We have over 500 children attending our school, and in proportion the number of parents coming to our meetings is really very small. This is not a money making organization — why not try to support your Home and School?

## Honored By Former C.G.I.T. Group At Mannville

MANNVILLE. -- Recently, Mrs. Annie Hubbard was hostess at a tea in honor of Mrs. Alice Stephenson, who has returned to this district. In the 1920's Mrs. Stephenson was the leader of a group of C.G.I.T. girls in the Wealthy and Braes districts. Several girls who were members of that group were present to show Mrs. Stephenson that they had never forgotten what she had done for them many years ago. The girls were Roberta Cain, Annie Allanach, Joan and Peggy Arnold, Nellie and Mary Thomas, Nancy Mercer and Ruby Gates.

Mrs. Stephenson was very much surprised to find how many old memories could be revived. Nellie Cotter (Thomas) brough a minute book telling of the organization of the C.G.I.T. group and following it through the work of three secretaries: Dorothy Booher, Edith Creighton and herself. They laughed over the hikes, the little colections, the simple ways of raisin gmoney (such as by each selling a chicken), the bean suppers, the mother and daughter banquets, and reverently remembered the deeper side, the Bible reading, the hymn studies and the stories of people who had devoted their lives to the service of others.

Joan Lugg (Arnold) brought a booklet she had written when attending Braes school and telling of the girls' first camping experiences in what they called "Botsford's Grove" and their attendance at the Mannville "Chautauqua."

Peggy Hubbard (Arnold) and Annie Hubbard (Allanach) supplied various old snapshots of interest to all the group.

All in all it was a lovely afternoon and it brought back memories of other girls who had been with them in C. G. I. T.

Mrs. Hubbard served a lovely lunch and then Mrs. Stephenson was presented with a pretty cup and saucer.

## Library Book Circulation Doubles

The number of books taken out during the month of October 1954, was 944, as compared with 388 in October, 1953. This indicates a growing interest in the Vermilion Public library. Membership for adults is only $1 per year and for students is 30 cents. Each book is allowed out for two weeks and a penalty of 5 cents per day after that time is then required.

CLANDONALD HALL

Showing at the Clandonald hall this week end Fri. and Sat. Nov. 26 and 27 "Jumping Jacks" a comedy starring Dean Martin and Jerry Lewis. Next week Dec. 3 and 4 "Scaramouche" in color. News reel each week. 22x

TURKEY SHOOT

A turkey shoot will be held at the farm of Jim Phillips, 6 miles south and 1½ miles east of Clandonald, 15 miles from Vermilion on the old Clandonald highway. 60 turkeys. Lunch served. 22

*Check that date label on your Standard today!*

THOSE WERE THE DAYS

Several showers have fallen this week to add variety to nice mild weather. On Friday last .25 inches fell, on Monday .05 and this Thursday so far .01. Temperatures have remained mild and steady showing little inclination to fluctuate very much. Roads are open and everyone seems to be enjoying the 'last kick of summer'. Some skating is being done on the sloughs.

# "GREEN ACRES"

FEEDERS IN DEMAND

Quite a few farmers are buying up feeder cattle. The spread now is 10 cents per lb. between the top of the market and plain kinds of feeder cattle. There is also a spread of 6 cents per lb. between good feeder cattle and the plainer kinds. Anyone can see that it pays to raise good beef type cattle instead of poor stuff. Also it pays to finish them out. Low grade grain is turned into a profit when fed to steers.

FARMER-SON AGREEMENTS

It is only right that farmers should set up a working arrangements with his sons where they are working with him. I have a supply of agreement forms which are very easy to follow.

MARKETING TURKEYS

Proper finishing of turkeys to get top grades will pay off this year. Care in starving, bleeding, plucking and packing is also important. Dollars can be saved by doing the job right. Get a circular from this office.

BANG'S DISEASE AREA

There seems to be some doubt about vaccination of calves for Bang's Disease. The law says that every heifer calf in the M.D.'s of Minburn and Vermilion River must be vaccinated. The law does not say that cattle must be vaccinated before coming into the area. This means that any cattle may be brought in or sold but if they are heifers the farmer is required to inform the veterinarian and get them vaccinated.

SEED OATS WANTED

Several farmers have enquired about selling seed oats. Anyone who has oats from 1953 or 1954 crops which are reasonably free of wild oats should get an official germination test and then take it with a sample to the closest seed cleaning plant, or municipal office or bring them in to me.

ADVANCED REGISTRY IN SWINE

Last week I was informed that R. McMillan of Clandonald obtained advanced Registry standing for one of his Yorkshire sows. Up to now Mr. W. R. Cornish, M.L.A. was the only breeder in this area who had gained this recognition. There is a big demand now for breeding stock from advanced registry sows.

MEAL CHECKS—For cafes, lunch counters, dining room etc. at the Standard Office, in stock. tf

## SEEDTIME and HARVEST

By Dr. F. L. Greaney, Director, Line Elevators Farm Service, Winnipeg, Manitoba.

**WHEAT RUST, VARIETIES AND SEED**

In 1954 rust reduced the yield of wheat in Western Canada by at least 100 million bushels. To this yield loss must be added the loss due to reduction in grade. Owing to the ravages of stem rust (Race 15B) in recent years, and of leaf rust in 1954, there is concern among western farmers as to the best wheat varieties to plant in 1955.

*The Variety Picture* Unfortunately, Selkirk is the only bread wheat variety that is resistant to Race 15B of stem rust. Selkirk stood up very well against both stem rust and leaf rust in 1954. Although there are about 3,250,000 bushels of Selkirk seed available for planting in 1955, this will do little more than cover the seed requirements of farmers in Manitoba and eastern Saskatchewan, the bad "rust area" of Western Canada. The variety Lee, because of its resistance to leaf rust, offers possibilities for certain districts. For 1955 the best advice we can give to farmers in western Saskatchewan and eastern Alberta is to stay with that high-yielding and popular variety Thatcher. Although no one can predict what Mother Nature has up her sleeve for 1955, the chances are very great that a destructive epidemic of rust will not hit Western Canada again next year. Thatcher, if planted early, can be depended upon to give a good account of itself. Farmers in the sawfly-infested areas of Western Canada should, of course, plant either Chinook or Rescue in 1955.

*Seed Supplies* Seed of Selkirk and Lee is likely to be in short supply by Spring. Farmers who want to secure seed of these varieties are urged to do so at once. Order Forms for Selkirk, i.e., for the seed of Selkirk that is being distributed by the Canada Department of Agriculture, can be obtained from your Agricultural Representative, or local elevator Agent. Now is the time to secure your seed-grain supplies for 1955.

## The Liquor Control Act Application by Club for Club Licence

*APPRECIATION*

St. Saviour's W.A. wish to sincerely thank all those who donated to and assisted them in any way with their bazaar on Nov. 20.

## Shower Bride-Elect

A shower was held in honor of Miss Eileen Toner at the home of Mrs. Edward Lovell on October 19 where the bride-elect received numerous lovely gifts. Many thanks go to Mrs. Ed. Lovell and to the ladies who attended.

## Kinsmen Thank Public

The Vermilion Kinsmen Club take this means of thanking all the citizens of the community who contributed so generously to their "Peanut Nite" last Friday. The response was very gratifying and all can be assured that the money realized will be fully used in improving the playground and the paddling pool.

Jack "Moose" Phillips, quite a legendary figure in this area in the early days, is now living with his son Bill and family near Grande Prairie. Over 90 years of age, Moose is still in good health and walks the more than a mile into town several times a week. In keeping with his age he has let his whiskers grow until now they reach is knees. His son Bill and wife visited the latter's parents Mr. and Mrs. Gordon Dunsmore in town last week. "Moose" received his nickname on account of his ability to hunt out and bring down the big game animals.

# LOCAL NEWS

The following young ladies from Vermilion and district have passed the examinations for Registered Nurses: Lorna Daley, Alveso Mahan, Cecilia Shalka, Audrey Watts, Elsie Juba of Derwent, Phyllis Puhyk of Innisfree, Shirley Mae Thompson of Mannville.

Mrs. A. E. Washington spent last week end at the home of Mrs. R.W. Chemey at North Battleford.

Bill Harley of Wainwright and Rex Boake, both of Alberta 'Varsity, accompanied the University Flying Club to Vermilion on Sunday.

El Weeres who has been on vacation which he spent visiting old home scenes in southern Saskatchewan, returned to Vermilion Tuesday.

Miss Shirley Sutherland of the University hospital was home for a few days last week.

Mrs. Lenora Dupuit of Dewberry announces the engagement of her only daughter, Marguerite, to Mr. Eric Elliott, son of Mr. and Mrs. Bud Elliott of Dewberry.

Mrs. A. T. Sedgewick of Parry Sound, Ont., visited at the home of her sister Mrs. H. P. Long for ten days. She is now on her way to Creston, B.C., to visit her daughter, before returning east.

Mr. and Mrs. Spencer Goddard and four kiddies leave Thursday this week to make their home in Edmonton where they will live on the South side. Many friends they have made while here greatly regret to see this young family leave Vermilion and best wishes accompany them to the city.

Sgt. and Mrs. Fred Waite and little daughter Arundell, of Edmonton, spent a few days last week at the home of Mrs. Waite's parents, Mr. and Mrs. V. H. Cooper. Sgt. Waite has recently returned from a trip to Ottawa where he was called by the National Film Board for first-hand information concerning the life and habits of Eskimo in the N.W.T., for a film which they are preparing on Eskimo life.

BORN— To Rev. and Mrs. C. W. MacKay on November 20th at the Vermilion municipal hospital, a son.

Mrs. Mary Callaghan returned on Monday of this week from Red Deer, where she was called owing to the illness and death of her father.

ST. SAVIOUR'S W.A.

A meeting of the St. Saviour's W.A. will be held on Thursday Dec. 2 at 3 p.m. in the parish hall.

ISLAND HILL

The Princess Anne W. I. will hold a dance in the Island Hill hall on Friday, December 3rd. Horpestad's orchestra. 22-3x

BORN — To Mr. and Mrs. Jack Thompson of Devon, Alberta on Nov. 12 at the Royal Alex hospital, a daughter, weight 8 lbs. 4-oz.

DERWENT THEATRE

*IN MEMORIAM*

In loving memory of a wife and mother
*Mrs. Margaret Filgate*
—Who went to be with the Lord on Nov. 26th, 1950.
"Nothing can ever take away
The love a heart holds dear
Fond memories linger every day
Remembrance keeps her near."
Ever remembered and missed by Sam, Ivan and family.

*IN MEMORIAM*

In loving memory of a dear husband and father
*Mr. George Edgar Long*
who passed away Nov. 27, 1953.
We miss him most
Who loved him best.
Ever remembered by his loving wife and family.

## Mannville & District LOCALS

The Mannville Square Dance club held a party with a few more than five sets on Friday evening last in the Legion hall. During the evening a meeting was held and Mr. Walter Donnenworth was elected president and Mr. Hugh Doherty secretary-treasurer for the coming year. There will be another party on Saturday Nov. 27 in the Legion hall with more definite news at that time about when Mr. Lien will be coming.

Messr. A. E. Williams, Harvey Robertson, Jim McLinnie and Wally Osborn motored to Edmonton on Sunday to visit Mr. Geo. Thompson. They report finding him in fairly good health and very pleased to have visitors from Mannville. Rev. Les Cornnes also visited Mr. Thompson on behalf of the Anglican church.

Mr. Ed Amber of Vancouver is back in town for a few days, renewing acquaintances and on business.

Mr. and Mrs. E. Hubbard and Karen accompanied by Mr. and Mrs. R. Lugg motored to Hanna on Sunday to visit with Mr. and Mrs. Joe Dowicki and daughter.

Mr. George Pemberton has returned from a few days visit to Edmonton.

A wallet was lost a short time ago with a large amount of money as well as personal papers in it. Will anyone finding this wallet please turn it over to the local constable, Jim Allen. There is a reward offered for it.

Miss Verla Arnold has gone to visit with her sisters in Vegreville for awhile after undergoing an appendix operation in the local hospital.

Mrs. Ewing Sr. and Mrs. Lawrence are patients in the hospital and both are improving favorably.

Don't forget the United Church W. A. annual fall bazaar and tea on Nov. 27 starting at 3 o'clock.

Congratulations to Mr. and Mrs. Pat McLaughlin on the birth of a son in an Edmonton hospital.

The Braes Community club dance on Friday last was very successful with a good attendance. The turkey and goose raffled were won by Les Kreller and Peter Bielech respectively. All roads will lead to the Braes on Dec. 3 when they will hold another dance.

The annual Xmas bazaar, tea and sale of home cooking sponsored by the Happy Hour W.A. of Christ church will be held Saturday Dec. 4 from 3 to 6 p.m. in the parish hall.

Miss Letty Marshall who has been nursing for the past year in Calgary and Vancouver spent a few days visiting with her cousin Mrs. A. Marshall on her way to her home in Belfast, Ireland. Also spending a few days with the Marshall family was their son Jack and two children Sandra and Rodney of Calgary.

## A GOOD USED PIANO??

BE CAREFUL in your purchase of a Used Piano . . . old pianos like old cars can be doctored up to look and play fine, but will they last? Some people are of the opinion that all old pianos are good . . . It cost us about $300.00 this past summer to find out that this was a foolish idea . . . On one we spent $80.00 in repairs only to find out it was still a "relic" and hopeless to waste money on . . . Be sure you know who owned your piano before you buy, and if that is not possible, buy from a reliable dealer who will guarantee satisfaction . . . We offer a factory re-conditioned piano for our used piano customers, with a five-year guarantee.

MR. & MRS. RAYMOND TAYLOR —SHOWN about to cut the cake at a gathering held in honor of their fortieth wedding anniversary are Mr. and Mrs. Raymond Taylor, esteemed old time residents of Vermilion and district. —A Vermilion Photocraft Photo.

## Mr. and Mrs. Raymond Taylor Honored On Fortieth Wedding Anniversary

Mr. and Mrs. Raymond Taylor celebrated their fortieth wedding anniversary at an open reception in St. Saviour's parish hall on Monday evening November 15th. Members of the immediate family present were Mr. and Mrs. John Taylor and two children, Betty and Jimmy, of Wainwright, Alta., Mr. and Mrs. Geo. McPhee (Barbara) and three children, Dennis, Douglas and Tommy of Clandonald, Alta., and Miss Margaret Taylor of Vermilion. A telegram of congratulations was received from [illegible] Nurse) Dorothy Taylor of H.M.C.S. Stadacona, Halifax, N.S. who was unable to be present.

While the guests were arriving Mr. James McCaughey presided at the piano. His playing was much enjoyed by all and proved a delightful prelude to the evening's entertainment. A program of [illegible] sing-song was then held, following which a delicious lunch was served by the ladies of the Happy Hour Group of the W. A.

Miss Eleanor Evans was in charge of the guest book.

Mr. and Mrs. Taylor were married in St. George's church, Montreal, on November 15, 1914. Both were born in England and came to Canada as early pioneers of the Vermilion district.

Mr. Taylor left England with his younger brother, Ernest, in 1905. They crossed the Atlantic in the "Virginian" which, along with her sister ship the "Victorian" was the first ship to use turbine engines. After arriving in Canada, the two brothers went to the Olds district. They came to Vermilion the following year, homesteading in the Chatsworth district where Raymond Taylor lived until 1927. In that year, he and his family moved to town where the family home has been ever since.

Mrs. Taylor, the former Elizabeth Bury, left a nursing career in England in 1910 to keep house for her brother, W. E. Bury, who had a homestead in the Campbell Lake district. She first met her future husband at Christ Church, Ottawa. This church has since been moved to the King Edward district.

Both Ernest Taylor and W. E. Bury lost their lives in the first Great War.

It is interesting to note, as Alberta is celebrating its Golden Jubilee next year, that Raymond Taylor was present at the opening of the first Alberta Legislature in the Thistle rink in Edmonton in March, 1906, and he recalls very vividly the feverish activity required to clear the rink of ice before the event.

## Wedding Bells

*HENNINGSEN—THOMPSON*

A quiet wedding was solemnized at the Knox United church, Edmonton, on Nov. 13th at 3 p.m. when Evelyn Thompson, daughter of Mr. and Mrs. Richard Good of Vermilion, was united in marriage with Mr. Hans Henningsen of Vermilion.

Rev. E. Edworthy officiated at the ceremony.

The bride's dress was of silver-blue brocaded taffeta in afternoon length, the fitted bodice trimmed with rhinestone buttons and the skirt gathered below the hipline. Her hat was of white fur fabric trimmed with veiling and seed pearls, and she wore a corsage of red roses, white baby 'mums and fern. Her jewelry was a double strand of pearls, the gift of the groom.

The matron of honor Mrs. Geo. Honey Jr., was dressed in winter white corded taffeta, with hat and gloves in turquoise blue. Her corsage was of pink carnations and fern.

The groom was attended by Mr. George Honey, Jr.

Following the ceremony a reception and dinner for immediate relatives was held in the banquet room of the Cathayan. The bride's table was centred with a two-tiered wedding cake flanked by tall pink tapers. Bouquets of mauve and yellow chrysanthemums decorated the table.

The toast to the bride was proposed by Mr. George Honey, Sr., and replied to by the groom.

For going away, the bride wore a turquoise blue knitted woollen suit, with topcoat of black Hudson seal and accessories in white and black.

After a motor trip throughout central Alberta, the newlyweds are making their home in the Chatsworth district.

## The W.M.S.

The regular monthly meeting of the W.M.S. was held at the home of Mrs. Oakley on Wednesday afternoon Nov. 10. The president Mrs. Robinson called the meeting to order at 2:30 with prayer. Mrs. J. Hardie and Mrs. R. Good led the worship service.

Mrs. Roebuck had charge of the study book "The Church in India" by R. M. Bennett and gave a wonderful talk on the religions and customs of the Indian people. This was followed by a ten minute question and discussion period.

The usual routine business followed. Plans were made for the December meeting. It will be held in the church hall at 7:30 p.m. on Thursday, Dec. 9. At 8:30 a short Xmas program arranged by Mrs. H. N. Stephens will be presented. This will be followed by our annual 'Little Bazaar' and lunch will be served. Everyone is cordially invited to attend this Christmas program, have lunch and participate in the social half hour.

The members are reminded to bring home cooking or sewing for the general table and a wrapped gift for the 25 cent table.

It was a joy to have Mrs. Henry Meyers, Presbyterial Secretary of Christian Stewardship with us. Mr. and Mrs. Meyers lived in Vermilion for a number of years previous to moving to Lloydminster. Mrs. Meyers gave a very interesting talk on her recent trip to Toronto, also on Christian Stewardship.

Mrs. Hill on behalf of the W.M.S. thanked Mrs. Meyers, also Mrs. Oakley for so kindly giving her home for the meeting.

The meeting closed with the singing of Hymn 164 "The Church's One Foundation is Jesus Christ her Lord", and prayer offered by Mrs. H. N. Stephens.

A very delicious lunch was then served by Mrs. Hardie, Mrs. Howley, Mrs. R. Good and Mrs. Roebuck.

## 3-day Holiday To Mark Christmas

The Christmas holiday will last three days this year because Boxing Day, Dec. 26, falls on a Sunday.

Under the Provincial Interpretations Act, when Dec. 26 is a Sunday, Dec. 27th is to be observed as a holiday.

# Health Unit Notes

THE ONLY CHILD

Bringing up an only child can present a challenge but just as there are advantages and disadvantages in the day to day coping with larger families, so with the one-child household.

To begin with, the only child doesn't present a unique problem because every first child in any family comes into this category. All parents have the fun and tasks of a small three-unit group for at least part of their parenthood. It is when a lengthy time intervenes before brother or sister comes along — if at all — that the parents of any only child may run into certain difficulties.

ADVANTAGES

With only one child to take care of, parents are presented with many opportunities. Events too expensive or troublesome for the large family — like taking in a ballet or ice show or going on an interesting trip, can be more readily shared by parents and child. More time and energy are available for building play areas in the backyard or basement.

Spared the efforts of meeting the needs of many children, mother and father can concentrate on following through the interests and activities that will enrich the child's life. And fewer family frictions can mean more sympathetic understanding and attention.

There is money to spend on the 'gifted' child to encourage and to nourish special abilities in music or dancing, science or art, mechanics or collections.

DISADVANTAGES

But the pitfalls that face the parents of an only child can be many and it's here that much of the criticism and fear about an only child arises.

Basically, such a child finds himself in a world lacking some important things which normally help in the development of the healthy, well adjusted adult. One factor is the support which children in the same family give to one another. Such support comes out of shared secrets and loyalties and experiences. He misses, too, the world of make-believe enriched by play with brothers and sisters.

Again, being an only child tends to emphasize him too much as the centre of attention — it's no wonder that so many lose all sense of proportion of their own importance and become truly spoiled!

LOVE . . . BUT THE RIGHT KIND

Without doubt the greatest concern aroused in parents by the only child is the feeling of his 'loneliness'. It's only human, then, that so many parents try to make up for this by extra attentions and care, unfortunately too often to the point of over-indulgence. The youngster is constantly in the spotlight. It becomes his measuring stick for love. The more attention he gets the more he figures Daddy and Mummy love him. He demands more and more attention and becomes truly spoiled.

A child need not be spoiled by love. Love is the only sound basis for a child's healthy growth. It gives him self-respect and confidence and establishes firmly the all important feeling of security. The smothering over-protective kind of love which cuts him off from learning the things he has to learn and gives him a distorted view of the world he's got to grow up in makes a child spoiled and demanding.

PLAYMATES HELP

What can be of considerable help to the only child is the opportunity to grow up like other kids. If he can't have the benefits of brother and sister companionship then the next best thing is to supply him with the closest substitute - playmates his own age. Very early in life he needs to play with other children, to create a hubbub, get into arguments and have them settled and learn to give and take in a group.

A nursery school is excellent for the three and four year olds. For other age levels the kindergarten, Cubs or Brownies, neighborhood groups, clubs and camps are advised.

The only child may need to be introduced gradually into appropriate group play until he becomes accustomed to these new and strange people. No matter what group is involved, parents should give their child their warm support and understanding, inviting playmates in, supplying space and equipment for play if possible and encouraging discussion and activities.

BABY & PRESCHOOL CLINICS

Monday, Nov. 29 - Legion Hall Vermilion 2 to 4 p.m.

Thursday, Dec. 2 - Dewent school 11 to 12 noon.

Thursday, Dec. 2 - Clandonald school, 2 to 4 p.m.

Friday, Dec. 3rd - Dewberry school 2 to 3:30 p.m.

*Important Notice to all* **SHORN SHEEP:**

Our ovine friends will be glad to know that in future they may be spared the undignified and chilly experience of being sheared of *their* wool to keep *us* warm. A new lightweight lining material for men's and women's clothes [illegible] to give more than three times the insulating value of a similar weight of wool cloth.

Humans, too, will be glad if this hastens the end of heavy, bulky winter wear. The material can be dry-cleaned, drapes well and is sufficiently porous to let the body "breathe" . . . Just one more example of the way Canadian manufacturers are combining aluminum and imagination for better, easier living. Aluminum Company of Canada, Ltd. (Alcan).

## School Girl Wins $225 In Cash Prizes

Ten-year-old Mary Ann Grant, a pupil at Rye school which is located some 12 miles north-east of Clandonald, has won a $100 prize for herself, another $100 in cash for her school, and $25 for Long's Drug store in Vermilion.

Mary Ann, who is a daughter of Mr. and Mrs. Jack Grant, is a bright grade 6 student and won the prizes by entering a contest sponsored by the Waterman Fountain Pen Co., entitled "Back to School" contest. Neatness of writing was ranked high in deciding the winners.

Mary Ann is shown above presenting a $100 cheque to the teacher of Rye school, Mr. S. A. Marshall. The money will be used to purchase playground equipment. Another $25 cheque went to the Long's Drugs in Vermilion as it was from there Mary Ann obtained her entry form in the contest.

—Photo by Vermilion Photocraft

## Two More Clubs Ask Admission Into Hockey League

*(Viking News)*

League representatives of the Eastern Alberta Hockey league met at Viking on Sunday, Nov. 7. In the absence of President Dr. Ascah of Wainwright, who has moved to Ontario, Dr. Bradley of Wainwright was elected president pro-tem and presided at the meeting.

Last year the E.A.H.L. consisted of clubs from Vegreville, Vermilion, Viking and Wainwright. At the meeting the Vermilion club was represented by Stan Manyluk and Al Locke, the Wainwright club by J. E. Taylor and J. Humphries, and the Viking club by L. C. McIntyre and Ken Hilliker who acted for John Hafso who was unable to be present. The Vegreville representatives were conspicuous by their absence.

A delegation from St. Paul consisting of Messrs. J. Davidson, Romeo Bedard and Clarence Richard were present with a petition asking that the St. Paul hockey club be included in the league. There was also a petition from Hardisty to join the league but no delegates showed up from that point.

Considerable routine business in connection with the operation of the league was discussed. A motion was passed to invite Bob Haxby of Edmonton to again take the position of referee-in-chief at the same stipend per game. Objections were voiced to the work of some linesmen during the games and this was to be referred to the chief referee.

As Vegreville was not represented it was decided to hold another meeting at Wainwright on Sunday, Nov. 21 at 3 p.m.

It was rumored that Vegreville had financial pains and may not ice a senior team this year but hopes are that they will. The petitions from St. Paul and Hardisty clubs and other matters were left in abeyance until the meeting at Wainwright.

Officers for the 1954-55 season were elected as follows: President, Dr. Bradley of Wainwright; vice president, H. W. K. Hilliker of Viking; secretary-treasurer, J. Humphries of Wainwright (re-elected).

## Exceptional Business Opportunity

Opportunity available in this area for reliable party to operate

**Automatic Merchandising Machine Route**

Although eventually a full time business, openings at present are such that a few hours per week are sufficient. Factory Distributor will set up a route and make all arrangements. VICE-PRESIDENT, NATIONAL DISTRIBUTING COMPANY OF CANADA
912A-10th Avenue North West CALGARY, Alberta.

NOTHING BUT THE TRUTH by Ross Arnold

## WOODVALE NOTES

We are ready to write "Spring is here." That is just how the weather feels, and rain back with us again! And two months ago we were sure of an early winter. One never can tell!

Mr. Duff McGrath left for the Royal Winter Fair with the group of the Agricultural Society and he wrote home about the very pleasant time they were having, and excellent accomodation. He plans to stay away the full month or even a little longer, as he intends to visit friends and relatives in Ontario and New York state. This is his first trip East since he left there forty-two years ago.

The baby of Mr. and Mrs. Ray Preston is in the Islay hospital with a very bad, persistent cough. His mother is with him there and we hope he'll soon be better. Quite a few people suffer from it but it is much more serious for the very young.

The organ of the old Woodvale school, that pleasant home for generations of mice families, has been removed and with the blackboards will be made into handy card tables. It has nearly always been out of order and used to cause a lot of excitement in the good old school days when mice and offspring were removed and once even a gopher!

Born to Mr. and Mrs. J. Smit of Banff, an 8-pound daughter, named Hendrika, on November 9th. We don't know how we came to forget that last week as we are leaving on Saturday to see the baby and will be away for almost two weeks. Hope my friends will not forget to tell me what all happened in the district, on my return.

Hazel Thomson is at present employed as a cook in Islay hospital.

BEAN & HAM SUPPER

Bean and ham supper in the Dewberry hall on Wednesday, Dec. 1st. Supper served from 5:30 to 8 p.m. Adults $1, children 50c. Free show after supper. Sponsored by the C.W.L. 22

WIN A DOLL'S HOUSE

Win a lovely doll's house. See in the store windows around town. A surprise gift for that little girl at Xmas time. Tickets may be obtained from any member of the Britannia Rebekah lodge. Draw on Dec. 23 at the theatre. 22-5x

The first electric railway in Canada was built in Toronto in 1883.

# Higher Municipal Grants In Prospect

EDMONTON. — The next session of the Alberta legislature, to open next February, probably will be asked to approve fairly extensive revisions to the methods of granting municipal and road-building funds.

These are the indications drawn from addresses given by Premier Manning and members of his cabinet to the 46th annual convention of the Alberta Association of Municipal Districts held here last week.

For instance, Premier Manning said the government believes there are three major problems facing the province's municipalities. They are increasing costs of education, capital costs and the financial stability of the individual citizen.

Education costs, he said, added to the other municipal costs, are the "straw that is breaking the camel's back". Probably his remarks on education can be related to those of Education Minister Anders A. Aalborg, who told the recent school trustees' meeting the government is making a concerted study of ways of reducing the cost of education to taxpayers.

The government's concern with other municipal costs was stated by Municipal Affairs Minister C. E. Gerhart, who told municipal district and county councillors the next legislative session almost certainly will be considering higher municipal grants. More attention he indicated, will be given to municipalities actually "in need".

This would be done by changing the present system of grants — one-third on the basis of need and two-thirds on assessment — in favor of one which is based on half need and half assessment. The minister said: "It has become evident more has to be put into that part of the grant system based on need."

What about Premier Manning's statement concerning the economic stability of the individual? He did not elaborate but perhaps he was thinking of statements he had made to the last legislative session when he indicated the government is studying ways of giving direct assistance to citizens.

At the same time he suggested one way to do this would be to give ratepayers certificates to cover a portion of their municipal taxes.

It also could be an indirect answer to the Liberal party's recent request that the individual ratepayer be given taxation relief by an exemption on the first $1000 of assessment, the loss this would mean to the local government being made up by the provincial government.

Also addressing the convention and suggesting a revision in grants was Highways Minister Gordon E. Taylor, who said he was shocked during his travels this summer to find some persons who had been living and farming in particular districts for 20 to 40 years still are not served by gravel roads. In order to remedy such situations in municipalities where low assessments make it impossible to raise enough funds for proper road building, Mr Taylor said he is recommending special grants.

Money for these grants, he said, would be additional to funds totalling about $3 million voted by the legislature to be distributed on the regular grant basis, under which the government pays 75% of the costs of building approved municipal road projects.

The need for such grants for some areas, Mr. Taylor said, stems from the fact "there are municipal districts which even if we increased the grants under the present basis, would be unable to match them because of the low assessment."

Other highlights included: Mr. Gerhart, talking on the co-terminous boundaries commission, said that he hoped when the commission's work is finished it will be the last 'monkeying' with boundaries for 25 or even 50 years. Mr Taylor deplored the practice of some districts in dividing road grant money on 30 or more projects, saying: "As long as you go on patching mudholes, we'll never have good roads." In resolutions, the delegates asked for more uniformity among the districts and from the government in imposing road taxes and asked the government for power to make loans for community projects, the loans to be repaid as taxes by the persons affected and requesting the improvements.

## C.W.L. BAZAAR

A bazaar will be held in the Legion hall on Saturday, Nov. 27, sale of home cooking and fancy work, also rummage sale. Tea will be served from 3:30 to 5 p.m. Sponsored by the C.W.L. 20-2c

Tuesday, Nov. 30 – 8:00 P.M.
GEORGE'S LOWER DECK
You Are Invited To Attend!

# Wildmere W. I. Notes

The Wildmere W.I. met at the home of Mrs. J. Bathe on Nov. 3 with 18 members and two visitors, Mrs Bauman and Mrs Mergl present. The meeting opened with 'O Canada' and the Creed. Happy Birthday greetings were sung to Mrs Albert Smith who had a birthday that day. The vice president Mrs. F Gibson was in the chair and heartily welcomed the visitors. Minutes of the previous meeting were read and treasurer's report read. $32.25 was realized from the bake sale. Discussion on blankets followed. It was decided to give Mrs. Cruthers another premium blanket for her trouble and to sell one to Billie Smith.

A motion was made that three members bring cake and cookies to help out the hostess with the lunch as the group is becoming so large. The hostess will supply sandwiches and coffee.

The roll call was answered by handing in a bazaar article. Correspondence consisted of a letter from Shirley Holms who is now at her home in Mayfield, Man. The W.I. planned to cater for the lunch at the George Wilson sale. Six members to bring cake and 14 members to bring sandwiches. W. I. to buy coffee sugar, milk and bags. Mrs. Whitlock to look after the purchases.

As the W.I. had an interest in the piano at the old Preston school a motion was made that the piano be moved to the new Preston Central. Mrs. R. Dibben will write the necessary letter to the board in Vermilion. Dues were paid for Home and Country. Mrs. Wilson bought two books for the new school, our October project. It was decided to donate money for a Xmas treat for small children of our district and members' children. The party will be held at the Basswood school, the committee to get up the program.

Topic was by Mrs. G. Whitlock, "Deaf Children to have new home in Edmonton", a very necessary and interesting project. Social was by Mrs. Wallington "Guessing the weight of a parcel". Mrs. J. Bauman was the winner. Johnny Jump Up went to Mrs W. T. Garnett.

The next meeting will be Dec. 1, Mrs. C. Cruthers to be hostess. Roll call: Bring Xmas Day hospital decoration. Topic: annual meeting 'Bring Xmas gift not more than 50c in value'. Lunch committee Mrs. R. Dibben, Mrs. D. Dibben, Mrs. Noel Garnett. Meeting closed with a tasty lunch. Mrs. Wilson, another member who now teaches at the Thorncliffe school dropped in for lunch on her way home.

Mrs. J. Wallington,
W. W. I. Reporter

# The World of Wheat

By W. G. MALAHER,
Director, Research Department,
Searle Grain Co. Ltd.

EXPLORING NEW OUTLETS FOR WHEAT

A good deal of interest is attached to a study now being made by the U.S. Department of Agriculture, with respect to a food preparation dating from ancient times, which it is thought might provide a new outlet for some of the surplus wheat stocks in the U.S.A. The product is nothing less than "Boulgour" or parboiled wheat, which was used by the ancient Babylonians and other peoples 4,000 years ago, and is still consumed in the entire area of the Middle East. Boulgar is wheat that has been cooked and sun-dried, the bran being then removed and the grain cracked. The resulting product has about the same value as wheat, and requires about the same cooking time as rice which it resembles when properly cooked, although it is darker in color.

At the present time 3 countries in Eastern Asia — Burma, Indo-China and Thailand, produce most of the exportable surplus of rice, and it is upon these countries that Japan and India, as well as other rice-importing countries, depend almost entirely to make up their own rice deficit. With the rapidly expanding population in these countries however and the possibility that the normal rice market may at some future time be upset, for political or other reasons, the attempt of the U.S. Government to explore the market for Boulgour as a substitute for rice is a novel approach to the question of surplus wheat stocks.

It takes $101 to buy what $100 would purchase a year ago.

# PLEASANT VALLEY

The weather continues very mild and is really enjoyable.

On Wednesday the Moore family called at the home of the writer and all went to the sale and enjoyed it very much. We had a chat with Mrs. Wallington and Nora Ronaghan. The lovely lake on the Wallington farm was seen and we noted it is very pretty surrounded with hills and trees.

Quite a large number attended the chicken supper at Islay. It was a fine night and a happy affair.

Best wishes for years of happiness are extended to our Chatsworth Scribe.

Many enjoyed the lovely colored slides Sunday at the Islay church. The Bothwells were supper guests at the writer's on Sunday and the old hymns played on the piano were much enjoyed. We think that Mr. Bothwell should sing in the choir this winter while staying in Vermilion.

Received a letter from brother Tom Gould from Victoria who said that they met quite a number from this and surrounding districts out at the coast the past season. While having lunch at the Brentwood Coffee shop owned by Eddie and May Fenton in came Nellie and Jim Forsyth, Bill and Rachel Barnes, Wilma Wilson from Vermilion, Ken and John Bodington. Later he had a chat with Frank Atkinson and Ed Davies the former Vermilion butcher. So you see folks it is a small world after all.

Say, how many of you ladies noticed the cartoon in Herzog Motors advert two weeks ago, issue of Nov. 11. I don't think that a lady should have been at the wheel of the car. It looks more like a gentleman's driving when a little impaired.

Many homemakers are now making their Christmas cakes. The season seems to creep up on you, and there is so much to do, or maybe it is like the colored girl said, "There's too much switchin' of de dishes fo' de fewness of de food"

Christie Clark received a real surprise last week when his brother Earl arrived from Winnipeg to visit them all. It has been 18 years since he left Vermilion.

(Nov. 19 to 25)

Another grand day. The men are busy sawing up the winter's supply of wood.

Mrs. Gillies and Mrs. Gould attended the Busy Bee meeting held at the home of Mrs. R. Repp where a very enjoyable afternoon was spent. The writer wonders if Marion and Betty ran into anything on their way home? The fog was so thick that we nearly went past our own gate.

A large number attended church service on Sunday. It is rather chilly sitting in church now as the floor is so cold. Mrs. Bell, Mrs. Teskey and the girls also attended service. Mrs. Gillies had all of her family home on Sunday. A happy day for you also Betty.

Some of the family spent a day in Edmonton on Monday.

Mrs. Maire has been laid up with the mumps but is now up again and feeling better.

Mr. and Mrs. Bothwell left on Thursday for Vermilion to spend the winter there. Mrs. Bothwell will miss her lovely plants this winter.

Mrs. Reid has her father spending a few days with her and the family.

## Come To Church

SUNDAY, NOVEMBER 28th

## PARADISE VALLEY NEWS

The Paradise Valley "Valley Maids" C.G.I.T. meeting was held at the home of Mrs. Gunn. The meeting was called to order by singing "O Canada and "Sweet Home of Prayer. Grace Stoddart the elected secretary for the evening called the roll and read the Purpose. Mrs. Gunn led us in the devotional. Some of the girls helped her. Before the de[votional period] Mrs Gunn gave a talk on the Dawn to Dawn books and the C.G.I.T. book. The Roll Call was taken with 13 members present. The secretary read the minutes of the last meeting and the treasurer's report was given. A discussion was held on the tea and bazaar to be held in the church basement on Nov. 25 at 2 o'clock. Committees were elected for this. Mrs. Gunn gave a talk on C.G.I.T. work and we received our project books and work given out for the next meeting. Hemmed dish towels were shown and examined. Grace Stoddart gave a demonstration on how to make four different seams and Margaret Wolf demonstrated embroidery stitches. Gloria Elliott will bring the treat for the next meeting. June Teasdale moved the meeting be adjourned. We said "Thank You Comrades and sang "Taps" Margaret Wolf moved a vote of thanks to Eva Brassington for the treat and to Mrs Gunn for the use of her home.

Mrs. Bert Caldwell of Altario, Alberta was a recent visitor with her sister and brother-in-law Mr and Mrs James Seamus.

Congratulations to Mr. and Mrs. Murray McDonald on their recent marriage which took place in the United church on Nov. 17. Mrs. McDonald was the former Beatrice Kragness, daughter of Mr and Mrs. E Kragness

Mr and Mrs. Parke Dobson left on Sunday for Calgary where Mr. Dobson will attend the annual meeting of the Alberta Wheat Pool delegates.

We had quite a rainfall on Friday evening. However the roads are not so bad. This year is a strange one. We never know what to expect as far as the weather is concerned. It has been a wonderful fall for stock. Let us hope

this winter... enjoy sunshine days!

AT THE PACIFIC COAST OR CALIFORNIA

Let Canadian National's famous Continental Limited take you to Canada's Evergreen Playground ... and connect with California. In route you'll thrill to the beauty of the Canadian Rockies in their brilliant mantle of winter snow.

Travel relaxed in modern elegance, with Dome and Tourist cars in the Continental. Outdoor enthusiasts will golf, sight-seeing, fishing ... or just loaf. Make this winter's holiday a memorable one ... travel by train.

Whatever your travel plans, your Canadian National Agent will be glad to assist ... ask him about the wide choice of One-night stopover accommodations to each EVERY Canadian. It costs less than you think.

For real travel ease, ask about Family Plan Fares, on sale to January 31st.

## New Governor is Appointed For Bank of Canada

Official announcement was made this week that the directors of the Bank of Canada have appointed James Elliott Coyne as Governor and John Robert Beattie as Deputy Governor for a term of seven years commencing Jan 1 1955. In accordance with Section 6 of the Bank of Canada Act, these appointments have been approved by the Governor in Council.

At the same time the Bank has announced the appointments of Louis Rasminsky C.B.E. and Ralph Buchanan McKibbin as Deputy Governors under Section 7 of the Act effective Jan 1

Mr Coyne who succeeds Mr Graham Towers as Governor has served as Deputy Governor for the past five years. He first joined the bank in 1939 in the Research Department and has held a succession of posts in various fields including Deputy Secretary of the Central Mortgage Bank Secretary of the Foreign Exchange Control Board, Financial Attache at Canadian Embassy in Washington and Treasury Chairman of the Wartime Prices and Trade Board from which position he resigned in 1952 to enlist in the R.C.A.F. Returning to the bank in 1944 he was appointed executive assistant to the Governors and from 1946 to 1949 also served as Securities adviser.

Mr Coyne was born in Winnipeg in 1906. He graduated from the University of Manitoba with a Rhodes scholarship in 1928 and studied law at Oxford University and Lincoln's Inn, London. He practised law in Winnipeg from 1932 to 1939.

LETTER FROM THE CAPITOL

## POLITICAL BUBBLING IS HEARS

EDMONTON — Standing ovations for political party leaders were the order of the day in Alberta and Saskatchewan last week.

In Saskatoon's Bessborough hotel 150 delegates applauded and cheered British Columbia's Social Credit Premier W. A. C. Bennett, who defected from the Conservative party in 1951 after internal party strife.

In Edmonton's Macdonald hotel 300 delegates performed similar actions after J. Harper Prowse, the Liberal leader in Alberta, declared he wanted to continue to head the party.

Premier Bennett was addressing a banquet on the eve of the Saskatchewan Social Credit League's convention, while Mr. Prowse spoke at the Alberta Liberal Association convention.

Mr. Bennett told his audience that the Liberal party is at its weakest since Confederation and is a shell of its once-great power. He also claimed the other political parties lack unity.

Meanwhile in Edmonton, D. R. McTavish, president of the National Liberal Federation, told Alberta Liberals the Social Credit and CCF parties along with the Nationalists of Quebec are splinter parties preaching antagonism in what they call the "rest of Canada." and added the Liberal party was "never more united, never more firm in its determination to work for greater unity and to oppose the dangerous network of sectionalists."

Social Credit leaders told the Saskatoon meeting there is every hope the party will sweep into power in the next federal election, while Alberta s Premier. E. C. Manning a special guest at the meeting, said. " It is not "Will there be a Social Credit government" but "How soon?"

Back in Edmonton, the Liberals were talking of resurgence in the contest about the Social Credit government said Mr. McTavish said "in due time the people of Alberta will find that manning the provincial government with Liberals will end a reign of fear and will open a new era of freedom, fairness and clear thinking in provincial affairs."

The Saskatchewan Social Credit delegates heard Premier Bennett warn that as the date of a federal election approaches there will be a "tremendous attack" in which he said "they'll try to make the people fear Social Credit like they did in B.C." The fear campaign, he added, "will be the result of the Liberals fear they are going down, to defeat."

Coming back to the Alberta Liberal convention, the delegates in resolutions, advocated a change in the Assessment Act designed to help spread the province's riches among the ordinary citizens. They called for an assessment exemption of $1000 for every owner of a dwelling or quarter section of land according to the resolution it would mean a reduction of at least $60 in taxes to each home or landowner.

The loss such an exemption would mean to the municipalities, the resolution continued, would be met by increased grants to municipalities on an unconditional basis. The delegates said the assessment exemption is not needed by business firms because their realty taxes can be deducted from income taxes.

In another resolution the convention called for a referendum on the Alberta Liquor Act with the object of amending it "in the interests of all citizens in the province so it will command respect and support."

The convention also called on the provincial and federal governments for aid to the farmer in particular the provincial government was asked to provide financial aid and help in the seed situation especially as a result of poor summer weather. The federal government was asked to solve the problems which are making it difficult for farmers to obtain credit, despite having grain on their farms.

Next year's convention is expected to consider the future of the party leadership. W. J. Edgar of Innisfail was re-elected president of the Liberal Association.

DERWENT THEATRE

Showing at the Derwent theatre on Sat Nov 27 and Mon. Nov 29 is "My Favorite Spy" with Bob Hope and Hedy Lamarr they will rock you with laughter in this one! Wed and Thurs. ## Old Timer Visits England After Absence Of Fifty Years

I left Wainwright accompanied by my brother from Edmonton on July 1st. The trip by train to Toronto was without incident. We were impressed by seeing so much of the crop both in Saskatchewan and Manitoba.

I stayed with my brother and family in Oshawa for a few days driving through the famous fruit orchards of the Niagara Peninsula. saw acres of cherry trees red with ripe fruit, peaches, grapes, apples, pears and currants, visited the falls and various other points of interest. We left Oshawa on the morning of July 16 for Quebec arriving in the evening where we were received by the ship's band who played us on board the S.S. Atlantic, an Italian liner, and sailed one minute after midnight. the following Sunday. Passing out into the Straits of Belle Isle we ran into a field of icebergs. I saw as many as 20 at one time, some of them huge ones. They caused a lot of excitement and lots of snaps were taken as practically everyone had a camera and there were about 1460 of us. The sea was calm with the sun shining bright. The next source of excitement was seeing fishing on the one side and looking for the first sign of land. The first indication of it was the Bishop lighthouse rising above the horizon and then the Scilly Isles. One would think we hadn't seen land for a year. We passed Land's End quite close and then up the channel to Le Havre, arriving in the morning. After disembarking passengers we left before noon crossing the channel, picking up the Pilot passing Portsmouth on the one side and the Isle of Wight on the other side. Saw Osborne House a one time residence of Queen Victoria where she died. This water is the famous fighting waters the British and Norwich. St. Albans and Ely cathedrals. Stone Henge. Verulam, once the capital of England was sacked and burned by Queen Boadicea of the letzie over 2000 years ago, and some of the remains of the city can still be seen. also the site of Roman theatre in England. Boadicea's statue can be seen driving a chariot at the foot of Westminster Bridge. Impressive Big then We drove over 3000 miles in a car visited by train over 1000 miles and about the same number of miles by bus

We spent a very pleasant afternoon with Mrs. G Knight, nee Eleanor Scurrye at Wickham Cambs. who entertained us at tea. Mrs Knight spent her girlhood and as a young woman in Manitoba

We also visited many historical churches and sites We left the Waterloo Station early on the morning of Oct 25 for home. sailing from Southampton on the S.S. Samaria, calling at Le Havre We had a gale most of the way home with a very rough sea arriving at Quebec about noon on Nov 4 a day and a half late leaving short by after by train for Oshawa where we stayed a few days leaving on the last lap for home Nov 10th arriving home about noon Nov 13

Tips on Touring
By Carol Lane
Woman's Travel Authority

Not one car owner in three can tell you with any degree of accuracy the amount of money it costs to a gallon he makes with the Lonely car you there is a method of determining that figure within a tenth of a mile, and it's a simple one

Follow these steps for an accurate mileage check.

1 Fill the gasoline tank to the very top until it won't accept another drop. Make certain the car is on a flat and level spot.

2 Record the exact speedometer reading

3 Drive the car in normal day to-day use, until the fuel gauge registers about a quarter full.

4 Refill the tank and note the exact gallonage required with the car again on a flat and level surface Check the distance travelled during the test

5 Divide the gasoline consumed into the distance covered and you have the exact miles per gallon figure for your car.

PRAIRIE AGRICULTURE IN REVIEW
First appearing as a series of articles" but now assembled in book form, under the title "A SHORT HISTORY OF PRAIRIE AGRICULTURE", the story of agriculture in Western Canada has been faithfully portrayed by Major H. G. L. Strange, until recently Director of our Research Department. Limited supplies of this book are still available and any who are interested in it may obtain a copy by applying to the nearest Searle Elevator Agent.

Safety Sam Says...

Less safe than any asp or viper..
is a worn out windshield wiper!
Suppose you're riding along with a beat-up windshield wiper blade. Bangs along comes rain or snow. And then where are you? Standing out in the rain or snow, mostly, trying to wipe off the windshield enough so you can see. Or, if you insist on driving, you're just as likely as not to get your block knocked off Isn't that silly? You should've fixed your windshield wiper

# Funeral Services For Robt. Fair

Funeral services for Mr. Robert Fair, M.P., were held at the Alliance chapel, Vermilion, on Tuesday, Nov 16, with interment following at the Oxville cemetery in the Paradise Valley district. The Rev W T McNair pastor of the Chapel conducted the services assisted by Rev C W MacKay of the United church and Rev Mr. Hansell, M P of Vulcan

Mr Fair passed away on Thursday evening Nov. 11th at the Vermilion hospital at the age of 62 years

The pall bearers were Hon. A. O. Aalborg, S. Fisher, Jas. A. Smith, Victor Quelch, M.P., Wm. Allen and Wm McLean.

Honorary pall bearers were Premier E. C. Manning, W. R. Cornish, M.L.A., Wm. Masson, M.L.A., L. S. Murray, H. H. Hodgins and Ashley H. Cooper.

Surviving members of the immediate family are his widow and two sons, Robert at Lloydminster and Lester of Three Hills. There are eight grandchildren.

Beautiful floral and memorial tributes were received as follows:

Donation to Bethany Homes Wetaskiwin. Mrs. Ellen Holst and Bill

Paradise Valley Sunday School: The Storm Family; C. A. Richardson and Family; Mr. and Mrs Gordon Teasdale and family; Bernada and George.

# Alberta Wheat Pool Operations

At the annual meeting of the 70 elected delegates of the Alberta Wheat Pool which started in Calgary on Tuesday of this week it was reported that the surplus for the business year ending July 31 was $2,448,106. That was a decline of $242,631 from the surplus in the preceding year.

Handlings of Alberta Pool elevators at 56,186,415 bushels were down about 23½ million bushels from the previous year due to grain congestion and the method used in distributing railway grain cars. In their reports, both the board of directors and the manager of the Wheat Pool, protested that the system of car distribution is unfair to the Wheat Pool as it prevents Pool members from using their own facilities to the fullest degree.

During the business year in review the Alberta Wheat Pool distributed $2,495,099 in patronage dividends involving a cash distribution to member patrons of Pool Elevators of $587,093, and distributed reserve credits of $1,908,006.

Since the Alberta Wheat Pool was organized it has paid out $6,256,155 in cash patronage dividends and has purchased reserves from 307. Last year alone such reserve purchases totalled $500,572 to members who have ceased farming and to the estates of those who have passed away

During the past year 2,314 new members joined the Alberta Wheat Pool. As at July 31, 1954, the Alberta Wheat Pool owned 507 country elevators, 2 terminals, 397 dwellings, 42 coal and flour sheds and 505 country annexes. The members' equity in the fixed assets and working capital totalled $11,408,922, equal to 128.2% of outstanding reserves

# "You Making Mud Pies, too, Mister?"

"Well, not exactly, Honey, but we're pumping enough mud down that hole to make 'mud pies' for all the kids in Alberta.

"You see, our mud's a little different from yours. It's a chemically-treated mixture that looks like mud. We force this mud down into the hole bored by the drilling bit to ... This mud plasters the wall of the hole, seals out water and helps prevent cave-ins or blow-outs if we run into a pocket of high gas pressure. Also our mud flushes out rock cuttings to the bit can rotate freely.

"Our kind of mud is one of the costs that go toward bringing gas into your home. It's in your Daddy's gas bill with lots of other things, like production and transmission costs, maintenance and office wages. But if your Daddy comes from any other part of Canada, he'll be able to tell you that natural gas is not only the best, but the cheapest fuel he's ever bought."

# Caring For House Plants

The fundamental needs for house plants to make growth and maintain health are light, heat, air, moisture and food. With fewer light hours and changing environment many of our house plants are losing their thrifty summer appearance. At this time of year a little extra care is needed to keep them in condition.

To allow the plants to get as much light as possible, P. D. McCalla, Supervisor of Horticulture, Alberta Department of Agriculture, suggests placing the plants in a south window. He further points out that though light is insufficient, the temperature of our homes during the winter is too high for the best plant growth. The ideal temperature is 60 to 65 degrees F. This is too cool for human comfort but if the temperature is lowered at night the plants are not likely to suffer unduly.

Another difficulty in growing house plants is the dryness of the air in our homes. Some improvement can be made by using ... trays and evaporating pans to increase the humidity of the air about the plants. Of course the plants should be given a good ... usually ... twice a week. Avoid frequent sprinklings as they do more ... than good.

Removal of dead leaves and flowers and seed pods at all times will reduce the danger of disease and will help to keep the plants flourishing. All indoor plants require additional food during their active growing and flowering season. At ... to four week intervals they should be given liquid food which ... obtained already prepared ... made from a commercial fertilizer purchased in dry form and made up according to directions.

THOSE WERE THE DAYS

# WILDMERE WINKS

No Winks last week as your writer went to Edmonton with Jimmie to the municipal convention. We really enjoyed our holiday. Had a nice visit with Peggy Graham and met Billie Pilkie, Mrs. Olds and Mr. Howard on the street. It was nice seeing these folks again. A fine program is also put on for the councillors' wives by Mrs. Wheatley and the Wheat Pool, United Grain Growers, Sun Publishing Co. and CFRN united with her and served tea, also presented corsages. It was held in the Macdonald hotel, a very spacious place for such doings.

A pall of sadness was cast over our district on Thursday evening when word was received that Mrs. Rendell of Nanaimo, B. C. had passed away. Mrs. Rendell had not been well for quite some time but everyone had hopes she would recover from her recent illness. She came to our district as a bride in 1927 and had endeared herself to all who knew her. A couple of years ago they sold their farm and moved to Vancouver Island in the hopes Mrs. Rendell would have better health. The friends and neighbors of Triangle and Wildmere extend deepest sympathy to Aubrey in his hour of sorrow. Her funeral was held at Nanaimo on Monday.

We wish to extend deepest sympathy to the families of Mr. Fair, Mr Brimacombe, Mr. Wilson, Mr. Easton and Mr. Leighton. Each and everyone of these splendid men have left their mark in this world to better his fellow men. We who are left can benefit from knowing these fine upstanding men. May God comfort the sorrowing families of each.

We congratulate Mr J Anderson and Mrs. Castle Scott on being the lucky winners of a shotgun and a tool set at the dance following the municipal convention banquet in Edmonton. You said you'd like the gun Mr Anderson ... glad you won it

The dance held at Thorncliffe school sponsored by the teacher Mrs Wilson and pupils to raise money for a Xmas tree and concert was a decided success. Lucky ticket on the food hamper was held by Mrs Thos Wilson of Vermilion and the box of chocolates auctioned was won by Clayton Smith. Albert Smith, J Wilson and Baillie Holte supplied the music. Charlie Sweeney was M C

We are indeed sorry to hear that Mrs Fred Clark, Johnny King, Tom Watt and Mr. Sweeney Sr. have been on the sick list. We hope all are better soon.

A bee is being held this week to put up a snow fence along the road and Cliff Cruthers is foreman of the job.

Howard and Allan Coburn of Willoughby and Triangle districts have gone to visit their parents on Vancouver Island, taking advantage of the excursion bus fares on at present.

Our lovely weather is still with us and it really is grand to get things done up before cold weather does set in.

Wasn't that a grand paper the Standard staff put out last week! They are to be congratulated on their fine work.

Mrs. W. J. Garnett of Basswood was in Edmonton last week attending the Civil Defence course. On Monday evening she had the pleasure of seeing and hearing Dr. Lotta Hitchmanova speak on Korea, and reports that it was very interesting. She also said that six W. I. members were taking the Civil Defence course among the group attending. Mrs. Joe Batty, Mrs. McDonald and Mrs Young from Kitscoty also took the course.

# 14 Seed Cleaning Plants in Operation

At the present time there are 14 municipal seed cleaning plants operating in the province. The fifteenth plant should be operating before the end of the month. This is an increase of 50% over last season reports Fred F. Parkinson, supervisor of Special Projects, Alberta Department of Agriculture. The new plants are located at Willingdon, Myrnam, Paradise Valley, Lougheed and Stony Plain. These fifteen plants have a combined capacity of over 4,000,000 bushels if patronized as they should be.

Last season there were 85 permits issued to seed cleaning plants [illegible] municipal plants about equally divided between portable and stationary plants. Quite a number of these were doing an A1 job of seed cleaning. In some cases the quality of the work was equal to that of the municipal plants but unfortunately their capacity is lower.

The combined capacity of all plants operating under permits this season should be between 8,000,000 [illegible]. This means that more farmers than ever before will have access to good seed cleaning facilities. Be sure to use them. "The weed seed you don't sow wont' grow."

---

The trans Atlantic cable was laid between Newfoundland and Ireland in 1858

# Recreation Institute

The first Provincial Recreation Institute will be held December 28 to 30 at Red Deer Composite High School.

Sponsors of the three-day program are the Health & Recreation branch of the Alberta Department of Education and the Alberta Recreation Association.

Any person providing leadership in the organization or instruction of recreational activities may attend the Recreation Institute but applications for registration must be made as soon as possible since accomodation is limited.

The program will include workshops, panel discussions and lectures on program planning, school facilities for recreation, camping, training and placement of volunteers, publicity and public relations, and other topics of value to recreation leaders. Recreation leaders will also take part in such activities as crafts, dramatics, coaching, group singing, social recreation and modern dancing.

Applications should be sent to the Health and Recreation Branch, Department of Education, Administration Building, Edmonton

## Harwood George Brimacombe Laid To Rest

The town and district of Vermilion suffered the loss of one of its esteemed old timers in the person of Harwood George Brimacombe who died on the Vermilion municipal hospital at midnight on Wednesday November 10th at the age of 76 years.

Left to mourn his loss are five sons Harwood, Gilbert and Donald of Edmonton, Geoff of Lethbridge and Fred of Brandon, Man. Other surviving members are one brother John of Vermilion and two sisters Mrs J. Whitehouse of Ava, Illinois, and Mrs Maude Calvert of Vermilion. There are 18 grandchildren.

Born in York township, Toronto on Sept. 17, 1878, he enjoyed the greater part of his boyhood there coming west in April 1905 by C.P.R. to the old town of Strathcona now Edmonton

He and his brother Mr John Brimacombe drove to Brenge near the present site of Borradaile, by team. They were there after about a 5 and a half day journey by Mr Matt Brimacombe. first mayor of Vermilion and homesteaded land was completed by ferrying the team at Smiley Saskatchewan.

When the C.N.R. reached Vermilion in the summer of 1905 the Brimacombe brothers moved their business to Vermilion where it occupied the site of the present Alberta Government building.

Mr Brimacombe left his brothers during the summer of 1906 to go surveying on the right-of-way being pushed through by the C.N. west of Edmonton and returned that fall to carry on business with his brothers.

The small store erected in the summer of 1905 was moved off to the back part of their present site during the present renovated government premises in the fall of 1906. The building was remodelled in the fall of 1907 and a stationery and sporting business was carried on by the Brimacombe family until the solution of the business in 1946.

In the early days Mr Brimacombe pitched ball with Manxville in what was the old Western Canada semi-pro league and continued his interest in sports throughout his life.

He was affiliated with many community enterprises and organizations having been a member of the Vermilion school board from 1925 to 1932. A member of the old Fire Brigade Association, the Vermilion Fastime club, a former member of the executive of the Vermilion Amateur Athletic Association, a member of the Canadian Club and an active member of the Vermilion Golf club.

A lover of sports, the fine arts and the out-doors, he has left an indelible mark on the youth of the town and district.

In 1910 he married Clara Ellen Sanford Fleming, a Canadian engineer who built the first cable across the Pacific in 1902.

Canada's electrical manufacturing industry has an annual payroll of around $250,000,000.

## The World of Wheat

*By W. G. MALAHER,*
*Director, Research Department,*
*Searle Grain Co. Ltd.*

WEATHER AND QUALITY IN WHEAT

Although it may be small comfort to the Western Canada farmer alone this year as we emerge from the wettest conditions experienced for many years. Many parts of Europe have suffered persistent rains with the result that the moisture content of grain is high and the quality frequently unsatisfactorily. An unusually large percentage of wheat, too, will require artificial drying - a problem that has come to be recognized as more or less of a permanent one in England, and for which the British farmers are now quite well equipped. The one characteristic to which this year's crop is expected to be inferior, however, is the quality of the gluten which has been adversely affected by the lack of bright sunshine during the ripening period. This is expected to reduce the quality of English wheat which can be made into satisfactory flour by perhaps as much as 10%. The same situation will undoubtedly exist in other European countries which, like Britain, have to reduce the milling percentage of domestic wheat in the grist. This, perhaps, is one of the reasons for the more optimistic expressed with regard to future export of high quality Canadian wheat of which there is an abundance in store.

Sir Sanford Fleming, a Canadian engineer laid the first cable across the Pacific in 1902.

WITNESSED BY A BRILLIANT GATHERING

## Canada's First Gas Turbine Commissioned

The formal commissioning of Canada's first gas turbine electric generator, carried out at the Vermilion plant of Canadian Utilities attracted widespread attention on Thursday afternoon and evening of last week with engineers and officials present from Brown-Boveri Limited, manufacturers of the turbine from Switzerland, from England and from the Canadian headquarters in Montreal. while from Alberta were officials of Canadian Utilities, Northwestern Utilities and the Calgary Power Co. The Alberta government was represented by the Minister of Industries and Labor who made a special visit to Vermilion for the occasion.

The program in keeping with the uniqueness of the event, and was carried out in an excellent and entrancing manner.

Canadian Utilities officials are to be commended highly for their salesmanship attached to the formal commissioning; It was splendidly done, in fact, one of the highlights of the 1954 season.

Guests invited for the occasion numbered 90. The largest number from a single point was from Edmonton from where a special train bus was run, picking up as well guests all along the line.

FIRST CHAPTER

The first chapter of the official commissioning of the new generating equipment was a briefing carried out in a large building outside of the plant. This building was transformed for the occasion into an auditorium. Here the visitors were welcomed by Mr. John Dale, Kitscoty-raised boy who is now manager of Canadian Utilities Limited Mr. Dale spoke of the various stages in the ceremonies Mr. Roy Nurse of the Canadian Utilities explained in simple terms, aided by a large diagram the principle of the gas turbine By means of this those present knew what would be happening when the turbine was put into operation

The assembly then moved into the power plant where guests were afforded a clear view of the equipment as it was put into motion. The interior of this large building did not bear out a person's preconceived idea of a power plant. Building and equipment, new and old, was spotlessly clean and well painted with not a drop of grease or oil in sight! Members of the plant staff were attired in navy white suits with smart bow ties showing engineers, servicemen and employees all in good advantage

ACTUAL COMMISSIONING

The actual act of putting the new turbine into motion was explained step by step by Mr. Roy Nurse and then was actually carried out accompanied by a running commentary by that gentleman It was dramatically done and the audience thrilled to each new step taken. Within the next 20 minutes, the short time necessary to start the turbine until it was on the line generating electricity. This is one of the many attractive features of the new equipment By means of lights on the control panel with the aid of electrically lighted signs as to just what stage the turbine had reached, the whole operation was made clear to how just what was happening The turbine — which was visible — gained speed lights changed. Mr. Nurse talked and his voice reflected the great excitement and the thrill which he himself felt with the new equipment and this excitement was caught by his audience until they too fully appreciated every development leading to the ultimate cutting in of Canada's first gas turbine electric generating

The formal commissioning was carried out by the Hon. Norman Willmore who unveiled the control panel and then pulled the switch which actually started the turbine in motion. Mr. Aeschbach of Brown-Boveri Limited, who came all the way from Switzerland where the new equipment was manufactured, operated the various controls as the turbine went through the various phases. Actual cutting into and thus sending out of the electricity being generated by the new turbine was done by Mr. John Dale.

A GREAT OCCASION

Words fail to convey even a close description of this actual putting the turbine into motion, of it gradually reaching the proper speed, the process was plainly told by the control panels and by Mr. Nurse No one present could fail to be thrilled by what was taking place, by the skill many was told, and this was added to the impressiveness — and rightly so — of the occasion. It was well done, an important and unique event, introducing a new type of equipment to Canada, ushered in by excellent showmanship to a distinguished audience.

The guests were then given the freedom of the plant and many took advantage of the opportunity to see the gas turbine apparatus from under the floor, going down below the level of the ground floor to powerful equipment. equipment which took up but one-fifth of the space but which generated electricity practically equal to the output of the whole plant. Cost of the installation of the turbine was, in round figures, $750,000.00

THE BANQUET

Presiding at the banquet at which the hosts were the Brown-Boveri Co. of Canada was Mr F. A. Brownlie president of Canadian Utilities and of Northwestern Utilities. Included among those called upon to speak were the Hon Norman Willmore, Minister of Industries and Labor; Mr. Aeschbach, president and Brown Boveri of Canada Limited, Montreal. Mr John Dale general manager of Canadian Utilities. Mr. C. A. Hanson manager of Calgary Power Company; Mr. Jas McGregor, chairman of the Alberta Power Commission, who built the original Canadian Utilities power plant here in 1947. Alderman Fred Mitchell representing the City of Edmonton; Deputy Mayor G. W. Sutherland of Vermilion and S. Kavackowsky mayor of Myrnam.

Other notables introduced were four members of the Alberta legislature W. R. Cornish of Vermilion, R. Ikerson of St. Paul J. C. Hillman of Two Hills and M. H. Patrick of Two Hills

Mr John V. Knesle, superintendent of the Vermilion power plant, and members of the staff present were introduced to the gathering.

In charge of the assembling and installation of the new equipment were engineers from the Brown Boveri Company, some of whom came all the way from Switzerland The latter were Mr L. Zuerbehler, erecting mechanic and Mr Hans Aberbach technical representative Mr Paul Lusser the Alberta manager of Brown-Boveri was present as well as L. F. Letmer the Montreal manager R. D. Ross of Calgary and W. E. Roots of Manchester England.

Assisting with the actual work of installation were the members of the local plant of Canadian Utilities.

In addition mayors councillors and members of the Boards of Trade from 18 towns and villages were present.

Plant Superintendent John Kneale and his staff, who were responsible for many of the arrangements and details upon which such an ambitious event is dependent are to be congratulated for the very evident success of this official commissioning.

## HI-SCHOOL HI-LITES

After having studied Shakespeare's Merchant of Venice Julius Ceasar and finally Macbeth the students of Gr 12 in particular were anxious to see what a Shakespearean play was really like This chance came when a cast of professional players from Vancouver presented The Romeo and Juliet at V.S.A. last Nov 13th The cast of the play was as we had expected in others it was a surprise, but to all of us it was a most interesting and fascinating experience After seeing this drama presented we feel that we are better able to understand and appreciate Shakespeare's works

House league basketball games and 'A' team practices were cancelled for a week while a new heating system was being installed in the armories Also in the world of basketball there is news of a tournament to be held in Wainwright in the near future Vermilion is no place to practise the 'A' teams as the boys have played 3 games with the V.S.A., winning two and losing 1 Will Vermilion retain its championship? Only time will tell!

Work on the 1954-55 Yearbook has begun with Anne Stewart and Jean Kibblewhite as editors this year The Yearbook will be the same type as last term, the students adding their own pictures

Watch for news of the Echo-Ormino ball to be held this Friday, Dec. 3 by the House of Service

## Popular Citizen, Leon L. Kehoe, Dies Suddenly

Leon Lawrence Kehoe, a popular and community-minded citizen of the town of Vermilion, died suddenly on Sunday November 28 at 6 o'clock in the afternoon. He was 35 years of age.

"Lew" as he was popularly known by a very wide circle of friends and acquaintances, came to Vermilion as a boy in 1910, the family then settling in the Thorncliffe district. He farmed there until about 11 years ago when he moved into town and commenced operating a line of trucks in connection with construction projects.

Despite the fact that he was handicapped, having suffered a severe attack of rheumatic fever when a child, Mr. Lawrence was moved about with the aid of crutches. Leon took a keen and active interest in his community. He served for several years on the town council, aided board of trade projects, and was a past Exalted Ruler of the Vermilion Lodge B. P.O.E.

Left to mourn his loss are his wife, Marie, two sons Lawrence who is attending university in Edmonton his mother Mrs. Vermillion, one brother Anthony of New Westminster, B.C. and four sisters, Mrs. Gilbert Sloane, Ottawa, Ont. Mrs. C. J. Hagen Washington Penn.; Mrs. McLaughlin Vermilion; Mrs Maurice Fallow Edmonton

Funeral services were held at the Immaculate Conception church on Wednesday, Dec. 1 at 11 o'clock in the morning with interment in the Catholic cemetery. The Rev. Father Landrigan officiated Arrangements were in charge of the arrangements

## Dewberry's Open Bonspiel Jan. 17

The annual meeting of the Dewberry curling club was held on Nov. 25th at the club rooms and a men's open bonspiel was selected for January 17th and continuing on Monday January 17th The banquet will take place on Tuesday Jan 18 at which all applicable curlers are invited to participate

The officers elected at the meeting were as follows

President Milo Hodgson
Vice-President George Thiney
Secy Treas G. T. Skinner
Directors Ali Redman chairman Goodwill committee
Lemp chairman Prize committee Neil Jones chairman draw committee R. H. Lunden directors without portfolio

## Agricultural Society Royal Fair Trip An Outstanding Success

The Vermilion district's pilgrims who journeyed to the Royal Winter Fair at Toronto under the leadership of the Vermilion Agricultural Society are gradually trickling back to their homes and all are evidently set in their praise of this effort on the part of the Society and of the treatment received from the Canadian National Railways.

At a cost of slightly less than $120.00, those taking part were given a round trip transportation, berth and two meals each way each day, hotel accommodation in Toronto for five days and transportation to and from the station to the hotel. A number of local tours were also included and were featured by visits to the prving grounds of the Massey Harris Ferguson Company and the Canada Packers plant where bacon was served the Vermilion party. All bus trips were free to the pilgrims and they have expressed themselves as delighted with all the arrangements from start to finish.

At the annual meeting of the Society held on Tuesday last it was suggested that the Society arrange a car or two for 1955 and a possibility that will be done.

The low cost trip permits visits to the famous Royal Winter Fair and also makes it possible for former Ontario people to visit relatives and friends at nominal cost

Many expressions of appreciation have been received by the Society for their initiative in organizing the only car of its kind to proceed east from Alberta this year

## Board of Trade Plans Annual Farmers-Members Banquet

W. EARL BOWSER WILL BE GUEST SPEAKER

The Vermilion Board of Trade have now completed their plans for the annual farmers-members banquet which will be held on Monday, December 6th at 6:30 p.m. at St. Saviour's parish hall. This is an annual event with the address being of particular interest to the farmer members of the board.

The guest speaker on this occasion will be Mr. W. Earl Bowser, Chief of the Canada Department of Agriculture Soils Branch for Western Canada. Mr. Bowser has just returned from a special mission to Pakistan He will illustrate his talk with colored slides taken during his stay in that country

The speaker is well known in the Vermilion and Lloydminster districts, having been born and raised here His father is a pioneer of the Islay district where he farmed for many years. Mr. Bowser will be an honored guest at the banquet and will no cupy a seat at the head table.

In order to make plans for the banquet it is asked that tickets be obtained by Saturday from the office of the District Agriculturist, from Roy Walker, chairman of the agricultural committee which is in charge, or from Hugh Stewart, a member of the committee

It is hoped to have a very good attendance and a splendid crop of speaker Farmers are asked to make every effort to attend this special meeting Bring your wives and friends but be sure to obtain your tickets in advance No tickets can be sold at the door.

## Opening Game In E.A.H.L. Dec. 20th

The schedule for the Eastern Alberta Hockey League has been announced with the four teams of last winter plus the new entry of St Paul The schedule gets under way on Saturday Dec 18 with St Paul at Vegreville and Wainwright at Viking

Monday Dec. 20 is the date of the first regular game in St Paul playing here that evening

The complete schedule will be published next week

## Lynx Is Shot Near Landonville

The first lynx to be reported in this area was shot on Sunday, Nov. 21st by Billie Gould on the old Bill Hodgson farm. Billie was out shooting rabbits when he spotted the animal crouching on the road in front of him. He killed the cat with one shot It was taken to Vermilion where the skin was stretched was about the same size as that of coyote

ANNUAL MEETING VERMILION BRANCH OF RED CROSS

The local Branch of the Canadian Red Cross will hold its annual meeting in the Scout Division office on Monday evening December 13th at 8:00 o'clock.

## Attends Convention Stampede Managers

Marshall Lucas has accepted the position of manager of the Vermilion Indian Stampede and Exhibition for 1955 and will be in charge of the arrangements for the executive Association and Stampede committee to be held in June and the 26 General discussion centred around their work

Owing to the progressive nature of the Vermilion Stampede it is possible the committee will be able to announce the dates at an early date so that it is possible the cowboys and cowgirls may plan their vacations to coincide with the Vermilion event.

Mr. Lucas is well known in the district and no doubt will be able to secure a good quality of stock for the rodeo events next year.

## Mike Mulgrew of Clandonald Proves Champion Fiddler

The Kinsmen annual Fall Fiddlers contest was held before a capacity audience in the Lucas Hall on Wednesday evening when the following contestants entered and competed for the contest were Mrs. Mary Stewart of Islay, Leo McLean of Vermilion and Ward McDonald of Vermilion The Kinsmen were brought to its conclusion and the winners were announced. Mrs. Mary Stewart was the lucky lady who drew the prize and was presented with a $25 wrist watch

A dance followed with music by Hank's orchestra

The winner of the live turkey and the Hon Norman Willmore

## E. M. Stewart Succeeds Wm. Barr As President

## Vermilion Agricultural Society Organizes For Year 1955

The Vermilion Agricultural Society held its annual meeting in St. George's Lower Deck on Tuesday evening with a large attendance of enthusiastic supporters of the work of the Society. The President William Barr was in the chair and called for reports of finances and general operation for the past year

Considerable discussion attended each of the reports which indicated that the Society had ended a successful year of operation

50th ANNIVERSARY FAIR

The matter of the celebration of the 50th Anniversary fair in 1955 was reviewed and tentative plans laid for marking the occasion in a fitting and unusual manner. It is hoped that the Society can secure the services of Vermilion and other interested organizations in the celebration of this anniversary.

PROMOTE CALS 4-H

Discussion centred around the promotion of calf club work in the district and no minor work of all kinds The Vermilion Lions club has shown a major interest in the youth activities in recent years and it is felt that progress of worthwhile value must be made through co-operation of this group.

GRANDSTAND TO FEATURE 50th ANNIVERSARY

Directors indicated that the 1955 grandstand attractions will be of outstanding interest and will feature the 50 years of progress of Western Canada — a fitting theme for the celebration of the anniversary. Plans are being laid to the well known living citizens Agnes of Dew Drop and Charles Barr Mrs. Brooks Homer Campbell Wm Cross Cross Chester Gamble Mrs. Farmer Archer Lucas A. MacMillan Peter Nester Thos. Nicholls Alex C. Stone A. M. Storr W. D. Williams Bruce Winters

Associate Directors Dr. A. R. Archibald John C. Anderson F. H. Buckingham Douglas Clarke Louis Heibel Clifford Miller Jack Mercer Albert A. Moore Bruce Mc Donald Preston V. MacHard John Nowakowski R. F. Stanley Lacka Committee Mr W. L. Robinson Convener Mrs S. C. Hebert Mrs J. H Hart Mrs Peter Nester Mrs John Bryden Mrs S. C. Hebbert Mrs Alex Stone Mrs Wm Bushko Mrs. W. R Jory Mrs. Donald Wilson.

Exhibition dates have been established as July 28, 29 and 30 and plans are already underway for the biggest and best fair of all time.

BOYS & GIRLS' FARM WEEK

Plans call for the holding of the annual boys and girls farm week at the school of agriculture and boys and girls will be given an early opportunity to make application for admission In 1954 some 50 young people had to be refused acceptance as the number which can be accommodated is limited to 125

Mr William Barr who has served these capacities as President for four years, years refused nomination for another term and officers and directors were elected as follows

Honorary Presidents Hon J. Gardiner Hon L. C. Halmetas W. R. Cornish M.L.A. J. W. C. Mc Nee QC Wm. Steele. Mayor S. C. Hebert

President E. M Stewart
Immediate Past President Wm Barr

President Emeritus W.H. Duncan
Vice-Pres O. A. Strome
Vice-Pres John Bryden
Vice-Pres R. Gordon Ross

# The Vermilion Standard

VERMILION, ALBERTA

S. R. P. COOPER - - - - FOUNDER

ESTABLISHED 1905

Published Every Thursday at the Office, Main Street

Authorized as Second Class Mail, Post Office Dept., Ottawa

COOPER BROS. — PUBLISHERS

VERMILION, ALBERTA, THURSDAY, DECEMBER 2nd, 1954

RAH! RAH!! RAH!!—

From 2:00 o'clock on, Saturday afternoon the official language in Edmonton and throughout this portion of Alberta was Rah, Rah, Rah! This was of course due to the Edmonton Eskimos bringing home to Edmonton for the first time, the Grey Cup. The game, won in the dying minutes by a one point margin was without doubt the most exciting in Grey Cup history, ending 26-25.

The victory was all the sweeter due to the fact that the Eskimos had been discounted by the eastern sports writers more emphatically than any western team ever to travel east in quest of the football title. The Eskimos won the cup with a battered, crippled team. Had they been at full strength the margin of victory could have been far greater and the eastern sports announcer handling the last quarter would probably have sounded very much weaker than he did, if possible.

The East vs. West Grey Cup game now arouses stupendous interest across Canada, in fact as far as Canadians on the whole are concerned it exceeds the Stanley cup play-off or even the World series in baseball.

Vermilion citizens add their congratulations to the Eskimos. A message in a unique manner was attempted when the TCA plane carrying the Eskies flew over Vermilion about 6 a.m. Tuesday. The engineer at the Vermilion radio beam station tried to reach the plane with the message "Congratulations Eskimos from Vermilion right below you. Keep on flying high."

Owing to the fact that the plane's crew was in communication with both Saskatoon and Edmonton at the time due to being behind schedule, the message never did get through, but it does reflect the sentiments of Vermilion and district people.

## Blood Flowing Freely

Compared with the U. S. this country has a very creditable system of collecting and distributing blood, reports The Financial Post.

While in the U.S. a one-pint blood transfusion may cost the individual as much as $75, most Canadians now can get any amount they need free through their local hospital. In areas where they cannot at the present time, there are definite signs that they won't have to pay much longer.

In the U.S. some individuals have ben making sizeable fortunes by buying blood for as little as $5 from derelicts and selling it to hospitals for upwards of $25.

To avoid such practice here the Canadian Red Cross under Federal direction has set up a country-wide system whereby blood is donated voluntarily and administered freely in hospitals.

## Making Ice

Ice making is underway at the arena rink with Gordon Williams again in charge. Numerous long overdue improvements have been effected at the big ice palace chief among them being an entirely new fence surrounding the ice sheet.

By Your District Agriculturist

# "GREEN ACRES"

JUNIOR FUTURITY

The Edmonton Exhibition Association has announced that entries for the Senior Futurity class at the Spring show are excellent but they are short on entries for the Junior Futurity. Boys and girls in this area who have experience in fitting cattle for shows ought to think about entering.

RATS ON RAMPAGE

Rats have been reported at about 30 places, farms and towns, in Range 1. In order to stop this infestation, Vermilion River M.D. has appointed a full time pest control officer. He will visit every farm in Range 1 and give out warfarin for killing the rats wherever found. Ratepayers are asked to co-operate with this man in every way. Everyone has to enter into this fight or we will soon have rats all over.

PROTECT THE LAWNS

Now is the time to scatter calomel and [illegible] of mercury over the lawn to protect the grass from killing out by snow mould. We all know that nearly every lawn in this area had some winter killing last year from snow mould. It is a good idea to spread brush over the lawn to hold snow and to keep people from walking over it in the winter. Also get a circular from my office on the use of chemicals to prevent snow mould from killing the grass.

SEED FAIRS SUCCESSFUL

In my district we held seed fairs recently for ten 4-H Junior Grain clubs. They were all well attended and your D.A. is gratified at the support given by the boys and girls. Each member gets 4 bushels of Registered seed which is grown in a plot. Then in November exhibits of well cleaned seed are brought in to seed fairs. Thanks a lot club members for your co-operation this year.

BOARD OF TRADE MEETING

Every year the Board of Trade at Vermilion sponsors a members'-farmers' banquet. It has been well attended and very successful over the years. On Dec. 6 at 6:30 p.m. the banquet will be held in the St. Saviour's parish hall. Farmers can get their tickets at my office. Bring your wives too — everybody is welcome. Tickets must be obtained by Saturday of this week.

CALF CLUBS ORGANIZED

This year we will have four calf clubs in this area. Vermilion, Mannville and Paradise Valley have reorganized. A new one has been started at Tulliby Lake. 4-H club work is gaining in numbers every year. Parents should think about getting their children into this important training. Our objective is to get every farm boy and girl into one of the 4-H clubs whether it is grain, calf or poultry. There are girls' clubs also for gardening, cooking and home making.

CATTLE IMPROVEMENT POLICY

It will cost less to buy a purebred bull calf now and bring him up yourself for use next summer. In Vermilion River M.D. there is a 15% discount on bulls bought under the policy. Get a copy of the regulations from this office so you can see how to order a bull under this policy.

The Department of Mines and Minerals has the administration and management of all mines, minerals and natural resources vested in or belonging to the Crown in the right of the Province.

The Department consists of three administrative and two service divisions. Responsibilities of the administrative divisions are as follows:

Mineral Rights Division

This division is responsible for the administration of the disposition of sub-surface natural resources held by the Crown by lease, reservation, license, permit or other agreement and for collection of fees, rentals, royalties, bonuses and other revenue from Crown mineral rights.

Mines Division

This division is responsible for the administration and enforcement of rules and regulations relating to safety and working conditions in mines and quarries and also examination and certification of personnel.

Mineral Taxation Division

This division administers the Mineral Taxation Act which provides for the collection of an acreage tax from the owners of all freehold mineral rights in the Province. In areas where a mineral is being produced a tax is also levied on the mineral by assessment according to the statute.

In addition the following Board report to the Minister of Mines and Minerals:

The Petroleum and Natural Gas Conservation Board consists of a chairman and two members, with headquarters at 514 11th Avenue West, Calgary. The Board administers all matters pertaining to drilling production and conservation of oil and gas reserves of the Province.

The Right of Entry Arbitration Board also consists of a chairman and two members with headquarters in the Land Titles Building, Edmonton.

When a mineral operator is unable to acquire the surface necessary for the effectual working of the mineral from the owner, and occupant where the land is occupied, the Board upon application by the mineral operator may grant right of entry and determine the portion of the surface rights that may be used by the mineral operator together with the compensation payable to the surface owner and occupant.

## Town Representatives on Municipal Bodies

**ASHLEY R. COOPER**

Mr. Cooper is the school trustee for subdivision 6 of the Vermilion School Division. His subdivision is the Town of Vermilion. The former Vermilion Centre School District was included in the large Vermilion school division nine years ago. For the first four years after inclusion the Town was represented on the six man board by James D. Adam, Q.C., now resident in Edmonton. For the past five years the local representative has been Mr. Cooper. He has also been a member of the school board for eleven years. His term on the school division board expires at the end of 1954.

**FRANK WELSH**

Mr. Welsh represents the Town of Vermilion on the Board of the Vermilion Municipal Hospital District. He succeeded Mr. Frank Walker, who moved to Edmonton to reside. Mr. Welsh took over the vacancy at a particularly busy time as the hospital building is undergoing a large addition and complete renovations and modernization to the amount of $267,000.

NEWS OF THE DISTRICT

## Islay 4-H Wheat Club Winners

The annual canvass for the British and Foreign Bible Society is being undertaken in Islay by Mr. Anderson and M. Stone. If you are not contacted, your subscription may be left with either one of the above. Your aid is earnestly requested. This year is the third jubilee year, so special offerings would be gratefully received.

Rev. and Mrs. Ford and family were dinner guests Friday evening at the home of Mr. and Mrs. Bill Waterfield.

Nov. 28th was a great day for Mr. Albert Anderson! Why? It was his 81st birthday. Misses Muriel and Gladys Stone helped in the celebration by having dinner with the Anderson family Sunday evening. Mr. Anderson enjoys good health, he does chores about the barn, helped in the harvesting of the hay crop, has also in the last few days been helping in roofing a number of granaries with sheets of galvanized roofing — right up on top nailing down the stuff.

Another pioneer left our midst in the death of Duncan Carey, a very sudden passing. The sympathy of the community goes out to Mrs. Carey and family.

Moved on to Manitoba — Mr. and Mrs. Don McInnes and the former's father and mother, Mr. and Mrs. Norman McInnes who have spent the past summer here.

The Islay 4-H Thatcher Wheat club held its achievement day on Saturday afternoon in the school. Of the 15 members, 13 had a sample of the wheat grown this year and the other two were unavoidably absent. The samples exhibited showed that considerable time had been spent in preparation most of them were very clean. It meant screening and re-screening and pencil work separating kernels by the dozen. This shows interest and co-operation by the young members, the parents and the leader along with the Department as Mr. Buckingham has been assisting with Mr. Bill McLean as leader of the group. This is new work for all here in Islay — it is our first year. Next year we hope for more members, and as you all know there are other clubs, i.e. Garden clubs, Beef clubs, etc. Come girls join in this club or work up another as a sewing club. There are only two girls in this Wheat club, Linda Redmond and Frances Kowalski, and they by the way, came 3rd and 4th in the prize awards. Winner was Eddie Waterfield, 2nd Ken Gunn, 3rd and 4th as mentioned Linda Redmond, Frances Kowalski; 5th Harold Roebuck; 6th Ken McLennan and the others received ribbons of merit. Incidentally the values are $5, 4, 3, 2, and 1 and the merits $1 also. This was not a good season here but nevertheless some surprisingly good seed was obtained by the members. Many of the parents and other members of the different families were present, also other interested persons. Mr. Buckingham stated there were 14 clubs in his area.

Tuesday — and Ken Gunn is having a skating party. Heard some of the men say they could be curling on the slough just over the tracks by the station.

## OBITUARY

**MRS. MABEL COOLIDGE, R.N.**

Funeral services for the late Mrs. Mabel Margaret Coolidge (nee Nelson) who passed away at Vancouver on November 6th, 1954, were held on November 15th at Islay United church. Rev. Collins officiated. Interment took place in Islay cemetery. The pall-bearers were Messrs. Wm Mayers, Wm. Armstrng, Hugh Hagen, Jim Carey, Roy Jory and Roy Barber.

Left to mourn her passing are three brothers, Idelore and John Nelson of Vermilion, and Earl Nelson of Vancouver, three sisters, Mrs. Flora Throndson, Mrs. Ellen Omness and Mrs. Ed. Magistad, of Vermilion.

Beautiful floral tributes were received from: Flora and Gus, Idelore and Elsa, Ellen and Orley, Grace and Ed, Earl and Zanatello and Johnny and Barbara, Della and Jimmy, Hilda and Don, Orlene and Paul, Eunice and Milton Lee and Girls, Mr. and Mrs. Roy Barber, Mrs. Dorothy Johnson and family.

Crippled Children's Fund: Jimmie and Della, Don and Hilda; Paul and Orlene, Helen, Anna, Lee, Vernon and Leslie, Joan, Lorna and Alva; Mr. and Mrs. Roy Barber and family, Mr. and Mrs. Hugh Hagen and Anne, Roy and Mrs. Jory; Mrs. M. Lee, Mr. and Mrs. John David.

Cancer Fund: Flora and Gus, Ellen and Orley; Lacy, Enoch and family; Theodore, Mabel and family; Orton and Jessie Strome and Beverly; Miss Evelena Wilson; Mr. Martin McBride, Mrs. Neva Newcombe; Mr. Jim Carey, Charlie, Bessie and family; Isola, Walter and Girls.

Cemetery Fund: Mr. and Mrs. Jno. McMorrow and John; Mr. and Mrs. Herb McHee and family.

Alliance Mission: Grace, Ed., Morley and Georgetta.

Moyer's funeral home was in charge of the funeral arrangements.

CARD OF THANKS

We wish to thank our kind friends and neighbors for their acts of love and sympathy during our recent and loss of our dear sister Mabel. We also extend grateful thanks for the beautiful floral tributes, donations and cards of sympathy. To those who assisted at the grave, the pall-bearers, Mrs. Robertson, Rev. Collins and the Moyer Funeral Home many thanks.

—The Nelson Family.

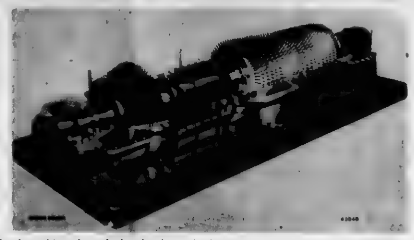
# Houses Canada's First Gas Turbine

This Vermilion plant of Canadian Utilities was the centre of attraction for Power Company engineers and Government officials from all over Alberta on Friday, November 26th the occasion being the official commissioning of Canada's first gas turbine electric generator.

Electric power from this big plant serves a wide area in north-eastern Alberta and is distributed north-east to Cold Lake, north-west to Radway, east to Lloydminster and Paradise Valley, and as far west as Hilliard and Holden



The above picture shows the interior of the gas turbine, taken when it was in the course of installation. The equipment shown above is now fully enclosed

## Harry Whitcher Has 80th Birthday

Well known old timer of the district, having lived here since 1915, Harry Whitcher celebrated his 80th birthday on Monday Nov. [illegible]

On that evening he was the honored guest at a party held at the home of his daughter and son-in-law, Mr. and Mrs. Jim Miller. Besides the friends present at the gathering Harry had one son and one daughter there, some grandchildren and five great grandsons and 2 great granddaughters.

## Canadians Take Growing Interest In Far North

Canadians are more interested than ever before in the farthest reaches of their country.

The demand for information of every kind about our northern frontier and the people who live there and about the great new developments in Canada's vast resources has rapidly increased. Now the Department of Northern Affairs and National Resources is looking for people to help answer the need for this information with the imagination that the subject deserves.

The Civil Service Commission has issued advertisements to fill vacancies for Information Officers in the Department of Northern Affairs and National Resources. It is looking for candidates with initiative and demonstrated ability to write.

The present vacancies arise owing to transfers and retirements over the past year and a half. When they are filled in the Department there will be a total of four Information Officers whose job it is to answer the endless questions asked by Canadians and others about the north and about the resources of Canada. The questions will be answered in part by publications which must be interesting both in style and format. Part of the job will be to assist private writers and journalists to get the material they require. The information may also be given to the public by television, films, exhibitions and answers to direct enquiries. There will be no expansion of information staff, but by the re-organization of existing facilities and the the information officers will be called upon to satisfy some of the backlog of demand about the least known parts of Canada.

These is an unending challenge in the choice of subjects for those who wish to write about Canada. There is the new frontier along our polar sea and the friendly native people who face the problems of adjustment to the new civilization advancing from the south; there is the future of our wildlife not only as it provides sport for hunters, but as the basis of life for Eskimos; there are the forests, the continuing efforts to preserve and develop them, and the story of the work being undertaken by scientists in search of new wood products and new uses for them. Then, there are the water resources around which most of the great developments of this century have been built.

This is the fare which is being offered those with a writing bent, but not to those inclined to the safe dullness of mechanical prose.

## Garage Burns At Mannville

MANNVILLE An early morning fire about 4 a.m. Sunday destroyed a garage at the residence of Mr. and Mrs. Fred Bey. A tractor and household furnishings as well as clothing were destroyed by the blaze. The prompt action of the fire brigade is credited with saving the house as sparks were beginning to light on the roof just as the men got there and they quickly turned the hose on it. A car owned by Mr. Mike Ostrow, parked beside the garage was also damaged. Insurance was carried on the garage and contents.

CLANDONALD HALL

# Province Donates $100,000 For Jubilee Celebrations

Hon. C. E. Gerhart, Minister of Municipal Affairs, has announced $100,000 will be made available to assist Alberta municipalities with Golden Jubilee observations.

The fund will be available on a per capita basis for various Jubilee programs that can include development of local attractions or local production of Jubilee activities from other parts of Alberta. Adjacent communities wishing to combine their Jubilee programs may pool their grants.

Arrangements are now being made for provincial Jubilee organizations to assist communities in organization and planning of the Jubilee programs. Communities wishing Jubilee grants are asked to set up Jubilee committees and write to the Alberta Golden Jubilee Committee, 410 Alberta Jasper Building, Edmonton, so that a representative of the Jubilee committee can attend organizational meetings.

### ADVANCES IN WILD OAT CONTROL

Since the advent of 2,4-D and the resulting widespread chemical control of broad-leaved weeds, the hunt for a chemical which will control wild oats has been intensified. A great many chemicals have been tested. A few have given some promise, but most of them have proved ineffective.

*Promising Approach.* The most recent approach is the application of chemicals in the Fall to wild oat infested land. The chemical which has given the most promise to date is IPC, while TCA has also given some interesting results.

*Early Results.* An example of the type of research now underway throughout Western Canada is the work done at the University of Manitoba. In the Fall of 1953 a plot of land was seeded to wild oats and, shortly afterwards, treated with IPC. In the spring of 1954, strips of different crops were seeded across the treated area. When seeded on May 18 wheat, oats, barley and brome did not grow because of the chemical, whereas corn, sunflowers, rape, soybeans, sugar beets, peas and alfalfa were unaffected by the chemical, and free of wild oats. A second seeding of wheat, oats, barley and brome was made on June 19, and striking results were obtained. These crops not only grew normally but were also almost completely free of wild oats.

*Experiments Enlarged.* In order to follow up the encouraging results of 1954, eight large-scale field tests, using a number of chemicals, have been laid down this Fall by the Manitoba Weeds Commission in co-operation with the University of Manitoba, several commercial organizations and interested farmers. It is expected that results of great practical and research value on the control of wild oats by chemicals will be obtained from these tests in 1955. The chemical battle is on. The future of the wild oat is beginning to look as black as its hull!

CARD OF THANKS

We wish to express our heartfelt thanks to Dr. A. B. King, and all our friends and neighbors for the helpful acts and expressions of sympathy received during our bereavement, and for the beautiful floral tributes and memorial donations.

A special thank you to the many who called on Mr. Fair and by so doing brightened the days of his illness.

Mrs. Robert Fair and family.

CARD OF THANKS

I wish to sincerely thank all my friends at Vermilion and Wildmere for the very kind letters and cards of sympathy received during my bereavement and to the Wildmere community for their beautiful floral tribute.

A. Rendell.

CHRISTMAS BAZAAR

The United church Xmas bazaar will be held in the United church hall on Saturday Dec. 4 from 3 to 6 p.m. 23x

APPRECIATION

I wish to publicly thank Dr. Evans and the nursing staff of the Vermilion Municipal hospital for the excellent care and attention received while I was a patient in the hospital.

Roy Watkins.

CARD OF THANKS

I wish to thank Dr Stephens, Miss Keith and the nurses for their care and kindness during my two and a half weeks in hospital, also to my friends and neighbors for the gifts of fruit, flowers and the cards.

Mrs. Knutson.

# LOCAL NEWS

Old friends and neighbors in the Campbell Lake district send heartiest congratulations to Mr. and Mrs. Mungo Fraser on the occasion of their 35th wedding anniversary on Monday Dec. 6.

Messrs. Sandy Wood, Fred Collins, Jim Magill and G. T. Skinner left this Thursday for Calgary where they will attend the annual C.C.F. convention on Friday and Saturday, Dec. 3 and 4.

Sr Captain Charles Stewart who is presently on Salvation Army mission work in Tanganyika, East Africa and well remembered in Vermilion, writes the Standard and states that he and Mrs. Stewart will be returning to Canada about the end of Sept. 1955.

Hockey fans will be interested to learn that Kay Stratte who has coached the Wainwright Commandos in the Eastern Alberta hockey league for several seasons, may be the new coach of the Viking Gas Kings this winter. This information is contained in the Viking News but the paper is still awaiting confirmation of negotiations.

BORN — To Mr. and Mrs. Edward McGinnis at the Vermilion Municipal hospital on Nov. 8, a daughter, Darlene Charlene, 7 lbs. 10 ozs.

HANDICRAFT GUILD

The annual meeting of the Handicraft Guild will be held in the Junior high school on Wednesday Dec. 8 at 8 p.m. All members are urged to attend and to bring any handicraft work completed during the fall classes. There will also be a demonstration on making chenille poinsettas.

The following memorial donations were omitted from the obituary of the late Mr. M. G. Brimacombe: Crippled Children's fund, Mrs McKee, Mr. and Mrs. George Lyons; Mr. and Mrs. Roy Jory, Cemetery Fund J. W. G. Morrison, Flowers — the two Tuey Families.

The following additional donations have ben received in memory of Mr. Robert Fair:

Mr. and Mrs. C. E. Thompson and Mr Parsons, Alliance Building Fund.

In loving memory of a dear friend a donation to the Alliance chapel: Sam, Mrs. Fisher, Sylvia and Ken.

Donation to United Church Paradise Valley: Mr and Mrs D Odegard and family.

Donation to Red Cross: John and Alice Milne.

Donation to Alberta Protestant Home for Children: Mr and Mrs Masson, Irma.

Donation to Canadian Cancer Society, Lloydminster: Exhibition Association.

Donation to St. John's Building Fund, Kitscoty: H. Stokes.

Flowers to the house: Jack, Ethel, Evelyn and Lloyd Allen, Baker's and Art Baker's.

IN MEMORIAM

In loving memory of a dear wife and mother
*Mrs. Margaret Filgate*
who passed away Nov. 26 1950
"Deep in our hearts lies a picture
Of a loved one laid to rest
In memory's frame we shall keep it,
Because she was one of the best."
Ever remembered by her husband and family.

IN MEMORIAM

In loving memory of
*Henry Charles Oakley*
who passed away Dec. 23
and of
*Dorothy E. Oakley*
who passed away Nov. 26
"And with the morn
Those angel faces smile
Which I have loved long since
And lost awhile."
—Mrs. Oakley, Eva, May and families.

WHITCHER 90 YRS. CBGS nly

Well known old timer of this district, having lived here since 1915, Harry Whitcher celebrated his 90th birthday on Monday Nov. 29th.

On that evening he was the honored guest at a party held at the home of his daughter and son-in-law, Mr. and Mrs. Jim Miller. Besides the friends present at the gathering Harry had one son and one daughter there, some grandchildren and five great grandsons and 2 great granddaughters.

The Standard received a cheery note from Miss Nellie J. Landells from the Nurses' residence of the Ponoka mental hospital, sending along her sub and saying that she finds the Standard a very efficient means of keeping posted on local affairs.

WHIST DRIVE

A whist drive will be held at St Saviour's parish hall on Wednesday Dec. 8 at 8 p.m. Everybody welcome. 23

## Wildmere Beavers

The regular meeting of the Wildmere Beavers Girls club was held on Nov. 13 at the home of Mary Gibson with 15 members and one visitor present. The meeting was opened by singing "O Canada", the reading of the Code, and saluting the flag. The minutes were approved as read. $10.49 was made from the last dance. The [illegible] ordered by Hazel Whitlock were received.

A motion was made by Janet Cruthers that the club hold a dance on Dec. 10 and a sale of work by the ladies and girls club. This was seconded by Sylvia Steele and carried.

Because there are now so many members it was decided that three girls should bring cake and cookies each meeting. Betty, Diane and Doreen are to provide them for the next gathering.

Betty Smith gave a topic on "Etiquette" which was enjoyed by all. The senior mystery box was won by Janet and the junior mystery box by Wendy Cruthers. Marie adjourned the meeting, the motion being seconded by Linda and "God Save the Queen" was sung.

The next meeting will be held on Friday night Dec. 3 at Joan Dibben's home at 7:30. The roll call is bring 10c for the deaf, dumb and blind girl.

## THE STAGETTES

We hope that all of you are planning to come to our annual Holly frolic on Dec 27 which will be semi formal. As we are looking forward to seeing each of you there, we are busy planning a wonderful evening for you.

This Christmas, as in the past we are being kept busy making hampers for those not as fortunate as others. By supporting our Candy day you can do your bit to help us help others. When a Stagette calls at your door on Dec 13 we hope you will purchase some of your Xmas candy from her. These beautifully wrapped packages will also make lovely gifts for your friends.

The wardrobe for our Stagette doll is coming along in fine style. She will soon have an outfit for every occasion. By the way, have you bought your ticket on this walking doll? If not, all the stagettes are selling them.

Once again we must take a glance at our checking list. Saturday Dec. [illegible] Ethel Dickson and Marie Ferley will be in charge of the check room. Betty [illegible] and Stella Hamilton will be checking Saturday Dec 11. At the Variety show in the armouries Dec 10 [illegible] Harcuther and [illegible] will be checking coats.

# First Term Activies At Junior High

Shortly after school started in September, wierd creatures were seen wandering around the halls at the Junior High. These poor humans were the Grade Sevens, who were being initiated into the halls of higher learning. There were at the mercy of their superiors, the grade 8s and 9s who (just ask any Grade 7) took advantage of the one day of torment on their juniors.

Election of officers for our '54 and '55 executive was the next big event, the results being as follows:

President — Billy Tough
Secretary — Lillian Thompson.
Treasurer — Joanne Cooper.

Friday, Nov. 5th saw a harassed executive rushing around — seeing that preparations for our first dance were going smoothly. Everyone had a good time and it can safely be pronounced a success.

Girls' basketball teams have been organized and as this goes to press no official standing can be given as the schedule has been somewhat disorganized.

Boys' basketball (which just started this last week) finds the four teams, Golden Bears, Globetrotters, Longhorns and Black Panthers fighting strongly for top position.

This just about sums up all the important activities of the first term.

*CLANDONALD MISSION*

Due to the illness of the vicar there will be no services this Sunday.

## Greenlawn Goodwill Club Meets

The Greenlawn Goodwill club held their November meeting at the home of Mrs Archie Wood, Dewberry.

The meeting was well attended, eighteen members being present. It was called to order by the president Mrs. C Grant. The secretary Mrs Wm. McMullen then read the minutes of the previous meeting which were adopted as read. She then gave a report on the chicken supper held at Greenlawn, Nov. 5, which was a financial success. It was then voted on and passed to donate $10 worth of records for the community P.A. system and also $5 to the upkeep of the hall.

It was decided to have a Xmas concert and treats for the community children. A card of thanks and appreciation from Mr and Mrs. Ed Thomson for the gift received from the ladies' club was then passed around and read.

At the close of the meeting, the ladies were entertained by a contest given by Mrs Norman Stone. Mrs A. McGowan being the winner. She received a prize of a dainty Christmas corsage.

The president then declared the meeting adjourned. A delicious lunch was served by Mrs Wood, topped off by passing around a box of tasty bonbons which made us all realize Christmas is just around the corner.

## VERMILION'S FINE SCHOOLS

These fine schools serve 744 children and young people from the town and a wide area in the country. Of the 744, some 288 come in by bus while a number of other high school students from the country board in town.

Shown at the upper right is the elementary school of eight rooms, built back in 1928 and which with two outside one roomed schools, houses 310 children from grade 2 to grade 6 inclusive. It is solid brick construction.

Upper left is the solid brick high school of eight rooms in which are taught complete high school courses grade 10 to 12. One hundred and twelve students attend here. Originally built in 1928 it was destroyed by fire in 1940 and rebuilt the same year.

Lower right is the five-roomed primary school erected in 1947. Some 128 little tots in grade one and grade two learn there a, b, c s

Lower left is the new six-room junior high school opened in 1953 at Easter. The junior high school grades are 7, 8 and 9, and there are 185 of them attending at the present time.

Vermilion Photograph Photo.

## Young People To Be Featured In Variety Show

Something entirely new and which promises to be very entertaining, is the Variety show sponsored by the Canadian Legion Post 11 and which features young people from a wide district.

The program will be presented in the armories Friday, Dec. 10 commencing at 8 p.m. and the two hour program is supplied by young people from Vermilion, Mannville, Derwent, Islay and Borradaile. The acts have all been rehearsed.

Chorus numbers will be presented by six Vermilion high school girls, Connie Harle, Margaret Goodwin, Ruth Beatty, Anne Stewart, Barbara Green and Sue Carmichael.

A solo selection by Betty Proudfoot of Mannville; comedy songs by Doreen Gerhart and Norma McLuckie of Mannville. There is a group of minstrels from Islay including Bill McLean, Harry Young, Frank Young and Jack Bauman with Ivan Inman as accompanist.

The Derwent orchestra directed by Fred Stuparyk will play western music; accordian numbers will be played by Mary Hull and Bernice Romanchuk.

Leaving the musical numbers, Mrs. Dot Crockford and Robert Carmichael Jr. appear in a tap dancing act; Mrs. Min Williams and her brother Jack Caro of Borradaile will present some acrobatics, Mrs. Rae Curtis will give a monologue and skit.

Accompanist for the evening is Miss Jean Kibblewhite. Miss Doris Salisbury is in charge of make-up and costumes.

It all adds up to a very entertaining evening and it is expected that there will be a full house in the armories that evening. Admission is only 50 cents for adults and 25 cents for students. 23-4

NOTICE

A combined meeting of the Union local of the FUA and the Union community association will be held on Tuesday Dec. 7 at 8 p.m. Please attend and give your community a boost. 23

*QUICK CANADIAN QUIZ*

1. Density of population in the U.S. is about 51 persons per square mile. What is the figure for Canada?

2. In net value of production manufacturing is now the leading wealth producing industry in what province?

3. In what year was the name of the Royal North West Mounted police changed to the Royal Canadian Mounted police?

4. Through the indirect sales tax on manufactured goods Ottawa collects how much each week?

5. In what year were tariffs first used in Canada to build domestic industry rather than merely as a means of providing government revenue?

ANSWERS: 5, in 1859 when the Galt Tariff was introduced, 3, in 1920, 1, less than 4 persons per sq. mile, 4, about $12 million, 2, manufacturing is now the leading industry in Newfoundland, Nova Scotia, New Brunswick, Quebec, Ontario, B.C and Manitoba.

## Gideons Reach New Milestone

The month of November saw the placing of the one-and-one-half millionth copy of the Scriptures in Canada by The Gideons. This was the cumulative effort of the past 43 years, the period in which The Gideons have been organized in Canada and carrying on this Bible-placing ministry as an association of Christian commercial and business men.

The one-millionth copy of the Scriptures was placed in January, 1952, in Victoria Hospital, in London, Ontario, since which time, a period of a little over two-and-a-half years, one-half a million Books have been sent out. Of this impressive total, complete Bible numbered one-half a million, familiar sights in hotels, motels, hospitals, schools and prisons. New Testaments made up the balance and were presented to nurses in training, service personnel and to school children.

Apart from these Canadian placements, many thousands of copies of the Scriptures have been sent overseas to England and to Japan. The current foreign enterprise of The Gideons International in Canada is the supplying of upwards of 25,000 copies of a bi-lingual Spanish-English New Testament for distribution in hotel guest rooms in Mexico, a work now well underway.

## Foundation Opens Calgary Branch

The Foundation is pleased to announce that its Calgary branch is now open to the public. Information, counselling and treatment services are available to those who are concerned with the problems of alcoholism and excessive drinking. The Calgary Branch of the Alcoholism Foundation of Alberta is located at 737 12th Ave W.

The Foundation's concern is with alcoholism, not with social drinking.

Treatment services include diagnostic and outpatient clinical care. In addition rehabilitative programming is provided for those needing help toward social readjustment.

Alcoholism and excessive drinking is one of our major public health problems. In order to deal with such problems on a sane and well informed public is essential. To this end all educational media radio, press, public talks, conferences, etc., are utilized to bring factual information concerning alcoholism and problem drinking to the people of Alberta.

Research into all phases of the problems of alcoholism is being encouraged and undertaken by the Foundation.

Through education, treatment, rehabilitation and research we shall achieve an improved and changed attitude on the part of the public. As alcoholism is recognized as a treatable illness, rather than a moral problem we will achieve our ultimate goal — prevention of alcoholism.

# Renovation Planned At Islay Hospital; Board Holds Regular Meeting

The regular monthly meeting of the Islay Municipal Hospital board was held in the hospital on Nov. 6 at 2 p.m. Present were Mr. G.D. Jack, Mr. I. Inman, Mr. D. B. Shirreff and the Secretary.

The minutes of the preceding meeting and the financial statement were adopted as read.

Recommendations of the Building committee:

1. That the hot water tank be replaced.
2. That a new washing machine be purchased.
3. That the front porch floor be finished in linoleum and rubber tile.
4. That front doors and porch doors be replaced.

LETTER FROM THE CAPITOL

# Social Crediters Hold Annual Provincial Convention

EDMONTON. — Although overshadowed by the week end's thrills and excitement of the Edmonton Eskimos' narrow 26-25 victory in the Grey Cup football game over Montreal, the deliberations of Alberta's Social Crediters last week probably will have more lasting effects on the average citizen.

Presenting a picture of unity practically throughout the two-day convention, delegates to the Alberta Social Credit League's annual meeting were sparked to sharp controversy over proposals to allow farm produce marketing boards. The issue has been appearing more frequently recently, particularly because of the series of meetings being held throughout the province by the Alberta Federation of Agriculture, which has been told by the government that an indication of general approval by farmers on the proposals would bring legislation faster.

After considerable debate on the issue of whether enabling legislation should be passed to allow establishment of such boards, the convention approved a resolution to that effect. It had been submitted by the Stettler SC constituency association.

Arguments against it included the contention that it was designed by socialists and that there is no definite assurance that farmers want marketing boards. Some delegates objected that the board would have too much power, being able to regulate sizes and types of crops.

"I'd hate to be under a board which can tell me when I am to sell my stock," one delegate said. "Suppose I am forced to sell because of winter conditions."

It was reported during the last legislature that the subject received considerable study by the Social Credit members in their private caucus. Undoubtedly it will be the source of more study and debate in caucuses prior to and during the next session, opening in February.

Agriculture Minister L. C. Halmrast reviewed for convention delegates some of the marketing board operations in other provinces, indicating in most cases the producers are satisfied with the results.

Although the party's National Leader Solon Low, said he did not think Social Crediters need to worry about the Liberal party's conventions, many of last week's convention speakers devoted time to repudiating recent liberal charges and statements.

The president of the B.C. Social Credit League, Noel Murphy, led off by taking Federal Mines Minister George Prudham to task for telling the recent Alberta Liberal convention that Social Credit spells ruin for Canada if allowed to go unchallenged. Mr. Murphy pointed to the party's record in Alberta. He also said Mr. Prudham was wrong when he said a recent B.C. Social Credit meeting called for civil service dismissals and replacement by SC appointees. There were criticisms of the civil service he said, but no calls for dismissals and SC appointments.

Health Minister Dr. W. W Cross charged that Mr Prudham was playing politics when he called for an investigation to discover why the Alberta government did not use all the health grant money the Federal government was prepared to pay in the last six years. He claimed the federal minister failed to point out most of the other provinces were behind Alberta in the percentages of the federal provision used.

Claiming the Liberal party is notorious for political expediency and has a different story in every part of Canada, Premier Manning said while Alberta's Liberal leader, J Harper Prowse was violently opposing gas export from the province, the federal Liberals were chiding the Alberta government for delaying it. Referring to remarks of Liberal leaders that investors would not have risked a cent in Alberta had it not been for the stability of the federal government, Mr Manning said federal finance minister had said oil in Alberta would do little good because it was in the wrong part of Canada. "Is that the way you induce investment", the premier asked.

Elected president of the Alberta League was Orvis A. Kennedy, a former MP and national organizer for the Social Credit Association of Canada.

Letters to the Editor

This paper does not hold itself responsible for opinions expressed by correspondents

Vermilion, Alberta,
Nov. 16, 1954

Editor Standard
Vermilion, Alberta
Dear Sir:

I wonder how many citizens of the Town of Vermilion are concerned with the prospects of another beer parlor in town? True, it is a club license being sought but it still means another outlet for alcohol.

The town's population is, I believe around the 2400 mark and is now served quite adequately by two beer parlors and the government liquor store which should be more than ample to quench the thirst of any.

I am certain that the donors to the living memorial fund which the club applying for the license appropriated for their hall, would not have donated to build a beer parlor.

An appeal by some group to the Alberta Liquor Control Board I think would be sufficient to stop the granting of the license.

Yours sincerely
Moderationist

## Christmas Carol Service Dec. 19th By Massed Choir

Vermilion musicians headed by the Mixed Chorus will present a program of Christmas carols at the Columbia theatre on Sunday evening before Christmas, December 19th. The Chorus will be augmented by members of the choirs of the United and Anglican churches and will number upwards of 50 voices.

Many well known carols will be sung, and some which are not so familiar. For instance, the child's Christmas carol "Rocking," a translation from Czecho-Slovakia, will be sung for the first time here. The program will be climaxed by the "Hallelujah Chorus" from Hendels Messiah.

Present plans call for some 17 numbers but this is subject to some slight change.

Entire proceeds will be donated to the Salvation Army Christmas Cheer fund to be used for needy families within the town and immediate district.

## New Books Added To Vermilion Library

The following is a list of the new books added to the Vermilion Public library:

White Man's Grave—L. G. Green
Thirty and Three—H. MacLennan

# THE VERMILION SCHOOL OF AGRICULTURE

This is the main building of the Vermilion school of agriculture and houses girls and boys dormitories, gymnasium and auditorium, dining hall and kitchens, library and the offices besides many of the class-rooms and labs. It was built in 1928-29 at a cost of more than a quarter of a million dollars. —Photo by Vermilion Photocraft.

## V.S.A. Staff, 1954-55

N. N. Bentley — Principal and Instructor in Farm Management.
V. T. Janssen — Farm Manager and Instructor in Animal Husbandry.
J. Harcus — Dean of Men's Residence and Instructor in Poultry and Dairying.
J. A. R. Parkin — Instructor in Farm Mechanics.
D. C. Folk — Instructor in Farm Buildings.
W. Baranyk — Instructor in Botany and Horticulture.
K. Stone — Instructor in Field Husbandry and Entomology.
W. B. Olson — Instructor in Metal Work and Maintenance Superintendent.
L. G. Seath — Instructor in Science.
G. W. Tuck — Instructor in Mathematics and Physical Training.
E. Boyko — Instructor in English and Economics.
Mrs. S. C. Acheson — Instructress in Clothing and Sewing.
Miss N. Patson — Instructress in Nutrition and Cooking.
Miss A. McLaughlin — Instructress in Home Nursing and School Nurse.
Mrs. I. Collins — Dean of the Women's Residence and Dietician.
Miss K. Grosskurth — Instructress in Typing, and Employment Training.
Mrs. G. Perriam — Instructress in Home Management and Handicrafts.
Mr. H. Cooper — Accountant.
Mrs. K. I. Bell — Secretary.

Sports have always been a major extra curricular activity at V.S.A. This year Mr W G Tuck, a graduate of the U of A in Physical Education, who also instructs all the Mathematics classes, is undertaking to promote an extensive sports program. Students will have an opportunity to learn various indoor and outdoor games, with the emphasis as usual on Basketball and Hockey. With Mr Tuck conducting classes for beginners, advanced players and referees, the V.S.A. gymnasium will be a very busy place. As in all other phases of school activities, the objective is "Ever to Excel".

## Pleasant Valley

It is not so pleasant today, snow is falling and so is the temperature, with a hint of more of both to come.

The writer gathered up four ladies on Wednesday and journeyed to Borradaille to visit at the home fo Mrs. Johnson. Among the visitors was Mrs Jones' relative from Unity, Sask. It really surprised you both when they drove in didn't it? Mrs. Repp Sr and Betty were also there and the afternoon was a very enjoyable one.

We arrived at Mrs. Betty Gould's in time for a birthday supper and the children were surely good.

Did you go to see the dentist Mrs. Dedelly? Or are you waiting until after your Christmas dinner?

Mrs. Moore and Mrs. Proud were at the home of the writer when a Stanley party was held Thursday. It was too bad it rained — we hope that all arrived home safely.

John Maire and family motored to Edmonton on Saturday to take part in celebrating his parents' 45th wedding anniversary. They returned home Sunday night.

Percy Gelby and family also motored to the city to attend the wedding of their niece Nellie Coombe. It was not very pleasant driving home as it snowed nearly all day Sunday.

Gordon Gould and family were supper guests on Saturday night at the home of Mr. and Mrs. Jim Panter. On Sunday Betty and Lloyd Gould were dinner guests at the writer's home and on Monday were guests at Doreen's home for [illegible]

Misses Betty and Doris Giles spent Sunday at the old home farm visiting their mother.

DERWENT THEATRE

Showing this week end Sat. Dec. 4 and Mon. Dec 6 "Sailor Beware" with Dean Martin, Jimmy Lewis and Connie Calvert. "Oceans of laughter" Wed. and Thurs. Dec 8 and 9 "Three Little Words" in color with Fred Astaire, Red Skelton and Arlene Dahl; Sat. and Mon. Dec 11 and 13 "No Highway in the Sky" with Jas. Stewart and Marlene Dietrich. A thrilling drama of a midnight to dawn adventure across the skies. 23c

## The World of Wheat

By W. G. MALAHER, Director, Research Department, Searle Grain Co. Ltd.

THE INTERNATIONAL WHEAT AGREEMENT

Since Britain's withdrawal from the International Wheat Agreement at the April, 1953 meeting of the Council, there has been a good deal of conjecture whether or not she may be persuaded to again participate when the present term expires. Only recently the Chairman of the International Wheat Council, on a visit to Canada, said that he was confident that Britain would take part in the negotiations for a renewal of the I.W.A. and suggested that, in his opinion, the public attitude in the United Kingdom toward withdrawal from the Agreement was changing.

Whilst Britain is not likely to refuse to enter negotiations for a new Agreement, it is a foregone conclusion that she will only consider renewing her membership under conditions which will be advantageous to her. Since her withdrawal from the I.W.A. price have declined well below the maximum and the opinion has been expressed that this was primarily due to the fact that as the major importer of wheat she had relieved herself of any obligation under the Agreement. Unless therefore there is no material change in the supply structure of the Agreement itself, it is difficult to believe that Britain will reverse the stand she has taken for freer world trade in wheat and again will join the pact.

Her absence from the present one in fact has probably increased her bargaining power and for that reason although she may be willing to negotiate there will doubtless have to be some hard thinking done on all sides if negotiations are to be fruitful.

Hey Kids!

I'm Coming To Town

Saturday, December 4th

You kiddies—your old friend Santa is making a special trip to the friendly Macleod's Limited store in your town and I'm sure looking forward to a visit with YOU. I'll be in Macleod's Saturday

from 10 to 11:30 a.m. -- 3:00 to 5:00 p.m.

Be sure to ask Mom or Dad to bring you down to Macleod's so we can have a nice visit.

P.S.—I'll have a small treat for every boy and girl, too.

MACLEODS

VERMILION

## WILDMERE WINKS

One of our neighbors Mr. J. Wilson has been a patient in the local hospital suffering a severe cold on his chest. At time of writing he was coming on well and expects to be home soon. Speedy recovery is wished you John from your many friends.

Mr. Carlson has gone to the States for the winter. He accompanied Adam and Bill Smith when they motored to the coast last week to spend the winter with their mother Mrs. A. Smith at Vancouver.

Congratulations to Rev. and Mrs. MacKay on the birth of a son, Donald Scott, on Nov. 20.

Our deepest sympathy goes out to Mrs. Duncan Carey and family of Islay in their sudden bereavement on the loss of a loving husband and father. May God comfort them in their hour of sorrow.

We were deeply shocked when we learned of the sudden [illegible] of Mr. Len Kehoe. Len lived a good many of his best years in the Thorncliffe district where his parents homesteaded and where he later farmed himself. He was forced to retire from farming because of ill health and he had since lived in Vermilion carrying on a trucking business. Our deepest sympathy goes out to his sorrowing wife and son, his aged mother, sisters and brother who mourn his loss.

A nice crowd attended the Bingo put on by Mr. Bauman and Miss Besse. It was held at Battleview school Friday evening and some nice prizes were given out to the lucky winners. Three of the prizes came to ye writer's home. Mrs. Lee Babb of Gilt Edge held the lucky ticket on the camera. A very bountiful lunch was served after the bingo and then Berton Seale started his record player and some modern square dancing was enjoyed by those who knew how and also by those who did not. All in all it was a very enjoyable evening and we hope the teachers see fit to hold more such evenings of fun for young and old. Congrats Mr. Bauman and Miss Besse.

Rev. D. A. Ford of Vermilion held church service at the home of Mr. and Mrs. W. J. Garnett, Basswood on Sunday afternoon and a nice number turned out to hear his splendid sermon. On Dec. 22 he intends holding a carol service at the home of Mr. and Mrs. F. Gibson of Basswood at 7:30 in the evening.

Mr and Mrs. Alex Love of Edmonton and formerly of Triangle district, visited several of their old neighbors and friends last week. It was nice seeing them again. They also visited their son Dave Love and family of Buffalo Coulee; daughter Mary, Mrs. Ken Isley and family of Vermilion, and Mr. and Mrs. Abe Frissell also of Vermilion.

Another phone has been added to our line, Mr. Bauman at the new school, No 2227, local call 2 long 2 short rings.

Albert Smith has bought the windcharger, batteries etc. from his brother Bill and moved it all to his home in Basswood where he is installing it to light up his buildings when wiring has been completed.

Frank Gibson has built on a big addition to his pig house this fall. Going in for more porkers Frank?

## P. V. Teachers Sub-Local Meets

The Paradise Valley sub local of the A.T.A. held a meeting Nov. 24 in McLaughlin. A discussion on the provisions of the Teachers' Retirement fund was led by Mr. Richardson.

A motion that a musical festival be held was made and carried and May 6th was set as a tentative date.

At the next meeting to be held in Rivercourse on Jan. 26 the main topic for discussion will be "Promoting Public Relations in the Classroom".

Lunch was served at the conclusion of the meeting by Mrs. Moncrieff.

TURKEY SHOOT

The annual turkey shoot sponsored by the Air Cadets will be held in the armories on Saturday Dec. 11 commencing at 1:30 p.m. Win your Xmas turkey this way. 23-4x

## Canadians To Be Commemorated In Hong Kong Memorial

More than 200 officers and men of the Canadian land forces who laid down their lives during World War 2 in the defence of Hong Kong, or later in captivity, and who have no known graves will be commemorated along with more than 1800 other Commonwealth men, by a memorial being erected at Hong Kong by the Imperial War Graves Commission. It will be unveiled by Sir Alexander Grantham, Governor of Hong Kong, on Feb. 20th, next year. The British Legion is investigating the possibility of arranging a pilgrimage for relatives of those commemorated, who wish to be present at the ceremony.

## Wildmere F.U.A. Signs 31 New Members

The teams of the Wildmere FUA local signed up 31 new members which is considered quite good. This gives the FUA coverage of approximately 90% on the area covered. The teams deserve a lot of credit for their good work.

NEXT MEETING DEC. 15

The next regular meeting of the FUA will be held in Basswood school, Wed., Dec. 15. The delegates report will be given and other business transacted.

LEGION L. A.

The regular meeting of Ladies' Auxiliary to the Canadian Legion will be held in the hall on Dec. 6, preceded by a pot luck supper at [illegible]

An exchange of gifts and entertainment will be held during the evening.

TURKEY SHOOT DEC. 8

Turkey Shoot will be held at the farm of Jim Phillips 16 miles north-east of Vermilion on the old Clandonald highway, 6 miles south one mile and a half east from Clandonald on Dec. 8. Lunch will be served. Starts at 12 noon. 23

## 19th Tractor Victim

So far this year the farm tractor has taken the lives of at least 19 people in this province and the tragic toll continues to mount. Last week a farmer in the Veteran district was killed when pinned beneath his overturned tractor. The accident occurred on a steep hill on a roadway near the victim's farm.

The long list of tractor casualties stands as shocking proof that the farm tractor is a dangerous implement. Never take chances with it.

This paper does not hold itself responsible for opinions expressed by correspondents.

Vermilion, Alta. Nov. 30.

Editor, Vermilion Standard, Vermilion, Alta.

Dear Sir:

In your news article headed "Higher Municipal Grants in Prospect", Highways Minister Gordon E. Taylor is quoted as saying that "he was shocked during his travels this summer to find some persons who had been living and farming in particular districts for 20 to 40 years still are not served by gravel roads."

This situation is equalled and even passed in the Town of Vermilion where some of us have been living for over 45 years and still have not even a dirt road let alone a gravelled one to travel on.

Mr Taylor said he is recommending special grants to build roads for these country areas . . . I wonder if we could sneak in under it too?

Thanking you, Mr Editor,

Yours truly,

Muddy Moe.

# F.U.A. "ROUND-UP DAY" EXCEEDS EXPECTATIONS

EDMONTON. - Farmers' Union of Alberta 'Round-up Day' exceeded expectations, it was stated here by W. D. Summers, director of the one-day membership campaign. Favored by unusually mild weather, for this time of year, and backed by a record turnout of some 8000 canvassers, the drive began under near ideal conditions.

Interest in the campaign was apparent from the extent of the area covered. Canvassing was carried on from the 49th parallel to the 57th parallel. There, the Keg River farming community undertook to canvass township 101, over 600 miles due north of the international border.

Results are coming in slowly from country districts as 'foremen' are reported to be holding back final returns until 'mop up' action has been finished.

To date 20 per cent of the foremen had made returns. Most of these reports were interim ones. A gross membership of over 18,000, of which 9,800 were from family heads indicated possibility of achieving an overall percentage of 65% or 14% above the 51% objective.

It was pointed out by the drive director that it was not safe to conclude that late returns would equal first percentages. "If the remaining foremen do only three-fourths as well as those who reported first, we will not only be satisfied, but we shall have achieved our long sought goal of 51% or better," he told the weekly press.

Henry Young, FUA president, issued a statement to express thanks to those participating in the drive. He said: "While the final returns from FUA Round-up day are not by any means all in, it is evident that ti has been a remarkable and striking success. Reports so far received cover many thousands of memberships. The FUA is literally swamped with returns from the drive. While it will probably be several weeks before anything like final results can be announced, its success is already apparent, he added.

The most outstanding feature of Round-up day was the great work done by the Foremen and Riders who did the actual work of getting memberships. Their enthusiasm and energy is mainly responsible for the results shown. On behalf of the FUA, I want to thank all who took part in the Round-up day. I would also like to ask all those who have not quite completed the canvass in their areas to stay on the job till it is completed," Mr. Young urged.

## Sixteen Years Ago Today

*Dec. 1, 1938*

Lloyd Rigby World Wheat King was the guest of honor at the Vermilion Board of Trade luncheon, making his first public appearance since winning the crown. Lloyd is a student at the V.S.A.

A spectacular fire razed the Vermilion hotel causing a $30,000 loss. The big frame building was burned to ground level.

The Vermilion Curling club elected their skips, 15 in number, and are all set for a successful season. Ice making is well underway.

Mrs. C. P. Lipsey was elected as president of the Ladies' Curling club.

## Thirty-two Years Ago Today

*Nov. 29, 1922*

The new fire hall was officially opened with a social and dance under the auspices of the Fire department.

Mr. Percy Faulkner of Stony Plain has been transferred to the local branch of the Commerce.

Rev. J. H. Smith was incumbent of St. Saviour's and Rev. F. Chilton of the Presbyterian church.

Rum runners who have alleged to have sold $9000 worth of their questionnable liquid merchandise along this line were finally run to earth after an exciting chase, in which the big Maxwell car driven by the bootleggers was stated to have been driven at a speed reaching at times 45 miles per hour.

THOSE WERE THE DAYS

By ART BEEMAN

# What's new with Chevrolet? Everything!

**Great new V8 — two new 6's**

**And look what you see from the driver's seat**

Chevrolet's new Sweep-Sight Windshield gives you a wider view of the road ahead. And you can see all four fenders from the driver's seat!

**New Outrigger Rear Springs**

Rear springs are longer — and they're attached at the outside of the frame — spaced wider apart, outrigger-fashion, to give you greater stability in cornering.

**A ventilating system that really works**

Chevrolet's new High-Air Ventilating System takes in air at hood-high level, away from road heat, fumes and dust.

**Easier steering, stopping, clutching**

**Wonderful new Glide-Ride Front Suspension**

Anti-Dive Braking Control

**Three drives, including Overdrive**

Take your choice. Powerglide teamed with the new V8 or the new "Blue-Flame 136". New Overdrive teamed with the new V8 or the new "Blue-Flame 123". (Powerglide and Overdrive are extra-cost options.) Or a new standard transmission offered with either the new V8 or the "Blue-Flame 123".

**... and Chevrolet's got that long, low "let's go" look**

**Tubeless tires as standard equipment**

A General Motors Value

**Chevrolet and General Motors have started something — by taking a whole new look at the low-cost car. Here are young ideas that are all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!**

This is the car that began with a great idea — the idea that a low-priced car should be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars.

Lots of car buyers have dreamed about such a car. But until Chevrolet and General Motors sat down and tackled the job it couldn't be done. It took a long time but they designed and built a car to fit the dream ... the motoramic Chevrolet for 1955.

When you think about it, it makes sense that only the world's largest motor car producer could have done it. Chevrolet and General Motors have what it takes — plus a desire to make your dreams come true.

Come in and meet the motoramic Chevrolet — more than a new car — a NEW CONCEPT of LOW-COST MOTORING.

## NEWS from KITSCOTY

Miss Marion Inglis of Vegreville spent the week end here with her parents Mr. and Mrs. J. G. Inglis.

Best wishes for a speedy recovery are extended to the following folks who are at present patients in hospital: Elmer Lang, Mr. Burton Parker, Mr. J. R. Fox, Mr. R. Angus and Mr J. Rutherford.

Mrs. R. Walker of Saskatoon, Mr Jack Dale of Edmonton and Mr Merne Dale of Wainwright were here during the week end owing to the illness of their mother Mrs. J. Dale.

Mr and Mrs. Lionel Foley of Vegreville were recent visitors here at the home of their grandparents Mr and Mrs. J. F. Finlin.

Word was received during the week end of the passing of Mrs. W. G. Leviston of Edmonton, one time resident here. Sympathy is extended to Mr Leviston and Carlton from their friends here.

Mr. and Mrs. Larry Watt and family spent a few days recently at Biggar, Sask., visiting with Mrs. Watt's parents and other relatives.

Mr. F. M. Inglis has returned to the west coast for the winter months, after spending the spring and summer here on his farm.

The annual meeting of the ladies curling club will be held in the waiting room of the new curling rink on Wednesday Dec. 8 at 8 o'clock p.m. All ladies who are interested in curling this winter are asked to attend.

The W.A. of St John's Anglican church and the Evening group will hold a sale of work and a tea in the Tracy Memorial hall on Friday Dec. 3 from 3 to 5:30 p.m. Everybody welcome.

How will 1954 finally stack up in Canada's post-war story of economic growth? A year of recession or adjustment or stability? A pause in the march of expansion or a downturn?

On present evidence, The Financial Post estimates that 1954's gross national product, usual yardstick of over-all production, will turn out to be about $23,900 millions. This compares with last year's $24,350 millions. It is a decline of almost 2%. It ends the steady year-by-year increase in Canadian production which has lasted since the war. And this applies current dollars or of constant dollars eliminating price changes.

The major factor in the downturn is the low Western grain crop. It accounts for all or very nearly all the reduction from last year.

WIN A DOLL'S HOUSE

SPECIAL NOTICE OF BABY CLINICS

The Kitscoty baby clinic will in future be held on the second Thursday of each month from 10 a.m. to 12 noon. The Streamstown baby clinic is being recommenced in response to local requests and will be held on the second Friday of each month from 2 to 3 p.m. in the home of Mrs. Fenton, opposite the school.

SCARLET FEVER

The odd case of scarlet fever occurs from time to time in the district and it is important that parents understand the disease and the precautions to take to prevent its spread throughout the community.

It can only be contracted from a previous case and germs are contained in the secretions of the nose, throat, and discharges from the ears. Therefore, great care should be taken in handling all handkerchiefs, bed linen and utensils used by a patient.

A mild unrecognized case handling milk or uncooked foods may transmit the disease to others.

Symptoms of the disease are sore throat, headache, fever, vomiting, and 'strawberry tongue'. The rash appears within 24 hours and is first seen on the chest then spreads rapidly over the whole body.

During an epidemic all cases of sore throat should be regarded as suspicious and quarantined until a diagnosis is made.

TREATMENT

Isolate the patient and send for the doctor. If the case is treated by a doctor the isolation period is one week otherwise three weeks isolation is necessary. All contacts under 18 years of age must be quarantined for the duration of the case. Contacts over 18 years of age may not continue in any occupation involving contact with children or the handling of food.

The patient should be kept in a warm, well ventilated room and given a light diet with plenty of fluids.

The person looking after the patient should wear a special overall while in the room, which should be removed and the hands thoroughly washed before leaving the room. All things used by the patient should be kept in the room and at the end of the isolation period everything must be disinfected and the room thoroughly aired.

Care must be taken that infected articles from the sickroom are destroyed or disinfected before going back into general use.

PROTECTION

One attack usually protects for life but second and third attacks have been recorded.

Inoculations with antitoxin are not now given as even after five injections the person was not fully protected as there are many strains of the germ causing scarlet fever.

The best protection against the disease is attention to the general health of the children — good food, plenty of sleep and fresh air — to keep the resistance to disease high. At the same time strict attention to isolation and quarantine will prevent the disease spreading to others.

If in doubt keep your child at home as the first 24 hours of the illness are the most infectious.

BABY & PRE-SCHOOL CLINICS

Monday, Dec. 6 — Legion hall, Vermilion 2 to 4 p.m.

Thursday, Dec. 9 — Kitscoty Clinic, 10 to 12 noon.

Friday, Dec. 10 — Marwayne hall 10 to 12 noon.

Friday, Dec. 10 — Streamstown (Mrs. Fenton's house) 2 to 3 p.m.

# Of Many Things . . .

By AMBROSE HILLS

MYSTERY MAN

There is a man I'd like very much to meet. I don't know whether he is old or young, bright or stupid. But I do know this — he let me down, and fooled a lot of other people besides.

I was starting off for a week end in the country with my wife and our five youngsters. We were all pretty happy, because we had a brand new car and we don't get a new car very often. Fifteen miles out of the city I suddenly noticed that the car had heated up. The needle pointed right to the top the danger signal. I pulled in to a service station. "My car is boiling hot," I said. "Would you mind checking it for me?"

The mechanic took a look at the meter, whistled through his teeth, went and opened the hood. "You still got alcohol in your radiator," he said. "We'll drain that and fill her with water and some rust inhibitor." When this was looked after, and the needle had returned to a more normal position, we drove off happily.

We weren't so happy fifteen minutes later when the needle showed danger again. At the next service station the attendant checked the oil, poked around under the hood and then said "You have plenty of oil and everything looks all right. But the car is brand new so you'd better just take it very easy."

I poked along for a while at about 25 miles an hour but the needle zoomed up and stayed up. Finally a little service station away out in the country discovered the trouble. The car wasn't heating up at all. The meter was defective. "Some guy fouled it up when installing it," he said.

"But why didn't somebody else find that out?" I complained bitterly. He shook his head. "Everybody has faith in these meters. They forget that some human being has handled them — and human beings can make mistakes."

I'd like to meet the mystery man who made the mistake on my meter. I'd just like him to know how many people had put their faith in it never dreaming that behind every mechanical device there are the brains and ingenuity of some human being. We are too inclined these days to believe that meters are always perfect. Whether it is the machinery of an automobile, or the machinery of government, we are inclined to be over-trusting. We forget that back of every machine must be the honesty and integrity of some one or more human individuals. And the bigger the machine, the more disastrous a mistake can be.

But for me, I'm mighty glad that I ran into that wise mechanic in the small, isolated, country service station. Like the country doctor those fellows are often a darn sight smarter than we give them credit for being.

## Paradise Valley

Mrs Lloyd Knutson was a recent visitor to Edmonton with her daughter Miss Laura Knutson who is working in the city.

We regret to hear that Mrs. W. J. Strett is a patient in the Lloydminster hospital. Mrs Strett has been in poor health for some time and we hope that her stay in the hospital will be beneficial to her.

Mr Charles Bennet has returned to the hospital for further treatment after spending a month at home.

The Valley Maids C.G.I.T. held a very successful tea and bazaar in the United church basement Thursday afternoon.

A flurry of snow as we write these notes just to remind us that winter is just around the corner. However we cannot complain, this is the 27th of November. The recent rain has made some of the side roads rutty but not like last year. So let us be thankful.

We were favored with a brief visit from an old time resident of the district in the person of Mr. Rowley Myers on Thursday last. Mr and Mrs Myers now make their home in Medicine Hat.

Paradise Valley was represented at the Grey Cup in Toronto by Mr. Les Holgate who left on one of the "Specials". We expect Les will be unable to talk for several days after the game.

Mr John Rayson and William P. Davidson attended the Social Credit convention at Edmonton during the past week. They report a very interesting convention.

### Canadian Visitors Buy More In Britain

Canadian visitors to Britain are buying more under a personal export scheme according to figures made available by the Board of Trade in London. In the third quarter of 1954, they bought goods worth $232,000, an increase of 59% over the figure for the corresponding period of 1953. In the first 9 months of this year sales to Canadians under the scheme amounted to $438,000 compared with $382,000 for the whole of 1953.

## NEWS from ALLANDALE

The weather has been grand, only lately has a small amount of snow fallen. Have had rain which made the roads dangerous as hills became icy and slippery.

Sorry, this item should have appeared in our last news: The Clandonald W.A. met at the Omnees home on Nov. 3. It's very pleasing the membership Clandonald W.A. has. Mrs. Goddard at that time was a patient in the Vermilion hospital. She is home at present getting on very well and our wishes go for continued recovery.

Congratulations and best wishes go to our Chatsworth scribe on her recent marriage in the city. Perhaps we'll see more "Chatter" now, we really miss your news.

Mr and Mrs. Pat Baldock and two daughters from Belle Plain, Sask. were visitors at his brother's Mr and Mrs. Louis Baldock, over the Armistice holiday.

The Idelore Nelson family joined our phone line on Nov. 14. Their number is R2616.

Mrs. Evalena Wilson from the city, a long time friend of the Nelsons, attended the funeral of Mrs. Mabel Coolidge. She stayed at the Omnees home and visited the Nelson families during the week. Mrs. Wilson accompanied the Magistads to the city on the following week end.

On Nov. 9th it was a kindly act for some of the friends, neighbors and relatives to do fall work on the Orville Armstrong farm while they were away.

Another pioneer of the Allandale district Walter Easton has passed on; our sympathy to the family. The late Mr Easton homesteaded in this district. For years it was the Spencer home and is now owned by the Beeling family. Mr. and Mrs. Easton had been living at the coast for some time.

There was a good attendance at our church service in Allandale on Nov. 21 conducted by Rev MacKay, assisted by Mr. Schurman.

Congratulations to Rev and Mrs. MacKay on the birth of a son Donald Scott in the Vermilion hospital on Nov 20.

We're grateful to Woody Wilson, Herb McPhee, Gus Throndson and Orley Omnees for putting up the chimney and laying the floor in the church, making it very comfortable.

It wasn't a kindly act however that resulted in a high powered rifle slug being sent through the church. Perhaps it would be the same weapon that filled the stop sign full of holes at the same corner.

Mr Warren Edwards has been a patient in the Vermilion hospital. He is home again and our best wishes are extended for a complete recovery to health.

The icy ground caused Mrs. McCambridge of Campbell Lake to slip and break her ankle. She is a patient in the Vermilion hospital. Mrs. O. Johnson of Dewberry is also there — a speedy recovery folks.

Mr and Mrs. Ronnie Poreyko and daughter Adele of Royal Park spent the week end of the 19th at the latter's parents' home, Mr and Mrs. Wm. Armstrong. Joyce and Ronnie, both ex-students of the V.S.A. attended their big dance that evening.

The Allandale W.A. met at the Throndson home on Nov. 11. We were pleased to have visitors from our district and from Campbell Lake. The December meeting will be at the Omnees home on Dec. 9. Mrs. Throndson and Mrs. McPhee are on the lunch committee.

It was a grand evening for our chicken supper on Nov. 24 in the Clandonald Orange hall. We are truly grateful to the ladies of the district, Campbell Lake ladies and the Clandonald W.A. for their help and co-operation. To the men folk for their work especially Mr. Stanley also the Laird family. Our proceeds were very gratifying — thanks to the public for their loyal support.

On the morning of Nov. 25th Orley Omnees took his daughter Mr. and Mrs. Paul Whelan and their daughter Paulette to the city on their way to Calgary. They intended leaving there Friday evening for Aylmer, Que., to visit with Paul's folks. Paul leaves for France on Dec. 14. His wife and daughter will follow as soon as he finds accommodation.

On Nov. 26th Ralph Strome and Eddie Throndson took a truckload of pigs to the city. They visited Mr and Mrs. Howard Pratt and family at Dodds and found them very well. They were fortunate in getting a load of coal there for the winter.

Mr and Mrs. Wm. Cross motored to the city the week end of Nov 20th.

The dance at the school put on by the teacher Mrs. Green and the pupils on Nov. 27 in aid of the Xmas tree fund was well attended. The Phillip boys and Ivy Deford furnished the music.

Noticed while on our way to Clandonald that Mr. and Mrs. Alex Procyshn and family have moved to their lovely new home just north of where they had been living.

Mr. and Mrs. Louis Baldock accompanied Mr. and Mrs. Bev Baldock to the city last Sunday for their little grandson's christening. Daughter Beryl and family Brenda and Brian returned home with them for a week's holiday on the farm.

There will be a Christmas service in the Allandale United church Dec. 19 at 3 p.m. conducted by Rev MacKay. We're very pleased we are able to have this service and extend an invitation to all who care to join us.

Mrs. Gertie Swanson of Elk Point accompanied her son Mr. and Mrs. Auburn Kepke on a visit to the Armstrong home on Nov. 14 and visited other relatives in the district.

Mrs. George Iverson and son of Prince, Sask., stopped at the J. Nelson home on Nov. 19 on their way to attend the semi-annual meeting of the Branch of the Arabian Horse Assoc. of Western Canada. The Iversons have two Arabian stallions that are related to the mare owned by the Nelsons and were interested in seeing their horses and meeting their owners.

Closing Thought: When I see a fault in others, I will point out to myself one of my own.

## Coyote Control In Alberta

With harvesting operations completed, coyote control is again being intensified in M.D.'s throughout the province. About 1000 coyote getters and 25,000 strychnine pellets have been distributed in the last few weeks, reports Wm. Lobay, Supervisor of Crop Protection and Pest Control, Alberta Department of Agriculture. This makes a total of about 35,000 getters and nearly 200,000 pellets now used since the Department assumed responsibility of coyote control in the settled areas of the province.

Some excellent coyote kills have been obtained in many districts with getters and pellets. In addition a number of 1080 stations are now set up in sparsely settled areas in the approved southern sections of the province. Municipal and provincial pest officers are well equipped with materials and supplies to distribute to approved persons in their respective areas.

The Provincial Coyote Control Policy, now operating in 82 municipalities involves the distribution of coyote getters and strychnine pellets to farmers and ranchers through the local pest control officers. All those interested in obtaining assistance in getting their materials for coyote control should contact their pest officer who will train persons in proper and safe use of materials.

The more persons participating in the provincial coyote control programs the more it will aid materially in protecting sheep and poultry and in reducing the incidence of rabies.

### Britain's Motor Exports

Britain sold $728 million worth of motor vehicles, parts, accessories and equipment overseas in the first 9 months of this year, representing an increase of $88 million over exports for the same period in 1953.

## Helicopter Fleet At Vermilion Airfield

This scene taken at the Vermilion airfield shows four of those very queer looking machines of the air, helicopters. These landed here for refueling while on their way to Saskatoon recently. The 'copters belonged to the U.S. Army and were presently engaged in a survey for the Canadian and American governments. The Vermilion airfield has been the scene of much activity lately, with as many as 18 planes there only last Sunday. Not being a very common sight the fleet of helicopters attracted considerable attention. To the right of the picture can be seen the wing of a big two-motored Dakota belonging to the R.C.A.F. —*A Vermilion Photocraft photo.*

## WOODVALE NOTES

Here are a few news items we heard before we left for our short vacation.

Mrs. M. Watson received word that her father-in-law Mr. J. F. Watson of San Jose, Calif., died at the age of 89 years. He is survived by his wife, one son in California and two daughters, Mrs. Marie Tessman of Kinsella and Mrs. Geo. Haines of Hindville. He was one of the very earliest settlers in the Hindville district and worked hard for the community, church and school; the latter still bears his name, though it is now known as the Watson Community centre.

Mr. Tom Watt has been a patient in the Vermilion hospital with a heart condition but is expected home soon.

Congratulations to Mr. and Mrs. Ken Watt on the birth of their 4th daughter, Donnabel, weight 11 lbs.

The first card party of the season at Woodvale was a decided success with 32 players present. Prizes were won by Joe Nelson, Mrs. M. Isley and Betty Heron and men's by [illegible] Lumley, Johnny Isley and Bob Elson.

More members, old and new came to the Tolland FUA meeting than usual, 12 being present. Frank Watson was appointed as delegate to the annual convention.

## Letters to the Editor

Edmonton, Jan. 19, 1954.
Mrs Daisy Buckingham,
Vermilion, Alta.

Dear Mrs. Buckingham:

It is with pleasure that I thank you on behalf of the organization for the Rehabilitation of Retarded Children, for your kindly interest in sending articles to be sold and a $1 donation.

The generous donations and gifts for our recent Auction given to us by so many good people are making it possible for us to realize, in the near near future, our dream for a special school for our children where they can be taught according to their various abilities, thereby having a fuller and happier life.

Thanking you again for your consideration and kindness to us and our project, I remain

Yours sincerely,
(Mrs. D.M.) Winnifred Stewart, R.N.
Organization for Rehabilitation of Retarded Children.

## Mannville & District LOCALS

Excitement ran high in Mannville as it did in numerous other places on Saturday when the Edmonton Eskimos won the Grey cup. There was a great deal of controversy and many arguments as to who should have won and why. However, we are very pleased to congratulate the Eskies on their victory and feel it is a great honor to the West and especially our own part of the country.

Mr Norman Crooks was the lucky winner of a pool on the big game Saturday.

Mr and Mrs Van Dusen and family and Mr and Mrs. Harry Hamilton motored to Edmonton on Sunday. While there they watched the football game on television. The Hamiltons visited their daughter Audrey who is attending University.

Mr and Mrs S Arnett and son and Miss Shirley McFadden of Viking were Sunday visitors at the F McLaughlin home.

The Lutheran church is nearing completion and plans are also being completed for the Dedication service which will be held Sunday, Dec. 19. Rev F A Schole of Ft Saskatchewan will be the guest speaker.

Mrs. B. K Jones has returned from Edmonton where she attended the funeral of her sister-in-law.

A cooking school will be held in the Legion hall on Wednesday, Dec. 8 at 2 p.m. It will be conducted by Miss M Famcherley, B.Sc., Home Service director of the Gas Co. She will give instructions on the use of gas appliances.

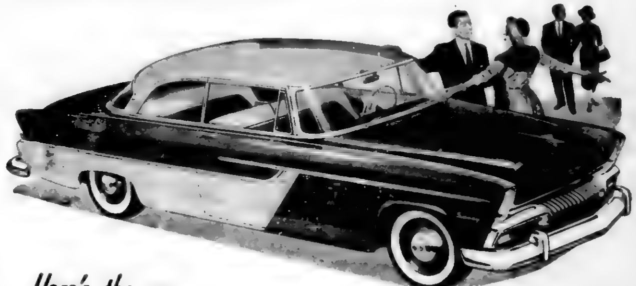
Mrs. Jim Clemenger and small daughter Wynelle of Toronto are visiting her sister and family Mr. and Mrs C Sowden.

Many old friends will be sorry to hear of the passing of Miss Agnes Linn on Nov 21 in Victoria. Her sister Mrs. D. B. McLean passed away earlier in the year. Both Miss Linn and Mrs. McLean lived in the Mannville district for many years before moving to Victoria.

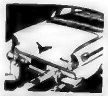
WIN A DOLL'S HOUSE

Win a lovely doll's house. See in the store windows around town. A surprise gift for that little girl at Xmas time. Tickets may be obtained from any member of the Britannia Rebekah lodge. Draw on Dec. 23 at the theatre. 33-2c

longer lowest liveliest Plymouth ever!



Here's the car you've been waiting to see... the '55 PLYMOUTH
—6'S and V-8, up to 167 H.P.



New Horizon full-wrap windshield wraps around not only at the bottom corners, but unlike ordinary wrap-arounds, also at the upper half where it really counts. Corner posts have a rakish, rearward slant emphasizing the flowing lines of the '55 Plymouth.

Unique rear deck treatment with graceful, fin-like rear fenders emphasizes the low, racy look of the sweeping Plymouth silhouette. Luggage compartment is big enough to hold a steamer trunk with room to spare!

New curved instrument panel with gleaming recessed dials has the look and efficiency of an airplane flight deck! The PowerFlite automatic transmission* Flite Control lever is mounted on the dash with other controls that are seldom used.

*Completely new ... every inch and every exciting line of it!*

There's the bright spirit of tomorrow evidenced in every line of the spirited new Plymouth for '55! For here's a car so refreshingly free of meaningless fads and frills ... so artfully styled, so slim, so taut ... you sense a feeling of forward thrust even when the car is standing still. And under the hood you'll discover silky-smooth power in new V-8 and 6-cylinder engines. Yes, from roof to road, from bumper to bumper, you've never seen so much that's new ... so much value! Be sure to see this eager new Plymouth on display at your Chrysler-Plymouth-Fargo dealer's!

*Manufactured in Canada by Chrysler Corporation of Canada, Limited*

*PowerFlite, power steering, and power brakes available on all models, and power window lifts and power seat on Savoy and Belvedere models at moderate extra cost.

Make it a date! Don't miss this exciting event at your Chrysler-Plymouth-Fargo dealer's!

The Premier of Alberta Hon. E. C. Manning, right of picture, was at the Edmonton airport to see Dr Hyman J. Apleman, left, and his assistant Rev. A. Earl Davis, depart for the United States. Dr. Appleman and Mr. Davis had just concluded a successful three-week evangelistic crusade in the City of Edmonton, to a record total of 85,000 people — *Picture Courtesy Edmonton Sun.*

## 70,000 Attend Evangelistic Crusade In Edmonton

EDMONTON — The effect of a three week Evangelistic crusade in Edmonton, conducted by Dr. Hyman Apelman was interpreted by the head of the Alberta government Premier E. C. Manning, as "the answer to my prayers".

The Evangelist had just concluded a successful campaign at the Edmonton sales pavilion, 70,000 people having attended. Dr. Appelman was assisted during the campaign by A Earl Davis as musical director and soloist.

Dr. Appelman is an American of Russian parentage. He was converted to Christianity while visiting Denver in 1925, and he attended South Western Baptist Theological Seminary in Fort Worth. He was ordained to the ministry in a Southern Baptist church in Lawton, Oklahoma in 1930, and held pastorates in Oklahoma and Texas until he was elected to the position of State Evangelist for the Texas Baptist convention from 1934 to 1942.

He has conducted city-wide meetings in many large cities in Canada and the United States, as well as Central America, Australia, British Isles, Mexico and has urgent invitations to conduct revivals in other countries throughout the world.

He saw over 3000 saved in one meeting and over 125,000 have accepted Christ through him.

The success of Dr. Appelman's campaign is obvious in this city and throughout the province, by the resurgence of religious feeling, and the larger church attendance. Numbers have already united with the local churches, several of them receiving more into their membership than in any entire year previously.

Reviewing the impact of the campaign the Queen's representative for Alberta, Lieutenant-Governor Hon. J. J. Bowlen said "I am heartily in favor of campaigns of this nature which I feel do a great deal of good to the whole community."

Premier Manning added "I have been praying for the revival of Christianity for many years and this is the answer to my prayers. Wherever I have travelled across the province both Christian and non-Christian people were talking of it."

The Evangelist himself was enthusiastic about the Crusade, and when boarding the plane said "Canadians are among the most responsive people in the world. The co-operation of the pastors and the churches was unbelievably good. The Lieutenant-Governor, Premier and the Mayor were most gracious in their commendations of the revival, of the singing, of the preaching and the impact on the city, and I appreciate them asking me to return."

### Why $50,00 A Year?

Why does the government pay the head of the Bank of Canada $50,000 a year biggest salary plum in the whole civil service?

The Financial Post answers its own question this way: "Running the Bank of Canada is one of the most important jobs in Canada. Operations of that institution affect the welfare of millions of Canadians. To handle responsibility like that the government must hire the most competent brains available, and equally important, once hired it must be able to keep them."

### Atomic Rays For Cancer

Britain's first telecobalt unit for cancer treatment was opened this week at Bristol General Hospital by Sir Ernest Rock Carling, Chairman of the Ministry of Health advisory committee on cancer and on radio-theraphy research. The unit was designed by the staff of the hospital and built at Cambridge University. It is said to be an improvement on existing units and does the same work as a 3,000,000 volt X-ray machine at much less cost and with less ill-effect on the patient.

### Wedding Bells

*McDONALD — KRAGNESS*

Paradise Valley United church was the scene of a very pretty wedding on Wednesday, Nov. 17 at 2 p.m. when Beatrice Louise, only daughter of Mr. and Mrs. E. L. Kragness, became the bride of Murray Douglas McDonald, son of Mr and Mrs. J. H. McDonald of Vancouver. The Rev D. D. Davidson performed the ceremony.

The bride entered the church on the arm of her father. She was charmingly attired in nylon net over an ivory satin strapless gown with lace bolero and fingertip veil, her only ornament being pearl earrings, a gift of the groom. She carried a bouquet of red roses and lily of the valley. Miss Laura Knutson of Edmonton, was bridesmaid, she was very pretty in Shrimp nylon net over taffeta with lace bolero and her bouquet was white and pink carnations.

Elaine Kobsar, cousin of the bride, was flower girl and her gown was nylon net over white taffeta and she carried a basket of flowers.

Mr. Stanley Wesley of Edmonton, was best man and Mr Robert Kragness, brother of the bride and Mr Herbert were ushers. The wedding music was played by Mrs. M Hoskins. During the signing of the register Barbara McDonald and Gloria Baxter sang "Oh Perfect Love," accompanied by Mrs. Hoskins on the organ.

For her daughter's wedding Mrs. Kragness chose a dress of navy blue crepe with red roses en corsage. Mrs. McDonald chose purple crepe and her corsage was also of red roses.

Following the service a reception for seventy-five guests was held in the church basement. The bride's table was laid with a white linen cloth belonging to her grandmother and was centred with a three-tiered wedding cake. Mr. R. McElhinney proposed a toast to the bride and the best man read congratulatory telegrams. Guests included Mr and Mrs. J. H. McDonald of Vancouver; Mr. and Mrs. Roy Mallard of Kerrobert Sask., a sister of the groom; Mr and Mrs. R. McElhinney anr Donnan and Miss Shirley Bromley of Edmonton.

In the evening friends of Mr and Mrs. McDonald were entertained at a wedding dance in the Paradise Valley hall. Music was supplied by Collins orchestra of McLaughlin.

The bride's going away suit was grey gabardine with black accessories. Mr and Mrs. McDonald will reside in Edmonton.

# THE VERMILION STANDARD

Vol. XLVI. No. 24. Vermilion, Alberta, Thursday, December 9th, 1954. 16 PAGES $2.00 a Year

Sponsored By The Board of Trade

## FARMERS' BANQUET ATTRACTS OVERFLOW ATTENDANCE

The annual Farmers' banquet held Monday evennig, Dec. 6th, highlighted by addresses by Mr. and Mrs. W. Earl Bowser who have recently returned from Pakistan where they spent a year on FAO work, attracted an overflow attendance. The numbers overflowed into ante-rooms of the parish hall as extra tables were hurriedly set by the caterers, the Happy Hour group of St. Saviour's church. A delicious turkey dinner preceded the addresses and slides.

This annual Board of Trade event is arranged by the agricultural committee of that organization, and the convener of that committee, Mr. Roy Walker acted as chairman for the evening.

Introduced from the head table were the guest speakers, Mr. and Mrs. W. Earl Bowser, Mr. Lou Bowser, well known and old time farmer of the district and father of the guest speaker, and Mr. and Mrs. W. Westerfield, brother-in-law and sister of the speaker.

The guests were welcomed by Mr. K. G. Urquhart, president of the Board of Trade, and by Deputy Mayor George Webb.

The chairman, Mr. Roy Walker, told of the recent trip of the group of Vermilion people to the Royal Winter Fair at Toronto, touching on the many fine agricultural displays, especially livestock, witnessed there.

The guest speaker, Mr. W. Earl Bowser, senior soils specialist of the Dept. of Agriculture, was introduced by Mr E. H. Buckingham. A man who spent his early years in Islay and Vermilion, a graduate of the V.H.S. and a teacher in the district years ago, he is well and favorably known, and this was clearly demonstrated by the larger than usual attendance.

Mr. Bowser was a member of the six-man team sent from Canada by the F.A.O. ("Food and Agriculture Organization.) This team spent more than a year in Pakistan, the purpose of their visit being to help solve agricultural problems, save the soil, and to bring the country up to a status of being able to feed its own teeming population.

In order to enable his audience to better understand the problems involved, Mr. Bowser gave a brief history of the Pakistan peoples, the geography of the country, and the climate, all of which have a direct bearing on the work of the F.A.O. team.

The F.A.O. project was to find ways and means of reclaiming salt land, and of developing a year-round supply of moisture for irrigation.

Many countries and many organizations have joined forces to help solve the problems of nations which need aid to bring them to a point where they can feed themselves.

The more fortunate nations have united to help the less fortunate, as with modern means of transportation and communications every man is your neighbor. A second thought is that we Western peoples need all the friends we can get, regardless of color or creed.

The Pakistan people are not poor heathen natives, they are a deeply religious people: they have grown up and the age of the common man is in the making in Asia today. These teeming millions can be friends or foes, depending on what we do for them. It is true that there is a great preponderance of poor people but they are human beings.

The Pakistan people, mostly Moslems, are a deeply religious people, and as Communism is anti-religious they are prepared to take their place on the side of democracy — but as partners, with us.

While these were the thoughts underlying his talk, Mr. Bowser also dealt specifically with the actual work done while in Pakistan, and how the team went about accomplishing it. Their plan of irrigation is now being carried on by a second F.A.O. team, as well as the work started on reclamation of salt land. After another year it is hoped that the Pakistan engineers and agricultural officials will be able to carry on alone with funds provided by the western countries. Canada alone will provide 40 million dollars to carry on the work started.

Mr Bowser, who told his story in a vibrant, interesting manner, closed with these thoughts: Remember, he said, that these people need help badly. Secondly, the East is on the march; what was started under British rule 150 years ago is continuing. What they do will affect us, economically, industrially, socially. Thirdly, when you look at these people you can say "there, but for the grace of God, go you and I."

Following this address, Mrs. Bowser gave a brief resume of her impressions of the East, as well as mentioning some of the beauty spots on the trip, such as passing over the Swiss Alps. She commented on the leisure of the East in contrast to the hustle of the West. She told of many interesting features of the every day life, foods, weights and measures, money, of shopping with no knowledge of the language.

Mrs. Bowser had on display samples of handicraft done by the Pakistan peoples and these attracted much attention, especially from the ladies present, and were remarkable for their preciseness, beauty of the work and quality of material used.

Slides shown gave all a further insight into this Eastern and ancient country.

At the conclusion appreciation felt by everyone present was suitably voiced by Mr. N. N. Bentley to Mr and Mrs. Bowser.

## Olga Ulan Wins S.D. Medal In Vermilion

The Governor General's Medal for the Vermilion School Division was awarded to Olga Dorothy Ulan. This award indicates that she received the highest aggregate mark in all subjects written in the June grade IX examinations of 1954. Olga Ulan attended the two room school at Blackfoot, Alberta, where Mr. Nelson Robison is the teacher.

In addition to receiving the Governor General's medal for the highest standing in the Vermilion school division, Olga received two other awards. One was the Dr. Henry Munro Memorial Award, given to the student in the province receiving the highest mark in social studies. This was a cash award of $25.00. She has also earned the Dr. Kerby Scholarship Award. This is a $50.00 award given by the Alberta Federation of Home and School Associations.

Olga Ulan is fourteen years of age and is the daughter of Mr. and Mrs. Harry Ulan of Blackfoot. She attended the Flowerdale school for her work in grades 1 to 8. She has started her high school training at Kitscoty, where she is enrolled in Grade 10.

## Quota Increased

Effective December 10th there will be a two bushel per, specified acre increase in the delivery quota for Vermilion delivery points.

## Curling Enthusiasm High At Derwent

DERWENT—The curling season is rolling around again and enthusiasm is as strong as it has been in any previous year in this village. With the curling rink connected to the water line this year, ice-making is underway and should be completed by the end of this week providing the weather becomes a little more wintery-like.

At a recent meeting held in the curling rink a new slate of officers was elected for the coming season. They are as follows:

President Steve Zazulak
First Vice—Elias Podealuk
Second Vice—John Bykowski
Sec.-Treas.—Steve Wysocki.

The date for the men's open bonspiel for this season has been set for the first week end in February, namely Feb. 4, 5 and 6.

## Kitscoty Legion Elects Officers

KITSCOTY. — Following is the slate of officers elected at the annual meeting of the Kitscoty branch of the Canadian Legion B.E.S.L. No. 158, held on December 2nd, 1954.

| | |
|---|---|
| President | L. E. Speelman |
| 1st Vice-President | R. E. Gray |
| 2nd Vice-President | L. E. Watt |
| Secretary | A. F. Batty |
| Treasurer | R. S. Pidcock |
| Member of the Executive | C. W. Miller |
| Entertainment Convener | K. C. Gray |
| Property Convener | T. Alton |
| Sergeant-at-Arms | H. O. Lenz |

Meetings will be held as usual on the first Thursday of every month at 8:00 p.m.

## Interest Grows In Moses Subdivision

### Council Meets

A special meeting was held in November with Mayor S. C. Heckbert and Crs. M. Hill, D. R. Mitchell, H. J. Payne, G. W. Sutherland, K. G. Urquhart present. Absent Cr Geo. C. Webb.

Correspondence: Vermilion Curling club re parking lot; Can. Fed. of the Blind re financial assistance; Imperial Oil, McColl Frontenac and Nicholas Rowe re Moses Subdiv.; Towns of Provost, Tofield and Vegreville re District Municipal convention.

Mr Adams, representing North Star Oil, requested permission to purchase Lots 9 to 14, Blk 34 for the erection of a service station. He was requested to submit plans and specifications of the building for consideration.

The following motions carried:

Payment of $2000 be paid to the Ackerman Construction on well account.

That permits for the following buildings be granted J Kinney, Lots 15 and 16 Blk. 28, garage, $150, Wm. Pettigrew, Lots 7 and 8, Blk A, garage $350, Alex Marian Lot 4, Blk. 47, garage, $400; Bernard Bauer, Lot 17, Blk. 28, garage, $500.

### Gopher Suffers From Insomnia

Mr and Mrs. George Dyck while hauling hay from the Joe Payne farm south-east of town, were surprised to see a gopher on top of one of the coils of hay, industriously eating seeds. Whether the little fellow was like the improvident grasshopper, or if he was just the victim of insomnia is open to conjecture, but there he was very much awake and evidently hungry already.

## C.G.I.T. Candle Light Service

The Canadian Girls in Training will hold their annual Candle-Lighting service in the United church on Sunday Dec. 12 at 7:30 p.m. An invitation is extended to everyone to attend this beautiful and inspiring service.

### Police Court

On November 8th in the police court at Vermilion, His Worship Magistrate Bosler acquitted William Roots on a charge of carrying an offensive weapon concealed on his person. F. J. Richardson, Q.C. acted for Mr Roots.

### ANNUAL MEETING VERMILION BRANCH OF RED CROSS

The local branch of the Canadian Red Cross will hold its annual meeting in the school division office on Friday evening, Dec. 10 at 8 o'clock. 23-4x

## Esk-O-Shmo Ball Is Highlight Of High School Week

Friday, Dec. 3 the House of Service played host to the rest of the high school and V.S.A. at their Esk-O-Shmo Ball. The theme was that of the recent Grey Cup game.

The armories was appropriately decorated with colors of green and gold and murals of football scenes. At one end of the hall was the 'bar' which was open most of the evening, while at the other end was the teachers' table and the punch bowl.

After lunch the last five minutes of that thrilling Grey Cup game were replayed. The line-ups were as follows: Service Esk-O-Shmo's Madwoman Vilan Miles, Punting Puckett Parker, Panther Alice Prather and Bonebusting Barbara Barry led by their captain Rhea the Wrecker Keyes. Alouettes Awkward Cooper O'Quinn, Hopeless Joan Hunsinger and their captain Itchy Lynda Etcheverry. The announcer was Heartless Hemmingway while the referee was Fearless Frizzell.

The Esk-O-Shmos of course, won, and following the game Miss Grey Cup Loretta Louise Long and her attendants Buttercup Coyne (Miss Alouette) and Violet Ford (Miss Eskimo) made their grand entrance. Miss Long then presented the Grey cup to the captain of the Esk-O-Shmos.

Basketball has begun again and the house league and 'A' teams are going full swing. The two basketball tournaments which were to have been held in Wainwright and Vermilion have been cancelled with the possibility that they may be held after the New Year.

Friday afternoon the grade 11 and 12 students were honoured to have Mr G. Filion, editor of 'Le Devoir' in Montreal, as a guest speaker. Mr Filion has travelled widely and his information and pungent wit were appreciated and enjoyed by all.

Christmas exams start next week so don't be surprised if you see some students carrying books home or staying in one or two nights next week.

## Engineers Visit Vermilion Plant

Approximately 100 engineers from B. C., Alberta, Saskatchewan and other provinces, visited Vermilion Friday to inspect the new gas turbine generator, first such generator installed in Canada.

The engineers were guests of Canadian Utilities Ltd., which operates the plant here where the new machine was installed and commissioned last Friday.

Many technical aspects of the gas turbine were studied with Roy Nurse, production superintendent; J. V. Kneale, chief engineer at the plant, and J. N. Ford, chief engineer, acting on behalf of the Canadian Utilities Ltd.

Among the engineers attending were: A. A. Bishop, assistant superintendent for the Calgary city power department; J. L. Reid, secretary of the Alberta Power Commission; R. S. Griffiths, vice-president, Brown Boveri Company; D. H. N. Grace, director of research council of Alberta, R. R. Heath, superintendent of the Saskatchewan Power Commission; G. A. Vandervoort, chief operations engineer for the B. C. Power Commission, and C. Z. Monaghan, superintendent of the Edmonton light and power department.

## H. & S. Discuss School Hours, Vitamin Pills

A very well attended meeting of the Vermilion Home and School Association was held in the Junior high school. Following the opening exercises a report was given by Dr. D. Hanlan on the first meeting of the Buffalo Coulee Home and School Association, which he and Mr. E. Clendenning had attended. The new association appears to be off to a good start and should prove an asset to that community.

About 8 members of Mannville H. & S. were welcomed following disposal of routine business.

Some discussion arose from the question of distribution of vitamin pills in the schools with no concrete results. Dr. King felt that a system of temperature and humidity controls would perhaps be more beneficial to the children.

ONE HOUR FOR LUNCH

Another topic that received much consideration was the question of the changing of class hours. One hour for lunch with the students dismissed at 3:30 p.m. was the suggested change. It would appear that this change would be very beneficial to the farm children who have to come some distance on the bus. It was pointed out that some other school divisions hold classes from 9:30 a.m. to 3:30 p.m. during the winter months, so since a trial period of ten weeks was suggested the majority of those present felt that some action was indicated. A motion to that effect was made by Mrs. Curtis and seconded by Mrs Stevens.

The members will be pleased to learn that since the meeting the school board has approved the one hour lunch period with dismissal at 3:30. The new hours will be effective commencing with the new term on Jan. 4.

As a result of the shortened noon break it was moved by Dr Lynn and seconded by Dr Hanlan that a suggestion be forwarded to the school board that school buses be operated at the noon hour to accommodate those school children living at quite some distance from school but who did not carry their lunch. This would be welcomed by children on the South side especially.

The chairman Mr Clendenning expressed the regret felt by all that the Rev D. A. Ford would be leaving Vermilion in January to reside in Calgary.

The film of the evening was "Overcoming Fear". This film brought out the fact that most young people are beset by fear of one kind or another. Ways of overcoming this were suggested. A short discussion period followed but due to the amount of time devoted to other topics at this meeting it was deemed advisable to dispense with the usual smaller discussion groups for this time.

Before the closing exercises Mr Novak of the Junior high school was presented with the attendance shield for the month. Lunch followed.

### Favor Water And Sewer, Kitscoty

Kitscoty ratepayers voted in favor of installing water and sewer services in the village. The plebiscite was held on Nov. 29th and was approved with a good majority.

### TURKEY SHOOT

The annual turkey shoot sponsored by the Air Cadets will be held in the armories on Saturday Dec. 11 commencing at 1:30 p.m. Win your Xmas turkey this way. 23-4x

## Young People Of The District Will Be Featured In Variety Show

Something entirely new and which promises to be very entertaining, is the Variety show sponsored by the Canadian Legion Post 11 and which features young people from a wide district.

The program will be presented in the armories Friday Dec. 10 commencing at 8 p.m. and the two hour program is supplied by young people from Vermilion, Mannville, Derwent, Islay and Borradaile. The acts have all been rehearsed.

Chorus numbers will be presented by six Vermilion high school girls, Connie Harle, Margaret Goodwin, Ruth Beatty, Anne Stewart, Barbara Green and Sue Carmichael.

A solo selection by Betty Proudfoot of Mannville, comedy songs by Doreen Gerhart and Norma McLuckie of Mannville. There is a group of minstrels from Islay including Bill McLean, Harry Young, Frank Young and Jack Bauman with Ivan Inman as accompanist.

The Derwent orchestra directed by Fred Stuparyk will play western music, accordian numbers will be played by Mary Hall and Bernice Romanchuk.

Leaving the musical numbers, Mrs. Dot Crockford and Robert Carmichael Jr. appear in a tap dancing act; Mrs. Min Williams and her brother Jack Caro of Borradaile will present some acrobatics; Mrs. Rae Curtis will give a monologue and skit.

Accompanist for the evening is Miss Jean Kibblewhite. Miss Doris Salisbury is in charge of make-up and costumes.

It all adds up to a very entertaining evening and it is expected that there will be a full house in the armories that evening. Admission is only 50 cents for adults and 25 cents for students. 23-4

## 4H TURKEY CLUB SHOW AND SALE

On Wednesday, December 15th the Vermilion 4H Turkey Club will hold their annual Show and Sale in the Elks hall. About 25 members of this club will exhibit live turkeys and dressed turkeys. Then at 2:00 p.m. the auction sale will start when about 200 dressed turkeys will be sold to the highest bidders.

This is a good time for Vermilion and district people to pick up their Christmas turkeys.

## Change School Hours For New Term

New school hours will go into effect in town of Vermilion schools when the new term opens on Tuesday, January 4th. The noon hour will be just that—one hour—school re-convening after the lunch hour at 1:00 p.m. instead of 1:30 as previously. School will be dismissed at 3:30 p.m. instead of 4:00 p.m. as now. This will be given a ten weeks trial but if it proves satisfactory will be continued.

### TURKEY BINGO

Have fun, save money by winning your Xmas turkey at the hockey club bingo in the Elks hall on Wednesday, Dec. 15 starting at 8 p.m. 24x

### Christmas Vacation for Schools

Schools will close at 4 p.m. Thursday, December 23rd for the Christmas vacation, and will re-open on Tuesday, January 4th at 9:00 a.m.

## Talk On "Quebec" Greatly Enjoyed

The Canadian Club had as guest speaker on Friday, Dec. 3, Gerard Filion, editor of 'Le Devoir', a noted Montreal independent newspaper, who took as his topic 'A Look at Quebec". The speaker reviewed the habitant from the time when he clustered near his church and parish priest to his present day independence, a follower of St. Laurent at Ottawa and Duplessis at Quebec. The habitant is fearful of the predominating English and regards Ottawa as a protecting wall and clings to Duplessis as the only man who understands his simple needs and requirements. Quebec had its roots deeply imbedded in agriculture in days gone by but now the province is becoming highly industrialized, industry providing his living instead of the farm. The clustered villages have disappeared and the parish priest is no longer his letter writer. There has been a marked change in the school system. English is taught wherever there are English speaking pupils. French is the dominant language, but the most cordial relations exist with the English speaking people.

A large percentage of the young people are as conversant in English as in French. Conversations can often be heard between two people, one speaking in French and the other answering in English.

The laws of France followed the early French settlers and have continued in some forms to the present day but Quebec has similar enactments to the English speaking provinces. The distinctions between the two races are disappearing; there are no marked differences and this has come about largely because both elements of the population are becoming as fluent in one language as in the other.

The address was very informative as it gave the Club a fresh appraisal of the relation between Quebec and the English speaking people in Canada.

A hearty vote of thanks was tendered the speaker. His address was interesting and enlightening and was appreciated by the gathering.

Mr. J. W. G. Morrison, President of the Club, presided.

## Many And Varied Activities In Life At The V. S. A.

November mid-term tests have been completed and the Xmas examinations are next with the fall term scheduled to close Wednesday evening, Dec 22. In spite of the keen interest in a variety of extra-curricula activities classroom work does dominate the scene and everyone is interested in learning just which students will qualify for the academic awards based on Xmas tests for students having first class honors.

BUDGET TOTALS $1406

The Students' Council has completed its organization and adopted a budget to cover expenditures totalling $1406 which sum is distributed fairly equally between the Students Council and the Social, Literary, Athletic and Gym committees. The Social committee appropriation exceeds each of the others only because it includes provision for lunches for the Saturday night parties — but who would want to do without lunches?

SCHOOL ORCHESTRAS

Current interest is running high with regard to school orchestras. The general plan is to have three orchestras to share responsibility for providing dance music at the Saturday night parties. A feature of current prospects is the number of brass instruments available. Last Saturday night there were 3 saxophones, a trombone and a trumpet as well as piano and drums in one of the orchestras. With Mr. Jack Brown assisting in the organization and coaching of the budding musicians valuable training and good music for the parties is assured.

In addition to the V.S.A. student body and staff high school students and any former V.S.A. students are invited to attend these Saturday night parties. The general public will have an opportunity to attend the two major events sponsored by the Literary committee, namely play night and the operetta.

The schedule of events for the remainder of the term includes:

Dec. 11 — 'Y' 2nd Yr. Competitive Lit; Dec. 18 — Barn Dance; Jan. 8 — Masquerade Party; Jan. 15 — Two-in-One Lit; Jan. 22 — 'X' 1st Yr Lit; Jan. 29 — 'Y' 1st Yr. Lit; Feb 5 — Athletic Night; Feb. 12 — Boys' Dance; Feb. 19 — Play Night, Feb. 23 — Public Speaking Contest; Feb. 26 — Square Dance Party; Mar. 4 — Alumni Re-union; Mar 12 — Operetta

*CHRISTMAS CAROLS—*

In view of the forthcoming carol service on Sunday, Dec 19 the Standard is publishing a series of articles on "Carols, their origin and history". These are being written by Mr Jack Brown choir leader and organist.

# Post Office Staff Asks Co-operation

Dear Postal Patron:

As you can imagine, we in the post office have been planning for months to ensure on time delivery of Christmas mail, and based upon past experience must rely more and more upon your co-operation.

The principal causes of delay and non-delivery are late mailing, insufficient addressing and poor packing.

If you figure how much additional mail you send at Xmas and multiply it by every other mailer it will give you a rough idea of our problem.

This means the regular trained staff has to be augmented by untrained help who cannot be expected to know the correct postal address of every patron; thus insufficiently addressed mail handled by them must be placed on one side to be looked up later.

May I, on behalf of my staff, solicit your co-operation in:

Mailing Early — Please note the deadlines quoted in our "Early Mailing for Christmas" leaflet.

Addressing Fully — to Street Number, Box Number, R.R. Number or General Delivery, as per sample hereunder —

Mrs. John S. Jones,
P. O. Box 1700,
BLANKTOWN, Alberta.

May I suggest this year you include your full postal address on your letters and cards.

To ensure that the mail you post this Xmas is delivered promptly and properly, will you please follow the deadline mailing dates and other mailing tips outlined in the "Early Mailing at Christmas" leaflet now being distributed to all postal patrons.

Thank you for reading this message which is being sent to you through the courtesy of the Standard, and I feel sure I can rely upon you for your co-operation.

Sincerely,
Don Taylor, Postmaster.

P. S.: No doubt you are aware there are several families in most areas with the same surname, and unless we have the correct Box number mistakes are bound to occur.
P.M.

# Editor Norton On Gas Turbine Installation, Vermilion Park Lake And Other Things

*(From the Vegreville Observer)*

"Last Friday, Nov. 26th we poked along to Vermilion in company with Bob Kelly and Steve Hawreliak of the Canadian Utilities. It was a lovely fall day just cool enough to be pleasant. Bob was an expert pilot and we enjoyed every minute of the drive, something we rarely do.

In this connection we wish to say a good word for Highway 16 between Vegreville and Vermilion. We have had lots of nasty things to say about 16 before this and may have more later on, but just now the turnpike between Vegreville and Vermilion could not be better. Hon. Gordon Taylor will take notice of this for it is very seldom that poor Mr. Taylor gets a kind word.

Arriving at Vermilion Bob drove straight to the Utilities plant just north of the town. Here we saw quite a number of old Vermilion friends including Ashley Cooper. Looking out over the vast expanse of Vermilion's new lake we asked Ashley if this was the famous future pleasure resort of Alberta. He said it was and invited us for a trip on the lake when he gets his [illegible] yacht. The invitation is to sail up the Vermilion to Vegreville and thence back home catching innumerable fish, whitefish, sturgeon, [illegible] pike and suckers on the [illegible].

There were ceremonies and speeches at the plant, then the new turbine was put into operation. It was quite an occasion.

Our ignorance of these matters is profound, nothing could equal its depth but we assume that the new unit will be proficient and that barring a hurricane or other act of God we will have plenty of power to carry us along for some time. Like most users of electric power we are not concerned so much in its production as in its results and costs.

Leaving the plant about 5:30 the good people repaired to the Legion hall for a banquet. It was a pleasant occasion with a lot of speeches all mercifully short.

We always listen with great interest to such speeches. True, we don't hear them but will bet that we are no worse off than 90 per cent of the rest of the audience who hear the words, which go in one ear and out the other with nothing in between to stop them. Anyway it was a good banquet and under Bob's skillful pilotage we got back home at 10:45 right side up.

There may be a story elsewhere in this issue for Jack Deakin, the ubiquitous writer for the Edmonton Journal was there and we may steal some of Jack's thunder — not for the first time. After all, the son of a gun has nothing else to do." — Vegreville Observer

This paper does not hold itself responsible for opinions expressed by correspondents

Vermilion, Alberta.
Dec. 6, 1954.
Editor, Vermilion Standard,
Vermilion, Alberta.
Dear Sir,

Just one thing I would like to add to the letter last week by "Moderationist" is that if the citizens of the town and district feel that a beer hall is a fitting living memorial for those who served then all good and well. If not, then put a stop to the granting of the license before the advertised time limit expires.

Thanking you, I remain,
Yours sincerely,
[illegible]

## BREEDING GROUND

YOUR GOVERNMENT BUILDINGS IN ALBERTA

The Department of Public Works was organized in 1906, about a year after Alberta was formed as a Province. Its functions today are divided into two categories, the construction and the maintenance of public buildings. Construction includes planning and supervising the erection of large buildings and the actual construction work on smaller projects. Maintenance covers a wide variety of activities, including the manufacturing and repair of office furniture, cleaning and maintenance of government buildings, care of grounds, the maintenance and servicing of government vehicles.

By the end of 1953, the Department held ownership, in the name of the Minister of Public Works, to 871 buildings throughout the Province. These range from such impressive structures as the Legislative, Natural Resources and Administration Buildings in Edmonton to modest forestry cabins scattered through the western and northern sections of Alberta. The Agriculture schools, the Institute of Technology and Art in Calgary, the Sanitoria, Court Houses and Titles Offices, Jails, Mental Hospitals, Treasury Branches and Liquor Stores are other examples of public buildings coming under the jurisdiction of the Department.

Within the past few years the Department has adopted a policy of centralizing Alberta Government offices for the convenience of the public. This is being carried out with the construction of "Provincial Buildings" in many towns and smaller cities throughout Alberta.

Construction work by the Department today is usually confined to institutions and smaller undertakings, while the larger projects are handled by tender. In certain cases, key craftsmen are sent from Edmonton, and other necessary labor is hired locally.

During 1953, the total expenditure for buildings and maintenance by the Department totalled $10,467,084. Of this sum, about 71 percent was for construction, 23 percent for maintenance, and six percent for furnishings and equipment. Over the years 1948 to 1953, the amount expended on construction was $32,708,000, for maintenance $11,286,000, with $322,578 spent on furnishings and equipment. The total for the six years was $47,216,480.

These expenditures provided and equipped many public buildings for which an urgent need had long been apparent, and included Provincial Buildings at seven Alberta centres, Engineering Building, Rutherford Library and Students' Union Building at the University of Alberta, the Fairview School of Agriculture, Aberhart Memorial Sanitorium, Alberta Office Building, Calgary, Civil Defence Building, Edmonton, Cancer Clinic, Cerebral Palsy Clinic, New Land Titles' Building and the Administration Building also located in Edmonton.

Under the Maintenance Branch of the Department comes a large number of carpenters, electricians, plumbers, caretakers and groundsmen. The Carpenter Shop turns out about $10,000 worth of furniture for government offices each month. The Paint Shop maintains a staff of 31 persons while about 12 men are employed in the metal shop of the Department. Fourteen plumbers are responsible for the maintenance of plumbing and heating in Government buildings, and about 20 electricians, apprentices and helpers are required to carry out wiring on new construction as well as to maintain and repair wiring in existing offices.

The Department of Public Works employs about 942 people for the construction and maintenance of Alberta government buildings scattered throughout the Province. Upon them falls the responsibility of providing public buildings and giving these buildings the care they require.

# The Origin And History Of Christmas Carols

By JACK BROWN

Carols are songs with a religious impulse that are simple, hilarious, popular and modern. They are generally spontaneous and direct in expression, and their simplicity of form causes them sometimes to ramble on like a ballad. Carol literature and music are rich in true folk poetry and remain fresh and buoyant even when the subject is a grave one.

But they vary a good deal. Some are narrative, some dramatic, some personal: a few are secular, and there are some which do not possess all the typical characteristics. Simplicity, for instance, was often lost in the conceits of the Jacobin poets, who yet wrote some charming carols. Hilarity also has been sometimes forgotten or obscured in the past.

The word "carol" has a dancing origin: it may go back through the old French "caroler" and the Latin "choraula" to the Greek "choraules" and ultimately to the "choros" which was originally a circling dance. The carol, in fact, by forsaking the timeless contemplative melodies of the church, began the era of modern music, which has throughout been based upon the dance. But nonetheless, joyfulness in the words has been sometimes discarded by those afraid of gaiety. Some French carols were re-written by well meaning clergymen into frigid expositions, edifying theology. Some of the English tunes were used by Methodists of the eighteenth century to preach their favorite doctrines. Before their time the British tendency had occasionally shown itself in the Folk Carol. But even in such cases the dancing tunes remained, happily, to belie the words; and in France, behind the ecclesiastical propriety of modern noels there lurk many carols to bear witness to the spirit of a more spontaneous and undoubting faith.

The typical carol gives voice to the common emotions of healthy people in language that can be understood and music that can be shared by all. Because it is popular it is therefor genial as well as simple, it dances because it is so Christian, echoing St. Paul's conception of the fruits of the spirit in its challenge to be merry — love and joy come to you. Indeed, to take life with real seriousness is to take it joyfully, for seriousness is only sad when it is superficial: the carol is thus all the nearer to the ultimate truth because it is jolly.

So, on the other hand, the genius of the carol is an antidote to the levity of much present-day literature, music and drama, made by men who are afraid to touch the deeper issues of life because seriousness is associated in their minds with gloom: for its jubilant melodies can encircle the most solemn of themes. Carols, moreover, were always modern, expressing the manner in which the ordinary man at his best understood the ideas of his age, and bringing traditional conservative religion up to date. The carol did this for the fifteenth century after the collapse of the old feudal order, and should do the same for the twentieth.

The charm of an old carol lies precisely in its having been true to the period in which it was written, and those which are alive today retain their vitality because of this sincerity: for imitations are always sickly and short lived. A genuine carol may have faults of grammar, logic and prosody; but one fault it never has — that of sham antiquity.

Because the carol was based upon dance music, it did not appear until the close of the long puritan era which lasted through the dark ages far into the medieval period.

(The second article will appear next issue).

## By Your District Agriculturist

# "GREEN ACRES"

GROWING ROSES

Although this subject is unseasonable just now it is a good time to make plans for next spring. I have just received a new booklet on "Growing Roses". Get a copy from this office. Rose bushes should be ordered early as the supply of the hardy varieties runs out before spring.

SOIL CONDITIONERS

For several years now soil conditioners have been on the market. After many trials the Experimental Farms Branch reports that no significant increase in yield has occurred where soil conditioners were added to the soil. It would appear that it is only wasting money in buying conditioners for use on soils in this area.

THE BULL POLICY

Several farmers have bought bulls under the Cattle Improvement Policy lately. Farmers can get a 15% discount on their bulls if bought under this policy. You can pick your own bull then come into this office and make out an application form. Do not take the bull home until he has been inspected on the seller's place. It is a good time to get a bull calf and raise him yourself.

MEAT IN DEEP FREEZERS

Recent tests show that meats frozen for 3 months were off flavor. After 6 months a staleness was noted while after 9 months off-flavors had developed.

USING D D T

Many people are jittery about the use of D.D.T. for control of insects in the vegetable garden. D.D.T. is a poison of course and it should not be sprayed directly on vegetables for immediate use. The director of Production Services in Ottawa has announced that even abnormal exposure to D.D.T. to humans or animals has no effect on the health. It is well known that D.D.T. is stored in the body but the Department of Agriculture now assures us that there is no danger of it causing any ill effects on our health.

FEEDING STILBESTROL

At Iowa State college they discovered that the hormone 'Stilbestrol' when fed to feeder cattle increased the gain in weight by 35 per cent and the cost of gains was reduced by 20%. This product will be included in commercial feeds and supplements in United States soon. It will not likely be long until it will be on the market in Canada.

# Bowtell Bulletin

Once again our column is saddened by the sudden deaths of two well known citizens Duncan Carey and L. L. Kehoe. The deepest sympathy of the writer and the community is extended to the sorrowing families in their bereavements.

Mr and Mrs Jones were pleased and surprised Wednesday to have Mr and Mrs. Fox of Unity Sask visit them.

Mr and Mrs O Repp were the guests for a goose supper at the Robinson home on Sunday. Dinner guests Sunday at the Jones home were Mr and Mrs C Hobbis.

Mr and Mrs Joe Payne and daughter Mary were visitors to Edmonton on Monday.

Mr and Mrs Tom Sherwood and Beverley enjoyed a visit Wednesday at the home of Mr and Mrs Wm. Waterfield. You have a lovely home Lila.

Leslie Sherwood, Jack Bowman and Eric Nelson left Wednesday morning for the bush country.

Mrs Williams and Kathleen Payne have both had the misfortune to sprain their ankles.

Two wedding anniversaries. Mr and Mrs F Williams celebrating their 9th on Dec 3 and the writer and husband their 21th on Dec 1.

Only 11 attended the service at Pleasant Valley on Sunday. The next a carol service will be held Dec 19. If the weather is below zero this service will be held at the home of Mr and Mrs Tom Sherwood.

Everyone is sorry to learn that the Rev. Ford will soon be leaving but the best of wishes accompany the family to their new location in Calgary.

Weather still continues very fine with temperatures above normal. Just for a little variety and to provide a Christmassy look snow to a depth of 1.8 inches fell early Wednesday morning. Vermilion was practically on the edge of this snow fall as two miles south there is no snow.

Mild temperatures are delaying ice making in both rinks with very little headway being made in either one.

THOSE WERE THE DAYS

# Miss Stella Buksa Married In Double-Ring Ceremony

A lovely wedding took place in the United church at Mannville on Friday, Nov. 26 at 1:00 o'clock in the afternoon when Stella Buksa daughter of Mr and Mrs Dan Konoevich and Arthur Bauer son of Mr and Mrs. Charles Bauer all of Mannville were united in the holy bonds of matrimony.

The Rev. Ian Holter performed the double-ring ceremony.

The bride, given in marriage by Mr D Kosonevich was lovely in a floor-length gown of white lace over satin. Her floor-length veil was held in place by a coronet of pearls and sequins. Her jewelry consisted of a three-strand pearl necklace and earrings gifts of the groom. She carried a bouquet of pink roses and white carnations.

She was preceded down the aisle by three attendants. Elsie Kulmatyski chose a gown of mauve net over satin with matching headdress. Eunice Bury wore a gown of shrimp net over satin with matching headdress, and Adeline Poliakwiski chose a gown of pink net over satin with matching headdress. Their bouquets were carnations and roses.

Little Miss Elaine Kulmatyski was flower girl and wore a floor-length gown of pink net over blue taffeta with matching wreath in her hair and carried a nosegay of roses and carnations. The ring-bearer was Gordon Watling.

The groom was supported by Walter Bauer, Steve Buksa and Donald Lawrenceson.

The bride's mother chose for the occasion a white nylon blouse and grey skirt. She wore a corsage of white carnations. The groom's mother wore a black dress with matching accessories and wore a corsage of white carnations.

A reception was held at the bride's home for three hundred guests. The bride's table was centred by a three tiered wedding cake baked and beautifully decorated by Mrs. Ernie Bauer.

Mr James McDonald of Vancouver proposed a toast to the bride, the groom ably responding.

Later in the evening a wedding dance was held in Mannville with the Star Melody Aces supplying the music. The happy couple spent a short honeymoon in Edmonton.

Out of town guests included the bride's sister and husband Mr. and Mrs James McDonald of Vancouver, B.C., Mr. and Mrs. Carl Bauer of Calgary, Mr. and Mrs. John Bauer of Edmonton, Mr and Mrs. Henry Kulmatyski and family of Innisfree, Mr. and Mrs. Paul Kulmatyski of Edmonton and Mr. and Mrs. George Lewis of Edmonton.

## Wildwood

Mr. Marshall Stone walked down to visit Mr. and Mrs. John Rhompage one day last week and a few days later, still on shanks' ponies, he went to visit at the C. N. Jeffery home.

Mr Ernest Jack is enjoying (?) a bout with the mumps.

Miss Alberta Drysdale is visiting her sister Mrs. Tom Stoddart at present.

Mr. and Mrs. Alfred Jack and Beverlie accompanied by Mesdames Ernest and George spent a few days in the city last week.

Miss Betty Stone went to Edmonton for the week end.

The ladies of Wildwood held the regular monthly meeting Thursday with Mrs. Norman Bowen.

Miss Doris Jack spent a few days with her sister Eileen who is a teacher in training in Edmonton.

Mr. Roy Sholdice spent a few days under the parental roof recently.

Mr. and Mrs. E. J. Hearty have returned from a holiday trip to Edmonton, Lethbridge and Cardston.

Messrs. Bob Stone and Alfred Nelson made a hasty trip to the capital last week.

Mr. and Mrs. Ernie Edgar spent the week end with her sister at the Ernest Jack home.

Mr Alfred Nelson is kindly choring for G. D. Jack this week.

Messrs. George Jack and Karl Marklund are delegates from the F.U.A. local here to the farmers' convention in Edmonton.

## The World of Wheat

*By W. G. MALAHER,*
*Director, Research Department,*
*Searle Grain Co. Ltd.*

There continues to be a keen interest in estimates of the Western Canadian crop, especially as they relate to wheat. In the early days reliance had to be placed very largely on private estimates and some individuals became very well known for the very accurate forecasts of yield they were able to make as crops approached maturity. But it is also true that in the absence of official estimates, private forecasts, at times proved to be unduly optimistic or pessimistic and these unfortunately, had a tendency to undermine public confidence in the reliability of crop estimates in general.

For some years now the Dominion Bureau of Statistics has issued at intervals each fall several successive estimates of production beginning about Aug. 1, and these official estimates have been welcomed as a check on those made by the trade as well as by the press. Since all crop reporting agencies follow essentially the same method in securing information respecting yields, the various estimates are, by and large, quite uniform, especially as the season draws to a close.

This year, however, so rapidly did crop conditions decline that early estimates became out of date within a matter of days. But such a situation is very unusual and in the long run improvements in forecasting weather and probable damage from rust and other diseases, will enable those responsible to correct early estimates for factors, the full import of which it is now difficult to assess early in the season. This, of course, will make for greater accuracy than was possible in an abnormal year such as we have just experienced.

## More Cars Junked

A record 135,733 motor cars went to the junk yard last year, estimates The Financial Post; twice as many as the year before and 60% higher than previous peak, in 1950.

# Dewberry Ladies Meet

The Dewberry Ladies Aid held their December meeting at the home of Mrs. V. Deanill. There were 11 members and 3 visitors present.

The meeting opened with a Xmas hymn followed by the Lord's Prayer. Mrs. J. Porter read from the Bible and Mrs. Munroe read 'The Upper Room'.

Sunshine Lady reported sending a card to one of the members, Mrs. W. Young. She is in the hospital in Lethbridge having undergone an operation. A very speedy recovery is wished her by all.

The chicken supper and bazaar was the most successful effort made for some time and the ladies extend thanks to all who donated so generously.

A special thanks to Mr. Berg and Mr. Vincent, the films were educational as well as interesting.

The annual meeting of the W.A. will be held in January at the home of Mrs. Fred Braithwaite.

The meeting closed with the Benediction followed by the singing of 'Happy Birthday' to one of the members. The hostess assisted by her daughter and daughter-in-law served a delicious lunch.

The Dewberry United Church W.A. wish the members of the Vermilion Standard staff a Merry Christmas and Happy New Year. To all folks everywhere may this next year bring peace and understanding into all our hearts.

CHRISTMAS SERVICE DEC. 19

The Dewberry United church Christmas Service will be held in the hall on the evening of Dec. 19. It will commence with a carol sing by the congregation. Come and bring a friend.

# Death of Mrs. A. Rendell at Nanaimo

The former neighbors and friends of Mr. Aubrey Rendell in the Vermilion district will learn with regret of the death of Mrs. Mary Elizabeth Rendell (Min) who passed away at her home, 1141 Waddington Road on Thursday Nov. 18. She was in her 69th year.

Mrs. Rendell was born in Camborne, Cornwall, England and came to Canada in 1926 living in the Wildmere district until 1951 when the Rendells retired from farming and made a visit to England. On their return they took up residence on Vancouver Island. The late Mrs. Rendell is survived by her husband, and one sister Miss Jessie Paul in England.

The funeral service was held on Monday Nov. 22 at St. Pauls Anglican church. The Ven. Archdeacon Hendy officiated. The choir was in attendance and Mrs. M Newbury was organist. Hymns sung were "Saviour Again to Thy Dear Name we Raise" and "Abide With Me". The Archdeacon spoke appropriate words of hope and comfort to the bereaved.

Mary Elizabeth was a Christian woman who looked forward with hope to a fuller life in the hereafter. She was a good wife, friend and neighbor, and a loyal woman who had moved on to the nearer presence of God, and was at rest. At the conclusion of the service the choir moved in procession past the casket singing the 'Nunc Dimittis'.

Notable among the floral tributes of remembrance was one from the 'Wildmere Community Club'.

Friends from near and far were in attendance and included some former Albertans, Mrs. Hugh McLean formerly of Vermilion, Mr. and Mrs. Les Wilkinson formerly of Vanesti, Mr. U. W. Holman formerly of Vanesti. Mrs. Fred J. Holman representing her husband. Mr. Rendell's sister Mrs. E. N. Wall was present from California. Her assistance and help in nursing was invaluable.

# Town Schools To Try One Hour Noon Recess After New Year

Meeting of the Vermilion S. D. Board was held at the Divisional office on Nov. 26.

Board voiced regrets at the passing of Mr. J. Leighton, a former member of the Divisional Board who had also given valued service as co-founder and chairman of the Kitscoty dormitory.

Island Hill Bus Route: Board approved extension of 1¼ miles north of Island Hill school for the winter months.

Paradise Valley S.D.: Additional caretaking contract for new room was granted to F. Flint.

Willowlea Bus Route: Messrs. Hardstaff, Latimer and Person attended the meeting with request for extension of Streamstown bus route. Tr. Clutterbuck and Brown were authorized to visit area to make necessary survey.

Marwayne S.D. New Building: Board approved progress payment to E. M. Cleve Ltd. in amount of $10,157.50 as approved by architect.

Superintendent's Reports: Mr Simonson presented printed copies of report on operation of schools, staff, visits to classrooms, report of salary evaluation committee, guidance clinic and June exam results in Departmental examinations.

Report was approved and ordered filed.

Vermilion S.D.: Local board requested consideration of suggestion that town schools shorten noon intermission from 1½ hours to one hour from 12:00 to 1 o'clock. Approval was granted. This change will be made Jan. 4, 1955.

Xmas Vacation: Schools will close Thursday, Dec. 23 and re-open Tuesday, Jan. 4.

Tuition Fees: Board approved payment of tuition fees for the Divisional students attending Clandonald separate school and Lloydminster school.

Payment in amount of $1 per school day in lieu of conveyance was approved for Gr. 9 pupils from Westdene S.D., Romulus Williams (Clandonald Sep. school), Patricia MacDonald (Lloyd. school), Marilyn Walton, Myrtle Hill S.D. at Kitscoty — at prescribed rates.

Sale of Buildings: Tenders will be received until Thursday, Nov 16 for Bellcamp school barn, Spencer school barn, Ellsworth teacherage, Madresfield S.D. teacherage, Woodvale S.D. shed.

Burkedale S.D.: No action having been taken on acquisition as a community centre, buildings will be advertised for sale subject to receipt of approval of school district residents.

Co-terminous Area No. 20: Board studied report of findings of coterminous boundary commission with outline of new area to become effective Jan. 1, 1955.

Subdivisional Boundaries: New boundaries of S.D. and M.D. require re-arrangement of subdivisional boundaries by Dept of Education and Divisional Board requested certain changes to be made, principal change being inclusion of several districts lying north of the Saskatchewan River in Subdiv. No 3.

Convention A.S.T.A.: Tr. Clutterbuck reported on proceedings at convention of Alberta School Trustees Assoc. held in Edmonton, Nov. 2, 3 and 4.

Next meeting, Dec. 17.

WIN A DOLL'S HOUSE

Win a lovely doll's house. See in the store windows around town. A surprise gift for that little girl at Xmas time. Tickets may be obtained from any member of the Britannia Rebekah lodge. Draw on Dec. 29 at the theatre. 22-5x

## Mannville Old Timer Dies At Vancouver

MANNVILLE.—An old time resident of Mannville Mr. D. F. Towne passed away suddenly on Saturday last in Vancouver. He suffered a heart attack.

Mr and Mrs. Towne came to Mannville in 1926, Mr Towne as manager of Burns & Co. (then P. Burns) This genial man won the hearts of Mannville and district residents with his kindly, understanding manner. He belonged to the Masonic Order and took an active part in church affairs, being church warden and superintendent of the Sunday school in the Anglican church. They lived here until 1933 or 34 when they moved to Innisfree and then Edmonton.

Mannville was saddened by the news of his sudden passing as both Mr and Mrs. Towne visited old friends here only this past fall. From here they continued on a trip to Montreal to visit Mrs. Towne's folks and were on their way back to White Rock B.C where they have lived for some time. They had stopped in Vancouver to visit with their son Murray Towne and wife when he was stricken.

He leaves his loving wife, one daughter Mrs. Ella Henry of Edmonton, four sons, Ernest of Lethbridge, Stanley and Murray of Vancouver and Danny of Edmonton.

## For Sale . . . Property

## Prevent Christmas Tree Fires

The advent of the Christmas season is a time to be on the alert to prevent Christmas tree hazards, according to officials of the Alberta Safety Council.

Many serious fires have occurred as a result of people failing to realize the flammable nature of evergreen trees. A little care and caution can reduce the hazard and provide safety.

Here are some friendly warnings given by the Safety Council:

Keep the tree moist.

Check tree lights for possible "shorts".

Place the tree as far as possible from radiants or stoves.

Make certain that the tree is securely fastened.

Some cities have regulations which are designed to reduce fire hazards in the placing of Xmas trees. In Edmonton, for example, Sec 351 of by-law 1081 says that: "In any case where Christmas trees are sold within the city limits, the person selling such trees shall attach to each tree when sold a warning tag approved by the chief of the fire department containing information as to the safe handling of such trees"

Officials of te ASC say Xmas trees and decorations are hazards to be watched most carefully.

They point out that when a tree is brought into a house, it will immediately begin to dry out. At the end of a week, it will be highly flammable. The safe course is to bring in the tree just as short a time before Christmas as possible and to remove it as soon as possible after Christmas.

Families, clubs, churches and other organizations who may wish to keep their trees from a week or more before Xmas to after New Year's need to observe special safeguards to keep the tree reasonably safe.

One of the first steps is to cut off the base at a long angle at least one inch above the original cut. Then set the tree in a pan or pail of water and keep it standing in water during the entire period the tree is in the house or hall. See that the water level is always above the cut.

If the tree is fresh and 'needles' do not fall, it will draw up the water which will keep the tree moist. A tree which has dried out through being cut too early may not begin to take up water again.

Get the tree as near to Xmas as possible and reduce hazards, urges the Safety Council. Xmas tree fires have caused far too many tragedies during the festive period. Be on guard this Christmas.

# LOCAL NEWS

Guests at the home of Mr. and Mrs. E. Corley last week end were Mrs. J. D. Adam and Mrs. Snider of Edmonton.

Noticed home for last week end were student nurses Joan Maxwell and Betty Barlow from Edmonton.

Mrs. D. Mathison of Dewberry attended the F.W.U.A. convention in Edmonton this week.

Col. W. C. Craig of North Battleford, Sask., and formerly of Vermilion, has been the guest of his sister and brother-in-law Mr. and Mrs. J. M. Duncan while in Edmonton to attend the annual reunion and banquet of the 194th Battalion.

Mr. and Mrs. J. R. Robson are spending this week in Calgary.

Mrs. J. J. Knoll of Edmonton and for many years a resident of Vermilion, has spent the past month in Tulsa, Oklahoma, where she attended the wedding of her daughter, Miss Madeleine Elizabeth Knoll, and Mr. George M. Arnold, Jr., recently. At present Mrs. Knoll is motoring through southern California and Mexico and will return to Edmonton by air from Los Angeles later in the month.

Thomas A. Gould who farmed for many years near Islay, writes from Victoria, B.C., where he now resides and sends along the compliments of the season to all old friends hereabouts. He reports everyone well in Victoria with the exception of his son Arthur who is in hospital in Vancouver recovering from a major operation on his stomach. Art lives at 2725 McKee St., South Burnaby, B.C. The weather is reported quite mild with more rain than usual. Tom ends up by saying: "It seems we can't get along without the good old home town paper".

W. I.

The regular meeting of the W.I. will be held at the home of Mrs. Perrier on Monday Dec. 13 at 2 p.m.

UNITED CHURCH W.A.

The final meeting for the year of the United Church W.A. groups will be a pot luck supper and meeting at the church, Tuesday Dec. 14 at 6 p.m.

## Bride-Elect Showered At Kitscoty

KITSCOTY — The Kitscoty girls held a miscellaneous shower in honor of Miss Marie Miles, a December bride-elect, in the Tracy memorial hall on Wednesday, Dec. 1. The large number of friends in attendance enjoyed a program of games, contests and community singing.

The many and beautiful gifts were arranged under a canopy of red and green streamers carrying out the Christmas theme were the multi-colored lights that completed the decorations.

Miss Pat Tyler dressed as Santa Claus escorted Marie to the place of honor where Miss Mary Manson made the presentation of the gifts on behalf of the ladies present. Miss Miles spent a very happy hour opening and admiring her many and useful gifts, after which she suitably thanked the ladies for their kindness and many thanks to all the girls for their thoughtfulness in arranging the lovely evening. The girls served a very dainty lunch to all present. The evening closed singing "For She's a Jolly Good Fellow" and "Auld Lang Syne"

## United Church Fall Tea and Bazaar

Christmas decorations provided a colorful setting for the fall tea and bazaar in the church hall of First Vermilion United church on Saturday, Dec. 4.

Mrs. W. McLean was convener, and with her W.A. group was in charge of arrangements for the occasion. Although Mrs. McLean's group provided committee leaders, these ladies were given assistance by all the other United Church W.A. groups.

The centre of the hall provided the space for the tea tables, each centred with a small figure in keeping with the Christmas tradition. hTe service to the tea tables was managed under the direction of Mrs. W. Anderson and Mrs. B. Hawley.

Around the tea tables were grouped the bazaar sales. Mrs. L. McFadden was in charge of the linens table, Mrs. R. Jory of the aprons table, Mrs. W. Waldenberger of the novelties and Mrs. C Barr of the home cooking.

The guests were received by Mrs. T Davis the president of the Central W.A. and at 3 p.m. the Rev. Mr. C. McKay officially opened the fall tea and bazaar.

In co-operation with the ladies of the W.A. the C.G.I.T. had a sale of candy, corsages and sequin earrings. These articles were, for the most part, made by the girls themselves. Florence Rooks convened the committee in charge of the sael. The girls who prepared the display, and sold the articles were: Doreen Hicks, Ann Schurman, Carol Brown, Carol Goodwin, Jean Pus, Margaret Rooks and Ann Beatty. All the C.G.I.T. groups contributed.

Further help was given the W.A. by the C.G.I.T. in that four of the girls assisted in serving the tea tables, Margaret Goodwin, Donna Cooper, Evelyn Marfleet and Hazel Barr.

The donation to the Cemetery fund by Art and Maryanne Wiebe of Edmonton, in memory of the late Mr. M. G. Brimacombe, was omitted from the acknowledgments in the obituary.

The following additional donations to the Cancer society have been received in memory of Duncan Carey: Mr and Mrs Alfred Logan, Tom and Mary Fenton and family.

CLANDONALD HALL

Showing at the Clandonald hall this week end, Fri. and Sat., Dec. 10 and 11 "Fixed Bayonets" a drama of the great outdoors with Richard Basehart, Gene Evans. Next week end Dec. 17 and 18 — "Affairs of Dobie Gillis" News reel each week. 24x

## Mannville & District LOCALS

The Mannville and district Home and School Association will meet on Thursday, Dec. 16. The Mission Band will entertain with carol singing. A buzz session on 'School Clothes' will also be held. It is hoped that a good number will turn out. The meeting will be at 8.00 o'clock sharp as the kiddies' part of the program will have to be over before too late as it is a school night.

Cpl Morley Thompson has returned from a year in Korea. After visiting with his folks here he has gone on to the coast but will be back during the Xmas holidays.

Miss Patricia Jones was home with her parents, Mr and Mrs J L Jones for the week end.

The numbers this week on the Vermilion Elks newspaper car bingo are B 3; I 28, N 39.

The 4-H club held a meeting on Monday evening and planned for a sale of home cooking to be held on Saturday afternoon, Dec. 11.

Mrs. L. Croft and Miss Donna Hanning of Edmonton visited with relatives in town and district over the week end.

Many homes and business places in town have already been converted to gas among them the two schools and the creamery. The rest are just hoping the weather doesn't take a sudden change until all furnaces and heaters are converted and connected.

With the weather a little colder work will probably start this week on making ice for curling and skating.

DERWENT THEATRE

At the Derwent theatre Sat. and Mon., Dec. 11 and 13, "No Highway in the Sky" starring James Stewart and Marlene Dietrich; Wed. and Thurs. ## Bride-Elect Showered At Mannville

MANNVILLE. — Mannville and district ladies honored Miss Joan Mitchell on Monday evening at a miscellaneous shower.

As the guests entered the hall each was given a paper with the letter A, B, C, D or E on it and that was the group she was to join. This helped to make everyone acquainted as there were several newcomers to town there. Members of each group were to volunteer to tell of 1. Wedding Day; 2. Most Embarrassing Moment; 3. Bringing first baby home from the hospital; 4. Your Proposal. This provided much merriment among the guests.

A short program by several of the high school girls followed and was also very much enjoyed. Doreen and Connie Gerhart and Norma McLuckie accompanied by Mrs. McLuckie sang two novelty numbers, a solo by Ruth Gamble and a duet by Adele Matney and Betty Proudfoot, both accompanied by Carol Mercer, completed the program.

Then the girls pulled in a gaily decorated hay rack with a handsome couple aloft and the rack piled high with beautifully wrapped gifts. Mrs. Rudd on behalf of those present and those who were not able to attend wished Miss Mitchell much happiness.

Miss Mitchell has been on the staff of the local hospital for about seven years and matron for more than four years. The high esteem in which she has been held by the district was shown in the lovely and useful gifts she received. She expressed her appreciation of the presents and said how pleased she would be to be still residing in the district.

## District Ladies Attend Civil Defence School

Forty - seven candidates from every section of Alberta attended a Welfare (General) course held in Edmonton at the Alberta Civil Defence school Nov. 15 to 20. Shown above (left to right) are four of the candidates: Mrs. Annie M. Garnett, Vermilion; Mrs. Catherine McDonald, Kitscoty; Mrs. Elizabeth I. Young, Lloydminster; Mrs. Elizabeth Batty, Kitscoty.

Proof against RAIN and REVELLERS

Anyone who ever visited London knows Piccadilly Circus, and the famous statue of Eros, God of Love, poised above its central fountain. This statue has taken a lot of punishment during the past sixty years, from both practical jokers and London smog. But because the sculptor cast it in aluminum — it was the first large statue to be cast in the "new metal" — it has come safely through the years. When it was cleaned up for the Coronation, it gleamed as freshly as ever. The enduring beauty of aluminum has meanwhile made it a favorite of modern architects, furniture designers, decorators too. Aluminum Company of Canada, Ltd. (Alcan).

## A Time of Happiness? Or Tragedy?

Christmas is a time of gayety and celebration. Every year thousands of gayly decked Xmas trees stand in living room windows telling the world that this is a happy time.

All too many of these same Xmas trees are going to be responsible for a very unhappy Christmas. Some of them will be responsible for tragic fires which cause loss of life, property damage and human suffering. Will your home be an unhappy one?

Safety officials report that Xmas trees can be safely handled. Many fires are started by trees drying out and the resins igniting by a spark. The best way to prevent fire is to place the tree in water or in sand which is kept moist by frequent addition of water. The tree will soak up the moisture if a fresh cut is made just prior to erecting the tree. A cut 1 or 2 inches about the previous cut will expose new tubes and channels for the water. Recipes for spraying the tree are commonly recommended but are not very effective.

Electric Christmas tree lights should be checked carefully. If the wiring is defective short circuits could cause fires. Place the tree as far as possible from stoves or radiants. Be sure to fasten the tree securely and let's keep this Christmas tragedy free!

## Pretty Wedding At Clandonald

*QUICKSTAD- MARCINIW*

Clandonald Unit 1 church was the setting for the recent mid-day wedding of Miss Elsie Marciniw and Mr. Floyd Anton Quickstad.

Rev. C. W. MacKay of Vermilion performed the ceremony for the eldest daughter of Mrs. Julia Marciniw and the late Mr. Nick Marciniw and the son of Mr. and Mrs. Anton Quickstad, all of Landonville.

Mr. Mike Sayna gave his sister in marriage. The bride was radiant in her wedding gown of nylon net and lace, featuring a bouffant skirt fashioned with a deep rouded lace peplum to match the all lace bodice which fastened from collar to waistline with tiny lace-covered buttons. Long sleeves tapered to lily points over the wrists. A full length illusion net veil enhanced by embroidery and applique of satin bows was arranged from a rhinestone encrusted tiara. She wore silver brocade sandals and her jewelry consisted of a rhinestone necklace with matching earrings, a gift of the groom. She carried a cascade bouquet of deep red roses.

The bridesmaids were Miss Annie Marciniw, sister of the bride, and Miss Lila Sharkey, cousin of the groom. Miss Marciniw wore a floor length gown of blue nylon and lace with panelled overskirt and lace bolero. Miss Sharkey chose a strapless model of mauve nylon net over taffeta modified by a tiny matching net bolero with a tiered bouffant skirt. Both wore flower bandeaus of matching shades in their hair and carried bouquets of yellow flowers.

Little Lynda Butz as flower girl wore a floor length frock of shell pink nylon trimmed with ruffling pink satin rosettes and a hem-length bow-tied sash. She wore a flower bandeau of pink apple blossoms mounted on ruffled net in her hair and carried an old fashioned nosegay of tiny pink roses.

Attending the groom were Mr. Walter Quickstad, brother of the groom and Mr. Nick Sayna, brother of the bride.

The bride's mother chose for her daughter's wedding an afternoon dress of wine crepe with sequin and embroidery trim, black accessories and a corsage of pink roses.

The groom's mother wore a black petit-point print dress, black accessories and pink roses en corsage.

Following the ceremony a reception was held at the home of the bride's mother where well over a hundred guests were received. The bride's table was centred by a three-tiered wedding cake beautifully decorated in a design of baskets filled with pink roses and rested on a white linen cloth flanked on either side by white candles in silver holders.

A toast to the bride was proposed by Mr. Georgie Butz and suitably responded to by the groom.

Later in the evening a wedding dance was held in Columbus hall, Clandonald, where a very large crowd of friends danced to the enjoyable music of Zaharko Bros. orchestra.

Guests from afar were Mr. Mike Sayna of Drayton Valley and Mr. Selmer Quickstad of Stettler.

## W. I. Families Are Entertained

MANNVILLE. -Birch Creek W.I. ladies entertained their families on Tuesday to a casserole supper in the Anglican parish hall. Supper was at 6:30 and after a hearty supper with plenty of pie and ice cream included, bingo was enjoyed by both young and old. Each member had brought gaily wrapped gifts and as each one there won a bingo he or she chose a gift and unwraped it. If this person won a second bingo then he or she could exchange that gift with any other bingo winner. This was a real family gathering and all seemed to have a very enjoyable time.

BASSWOOD

Dance and handicraft sale at Basswood on Friday, Dec. 10th. Horpestad music. Everybody welcome. 24

## W. A. Elect Officers At Paradise Valley

PARADISE VALLEY.—The Paradise Valley W.A. met in the basement of the United church on Friday evening Dec. 3 with 19 members present. It was decided to hold the Xmas party in the church basement Monday Dec. 13 at 2:00 o'clock in the afternoon. All the ladies in the community are invited. There will be an exchange of gifts valued at 50c. The ladies who attended the meeting of the Edgerton W.A. on Thursday evening reported a very enjoyable time.

Mr. Allan Young of Lloydminster gave a very interesting talk on Civil Defense. Mrs. Mason and Mrs. Matheson offered to entertain at the January meeting. All committee reports will be given at this meeting.

The election of officers was as follows: President—Mrs. Jim. Gordon; Vice-Pres.—Mrs. P. Paulgard; Secretary - Mrs. W. D. Block; Treasurer Mrs. L. A. Matheson; Work Committee—Mrs. N. Stepenoff, Mrs. George Guy, Mrs. R. Hallett; Manse —Mrs. W. A. Gunn, Mrs. E. Maso, Mrs. G. Henry; Cupboard—Mrs. C. Conarroe, Mrs. L. Block; Christian Citizenship - Mrs. D. Davidson, Mrs. H. Fair; Gift—Mrs. F. Henry, Mrs. W. Stoddart, Mrs. J. W. Guy; Visiting—Mrs. C. Bleakley, Mrs. J. Guy; Devotional Mrs. G. Venner; Youth Sponsor—Mrs. D. Odegard, Catering Mrs. W. A. Nickle, Mrs. L. Knutson, Mrs. C. Conarroe; Press Reporter—Mrs. G. Venner.

Mrs. Harold Fair and Mrs. J. Gordon served a delicious lunch at the close of the meeting.

## Death and Funeral Of Mr. John Leighton

Mr John Leighton of the Fenham district passed away in the Lloydminster hospital on Sunday, November 13th. He was well known in the community.

Coming to Canada from Banchory, Scotland, in March, 1911, Mr. Leighton worked at St. Agathe, Quebec, Emerson, Man., Strathmore, Alberta, and in 1918 moved into the Kitscoty district with Henry Crichton. On Nov. 4, 1919 he was married to Catherine Sheppard in Winnipeg.

Mr Leighton was active in public life for a number of years. He served on Fenham school board from 1922 to 1939, and on the Divisional Board until 1945. In July 1946 he was elected to the Council of Vermilion River M. D. and served as Reeve from April, 1948, until March, 1953, when he retired. He was a member of the Kitscoty dormitory board from the time of its inception, and for the past few years he was chairman.

He leaves to mourn their loss, his wife, a daughter Mrs. Marjorie Martin of North Battleford; five sons, Bill, Jack, Arthur, Hugh and George, two sisters Mrs. Lenor of Edinburgh, Scotland and Mrs. Staines of Kenya Colony, South Africa, and two brothers, William of Elgin, Scotland and Gordon of Kitscoty. A brother Charles, was killed in World War 1.

A masonic funeral was held in Kitscoty on Wednesday, Nov. 17 with Rev. E. N. Morrison of Grace United church, Lloydminster, officiating. Pallbearers were Messrs. Chas. Gray, O. Seward, Chas. Miller, John Dale, Gordon Inglis and [illegible].

Moyer's Funeral Home, Vermilion, had charge of the arrangements and interment was made in Kitscoty cemetery.

Floral tributes were received from:

In loving memory of a dear husband and father — Loving Wife, Hugh, George and Art;

In loving memory of Dad — Hugo and Marj;

In loving memory of a dear father and grandfather — Iona, Bill and Georgina;

In loving memory of a dear father and grandfather — Helen, Jack, Jenet and Lillian;

In loving memory of Grandpa — Ruth, Nora and Sandy;

In loving memory — Brother Gordon and Sejma, Gordon, Margaret and Douglas; Auntie, Charles, Marion and family; Sam and Sadie; Mrs. John Crichton, Jack and Mary, John and Arla; Velma and Jake; Florence Adam; Harry and Bert Buck;

With sincere sympathy — A.F. & A.M. Lodge No. 24, Vermilion; Mr. and Mrs. Buckingham;

In memory of an old friend — Mr and Mrs. Archie McLean; Don and Susie;

With deepest sympathy from — Mr and Mrs. Paul Owen and family; Betty and Vince Marrin; Anders and Catherine Aalborg; Mary, Gladys, Gordon, Malcolm and Moira, Lyle and Margaret Finlan, Bill and Tjerk Bootsman; Howard, Olive and family, Mr. and Mrs. Jock McLean and family; Mr. and Mrs. C. K. Miller; Mr. and Mrs. Alvin Parker and Ed Griffith; Mr. and Mrs. W. G. Giles and family, The Govier Family; Mr and Mrs. H. ## W. I. Activities For Oct. and Nov.

### RAMSAY

Ramsay W.I. had a novel idea of having each member read a W.I. excerpt at [illegible] meeting. They [illegible] a donation to the Unitarian Service committee. A curriculum news letter from the Department of Education was read and discussed and the accompanying form returned.

### FIVE POINT

Five Point W.I. sent expressions of sympathy to the Roberts and Matney families in their recent bereavements. The curriculum news letter was read, discussed and the form completed.

### WILDMERE

Wildmere W.I. held a bazaar and bake sale in October and also catered for an auction sale on Nov. 10. They have given two books to the school library and also gave three fruit baskets and baby spoons to members. The curriculum news letter was read, discussed and the form returned. This branch has decided to hold a Xmas party for the members and their families.

### CLAYSMORE

Claysmore W.I. held a successful bazaar on Nov. 12. Mrs. Joe Bauer read an interesting paper on "Canadian Industries". Mrs. R. Bauer was presented with a W.I. pin. This branch entertained their husbands at a banquet held at Claysmore school Dec. 3.

### [illegible]

This branch donated to the C.N.I.B. and also to the Girl Guides. They held a successful novelty and bake sale and plan another one for early in the new year.

### [illegible]

Salteaux W.I. is sending a Xmas Home for Children. The names and ages of these children were obtained from the matron and a personal gift chosen for each child. The curriculum news letter was discussed and answered. A very interesting demonstration was given on copper tooling by Mrs. Bill Arthur.

### KITSCOTY

Kitscoty W.I. gave a donation to the Crippled Children's Home in Calgary in memory of the late Dick Matney. Their branch held a successful tea and home sewing sale on Nov. 12. They have donated to the Salvation Army, A.W.I. fund, C.N.I.B., Cancer fund and Travel fund.

### PRINCESS ANNE

Mr. Buckingham visited this branch and spoke on the proper time for planting shrubs and bulbs and also on the care of bulbs and tubers over winter. This address was thoroughly enjoyed by all present. The branch has donated to C.N.I.B. [illegible] will donate to the Christmas [illegible] fund in [illegible] own district. Mrs. Geo. Dollman read an interesting account of Mrs. A.M. Berry's trip to Ceylon. Some members attended the Civil Defence classes held in Edmonton in November. Members who took the first aid classes last winter were given their identification cards for the Civil Defense at the October meeting.

### CREIGHTON

Creighton W. I. [illegible] four members with W.I. pins, Mrs. L. Donnesworth, Mrs. W. Donnesworth, Mrs. A. Hess and Mrs. D. Wagner. Mrs. L. Donnesworth was elected secretary. Mrs. R. Wagner gave a short talk on "Lemons". Gifts were sent to two people in hospital. The curriculum news letter was read, discussed and a[illegible].

### WILDMERE BEAVERS

The Wildmere Beavers Girls' club held a very interesting meeting in both October and November. Plans were made for the coming year. A successful bazaar and dance was held on Dec. 3. Betty Smith read an interesting paper on "Etiquette" and Doreen Martin gave an interesting paper on "Diors Fashions".

### CHATSWORTH F. U. A.

The Chatsworth F.U.A. local will hold their regular meeting on Monday Dec. 13 at 8 p.m. in the Chatsworth school. 24c

### TURKEY BINGO

at 8:00 p.m.

Admission $1.00 - Pays for 10 Games of Bingo

## NEWS from ISLAY

Saturday Dec. 11 is the date of the W.A. bazaar in the church at 3 p.m. Pie will be served at the tea tables. You are invited to sit in and visit with your friends.

On Sunday Dec. 12 at 2:30 p.m. we are to be favored with Xmas music in the United church by the choir of the Lloydminster United church. You are welcome. Rev. E. N. Morrison will be the minister in charge.

Carpenters are busy rebuilding the damaged portion of Mrs. Martin's house which suffered by fire recently.

It pays to be thin! So says Jack Caro. He locked himself out of their home and had to do some climbing to get in through the small piano window — but he made it and so opened the door.

A group of hunters left Islay for the woods to get big game and the ladies went too. If they return with some venison we will name them! If anyone is as good a shot as Mrs. Watson of the Jackson Farm program we are sure to get some steak. Here is hoping.

A family gathering was held at the home of Mr. and Mrs. Gordon Gould on Sunday to celebrate Mr. Shaw's birthday which was on Dec 3.

Mrs. Jean Welline and children and Faye McLennan arrived safely and not boat sick either, at Kitimat. Sounds as if they made a clearing in the bush — bears saunter out, and the squirrels are really curious, climbed all over the travellers' baggage as it rested outside the house. The town is being laid out very up to date however, a shopping centre no less — all under one roof. We think Faye should give the Standard a column occasionally it would prove interesting.

The December W.A. met at the home of Miss Bessie Anderson. The business was carried out in short time election of officers too, as the same slate was re-elected for 1955. Made final plans for the bazaar and a Korean box will be packed when the woollen blankets arrive from [illegible].

### DERWENT THEATRE

At the Derwent theatre Sat. and Mon., Dec. 11 and 13, "No Highway in the Sky" starring James Stewart and Marlene Dietrich; Wed. and Thurs. Dec 15 and 16 "San Antonio" presenting Erroll Flynn, Alexis Smith and Cuddles Sakall in a saga of Texas; Dec. 18 and 20 "I Can Get it for You Wholesale", with Susan Hayward and Dan Daley. 24c

### TURKEY SHOOT

The annual turkey shoot sponsored by the Air Cadets will be held in the armories on Saturday Dec 11 commencing at 1:30 p.m. Win your Xmas turkey this way. 23-4c

## Plum Puddings

WINNIPEG. — About 2 tons of plum pudding will be served to travellers on board C.N.R. dining cars over the Xmas holidays.

Made from a century old recipe, this mountain of plum pudding was made under the supervision of Romeo Charvet, chef instructor for the railway. It has been packed in 3900 cans and will be served on all C.N.R. dining cars across the system from Dec. 18 to Jan. 3.

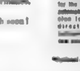
*It's here now . . . at your Chrysler-Plymouth-Fargo dealer's*

Here's fresh new beauty . . . the gay and glamorous '55 Plymouth with its new "motion-design" styling for The Forward Look.

Every rakish angle, from hooded headlights to boldly slanted taillights, has the look of movement. There's an invitation to adventure in every long, low contour of the '55 Plymouth — the all-new car that's ten inches longer and two inches lower this year!

This lively traveller is a dream to drive, too! With a wider tread and a body wider than it is high, this great car hugs the road like no other car ever has before. More powerful engines — 6's and V-8, up to 157 h.p.—give flashing performance.

There's a treat in store for you at your Chrysler-Plymouth-Fargo dealer's. See the 1955 Plymouth soon!



*Manufactured in Canada by Chrysler Corporation of Canada, Limited*

*See . . . drive the '55 Plymouth now!*

# Duncan Carey Laid To Rest

Funeral services for the late Duncan Carey were held Saturday November 27 at Holy Name church, Vermilion, followed by interment in the Vermilion Roman Catholic cemetery. Rev. Father Landrigan officiated.

The pall bearers were Bernard Bowes, Herb Simmons, Charlie Bert, Val Budzilka, Pat McGuigan and Harry Young.

Surviving members of his family are his wife, two daughters, Mrs. Ken MacLennan (Eva) in Ontario and Mae at home, and four sons Roderick, Lyle, Michael and Duncan, all at home. There are four brothers, Jim, Jack, Laurence of Islay, Thomas in Ontario, and four sisters Mrs. C. J. Chartrand (Julia) and Miss Agnes Carey, both of Vancouver; Mrs. D V Davies (Annie) in California and Miss Mary Carey in Ontario.

Beautiful floral and memorial tributes were received from:

In loving memory, Loving Wife and Family, Jim.

With deepest sympathy, Mr. and Mrs. Beecroft and family; Mrs. Winnie Torrance; Mr. and Mrs. Val Budzilka and family; Mr. and Mrs. L. Buchanan and family; Mr and Mrs. Wm. Davies; Islay Students' Union; Canadian Legion Post 11.

With sympathy: Mr. and Mrs. T Chrisp; Mrs. L. Oram and family; The Webb Families; C. Mountford; Mrs Fyfe, Jean and Charlie; Mr and Mrs. Harry Young, Mr. and Mrs. J H. Ford; Mr and Mrs. E Termeter Mr and Mrs. A. Van den Dolder, Mr and Mrs. Gordon Gould; W. Barfett; Mr and Mrs. I D Inman; Mr and Mrs. W Axley; Mr. and Mrs. C. Redmond; Mr and Mrs W McCaughan, Mr. and Mrs. W. H Belton; Mr and Mrs P Wilkinson; Mr. and Mrs. D. A Torrance; Mr and Mrs. W. Hanna, Mr and Mrs. E. C. Inman; Mr. and Mrs. W. A. Teskey; Mr. and Mrs. W McLean; Mr. and Mrs. W King; Mr. and Mrs. W. L. Roebuck, Mr and Mrs. C.W Robertson; G Schick; A. Anson, Mr. and Mrs J H Simmons, Mr. and Mrs. G Colton, Mr. and Mrs. Gerald Colton; Mr and Mrs. D.B. Sherriff, Bob and Floyd House; Mr and Mrs W Shaw; Mr and Mrs J J Knoll, Mr and Mrs. W Davies, Mr and Mrs. L. M. Wilson, Mr and Mrs. R Harkin; Mr and Mrs. W. Hannon; Mr and Mrs W. Waterfield; Mr and Mrs. H. Waterfield; Mr. and Mrs. A. Linton, Mr. and Mrs. D. L. Clark; A Waterfield; W H. MacFadyen; B. T Bowes, Mr and Mrs. C. R Buchanan; Mr. and Mrs. T. K. Stoddart; Mr. Bowser, Mrs. M. Steinhauer; Mr. and Mrs. N McLennan; Mr and Mrs S. Davidson, Mr and Mrs. V. Budzilka; H. Jones, Mr. and Mrs. D. McFadyen; Mr. and Mrs. L. Anson; Mr. and Mrs. S. Kohn; Misses M. and G. Stone; George McFadyen; Mr and Mrs. W Barnett; Mr and Mrs. N. McEachern; Mr. and Mrs. A Jones; Mr and Mrs. Wm. Purves, Mr and Mrs. R. Jory; Mr and Mrs. J Horricks; Mr. and Mrs. G Purser; Mr. and Mrs. K. Reed; Mr and Mrs. W. L. Brown; Dr. and Mrs. Sweet; W Belchambers, Bill Brown, S Starnes; J. Heslop, Mr and Mrs D. Martin; Mr and Mrs. P. McGuigan; Mr. Anderson, Ralph and Bessie; Mrs. J. Gould and Marvin; Mr. F Gould and Rosie; Mrs. Kennedy, Bob and Don; Mr. R. B. Van [illegible] and Joe; Mr. and Mrs. U. MacFadyen; Mr and Mrs. J. McClelland; Mr. and Mrs. C. J. Clarke; Mr. and Mrs. E. McFadyen; Mr. and Mrs. J. Maire; Mr. and Mrs. Bert Gould, Mr and Mrs. W. Potvin, Mr and Mrs. L. Buchanan; Mr. and Mrs. J Allan, Mr. and Mrs. A. Hollington; Mr. and Mrs. A. Fortier; Mr and Mrs. D. Buchanan; Mrs. E. Bell and Janet.

Simmons; Mary Walton and Marilyn; Mrs. Preston; The Olds Family; Mrs. Jessie McIntosh.

Flowers to the house: Mr. Jas. B. Bell and Grade 12 students of the V.H.S.

*CARD OF THANKS*

We extend our sincere thanks to Dr. Sweet and the nurses of the Islay hospital, friends and neighbors for the helpful acts, expressions of sympathy, floral tributes and memorial donations received during our bereavement.

Mrs. Nora Carey and family.

# Paradise Valley

Mr. Look Lum of the Royal cafe was a recent visitor to Okotoks and Calgary.

The annual meeting of the Paradise Valley branch No. 208 Canadian Legion will be held on Wednesday Dec 15 at 8 o'clock sharp at the Bank of Montreal building. All members and veterans of the district are requested to attend.

Mrs. John McAmmond Sr. left recently for Calgary where she will visit with her son and then will go to Enderby, B.C. to visit with relatives there.

[illegible] was a recent visitor with his uncles Don and Clyde Churchill.

The many friends of Mr. Lloyd Pedden will regret to hear that he suffered a stroke recently and is in serious condition at his home in Calgary. It is quite a few years since Mr. and Mrs. Pedden left Paradise Valley with their family to make their home in Calgary. His many friends here wish him a speedy recovery.

Want a turkey for 50 cents? If you do, come to the big turkey shoot at the curling rink on Dec. 10 and 11 and help the sports club out.

Mr. Ben Squires our local C.P.R. agent has been transferred to Adanac, Sask. Just who our new agent will be we have not learned. At present a relief man is in charge. Mr. Squires will be missed as he was popular in town and country. However, it is a step up so congrats Bennie.

Congratulations to Mr. and Mrs. Fred Sirett on the birth of a son born in the Lloydminster hospital Thursday, Dec. 2.

Manley Shaw and Harvey McLeod have returned after visiting with Mr. A. A. Adams and Mr. and Mrs. G. Tufts at Yorford. They report no ice on the lakes in that district so commercial fishing is still out.

The weather during the past week has been wonderful. We can hardly believe it is the 4th of December. Not much heard about curling as yet.

"A brief study saved me real money year after year!"

"When I first considered insurance I was particularly concerned about the size of premiums I'd have to pay.
"Then The Mutual Life of Canada man said: 'Remember, the real cost of life insurance is the premiums you pay less the dividends you receive.'
"I studied the dividend record of The Mutual Life and found it outstanding. I bought all my life insurance from that Company — and have received generous dividends regularly. This brief study saved me real money year after year."
You, too, should aim to get the best protection for your family, at lowest net cost. Consult The Mutual Life of Canada representative in your community today.

# 500 Westerners Go To Grey Cup By C.N.R.

[illegible] football fans travelled to Toronto by Canadian National Railways for the sports spectacle of the year the Grey Cup finals. The largest single group arrived in Toronto the morning of the game on board the CN's Grey Cup Special.

The west's representatives for the big game, the Edmonton Eskimos, were not lacking support from the grandstand, and the team did not disappoint their rooters as we are all well aware, when they created the sports upset of the year by downing the powerful Montreal team 26-25 to bring the cup west.

*IS YOUR SUB. DUE?*

# Health Unit Notes

SCHOOL CHILDREN

The Health Unit staff has been busy in the past two months inspecting school children and we would like to discuss with parents points in the health of school children which require special attention.

TEETH

A very large percentage of the children we examine have at least one decayed tooth and many have several large cavities and shells of teeth which need attention. It is urged that parents examine their children's teeth regularly so that early decay may be treated before it gives rise to pain and entails loss of a tooth. A regular visit to the dentist is the only way of ensuring that teeth are in perfect condition.

EYES

Many children are found to be suffering from mild degrees of eye strain and if neglected this may cause deterioration in eye sight, permanent damage to the eyes and possibly a squint.

The early signs of eye strain are headaches, red rimmed and bloodshot eyes after reading, a tendency to hold the book close to the eyes and screwing up of the eyes to try and focus.

A reliable optician will always reassure a patient if eyes are normal or suggest the treatment necessary if they are not.

Parents can protect their children's eyes by ensuring that they always sit in a good light when reading and hold the book straight and at a reasonable distance from the eyes. Excessive reading will put a heavy strain on the eyes. Wearing the right glasses when they are necessary will improve the eyesight and will not always mean wearing them for life.

TONSILS

Parents should seek advice from their physician concerning a child's tonsils and adenoids if the child has repeated colds, complains of sore throats, is a mouth breather, has a poor appetite and fails to thrive and the tonsils appear to be enlarged. It is quite amazing the improvement in a child's general health and school progress when this simple matter is attended to.

PALE, LISTLESS CHILD

If a child does not get sufficient sleep or has plenty of good nourishing food, especially body building foods such as meat, cheese, eggs and milk, he will not have the necessary energy to tackle his school work, resist infections and at the same time grow, and the result is a pale listless child without zest for work or play.

CO-OPERATION

If any defects are found in a child at the periodic medical examinations parents are informed by letter and their co-operation in getting the matter attended to is earnestly sought so that the child can participate to the full in school life and get the maximum benefit from the education provided.

BABY & PRE-SCHOOL CLINICS

Monday, Dec. 13 — Legion hall, Vermilion, 2 to 4 p.m.

Tuesday, Dec. 14th — Preston school, 2:30 to 3:30 p.m.

Friday, Dec. 17th — Mannville school, 11 to 12 noon.

Friday, Dec. 17 — Minburn school 2 to 3 p.m.

[illegible]

Christmas Day television programs of the British Broadcasting Corporation will include a two-hours' party — the only program of the year which is unrehearsed and in which the producer has no idea of what the stars and personalities are going to say or do.

# Christmas Carol Service Dec. 19th By Massed Choir

Vermilion musicians headed by the Mixed Chorus will present a program of Christmas carols at the Columbia theatre on Sunday evening before Christmas, December 19th. The Chorus will be augmented by members of the choirs of the United and Anglican churches and will number upwards of 50 voices.

Many well known carols will be sung, and some which are not so familiar. For instance the child's Christmas carol "Rocking," a translation from Czecho-Slovakia, will be sung for the first time here. The program will be climaxed by the "Hallelujah Chorus" from Handel's Messiah.

Present plans call for some 17 numbers but this is subject to some slight change.

Entire proceeds will be donated to the Salvation Army Christmas Cheer fund to be used for needy families within the town and immediate district.

By AMBROSE HILLS

*TO BE SECURE*

If you long for security, I think I have found a way to get it. I found the answer in a very strange place.

It was given in one of the strangest books I have ever read. The title of the book was "The Wisdom of Insecurity".

The author, Alan W. Watts, offers a brand new solution. He says that the highest happiness, the supreme spiritual insight and certitude, are found only in an awareness of our impermanence and insecurity.

This may sound strange to you until you think about it. You may have thought that security came in other ways. Most of us have been inclined to think that security was a by product of a big bank account, a good police force, a strong union, an all powerful government, a big army and all sorts of other things.

It comes as a bit of a shock to be told again that security for the individual only comes when he begins to understand that aside from God, there is no real security of any kind in this world.

The wise man, understanding this, lives to the full in every minute. In being completely sensitive to each moment, in regarding it as utterly new and unique, he keeps his mind open and fully receptive. He brings into play altogether new powers of adaptation to life. As Alan Watts puts it: "He literally absorbs pain and insecurity."

Once a man gives up this wild search for security, he finds not hunger but fulfillment. He begins to apply himself to the moment at hand, and does the best he can with it. Then, by a strange paradox, he achieves a greater sense of security than he has ever known before.

In this present day and age we have wandered very far away from the old principle of living day by day. Our demands for security have become almost hysterical. We want to be insured against unemployment. We demand guaranteed annual wages. We vote for the politician who promises to give us the most — though somewhere in the back of our minds we know that the politicians can give us nothing. Sometimes it seems that we have almost forgotten that there is a God. Our search for security is about as impossible as wrapping up a pound of water in a paper package. Life cannot be tied up in neat and permanent packages. The very joy of life consists in facing its insecurity and in putting our faith in God and in ourselves. No one has ever found real security in any other way.

Start today to experiment with this paradox — to gain security, learn the wisdom of insecurity!

# Express Christmas Parcels Early

WINNIPEG Express shipments should be sent early to ensure delivery prior to Xmas day festivities said G. H. Griffin, manager of the Express Traffic Assoc. of Canada.

With thousands of parcels to be handled for both commercial and personal distribution throughout the country, Canadian National and Canadian Pacific Express officers expect a heavy volume of traffic this month.

Shipments by express from western Canada to the Maritimes and Newfoundland should be in the hands of the express companies not later than this week end, while all shipments to Ontario and Quebec should be expressed by Dec 13.

Parcels to be delivered to the sender's neighboring province province should be sent out by Dec 15.

# WILDMERE WINKS

Laurence Graham who works at George Taylor's north of Vermilion, visited at the Wallington home one Sunday recently.

We are pleased to hear J. Wilson is getting along very well and expects to come home this week.

Dave Hughes of Basswood is also a patient in the local hospital and all his many friends wish him a speedy recovery to health.

Congrats to Mr. and Mrs. Hans Henningsen for a long, happily married life. Write some more news of Chatsworth when you get settled after your honeymoon — we miss your column.

Stores are really taking on a look of Xmas even if our weather hasn't — and we need something to get us in the Christmas mood it seems this year.

The writer and husband were in attendance at the Board of Trade banquet on Monday evening and it was truly a very enjoyable evening. The dinner was grand and the ladies are to be congratulated on the fine meal, served in quick time too even if they were shorthanded. Roy Walker was M.C. and told of his trip to Toronto which proved interesting. Mr. Webb, the acting mayor, welcomed the guests and Mr Urquhart on behalf of the Board of Trade also spoke. Mr. and Mrs. Bowser gave very interesting talks on Pakistan. The slides were good and handicrafts those people do are wonderful. We are sure their money would be a headache to strangers.

Remember the Girls' club dance this Friday at Basswood.

We wish the person who wrote about the trip to England in the Standard recently had signed his name.

TURKEY BINGO

Win your Xmas turkey at the Turkey bingo in the Elks hall on Wednesday, Dec. 15 at 8 p.m. This is sponsored by Vermilion Tigers hockey club. 24x

Christmas VALUE DAYS

# Train Trip Can Be Christmas Gift

WINNIPEG. — The Canadian National Railways have come up with one solution to the annual "what to give for Christmas" problem.

The company's travel gift certificates provide an attractive means of giving someone a chance to come home for the holidays. The certificate can be made out to any amount, including train fare, cost of sleepers and meals and even 'pocket money' to spend on the way.

An Ideal Christmas gift

The finest gift for those away from home ... Rail Gift Certificates ... to bring the whole family together for the festive season.

Travel by train is the safe, dependable way. The engineer does the driving ... the traveller just sits back and relaxes ... arrives refreshed, in a mood to enjoy the holidays.

Any Canadian National Agent will be glad to arrange a Prepaid Rail Ticket. It costs no more and prompt delivery is assured.

# Funeral Services Are Held For Leon Lawrence Kehoe

Funeral services for Leon Lawrence Kehoe, who passed away on Sunday, Nov. 28, were held from Wednesday Dec. 1 at 11 o'clock in the morning. Interment followed at the Roman Catholic cemetery. The Rev. Father Landrigan officiated.

The pallbearers were Messrs. Michael Simonet, Anthony Simonet, B. C. Ackerman, John Gordey, Victor Tillett and J. R. Beake.

Leon L. Kehoe came to the Vermilion district as a boy in 1910, the family settling in the Thorncliffe district. The deceased lived there until 1911 at which time he moved into Vermilion.

Despite the fact that he was handicapped, having suffered a severe attack of rheumatic fever during his early manhood and moved about with the aid of crutches, Len took a keen and active interest in his community. He served for several years on the town council, aided board of trade projects, and was a past Exalted Ruler of Vermilion Lodge B.P.O.E.

Left to mourn his loss are his sorrowing wife, one son Lawrence who is attending university in Edmonton, his mother in Vermilion, one brother Anthony of New Westminster, B.C., and four sisters Mrs. Gilbert Shane, Ottawa, Ont.; Mrs. E. J. Hagen, Washington, Penn.; Mrs. Wm. McLaughlin, Vermilion; Mrs. Maurice Fallow, Edmonton.

Moyers were in charge of arrangements.

Beautiful floral tributes, memorial donations and spiritual offerings were received from:

Gregorian Masses: Marie and Gilbert.

Spiritual Offerings:

Mother, Myrtle and Larry; Marie and Gilbert; Anthony; Leona and Billie; Evelyn, Maurice, Bill, Joanne; Aunt Julia; Ada Shane; Ardis and Len; Michael, Mary and family; Anthony, Ann and family; The Michael Family; Mr. and Mrs. Harrigan; Mr. and Mrs. Pat McCambridge and Leo; The Goutier Family; Mr. and Mrs. McAleese and family; Mr. and Mrs. Melvin Hill; Chris and Grace; Kay and Eileen; Mr. and Mrs. W. McLean; Barbara Poirin; Mercier Family; Mrs. R. Culford; Mr. and Mrs Rockford Sr.; Mr. and Mrs. Pat McCann; Mrs. M. T. Dwyer; Mr and Mrs Duffield; The Sullivan Girls and George; Mr. and Mrs. Len Noonan and Mary Anne; Mr and Mrs. L. J. Carey; Mrs Gagnon; Mr. and Mrs. Perrier; Mr. and Mrs. Amos Goheen; Mr and Mrs. R. Chrisp and family; Myrtle Killion; Mrs. James Powell and Jimmie; The John Bauer Family; James Carey; Mrs. Antoine and Frances; Mr. and Mrs. Cecil Gannon and family; Mr. and Mrs. Jack Carey; Mr. and Mrs. Pat McLaughlin; Mr. and Mrs. Albert Williams, Mr. and Mrs Jack McLaughlin; Mr. and Mrs. Barney Klashinsky; Mr. and Mrs Leo Klashinsky; Mr. and Mrs Tom Gannon; Mr and Mrs James Kirk; Mr. and Mrs. Logan Gow; Barney Powell and Frank Minard; Mr and Mrs. John Toner Sr and family; Mr and Mrs. Joseph Green Sr.; Mr. and Mrs Chas. Burt and family; Mr. and Mrs. James McLaughlin; Mrs. Noonan and family; Mrs. Norah Carey and family;

Flowers to the house: Mrs. V Duncan, Edmonton; The Marshall Family; Vera and Cyprian Bell; Dorothy, Bill, Marie and Ken, Lottie, Ken and Elliott; Fay and Gordon; The Royal Purple; Aldous, Isabel, Guy and Flo; Helen and Bill Bell; Mr. and Mrs. H Hodgins and Elma, Eva, Johnnie, Clara and Jim; The Neale Family, Ponoka, Mrs. Hawkesworth, Claude and Louise; Grace and Darrell; Mr. and Mrs. John King; Cecil, Aubrey, Joy and Keith King; Mr. and Mrs. Doug Maxwell and family; Mrs. Annie Cameron and Alma; The Heckbert Family; Mr and Mrs A. M West, Mr and Mrs E. M Stewart; University Students Fairwin Quon, Rex Beake, Bruce McDonald, Albert Yaremchuk, Harvey Tym, Jerry Harle, Peter Kupin, Stewart Dow, Kevin Majeau, Jim Nielson, Neill Boyd, Bernie Kathol, Leo Mohler

Floral tributes: The Family; Mrs. H. Potter and Hugh, [illegible] and Campbell Tough; Ursula and Art, Calgary; Mr. and Mrs. W. Tattersall and family; Alma, Helen, Jessie, Leona, Jerry and Grant; Mr. and Mrs. Cliff Carruthers and Mr and Mrs. Albert Smith; Wilfred, Kay and Margaret; Mrs Fallow, Alex and Pam; The Hawley Family; Mr. and Mrs. J. Schaumleffel and Mr. Schaumleffel Sr.; Mr and Mrs. Jack Baddock; Mr and Mrs. Leo Kreller, Mr and Mrs. A LeRossignol and family; Mike and Lorraine White, Mr. and Mrs. Albert Williams; Mr and Mrs J Bathe Dorothy and Waldon; Eddie and Lydia Herzog and family; Sandy and Ann; Vermilion Lodge B.P.O.E., The Stagette club; Harding and Kay Brix; Joy, Percy and Irvine, Mrs Harcuther and Lillian; Curtis and Marie, Shirley, Laura and Bill Sutherland; Vermilion Fire Dept.; Mr and Mrs. Ross Beake and Rex; Dick and Nellie Coyne, Mr. F J Richardson, Mrs Doris Smith Laverne and Gordon Mr. and Mrs Herbert Smith; Paul, Albert and Lawrence Hareuther; Mr and Mrs. Irvin Gordon and Isobel; Harold Connolly; G. W. and Billie Koroluk; Mrs. Riley, Beryl and George, Berna and Alice; Marjorie Knapp; Carmen and Muriel; Mr. and Mrs. M. Simonsen; Mr. and Mrs. Harry Marfleet; Mr. W. P. Pilkie and Mr. and Mrs. Billie Pilkie; Mr. and Mrs. Clarence Nels.

Crippled Children's Fund: Old Timers' Association; Mr. and Mrs. Don Logan and family; Dunc and Olive; Mr. and Mrs. Lyons and family and Mrs. McKee; Mr. and Mrs. Stan Manyluk; James and Ruth Moses; Vic and Marj Tillett; Erle, Edith and family; Mr. and Mrs. Harry Sweeney and family; Mr. and Mrs. Dave Sweeney and family; John, Evelyn and Teddy Parkin; Arvid and Marie Horpestad; Cecil and Elsie Sinden; Fred Dougan; Jack and Grace Marfleet; Mr and Mrs. Bernie Ackerman; The Filipkowski Family.

The Canadian Cancer Society fund: Mr. and Mrs. Alfred Logan; Mr. and Mrs. Roy Jory; Mrs. Pearl Kather; Mr. and Mrs. Tom Wilson; Mr. and Mrs. D. R. Mitchell; Mr. and Mrs. Peter Jensen; Ort, Jessie and Beverly Strome; Mr. and Mrs. S. D. Simonson and Henry; George, Dora and Ken; Doris and Annesley Bell; Mr. and Mrs. Martin Haverslew.

Cemetery Fund: Mr. and Mrs. Frank Welsh; Mr. and Mrs. G. N. King; Mr. and Mrs. Lawrence Mayhew; Margaret Taylor; Dorene and Louis and family; J.W.G. Morrison.

United Church Memorial Fund: Mr. and Mrs. G. F. Stephens; Mr. and Mrs. T. H. Davis and Louise.

*CARD OF THANKS*

We wish to express our sincerest appreciation for the countless acts of kindness, messages of sympathy, memoriams, spiritual offerings and beautiful floral tributes received from our friends and neighbors during our bereavment. Special thanks is extended to the Elks Lodge

The Kehoe Family.

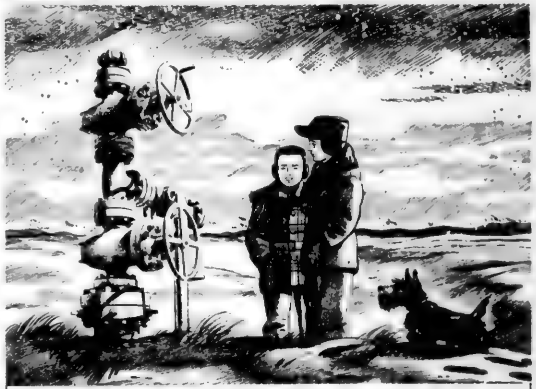
CALGARY EDMONTON
MEDICINE HAT LETHBRIDGE



There's a Gift under this Christmas Tree, too!

This particular "Christmas Tree" may not remind you of the gaily trimmed evergreen in your living room. But hidden underneath it is a gift for you to enjoy 24 hours a day — 365 days a year.

The field men who operate a natural gas well use the term "Christmas Tree" to describe a complicated piece of well head equipment.

This "Christmas Tree," or well head, gives the man in the field full control over the gas flowing from the well. By merely turning the valves he can increase, slow down, stop and start the flow.

Like the "Christmas Tree" in the field, a modern gas appliance in your home is cleverly designed. You can regulate the amount of heat supplied, either by turning a valve or by automatic temperature control.

Nature's gift to Alberta, Natural Gas, is always at your service — always under complete control!

## NEWS from KITSCOTY

The United Church Sunday school will hold its White Gift service the morning of Dec. 19 in the town hall commencing at 11 o'clock. The theme of this year's service will be "The Bells of Bethlehem". All parents and friends are invited to worship with the members of the church at this Christmas service.

Mr. A. W. Govier and Mr. J. Locke attended the funeral of the late Mrs. G. W. Leviston in Edmonton last week.

Miss Dorothy Watt of Edmonton spent the week end here visiting with her parents, Mr. and Mrs. Lawrence Watt.

Mr. G. W. Leviston and Mr. Carlton Leviston of Edmonton spent the week end at the home of Mr. and Mrs. A. W. Govier.

Mr. and Mrs. Geo. Mathewson and family of Heath spent the week end with their mother Mrs. R. M. Mathewson.

The W.A. of St. John Anglican church and the Evening group wish to thank everyone who helped in any way to make their sale of work and tea a success.

## Test Seed For Germination

To determine whether or not seed will grow Arthur M. Wilson, Alberta's Field Crops Commissioner, advises sending samples of the seed to an official seed testing lab. Germination tests at home are fairly reliable but such tests cannot be recognized in establishing seed grades.

It is most difficult to predict the germination of frozen grain. Mr. Wilson urges the many farmers whose crops were subjected to frost to determine just as soon as they possibly can the ability of their seed to grow. In doing so the first important step is to obtain a representative sample. This should be done carefully. Several samples should be taken from the bin, then they should be mixed together thoroughly and from this lot not less than one pound sent to an official laboratory for testing.

If germination tests are to be made on the farm, at least 100 seeds should be planted in soil or they may be placed between blotting paper or cloth and kept constantly moist and at room temperature for ten days or two weeks. Frost, depending on the duration and the degrees of freezing temperature, usually causes abnormal germination and weakened seedling growth. Sound grain should germinate well in a week's time. Seeds that have lost part of their vitality will be slower to start and sprouts or roots may be abnormal in early growth.

With germination tests done farmers will know what seed they require and will be able to secure it before the supply runs out.

## Tips on Touring

By Carol Lane
Women's Travel Authority

Your luggage will last from 5 to 10 years longer if you give it the care it deserves ... When you get home from a trip, clean your bags with a damp cloth and mild soap lather. Buff them with a dry soft nap cloth and apply a light coating of saddle soap. This protects the leather.

Never oil the leather because the oil may stain the lining or the leather.

In storing your luggage, make sure to avoid any place of extreme temperature or of dampness. Heat will absorb the natural oils of leather, and dampness encourages mould, mildew and warping.

And never put your bags away partly opened. They may lose their shape or the hinges may be knocked out of line.

If you have nice luggage, it's worth the time and trouble to take good care of it.

LETTER FROM THE CAPITOL

## Alberta To Issue Jubilee Grants

EDMONTON — As Provincial Secretary C. E. Gerhart predicted to the recent Municipal Districts convention, the province is not setting up a $1 million fund to help Alberta communities celebrate Alberta's 50th anniversary next year.

Instead, the fund will total $100,000 and, according to a recent announcement by the provincial jubilee committee, towns, villages, cities and municipalities will receive grants on the basis of about 25 cents per citizen. At the convention Mr. Gerhart suggested the $100,000 was the most he believed the cabinet would agree to spend.

Actually, the government will put considerably more into next year's observances with the construction of two provincial auditoriums in Calgary and Edmonton, the provincial jubilee ceremonies and the aid the jubilee committee is prepared to give smaller centres in planning and staging local programs.

The committee has stated it will help communities to prepare their jubilee observances by giving advice, personnel, bands and drama groups.

First step for communities wishing to share in the fund will be the establishment of local jubilee committees for the planning of local observances. Applications for provincial grants for these programs will be made through the local committee to the provincial committee, headquarters of which are in Edmonton.

The applications must be accompanied by an outline of the program proposed by the community. The plans will be reviewed by the provincial committee before any grant is approved. In addition to special jubilee attractions at community fairs, the grants will be available for the establishment of lasting memorials like historic site markers or commemorative parks.

One way of making the grant money stretch and provide more assistance to local programs will be by combined efforts on the part of neighboring communities. The provincial committee said it is prepared to approve grants for such joint projects.

Considerable planning appears to have been done by the provincial committee but many details still remain to be decided, if the province is to show a real golden jubilee atmosphere through several months of next year.

As explained by various officials in recent months, it is hoped the jubilee celebrations will not be confined to the month of September, the month when Alberta was declared a province in 1905.

Summer fairs built around golden jubilee themes probably will be the main objective of local jubilee committees. Also planned are the dedications of at least one provincial park and numerous historic sites.

The provincial committee intends to have a caravan of relics and other objects dealing with the history of the province, tour as many of the local fairs as possible.

Mr. Gerhart, who is chairman of the committee, has emphasized the role of the province's living pioneers in the jubilee ceremonies and is urging the communities to find as many as possible. He says the committee wants the local jubilee programs built around the contributions of the province's older citizens to the building of Alberta.

To those who have been in the province for many years, the province is going to present special scrolls. The presentations will be made at the local jubilee ceremonies.

The province probably will derive considerable publicity from the jubilee and while the government is planning special observances for September, it is the activities of the province's communities which will mean the real success of the golden jubilee year.

ORIGIN OF XMAS CRACKER

Christmas crackers originated in Britain some 70 years ago. The idea was brought back from a Continental holiday by Tom Smith, a confectioner and maker of wedding cake ornaments. Tom saw a French confectioner make his candies more attractive by wrapping them in tissue paper. That Christmas, he wrapped his sugared almonds in this way. Later, to make the package more entertaining he included a loving message in each wrapping and so began the present day cracker.

WE SPECIALIZE IN SERVICE!

All this—and more miles per gallon too!

Be sure to try out the phenomenal effect of "variable pitch propellers" in Dynaflow Drive*!

Maybe—among the current crop of new 1955 models—there's another car with an advance that can hold a candle to this one.

But we doubt it. We doubt it because nowhere—among the features of other cars that we've heard about, or seen—is there anything to compare with what's actually happened to Buick.

It all started with the fact that modern air liners get two big advantages because they can change the pitch of their propellers.

First, they get off the ground hundreds of feet sooner than they used to.

Second, they can stretch their gasoline by setting propeller blades at just the right "pitch" for cruising. So Buick engineers asked themselves—"If you can do it with air, why can't you do it with oil—the oil inside a Dynaflow Drive?"

And to make a long story short—they could, and they did.

They engineered the propeller-like blades inside the "heart" of a Dynaflow Drive so they can change their pitch as much as 75 degrees.

That provides one setting for more-miles-per-gallon, and another for an instant surge of power when it's needed.

All you have to do is push the accelerator pedal the last half-inch beyond the full throttle position—and away you go!

Of course, there's a lot more to make a visit to our showroom the "must" of the new-car year.

There's a step-up in styling as sensational as the step-up in power.

And the step-up in horsepower is this: 236 in the ROADMASTER, SUPER and CENTURY—188 in the SPECIAL.

But the thrill of the year is Buick's latest engineering "first"—and what it does for the man or woman who drives the latest and greatest Dynaflow Drive.

Pay-off on progress! Buicks today go a lot further on a gallon of gas, thanks to constant improvement in Dynaflow and in engine design. Even the 236 h.p. ROADMASTER averages more miles per gallon than Buicks of ten years ago.

*Standard on ROADMASTER, optional at extra cost on other Series.

Thrill of the year is BUICK

# THE VERMILION STANDARD

Vol. XLVI. No. 25. Vermilion, Alberta, Thursday, December 16th, 1954. 16 PAGES $2.00 a Year

Members Show Fine Birds, Win Prizes

## VERMILION 4H TURKEY CLUB HOLDS SHOW AND SALE

Once again the 4H Turkey Club of this district put on a very successful show and sale. This is the seventh year that this club has been in operation.

Fred Higginson, former Poultry Commissioner, judged the live turkey class. There were 27 birds on exhibition. Mr. Higginson stated that never before has he judged better classes of turkeys in this province.

In the Tom class the placing was as follows: 1st, Josie MacDonald; 2nd, Garry Seed; 3rd, Margaret Watt.

The Hen class placing was: 1st, Tony Dixon; 2nd, George Gow; 3rd, Josie MacDonald.

The judges for the dressed turkey classes were Earl Chambers, Supervisor for the Canada Marketing Service, Edmonton, and Carl Walford, Chief Inspector.

They expressed themselves as highly pleased with the display of turkeys in the market classes. The birds were well fitted and well prepared for the market.

The grand champion turkey was exhibited by Garry Seed. This turkey weighed 27 pounds and was sold to Shoprite for 57½c per pound. Josie MacDonald was second and George Gow third in the Tom class.

The first prize in the Hen class was awarded to Josie MacDonald; this entry was made reserve champion of the show. In second place in the hen class was Tony Dixon, and third was awarded to George Gow.

Special prizes were awarded as follows:

Woodman's Hatchery: Credit note to Josie MacDonald for best Tom, and Tony Dixon for best hen.

Lyon's Hatchery: 25 baby chicks for best dressed Tom, to Garry Seed.

Pringle Hatcheries: 25 baby chicks for best hen, dressed, to Josie MacDonald.

J. J. Hambley Hatcheries: 25 baby chicks to Josie MacDonald for most points in the show.

Alex Morrison donated $1.25 each for winners of first in Tom and Hen classes. These prizes went to Josie MacDonald and Tony Dixon.

Craig Bros. Special was awarded to Garry Seed for highest points for beginners and Gordon Ross prize to Doug Livingstone for the second highest standing.

The auction sale of dressed birds was handled by auctioneer Chester Gamble who has sold the club turkeys every year since 1947.

The 149 turkeys offered were bought up by citizens and butcher shops in Vermilion at an average of 37 cents per pound.

District Agriculturist E. H. Buckingham and Asst. D.A. Dick Bocking were in charge of arrangements. Al Locke was cashier and Ernie Livingstone handled deliveries.

## Old Timers Celebrate 55th Anniversary

Mr. and Mrs. P. H. McNamara, old timers of the Vermilion and Landonville district celebrated their 55th wedding anniversary on Nov. 30th. These pioneers came to Vermilion in 1907 from Oklahoma and homesteaded in the Landonville district. They later moved to Vermilion where Mr. McNamara was employed as car inspector for the C. N. R. He continued this work until his retirement in 1940.

After retirement Mr. and Mrs. McNamara moved back to their original homestead at Landonville and resided there until 1950 at which time they moved to Edmonton.

They have two children, Charlie of Ardmore and Mary (Mrs. Bert Taylor) of Edmonton. There are eight grandchildren and four great grandchildren. There were four children in all born to this fine couple, one son Edward passed away in 1939, and one daughter Nellie (Mrs. Walter Olson) died in 1945.

The immediate family presented the bride and groom of 55 years ago with a mantel radio at a tea given in their honor, at the home of Mr. and Mrs. Bert Taylor. Good wishes and hopes for many more years of happy married life were extended to the esteemed couple.

## Marwayne Lady Paints Fine Picture

Many Vermilion pioneers freighted down the Saskatchewan River from Edmonton to Lea Park and landed there, to travel overland to Vermilion before the days of the railroad. Among these Vermilion pioneers was the late Mr. H. N. Stephens who came from Ontario to found the present business of Stephens Ltd., and which business is still being operated by members of his family. Stephens Limited this year celebrated their Golden anniversary, 50 years since the founding.

On view in the windows of Stephens store this week is a large oil painting of the old historic landing place at Lea Park. It shows both rivers, and the sand bar on which the scows from Edmonton unloaded in 1904. This mouth of the Vermilion River is referred to in the book "Historic Forts and Trading Posts", as being directly opposite the site of adjoining trading posts built in 1800 by the Hudson Bay and North-West Companies.

This fine picture was painted by Mrs. Rosina Dudiyler of Marwayne as one means of perpetuating historical spots and events, as our present day well-being was built on the hard work and endurance of our pioneers.

## Helicopter On Snow Shoes

Something new in the way of skis was seen on a helicopter which landed at the Vermilion airport this week. The 'copter was equipped with wide skis which acted as snowshoes. They were designed to prevent the air-borne machine from sinking too far into the deep snow. The equipment is for use in the north.

Mr. Foster, pilot of the helicopter, remarked on the very large number of coyotes seen from the air. These appeared to be particularly thick between Lloydminster and Vermilion as he flew in from Saskatoon. In one small field just east of town he counted six coyotes. Just for a little variety when travelling the pilot descends low over the animals making them run for cover. Mr. Foster remarked that in contrast to the coyotes in Alberta the deer were numerous in Saskatchewan. He had flown from Regina to Saskatoon and was amazed by the many deer he had seen particularly in that area.

Bobby Baddock, son of Mr. and Mrs. Jack Baddock, who has been employed in Calgary, recently joined the R.C.A.F. and is now in training in Eastern Canada.

## Is This The Prevailing Opinion?

The Standard recently received a very acceptable bundle of sheet music sent free from the Modern Music Library in London, England. The music was accompanied by a letter. It causes a person to wonder if the opinion expressed in the letter is a widespread one. The music was in turn handed over to Mr. Jack Brown and he will no doubt with his many musical activities, find good use for it. The Modern Music Library of London is thanked for their very kindly act. The letter received by the Standard follows:

Editor,
The Vermilion Standard,
Vermilion, Alberta.
Dear Sir:

Having a citizen of Alberta staying with us we were advised to send you a few pieces of music, songs, carols, etc. We were surprised to know that many music activities go on in Vermilion. That is excellent news. We have been told that Canada was much behind in music — and if true — no wonder, as commerce comes very powerful at present in the great new Canada. May it prosper.

With compliments from
Edith Meredith, Secy.,
Modern Music Library,
London, England.

## Mrs. Mary Wysocki Passes At Derwent

Mrs. Mary Wysocki of Derwent passed away in the Myrnam hospital on December 14 at the age of 76 years.

Left to mourn her loss are her loving husband Mr. Jacob Wysocki, four sons, John, Walter and William of Derwent and Fred in Vancouver, and two daughters Mrs. Adam Lota at Bonnyville and Mrs. Mike Jarock of Vermilion. There are 29 grandchildren and one great grandchild.

Funeral services will be held on Saturday Dec. 18 at 10 a.m. at the Derwent National hall with interment to follow in the Ascension Ukrainian Catholic cemetery. The Rev. Father Charkowski will officiate.

Moyers are in charge of funeral arrangements.

**CORRECTION**

The Emergency Automotive Service advertisement appears as Oilfield Motors being open next week. This should be HERZOG Motors, open from Sunday, Dec. 19th to Saturday Dec. 25th inclusive for gas and emergency service.

## Salvation Army Xmas Cheer Kettle

The Salvation Army Christmas Cheer kettle will be on the street all day Thursday, Dec. 23 in order that all who desire may have an opportunity to contribute to the Christmas Cheer and Winter Relief fund. It is the desire of the Salvation Army and all who support its work that every family and individual in Vermilion and district will have a good Christmas. The Salvation Army asks your co-operation in making known the names of those in need. This information will be greatly appreciated. Phone 244.

## Santa Coming To Columbia Theatre

The manager of the Columbia Theatre has just received a letter from Santa saying that he is coming to Vermilion on Thursday, Dec. 23rd and that he would like to see all the good pre-school age and public school age boys and girls.

Therefore, a FREE Roy Rogers show and treats for children have been arranged, so don't miss this big event, starting at 2 o'clock in the afternoon. 25c

## Calling All Pre-Pee Wee Hockey Players

The outdoor rink in the west end of town will be ready for use on Saturday, in fact it is being skated on by the kiddies now. All boys 9 years and under who wish to learn to play hockey are invited to turn out Saturday afternoon from 2:30 on to receive their first lesson.

Wally Footz will be on deck and will be aided by Walter Robinson and Jack Dixon.

All the boys need is a hockey stick and a pair of skates. They will be taught to skate, to handle a stick and to carry a puck. Teams will be formed and coaching given. All in all the little fellows can look forward to lots of hockey under good direction.

## Jets Refuel In Air Over Vermilion

Many people are no doubt wondering what was taking place over Vermilion on Tuesday when five KC97 Jets were refueled in the air. In refueling the jet approaches from behind and below the tanker plane, a long tube is dropped and this is fitted with a fin which drops into the front of the jet and the tank is filled in that manner.

When refueling is completed the jet backs off, a few feet of hose becomes detached and remains with the jet. The whole operation is carried out without any member of the crew touching the hose.

The jets came from the Fairchild Airforce base at Spokane. They were very high when refueling here, some 15,000 feet up. They kept in contact with the Vermilion radio beam station on the airport during the operation. The planes travelled 20 miles north-east and return while the tanks were being filled. The speed of these jets is reduced to 240 miles an hour while refueling.

## Vermilion Couple Married In Calgary

BARR—TAYLOR

A quiet wedding was solemnized on Saturday Dec. 11 at Knox United church, Calgary, when Mrs. Edna D. Taylor of Calgary and Mr. William Barr of Vermilion were united in marriage. Dr. Preston McLeod performed the ceremony. The attendants were Mr. and Mrs. John K. Swanson of Calgary.

Mr. and Mrs. Barr have left on an extended trip to the southern United States.

LADY CURLERS NOTE

All ladies who plan to curl this winter please notify Mrs. A. Locke, phone 2??.

## Bishop Clark Speaks To Men's Club

At the regular meeting of St. Saviour's Men's club held on Monday last in the parish hall, the guest speaker was the Rt. Rev. H. H. Clark, Anglican Bishop of Edmonton.

In addition to the guest speaker of the evening, the Club welcomed as their guests fifteen young men from the School of Agriculture. These lads were introduced by Mr. Alex Palin, one of their instructors and a member of the Men's Club.

There was a splendid turnout of over thirty of the regular members, and together with the guests they sat down to a most tasty elk dinner. The meal was convened by J. R. Robson, ably assisted by L. Pockett, G. King and K. King, and W. Novak.

Immediately following the dinner Bishop Clark was introduced and welcomed to the club by Mr. J. W. G. Morrison. The Bishop then took as his topic "Public Relations" and in a very able and humorous address pointed out the need for good public relations work in the life of the Church, with special reference to the press and the radio. The Bishop went on to point out that Public Relations must be made to include the whole of he Church's work in the matter of her message, her services, her buildings and all her impacts upon the community.

The thanks of the club for his address was then extended to the Bishop by the president, Mr. J. V. Kneale. Following a short business meeting the gathering was adjourned to conclude another most satisfactory evening for the men of the parish.

## General Meeting Of Curling Club

A general meeting of Vermilion curlers has been called for Monday evening Dec. 20 at 8:00 o'clock in the curling rink. Many matters will be discussed including dates of the Sportsmen bonspiel, rinks lined up for the season, etc. All intending curlers are urged to be present at this important meeting.

## Stagettes Holly Frolic Dec. 27th

A pleasing feature of the Christmas holiday season is the annual Holly Frolic sponsored by the Stagettes. The dance this year is being held Monday evening, Dec. 27th in the Elks Hall. Admission is 75c each. With everybody home for Christmas the Holly Frolic is always a grand re-union of old friends and acquaintances. 25-6x

## Board of Trade Recesses For Holiday Season

Board of Trade members on Wednesday were treated to a sumptuous Christmas dinner at the Rio Cafe, they being guests of the host Suey Fore on this occasion. The kindly action was much appreciated and Manager Fore of the Rio was called in and thanked by the Board's president.

The Board of Trade now recesses for the holidays with the first meeting of the new year being scheduled for Wednesday Jan. 5.

**Your Christmas Greeting Advt.**

*The Standard will publish the Christmas issue next week. All orders and copy for Christmas Greetings ads must be in the office by Saturday noon, Dec. 18.*

*The Standard has a special Greeting Service and advertisers may make their choice from 100 or more illustrated adverts.*

*A Greeting ad is the most economical method of reaching more than 8,000 readers in town and district.*

Rhea Ireland, Stewart Cooper Lead Scorers

## Carmen House Wins V.H.S. Basketball

The reason for all the excitement at V.H.S. last week was the fact that the last games of House League basketball were being played. These were the final results:

| House | P | W | L | Pts. |
|---|---|---|---|---|
| Carmen | 14 | 11 | 3 | 22 |
| Service | 14 | 9 | 5 | 18 |
| Laurier | 14 | 1 | 13 | 2 |

The high scorers in Girls' House League were Rhea Ireland with a total of 73 points and Hazel Barr 55 points. Stewart Cooper led the lads' scoring race with 81 points and Bob Hemmingway followed with 37.

House League curling will begin in January and chances are that Laurier will even up the scoring race for total points.

Also in the sports news at V.H.S. is word of a basketball tournament scheduled for Jan. 9 here. Visitors are expected to be Provost, Irma and Wainwright.

CHRISTMAS CONCERT

The annual Christmas concert is to be held ... Dec. [illegible] and a variety of entertainment is being planned. A one-act play will be presented by Mr. Dowling's Dramatic class. Carol singing by the Jr. high, tumbling by the Gr. X boys' Phys. Ed. class and a surprise [illegible] some of the high school girls!

Will Prove Musical Treat For Everyone

## Christmas Carol Service In Theatre On Sunday Evening Next

WILL PROVE MUSICAL TREAT FOR EVERYONE

Vermilion musicians headed by the Mixed Chorus will present a program of Christmas carols at the Columbia theatre on Sunday evening before Christmas, December 19. The Chorus will be augmented by members of the choirs of the United and Anglican churches and will number upwards of 50 voices.

Many well known carols will be sung, and some which are not so familiar. For instance, the child's Christmas carol "Rocking," a translation from Czecho-Slovakia, will be sung for the first time here. The program will be climaxed by the "Hallelujah Chorus" from Hendel's Messiah.

Present plans call for some 17 numbers but this is subject to some slight change.

Entire proceeds will be donated to the Salvation Army Christmas Cheer fund to be used for needy families within the town and immediate district.

## Frank Clark Hurt In Fall From Derrick

(FROM WILDMERE WINKS)

Frank Clark, son of Mr. and Mrs. Wm. Clark of the Triangle district was seriously injured when he fell over 50 feet from an oil derrick. The accident occurred near Grande Prairie on Sunday last.

Although details are still lacking here it is understood that Frank suffered fractures of both arms and both legs as well as internal injuries. His condition was regarded as critical.

On receiving word of the accident Mr. and Mrs. Clark, Ian and Alice left immediately for Grande Prairie. The injured boy was a valued employee of the oil drilling company as working on derricks did not bother him in the least. How the accident happened was not known here when the parents and family left for Edmonton and the north.

## Tigers Called To First Practise

The management of the Vermilion Tigers is calling all players to a practise which will be held on Sunday morning at 10:30 at the V.S.A. rink. Everyone who hopes to make a place on the team is asked to attend this practise.

## Purchase Land, Plan New Church At Clandonald

At a meeting held at Clandonald on Dec. 5 plans were made for the purchase of property in Clandonald for the building of a church by the Ukrainian Catholic church of St. Dmytrio. Father Charkowski was present and there was a very good attendance of the church adherents.

Following the meeting lots 3 and 4 in block 1 were bought for $175. There is a good possibility that construction of a church on this land will start late in 1955. Activities to raise money for the building fund are already under way.

## Elks New Year's Eve Frolic

Once again the Vermilion Elks will hold their annual New Year's Eve frolic and this will be the big celebration in Vermilion and district. The dance will start at 9 and continue until everyone is ready to go home. There will be noisemakers, novelties, confetti — in other words favors galore to help everyone celebrate the coming in of the New Year. It's the big event of the holiday season and a grand time to see old friends who are home for Christmas and New Year's. 25-6

## Overflow Crowd Hears Legion Show On Friday Evening

An overflow crowd gave the Canadian Legion concert, presented by some two dozen young people of the town and surrounding villages, a great reception on Friday evening last, and the young performers well merited the applause.

The show was given in the Armories and the building was crowded with many standing at the back. Director and coach of the fine presentation was Bob Carmichael, while the sponsoring body was the Canadian Legion. Accompanist for all numbers was Miss Jean Kibblewhite and an excellent accompanist she proved. Make-up was in charge of Doris Salisbury and Ruby Butler. A host of other young people helped with ushering, curtain pulling and the numerous other jobs necessary to ensure the running off of the program.

Expressing the appreciation of the attendance and explaining the object of the presentation by the young people, was made by Mr. Victor Tillett, president of the Canadian Legion.

The program was started on the right note by the lively music of Fred Stuparyk and his jamboree boys orchestra of Derwent. There were six in the group, five stringed instruments and the drums, and these boys could really stir you up.

The six C.G.I.T. girls with their presentation of chorus work pleased the audience greatly and everyone hopes to hear from them again. The group was comprised of Anne Stewart, Barbara Green, Connie Harle, Ruth Beatty, Margaret Goodwin and Sue Carmichael.

Something a little different were the accordion selections given by Misses Bernice Romanchuk and Mary Hull. These instruments have not been heard very much in town and handled as they were by the two girls proved very popular numbers on the program.

The three Mannville artists really scored a decided hit with the big audience. Miss Betty Proudfoot with her solo selections, rendered with clear lovely tones and very true was called back for several encores. The two girls, Doreen Gerhart and Norma McLarkie with their repertoire of comic songs and actions simply brought down the house.

Another comedy act that had the audience splitting their sides was the duet by Mrs. Rae Curtis and the master of ceremonies Bob Carmichael. Mrs. Curtis also gave a monologue, "At the Ball Game" that was very well done, truly comical and witty.

An act of a different type was that of the two gymnasts, Mrs. Min Williams and her brother Jack Caro. Their display of gymnastics was rhythmically done and brought great admiration from the audience. Mrs. Williams, who lives in the Bowell district, is teaching gymnastics to seven small girls and introduced the future acrobats to the gathering.

Another crowd pleasing act was the tap dancing done by Mrs. Dot Crockford, who returned to this art after being away from it for some ten years, but no one would ever have guessed that she had ever given it up by her performance. She appeared a second time in a duo tap with a protegee, young Robert Carmichael. Both presentations pleased the crowd and they voiced this pleasure with tumultuous applause.

The final was a black face act by a group of Islay men, Harry Young, Bill McLean, Jack Bauman, Ivan Inman and Frank Young. Minstrel songs and a skit made up the presentation of this comic group. The audience took to it wholeheartedly and asked for more.

The whole presentation, described as a rehearsed amateur show, was very entertaining and brought forth praise for the young people taking part, to their director and master of ceremonies, Mr. Bob Carmichael much commendation and many congratulations for a job well done, with due thanks to the Canadian Legion for sponsoring the idea and backing the plan wholeheartedly.

Plans are to present the show at several other places in the near future. Another concert with an entire change of program will be presented in Vermilion early in the spring.

# The FAO . . .

The recent address on the Food and Agricultural Organization, delivered here by Mr W. Earl Bower at the Farmers' banquet of the Board of Trade, has engendered a lot of interest in the F.A.O. The result has been that the Standard has been besieged with questions regarding the history, purposes and actual work of the organization. It is hoped that the following summary will answer these queries.

Relatively few people in the well-fed nations realize that more than one-half of the world's population is undernourished and daily faces the spectre of starvation. Until recently little thought was given to these hungry millions. When famine struck an area, temporary relief organizations were set up and when the famine subsided, these organizations disappeared.

Until 1945 there was no permanent body in existence which was charged with the responsibility of increasing the living standards of have-not [illegible]. That year at the Quebec conference of the United Nations, such an organization came into being. It was called the Food and Agricultural Organization and was the first permanent U.N. agency formed. Broadly speaking its function is "to initiate and help carry out developments in the fields of food and agriculture."

From the day of its birth the F.A.O. has had on its hands what seemed to be an almost hopeless task. Its primary operations, naturally, were aimed against primitive agricultural methods, superstition and ignorance. Millions of acres were being scratched with crude wooden plows. Witch doctors [illegible] used to ban away plant and animal diseases.

Despite the odds the F.A.O. has many noteworthy accomplishments to its credit. It has brought steel plows to countries which never had them. It has established a foot and mouth disease commission to control that dread cattle disease in 10 European countries. Rinderpest, which kills 2,000,000 cattle annually in Asia and Africa, is being fought in five separate areas. In Thailand, a vigorous campaign is being [illegible] against poultry disease. At a recent international plant protection convention it was agreed to establish a world reporting service to prevent the spread of plant diseases and insects. During the last two years an anti-locust campaign was fought on a wide front in Africa and the Near East to wipe out this centuries-old destroyer of crops. Other anti-pest campaigns were vigorously waged in Syria, Egypt, Afghanistan, Libya, Ceylon, Iraq and Israel.

The F.A.O. is bringing advanced cultural methods to people who never dreamed that soil could be made to produce more by fertilization, irrigation, erosion prevention, and crop rotation. New species of plants were introduced which resulted in greater yields. Animal and manual labor is being slowly replaced by tractors, harvesters and other mechanical implements.

Given time the men at F. A. O. headquarters in Rome are convinced the problem of world hunger can be licked. Increased production through application of scientific agricultural principles and the proper distribution of agricultural surpluses, in a nutshell, is how they see it could be accomplished.

## Travelling Tudor Show-Room on Trans-Canada Trip

A showroom on wheels, in imitation Tudor style filled with English candies will soon be making its way across Canada from Victoria to Halifax. An idea of young English businessmen, this unique vehicle was shown in London before leaving for Glasgow on the first leg of its 3000 mile journey. The van will arrive in Vancouver on Feb. 8 and the tour will end toward the latter part of August at Halifax.

## A Tip From Santa

## LOCAL GOVERNMENT IN ALBERTA

The function of the Department of Municipal Affairs is the general supervision of local government in Alberta. Dealing chiefly with assessments and taxation, the Department assists municipal officials in their business management problems.

Each of Alberta's cities, towns and villages, has its own local government. Rural areas are divided into municipal districts and counties and these too have their own councils charged with carrying out well-defined responsibilities.

Improvement Districts comprise the outlying lands in the Province which are not sufficiently well developed to assume the responsibilities of local government. As population increases, improvement districts become municipal districts with their own elected councils, but until they reach this stage of development their affairs are administered directly by the Department of Municipal Affairs.

The Special Areas in south-eastern Alberta is another section of the Province which does not have local self-government. These areas are administered by a Special Areas Board directly responsible to the Department of Municipal Affairs. Headquarters of the Board is at Hanna.

In 1950, The County Act became law under which the council of a municipal district or the board of the school division may request that their district be established as a county. In a county, a single local government, called a county council, combines the work formerly done by the municipal council and the local school board. One council instead of two, and one budget instead of two means greater economy, more efficient administration and improved and expanded services can then be rendered.

Many requests for the change have been received and by 1954 five counties have been established in widely separated and different parts of Alberta. All five are operating efficiently and there is little doubt that further counties will be established in the Province.

The Department of Municipal Affairs is divided into several Branches. One of these, the Assessment Branch, sets up uniform standards of assessment throughout the Province, and deals with adjustments or revisions of various assessments where these are required. Upon request the Branch will undertake the assessment of any town, village or hamlet and will absorb fifty per cent of the cost.

The Municipal [illegible] Branch conducts an annual inspection of the books and records of all towns, villages and municipal districts, in Alberta, paying particular attention to their by-laws, budgets and methods of finance. This Branch also looks after any changes in status or boundaries.

The Field Service Branch assesses all lands in improvement districts, collects a considerable amount of taxes and values various parcels of lands for other government purposes.

The Tax Recovery Branch supervises the enforcement of The Tax Recovery Act under which land may be sold for unpaid taxes.

The Town and Rural Planning Branch is the [illegible] of the Provincial Planning Advisory Board. It provides technical assistance on town planning wherever this service is requested. No charge is made for expert advice on such matters as road [illegible], general plans and zoning by-laws for a 20-year development program. This Branch is responsible for the planning of Drayton Valley, Alberta's youngest townsite.

The Minister of Municipal Affairs is also the Minister in Charge of Civil Defence for the Province and the Provincial Secretary.

## NEWS OF THE DISTRICT

# Clandonald F.U.A. Elects New Officers

Nearly Christmas and still no sign of any real winter. The unusually mild weather is proving of great benefit as regards caring for livestock, also [illegible] the heating problem.

The dust has pretty well all settled now following the big F.U.A. roundup on Nov. 22. Results in this district can be considered very satisfactory, about 73% joining in the township canvassed — much better than the original objective.

At a very successful meeting held in Rye school a new slate of officers was elected for the coming year and two delegates to the annual convention. Leading the Local this year as president is Alistaire Lawrence, while the post of secretary-treasurer is being taken care of by Henry Dyjur, a young farmer who only recently became a member. Convention delegates elected were Norman Seal and Henry Dyjur. This Thursday we are looking forward to a very interesting report on the proceedings at last week's gathering of farmers.

NEIGHBORLY ACT

The Cunningham home north of town was the scene of a gathering of friends recently, the occasion being the presentation of a very substantial sum of money to Mr. and Mrs. Cunningham. It will be recalled that not long ago we reported in these columns that this family had been receiving more than their share of bad luck. When some of their friends went around with the object of collecting a few dollars to show their sympathy the results were truly amazing. Which goes to prove that the old pioneer spirit of the west is still very much in evidence in these parts.

Mr. and Mrs. Rowntree recently received word that their younger son Arthur who joined the air force several months ago is being moved to Cold Lake. Since joining up he has been stationed most of the time at St. John's near Montreal.

A party of hunters comprised of Don Goad, John Forsyth and Donnie Atfield left last week to hunt elk south west of Edmonton near Sundre. So far we have not heard what success they have met with.

Bert Shaw reports a very pleasant holiday at the coast and while there saw many former district residents including the MacNeil and Atfield families.

We are sorry to learn that Harold Webadale was a patient in the Vermilion hospital for some time. He developed very serious trouble with the circulation in one arm and it appeared an amputation might be necessary.

Mrs. Goddard is back at her teaching duties once more following a lengthy illness. During her absence Mrs. R. Mead had charge of the junior room.

# The Origin And History Of Christmas Carols

By JACK BROWN

PART II

Therefore the carol made its appearance late in Christian history — not until the modern spirit of humanism had dawned upon the Middle Ages. It was a creation of the fifteenth century. Popular singers and reciters had always existed and the curious early 12th century Anglo-Norman Wassail song, "Seignors ore entendez a nus", shows, as we should expect, that minstrels did attend the baronial hall at Christmas time; but it was not until the 14th century that English poetry developed from homiletic verse, the metrical chronicle, and the melancholy poetry of the preceding two hundred years into the metrical romance, and Chaucer arrived with the Italian humanism and his new demonstration of the possibilities in the 14th century, and religious literature, including hymns, spread as a result of this and of the activity of the preaching of friars.

Only in the lifetime of Chaucer are the signs of the Carol beginning to emerge as something different from a poem. It is difficult if not impossible, to find any example of an authentic Carol which can with certainty be dated earlier than 1400. Professor Saintsbury says definitely that the oldest Carols date from the 15th century. The Carol in fact was a sign, like the mystery play, of the emancipation of the people from the old Puritanism which had for so many centuries suppressed the dance and the drama, denounced communal singing, and warred against the tendency of the people to disport themselves in church on the festivals. But even in the twelfth century and even in the church the instinct for dramatic expression was in revolt, and Abbot Aelred of Rievaulx complained of chanters who gesticulated and grimaced while singing the sacred offices and imitated the sound of thunder, of women's voices and the neighing of horses. In other and more seemly ways, anthems, sequences and tropes were sung with increasing dramatic emphasis, till from them the mystery play developed. The struggle went on, and the muses gradually won: about the time when the English barons rose against King John, Pope Innocent III forbade 'ludi theatrales' in church, and his order was repeated by Gregory IX. Saint Francis, their contemporary by his jovial singing as well as by his invention of the Christmas crib, gave a great impetus to the new conception of music and drama in the 13th century.

There is a glimpse of the transition in the description printed in "Histoire de Theatre en France" by Julleville, of the crib ceremonies at Rouen in the 14th century. But by this time the mystery play had become in many places a real form of drama, performed outside the church.

English drama in the literary sense dates back from about the year 1300; the Guilds took up the mystery play and brought it to full flower, gradually increasing the secular element at the same time. The old drama thus reached the top of its vigor in the 15th century. Such developments led to the writing of religious songs in the vernacular, as in the Coventry Carol (which will by the way, be sung at the Carol Service on Dec. 19) and also to the gradual substitution of folk-song and dance tunes for the winding cadences of liturgical music. The 15th century was a great era of musical development. England led the way in counterpoint for the Netherlands under the influence of composers like John Dunstable, who had a European reputation twenty years before he died in 1453. The 15th century was also the special time of the ballad production in England. There was little before. The ballad is another example of popular tradition. It began in the dramatic singing of a throng of people under a leader, and in its earlier form was sung with a refrain. Ballad means a dancing song, just as 'Carol' does. There was a drawing together with a new music, in what was still almost a new language of minstrel literary, and folk poetry in the 15th century. The Ballad was one of the forms in which many of our traditional carols have been cast, as for instance The Cherry Tree Carol. The Carol rose with the Ballad in the 15th century because people wanted something less severe than the old Latin office hymns, something more vivacious than the plain song melodies. This century rang up the modern era. It was the age of the spread of humanism in England, where it culminates in the new learning.

The average length of time under construction of new homes built in Canada in 1953 was 12 months. — *Quick Canadian Facts*

## NEWS from ISLAY

Holidays will soon be here and Christmas concerts are in the offing. Islay will hold their concert on Dec. 23.

The Sunday service was very nice and the visiting choir much enjoyed. It was really heartening to see the church so well filled.

There was sadness in the house of the Chas. Robertson's last week as their dog was run over and killed by a trucker. A little more care should be exercised by all motor vehicle drivers when humans and animals are on the roads.

All Islay residents are now enjoying a new brilliance in their lights now that Canadian Utilities stepped up their voltage here since the furnace in the school exploded. We are really enjoying the bright lights.

Rinks are being flooded and the weather has been ideal for this for the last week.

Ulva McFadyen is now home after a few weeks in Islay hospital. We will be glad to see him on the street and hear his jolly laugh again. We really missed you Ulva.

Our bazaar on Saturday was well attended. Proceeds were very gratifying. Pleased to see Mr. and Mrs. Bill Rosbuck and Harold present. The children did well by the ice cream, so did many of the adults, having pie a la mode. It really was delicious and that blueberry pie — yum, yum!

Mr. Bill Purves and Mr. Jim Barnett were in Lloydminster on Saturday and yes, so was Mrs. Purves — but she came to the bazaar before she went.

Noticed George Purves assisting in the P.O. The mumps have been getting after the postmistress and at the same time the postmaster looked quite full about the jaws, a little thinner and more natural now. Mumps appear to be no respecter of persons these days.

### W. M. S.

The W.M.S. of the United church held their last meeting of 1954 in the church hall. The president Mrs. Robinson opened with prayer and Mrs. Robinson, Mrs. M. Barr and Mrs. H N Stephens were in charge of devotional. Roll call revealed 18 members present. Mrs. K. Stewart was present as a guest. Reports were given and the minutes read and approved. Business arising was completed.

Miss Margaret Goodwin then played a lovely piano solo. Mrs. M. Hill sang a Christmas carol accompanied on the piano by Mrs. H. N Stephens.

The little bazaar was opened and lots of fun was enjoyed seeing what each of the members received. The committee in charge then served a tasty lunch which was greatly enjoyed and a social half hour spent before breaking up for the year.

## WILDMERE WINKS

Mr H R Howard of Edmonton visited a couple of days with her son Lloyd and family of Wildmere last week. It was nice seing our neighbor again after so many years.

Miss Anne Garnett of Basswood is working at the University hospital at present.

Little William Haines, son of Mr. and Mrs. Fred Haines has been a patient in the hospital this past week. We hope you can come home before Xmas William.

J Wilson came home from the hospital after spending 16 days on Friday last week. He is still quite weak and not able to do any work. Gary Cruthers is working for him. Dave Hughes also came home on Saturday. A quick recovery is wished these sick folks.

Congratulations to Mr and Mrs. Arnold Ruud on the birth of a baby girl Dec. 7; also to Mr. and Mrs. Noel Garnett of Basswood (nee Julia Farkash) on the birth of a 7 lb. 10 oz. son on Monday night of this week.

Donnie Fadden celebrated his 9th birthday on Dec. 5. Elnora and Larry Donily and his aunt and uncle Mr. and Mrs. H. Frissell, little cousins Isabelle and David helped him celebrate it. May you have many more happy birthdays Donnie.

We had nice chats on Saturday with Mrs. C. Barr, Doreen Stone, Mrs. Moore, Mrs. Howard, Mrs. Wilson, Miss Besse and Mrs. Holte.

Can anyone beat this? Mrs. J. Wilson had a pullet lay 15 eggs and when Mrs. Wilson found her she was setting on them. She broke up the nest as she did not want to bother with late chicks!

Baillie Holte was the F.U.A. delegate from the Wildmere group to the convention held in Edmonton last week.

There will be no Winks next week. We wish to extend to our Editor and staff, all our readers, fellow scribes, best wishes for a Very Merry Christmas and a Happy New Year! Please remember everybody drive carefully and make coffee your drink for the road.

## Kitscoty News

We are pleased to report that Mr J. Rutherford, Mr H. Beaton, Mr. R. J. Fox and little Miss Eileene Parkin are all home from hospital and much improved in health. Mrs. John Dale and Mr. Burton Parker are still in hospital but, we are pleased to report, are improving.

Here is some news for you cribbage players -- during the last month two 28 hands by Bob Fox and Andy McGladrie were held, and on Thursday evening Mr T Givens playing with Mr Fox held the perfect crib hand a 29.

The Ladies Curling club will sponsor a Boxing night dance in the Kitscoty town hall on Dec 27 with music by "Vic's" orchestra. A lunch will be provided and everyone is welcome.

Mr. and Mrs. Fred Armstrong and family of Grand Centre were week end guests at the home of their aunt Mrs. A. McClelland.

Congratulations are extended to Mr and Mrs Alan Lymburner, proud parents of a baby daughter born Sunday Dec. 12 in Lloydminster hospital.

Mr Hugh McGregor is home again from Iraq and is visiting his sister and brother-in-law Mr. and Mrs. A. McLean and family and with his brother George and Mrs. McGregor and family.

Little Miss Linda Revang of Lloydminster has been visiting with her grandparents Mr. and Mrs. J. F. Finlin.

Mr R. M. Mathewson and Mr and Mrs. Ken Tinney, all of Edmonton visited with Mrs Mathewson during the week end.

Mr. Stan Byrt left recently for Fort St. John where he is employed by an oil company.

## Canadian To Speak At Burns Dinner

Mr L. H. Brockington, CMG, QC, president of the J. Arthur Rank Organization of Canada Ltd., will be one of the speakers at the Burns dinner which will be held on Jan. 18, at Ayr, Scotland. The Burns International Festival, the biggest event of its kind ever held, will be from Jan 17 to 25 and some 200 overseas delegates and approximately 600 U.K. delegates are expected to attend.

## Mrs. Beth Seale Heads W.A. Group At Auburndale

The combined groups of Auburndale United church met at the home of Mrs. Nora Eyben for their annual meeting on Dec. 1. The devotional period was given by Mrs. Bessie Stone followed by a report of the St. Paul United church rally which was held at Minburn last September, by Mrs. Agnes Green.

The retiring president Mrs. Mary Arthur, conducted the meeting with Mrs. Wyn Kennedy as secretary. The president-elect is Mrs. Beth Seale of the Battleview group. The secretary will be elected from the same group later.

Lunch was served by the Heatherbell ladies, concluding a very enjoyable evening.

CIRCLE 8 XMAS PARTY

## LOCAL NEWS

MASONS JOURNEY TO VEGREVILLE

On Monday evening Dec. 6, four members of the Masonic Order travelled to Vegreville to attend St. John's Lodge, the occasion being the official visit of J. W. G. Morrison, representative of the Grand Master for Alberta. An instructive and friendly time was enjoyed, Vegreville as usual proving themselves to be excellent hosts. During the trip an interesting point was discovered, the four occupants of the car, J. W. G. Morrison, John Brimacombe, Dr. Goodwin and Thos. Watts had a combined age of over 300 years, with Masonic membership a total of 207 years, seldom would one find a car of 'youngsters' together with this aggregate. The 'kid' of this group was the driver, Tom Watts, the others being all over 80 years.

BROWNIES ENTERTAIN MOTHERS

Monday, Dec. 13th, St. Saviour's parish hall was the scene of a very gay tea. The Brownies of both packs served tea to their mothers and presented each of them with a little gift which they had made themselves. The leaders were very pleased with the wonderful turnout of mothers who thus demonstrated their interest in, and support of the Brownies and their leaders.

A Merry Christmas and a Happy New Year to all from the Brownies. Our next regular meeting will be on Jan. 10.

BORN—To Mr. and Mrs. Al J. Hebert (nee Grace Cooper) at Windsor, Ont., on Nov. 25th, a daughter Pamela Louise, weight 8 lbs.

Mrs. Ben King won a prize on CHED radio station from Edmonton last Wednesday, over the "name your favorite announcer" program. The grand prize, drawn for this week, on the same program is a Pontiac car.

The following floral tributes and donations have been received in memory of the late Mr L. L. Kehoe: Anglican Church Building Fund — Mr and Mrs. Bob Allen. T. B. Xmas Seal Fund — Ruth and Harold Moyer. Spiritual — Mrs. M. Clark. Mrs. William John Shane, Leona McFadden; Flowers — Ted Schurman, Elsie Tessman.

CARD OF THANKS

We wish to express our sincere thanks for the generous donations we received from our many neighbors and friends.

Clifford, Marg and Glen Cunningham.

## THE STAGETTES

The Stagettes were kept very busy last Monday evening when they went from house to house selling Xmas candy. We wish to thank Mr Sutherland for his co-operation in letting the Stagettes use his office as headquarters for their candy sale. Thank you, everyone, for supporting the candy sale so wholeheartedly and making it a big success.

We have been busy also planning the annual Holly Frolic hoping to give you all a wonderful evening. The lovely walking doll with her large wardrobe, will be raffled at the dance. Be sure you are there to see who the lucky person is. It may be you!

The new Stagette members received the last part of initiation service on Tuesday Dec 7. Knowing that they are now full fledged Stagettes makes them very happy. I am sure they will enjoy being with us.

The hamper project is nearing completion. Many lovely boxes will be delivered on Dec 24 bringing Christmas cheer through the doors of many houses.

See the advertisement in next week's Standard for details of the Holly Frolic. Tickets are now on sale. Buy yours early.

Mr. and Mrs. Wm. George Lyons announce the engagement of their daughter, Gwendolyn Elva, to Mr. Earle John Swift, son of Mrs. Swift and the late Mr. Swift of Saskatoon. The marriage will take place at the United church, Vermilion, on Saturday, January 8th, 1955, at 3:00 o'clock in the afternoon.

Mrs. Phyllis Miles announces the engagement of her daughter, Ethel Marie, to Mr. Russell Howard Sutton, eldest son of Mrs. E. T. Rooks of Vermilion. The wedding will take place in the First United church, Vermilion, on December 29th, 1954, at 3:00 o'clock in the afternoon.

Mr. and Mrs. Garry Pringle of High River were recent week end visitors to Vermilion where they attended the 43rd wedding anniversary of Mrs. Pringle's parents, Mr. and Mrs. A. Galloway.

Mrs. A. M. West plans to leave this week end for Winnipeg where she will be joined later by Mr. West for Christmas at the home of their daughter and son-in-law and family Mr. and Mrs. Ken Holte. Mrs. West is travelling by Canadian National.

Friends will be interested to hear that Mrs. T. N. Kearns has returned from Chilliwack, B.C., as the climate did not agree with her. She was glad to get back to sunny Alberta and is now residing at 11310-115 st., Edmonton.

Mrs. A. E. Taylor plans to leave Vermilion via Canadian National on Dec. 20 to spend two months with her daughter Mrs. Geo. Brown at Saanichton, Vancouver Island.

Mrs. H. B. Reah has gone to the Agnes Forbes Lodge at Fort Saskatchewan where she plans to spend the winter months.

Ed Baldwin plans to leave this Friday for West Summerland, B.C. in the Okanagan where he will spend the winter months.

Mr. and Mrs. Al Henkelman of Edmonton were week end visitors with Mr and Mrs Bill Olsen and family at the school of agriculture.

Mrs. E. G. Green now residing at Abbotsford, B.C., asks the Standard to convey Christmas greetings to all her old friends and neighbors around Vermilion.

Chas. Earp is leaving on Dec. 22 by Canadian National to join Mrs. Earp at Qualicum Beach, V.I. for Christmas and New Year's.

CLANDONALD HALL

Showing at the Clandonald Hall on Fri. and Sat., Dec. 17 and 18: "The Affair of Dobie Gillis," with Effie Reynolds and Bobby Van; a good comedy. Next week end, Dec. 24 and 25: "The Girl Next Door." News reel each week.

DERWENT THEATRE

Showing at the Derwent Theatre this week end, Sat. and Mon., Dec. 18 and 20: "I Can Get It For You Wholesale" with Susan Hayward and Dan Dailey. Wed. and Thur., Dec. 22 and 23: "The Yellow Cab Man"; you'll laugh till you cry at this one. Next week end, Dec. 25 and 27: "Red Mountain."

## Increased Scottish-Canadian Trade Urged

Some 100 Scottish industrialists met representatives from Canada House, London, in Glasgow recently to discuss ways of increasing Scottish-Canadian trade. Lord Bilsland, Chairman of the Scottish Council (Development and Industry) described Canada as the land of greatest opportunity in the world". He said he felt that Scotland could well supply many things needed in expanding Canadian economy and urged Scottish businessmen to visit Canada.

## MANNVILLE & DISTRICT LOCALS

The library will be closed Xmas day and New Year's day but will be open on both Tuesday Dec 28 and Jan. 4 from 12 to 1 o'clock, and on Friday Dec. 31 (Saturday hours).

Mrs. Harry Arnold is reported progressing favorably in the local hospital after undergoing an emergency operation on Sunday morning.

Mr. O Rudd is visiting with his son and family, Mr. and Mrs. R. Rudd.

Help the Crippled Children fund! Mr Chas. Anderson is selling Xmas trees and all proceeds over and above expenses will be donated to this very worthy cause. This is your chance to buy a nice tree and do a good deed at the same time.

Mrs Edith Pedersen and Mr Johnnie Baldwin are helping with the Xmas rush at the local post office.

The Legion Frolic will start at 12:01 a.m. on Dec. 27 with doors opening at 11:30 p.m. Dec. 26. It will be held in the Legion hall.

Misses Reta Majeau and Arlie Whitson were home for the week end from Edmonton.

The Variety concert on Friday Dec 17 in the Orange hall will feature artists from Mannville, Vermilion, Borradaile, Islay, Kitscoty, Marwayne and Derwent.

Mr and Mrs. E. Woods, Mr and Mrs L. Smith, Mr A Crawford, Mr J McLuckie and Mr. Roy Woods motored to Lone Rock, Sask. on Tuesday to attend the funeral of the late Mrs. May McLuckie.

The local fire brigade responded to a call for assistance from Minburn on Tuesday morning when the Alberta Pacific elevator was afire. Fire was confined to the pit but extent of the damages were not ascertained at time of writing.

Bingo Numbers for the Elks news paper bingo this week are B 6, B 7, O 73. Complete list of numbers in the Standard every week, check your cards carefully.

UNION

Dance at Union school on Friday Dec. 17. Horpestad's orchestra. Everybody welcome. 25

## Demonstrate Cooking With Gas, Mannville

MANNVILLE — On Wednesday evening last, Miss Marjorie Fairbairn, B.Sc. Home Service Director and Mrs. Kalina Bolleau B.H.Sc., Home Service assistant of the Northwestern Utilities, prepared and cooked a number of very tempting and appetizing dishes before an appreciative audience in the Legion hall. As they prepared the various dishes, they demonstrated the advantages of gas and the new gas ranges. Oven meals complete with dessert, broiler meal and broiler snack, as well as several cakes and squares were on display.

Tickets were given the guests as they entered the hall and draws were made for prizes. The big prize a Mixmaster was won by Mrs. C. Manz. Winners of the food and dishes in which it was cooked or displayed were as follows: Mrs. A. Emmott, Mrs. H. Drayer, Mrs. H. Hamilton, Mrs. W. Ross, Mrs. J. Finlay, Mrs. D. Otto, Mrs. Ballentine, Mrs. D. Croft, Miss A. Clark, Mr. John Schork, Mrs. H. Dirkson of Innisfree and Mrs. J. Modin.

A number of officials of the Gas Co. were present to answer any questions asked by those present at the meeting. Mr. Pohlkover spoke on the more modern gas appliances, the gas clothes dryer and the garbage disposal incinerator. A gas refrigerator was also on display and used in the demonstration.

## Mrs. J. Willes Heads Claysmore W. I.

The annual meeting of the Claysmore W.I. was held on Dec. 9 in the Claysmore school. There were ten members present. After the opening exercises the following slate of officers was elected for 1955 at the end of the evening.

1st Vice-Pres.—Mrs. F. Watling
Secretary—Mrs. J. Horne
President—Mrs. J. Willes
Directors—Mrs. G. King, Mrs. McMillan, Mrs. R. Bauer
Treasurer—Mrs. A. Olstad
Press Reporter—Mrs. H. Williamson

Some changes were made in the standing committees as follows: Mrs. A. Van Nest taking Mrs. Horne's place in Social Services. Mrs. F. Watling was appointed chairman of the U.N. committee.

A Program committee was appointed to get the books in order for distribution at the January meeting. Plans were made for the Christmas concert which will be held in the Claysmore school on Dec. 18 at 8 o'clock p.m.

After adjournment a delicious lunch was enjoyed by the members.

## Bowtell Bulletin

The November meeting of the Busy Bees was held at the home of Mrs. B. Gould. Some 15 members and four guests were present, the latter being Mrs. L. Gould, Mrs. Jenkins, Mrs. Hardie and Mrs. Walker. A $10 donation was made to the T.B. fund. The Xmas tree will be held at the hall on Dec. 20. Place of next meeting will be held at the home of Mrs. O. Repp. A pot luck dinner will be held.

Henry Strang was a guest for supper at the writer's home Sunday.

Mrs. Sherwood received a letter from a schoolmate in England, one whom she hadn't heard from for 30 years. Said letter was addressed to her in her maiden name. Due to the good memory of our local postmaster we received the letter promptly.

Isabell and Jimmy enjoyed supper at the home of Mr. and Mrs. B. Wells on Sunday.

We are pleased to learn that Mrs. Knutson is home from the hospital and feeling much better.

We wish to extend to our readers and our Editor and staff a Merry Xmas and a Happy New Year!

Mild and lovely weather continues the fall ranking with the finest in history. Ice-makers in both rinks are having their difficulties and curling and hockey seasons are in for a late start. Artificial ice seems to be the only answer to this situation.

In contrast to today with its high of 30 above and low of 18 above, one year ago Dec. 16, 1953 it was 13 BELOW with the highest temperature of the day then reaching 11 above.

DAILY TEMPERATURES

| Date | High | Low |
|---|---|---|
| Dec. 9 | 26 | 10 |
| Dec. 10 | 31 | 12 |
| Dec. 11 | 27 | 7 |
| Dec. 12 | 40 | 12 |
| Dec. 13 | 32 | 19 |
| Dec. 14 | 27 | 9 |
| Dec. 15 | 28 | 20 |
| Dec. 16 | 30 | 18 |

## Union F.U.A. Notes

An interesting meeting of the Union F.U.A. local was held in the Union community hall on Dec. 7 with 13 members present. Art Ganton was elected president and Joe Ahlgren secretary.

One neighbor told of selling a steer hide for 50 cents and then paying 50 cents for a pair of leather shoe laces for his high top boots at a store. There was also lively discussion on Marketing boards.

It is hoped to have a picture show at the next meeting some time in January. Watch the Standard for announcement.

Following the F. U. A. meeting there was a meeting of the Union Community Association. It was decided to hold a work bee on Friday Dec. 10 to saw up some wood very generously donated by Robert Galloway. The secretary announced that the association had paid $27 in light bills for one kilowatt of juice used. This was followed through the next day at the annual meeting of the Borradaile Rural Electrification Co-op. by a resolution to have the rate of all community halls set at $1.50 per month minimum instead of the present $3. This is something that other F.U.A. locals and community associations might well follow up resolutions of their own.

The F.U.A. round up was a decided success for the Union local. The members signed up 36 members in that day and others since to a total of 40. It was pleasing to run into a canvasser from Wildwood and Wildmere too, and Tolland was out in force also.

*Check that date label on your Standard today!*

## Three Couples Celebrate Silver Wedding Anniversaries At Dewberry

A recent gathering of friends, neighbors and relatives was held in the Dewberry hall to celebrate the 25th wedding anniversary of three esteemed couples of the district, Mr. and Mrs. W. Curtis, Mr. and Mrs. D. Volker and Mr. and Mrs. G. Ewen.

There was a little dancing, music being supplied by the Parker's gramaphone.

Mr. Harlan Green gave a few selections on his piccolo and saxaphone, accompanied on the piano by Mrs. J. Braithwaite. A few songs were rendered by Mrs. M. Hudson, Mrs. H. Craige, Jean and June, and Miss E. Parker.

The table was centred with three beautifully decorated 3-tiered cakes decorated identically. The cakes were made at the home of Mrs. Sol Lemp by Mrs. Lemp, Mrs. Parker and Mrs. H. Craige.

Mr. Gerald Hodgson was Master of Ceremonies and presented Mr. and Mrs. Curtis and Mr. and Mrs. Volker each with a chest of silverware in the Ballerenia pattern. Mr. and Mrs. Ewen received a set of stainless aluminum ware. Besides this each couple received a purse. Fitting replies were made by the brides and grooms of 25 years ago.

During the evening Mr. Harlan Green took numerous colored flash photos.

A very delicious lunch was served, and the enjoyable evening was brought to a close by all singing "Auld Lang Syne".

# Health Unit Notes

ESTABLISHING GOOD FOOD HABITS IN CHILDREN

Simple well-cooked meals served at regular times, in pleasant surroundings will go far toward encouraging good food habits in children. The most important consideration is to see that children eat a variety of foods and do not fill up on one food they like best. When introducing new food to a baby present it at the beginning of the meal, when the baby is hungry, and give only a small amount. If the baby appears not to like it do not act concerned or scold him, but give him another small bite in a moment. If he persistenly refuses, and it is a food that is very desirable you may find that he will take it if you mix it with some other food to which he is accustomed. Sometimes it is a good idea to wait several days before trying the new food a second time.

Parents' anxiety about their children's eating is frequently the cause of poor food habits. Even babies and very young children may refuse to eat, as a means of getting attention. Habitual refusal should always be a sign for talking things over with the doctor. Children's appetites, like those of adults, may vary from day to day so that occasional lack of appetite should not cause alarm. No attempt should be made to force the child to eat as it is likely to result in an emotional upset which may have a permanent effect on his attitude toward food. Also when a child who has always had a good appetite refuses to eat, it may mean that the child is not well or is not getting enough rest.

HOURS OF SLEEP

The very young baby sleeps from 20 to 22 hours out of the 24, but gradually the length of time he sleeps grows less, until at six months he is sleeping about 16 to 18 hours.

From the first he should have his longest sleep period at night for your sake as well as his own. By the time he is 9 months old, he should be having 12 unbroken hours of sleep at night. As the amount of sleep your baby needs grows less you will find that one of his daytime naps becomes shorter. Perhaps before he is 18 months old he will no longer need two naps a day. Between the ages of 2 and six years the number of hours a child sleeps gradually decreases from about 13 to 11 hours out of the 24.

Early to bed should be the rule all through his childhood. Also every young child needs a nap during the day. Some children tend to omit the nap earlier than others. The regularity with which you stick to a certain hour for naps will greatly encourage the continuance of the habit.

The place where your baby sleeps should not be too bright and should be protected from sudden noises and interruptions. However it will not always be possible for him to sleep where it is completely dark and quiet, so it is advisable not to pull the shades all the way down, nor to shut out every bit of noise. The baby should sleep in his own bed when possible. Both he and the mother will sleep better separately, and the baby will not form the habit of having his mother lie down beside him when he goes to bed. A young child also should have a bed to himself. There should be a constant circulation of fresh air in the room in which your baby or young child sleeps. In warm weather all open windows should be well screened against flies and mosquitoes. Bed covers should be adapted to the temperature of the room.

BABY & PRE-SCHOOL CLINICS

Thursday, Dec. 23rd — Albert school 11 to 12 noon.
Friday, Dec. 24 — Rivercourse and Paradise Valley clinics postponed to Dec. 31.

## Ladies' Curling Championships

In October 1952, under the sponsorship of the T. Eaton Co. Ltd., representatives from ladies curling associations of Saskatchewan, Alberta and Manitoba met in Winnipeg to arrange for western curling playdowns. At this time the Western Canada Ladies' Curling Association was organized with Mrs. H. C. Andrews, Moose Jaw, as the President, and plans were completed for the "Eaton Western Ladies' Curling Championship" between the three provincial winners to be held in Regina March 3rd 1953. The following year Mrs. W. Watson of Edmonton presided over the annual meeting of the W.C.L.C.A. at which time Mrs. P. O. McIntyre was declared President for the 1954-55 term with the championship to be played in Winnipeg. B.C. has now affiliated extending the playdowns to the four great western provinces.

The year 1955 will thus see the finals of the Eaton Western championships played in the Manitoba capitol at the Granite club March 14, 15 and 16.

NOTHING BUT THE TRUTH by Russ Arnold

## ISLAY MUNICIPAL HOSPITAL
RATE SCHEDULE 1955

| | |
|---|---|
| Ratepayers | $1.50 per day |
| Contract Holders | $1.50 per day |
| Non-ratepayers | $6.30 per day PLUS EXTRAS |

Non-Ratepayers

Non-ratepayers, resident within the Hospital District may qualify for ratepayers' rates and privileges, by purchasing a non-ratepayers' contract, anytime during the year. This Contract becomes valid 90 days after date of purchase.

Renters

Renters of assessable real estate within the Hospital District may qualify for ratepayers' rates and privileges by securing from the owner of such real estate a transfer of hospitalization privileges. Such transfer must be forwarded to the Hospital office during the month of January. Owners transferring hospital privileges to a renter may not claim ratepayers' rates and privileges within the same Hospital District, regardless of the number of parcels of land under ownership.

Poll Tax

Payment of poll tax to the Municipality does not entitle residents of a Hospital District to ratepayers' rates in the Hospital.

Transfer Privileges

Ratepayers, contract holders, and holders of written transfers of hospitalization privileges, resident within the Hospital District requiring medical or surgical care not available in the local Hospital, may apply to Dr. A. H. Sweet for a Doctor's Certificate. This certificate to be presented to the Hospital Secretary in exchange for a transfer certificate valid in any Edmonton Hospital. The Hospital District will pay $6.30 per day on accounts of such patient transfers.

Non-Ratepayers' Contracts

Application for the purchase of non-ratepayers' contracts may be made by mail or in person to the MATRON or the SECRETARY of the Hospital District.

Contract Rate $10.00 per year per family

BY ORDER OF THE BOARD,
W. L. ROEBUCK, Sec.-Treas.

## Pretty Wedding At Frog Lake

STANLEY—GLADUE

The Anglican Day school at Frog Lake was the setting for a very pretty wedding recently when Marianne Gladue became the bride of Mr. James Stanley.

Officiating at the wedding ceremony and Nuptial Communion was the Rev. R. T. Clennett.

Given in marriage by her foster-mother, Alice Faithful, the bride wore a gold-trimmed rayon sheer dress over taffeta. Styled with a fitted bodice, high round collar and lily point sleeves the dress featured a full skirt gathered at the waist. Her three-quarter length veil was draped from a tiara of flowers. Her jewelry consisted of a matching rhinestone necklace, earrings and bracelet. She carried a bouquet of roses and lily of the valley.

The bride was attended by Charlotte Faithful and Irene Cross as bridesmaids. They wore similarly styled gowns of pink and old rose. Their corsages were of roses.

Also attending the bride were three little flower girls, Julia Fryingpan, Sophia Cross and Rosie Cross, who were dressed in white. They wore flowered headbands and carried bouquets of roses.

The groom was attended by Kenneth Hunt, R.C.N., John Cross and Sam Waskahat.

A reception was held in the Indian hall immediately following the wedding. The bride's table was centred by a three-tiered wedding cake embedded in roses.

In honor of the bride and groom and for the entertainment of the many guests the 'War Dance' was performed by five boys dressed in traditional costumes. All those present joined in the 'Drum Dance' which followed.

Visitors were present from Hobbema, Saddle Lake, Long Lake, Onion Lake and Fishing Lake.

Mr. and Mrs. Stanley will reside at Frog Lake.

## A Different Market

Stocks are now above the record levels of 1929. But the market, today comments The Financial Post, has few resemblances to that hectic boom of a quarter of a century ago.

Two of the very important differences today are that there is so little buying on margin and so much by people well trained to make wise investment decisions.

Major purchasers are the organizations which are looking for safe employment for the hundreds of millions of funds that pour into their coffers in a steadily expanding stream. They can't afford to let this money lie idle. It must be put to work.

They are not interested in an overnight profit but in genuine investment. And their buying is for cash.

## WOODVALE NOTES

On return from our trip to Calgary and Banff we found an account of the Red Cross Auxiliary annual meeting waiting for us. It was held at the home of Mrs. Amy Portsmith on Dec. 1 with nine members present. A quilt for the Vermilion branch was tied and turned that afternoon.

The annual report shows that 12 meetings were held, ten quilts made and the average attendance was 10. The sum of $150.50 was raised and with cash on hand the beginning of the year made $239.81 of which $153.92 was spent leaving cash on hand Dec. 1, 1954, $85.89. Donations were made to the Vermilion Branch, CARE, T B. seals, March of Dimes, fire victims, Ontario Hurricane relief and gifts made to the sick and shut-in persons.

Officers for 1955 were elected as follows:

President—Mrs. G. Wolters
Vice-Pres.—Mrs. D. Van Wageningen
Treasurer—Mrs. M. Watson
Secretary—Mrs. A. Portsmith
Gift Convener—Mrs. D. Seitz
Work Con—Mrs. F. McQuid
Publicity—Mrs. D. Van Wageningen.

It was decided to make donations again to TB Seals and CARE.

The next meeting will be on Jan. 5 at the home of Mrs. F. McQuid.

Mr. D. McGrath returned earlier this month from his trip to the Royal Winter fair. He also visited some aunts at Elmsvale, 72 miles from Toronto and went to see his former neighbor Dick Oldenburg who lives now in New York state.

Mr Hugh Pierman went to see his parents at Ponoka who were both in hospital at that time. His mother was well enough to go home again but his father is only gaining strength very slowly.

The school children had two skating parties recently. First one at the Watt farm on Dec. 3 and last Friday at the Nelson place. They enjoyed themselves most thoroughly, also the lunches served afterwards. It surely is grand weather for their outdoor parties. Now they are looking forward to their Xmas party Dec. 23. It will start at 1:30 p.m.

Mrs. Betty Lysons was unfortunate enough to get her foot cut with a piece of glass making a trip to the doctor necessary.

Mrs. Walter Lysons is staying with Mrs. E. Lysons while her husband is working in the oil field near Lloydminster.

Little Mary Isley spent a few days with her sister Mrs. Dorothy Wells.

Annette McLean suffered a bad fall recently and broke a bone in her leg above the knee. We sincerely hope it will not prove too serious and heal quickly.

Frank Watson of Hindville drove Mr. and Mrs. Wm. Clark of the Triangle district to Edmonton on Sunday after they got the news that their son was seriously injured in an oil field accident 300 miles north west of Edmonton, by a fall from a derrick. A son-in-law is driving them from Edmonton to the scene of the accident. We hope our Wildmere correspondent will have more details as we hear the boy is in critical condition. Wm. Clark Jr. accompanied his parents as far as the city.

Mrs. Ray Preston returned home with the baby, who had been ill in the Islay hospital for over a month.

Mrs. Joe Thompson is in the Vermilion hospital with jaundice and her little baby is staying with Mrs. Bertha Galloway. We hope all these injured and sick people will soon be home and able to enjoy the Christmas festivities.

The card parties at the Woodvale community centre are proving very popular. Last week there were nine tables and this week 8. One more will be held, next Monday, and Xmas treats will be handed out. The players were glad to have their old friend and neighbor Mr. Charlie Friedland with them. He is staying with Mr. Jud Robinson in Vermilion.

## Biggest Christmas On Earth At Crippled Children's Hospital

Everyone in Alberta will be able to spend Christmas with the kiddies at the Alberta Red Cross Crippled Children's hospital this year where the "biggest Xmas on earth" is celebrated. Readers of the Standard are advised that they can hear the Christmas party brodacast over CJCA from 10 to 10:30 a.m. Dec. 25.

Five radio stations, from Grande Prairie to Medicine Hat, have agreed to carry this annual broadcast from the hospital so that all may enjoy the day with these kiddies. In anticipation of the event the patients have been practising for weeks to make this broadcast better than ever.

The school choruses and rhythm bands, both instructed by volunteer music teachers, now have their carols and 'symphony selections' in good order. When one considers that most of the little patients are flat on their backs, it is realized the problems to be overcome far surpass the problems met in ordinary schools and that singing or playing rhythm instruments are much more difficult.

A few days prior to Christmas staff members of CFCN, which has originated the program for many years, will visit the hospital to have all in order for the broadcast. They will also record the messages home to parents at that time as it has been found the kiddies are too excited Xmas morning to give the greetings well or say the things they want to say.

However, all the rest of the broadcast will be 'live' so listeners may catch the spontaneous enjoyment of children who forget their disabilities in the thrills of Christmas and who, of course, await the arrival of Santa as eagerly as do other children. Indeed, listeners will hear Santa arrive and share this excitement with the kiddies. 25-4

Of the six great lakes, Lake Huron has the greatest area on the Canadian side of the international boundary. —Quick Canadian Facts.

## Tips on Touring

By Carol Lane
Women's Travel Authority

The most annoying driver on streets and highways today is the fellow I call the 'get-ahead-at-any-cost' character. He operates at his best (or worst) in heavy traffic when cars are bumper to bumper and moving slowly. He has but one simple thought, worthy of a simple mind, and that is to get ahead at any cost.

You know how he operates, he rides his horn viciously, takes pressing advantage of even the slightest opening to wedge and force his way in, cuts dangerously and sharply in front of cars, and weaves in and out of traffic lanes with utter and senseless abandon. Some of the more demented drivers of this type even falsely signal left or right turns to prevent cars from moving up to their regular places.

The get ahead at any cost driver is not only a [illegible] unprincipled driver, he is a downright dangerous one. Your best method of dealing with him is to hold your rightful place in heavy traffic fairly and firmly, refusing to be intimidated into giving way to he can force ahead another 10 feet or so.

Sooner or later every 'get ahead at any cost' driver pays the bill, and it's usually an expensive one for getting ahead in traffic — all of a single car's length.

LETTER FROM THE CAPITOL

## 700 Delegates at Week-Long FUA Convention

EDMONTON. — The more than 700 delegates who attended the week-long convention of the Farmers' Union of Alberta heard and discussed many facets of producer marketing boards.

This topic, which could become the most important piece of farm legislation at the next session of the Alberta legislature, was discussed by the delegates, by Roy C. Marler, president of the Alberta Federation of Agriculture and Chas. W. McInnis, president of the Ontario Hog Producers' Association.

Indicating the fairly widespread approval for at least enabling legislation was Mr. Marler's report to the meeting. He said his organization had held meetings in 47 districts with only two registering disapproval of the federation's request that the government introduce legislation enabling producers to establish their own marketing boards.

The meetings followed the provincial government's answer to previous requests. The government had stated an indication of general desire by the farmers for marketing boards would result in legislation being introduced. The results of the federation's meetings now are in the hands of the government, Mr. Marler said.

He cautioned the Farmers' Union against taking the initiative in setting up marketing boards if the legislation is introduced and passed. The first move must come from the producers, he said.

Following up this suggestion, the convention later passed a resolution which directs the FUA board to offer assistance to any group of producers wishing to establish such boards.

From Mr. McInnis the convention heard of the way in which Ontario hog producers are successfully marketing their own products. The eastern organization was set up in February, 1953.

The Ontario official said: "You have to get the best salesmen you can and combine them with sound business policy. If you do that you can accomplish things you never dreamed were possible."

GOOD SELLING PROGRAM PREFERRED

Experience has shown the Ontario producers now are selling their hogs rather than just dumping them said Mr. McInnis. On a slightly different note, he suggested that a good selling program would be a better solution for some of the farmers' troubles than parity prices set by the federal government.

PARITY PRICES

In connection with the question of parity prices, the convention rejected the requests of farm unions in other provinces that Alberta join with them in sending a mass delegation to the federal government demanding parity prices.

REJECT MASS DELEGATION

Despite the appeal of Albert Cormack, president of the Ontario Farmers' Union, for Alberta's support saying "We have every right to have something guaranteed", the convention turned thumbs down after hearing some of the delegates suggest it sounded too much like a mob demonstration and warning such tactics would lose the union 50 per cent of its membership.

The action of rejection seemed to support delegates' contentions that the FUA should do its bargaining in the ordinary manner and with the strength of a solid membership behind it.

MEET PROVINCIAL CABINET

During the convention, a delegation headed by Henry Young, who was elected union president for a fifth term, met with the provincial cabinet laying before it a convention-approved program to meet what some delegates felt was an emergency situation.

The cabinet was not prepared to view the situation with as great alarm as some of the farmers, with Premier Manning pointing out that in the first 10 months of this year farm income was $192,131,000 a drop of only $12,000,000 from the corresponding period of last year. The delegation was told seed grains will be available in areas of need; there is no danger of schools closing because of lack of money, there is no danger of farmers being evicted because of uncontrollable tax arrears. The government also felt the situation is not serious enough to warrant large scale policy of allowing rural electrification payments or municipal taxes to go unpaid.

## Paradise Valley

Mr. and Mrs. D. B. Baxter and Mr. and Mrs. E. Knor were visitors at Tramping Lake being the guests of Mr. and Mrs. Andrusick. Mr. and Mrs. Andrusick lived at Paradise Valley several years ago where he was C.P.R. station agent here.

Patients in the Lloydminster hospital from P.V. during the past week were Mr. C. Bennett, Mrs. W J. Sirett, Mrs A. M. Block and Gordon Teasdale. All are reported as doing well.

Weather during the past week has been ideal. A small skiff of snow covered the ground but it was quite local, to the north they had very little. May this condition continue.

Quite a few attended the concert and dance held at McLaughlin on Friday night. A good program was presented by the Booster club.

The W.A. of the United church held a very successful tea and sale of work on Thursday afternoon in the church basement. They wish to say thank you to all who helped in any way.

These will be our last news items until after Xmas and the New Year as we are too busy licking stamps and sorting out the thousands of Christmas cards to write so here is wishing the Editor and all members of the staff a Very Happy Christmas and a very, very successful New Year!

Since 1941 the number of horses on Canadian farms has declined from 2,789,000 to 993,300.

## The World of Wheat

By W. G. MALAHER,
Director, Research Department,
Searle Grain Co. Ltd.

SEED DRILL SURVEYS POINT THE WAY

The results of provincial seed drill surveys made in 1954 are strikingly similar in most respects and point up the very definite need for greater care in the cleaning and preparation of grain that is to be used as seed.

While most farmers sowed recommended varieties and a fairly large percentage of the samples were pure as to variety, the quality and the cleanliness of the seed used, in many instances, was anything but good. In Manitoba, for instance, 55% of all samples analyzed graded 'rejected', which means that the seed would not even make No. 3 Commercial — a grade which allows a high percentage of weed seeds and other grains. Oats and barley were far worse in this respect than wheat, which ran 41% 'rejected' in Manitoba, and 40% in Saskatchewan.

Alberta is fortunate in having a number of well-equipped municipal seed cleaning plants for which there is a growing demand, but in Saskatchewan and Manitoba approximately one-third of the seed used is still cleaned at country elevators and this continues to cause some concern both to agricultural authorities as well as to the grain companies themselves. In the first place there is far too much danger of admixtures in a country elevator and secondly, when it comes to seed grain, the job that can be done by these cleaners is, at best, not too satisfactory for they were never designed to be used for this purpose. It is generally agreed, therefore, that the use of elevators for cleaning seed grain should be discouraged.

# Death Stalks Canadian Highways in December

Death stalks the highways in December.

During a month which most Canadians look forward to as one for celebration, gaiety and goodwill, thousands of people lose their lives or suffer serious injuries. And most of these accidents, safety experts agree are unnecessary, caused not by ice or snow or mechanical failures but by human weakness, particularly the tendency to over-celebrate.

The remedy, these same experts say, is as simple as the cause. If you drink too much, don't drive. And if you drink at all, just to be safe drink a cup of strong coffee as your "one for the road." Coffee has a sobering effect. It is no cure for drunkenness, but it will help the social drinker with just one or two under his belt. It has helped thousands of drivers get home safely in the past and it will help thousands more during this holiday season.

The "One for the Road" campaign has in a few years established a good safety record. Last December accidental deaths were 30 fewer than in 1952. Some cities reported the first fatality free holiday month on record. Heads of safety bureaus, automobile clubs and others attributed at least some of this life-saving to the campaign to make coffee the "one for the road".

The figures, safety men add, are still too high. In Canada last December 645 people were killed by accidents, not all but most on streets and highways. In 1953 2 ... Canadians were killed in car accidents and 58,734 were injured. Anything that will reduce this toll is considered worth while.

In Europe tests of accident causes are revealing. At the first international conference on alcohol ... and health held in Stockholm it was found that 62% of accidents ...

Hosts and guests ... are urged to co-operate in reducing the death toll ... by providing coffee ...

Enjoy your trip east on the Continental Limited. Relax in the warm comfort of modern cars ... enjoy delicious meals in attractive diners. Avoid the hazards of bad roads, stormy skies ... let the engineer do the driving. You'll arrive rested and refreshed, ready for business or pleasure.

Whatever your travel plans, your Canadian National Agent will be glad to help. Ask him about types of accommodation ...

# Pretty Wedding At Vermilion First United Church

*BARNETT—HANNA*

Vermilion United church was the scene of a pretty wedding November 15 at 3:00 o'clock p.m. when Norie, daughter of Mr. and Mrs. C. Hanna of Islay, became the bride of Mr. Robert B. Barnett, only son of Mr. James Barnett of Islay. The Rev. C. W. MacKay officiated.

The bride who was given in marriage by her father, wore a three-quarter length gown of satin and lace and matching lace bolero with lily point sleeves. Her shoulder-length veil was of net and embroidery. She carried a bouquet of orchids, carnations and fern.

Mrs. Barbara Reichenbaugh, sister of the bride, as matron of honor was dressed in a three-quarter length gown of green lace and net. She wore a coronet to match and a miniature veil and carried a lovely Victorian nosegay of nylon flowers. The bride was also attended by Miss Irene Knatow of Islay, dressed in a three-quarter length gown of pink lace and net. She wore a matching coronet and a miniature veil and carried a nosegay of nylon flowers.

The groom was supported by Mr. Lloyd Hanna of Dewberry as best man and by Mr. Thomas Stockwell of Clandonald.

Mrs. Hanna, mother of the bride, was dressed in a blue puckered nylon dress and wore a corsage of red roses.

Following the ceremony a reception was held at the home of the bride. Many friends and relatives attended, partaking of a delicious buffet lunch towards early evening. Mr. W. L. Brown proposed the toast to the bride to which the groom ably responded.

To complete the day a crowd of well wishers attended the wedding dance in the Islay hall that evening.

The happy young couple will reside in the Islay district.

# Princess Anne W. I. Notes

The December meeting which was the annual meeting was held at the home of Mrs. Geo. Mead on the evening of Dec. 6 with all members present.

The usual procedure was followed and each member answered roll call with a gaily wrapped Christmas gift.

Minutes of the last meeting were read and adopted. The treasurer's report was read and adoption moved and carried.

A motion was made and carried that we donate $10 to the Xmas Tree fund at Campbell Lake school.

The President gave a short, year end address, thanking each member for their willingness and co-operation received throughout her term of office.

The reports of secretary, treasurer and convenor of standing committees followed.

Election of officers followed this and all present officers were returned for another term.

Three new directors were named Mrs. McIntyre, Mrs. M. McKay and Mrs. Dollman.

The meeting adjourned with the singing of 'God Save the Queen'.

After a very dainty and delicious lunch served by Mrs. A. Scarfe and Mrs. Richardson the evening took on the form of a pre-Xmas party. As each member's name was called she stepped up to the large box in which the gifts had been placed, and pulled on a string bringing forth her surprise parcel. This caused lots of excitement and fun and so the evening came to a close.

The January meeting will be at the home of Mrs. R. C. Mead on the second Monday, Jan. 10. Mrs. O. Strome and Mrs. R. Strome to serve lunch.

The Princess Anne W.I. takes this opportunity of thanking the Editor and staff for their kindness in publishing our notes throughout the year and wishing one and all a Very Merry Christmas and a Prosperous New Year in 1955.

# COMPLETE NEW GAS LINE

The Gas Company announced the completion of its transmission pipeline from the City of Edmonton to the Texaco Exploration Company's absorption plant in the Bonnie Glen gas field. The purpose of the line is to provide a market for residue oil field gas and to make available to the Company's customers in Edmonton another source of supply. It is anticipated that during the first few months of the Texaco plant's operation they will supply to Northwestern Utilities Ltd. something in the neighborhood of 12 to 15 million cubic feet of gas per day.

The line will cost in excess of $1,300,000 and is 42 miles in length of 12¾ inch seamless pipe with a maximum working pressure of 875 pounds per square inch, and has been tested at the mill to 1000 lbs. per square inch. The pipe was purchased from Stewarts & Lloyds of Great Britain and was shipped to Canada via the Panama Canal. It is all welded and coated with coal tar enamel.

Construction was commenced on May 3rd of this year and was seriously delayed due to wet weather. Fortunately favorable weather conditions which prevailed in the fall months enabled the line to be completed in time for commencement of operations of the Texaco plant.

The federal government has decided to establish an illustration station in northeastern Alberta according to an announcement by Hon. J. G. Gardiner, federal minister of agriculture.

Nearly a third of the annual incomes of Canadians is taken by tax payments.

WIN A DOLL'S HOUSE

Win a lovely doll's house. See in the store windows around town. A surprise gift for that little girl at Xmas time. Tickets may be obtained from any member of the Britannia Rebekah lodge. Draw on Dec. 23 at the theatre. 23-5x

In the first nine months of 1954 Canadian production of pig iron and steel castings and ingots was down nearly a quarter from the same period of last year.

## Christmas Vacation for Schools

Alta Prov. Library 31Dec54

Vol. XLVI. No. 26. Vermilion, Alberta, Thursday, December 23rd, 1954. 16 PAGES $2.00 a Year

MERRY CHRISTMAS

Some Changes For This Area

# CO-TERMINOUS BOUNDARIES BECOME EFFECTIVE JAN. 1st

As a result of the work carried on during the past two years by the Co-terminous Boundaries Commission of the province, the boundaries of some 220 municipal district and school divisions will become exactly the same on Jan. 1, 1955.

Included in these will be the Vermilion River M.D. and the Vermilion School Division. This area was one of the more easily determined but even at that several boundary changes were necessary.

In the north-east corner the school division now includes a portion across the Saskatchewan River hitherto in the municipality only. A strip of land north and south of Rusylvia has been transferred to the Two Hills S.D. and takes in the operating Rusylvia one-room school with it. A portion in the north bend of the Saskatchewan River between Northern Valley and Middle Creek and tributary to Elk Point has been included in the unit to the north.

Close to Vermilion in range 7 the boundary has been extended four miles further west in part of township 49, in townships 50, 51 and in the major portion of 52. This makes the west boundary five miles west of Vermilion instead of one mile west as hitherto. However from a point one mile south of the bottom of township 50 the boundary cuts back two miles east of the present municipal district line down to the Battle River, which area is transferred to the Vegreville S.D. and Minburn M.D.

On the south the boundary continues to be the Battle River and on the east the Saskatchewan border.

The proposed area is one of the larger units containing 35.3 townships and 9,815 people (1951 Dominion census). Its total municipal assessment is about $16,410,700. The per capita assessment is approximately $1,670 and the land assessment per township is approximately $221,500. Both of which are above average for the new co-terminous areas proposed.

From the school point of view there is little change with respect to number of teachers and pupils. The adjustments in school districts along the boundaries increases the Vermilion school division staff by four teachers while they lose one for a net gain of three. This means that 112 teachers will be employed by the board. The total assessment for school purposes is about $17,273,000 providing an assessment per classroom of $152,800.

This area is designated as the Vermilion Co-Terminous Area No. 30.

# Woodvale Community Centre Rifled

*(From Woodvale News)*

Arnot Brown found that the Woodvale Community centre had been entered by thieves. They broke the lock and made away with two new chairs, broom, 30 teaspoons, 8 decks of cards all marked W.C.A., one of the curtains, a Santa Claus suit and an old coal oil lamp. Some firewood was also taken.

Why someone would go to all the trouble to steal so much stuff which actually had little monetary value is hard to realize. It is hoped though that the culprits will be caught as this is the second time that the old school has been looted in this manner. Art Ganton returning home from a visit to his wife and new baby in the hospital, found his house had been entered, things upset, but has not missed anything so far.

# Standard Issue Cancelled Next week

Following the custom of recent years which is now quite commonly observed by weekly newspapers the issue of the Standard between Christmas and New Years, Dec. 30, will be suspended. As pointed out in previous years the week itself is well punctured by holidays, the business men are never in their best ad writing mood and the Standard staff needs one week when they are not desperately trying to beat a deadline.

The next issue of the Standard will therefore be on Thursday, Jan. 6, 1955.

The staff will not be on holidays however and the office will be open as usual, with job work customers getting the preference for what is left of the week.

Every member of the Canadian Red Cross Corps is a volunteer.

# Three Holidays At Christmas

Stores and business places in the Town of Vermilion will be closed for three consecutive days, Xmas day, Saturday Dec. 25; Sunday Dec. 26 and Monday, Dec. 27. This makes a three-day vacation and all and sundry are warned to lay in enough foodstuffs to tide them over the much anticipated and pleasant holiday.

# Looking Backward . . Vermilion's Gold Rush

The Standard is indebted to Billie Ellis well known Alberta court reporter for the following story of the old days in Vermilion. Mr. Ellis lived here at the time of this incident. Another man who knows the story "quite well" is W. J. Macnab.

Most people in Canada have heard of the Trail of '98 and the gold rush to the Yukon, but how many of the residents of Vermilion and district remember or have heard of the Vermilion gold rush of 1908? That may not be exactly the year but at any rate it was when the town was in its infancy. And who and what was the cause of the excitement? Fred Whitmarsh was said to have been a resident of the Cobalt district of Ontario before coming to reside in Vermilion and knew gold when he saw it! He arrived down town one morning flashing what he said were gold nuggets which he claimed to have discovered in the ravine — perhaps in the Yukon it would have been referred to as the gulch, in the west end of town as it then was. Word got around like wildfire, and for the remainder of the morning, offices and stores were deserted while doctor, lawyer, merchant, clerk, armed with pick and shovel were out staking claims until the 'gulch' was staked from one end to the other and for some distance on each side of it. If the Yukon or Cobalt area could harbor gold why couldn't it be found around Vermilion, not mere gold dust but honest to goodness nuggets. Those who were not fortunate enough to stake claims watched those who had staked claims take off their coats and feverishly dig for the precious metal. They were all going to be fabulously rich by night fall. Vermilion would really be in the news as the place 'where gold was in them thar hills'. No need to trek to far away places like the Yukon when riches were to be had right on our doorstep for those who had succeeded in staking their claims. Then the bubble burst. Evidently Whitmarsh thought that the hoax had gone far enough and the story got around that it was just a joke and that the nuggets, if that is what they were, had been brought by Whitmarsh from the Cobalt. By late afternoon stores began to do business again. Merchants were once more attending to the needs of the settlers who were pouring in to the district to file on homesteads which were then available in the fertile country north of town. And so ended Vermilion's one and only gold rush.

The Canadian Red Cross successfully traced 430 missing persons in 1953.

# Farm Home Burns

The farm home of Mr. and Mrs. Joe Betz of the Windermere district south west of Vermilion, was completely destroyed in a fire which apparently broke out about 11 a.m. Monday but was not discovered until later. Mr. and Mrs. Betz were out looking for a lost cow at the time of the blaze and returned just in time to save a little clothing and some furniture. The fire had much too good a start and dousing the blaze was impossible. Mr. and Mrs. Betz have one small daughter, 2½ years old and the little girl was with them.

The home destroyed was a comfortable and well appointed building.

All their Christmas preparations, gifts and food were of course destroyed.

Neighbors have started a collection for Mr. and Mrs. Betz to help out in their misfortune. Anyone wishing to donate should contact Leonard Kenzie or contributions may be left at the Standard.

# District May Experience First "Green" Christmas

The fine weather has now continued from Oct. 2, thus lasting almost three months without any break worthy of the name. It is likely the longest steady spell of fine weather ever experienced during a fall in this section of Alberta. During the week high temperatures enjoyed set new records, those in southern Alberta even exceeding Los Angeles highs for the day.

If no snow falls Thursday to Saturday, this area will not have a white Christmas, possibly for the first time in its known history.

Ice makers can make little headway in skating and curling rinks, and sports schedules are just being shoved back and back.

Strong winds on Wednesday threatened to blow in a break in the weather, but Thursday dawned clear although a little cooler.

# J. K. Swanson Appointed

J. K. Swanson, well known former Vermilion man where he was the manager of Franco Natural Gas Company has been appointed chairman of the Saskatchewan Power Commission. Mr. Swanson thus returns to Saskatchewan government service after an absence of two years during which he operated his own business in Calgary.

The three-man power commission in Saskatchewan serves as a regulatory body for power and natural gas systems not included in the Saskatchewan Power Corporation system.

Superb Presentation By Choirs

# Carol Service Enjoyed By Capacity Audience Sunday Evening

The Columbia theatre was filled to capacity on Sunday evening last on the occasion of a Concert of Carols sung by the Mixed Chorus well augmented by members of the Anglican and United Church choirs.

The selection offered from such well-known favorites as Good King Wenceslas to the little known Czechoslovakian children's Carol "Rocking", "I Saw Three Ships" was sung to a novel setting in which the air was sung first by the sopranos and then by the tenor voices while the altos and basses provided harmony. In the carol "We Three Kings" the solo parts were well sung by Tom Watts, the Rev. D. A. Ford and Bill Fooks and while the final verse of "It Came Upon a Midnight Clear" was sung Madelon Edey added a finely rendered descant.

As the chorus walked down the centre aisle and took their places on the stage they gave a spirited rendering of "Joy to the World". This set the pace for the entire performance and the choir gave an excellent account of itself throughout. The diction and timing were very good. Once again Jack Brown showed how well he has mastered the difficult art of conducting such a performance.

The accompaniment was again in the capable hands of Dr. C. W. Stephens and he carried out this task as always with quiet efficiency.

The carol "Rocking" was delightfully sung and, having only two verses, was sung through twice and was much appreciated. Another new carol was "The Incarnation". This was in contrast to the mood set by "Rocking", and could perhaps be called a 'sturdy' carol. These together with such offerings as "Deck the Halls", a Welsh secular carol, and the ever popular "Coventry Carol", led up to the finale the "Hallelujah Chorus", from Handel's "Messiah". In the traditional manner the audience rose and stood as the chorus gave a most spirited performance of this powerful piece of music. It is a very difficult composition to sing particularly for the soprano voices who have a number of sustained high notes in their part. That the choir sang it so well gives tribute to the hours of hard work which have been put in by all members of the chorus.

Mr. Don Taylor acted as M.C. introducing each carol before it was sung and in this way he gave the audience a most enlightening series of program notes.

The Rev. D. A. Ford pronounced the Benediction at the end of the concert and home the audience went, having had it is felt a good evening's entertainment in return for having supported so well this effort to help the Christmas Cheer fund. As will be seen elsewhere the fund has benefitted by the sum of $130.90.

Thanks are due to all those who helped in the background, the ushers, the proprietor of the Columbia theatre who loaned the building for the occasion and to Mr. Alec Pain. The chorus would wish too, to thank the United church for so kindly loaning hymn books.

*PERSONNEL OF CHOIR*

Sopranos: Mrs. Ted Edey, Mrs. Jack Wright, Mrs. G. Braithwaite, Mrs. G. Downey, Mrs. J. Kneale, Mrs. L. Hareuther, Mrs. A. Palin, Mrs. A. Logan, Miss Donna Cooper, Miss Margaret Wilson, Miss Reta Wright, Mrs. W. Footz, Mrs. J. Thompson, Miss Dorinda Anderson.

Altos: Miss Margaret Stephens, Mrs. J. R. Boake, Miss Jean Kibblewhite, Miss Nan Marshall, Miss Betty Gray, Miss Margaret Goodwin, Miss Ruth Beatty, Miss E. Werezuk, Miss Lillian Hareuther, Miss Berna Seuffert, Mrs. V. Jensen, Mrs. S. Soldan, Mrs. E. Koehli.

Tenors: Dr. A. B. King, Rev. D. Ford, Messrs. A. Hibbitt, Wm. Anderson, K. Loov, Ed Lyons, L. Hareuther, Tom Watts, George Cooper.

Bass: Dr. Goodwin, Messrs. John Maxwell, G. F. Stephens, Perry Walles, Wm. Fooks, R. Cosh, A. Kibblewhite, J. Thompson, V. Nankeville.

Accompanist Dr. C. W. Stephens and Director Mr. Jack Brown.

# Xmas Fund Benefits By Carol Service

The Salvation Army Christmas Cheer fund for those in need benefitted greatly by the Christmas Carol Service held in the theatre Sunday evening. The following is a statement of account of finances of the concert:

*Expenditures*

| | |
|---|---|
| Tickets and Posters | $ 30.35 |
| Music | 22.85 |
| Gratuities | theirs |
| Gratuities | 3.40 |
| TOTAL | $ 56.60 |

*Receipts*

| | |
|---|---|
| Total Receipts | $187.50 |
| Less Expenditure | $ 56.60 |
| BALANCE | $130.90 |

Cheque drawn in favor of, and passed to the Salvation Army for $130.90.

*RECEPTION*

*Mr. and Mrs. J. H. Simmons of Islay will be "at home" to all their friends and neighbors on Sunday December 26, 1954 from 2 p.m. to 4 p.m., the occasion of their 50th wedding anniversary.*

Letters to the Editor

Vermilion, Alta., Dec. ..., 1954

The Editor,
Vermilion Standard

Sir:

It is I am sure a well known fact that the Standard gives ... valuable support through its columns to all organizations in the district. Not the least indebted to your kindness ... this matter is the Vermilion Mixed Chorus.

The committee and all members of the choir together with those members of the Anglican and United Church choirs who took part in the carol service on Sunday evening last would wish ... publicly ... small token of appreciation for the publicity given by you in respect of that concert.

We assure you Sir of our sincere thanks for your generous share in helping the chorus to raise a good sum for the Salvation Army's Christmas Cheer fund.

Yours faithfully,
R. J. Cosh
Hon. Sec.-Treas. of Vermilion Mixed Chorus

To our merchants and professional men, to all the citizenry, young and old, of our Town, and to each of strangers and visitors within our gates, we extend

The Heartiest of Season's GREETINGS

The Mayor and Council

Town of Vermilion

Let us pray with deep reverence on this most blessed day for peace on earth ... good will toward all men ...

Major M. Buttrick, Sr. Capt. — The Salvation Army
F. N. Hill
Rev. D. A. Ford — Anglican Church
Rev. C. W. MacKay — United Church
Rev. J. T. McNair — Alliance Chapel

*CHRISTMAS—*

Keeping Christ in our Christmas celebrations is both desirable and attainable even in this enlightened age, if God's love is allowed to enter our thoughts during the festivities which prevail during this important season of the year.

Kindly thoughts go out to enemies as well as friends during this period of "goodwill towards men". We try to love our neighbors as ourselves and in so doing much is forgiven and we start anew. This is the true spirit of Christmas.

Matthew's gospel relates the incident of the 'rich man', which is so significant at this time of the year, because it emphasizes the spirit of giving and of great sacrifice and also the humility of Christ Himself. The rich man who had been listening attentively to Christ's preaching, approached Him and said: "Good Master, what good thing shall I do that I may have eternal life?" And He said unto him: "Why callest thou Me good? There is none good but One and that is God, but if thou wilt enter into life, keep the commandments." The man said: "Which?" Jesus said: "Thou shalt do no murder, thou shalt not commit adultery, thou shalt not steal, thou shalt not bear false witness, honour thy father and thy mother and thou shalt love thy neighbor as thyself." The young man said: "All these things have I kept from my youth up. What lack I yet?"

Now comes the final test: Jesus said unto him: "If thou wilt be perfect, go and sell that thou hast and give to the poor and thou shalt have treasure in heaven, and come and follow Me".

But when the young man heard that saying, he went away sorrowful, for he had great possessions.

Christmas is the time for giving . . . not only materially but spiritually. Jesus the son of God came into the world on Christmas Day, served God his father and gave his life that we might have eternal life.

Christmas is incomplete if it is observed only as a day of feasting and merrymaking.

Christmas is a birthday when God himself came among men, and we shall be keeping it very poorly if it is allowed to pass without some prayer of thanksgiving and praise to Him whose day it is. Selfishness, as portrayed by the rich man, has no place in our Christmas celebrations. Let us give generously to those in need both of our possessions and our love and kindness. In this way our Christmas will be a happy one.

—*This editorial is taken from the Alberta School Trustee*

Federal sales and excise taxes on cars, radios and television sets made in Canada amount to about 25% of the manufacturers' price.

Pete Jacula is noticed driving the first 1955 model Plymouth to be sold by the local agent Alex Marian.

[illegible]

I wish to express my sincere appreciation to Dr. Sweet and the staff of the Islay hospital for care and attention received during my illness and to thank the many friends who called, and sent cards and gifts.

Uva MacFadyen.

*IN MEMORIAM*

In loving memory of
*EDWIN ARNOLD*
—who passed away Dec. 24, 1942.
"Gone, dear son, gone forever;
How we miss your smiling face,
But you left us to remember
None on earth can take your [illegible]
A happy home we once enjoyed,
How sweet the memory still.
But death has left a loneliness
The world can never fill."
Sadly missed by Mom and Dad, Dick, Betty and Agnes.

## LOCALS

A surprise family gathering at the home of Mr. and Mrs. Curtis Wilson on Saturday Dec. 18 marked the 46th wedding anniversary of that esteemed couple. Curtis was one of the early business men of the town before commencing to farm, as he, in company with the late Wm. Raddatz operated a blacksmith shop on 1st street south somewhere about the location of the New Way Cleaners building.

Mr. Albert Anderson has gone to Roland, Man., to visit his brothers. One brother and wife were celebrating their golden wedding on Dec. 20th.

*APPRECIATION*

Thanks to all our Islay friends for our farewell presentation. We are pleased to receive the lovely farewell cards with names of our friends. It is a wonderful reminder of happy times spent among you. A Merry Christmas to all.
Donald and Libby MacInnes.

I. O. D. E.

The regular monthly meeting of the Frog Lake Chapter I.O.D.E. will be held at the home of Mrs. M. Hill on Tuesday Jan. 4 at 8 p.m.

HOME BAKING SALE

The Cub and Scout Mothers' Association is holding a sale of home baking in the Mayfair building on Saturday Jan. 15 from 3 to 5 p.m.
26-8c

*CARD OF THANKS*

We wish to extend our sincere thanks for the many helpful and kindly acts, expressions of sympathy and for the beautiful floral tributes received during our bereavement.
Mrs. Marie Melnyk and family.

*CARD OF THANKS*

I wish to thank Dr. King and the nursing staff for their kindness and care during my two weeks illness in the Vermilion hospital; thanks also to my friends and neighbors for the gifts of fruit, flowers and cards.

Mrs. Annie Cameron.

## By Your District Agriculturist

# "GREEN ACRES"

MAGPIE TRAPS

Magpies often peck holes in the backs of cattle and pigs. They also kill small birds and their eggs. Let's get rid of them! I have plans for building magpie traps. Why not build a trap and wipe them out?

FROZEN CREAM

Milk should be separated and the cream chilled quickly. It should not be frozen however, as proper tests cannot be made at the creamery. Besides frozen cream makes mealy butter and the cream is down to second grade with a loss of 9 cents per pound.

TREATING FENCE POSTS

This is not the time of year to do it but we can think of the saving and plan for the spring. There are a lot of preservatives on the market but bluestone seems to do the job and is cheaper. Posts should be cut out in winter or early spring and piled for treatment in the summer. Get a circular from this office on treating fence posts.

FEEDER CATTLE

Once again it has come to my attention that the spread between the top of the market and the general run of feed lot cattle is around 4 cents per pound. It would appear that feeders are well advised to push the feed to the market cattle. As the winter goes on show up on the roughage and make them eat all the grain they will take. You don't get much for the increase in weight, it is the selling price that counts this year.

WHAT ABOUT POTATOES?

Last fall potatoes near the surface were slightly frosted before digging. These potatoes have very likely rotted already and the rot will spread through the bin. Potatoes ought to be picked over every two weeks and the rotten ones thrown out or there will be a big loss in storage.

IN-BREEDING OF LIVESTOCK

Many people think that in-breeding results in weak, sickly and stunted animals. This is only true where the sires and dams are poor type and lack constitution. All our breeds were developed by in-breeding. A good bull can be mated to his own daughters, but a poor one, no.

*SEASON'S GREETINGS!*

To all readers of this column I wish a Merry Christmas and a Happy and Prosperous Year in 1955. I would like to add that every one who admits that he is a Christian ought to go to the church of his liking on Christmas day. For 1900 years we have partaken of Holy Communion on this, the birth day of our Saviour. Let us fill the churches on Friday at midnight.

## Don't Make This Your Christmas Tree

## Christmas Concert Enjoyed At Islay

NEWS OF THE DISTRICT

Mr. and Mrs. Bill Shaw and Jimmie are spending Christmas and a few days in Edmonton.

On Sunday Dec. 26 Rev. E. N. Morrison will show the film strip "The Other Wise Man" as part of the service at the United church. All are invited to attend.

The Sunday school Christmas service Sunday morning was very lovely. All the wee tots did their parts so nicely. The recitations were much enjoyed and too, the readings and the Christmas hymns. There was a good attendance, many of the adults came to see and hear the little folk. Christmas remembrances were given to each of the Sunday school pupils. There was a gaily decorated tree, all lighted, with the star on top.

The community is sorry to learn of the sadness which came to the Jack Carey family. A telephone message came on Friday from Glengary, Ont., that Mrs. Carey's brother had died suddenly. Mrs. Carey and son Norman and Jim Carey left that night from Wainwright for the east.

Mr. and Mrs. Bill McLean and children are having Xmas at Legal with Mrs. McLean's parents, also will visit Bill's parents on the way.

The B. Teskey family and the Bell family will spend Christmas day with Mr. and Mrs. John Shaw [illegible]

The children are having a fine time on the frozen slough just across the railway track. The warm weather at present is not so good for our rinks.

Notice Sol Kohn putting up a new building for winter quarters for his stock.

The Caro family surely had visitors on Sunday, the Edgar Williams family and his brother and family; also Mr. and Mrs. Cor Greefhorst of Lloydminster. Then in the evening the Caros attended Carol service in Vermilion.

Congratulations to Mr. and Mrs. Jimmie Barnett on the birth of a daughter.

When you want to locate certain folk in Vermilion these days just drop in to the 5 and 10. There they are: we met Mrs. Preston, just as gay as ever, Mrs. Nora Johnson, enjoying living in Vermilion, also Mrs. Billie Fortune looking very well, Mrs. Ken Reid, and so many more, and there too, Mr. Hiram Hodgins enjoying himself!

## Clandonald United Church News

The end of another year is approaching and for the Clandonald United church the year has been a good and active one. The interior of the church has been completely renovated. Walls, ceilings and floors have been painted in lovely light colors, complemented by the dark varnish on the new pews and other furnishings. Despite the continuous rains and bad roads Mr. Calder the student minister held regular services all summer with good attendances.

Mr. Calder assisted by several of the ladies from both the Anglican W.A. and the United W.A. conducted a very successful vacation school at Clandonald. Several children from the district attended camp at Lake Whitney where Mr. Calder assisted as counsellor.

The first wedding in the United church was solemnized this fall when Mr. and Mrs. Floyd Quickstad made their vows there.

The W. A. members catered for Mr. and Mrs. Homer Campbell's auction sale and wish to sincerely thank Mr. and Mrs. Campbell for their generosity.

The annual W. A. meeting was held at Mrs. Peck's on Dec. 1. The following officers were installed for the coming year: President, Mrs. Forsythe; Sec'y, Mrs. Schoonmaker; Treasurer, Mrs. [illegible]

Rev. C. W. MacKay has very kindly offered to come out for services to Clandonald once a month all winter. The following two weeks' services will be held at the Allandale church. Christmas service was held at Allandale on Dec. 19 at 3 p.m.

Several of the W. A. members have been ill this fall but at time of writing all are home again and are feeling much better.

To all our readers, to the Editor and staff of the Standard best wishes for a Very Merry Christmas and may the coming year bring peace and happiness to all the world.

New Shipment of 1955 PONTIAC CARS Now In for Immediate Delivery.—Rowe & Sons, Ph. 106

"LET'S KEEP CHRISTMAS"

Changes are everywhere.
We all feel the pressure of approaching Christmas.
The traffic is terrible, you can't find a parking space.
The stores are crowded.
But what about some token of love, and friendship,
And understanding, and consideration, and a helping hand,
And a SMILE, and a PRAYER?

Let's not permit the crowds and the rush to crowd Christmas out of our hearts.
For that is where it belongs.
Christmas is not in the stores, but in the hearts of people, there and everywhere.
And finally Christmas morning comes —
Don't worry, you'll be ready for it —
You'll catch the spirit alright
Or it will catch you, which is even better!

So we will not spend Christmas, nor observe Christmas:
We will "keep" Christmas — keep it as it is . . .
In all the loveliness of its ancient traditions.

# Former Vermilion Teacher Married In Edmonton Ceremony

Exchanging marriage vows recently in a pretty wedding were Eunice Wasylishen, daughter of Mr. and Mrs. Jack Wasylishen of Edmonton, formerly of Clandonald to John Soboleski, only son of Mr. and Mrs. Michael Soboleski of Stony Plain.

White and yellow chrysanthemums beautifully decorated the altar while white bows marked the pews in St. Faith's Anglican church, Edmonton, with Rev. Watts officiating.

The bride, given in marriage by her father, was beautiful in a gown of chantilly lace over traditional satin styled with lily point sleeves and Peter Pan collar. The bouffant skirt was posed over crinoline. The fingertip illusion veil misted from a sequin beaded and pearled coronet. The bride carried a cascade bouquet of variegated pink roses and chrysanthemums from which flowed bib bows of white ribbon.

Mrs. Gerard Glass, sister of the bride was matron of honor and a niece, Rose Wasylishen was bridesmaid. Their cap sleeved ballerina gowns were styled from the bridal gown. The matron of honor wore green with matching gloves and sequin beaded bandeau. The bridesmaid repeating in mauve. Both carried bouquets of pink carnations.

Little Debby Elliott and Barbara Wasylishen, nieces of the bride, were pretty in identically styled white nylon frocks. Their headdresses were adorned with rosebuds and they carried rosebud nosegays.

All gowns, frocks and accessories were made by the bride's sister.

Mr Gerard Glass was best man while William Osinchuk and Norman Meisner ushered.

The bride's mother chose a two-piece blue-grey dress and black hat. The groom's mother chose a grey dress and matching hat. Each wore pale pink roses on corsage.

Following the ceremony, a reception for sixty guests was held in the parish hall where bouquets of white blooms and sprays of holly were table appointments.

The bride's table was set with a lace cloth and tapers. The wedding cake was arranged with sprays of holly. Mr Dan Olsen proposed the toast to the bride. Following the toast Mrs Glass sang "I Love You Truly".

The bride's only sister, unable to be present sent her sincere wishes from Geraldton, Ont., by telephone. The bride received the message during the reception.

A dance was held in Stony Plain attended by many relatives and friends. The bride is a former member of the Vermilion teaching staff.

The couple will reside in Devon, Alberta, where Mr Soboleski is employed by the Imperial Oil Co.

# Kitscoty News

A Very Merry Christmas and a Bright and Prosperous New Year to the Editor and staff of the Vermilion Standard.

Mr. and Mrs. E. Cattapan of Edmonton sepnt a few days here recently with the latter's parents Mr. and Mrs. A. Hale.

Mr Fred Seabrook who has recently returned from a six months trip to England was the guest of Mr and Mrs. C. K. Miller for a few days last week when he renewed acquaintances with many old friends and neighbors.

Mr. Albert Lang, student at the U. of A. is home for the Christmas vacation.

Mr. and Mrs. Chris Cairns Jr. and family of Edmonton spent the past weekend here with Mr. and Mrs. C. N. Gray and other relatives.

Misses Joyce and Myrna Miller of Harrison Hot Springs, B.C., are spending the holidays here with their grandmother Mrs. M. Miller and visiting with other relatives.

Mr and Mrs. Stanley Gerrits have moved into their new modern home on Vermilion Ave.

A large congregation was in attendance for the inspiring and lovely Carol service held in St. John Anglican church on Sunday, Dec 19.

New street lights have been installed on the main street giving it the appearance of the 'Great White Way'. The colored lights on the decorated trees in store windows add a festive air to the scene as Xmas carols are played over a loud speaker in front of the Treasury Branch.

Mr. Norman Chalmers of Sarnia, Ont., spent a week with his aunt and uncle Mr and Mrs. Cliff Miller before going to visit his sister and family south of Vermilion.

Christmas Day Automotive Service at Herzog's — 10 to 12 a.m. and 3 to 5 p.m.

To Our Water Well Patrons, We Extend Best Wishes for
A Merry Christmas
and A Prosperous 1955.

# Landonville Old Timer Dies At Elk Point

John Melnyk, who had farmed in the Landonville district since 1926, passed away at the Elk Point hospital on December 5, 1954. He was 72 years of age.

The late Mr. Melnyk was born in Poland on May 6, 1882. He came to the Landonville district in 1926 and had lived there since that time carrying on successful farming operations.

He is survived by his sorrowing widow, five sons, Mike of Clandonald, Pete and Nick of Elk Point, Steve and Andrew of Clandonald, and two daughters Mrs. Mary Wysocki and Mrs. Anne Stuparyk, both of Clandonald. There are thirteen grandchildren. Two brothers also survive him, Alex at Northern Valley and Onufer of Elk Point.

Funeral services were held on Wednesday Dec. 8 at 10 a.m. at the Greek Catholic church, Northern Valley with interment following in the church cemetery. The Rev. Fr. Cherkowski officiated.

The pall bearers were the five sons Messrs Mike, Pete, Nick Steve and Andrew Melnyk, and Mr. Emil Wysocki.

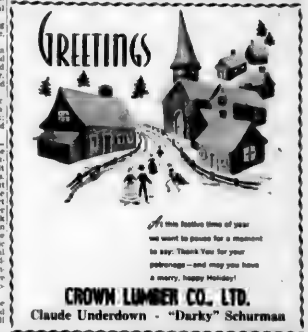
Park Dale Funeral Home of St. Paul had charge of arrangements.

The following beautiful floral tributes were received from:

Sincere Sympathy — Loving Wife; Son Andrew; Son Pete; Anne, Mike and family.

Loving memory — Mike, Olga and family; Nick, Mary, Albert and Geraldine; Steve, Dorothy and Donna; Mary, Emil Wysocki; Mr. and Mrs. Ivan Kozack; Mr and Mrs Wynnychuk and family

With Deepest Sympathy — Mr and Mrs. Onufer Melnyk and family; Mr. and Mrs. Walter Melnyk; Mr. and Mrs. Wm. Slywka and family



# Variety Concert Well Received at Mannville

MANNVILLE. - The Variety concert sponsored by the Legion on Friday night was well attended but had it been better advertised and not such a busy time of the year the hall would probably have been packed. As doubtless it will be when the Legion sponsor another concert in the near future. The audience was an appreciative one and the entertainment excellent.

Mr Bob Carmichael and Mrs Rae Curtis are to be commended for their work in getting this concert underway and for taking it to the various other towns so that more people could see and enjoy it. The Derwent Jamboree Boys provided lively music to start the evening, the C G I T Choruses were very well received. Our own girls Miss Betty Proudfoot and Misses Norma McLuckie and Doreen Gerhart were right up to par — the rendition of 'Bless This House' by Betty was beautiful. Norma and Doreen become a better team each time they perform together. This was truly a variety concert with entertainment for everybody. The accordian solo by Miss Mary Hull the display of gymnastics and the Plantation Echoes by the Islay Cotton Pickers added something a bit different to the program. Mrs. Curtis' recitations, especially "But I Won't Cry Anymore" pleased the children and adults alike. Robert Carmichael's tap dancing number was well applauded. Walter Melnyk as radio announcer on station F U P brought down the house with his impersonations. Mr. Vic Tillett, in the absence of the local Legion president, thanked the audience for their support of the concert and told what the Legion were trying to accomplish in the promotion of local talent.

The local Legion entertained the artists and all those who helped with the concert, in the Legion hall after the show

Christmas Day Automotive Service at Herzog's — 10 to 12 a.m. and 3 to 5 p.m.

# Christmas Candles Are Traditional For Many Peoples

*"To learn your luck for the year they say,*
*Burn a bayberry dip on Christmas day.*
*If the flame burns bright and the light shines clear*
*Good luck will be yours through the year."*

This old verse is believed in many lands around the world and is said to be one of the reasons that candles in homes are traditional around the world.

The custom is believed to have started in Ireland. As the Irish put it: Who knows but on Christmas Eve Jesus and Mary and Joseph may come again, not to Palestine but to the Holy Isle on the farthermost edge of Europe. And it is the custom that the candle can only be snuffed by one named Mary.

Their first use for Christmas is lost in the annals of any nation, but that the "Christ Child Candle" burned in the window on Christmas Eve is, according to an old legend, placed there to light His way if He makes an earthly visitation and in atonement for the night of His birth when there was no room for Him.

**KEN'S SERVICE**
Propane & Appliances
Pianos and Trucking Service
Phone 300, Vermilion

There was a little lady
Who lived in a hollow tree.
When she went to get her firewood
She used to think of me.

One day I went to see her,
About Propane you know;
And with a set of Propane lights
I set her house a-glow.

I then put in a heater,
And lo, how nice and warm;
That heater saved her aching back,
And kept back all the storms.

An then—Oh, boy—a Propane range,
To cook and bake and broil.
How happy that wee lady was—
Saved from that extra toil!

And then, of course, a nice big tank,
So shiny round and sleek,
Canadian Propane on its sides,
And full of gas "Don't Peek"!

So now there's happy days ahead,
Less work, more time for play;
A new Piano from me she bought,
A "Quidor" by the way.

And now she sings her songs of praise
To God the Father above,
For the miracles which He has given,
Likewise His gift of Love.

And now I'll close this little poem
Of the lady in the tree.
Her heart is filled with gratitude
To the Christ who died for Thee.
Ken Isley, Author

Grave Monuments On Display
A complete line of grave monuments on display at Moyer's Funeral Home, Vermilion.

Interest and service charges on the federal public debt amount to about $10 million a week.

## Pleasant Valley

The weather, well one can hardly believe Xmas is upon us with such glorious days.

Some of these items are a little late but working on the old adage better late than never we will reproduce them anyway.

Congratulations to Leonard and Louise on the birth of a bouncing baby girl.

Say Mrs. Wallington, the name of the writer of the story on a trip to England was Mr. A. Scott of the Clovelly district just to the south-west of Claysmore.

Mrs. Gillies' house has now been moved on to her daughter's place.

Among the Bowtell Busy Bees the writer was pleased to have Mrs. R. Jenkins. The Carols were sung very nicely with Mrs. Morrison at the piano. A roll of bills was found shortly after the meeting and has been safely put away Isobel.

Thursday a car load journeyed to Mrs. Moore's to a Stanley party. Friday night the writer and husband attended a surprise party at Chatsworth in honor of Mr. and Mrs. Hans Henningsen. It was a very enjoyalbe evening. Nice to meet folks about whom you have often read. A lovely lunch was served at midnight and we all had a piece of Evelyn's wedding cake. It was delicious. The newly-married couple were presented with a standing lamp with matching bed lamp, and all the good wishes of everyone there.

Mr. and Mrs. Cyril Davis have left to spend Xmas at the coast. Why leave sunny Alberta Alice?

Mr. and Mrs. Jas. Panter were guests on Sunday at the home of Mr. and Mrs. Gordon Gould. The Moore family were supper guests at the home of Mr. and Mrs. Bert Gould the same day.

Doris Gilles spent a couple of days at home last week nursing a bad cold. They are quite common of late.

Let's go into our garden and see what is blooming for Xmas. There are paper white narcissus, a purple gloxina, a lovely white Calla lily, a pot of mixed color crocusses and several pots of hyacinth. These are all very lovely.

The writer enjoyed a visit from Mrs. Fyfe and Mr. and Mrs. Geo. Connon on Thursday night. The pink violet is lovely.

Happy Christmas everyone!

1200 miles of new railway line is under construction or has just been completed in Canada, bringing the country's total of single track up to 43,000 miles — nearly enough to go twice around the world at the equator.

## LOCAL NEWS

Miss Betty Tomlinson, well known CBX commentator, will be a guest at the home of Mr. and Mrs. K. E. Rowe for Christmas.

Mrs. Ed Wilson of Victoria, B.C. is visiting in Vermilion for the Christmas season, a guest at the home of her daughter and family, Mr. and Mrs. Don Harrison.

Mrs. McJannett and son Loch of Edmonton are spending the Christmas holiday with the former's parents Mr. and Mrs. K. E. Rowe. Dr. McJannett is at present with the Canadian forces in Japan.

Mr. and Mrs. Curtis Wilson and granddaughter Susan Wolters plan to leave Friday by bus to spend Christmas with their daughter and family Mr. and Mrs. Tommy Knight at Ensign, Alberta.

Mr. and Mrs. Ken Greenwood leave this Thursday to spend Xmas with the latter's parents at the family home at Sylvan Lake.

Mr. Harry Doan and sister Mrs. Nina Petch have left for Windsor, Ont., where they will enjoy the Christmas season with members of the family. They plan to stay in the east for a goodly part of the winter.

Mrs. Marie Ensland left Saturday last for West Summerland, B.C., where she will spend the winter.

Miss Evelyn Wilson, recently of Calgary, is spending the Christmas holidays with her mother Mrs. D.E. Brown.

Mr. and Mrs. Keith Chalmers and family were Sunday visitors at the home of the former's parents, Mr. and Mrs. George Chalmers in Edmonton.

Miss Faye McLennan writes from Kitimat, B.C., saying that her new town is a very interesting place for many reasons including the development of both industry and town, the scenery is beautiful in its natural state, and people of every nationality live there, fewer Canadian born than any other, mostly German with a good showing of English, French, Dutch and even an Argentinian, an Australian and a Vermilionite, all work together in the aluminum plant. Even the weather is interesting — yes, says Faye — it will be interesting to see just how much rain can fall!

Mr. and Mrs. P. W. Statz (nee Miss J. Rudyk) of Trail, B.C., would like to wish a very Merry Xmas and Happy New Year to all friends in Vermilion and surrounding district, not forgetting the staff of the Vermilion Standard.

Sgt. Jack Reasbeck and Mrs. Reasbeck and family of the R.C.A.F. station at Grostenquin, France, wish to be remembered to all their Vermilion friends.

Mr. and Mrs. Stan McCrae and their three daughters, Anne, Marie and Joyce left last Saturday by car for Vancouver and Victoria where they will spend Christmas. At Vancouver they will visit Mr. W. E. McCrae, Mr. Cliff McCrae and Mrs. Frank Cameron, while in Victoria they will be guests of Mrs. McCrae's parents, Mr. and Mrs. Harold Dorey.

Mr. and Mrs. Fred King and two children Jack and Helen of Camrose, are guests for Christmas at the home of the former's brother and family, Dr. and Mrs. Ben King.

Guests for Christmas at the homes of Mr. and Mrs. Thos. Bothwell and Mr. and Mrs. Ashley Cooper are Mr. and Mrs. Sidney Millward and son Donald from Nakusp, B.C., and Mr. Bill Bothwell of Regina. Mrs. Millward and Donald and Bill Bothwell arrived on Monday with Mr. Millward coming Christmas eve. Eleven years have elapsed since Sidney was last in Vermilion.

University students and nurses-in-training noticed home for Xmas are Donna Young of Dewberry, Betty Bentley, Shirley Sutherland, Grace Eyben, Marian Barr, Betty Kibblewhite, Joan Maxwell, Larry Kehoe, Rex Boake, Peter Kupin, Rodney Eidem, John Stewart, Gerry Harle, while Henry Simonson is home from the Tech school at Calgary.

Mr. and Mrs. Tom Stack and daughters Donna and Marjory are expected from Redwater Friday to spend Christmas here with Mrs. Stack's mother Mrs. H. Elliott.

Friends of the family will be interested to learn of the birth of a daughter, Jacqueline Joy to Mr. and Mrs. Harold Bushell (nee Lois Beresford) at the University hospital on Dec. 17. Weight 6 lbs. 14 oz.

Charlie Earp of the inspection branch of the Industrial Relations Board at Vermilion, left Tuesday via C.N. to spend the Christmas holidays with his family at Qualicum Beach, V.I.

An old timer of Vermilion, Mrs. Bob Beckett sends along word that she has left Chilliwack and moved to Cranbrook, B.C., P.O. Box 615. She finds the drier Cranbrook climate preferable to the rain at Chilliwack. She mentions seeing Mrs. Annie Cameron in August and in September Mr. and Mrs. Hubert Winters of Victoria called and were very good to her. She extends Christmas greetings to all her old friends in Vermilion and district.

Mr. and Mrs. Walter Wilson and little daughter of Calgary spent a few days in Vermilion, guests at the home of the former's mother, Mrs. D. E. Brown.

CLANDONALD

# Curlers Play At Edmonton Royal

A rink of Vermilion curlers was among the group of ten visiting rinks entertained at the Royal in Edmonton last Saturday evening. The Royal Club invited a rink from each of ten neighboring towns and treated them right royally. They each played a game, enjoyed a banquet and social.

Making the goodwill visit from Vermilion were the club president Aldous Kent, with Al Locke, Warren Rosequist and George Webb Jr. They played against Skip Gordon Walker and while the locals started shakily this being their first game of the season as compared with 23 games played on the artificial ice by the Walker quartet, they staged a strong comeback, pulling up from 10-0 to lose out 11 to 10.

The goodwill trip was well worth while and the locals enjoyed the outing immensely.

# Meteor Very Much In Evidence Here

The meteor which flashed across the sky and lighted up this district on Sunday evening about 9 o'clock is now being claimed all over western Canada. Such was the brightness of the missile from outer space that the whole countryside was lighted by its flash and it seemed to be right in our immediate area.

CLANDONALD

A dance will be held in the Columbus hall Clandonald, on Monday evening Dec. 27 under the auspices of the C.W.L. Good music. Admission ladies 50c, gents 75c. 26x

# Tuesday, Dec. 21 Marks Official Start of Winter

The shortest day of the year, Tuesday, Dec. 21st, with a scant 7½ hours of sunshine, marked the official beginning of winter as nature rounds a corner to begin the long lap to spring. "Lying in" until 8:48 a.m. Tuesday a lazy sun dropped over the western horizon at 4:16 p.m. putting in a mere 7½ hour day as compared with 17 hours shining time next June 21st.

While the sun was up on Tuesday it did a very good job indeed, and its presence was very gratefully felt all day long, making a bright, cheery warm day, just as nice a December 21st as we have ever experienced.

The Circle Eight Square Dance Club held a very successful dance and Christmas party in the Legion hall on Dec 21st. Twenty squares spent a very enjoyable evening dancing to Harold Schacher's calling. The next Circle 8 dance will be in the Legion hall on Tuesday, January 11th, 1955.

# Letters to the Editor

*APPRECIATION*

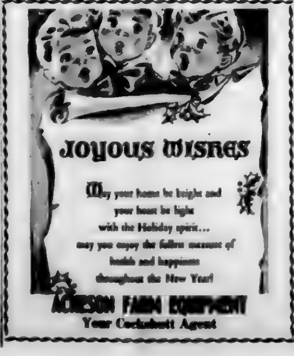
Dear Editor:

May I use a small space in your paper to thank my many friends and neighbors for their help to me in my recent misfortune.

I would like to thank Dr Evans, the entire hospital staff, my fellow patients, the clergy, and all those who visited me, also for the lovely cards and gifts.

These acts of kindness are deeply appreciated, and remain as pleasant memories.

Mrs. W. D. Williams.



**CHRISTMAS GREETINGS TO EVERYONE!**
from
**CRAIG'S LIMITED AND STAFF**

One of deeply genuine joys of the Yuletide is that which gives us an opportunity to express appreciation to you, our many patrons and friends.

Each passing year brings us a higher evaluation of the bonds forged by pleasant associations.

May the joys and pleasures of this festive season be yours in full measure, and may the New Year abound with peace and happiness to all.

# Crippled Children To Enjoy Festive Menu

Turkey and all the trimmings — with individual Rudolphs to grace the occasion—are on the menu for Christmas dinner for the patients at the Alberta Red Cross Crippled Children's hospital.

The menu, which has been planned to cover as much of the traditional dinner as possible and still consider small tummies has been listed as roast turkey with dressing and gravy, whipped potatoes, frozen green peas, cauliflower and cherry marshmallow delight. The latter is not quite as heavy as a steamed pudding but will be fancy enough to fit in with the occasion.

Tray covers will be decorated with Santa Claus figures and a small Rudolph will stand on each tray.

Only the patients on special diets and the 'bottle crowd' in the nurseries will miss out on this special dinner.

Also in the Xmas tradition at the hospital, the turkeys have been purchased by the Children's Hospital Aid Society.

# Xmas Boxes Packed By Birch Creek W. I.

MANNVILLE. — Birch Creek W.I. members again packed Xmas boxes for the elderly folk in the district. Twelve boxes of cake, cookies and other good things to eat were packed Saturday afternoon at the home of Mrs. C. Johnson and Leonard Johnson delivered them to those living in town.

*IN MEMORIAM*

In Loving Memory of
FRED AUBREY DOUGLAS
who passed away Dec. 24th, 1953.
You bade no one a last farewell,
You said good-bye to none;
A dear heart had ceased to beat,
And suddenly you were gone.
Ever remembered and sadly missed by his Loving Wife.

**MILK DELIVERY For The Holidays**

# CHRISTMAS MESSAGES FROM THE CHURCHES

THE KEEPING OF CHRISTMAS
*Rev. C. W. MacKay, B.A., B.D.*

Each Christmas season I enjoy very much hearing Perry Como sing the song, "The Christmas Spirit". In that song the wish is expressed that we might keep the Christmas feeling (spirit) all year round. Each Christmas I think how fine it would be if we could keep that feeling that prevails during the Christmas season. During this festive season people are happy and there seems to be a real effort to forget self and think of others. It would be fine if we could maintain this spirit of unselfishness and good will throughout the entire year.

Let us this year, then, in our homes and community not observe Christmas, or spend Christmas, but let us keep Christmas.

What does keeping Christmas mean?

May I suggest at the outset that keeping Christmas means putting Christ central in all the activities and celebrations that we have during this sacred season. Christmas is, indeed, the birthday of the Christ child, and we would not want to keep the honored guest outside while we celebrate His birth.

Down through the years there has been a tendency to crowd Christ out of Christmas. The Bible record informs us that there was no room for Christ at the time of His birth. It seems quite evident that they were turned away not because of any ill will against Mary, Joseph and the Babe, but because there was no room. In the present age, Jesus may be crowded out of our lives, not because of any ill will, but because we hav filled the space with other guests. We may be so concerned about things that Christ, whose birthday we celebrate, may take a secondary place. Perhaps we should all pray this Christmas the prayer of a little lad who uttered these words on Christmas eve: "Forgive us our Christmas's as we forgive those who Christmas against us".

In the next place let me suggest that keping Christmas means GIVING — giving ourselves in loving service for our fellowmen. The supreme gift that God gave to the world was the gift of His only begotten Son who came, "not to be ministered unto but to minister and to give His life a ransom for many."

We need to think up interesting and unique ways in which we may give in a personal way to others. Here is one interesting way. Last Christmas in front of a Texas gasoline station there hung a big sign which read: "Merry Christmas and a Happy New Year to all my customers. The $150 that would be spent on your Christmas cards has gone to help the Rev. Bill Harrod to bring Christmas cheer to West Dallas". Often young people wonder how they might give in a personal way. If you know a mother who would like to go to church or other activities why not give her a gift certificate for a dozen hours of baby sitting for the year to come.

It is giving in the personal way that counts for so much. Christmas should not be a time for merely exchanging gifts but giving in this personal way, with something of ourselves in the gift. The poet ourselves in the gift. The poet Lowell in "The Vision of Sir Launfal" expresses this thought well in these words—

"Not what we give, but what we share,
For the gift without the giver is bare;
Who gives himself with his alms feeds three,
Himself, his hungry neighbor and me"

My wife and three sons (no less) join with me in wishing the people of Vermilion God's richest blessing during this festive season.

MAJOR MILDRED BATTRICK
*The Salvation Army.*

*AN ANGEL'S GOSPEL*

"THOU shall call His name Jesus: for He shall save His people from their sins." *Matt. 1:21.*

We have the Gospel according to Matthew, Mark, Luke and John, but this verse gives the Gospel according to Gabriel. An angel is the preacher and the Gospel message is complete, so that if all the rest of the Bible were destroyed, we could be saved through the knowledge it imparts.

The three words pertaining to Salvation are contained in this sentence:

1. SIN. A small word in respect of letters, yet one of the biggest in the world. Its first letter is in the shape of a serpent and we can almost hear the hiss of the serpent in the word. Sin brings sorrow, suffering and death.

The word "sin" as used in the Bible means "missing the mark." The figure is taken from archery; with the bow and arrow in hand the archer shoots wide of the mark. Many, in their lives, have shot wide, but many more have just missed the mark of God's high purpose for the, i.e. to live, not just a moral life, but to live for the honor and glory of God.

The text tells us that sin is ours. "He shall save His people from their sins." The sins belong to you and I—and neither God, nor Adam and Eve, nor your parents, nor friends are to blame for them. There is a great need that man and women may realize their sins and that this deadening of conscience and peace of death be no longer mistaken for the peace of God.

2. SALVATION. This is a greater word than sin. It is neither form, nor re-form, but Life, entering into our souls and overcoming death.

3. SAVIOUR. And that life was gained for us by the Christ whose birthday we now celebrate. The havoc which sin makes in the individual life, in the home, and the nation and the repulsiveness of sin are only equalled by the attractiveness and the saving power of Christ. When we truly turn from sin we may be certain that the Saviour is turning to us. He waits to save us from the presence and power of sin.

May real Christmas joy be yours because you have given your best, yourself, to God and receive His best gift, His Son, into your heart.

## 1 B. C. and 1 A. D. Were Not a Year Apart

According to our calendar, one would naturally assume that between the year 1 B. C. and the year 1 A. D. there should be a year called zero. As a matter of fact, no such year exists, as far as historians are concerned, and the year 1 A. D. follows directly after the year 1 B. C.

A person born in 3 B. C. would not be five years old at 2 A. D., but would be four years old when one is calculating data in that period. When adding B. C. and A. D. years it is necessary to always subtract one to compensate for the year zero omitted between 1 B. C. and 1 A. D.

NOTHING BUT THE TRUTH by Ross Arnold

# Christmas Is Theme Of Dewberry Home And School Meeting

The December meeting of the Dewberry Home and School association was held in the school on Thursday, December 9th.

During a short business session a motion was carried that a welcoming committee be formed. Volunteers for this committee were Mrs. W. Parker, Mrs. S. Lemp, Mrs. J Braithwaite, Mrs. J. MacKay, Mr. M Buckinski and Mr. J. Ryan. The meeting was then turned over to a social gathering centred around the Christmas theme.

To start the program Mrs. Smith read two selections entitled "What is a Girl?" and "What is a Boy?"

Following this a few members told us what Christmas was like in their native lands. Mrs. G. Ewen told about Norway, Mr. V. Lizec of Hungary and Mr. Kuziew of the Ukraine. Our thanks go to these people.

The High School chorus, under the direction of Miss Clark sang a few Christmas carols. The meeting was concluded with community singing of favorite Christmas songs.

The Dewberry Home and School association is again sponsoring a Game Night. This will be held in the school on Friday, January 7th at 8:00 p.m. Crib, whist, bridge and ping-pong will be played. Games for children will be supplied. This is a good night for family entertainment, so let's see everyone out.

# Stagettes Holly Frolic Dec. 27th

A pleasing feature of the Christmas holiday season is the annual Holly Frolic sponsored by the Stagettes. The dance this year is being held Monday evening, Dec. 27th in the Elks Hall. Admission is 75c each. With everybody home for Christmas the Holly Frolic is always a grand re-union of old friends and acquaintances. 25-6x

**PRAIRIE AGRICULTURE IN REVIEW**
First appearing as a series of articles, but now assembled in book form, under the title "A SHORT HISTORY OF PRAIRIE AGRICULTURE", the story of agriculture in Western Canada has been faithfully portrayed by Major H. G. L. Strange, until recently Director of our Research Department. Limited supplies of this book are still available and any who are interested in it may obtain a copy by applying to the nearest Searle Elevator Agent.

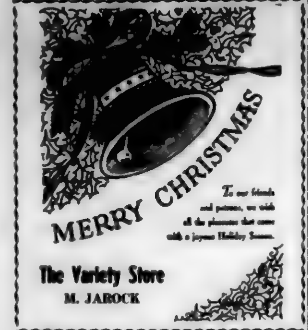
**Notice re Lost and Found Articles**
There are a large number of "Lost and Found" articles at the Columbia Theatre. Many of these articles have been here for a long period and unless same are claimed within one week, all items will be turned over to the Salvation Army.



# Lutheran Church Is Dedicated, Mannville

MANNVILLE —With the weather co-operating, the dedication of St. Paul's Lutheran church in Mannville was a complete success. A crowd of near 150 severely taxed the seating capacity of the new building. Seating was, however, managed with the aid of chairs.

The service proper commenced outside the building with the unlocking of th doors by the pastor, Rev John R Nielsen. Rev. F. A. Schole, the guest speaker from Ft. Saskatchewan and Rev. Nielsen led the procession into the building, proceeding through the nave into the sanctuary. The trustees of the church, Mr Joseph Betz and Mr. Otto Wagner, together with the elders, Mr. August Brokop, Mr. Eric Schroeder and Mr Andreas Schumacher, followed the pastors into the church. Next in line, the fourteen voice choir from Bethany congregation of Fort Saskatchewan entered followed by the congregation.

A very fitting and inspiring address based upon St. Luke 2:10, was given by the Rev. Schole. Mr. Schole pointed out that the members of St Paul's had undertaken an act of faith by beginning the construction of this house of worship and glory of God. However, the members had the promise of a Saviour which banishes all fear and [illegible]. At the time of Christ's birth the angel of the Lord brought good tidings, and we follow in his footsteps by proclaiming the good tidings also in our day. We proclaim these good tidings to all people — not only to a small [illegible] group. It is for this purpose that this house has been erected and dedicated. We have comfort trust, and strength through the proclamation of God's word and the administration of the Sacraments. But we must make diligent use of them. Only thus can we use God house properly.

The well rendered selections, an anthem of praise and a Christmas carol were sung by the choir. This added greatly to the beauty of the service and helped to make the day one which will live long in the hearts and minds of the people.

After the service proper, letters of congratulations were read from the Rev. C. F. Baase, president of the Alberta-B.C. district of the Lutheran church, Missouri Synod and from several other Lutheran churches in widely separated points.

Words of encouragement and congratulations were received in person from the Rev. W. C. Elfert, executive secretary of the mission board and from Rev. E. Wildgrube, of Bruderheim.

Next on the program, Mr. Joe Betz, acting for the Walther League came faorward and presented Mr. Adolph Reich with a check from the young people's society. In the amount of $87.54, the check represents the profit of Christmas card sales and will help pay for the construction of pews for the church.

Lunch was served to all by the ladies of the congregation.

## Bears Move In On C.N.R. At Jasper

JASPER.—Who said bears are dumb?

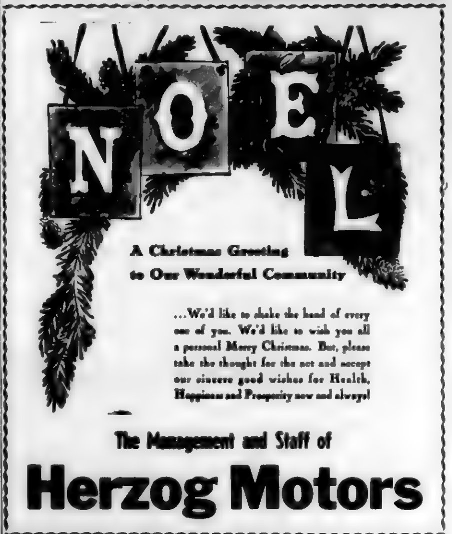
Eight of Jasper's famous black bears have moved in on the Canadian National Railways stores department here, and it looks as if the railway company can do nothing about it.

The bears have taken up winter quarters under a platform near the stores building. C.N.R. employees, warily investigating, found that the bears have removed the insulation from a small section of steam pipe that entered the building under the platform. They now have a cosy, steam heated winter home.

The game warden at Jasper National park advised against trying to evict the 'guests'. He said they would leave of their own accord in the spring. However, the railway is taking steps to keep them out next year.

Interest and service charges on the federal public debt amount to about $10 million a week.
—Quick Canadian Facts.

*LOOK AT YOUR LABEL DATE!*



## Sixteen Years Ago Today

*Dec. 22, 1938*

The Canada Year Book gave Vermilion's population as 1281.

Curlers swung into action Monday evening Dec. 19 and so far 12 of the 15 rinks have played.

The first meeting of the Vermilion School Division No. 25 was held in the Vermilion Valley municipal office here. Charlie Thompson was appointed chairman. Jas R. Robson of Dewberry was engaged as the secretary. The office for the division will be in the Dr. Stephens' building in Vermilion.

## Thirty-two Years Ago Today

*Dec. 28, 1922*

The Standard issued a special Christmas edition of two sections, 16 pages.

The south side and west end schools will be closed for economy reasons and all students crowded into the public school. One of the high school rooms will be divided into two rooms. By this means two teachers less will be needed. A saving of $4000 a year will be effected.

Vermilion had only one hockey team instead of two and the members here were Reid King, Murray McKinnon, Bill Barr, George Reasbeck, Bert Searle, Clarence Barr, Jim Currie, Jack Mackenzie, Frank Pilkie, Manson Barr, Coach Ed Ivy.

Federal sales and excise taxes on cars, radios and television sets made in Canada amount to about 25% of the manufacturers' price.

A votive lamp in the Ursuline chapel at Quebec has been burning continuously since 1717.

## Small Towns First to Light Outdoor Trees

It was a small town that first thought of lighting an outdoor community Christmas tree.

Four communities are believed to have thought of the idea about the same time—as early as 1909. Two of them, McDonald and Germantown, were in Pennsylvania. Salem, Ore., decorated a large [illegible] spruce. Riverside, Calif., decorated a large evergreen, an araucaria.

The first national Christmas tree was in 1924 and was sponsored by the American Forestry association. The event is now televised every year for all parts of the country to see.

[illegible] at the White House and Rockefeller Center in New York. The New York [illegible] is possibly the most elaborate in the world.

But it was the small towns that first thought of the idea.

Today, nearly every community in the land has some kind of Christmas decoration. Many communities string colored lights across the street and decorate light posts with evergreens. Many [illegible] and have [illegible] community trees.

# Double Santa Claus

By Bayne Fields

AS WAS his custom during Christmas week of each year, George Brandon leaned against a pillar in the toy department of the big store, and watched the kiddies. Whenever, with a particularly hungry look, a child picked up a toy or eyed one longingly, George raised his hand. This was a signal to the clerk that the price of the toy was on him.

George was no millionaire. It was just that, not having folks of his own to buy Christmas presents for, he spent his gift money on the kids. It gave him a satisfaction to see their faces light up.

A girl had entered the store and was standing by a pillar near the one George was propped against. He had noticed her, with more than casual interest, when she came in. She had a complexion that was the clearest he had ever seen and, although he couldn't see them at that distance, he would have bet she had blue eyes. Her hair was shining blonde.

"I'll second the boy's question," George said. "Just what is going on here?"

When George turned his attention back to the toy counter, a little girl, wearing neat but worn clothing, was eyeing a doll almost as large as herself. He raised his hand. With a slightly bewildered expression, the clerk picked up two dolls, wrapped them, and handed them to the child.

The actions of the clerk puzzled George. He was certain he had only signaled once.

George turned his head to look at the blonde girl again.

The girl caught him staring at her and she smiled. A very nice smile. George would have liked to have a smile like that, just for himself, every day. With an effort he brought his gaze back to the toy counter.

A small boy was wistfully looking at a train. George could picture the kid at home, on the floor, playing with it. It would be nice to help a boy like that assemble the toy. He raised his hand.

This time the clerk seemed more puzzled than ever. He started to reach for the train, then instead, he motioned for George to come to the counter. George had been about to go over, anyway, to see what was behind the man's strange actions.

"Do you know that blonde girl standing over there by the pillar?" the clerk asked him.

"No," George told him, "but I'd sure like to. Why?"

"Did you notice I gave the little girl two dolls, when you signaled?"

"Why yes," George answered him, "and I wondered about it. However, I figured you knew the child and she probably had a sister that you thought should have a doll too."

"No, that wasn't the reason." The toy salesman motioned to the blonde girl. She had been watching them with interest and at the clerk's wave, she came over.

"Miss Marvin," the man behind the counter introduced them. "This is George Brandon. George, this is Jean Marvin. I think all nice people, such as you two, should know each other!"

The girl extended her hand eagerly and George took it just as quickly. He saw that he would have won his bet—her eyes were the bluest of the blue!

"Say, what's going on here?" The small boy had turned away from the glistening train and was looking at the trio wonderingly.

"I'll second the boy's question," George said. "Just what is going on here?"

The salesman laughed. "The reason I thought you two ought to get together, is that you're giving me signals on the same kids."

"You see," he told George, "Miss Marvin made the same arrangement this year, in regards to giving the kids toys, that you've been making for years!"

One Christmas, a few years later, Jean Brandon said to her husband, "Remember the Christmas we met, George?"

"Of course," he answered, "I'll never forget it. Why?"

"Well," she laughed, "I'd seen you in the store the previous Christmas and it took me a year to figure out that scheme to meet you. One little girl got a double Christmas out of it, anyway!"

The world's first long distance telephone call was made 80 years ago over the 8 miles between Brantford and Paris, Ont., by Alexander Graham Bell.

# MANNVILLE & DISTRICT LOCALS

A caller in Mannville last week was Mrs. Herb Congo (Marion Rose). Mr. and Mrs. Congo are in charge of a home at Three Hills for children of W.E.C. Missionaries.

There was an excellent attendance at church on Sunday, Dec. 12 when Rt. Rev. H. H. Clark, Bishop of Edmonton, was in charge of the service. Rev. Clark also took services at Saltaux, Stellaville and Wilberforce on that same Sunday. Mr. Ralph Leitch accompanied the Bishop.

Among those home from University this week end for the Xmas holidays are Miss Florence Otto, Miss Sharon Meece, Miss Arlene Leitch, Messrs. Sandy Hogan, Kevin Majeau and Fred Otto.

Mr. and Mrs. Norman Thompson (nee Audrey Hughes) of Edmonton, visited with relatives and friends in Mannville on Sunday.

We take this opportunity of wishing all our readers here and all former Mannville-ites a Very Merry Christmas and a Happy New Year. We would be pleased to receive news items from or about former Mannville folks at any time.

Miss Arlie Whitson and Miss Reta Majeau of Edmonton spent the week end at home.

The various Sunday schools and the Legion held Xmas parties for the kiddies this week. On Wednesday afternoon last week the Catholic children had a party in the parish hall; on Monday evening the children of Legion members met in the Legion hall, on Tuesday night the Anglican church party was held in the Orange hall and on Wednesday the United Church Sunday school party was held in the Orange hall. On Tuesday evening Santa also visited the Gospel hall.

Bingo numbers for this week are B 9, G 58, O 62.

The natural increase — excess of births over deaths — of Canada's population in 1953 was 289,444.

# Elks New Year's Eve Frolic

Once again the Vermilion Elks will hold their annual New Year's Eve frolic and this will be the big celebration in Vermilion and district. The dance will start at 9 and continue until everyone is ready to go home. There will be noisemakers, novelties, confetti — in other words favors galore to help everyone celebrate the coming in of the New Year. It's the big event of the holiday season and a grand time to see old friends who are home for Christmas and New Year's. 25-6

NEW YEAR'S EVE FROLIC AT ISLAY

New Year's Eve frolic on Friday Dec. 31 at Islay community hall. Novelties, noisemakers, fun and frolic. Admission $1 each. 25-6

Cost of federal old age pensions this year will be about $377 million.

WE NEED THAT SUBSCRIPTION!

# NEWS from DEWBERRY

Hello folks quite a spell since we penned the Dewberry doings. Maybe we can get back in the groove again.

Since our last script back in May many congratulations have been in order for weddings, anniversaries and births. Our latest arrival to date, a boy to Mr. and Mrs. Don Wilson and a girl to Mr. and Mrs. Iaert During the month of November the W. Curtis family, G. Ewen family and Dave Volker family were all honored by a party and gifts on their 25th wedding anniversary

Attending the F.U.A. convention in Edmonton were Mr. and Mrs. Harold Craige and Fred Collins, all from the Dewberry local. During farm round up day the Dewberry local foreman of riders Erven Garnier reports nearly 100% membership was taken for the F.U.A. in this area.

Herb Mahiney is a patient in Elk Point hospital suffering from rheumatism. Better get well Herb as there may be some snow to plow soon

Dewberry hockey boys have the rink in skating shape already. The hockey club will again hold a big New Year's Eve frolic in the Dewberry hall

Dewberry curlers should be throwing rocks in a week's time. Ice making and caretaking is again being handled by Ralph Lunden and Harold McKnight

Valorie Keast celebrated her 10th birthday last week by giving a skating party to many of her little friends. Happy birthday Valorie

Mrs. Donald Matheson has been appointed second vice-president in the F.W.U.A. for Alberta.

Dewberry Home and School meetings continue to gather large crowds, 63 attending the meeting last Thursday in the new school. Tape recordings were made of Christmas doings in the Old lands such as Hungary, Norway, etc. as told by members who had come from these countries as young people many years ago. These recordings are to be given to the school children for future lessons on customs in foreign countries. Next meeting will deal with spelling and teaching of sounds to children beginning school.

Quite a number of Dewberry people are to be seen these Sundays perch fishing at Stony Lake west of Elk Point.

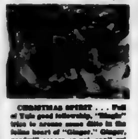
Terry Anderson was a city visitor last week and will wear glasses now as a result of a serious illness several years ago.

Nearly thirty members of the Dewberry F.U.A. met at the home of Sol Lemp for their regular monthly meeting. The gathering heard convention reports by Mr. and Mrs. Craige and Fred Collins. Dewberry local now has about 130 members.

Big game party of Vic Dennill and company returned after having good luck in the elk country west of Edson The Frank Bowman party found hunting difficult due to lack of snow and returned without their full quota of game. They were hunting late in November.

Power line crews are still stringing wires to additional newcomers on the Greenlawn Rural Electrification and hope to have some hooked up by Xmas.

Mrs. W Young has returned home after undergoing surgery in Medicine Hat hospital. We wish her good health for the future.



CHRISTMAS SPIRIT . . . Full of Yule good fellowship, "Bingle" tries to arouse some ditto in the feline heart of "Ginger." Ginger, goodwill season or not, can't get over her distrust of dogs.

# Canada Seconds In Boys' Rifle Shooting Competition

Canada was runner-up to South Africa in the competition for the King George V trophy for boys' rifle shooting, the National Rifle Association announced in London. Canada had an average of 88.[illegible] points for 2,000 boys. South Africa, which has won the trophy for the 24th time and for the 20th consecutive year, had an average of 88.594 points for 2000 boys. Great Britain was third and New Zealand fourth.

GOOD NEWS FOR Homemakers

CELEBRATE CHRISTMAS with STEAMED PUDDING

## Tips on Touring

By Carol Lane
Women's Travel Authority

Your own community during Xmas provides one of the nicest treats you can give to the older folks in your home. Cities all across the nation provide street spectacles that are brilliant and festive. Why not invite the folks for a drive through either the shopping or residential districts of your town? It can [illegible] circus. Colorful lights embroider homes in jewel-tones. Elaborate creches with full-life biblical figures can be seen on lawns, or Santa and his reindeer galloping down chimneys covered with fake or real snow. Trees are necklaced and garlanded with tinsel, lights and figures. And communities in some areas vie with each other to transform their streets into Christmas scenes.

Naturally, children will like to see such lights and taking them along will make their Christmas season even more memorable But it is particularly for folks who are penned-in most of the time that the Christmas spectacles are a special treat to see.

IS YOUR SUB. DUE?

# Harvey Wilson Buried At Ingersoll, Ont.

Funeral services for Mr. Harvey Abner Wilson were held at the Keilerand Guthrie Funeral Home in Ingersoll, Ontario on Wednesday Nov. 17 with interment following at the Harris Street cemetery. Mr. A. Sadler, pastor of Mount Elgin Baptist church conducted the services. Special music was by Mrs. Wilfred Nethercott.

Mr. Harvey Wilson passed away on Friday Nov. 12 at his home in Mount Elgin at the age of 61 years. He had resided at Mount Elgin for the past few years since moving from Vermilion where he had lived for 47 years. He was born at Clermont, Ont.

The pall bearers were Harley Jolliffe, Wilfred Nethercott, James Davis, Frank Cornish, Harry Purdy and Reuben Erickson.

Left to mourn his loss are his wife, two sons Harold at Valleyview, Alberta, and Philip at Ft Nelson, B.C., and two daughters, Mrs. Frederick Roth (Cora) in India, and Mrs. Arthur Thiessen (Clara) of North Battleford Sask. There are eight grandchildren. Al so left to mourn are three brothers Bruce of Fairview, Alta. Clark and Harold of Vermilion three sisters, Mrs. Gertrude Ray of Millington Mich., Mrs. Lovina Reed of Ione, Wash., and Mrs. Llewellyn Brown of Vermilion.

Beautiful floral and memorial tributes were received from many friends including:

The Family, the Grandchildren; Mount Elgin friends and neighbors; Mt. Elgin Baptist church, Mr and Mrs Sam Jones; Don Fleming, Thomas Granger; Mr and Mrs. H. Purdy; Mr. and Mrs Collorff; Mr. and Mrs. G. Harvey; Mrs Miners; Dr. and Mrs. Harris, Mr and Mrs. Roy Harris; Miss Maud Smith; J Fletcher; Mr and Mrs K. Clark; Mr and Mrs Hartfield; Mr and Mrs H Jolliffe; Mr and Mrs Tindale, Mr and Mrs Mohre, Mr and Mrs H. E. Freeman; Mr and Mrs Irvin Prouse; Mr and Mrs Roy Williams; Ed Gilbert, Mr and Mrs Chas Smith, Mr. and Mrs Harold Fleming, Mr and Mrs. E. Ritchie; Mrs. Alexander; Mrs Lorne Jolliffe and family; Bertha Gilbert; Mrs. A. Ray, Mr and Mrs. Elmer Worden; Mr and Mrs. Carl Opperman, Bruce and Edith Clark and Gordon, Harold, Naomi and family; Fern and Llewellyn and family; Bill, Hazel and family; Leta, Herman and family; Beulah, Johnny and family; Susie, Dave and family; Miriam, George and family; Lenna, Billy and family; Weston, Sally and family; Mike, Violet and family

Flowers for the house were from Olive, Bill and Billy, Ladner, B.C.

Placement of Gideon Bibles: Mr. and Mrs. F. W. Hill and Gunny; Mr and Mrs. Mahan Hill of Vermilion; Mr and Mrs Wendell Hill of Port Coquitlam, B.C.; Mr. and Mrs. Ellwood Hill of Wainwright, Mount Elgin Baptist Bible Class, Christian and Missionary Alliance church of North Battleford Sask.; Christian and Missionary Alliance church of Vermilion, Alta.

Many kindnesses were shown and letters and cards of sympathy were received with much appreciation.

In the last few years it has become more and more popular to decorate doors and doorways with [illegible] and tree ornaments instead of the conventional wreath. Your door and window frames can be made bright and cheerful by framing them with ribbon and sprigs of holly. You can hang the [illegible]

# WOODVALE NOTES

The Tolland F.U.A. held its annual meeting on Dec. 17 at the community centre with 10 of the 18 members present. Several subjects were discussed and Fred Slocum will be the next secretary-treasurer for 1955. The next meeting will be held Jan. 11.

We were sorry to hear that the Preston baby has been taken back to the Islay hospital again.

Trigve Selte left earlier this month for a trip to Norway. He plans to fly from Montreal.

Fred Slocum went to Edmonton on Monday.

The Woodvale schoolchildren who only so recently enjoyed skating parties during their noon recess have now returned to their summer pastime, softball. A very unusual time of the year to see the youngsters play that game. Must be something of a record!

They must have more ice farther north as Bill McGrath and Elmer and Frankie Wolters went ice-fishing on Moose Lake last week end. They did not have any luck however, their only adventure was seeing a lynx who came quite close, apparently attracted by the savory smell of toasted sandwiches!

Regan Freeman formerly of the Triangled istrict and his wife called at hte home of Mr. and Mrs. Otto Wolters while on their way back to Cardston where they farm. They had been visiting with Mr Freeman's parents at Marie Hill, Sask. They also went to se a few of their old neighbors across the coulee

The card party at the school on Monday was well attended, 11 tables and two tables had to be played standing up. All the prizes were taken by the men folk. Apples, oranges, candy and cookies were extras passed around and everyone enjoyed the evening, including the children and Clive's dog! The next cad party will be on Jan. 3 and the annual meeting of the Woodvale Community Assoc. will be on Jan. 12th.

Former friedns and neighbors of Kay Foster (now Mrs. Robt. Look of Victoria, B.C.) will be interested to know that she had a baby girl on Oct. 2, Judith Anne, a sister for Christopher.

This, being our last news bulletin for 1954, we wish our readers, the Editor and staff a Merry Xmas and Happy New Year!

# Christmas Card Idea Originated By Englishman

Christmas cards are so much a part of the modern Yule season that one seldom stops to wonder how the idea originated and by whom.

This simple idea of wishing your friends a Merry Christmas brought honor and knighthood to the originator, Henry Cole, a middleclass Englishman.

Cole mailed his cards on a December day in 1846. The cards depicted a Victorian family assembled at the festive board and the traditional Christmas custom of giving to the poor. They also bore the now-classic greeting: "A Merry Christmas and a Happy New Year to you."

He had a thousand of the cards struck off by a lithograph. They were such a success that plain Henry Cole subsequently became Sir Henry Cole.

The cards we send today, however, a far cry from those mailed by Cole. The cards you send and receive this year will be designed by famous names in contemporary art.

An American shopping for cards this year may select scenes painted by such famous people as Winston Churchill, Britain's prime minister and famed amateur artist, and Grandma Moses, one of America's most famous artists.

The demand for cards is so great that many companies spend their entire time in designing and producing them for the holiday season.

What does YOUR label read?

# Letters to the Editor

The Editor,
Vermilion Standard.
Dear Mr Cooper—

The Vermilion Red Cross Society wishes me to convey their thanks to you for the publicity you have given the Organization during the past year.

Yours respectfully,
The Vermilion Red Cross
(Dorothy Selte, Secretary.)

# Death and Funeral Of Mrs. Myrtle McRobert

The Hazeldine and surrounding districts were saddened by the passing of Mrs. Myrtle Margaret McRobert on Thursday, Nov. 18 at the Islay Municipal hospital.

Funeral services were conducted by the Rev. T. Sneddon of the Marwayne United church at the Hazeldine hall on Monday, Nov. 22. Mrs. John Whiteside presided at the piano. Interment took place in the Dewberry cemetery. Moyers of Vermilion had charge of funeral arrangements.

Myrtle Margaret Johnstone was born at Swan River, Man., in 18[illegible] and moved to the Hazeldine district with her parents as a young girl. In 1919 she was united in marriage with Archibald Armstrong McRobert, who predeceased her in March, 1948.

Myrtle McRobert leaves to mourn their loss, three sons, Peter of North Bay, Ont., Ian of Hazeldine and Robert of Hazeldine; two daughters Betty, Mrs. Ted Carson of Marwayne, and Joan, Mrs. Don Beckett of Hazeldine; three sisters, Mrs. Harriet Gilmour, Los Angeles, Calif., Mrs. Lorne McLean, Vermilion, Mrs. Walter Swan, in British Columbia; three brothers, Tom, of Marcus, Wash., Marvin, Spokane, Wash. and Daniel of Peace River. There are five grandsons and four granddaughters.

Acting as pallbearers were six friends of the deceased, Messrs. Reinhold Klimek, Graham Gardiner, Guy Miller, John Maltais, John Kinshella and Ken MacLean all of Hazeldine.

Floral tributes were received as follows:

In loving memory: The Family, Etta, Lorne, Emily, Madelon and Ted, Hardy, Evelyn and Jimmy; Mrs. Carson, Betty and Findlay; Mrs. C. Beckett, Fred and Effie, Gordon and Hazel; Tom and Edith.

With Sympathy: Graham and Marjorie, Guy and Clara, Mr. and Mrs. Max Mislak; Kay and Bill, Evelyn and Coonie; John and Thelma; Reinhold and Buddy; The Klimek Family; Lorne, Mona and family; Charlie and Augusta; John, Ina and family; Ken and Molly; Mr. and Mrs. Fisher and Norman; August and Kathleen; Dick, Agnes and family; Verne, Irma and boys; Scotty, Charlotte and family; Rudi, Dilly and Patsy; George, Martha and family; Cameron and Viola; Larry and Bernice; Emil, Eva and family, Mr. Collins, Eileen and family, Frank and Bunty; Betty Lou and Robyn, Mr. and Mrs. A. Johnson; Mr. and Mrs. W. Kinshella; Mr. and Mrs. E. Bell; Mr. and Mrs. G. B. Murray; Mr. and Mac MacLean; Albert, Mary and boys; Dave and Lillian; Mr. and Mrs. J. S. McKay; Jack McGillaway; Mr. and Mrs. John Spence and family; Lawrence Perks; Mr. and Mrs. F. Wheat and family; Mr. and Mrs. W. Fairbairn; Bill and Joan; Gordon and Elva; Lloyd and Esther; The Hazeldine Community Club; Friends of Dewberry and Community; O.O.R.P. No. 150, Marwayne.

Donations to the Cancer Fund in remembrance: Mrs. E. Durnin; Mamie and Bill; Roy, Olive and Jimmy; Mac and Sheila; Brian and Ella; Mr. and Mrs. W. Hansen; George and Joyce; Mr. and Mrs. J. Milne, Mr. and Mrs. R. Milne; Mr. and Mrs. Philbin and Joe; Mr. and Mrs. E. C. Walker; Fred and Elsie Braithwaite, Mr. and Mrs. Charlie Hollington; Noel, Margaret Angus; Oneta, Keith and boys; Mr. and Mrs. B. Freehill; Mr. and Mrs. F. Molohon; Mr. and Mrs. C. Hancock; Mr. and Mrs. L. Johnson and family; Mr. and Mrs. J. Elliott and family; Mr. and Mrs. Geo. Perks; Mr. and Mrs. A. Corr and Harvey; Helen and Bill Bell; Mr. and Mrs. [illegible].

Donations to the Crippled Children's fund of Alberta in lieu of flowers: Mrs. Fred Collins; The MacDonald Families.

Donation to the Dewberry Cemetery fund in lieu of flowers: John [illegible].

Donations to the United Church [illegible] Fund: Beryl and Albert; Mr. and Mrs. Jim Hale; Mr. and Mrs. Joe Hale.

Donation to the Anglican Church Building Fund: Mr. and Mrs. H. Bacon and family.

Donation to Elks Sunshine fund in lieu of flowers: Mr. and Mrs. C. Nelson and family; B.P.O.E. No. 347 Marwayne.

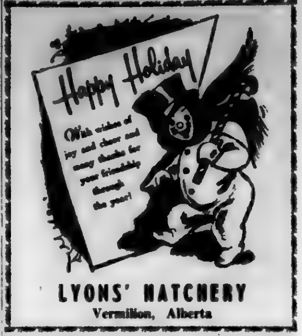
# Much Activity Revealed At C. W. L. Meeting

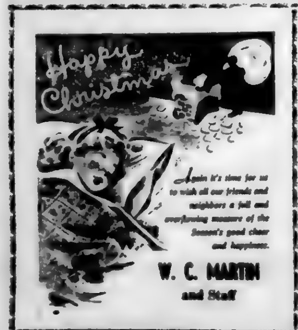
The C.W.L. held their monthly meeting in the parish hall on Dec. 16 with President Vivian Dyck in the chair. There was a good attendance and a busy meeting ensued. The fall bazaar was a decided success and the ladies would like to thank all those who patronized this regular event. The [illegible] catered to the Knights of Columbus banquet at which [illegible] served nearly 400 Knights and [illegible] wives.

A substantial donation was sent to the Sisters of Service to help them care for the needy children.

Mrs. Culford suggested that the ladies consider holding the 1955 convention in Vermilion.

The annual Xmas party sponsored by the C.W.L. and Knights of Columbus for the children was held in the Parish hall on Sunday the 19th. A very delightful program was arranged by Mrs. Shalka and Miss Margaret Bhenke on very short notice and was a credit to all those taking part. Santa, looking hale and hearty, was the usual highlight of the afternoon. In his closing remarks Father Landrigan thanked all those taking part in the afternoon's entertainment and those who helped to prepare it.





# Of Many Things . . .

By AMBROSE HILLS

HISTORY LESSON

When I was a young lad in high school, I had a teacher we nicknamed Cherry-nose Anderson. When he grew angry, his pleasant Scottish features were stained a cherry red, and his burr had the staccato impact of a machine gun. The thing that angered him most was the [illegible] the world neglected the lessons of history.

I thought of him when I read in the paper what Mr. [illegible], the British Railway Officer, told the Royal Commission at Ot[illegible] the other day. Mr. [illegible] said [illegible] the wheel has turned a full [illegible] and that Great Britain, to improve her transportation system, has gone back to much the same type of freedom from [illegible] control that characterized the [illegible] days of railway history. The [illegible] trend, he said, was once again [illegible] wide-open competition."

Cherry-nose would have been delighted by those remarks. It was a theory of his that nations, once they get strong, begin to put chains on themselves. He burned with indignation when he told how American clipper ships were able to out-trade the British navy, which had become ponderous and heavy and bound up in red tape and traditions.

Few historians believed quite so fervently in freedom as did our scholarly principal. He even applied it to our classes. He was one of the first to deplore the business of keeping young men and women sitting all day in straight rows of desks, obliged to raise their hands formally in order to speak, nailed down to a narrow course of study. In his classes, the only discipline was self-discipline and sometimes we took advantage of it.

The school board once thought he was too lax, and tried to persuade him to establish a complete set of rules for classroom conduct.

"Rules be damned," he said. "I know a few boys take advantage of the freedom I allow. And they may fail as a result. Freedom always hurts someone a little — but it's still the best for the vast majority. I'm not going to tangle up a whole class in damnfool regulations for the sake of a few!"

He didn't, either. And the school board couldn't complain too much. His classes made high marks. His students, when they graduated, went on to win honors in many fields of endeavor. Perhaps, sometimes, they have doubted his theories — but not for long. History usually proves how right he was.

## Yule Seal Idea Was From Denmark

This year millions of Americans have received a letter from their local chapter of the National [illegible] Association containing [illegible] the seasonal reminder of the never-ending fight to stamp out the disease.

The idea was conceived by a Danish postal clerk. He thought of the idea in 19[illegible] while mailing Christmas packages and letters. [illegible] so and they decided it would be a great help in defraying the cost of fighting tuberculosis. [illegible] King Christian, who approved, and the image of Queen [illegible] was posed on the first seals in 1904.

Jacob Riis, Danish-born American, heard about the idea and told it to the American public in 1907 through a magazine article. A Red Cross worker, Miss Emily Bissell, started the first American sales that year.

A hundred years ago many Canadian city dwellers bought their drinking water from peddlers at a cent a pail.

*Quick Canadian Facts*

# The Origin And History Of Christmas Carols

By JACK BROWN

NO. III

In Italy the fifteenth century began with the flood of the Renaissance. Before its close printed books were familiar objects, and the New World had been discovered. Our earliest carols are taken from manuscripts of the century. The carol continued to flourish through the sixteenth century, and until the recrudescence of Puritanism in a new form suppressed it in the seventeenth. In the year 1644 the unfortunate people of England had to keep Christmas day as a fast, because it happened to fall on the last Wednesday in the month—the day which the Long Parliament had ordered to be kept as a monthly fast. In 1647 the Puritan parliament abolished Christmas and other festivals altogether. Thus, most of our old carols were made during the two centuries and a half between 1400 and 1647.

The old masques and carols did not recover after the Restoration. New carols continued to be published throughout the eighteenth century but they were mere eating songs about pork and pudding. Almost the only contribution of this era was to print "While Shepherds Watched" to the New Version.

The carol was ignored by the formal and prosaic world of the eighteenth century, and was slowly losing ground among the poor, although there is evidence of its continuance in many parts of England.

The forgotten wealth of beauty was not restored by the pioneers of the Romantic Revival, nor even by that great re-discoverer of Christmas, Charles Dickens. When Dickens was a boy the carol seemed to be on the verge of extinction, and it was anticipated by some that carol singing would entirely disappear in a few years.

At the same time, in 1822, Davis Gilbert published the first modern collection of traditional carols, and a second edition of his collection was called for in 1823. But he also spoke of the carol as a thing of the past. The next collector, William Sandys, in his "Christmas Carols, Ancient and Modern" 1833, did not take a much more hopeful view. The very meaning of the word 'carol' came to be forgotten. In 1831 a book called "Christmas Carols" was published, and reprinted until 1857: it consisted entirely of new Christmas hymns, very poor in quality and now forgotten.

The common people continued to preserve the tradition through the use of broad sheets, though there were signs of deterioration. W. H. Husk, in his "Songs of the Nativity" 1868, reported that carols were still sung, but the broad sheets showed that their printers, especially in London, find the taste of their customers rather incline towards hymns, mostly in use amongst dissenting congregations, than to the genuine Christmas carol. In 1836 Thomas Wright began printing fifteenth century Songs and Carols, published more in 1837, and was still publishing Ancient Carols in 1856. Other scholars followed, and the valuable work of societies like the Percy Society and the Early English Text Society has assisted them down to our own day. Musicians began at last to be interested. In 1855-59, William Chappell published two volumes of old music, but ignored the living folk song when it was still abundant. Such was the position in the middle of the last century. A few collectors added some new material to their collections. So, one hundred years ago, when the Folk-Carol was slowly dying, at the other end of the scale the carol was being recovered. Scholarly foundations had already been laid, and enough music had been published by Gilbert and Sandy's to make carol singing possible among the few educated people who were interested in it. The second chapter of the revival in the nineteenth century opens in 1871 with the publication of forty-two 'Christmas Carols New and Old' by the Rev. H. R. Bramely of Magdalen College, Oxford, and Dr. John Stainer. The influence of this book was enormous, it placed in the hands of the clergy a really practicable tool, which came into general use and is still in use. The great service done by this famous collection was that it brought thirteen traditional carols, with their proper music, into general use at once.

We owe an awful lot to Bramley and Stainer for their work in the restoration of the carol. Many other new carols and some collections were produced in the last quarter of the nineteenth century, for carol singing had become popular, but none of these attained the standard of Bramley and Stainer.

It was not till the last decade of the nineteenth century that the folk music began to be systematically collected.

The Folk Song Society was not founded till 1898 and Cecil Sharp in his English Folk Songs "Some Conclusions" (1907) says that 20 years ago it was only by a very, very few people that folk songs were known to exist in this country (England). At last it was realized that England, as well as Scotland and Germany, and the rest of the civilized world, had its songs: and that folk music had existed in England all along. Tunes originally of individual invention having been shaped to the communal feeling of the race. Then began the search among the memories of the old people in the countryside, and to this we owe the recovery of one lost carol tune after another. So many have been discovered that there is now a fairly wide scope for the selection of those which are best and most distinctive. It is a thrilling history, full of significance. Something transparently pure and truthful, clean and merry, has been recovered from under the crust of artificiality which had hidden it. The 'Carol' is established again.

## Carol Singing At Mannville Home And School

MANNVILLE — The December meeting of the Mannville and District Home and School Association was held on Dec. 16 with a large attendance. With regards to the formation of an Army Cadet corps Mr. Doherty reported that 22 boys have agreed to join and he had written to the proper authorities to see if a group could be started with the hopes that more would come in, as generally 35 boys are required.

The Mission Band group sang two Christmas Carols. Misses Bunny Ross and Jetty te Kampe sang "Silent Night" and Miss Nelson led the entire group in carol singing accompanied by Mrs. Younge at the piano and Loraine Younge with her violin.

Miss Gray of Minburn gave an enlightening report on the Leduc conference and Mr. C. Finley gave the highlights of the Trustees' convention held recently.

A buz session was held on 'The Suitability of Clothes for School Wear'. Many good ideas were brought out, but the main part of the discussion centred on the problem of gym shoes for each individual child. It was thought that the present prices of running shoes are much too high. This matter was turned over to the executive for fact finding and possible further discussion at a later meeting. Two other good suggestions were clear labelling of such articles as rubbers and mitts and running shoes, and a tighter check at school of lost articles.

1200 miles of new railway line is under construction or has just been completed in Canada, bringing the country's total of single track up to 43,000 miles — nearly enough to go twice around the world at the equator.

# Christmas Messages from The Churches

from
REV. J. T. McNAIR

*Immanuel — God With Us*

Among the sacred titles ascribed to the Lord Jesus, is Immanuel. Both the Virgin Birth and this divine name were foretold by the prophet Isaiah: "Behold a virgin shall conceive and bear a son, and shall call His name Immanuel." The first chapter of the New Testament confirms the prophecy and defines the meaning of that wonderful name :"They shall call His name Immanuel, which being interpreted is, God with us."

It is no idle boast, that in Him dwelleth all the fullness of the God head bodily (Col. 2:9). This One in swaddling clothes was truly equal with the Father and the Holy Ghost the eternal Son of God, and One by whom all things were made (J. 1:1-3). Little wonder then that the angels worshipped Him, for they had been commanded to do so. The writer to the Hebrews, by inspiration says, "When He bringeth the Only Begotten into the world He saith, 'And let all the angels of God worship Him'." (Heb. 1:6) Why shouldn't they have done so? Had they not worshipped Him before the world was?

"God with us," is the theme of the Christmas story, and a fitting commentary on the sinless life and miraculous ministry of the Lord, Jesus. Who but He could so live and so minister to the physical and spiritual needs of earth's lost?

At this glad season of the year however, and amid the happy remembrances of Jesus birth we would do well to understand the reason for His being with us. The angel announced, "Unto you is born this day in the city of David a Saviour which is Christ the Lord." Of Himself He said, "For the Son of Man is come to seek and to save that which was lost" (Lu. 19:10) He was WITH us because He was FOR us, that He might dwell WITHIN us (Col 1:27) Unless we receive Christ as our Saviours, we miss the purpose of His incarnation altogether; and deny ourselves the virtue of His death and resurrection

Thou perfect Gift Son of our God on high
What boundless love compelled Thee to come down
To leave Thy home beyond the starry sky
For manger bed for Cross and thorny crown!
O could we give Thee on Thy natal day
A royal tribute worthy of a King!
Accept our lisping words, dear Lord we pray:
Our hearts would be Thy birth day offering

*Christian Greetings and Good Will to All from the Pastor and People of the Alliance Chapel*

from
THE REV. DOUGLAS A. FORD

As WE approach once more the great Festival of Christmas, and as we have renewed in our hearts and minds the fact of the Christmas narrative, we cannot help but be arrested by the many elements that comprise our understanding of it

There is, first of all, the over powering sense of God's love; that He should give to humanity the gift of His son, Jesus Christ. The greatest gift that was ever given

There is the element of mystery and awe as we seek to understand how God in Jesus Christ could come and dwell with men

There is the element of beauty as we contemplate the Child of Bethlehem the tenderest of all creatures a new born babe, cared for by the Virgin Mary, His mother.

There is the element of simplicity as we think of the surroundings in which the event took place A manger in a cave-house at the back of the inn The animals standing by, and the Child and His mother visited first by simple, shepherd folk who were somehow wonderfully in tune with the harmonies of God

There is joy There is love There is kindness There is forgiveness There is hope There is adoration and worship

Not long ago, I came across the suggestion in a little Christmas book, that the manger of Bethlehem was really a niche in the wall of the ordinary peasant home where the baby of the family was laid to sleep How that fact would give point to the words of the Gospel "and laid him in a manger, because there was no room for them in the inn." We normally think of these words as indicating the cold casualness of human nature Rather it is the opposite that in some lowly home in Bethlehem the blessed Mother laid the Christ Child in the family manger

Ther was no room in the inn, no room in the crowded life of men but room was made for Him in a lowly home by hearts that simply did their poor best to be kind Certainly this is one way of thinking of Christ's coming into the world and of His coming into our homes and into our hearts this Christmas

To all readers of The Standard may God give His richest blessing at this holy season and may the peace which is of Christ be yours throughout the coming year.

## Walks For First Time ... Real Christmas

The most exciting Christmas [illegible] Alberta is being marked this year by an 11 year old girl discharged this week from the Alberta Red Cross Crippled Children's Hospital.

For the first time in her life she is walking thanks to two artificial limbs and for the first time in her life will be able to enjoy the real fun and frolic of this season walking and keeping [illegible] with her older brother and sister.

A patient of the hospital since she was a month old the girl has been all these years waiting and taking treatment until her old [illegible] grew enough to support artificial limbs. About a year ago the first leg was removed and one artificial limb built. When she had learned the difficult task of walking with this her second leg was removed and now she has mastered walking on both artificial limbs. These limbs were of course manufactured in the hospital's orthopedic brace shop.

Originally from [illegible]

As for the [illegible]

The medical staff have no fear for her adjustment to the outside world however for she has proved herself capable of withstanding the physical and psychological shocks of two serious operations and still do well in the hospital school.

Her courage and determination have convinced them that she will make an outstanding adjustment to normal living.

## SOCIAL CREDIT-ERS CALL NOMINATING CONVENTION

The Battle River-Camrose Constituency Social Credit Association have called a convention to nominate a candidate for the by-election which has been made necessary by the death of Mr. Robert Fair. Mr. Fair represented this riding in the House of Commons at Ottawa since the year 1935.

Present indications are that there will be keen competition for the nomination. Prominent among those expected to be nominated at the convention are Dr Byerstein, the member for Camrose constituency prior to redistribution in 1953 which combined Battle River and Camrose ridings; Fred King, well known real estate and insurance agent of Camrose; James A. Smith, high school principal at Kitscoty. Mr. Smith who is well known in this area has been President of Battle River Social Credit Association ever since its organization back in 1935, and in 1953 was elected president of the Social Credit Association for the new constituency of Battle River-Camrose.

Plans for nominating conventions of other parties have not yet been announced although there is no doubt that the Liberals and C.C.F. parties will place candidates in the field.

The date for the by-election has not yet been announced from Ottawa.

In the Federal election of 1953 there were five candidates for the Battle River-Camrose constituency. Mr. Bob Fair topped the poll with 8,238 votes. The other candidates were F. C. Saville, Liberal 4,531; Alfred Arntson, CCF 2261; C. H. McCleary, Progressive-Conservative 1784; E. P. Taylor, Labor-Progressive 428.

## "Ice Fantasy of '55" Coming to Vermilion Tuesday, Jan. 18th

The dazzling, thrill-packed all new Canadian Ice Fantasy of '55 is coming to Vermilion on Tuesday, Jan. 18. Lavishly costumed, brightly lighted and supported by a huge cast of Canadian and American skating champions combine to make this show truly the most extravagant ice production ever released outside the big cities.

Lovely Miss Lorrie Perkins, the Pacific Coast champion from Vancouver who recently completed a television show in San Francisco, is receiving tremendous acclaim on her Canadian tour.

Ken Hoeffert of Dallas, Texas, featured in America's largest ice shows, will star in the male lead and pair with lovely starlet Lorrie Perkins. Comedians Yano, Clossin, Shurr and Nertz will provide some of the greatest side splitting antics ever brought into the Ice World. These brilliant stars will be supported by a Canadian-American cast of 44 top skaters in gorgeous costumes.

For the kiddies there is "Little Red Riding Hood and Peter the Big Bad Wolf" and 30 animals from the big forest. The 24 thrill-packed acts with story, lavishly costumed, and the eight other big production numbers: "Three Coins in the Fountain", "African Mambo", Gypsy Dance Festival", "Winter Wonderland", etc., will make this year's show the finest ever produced in Canada.

The show is sponsored in Vermilion by the local Kinsmen.

## 9-lb. Girl Is First Vermilion Baby In New Year

A beautiful nine pound girl was the first baby born at the Vermilion hospital in 1955. The new arrival is the daughter of Mr. and Mrs. Stan W. Jones and she just missed being born on New Year's day by a matter of minutes. As it was she arrived very, very early on January 2nd. Her actual weight was 8 lbs. and 15 ounces.

Mr. and Mrs. Stan Jones were very happy over this event and so were the other members of the family, three rollicking brothers who are now eagerly awaiting the homecoming of their baby sister, Colleen Faye.

## GAS KINGS HERE WED., JAN. 12th

The Viking Gas Kings will meet the Vermilion Tigers here next Wednesday evening in the opening home game of the Eastern Alberta Hockey League. Game time is 8:30, and admission prices are unchanged from last season, namely 60c, 25c and 10c.

On Saturday, Jan. 15th the new entry in the league, St. Paul, will make their appearance in the local arena. A great deal of interest is attached to the calibre of their team. From all reports they have a very fast skating crew with a never-give-up spirit.

Have One Win and One Loss In Two Starts

## VERMILION TIGERS TURN BACK LEAGUE CHAMPS. WEDNESDAY

The Eastern Alberta hockey league has swung into action this week with a line up of games that would do credit to a professional loop.

Playing their first game Monday evening at Vegreville with only two practises to gain the feel of the ice, the young Tigers put up a real battle and lost out only by a 5 to 4 score. According to spectators the game might just as easily have been decided for the Tigers. The Vegreville Rangers have Dutchy Van Deelan of old E'monton Flyers fame and Meldrum on their line up to bolster the local talent.

Going to Viking on Wednesday the Tigers came back with a 4-3 overtime victory over last year's league champs. Kaye Stratte is coaching the Gas Kings this year and has lined up a nice playing team.

Scoring for Tigers in the game against Veg was by Ernie Larcombe, Ewen from Stew Cooper; Kreller; Marv Little from Cooper.

Against Viking Wednesday evening Stu Barr scored the first, Stew Cooper from Kreller the 2nd. In the overtime Footz from Lowry and Ted Sherban from Marv Little and Stew Cooper.

THIRD GAME SATURDAY

On Saturday the Tigers play their third game of the week at St Paul. This gives them three away games for the week. Next week however they have home games on Wednesday and Saturday.

Line-up for the game against Vegreville was: Stewart Cooper, Freckleton, Ted Sherban; Wally Footz, Stuart Barr, Murray Lowrie, Leo Leahy, Dennill, Ewen; Defence Marvin Little, Mac Hancock, Ernie Larcombe, Bill Novak, Elmer Kreller; goal Johnny La Porte.

For the game against Viking there was one change, Bill Novak did not make the trip.

The line-up is subject to change as there are plenty of aspirants getting into condition on practice nights.

## Introducing The Tiger Players

*By RAIL BOID*

When the final horn sounded at Vegreville Monday night the home town Rangers had just slipped by our Tigers 5-4. The Tigers played a surprisingly good game as they are lacking badly in the "wind department".

The Tigers showed many new faces in their opening game but we still have a few of the old ones with us. Up front on the first line we have Stewart Cooper at centre (in his sophomore year with the Tigers); Freckleton at left wing (with Viking Gas Kings last year), and Ted Sherban at right wing (lives in Myrnam, played for Veg's Championship Juveniles last year). This line seemed to carry most of the punch Monday night and with a little luck could have won the game for us.

On our second line we had Wally Footz at centre (remember his 5-goal effort two years ago?); Stu Barr on left wing (also in his second year with the Bengals), and Murray Lowrie at right wing (still ...ther sophomore).

The third line consisted of Leo Leahy at centre (a three year man with the club); and two wingers from Dewberry, Dennil left and Ewen right.

On the defensive set-up for the Tigers we have Marv Little (a second year man who scored his first goal in Tiger uniform Monday night); Mac Hancock (another second year man), Ernie Larcombe (a well known sports figure around the district), Bill Novac (a newcomer who played with the C.A.H.L. champs the Ponoka Stampeders last season), and playing coach Elmer Kreller. Between the pipes we have Johnny La Porte last year's goalie who turned in a very good performance in Monday's game even though it was his second time on skates this season.

A a club these players stack up very well and by the time they play at home, Jan. 12, should be in fine trim. So far their only weaknesses are clearing and getting organized around the opponent's net. Let's hope Kreller gets these ironed out shortly because we have a real potential contender.

## STEAL SAFE AND $7,000 IN CHEQUES FROM OIL OFFICE

Second Break-In Nets $100.00 in Cash

The first break-in and robbery to be "pulled" in Vermilion for many years took place some time during the cold and windy night of Tuesday Dec. 29 and Wednesday morning Dec. 30.

At that time entrance was forced into the offices of Gordon Park, B.A. oil agent, through a side window. The door was opened from the inside and the safe containing $7000 in cheques payable to the B.A. Oil Co. was carried off. To date no trace of cheques or safe has been found. There was no cash in the safe and it is doubtful if the robbers will attempt to make use of the unendorsed cheques. Also in the safe were the ledgers of the company containing a record of the business. Had the thugs turned the handle of the safe they would have saved themselves a big job as it was not locked and they could have looked over the contents at will.

In the same corner of town and on the same night, the Canadian Oil office, operated by Mr. Reg Ireland was broken into, the door lock being forced in this case. About $100 in cash was taken along with a small mantel radio.

## Farmers' Bonspiel January 13, 14 and 15

Farmers of the district are again invited to be the guests of the Vermilion Curling club and the business men of the town at the annual Farmers' bonspiel to be held Jan 13, 14 and 15. Formerly a two-day event the spiel has proven so popular and attracted so many entries that it has stretched to three days.

There will be only daytime draws on Thursday and Friday with curling to continue Saturday until the big event is completed. It is thought that this will make it easier for those who travel back and forth some distance. Entry fee is $4 per rink.

There are four competitions all with good prizes, six sheets of ice with matched rocks, and a brand new rink. There you have the setting for a jolly holiday and outing.

Send your entry in today to Marshall Jackson or Russell Carroll. All entries must be in by noon Jan. 12th.

## F.U.A. Director To Address Meetings

Mrs Mildred Redman, a director of the F.U.A., will address a meeting at Basswood school Monday evening Jan. 10 at 8:30.

On Tuesday evening Jan. 11 at 8:30 Mrs. Redman will hold a meeting at the Thorncliffe school to organize a local in that district.

Everyone is welcome to attend these meetings.

## Calling All Curlers: Meeting Sunday

Curling is now underway in the Vermilion Curling club's fine new sports emporium and even for non-curlers it is well worth walking over to the rink to see all the color and activity. It won't cost you a penny!

Rinks are not as yet made up and it is requested that all those wishing to curl, place your name on the board at the rink before 2 p.m. Sunday.

Skips will be nominated at a meeting called for 2 p.m. Sunday Jan. 9, and then the rinks will be completed by the skips naming their own thirds and choosing the leads and seconds from the board in order of choice. Regular draws commence Monday.

In the meantime drop down for a game this week. draws are at 7 and 9 p.m. Remember, it only costs $16 for the privilege of curling in one of the best rinks in Western Canada for the whole season.

## Carols By Vermilion Chorus Broadcast

Recordings of the carols sung by the Vermilion combined choirs and mixed chorus at the Carol Service here Sunday evening Dec. 19 were selected for broadcasting by radio station CJCA. Recordings were also secured by local firms and played during the days just prior to Christmas.

## Vermilion's 44th Annual Bonspiel Feb. 14th to 17th

The annual bonspiel of the local curling club will be held commencing Monday, Feb. 14 and continuing for four big days.

There will be five events and by the use of the short draw finals of at least the first two events will be played on Wednesday.

One of the highlights of the big Vermilion spiel, the annual banquet, will be held on the Tuesday evening. It might be added here that this banquet is recognized as one of the best of its kind held anywhere and is always looked forward to both by visiting and local curlers alike.

Entries are to be in the hands of the president, Aldous Kent, or the Secretary Russ Carroll not later than Saturday, Feb 12th. Fees are the same as last year $16 per rink.

## Dewberry Ladies' 'Spiel Jan. 26 & 27

The Dewberry Ladies open bonspiel will be held Jan. 26 and 27. All ladies who have ever played in this popular event will want to compete again. Entries should be sent to Iris Hodgson, Secretary of the Dewberry Ladies Club, Dewberry. 27-8

Glen Mead fourth year Engineering student at the University of Alberta, spent the Yuletide with his parents Mr. and Mrs. R. C. Mead.

## Death and Funeral of James Carl Kucille

Funeral services for James Carl Kucille, 12 year-old son of Mr. and Mrs. Edward Kucille of the Derwent district, were held at the St. Andrew's Roman Catholic church on Tuesday, December 28. Interment followed at the Derwent Roman Catholic cemetery. The Rev. Father Stewart officiated.

James lost his life in a shooting accident while out hunting partridges with his older brother on Friday afternoon, December 24th. The accident occurred just a half-mile from the family farm home.

Left to mourn the death of James are his parents, two brothers Larry and Kenneth and one sister Judy, all at home, and his grandmother, Mrs. J. Kucille, also of Derwent.

Moyers were in charge of funeral arrangements.

## Married In Ireland; Celebrate Golden Wedding Here

Married in Ireland on Christmas day fifty years ago, Mr and Mrs. E. P. Mullan observed their 50th wedding anniversary at their farm home north of Vermilion in the King Edward district. The day was spent very happily with many of their friends and relatives calling to express their congratulations and best wishes.

Mr and Mrs. Mullan came from Londonderry, Northern Ireland in 1921 and settled in the Sedgewick district where Mr. Mullan learned farming. They then moved into the town of Killam in 1926. Their next move was to a farm in the King Edward district north of Vermilion where they have made their home ever since. Mr. Mullan has now retired from active faming but they still live on the farm.

A delicious turkey dinner was enjoyed by the family after which neighbors and friends arrived. A toast to the bride and groom of 50 years was given by Mr A. E. Moore to which Mr. Mullan made a fitting reply. Visiting was enjoyed, pictures were taken and in the late afternoon a buffet lunch was served at which Mr. and Mrs. Mullan cut a lovely three-tiered wedding cake.

They received numerous lovely and useful wedding gifts and a telegram of congratulation from their granddaughters June and Norma Greig of Vancouver. A guest book of black and gold trim was signed and given as a token of remembrance.

A sing-song of old and popular songs to the accompaniment of Charles Mullan playing the banjo brought the memorable day to a close.

Mr and Mrs. Mullan have seven children living as follows: Ed Mullan Jr., Montreal; Mrs. Norman Greig (Agnes) Vancouver; John Mullan, Edmonton, Gerald Mullan, Edmonton, Mrs W. E. Steele (Eileen) Tolland, Alberta, Mrs Brooks Lysons (Margaret) R.R. 3, Vermilion, Charles Mullan at home. One son Frank is deceased and his widow Mrs. Margaret Mullan lives in Edmonton. There are thirteen grandchildren, three of whom are married.

## Biggest Xmas Party

Nick Kowalchuk, manager of the Columbia theatre, and the Fire Brigade combined to stage the town's biggest Christmas party. On the last day of school Nick entertained all pre-school, primary and elementary school children to a free show during the afternoon. Headed by the biggest fire engine manned by Santa Claus himself, the long line of school children wended their way to the theatre. Arriving there Santa Claus handed out free treats to everyone and then all saw a special children's program. It all added up to a very enjoyable Christmas party and many thanks to Nick, the boys of the fire brigade and all others concerned.

## Caskey Drilling Well South-West of Town

The first oil or gas well to be drilled in this district for some time is now below the 2500-foot level and is being drilled by Ed. Caskey and his drilling company. The well is located 4 miles south and 2½ miles west of Vermilion on land farmed by Stuart Hillcox.

The drilling is being done by Caskey for the Hammond Oil Company. The well this week was reported to be down below 2500 feet with some very interesting formations encountered of which electrologs were being taken.

## HI-SCHOOL HI-LITES

The annual Christmas concert sponsored jointly by the high school and the Junior high was held in the armories Dec 23. A varied and interesting program was enjoyed by both the students and their parents.

The high school presented the first half of the progam consisting of a play called 'Amazons on Broadway', presented by Mr Dowling's Dramatics 10 class, a tumbling display by Mr Bell's Physical Education 10 class, and a parody of "The Highwayman". A poem by Alfred Noyes.

The rest of the program presented by the Junior high school consisted of skits, Xmas songs and piano solos.

Since the cold weather has finally reached us House League curling should get underway next week. The Houses have had their meetings and a large turnout of high school curlers is expected.

## Legion Polio Fund Campaign Starts January 17th

The Legion Polio Fund campaign in Alberta will commence on January 17th. President of the Vermilion Branch of the Canadian Legion, Vic Tillett wishes to announce that the canvass will be conducted here in much the same way as last year. He expresses the hope that the people of the town and district will be as generous as they were last year when collections were around the $2,000.00 mark.

The need for help for children and older people too still is urgent. Ten cases in this area have been given financial assistance. Grants are made where government help does not apply. Ambulance charges, home treatments, railway fares to Edmonton for patients on treatment, wheel chairs, etc. are some of the ways in which patients in this district have been helped.

The outbreak of polio was not so serious in this district in 1954 but the funds collected have been nearly expended. It is felt to be urgent for the fund to be maintained so that necessitous cases can be taken care of.

## CURLING STARTS

Curling started for the 1954-55 season on Wednesday Jan. 5. The arena rink opened on Friday Dec 31st.

Call For Nominations At Vermilion, Kitscoty

## Vermilion School Division Sets Dates For Annual Meetings

The regular meeting of the Vermilion School Division No. 25 was held on Friday, Dec. 17 with Chairman R. C. Mead and Trustees Ashley Cooper, Thos Clutterbuck, Lloyd Brown and D. C. McGrath present. Tr Clarke absent due to illness.

School Bus Rates: Board instituted schedule for 27 passenger buses at 28c per mile.

Board approved extension of the Marwayne bus route to Willowlea school.

Poplar Heights, J. R. McKeague's application for conveyance allowance because of distance from bus route was approved.

Re-routing of buses were directed for Bowtell bus route, Ellsworth, and King Edward.

Rusylvia S.D.: Rusylvia S.D. will be transferred to Two Hills School Division and effective Jan. 1, 1955 the school will be operated by that body.

Mr D. C. McGrath was appointed as chairman of the dormitory board to succeed the late Mr John Leighton.

Tenders: Board opened tenders for various school properties advertised for sale and the following sales were approved: Madresfield teacherage Mr A. J. Fair; Spencer barn Mr S. Wick; Bellcamp barn Hale Bros., Woodvale shed, C. H. Turner, Ellsworth teacherage, P. Truch.

Board decided that no steps will be taken at present to obtain land for school site at Blackfoot.

Heraldine S.D.: Petition from district expressed local desire to continue operation. Board advised that wishes of community will be first consideration when centralizations are effected.

Board deferred action on requests for wiring at Myrtle Hill and Lavada until January meeting.

Marwayne S.D.: New building progress payment No. 4 in amount of $9711 was approved for payment to E. M. Cleve (Lloydminster Ltd.)

Local boards where centralizations are in effect will be consulted to determine if central boards are to be instituted.

Nominations for Divisional Trustee: Nominations will be required for Subdiv No. 2, Kitscoty area and Subdiv No. 6, Town of Vermilion. Nominations will be called for on Jan. 15 and received up to Jan. 31, 1955 at the Divisional office. Thos. Clutterbuck is the sitting trustee for Subdiv. 2 and Ashley Cooper for Subdiv. 6.

Annual Meetings: The Divisional Board approved the following dates for the holding of the various subdivisional annual meetings:

Subdiv No. 1 — McLaughlin school, 2 p.m. Feb 2.

No. 2 — Kitscoty Hall Feb. 8.

No. 3 — Marwayne Hall 2 p.m. Feb 3.

No. 4 — Woodvale School 2 p.m. Feb. 5.

No. 5 — Dewberry hall 2 p.m. Feb 7.

No. 6 — Vermilion Junior High 8 p.m. Feb. 4.

Board approved water and sewer service for dormitories, [illegible] ages and high school building at Kitscoty.

Superintendent's Report: Mr Simonson reported on schools visited, school operation, dormitory meeting, oil burning furnace trouble at Islay and McLaughlin High school inspection; Report of Coterminous Boundary Commission. Board approved report and it was ordered filed.

Next meeting at call of chair.

# The Vermilion Standard

VERMILION, ALBERTA

S. R. P. COOPER — FOUNDER

ESTABLISHED [illegible]

Published Every Thursday at the Office, Main Street.

Authorized as Second Class Mail, Post Office Dept., Ottawa.

[illegible] — PUBLISHERS

VERMILION, ALBERTA, THURSDAY, JANUARY 6th, 1955

NEW YEAR GREETINGS

The management and staff convey the very best wishes for the New Year to the readers of The Standard, the advertisers, the regular correspondents, and to the numerous others who contribute to the news columns of the paper. To the many firms and organizations who patronize our job work department, our sincere thanks and appreciation too. Without this valuable support in the business it would be impossible to maintain the very high standard of news coverage and [illegible].

The local newspaper comes closer to being a community enterprise than any other line of business and to maintain this service in a centre the size of Vermilion requires practically 100 per cent. town-wide support.

The columns of The Standard are always open to record the activities of each and every one of the many associations and organizations of Vermilion and district. Said organizations can in turn show their appreciation for these free services by patronizing the job work department of The Standard when they require any form of printing, and the paid columns of the paper when advertising is needed.

To revert to our original subject, A Happy, Healthful and Prosperous 1955 to Everyone!

---

An esteemed and well remembered old friend sends along his cash for a couple of more years in the person of George [illegible] now living in Vancouver. It will be remembered that when here he took a particular interest in the deaf. Apparently he still does as he says in part in his letter: "I have a very happy time each year in playing Santa Claus to a great number of deaf, blind, and deaf-blind. I am more particularly interested in the deaf-blind. I have ten of these very unfortunate folks on my list as well as a lot of the other two classes. It gives me a lot of pleasure to be able to help a little in that way." On behalf of Mrs. Law and himself George extends season's greetings to all old friends here.

[illegible]

SENDS GREETINGS TO OLD TIMERS

203-13 Avenue East,
New Westminster, B.C.

Dear Editor:

Just a line to wish all the old pioneers of Vermilion a Happy New Year and many more to come. The writer has now passed his 72nd birthday. Looking up the letter received from Mackenzie and Mann & Co. signed by E. Langhorne and sent to my address in England, to say I was to report for work on the B. & B. Dept. not later than the middle of April 1905. My destination was Humboldt, Sask. It was tough going from there on. Ten hour day, 25c per hour. We did get a raise of 5c. The winter of 1906-07 saw the thermometer hit the 62 below zero mark.

Yours truly,
Thomas Hobbs.

---

R. R. 2, Vermilion,
Jan. 4th, 1955.

The Standard Office,
Vermilion, Alta.

Dear Editor and Staff:

On behalf of Wildmere Women's Institute, I would like to thank you for the space which you have so freely given us in your paper during the past year, 1954.

In closing I wish you and yours all the best for the coming year, 1955.

Thanking you,
Yours truly,
Elsie Dibben.
(Retiring Sec'y W.W.I.)

## DEWBERRY NEWS

Hello dear readers. Happy New Year to all!

It has been a nice winter so far and farmers so far haven't been burdened with extra work caused by snow which all leads up to what is coming . . .

Beginning Jan. 3 a mixed bonspiel gets underway to start off the season and to prepare for the big open bonspiel scheduled to begin Jan. 19.

The hockey club held the first work out last Sunday and expect to line up some games shortly. The club got away to a good financial start when they entertained a jam-packed crowd at the New Year's eve dance. Elmer Elliott was the winner of the lovely Afghan which was so nicely made by Joyce Tulloch. Harold McKnight was the lucky door prize winner.

An air journey from Edmonton to Denver, Colorado took Mr. and Mrs. Sol Lamp, Beverly and Donnie to a nice Xmas vacation with Mr. Sol Lamp's sister Anne and family. While there they enjoyed a motor trip high up in the [illegible]. Those extra long [illegible] Mr. Lamp is smoking now tell the tale of the trip across the border. A very nice time was enjoyed on the 1200 air mile [illegible] from Edmonton to Denver with several stops.

A safe and enjoyable visit to his home land of Denmark is [illegible] Jon Jensen the local carpenter where he will visit his 78-year-old mother and friends.

It is back to school for the University students too. Donna Young back to Education and Eugene Maltais his third year in Medicine. Good success to both.

Quite a number of people on the Greenlawn Rural Electrification lines were pleased to be hooked up by Xmas. Smiles [illegible] from two [illegible] neighbors [illegible] and [illegible] Braithwaite.

The National Film Board pictures will be shown once monthly in the hall and are sponsored by the local F.U.A. No charge is made.

Don't forget the next F. U. A. meeting which will be held at Geo. Finney's on Monday, Jan. 10 at 8 p.m.

Congratulations are in order to Mr. and Mrs. Floyd Hanna on the birth of a son Xmas eve.

Happy birthday to Leatrice Anderson who was 10 years old on [illegible].

The big game hunters were at it again before their licenses expired but struck the very cold weather near the year's end. Little luck was experienced.

Johnny Fleming and family took a quick motor trip to Vancouver during the holiday season at Xmas.

## Clandonald Man Married At Williams Lake, B. C.

O'FEE—PARLIAMENT

White carnations were the central theme of decorations at the Sacred Heart church at Williams Lake, B.C. on November 27th when Elizabeth Yvonne Parliament exchanged vows with John Thomas O'Fee. The nuptial mass was celebrated by Rev. J. Naphin, C.Ss.R. at 9 a.m.

The bride is the younger daughter of Mr. and Mrs. D. A. Parliament of Cannington, Ontario; while the groom is the elder son of Mrs. E. J. O'Fee and the late Mr. Henry O'Fee of Clandonald, Alberta.

Given in marriage by Dr. H. K. Atwood, the bride was charming in her champagne corde dress accented by winter white accessories. A single beautiful white orchid formed the bridal corsage, and she carried a white prayer book.

Mrs. Geo. Steward, sister of the groom, was sole attendant and chose a navy blue suit with powder blue accessories for the occasion. Her corsage was fashioned of pink tea roses.

Best man was Mr. George Steward while Mr. Liam O'Fee and Mr. Roy Clements acted as ushers.

During the rites, the male choir from St. Joseph's Mission sang "Panis Angelicus" and "On this day, O beautiful Mother." Organist was Mrs. Liam O'Donovan.

The ceremony was followed by a wedding breakfast at the home of Mr. and Mrs. Liam O'Fee. At the evening reception, the bride's table was covered with her grandmother's linen tablecloth and was centred with a beautiful three-tiered wedding cake made by her mother. White carnations were again used as the floral background.

Receiving the guests were the groom's mother attired in a teal blue dress with a corsage of baby yellow chrysanthemums and Mrs. H. K. Atwod in a black suit with a red carnation corsage.

Rev. J. Boyle, C.Ss.R. proposed the toast to the bride.

Following their wedding trip to Prince George, Mr. and Mrs. O'Fee will be making their home in Williams Lake. The bride was a former matron at War Memorial Hospital.

Out-of-town guests included the groom's mother, and Mrs. Jack Fighter of Vancouver.

Telegrams were received by the happy couple from Ottawa and Cannington, Ont., Grande Prairie and Fairview, Alta.

Two days were spent visiting friends there

## By Your District Agriculturist

# "GREEN ACRES"

BITTER POTATOES

Many people have reported having bitter potatoes this year. The wet fall and exposure to sunlight at harvest and even in storage if light was present causes the build-up of a compound in potatoes called 'solanine'. The potatoes become bitter in taste. Eating bitter potatoes may cause nausea and vomiting. It would be well to discard any potatoes that have been sunburned or have that green look.

TESTING SEED

Some farmers who thought they had good seed oats and barley have found that the germination tests are quite low. It is a good time now for everyone to check their seed for germination. The testing labs are so full of samples that it might take two months to get a report. But everyone can count out 100 seeds and plant in soil in a tobacco can or flower pot. Kitchen temperature is just right for a germination test.

WILD OAT CONTROL

We thought a year ago that the new chemical called Maleic Hydrazide would be useful in wild oat control. The recent Western Weed conference reports this chemical shows some promise but we cannot [illegible] too much for it. At any rate we will have to wait and see for the time being and use the usual cultivation practices of delayed seeding etc on wild oat infested fields.

FIGHTING THE BULGE

Many people believe that potatoes are fattening but Miss Lewis, Nutrition specialist of the Alberta Department of Agriculture says this is not so. What is fattening is the butter and gravy which is plastered over the spuds. This is just a tip to anyone who is fighting the 'battle of the bulge'.

QUALITY BACON

It would look like the spread in prices between grade 'A' pigs and the fat type will soon be wider than ever. Pig growers should get good Yorkshire boars. There are still a very few left in this district. Or if you only have a sow or two take them to the best Yorkshire boar in the district.

CANADIAN CATTLEMEN

Mr. Jacobs, editor of the "Canadian Cattlemen" published in Calgary spent two days in the district last week. We are looking forward to seeing Mr. Jacob's two articles on cattle raising in this area. One article will be a record of the [illegible] Bros., Dick, Vern, Scotty and Howard. These cattlemen have a reputation all over Alberta for raising good cattle. If you don't get the 'Cattlemen' come into my office and read Mr. Jacob's articles.

## GROPING

## NEWS from KITSCOTY

The following young people spent the Christmas holidays at their homes here: Misses Peggy Hale, Marion Inglis, Betty Gray, Margaret Seward, Beth Tyler, Dorothy Watt, Marlene Quinn, Christine Page and Lois Graham.

Guests at the home of Mr. and Mrs. Allan Lymburner for Xmas were Mrs. A. H. Lymburner, Mr. and Mrs. Gordon Gallant, Mrs. Ada Cook, Mrs. Herbert Lymburner and Miss Bunny Robbins.

## Mrs. Flora Coulter Laid To Rest

There passed away at the Vermilion hospital on December 29th, Mrs. Flora Victoria Coulter, at the age of 69 years, following a lengthy illness.

She is survived by her sorrowing husband William, two sons, Walter of Vermilion and Charles of Lloydminster, and five daughters: Mrs. Fred Clarke, Vermilion; Mrs. Earl Johnstone, Rocky Mountain House; Mrs. Lloyd Fulghan, Paradise Valley and Mary and Betty at home. There are eight grandchildren. There are also three sisters.

Mrs. Coulter had been an esteemed resident of the Vermilion district for the past twenty years.

Funeral services were held at the Alliance Chapel on Monday, January 3rd, with interment at the Vermilion cemetery. The Rev. J. T. McNair officiated.

The last rites were in charge of Moyer's Funeral Home.

CARD OF THANKS

We wish to sincerely thank Dr. Evans, the staff of the Vermilion hospital, all friends and neighbors for kindnesses received, and for the floral tributes and memorial donations during our bereavement.

Mr. William Coulter and family.

## Death and Funeral Of Mrs. E. Hunt at Islay

On December 22nd Mrs. E. Hunt passed away at the home of her daughter Mrs. D. B. Shirreff.

Funeral services were conducted by the Rev. C. W. MacKay at the United church, Islay, on Monday, Dec. 27. Mrs. W. Waterfield presided at the organ. Interment took place in the Islay cemetery.

Moyers of Vermilion had charge of funeral arrangements.

Mrs. Hunt was born in England in 1877 and came to Canada with her husband and daughter in 1911. Mr. Hunt passed away in 1927.

She leaves to mourn their loss her daughter and son-in-law Mr. and Mrs. D. B. Shirreff, three grandchildren Evelyn (Mrs. Ken McCrae of Vermilion); Keith and Elaine at home, and two sisters in England.

Acting as pall-bearers were Mr. George Colton, Mr. Bill Waterfield, Mr. Harry Waterfield, Mr. Charles Redmond, Mr. Alf Jones and Mr. Pringle Galloway.

Floral tributes were received from the following:

In loving memory: The Family — Mildred, Douglas, Evelyn, Ken, Keith and Elaine.

With Sympathy: Mr. W. E. McCrae, Stanley and Joan, Fred and Bertha, Clifford and Elsie, Lloyd and Evelyn, Eva and Emil; Bill, Sybil, Harold, Marion and Jim; Mr. and Mrs. P. Galloway; Mr. and Mrs. Harry Waterfield and family; Mr. George Brown; Bowman Family; Mike and Sylvia Farkash; Karl, Fern, and Emma; Mrs. Hutton, Muriel, Kathleen and Leonard; Garfield and Margaret Roberts; The Robertson Family; Mark Stamp; Islay Hospital Board.

Donations to the Crippled Children's Fund: Clifford, Edna Oldenburg and boys; Mr. and Mrs. A. F. Galloway; Mr. and Mrs. Alf Jones; Mr. and Mrs. George Colton; Mr. and Mrs. Gerald Colton; Mr. and Mrs. Wes Funnell and Larry; Mr. and Mrs. Frank Gould; Marvin, Betty Horpestad and girls; Mr. and Mrs. Ed Cox.

Islay Cemetery fund: T. D. Watt; Gladys Clark; Roger, Ethel and family; Alf, Gladys and family; Mr. and Mrs. W. Waterfield and L. Bowser.

Red Cross: Mr. and Mrs. Ulva McFadyen and Bill.

Knox United church, Islay: Mr. and Mrs. Chas. Redmond.

Flowers to the house: Mr. and Mrs. W. S. Cash.

CARD OF THANKS

We wish to thank Dr. Sweet for all the faithful care he gave Grandma (Mrs. Hunt), over a period of years. We also wish to thank our many friends for the kindness they bestowed upon us in our recent bereavement.

The Shirreff Family

## Funeral Services Held For George Shepherd

Funeral services for the late George Shepherd who passed away on December 27th, 1954 were held at St. Saviour's Anglican church on Thursday afternoon December 30th at 2:00 o'clock. The Rev. D. A. Ford officiated. Interment was in the Soldiers' Plot at the Vermilion cemetery. At the graveside the ritual of the Canadian Legion was solemnized.

The pall bearers were members of the Canadian Legion.

Mr. Shepherd leaves to mourn his loss his loving wife and one son Clifford of Whitecourt. He is also survived by one brother Hugh of Vermilion, three brothers and four sisters in Scotland and four grandchildren.

George Easton Shepherd was 65 years of age. He was a veteran of the First World War. Following that war he came to Vermilion district and farmed just east of town. He retired from farming and moved into Vermilion in 1953.

Beautiful floral tributes were received from:

Loving wife and Clifford; Art, May, Edith and Margaret; Hugh and Mary; Bill, Hilda and family; Mr. and Mrs. J. Hardie; Donald and Jean; Tom, Isobel and family; Jessie; Herb and Bogs; Mr. and Mrs. Bellingham; Alex and Mona MacDonnel; Mr. and Mrs. Jack Brown; Lorraine and Buck; Flo and Gordon Maskell; Mr. and Mrs. O. Repp and Jim; Mr. and Mrs. McGinnis and family; Bob, Violet, Christie and Annie; Bess, Bill and family; Bert and Bette Moses and Edwin Burton; Alice, Bill and William; Laura Leahy and family; Bowtell Busy Bees; Ernest and Bertha and family of Edson.

Flowers to the Home: Mr. and Mrs. E. M. Stewart and Mr. and Mrs. A. M. West; Mr. and Mrs. Elmer Isley and family.

Crippled Children's fund: George Upshall; Mr. and Mrs. B. W. Mullen; Mrs. Elliott, Ken and Lottie.

Cemetery fund: Mr. and Mrs. Arnold Maggs and family; The Noonans; Mrs. Knutson and family.

Moyers were in charge of arrangements.

CARD OF THANKS

We wish to express our sincere appreciation to all our friends for their many acts of kindness, expressions of sympathy, floral tributes and cards received following the loss of our husband and father. Special thanks to the pallbearers, to Rev. Mr. Ford, to Mr. Harold Moyer, and the members of the Canadian Legion Post 11.

Mrs. A. Shepherd and Clifford.

The Canadian Red Cross successfully traced 430 missing persons in 1953

## CLAYSMORE CLIPPINGS

We wish to extend to the Editor and staff and all the subscribers of this fine paper, best wishes for a Happy and Prosperous New Year!

The Christmas party held at the school Dec. 19 was enjoyed by all and a good crowd came to see Santa and hear the program. Santa was very generous with treats, all children received sacks and the grown-ups were treated to candy, apples and oranges. The program was much enjoyed and had some very good items. We wish to thank all those who so kindly helped in any way to make it a happy evening for the children, also the [illegible].

A generous lunch of sandwiches and coffee was served by the lunch committee.

Mr. and Mrs. Stanley Gerrie of Edmonton and Miss Marjorie Gerrie of Calgary spent Xmas day at the home of Mr. and Mrs. Robert MacMillan. Sunday morning they went to Lloydminster to visit other relatives for the day, returning home Monday afternoon.

The Harvey Seymour family and Mr. J. Williamson spent New Year's day at the home of Mr. and Mrs. H. Williamson.

Mrs. Stewart Hillcox spent the holidays at her home south of Claysmore but has returned to the Bible school at Three Hills now to finish her course of study.

Misses Ruth and Ann Beatty and brother John were visitors at the home of their grandparents on Christmas day.

Mr. and Mrs. Flemmer of Mannville were dinner guests at the home of their daughter and family Mr. and Mrs. R. Bauer on Sunday.

Miss Martha Flemmer of Edmonton was home for the holidays visiting her parents near Mannville. She also spent a few days with her sister Mrs. R. Bauer and family.

A new Year's party was held at the school Friday evening and a good sized crowd turned out to celebrate the birth of a new year. The Willes orchestra kindly supplied the music and dancing was enjoyed until the wee small hours.

Bobby Willes spent a few days in Edmonton last week visiting some friends.

We are glad to report Augest Van Nest was able to be home for Christmas after spending ten days in hospital a result of an attack of the flu.

## THE STAGETTES

The Christmas rush is over now and the girls are settling down to the usual exercises of the Association.

Did everyone enjoy the Holly Frolic? I am sure all had a wonderful time. I know I did.

We want to thank everyone for supporting it so well. Judy Arthur, daughter of Mr. and Mrs. M. J. Arthur, is now the lucky owner of the Stagette doll which was raffled at the dance. The girls spent many hours sewing and knitting for the doll, and it makes us very happy to know that our efforts are appreciated.

Moving on to the business section of our notes we see that Marie Miller and Noreen Sawtell will be checking coats this Saturday. On Saturday, Jan. 15 Berna Seuffert and Gertie Schmidt will take over the check room.

The next meeting of the Stagettes on Tuesday, Jan. 18 will be held at the home of Marie Miller. This will be an educational meeting and the speaker will arrive at 8:15 p.m. It is hoped that all members of the Stagettes will be there by 8:00.

## "FIVE MINUTES TO SHOW TIME"

*"Five Minutes to Show Time"* Here are a few of the gorgeous gals featured in the all new third annual edition of the Canadian Ice Fantasy of '55.

Touring coast to coast in Canada and the U.S.A. this five minute call will be repeated in 108 towns and cities this season. Left to right these lovely Canadian girls are: Marie Sigurdson, Kenora, Ont; Marlene Brewer, Moose Jaw, Sask; Loraine Sillers, St. Georges, Que.; Dorothy Yackman, Sudbury, Ont.; Joan Turner, Edmonton; Eileen McKay, Edmonton and Yvonne Pouchard, Kamloops, B.C.

Advance tickets are now on sale at Macleod's, Simonsen's, Long's, and Vermilion Locker Plant.

## Annual Report Of Wildmere Women's Institute Presented

The annual meeting of the Wildmere W.I. took place at the home of Mrs. Cliff Cruthers on Dec. 1. Reports were given by the president, treasurer, social service and other conveners.

The secretary's report was as follows: Donations were made to the following — Barley for Korea; socks, shoes and good used clothing also for Korea; Diapers for India; Pennies for friendship for the A.C.W.W. travel fund; donation also made to the F.W.T.C.; donation to the polio fund; $10 to a burnt out family; 25c per member was given to a missionary; two books were bought for the school library.

A few other achievements during the year include sending a delegate to the convention in Edmonton in March, also a delegate to the Vermilion conference in Vermilion in July. Entries were also made in the handicraft exhibit. Several of the Wildmere members journied to Mannville in February to hear Mrs. Woods speak. The constituency convener visited Wildmere in June. Miss Wilson, a missionary, spoke to the W.I. branch in July. Many other interesting topics have been given by the members.

By way of swelling the treasury a bake sale was held in October and in November a sale was catered to. Old woollens were sent away and the premium blankets were sold by the club.

Thanks to Mrs. Holte, Mrs. W. T. Garnett and Mrs. Wallington the members all have crests.

Several fruit baskets have been given to sick members. Baby spoons have been given to new arrivals in some of the members' homes.

Wildmere W. I. has 19 members and have had an average attendance of 14 members and 1 visitor at the meetings. As a fitting close to the year's work a Chrismas party was held for the district, which was much enjoyed.

Following completion of all old business, election of officers was held. Officers for the coming year are as follows:

President — Mrs. F. Gibson
Treasurer — Mrs. G. Whitlock
Secretary — Mrs. A. Holte
Press Reporter — Mrs. James Wallington
Directors — Mrs. L. Howard, Mrs. R. Osterberg, Mrs. J. Bauman.

## Wildmere Beavers

The December meeting of the Wildmere Beavers Girls' club was held on Dec. 4 at the home of Joan Dibben. It was opened by the relating of the Creed, flag salute, and the roll call. This last was 10 cents for the deaf, dumb and blind girl.

For the topic Mary told about the kind of bedroom she would like to have. Sylvia won the senior mystery box which was two strands of pearls. Isabelle won the junior box which was one strand of pearls.

The next meeting will be held Jan. 8 at the home of Hazel Whitlock. Mrs Martin, Hazel and Isabelle are to bring lunch to the next meeting. Janet has the topic and Doreen the social. The roll call will be "What Xmas present did you like best?"

## Wedding Bells

*ILCHUK—FEDUSENKO*

The marriage of Evelyn Fedusenko, daughter of Mr. and Mrs. Joseph Fedusenko, R.R. 5, Simcoe and John Ilchuk, Vermilion, Alberta, was solemnized in the presence of 400 guests at the Seventh Day Adventist church, Simcoe, on Sunday November 14 at 11:00 o'clock.

The Rev. Nicholas Ilchuk, brother of the groom, officiated and the Bridal Chorus was played by Mrs. Esther Melnechuk, 121 McCall Crescent, Simcoe. "O Perfect Love" and "I Love You Truly" were sung by Mrs. Ruth Wilson, Simcoe. Yellow chrysanthemums, ferns and red roses decorated the church.

Attired in a long gown of white satin and lace with train, rhinestone and beaded headdress, three-quarter veil trimmed with satin and rhinestones and bouquet of red roses and white chrysanthemums, the bride was given in marriage by her father.

Maid of honor was the bride's cousin, Lydia Ivanocko of Toronto, and the bridesmaids were Betty Wilson and Mary Bancarz, friends of the bride, Frances Fedusenko and Esther Senoff, cousins of the bride; and Edith Fedusenko, the bride's sister. Sharon Dick, the groom's niece, was flower girl and Wilfred Fedusenko, the bride's brother, was Bible boy. The maid of honor wore cerise lace and taffeta, the bridesmaids being gowned in nile green, yellow, mauve, pink and aqua net and taffeta. The [illegible] themums to match the [illegible] and red roses.

Lawrence Ilchuk, Vermilion, Alberta, brother of the groom, was best man and the other attendants were Lawrence Fedusenko, the bride's brother; Bill Lupul, the groom's cousin; Albert Fedusenko, cousin of the bride, and Frank Bancarz, a friend.

A wedding dinner for 400 guests was given by the bride's parents at Hillcrest hall, a four-tiered wedding cake and red roses adorning the bride's table. Victor Fedusenko was toastmaster. The bride's mother received in navy lace and crepe with red accessories and corsage of red roses. Guests were present from Vermilion, Alberta, Toronto, Hamilton, Niagara Falls, St Catharines, Oshawa, Port Dover, Delhi, Waterford and Brantford.

For the three-week wedding trip to Florida, the bride wore a grey suit with red and black accessories.

They will live at Vermilion, Alberta. —Simcoe, Ont. Reformer

## FIN FLICKA (Pretty Girl)

At the recent convention of Western Canadian Mining men held in Vancouver, pretty Sky Grinfields poses with the sensational new 'Pionjar' rock drill. Both recently from Sweden, the drill and Miss Grinfields made a big hit at the convention.

THAT DONE IT By Al Smith

## MANNVILLE & DISTRICT LOCALS

Things are getting pretty well back to normal after the Xmas and New Year's holidays. There were large numbers of visitors in town for one or both holidays as well as many from town visiting elsewhere.

Mr. and Mrs. Stan McGreevey and son, Mrs. C. Mercer, Mrs. Betty Arnold and Barbara, all of Edmonton, were at the home of Mr. and Mrs. J. Coxford for the holiday.

Mr. and Mrs. M. Manz and son of Evansburg visited with relatives in town and country during Xmas.

At the W. Osborn home for Christmas or New Year's were Mr. and Mrs. Wm. Osborn and family of Edmonton, Mr. and Mrs. Tom Osborn and Mr. Harry Osborn of Saskatoon, and Mr. and Mrs. Bert Osborn and daughter of Edmonton.

Mr. and Mrs. Joe Dowicki and daughter of Sheerness visited with her parents, Mr. and Mrs. E. Hubbard over Christmas.

Mr. and Mrs. Len Manz and family were Edmonton visitors for the Christmas holiday. Mr. and Mrs. Ralph Phillips of Edmonton spent the New Year's holiday at the L. Manz home.

Visitors with Mr and Mrs. G. Enfield at Christmas were Mrs. M. Gilbert and Jimmy of Edmonton and Mr. and Mrs. Ray Spencer and son of Barrhead.

Mrs. A. Holden spent the Yule holidays with relatives and friends at Gleichen.

Visiting with relatives in town and district after an absence of several years were Mr and Mrs. Garnet Thompson of Teslin, Yukon, Cpl. Alvin Thompson of Whitehorse and Cpl. Morley Thompson were also home for Christmas. Cpl. Morley Thompson will be reporting shortly to Aldershot, N.S. He has recently returned from Korea.

Mr and Mrs. Neil Phillips and daughters of Tofield were visitors last week at the home of Mr. and Mrs. N. McKinnon. Mrs. Phillips and the girls remained for a few days.

## Wildmere F. U. A.

Another year has come and gone and our F.U.A. Union has passed another mile post . . . and what a post! This I will say to our new members: it is now squarely up to you to see that our group agriculture gets a fair share of our country's wealth. Our delegate, Mr. Holte, brought back a very good report from the convention, and reported a lot of resolutions passed on. Of course a resolution will do no good unless we, the rank and file, get behind our executive and force this issue by creating enough popular opinion that those in authority have no option but to accede to any reasonable demand. Two points of interest were discussed at our meeting. One was "Why does a purchaser have to sue an agent when a machine he buys does not measure up, instead of the manufacturer who issues the warrant." This was passed on to head office for clarification. Another was concerning the setting up of a county system here in Vermilion River without resorting to a referendum which was promised at an earlier date. No action was taken since it was deemed too late to get any results. It was thought by some that a petition signed by a small percentage of the ratepayers could force a referendum. I would like to hear what other groups think on this subject.

The date of the next meeting was left open pending a letter from Mr. Redman arranging for a meeting here and organizing a club south of Vermilion.

Several new members signed up.

FRED C. HAINES, Pre[illegible]
Wildmere F.U.A. [illegible]

## WILDMERE WINKS

The beginning of another New Year and we are starting on our 23rd year of writing the Winks. We hope everyone had a nice holiday during the Christmas season. May 1955 be a healthy happy and prosperous one for all.

Peggy Graham of the Royal Alex hospital, spent Xmas at her home in Wildmere returning on the following Tuesday. Mr. and Mrs. Chas. Seeley and son Sandy of Cherhill, Alberta, also visited during the holidays at the Wallington home. They returned on Tuesday and Peggy got a ride to the city with them.

Mr. and Mrs. C. Cruthers and family spent Xmas at the Albert Smith home in Basswood; Mr. and Mrs. W. Ford of town and the Madill family of Borradaile at the Gibson home also of Basswood; Laurence Graham from north of town and Tom Best at the Wallington home; Mr. and Mrs. J. Wilson, Mr. and Mrs. A. Morrison and Bob of Bowtell and Tom Wilson of Edmonton at the Holte home in Wildmere; Mr. and Mrs. G. Whitlock and family at the Watson home in Hindville. On New Year's Mr. and Mrs. J. Wallington and family were at the Cruthers' home, also Lily Maggs and Warren Marfleet of town at the same home.

Curling has started at Wildmere and a schedule is being worked out lining up the draws for the season. Electricity! has been installed in the rink and so there is no gas engine to fuss with this winter. Ray Osterberg is president and Billie McGrath is secretary-treasurer. Ten rinks are playing.

Our deepest sympathy goes out to Mrs. George Sheppard of town in her recent bereavement, the loss of her husband; and to the Coulter family on the loss of a beloved wife and mother. Mrs. Coulter had been ill in hospital a long while before God called her home to rest.

Frank Clark is now in the Royal Alex hospital in Edmonton. At last report 27 bones were broken in the fall from the oil derrick early in December. He will be a patient in hospital for a long while. His parents Mr. and Mrs. Wm. Clark of Triangle were to visit him since he came to Edmonton. The very best of luck is wished you Frank from your many friends in Wildmere.

We had the pleasure of attending three Xmas concerts this year. One at Basswood sponsored by the W.I. where a nice program was enjoyed by a good crowd and Santa came to find a well ladened tree. The teachers at Preston central had a concert and it was a splendid one for the short time they spent on it. They are to be congratulated on their fine work with so many pupils.

Are you warm yet Mrs. Rogan? Come to the Gay 90's again sometime!

*Check that date label on your Standard today!*

## For Sale . . . Machinery

ENGINE—I.H.C. stationary, 3 to 5 h.p. used 9 months price $180. Apply Jas. Irving ph. 1903, R.R. 3, Vermilion. 25-7

# LOCAL NEWS

After a residence here of several years, Dr. H. E. MacDonald, Dominion Veterinarian, has been transferred to similar work at Victoria, B.C. Dr. and Mrs. MacDonald and son left just before Christmas for their new home. His successor here is Dr. Young.

Two young members of the R.C.N. are spending furloughs with their parents in town. One is Brian Callaghan, son of Mr. and Mrs. Pat Callaghan, who is stationed at Esquimalt, V.I., and who has just returned from a cruise to Japan. The second naval man is Bert Milligan, also from the west coast. He is the son of Mr. and Mrs. Tom Milligan.

Visiting at the home of her parents Mr. and Mrs. H. P. Long for Christmas was Mrs. John Morgan and her two sons Keith and David. The Morgan family have recently moved from Victoria to Calgary. This is the first Christmas for 9 years that Lois has been able to enjoy under the parental roof.

Mr. and Mrs. Barney Sheppard of Kitscoty spent New Year's day at the home of their daughter and son-in-law, Mr. and Mrs. John Parkin. Mr. and Mrs. Dave Eaves and family of Lloydminster also spent the day at the Parkin home. Mrs. Eaves and Mrs. Parkin are sisters.

Mrs. Robert Fair went to Three Hills where she spent Christmas with her son the Rev. Lester Fair and family.

Mr. and Mrs. E. H. Buckingham have their son Ken with them. He arrived just before Xmas and will remain at home for some time.

Mr. and Mrs. Leonard Claire of Grande Prairie, who were Christmassing with his father and mother Mr. and Mrs. Arthur Clare of North Edmonton, motored to Vermilion on Sunday afternoon to visit their aunt, Mrs. George Coombe who is very ill in the Vermilion hospital. They stayed overnight with Mr. Coombe. Their visit was very much appreciated.

Dr. and Mrs. R. McKenzie and son Kim of Vegreville were Xmas visitors at the home of Mr. and Mrs. Wm. Dwyer.

Mr. and Mrs. Benny Benjamin and little daughter of Edmonton spent New Year's at the home of Mr. and Mrs. Ansley Bell, Claysmore. The visitors returned home on Wednesday.

C. F. Robson, formerly of the King Edward district and now of Whitehorse, Y. T., is spending a month in the district. He plans to return north on Jan. 20th.

Mr. and Mrs. Bernie Ackerman and family went south for Christmas which they spent at Mrs. Ackerman's old family home in Lethbridge.

George Washington of Edmonton spent the Christmas week end with his mother Mrs. A. Washington in Vermilion. Friends will be interested to learn that George is playing goal for the Red Deer hockey team in the Central Alberta League.

Guests for Christmas at the home of Mr. and Mrs. Carl Johnson were their son and wife, Mr. and Mrs. Andrew Johnson of Lloydminster. Charles Hooker of Kitscoty was a guest at the same home.

BORN To Mr and Mrs. Al Morrison (nee Miriam Shrigley) of Calgary, a daughter, Leahbeth Anne on December 29th, 1954.

Vermilion people will be interested to know that both father and mother are former Vermilion young people, Al being a son of Mr. and Mrs. Jock Morison, now of Edmonton, and Miriam is a daughter of Mrs. Lee Shrigley.

## Bride-Elect Showered

In honor of Miss Gwen Lyons whose marriage to Mr. Earl Swift of Lloydminster takes place on Jan. 8, Mrs. Clarence Barr entertained at a miscellaneous gift shower recently. Games and contests were greatly enjoyed.

A model T car, having a flat tire, was brought in to be repaired by the bride-elect. It was found to contain many lovely and useful gifts.

The guest of honor expressed her thanks to all. A dainty lunch was served by the hostess, assisted by the Misses Shirley and Catherine Barr.

Guests at the home of Mr. and Mrs. James Kirk for Christmas were Mr. and Mrs. Walter McIntosh (nee Mary Kirk) and sons Bruce and Bobby of Edmonton.

Mrs. Ted Purser of Vanesti spent a few of the Yuletide holidays visiting her sister-in-law Mrs. Harry Elliott in town.

The Misses Irene and Eleanor Adam of Edmonton spent the Yuletide vacation guests at the home of their aunt and uncle Mr. and Mrs. E. Corley.

Guests at the home of Mr. and Mrs. L. Amos for Christmas were their daughters and sons-in-law, Mr. and Mrs. Ron Smith and little son Colin, and Mr. and Mrs. Joe Roth. Both the families come from Edmonton.

The Misses Dolores Swanson and Catherine Barr of the University hospital were New Year's guests at the home of Mr. and Mrs. Clarence Barr.

Mrs. J. Foster Irwin and daughter Marlene of Uranium City, Sask. spent a week with her parents Mr. and Mrs. Jack McLaughlin. Her sister Miss Jo McLaughlin of Edmonton also spent the Christmas holiday with her parents, and with her brother and family, Mr and Mrs. Eddie McLaughlin at Mannville.

Mr. and Mrs. Dennis Telford of Edmonton spent Christmas visiting the former's parents, Mr. and Mrs. Jack Baddock. Louise remained for New Year's.

Jim Wilson, who is working on a geophysical crew at Ft. Assinaboine spent Christmas at the home of his parents, Mr. and Mrs. John Wilson.

Mr. and Mrs. E. M. Stewart and family were visitors at the home of Mr. and Mrs. John Craig in Prince Albert for Christmas.

Mr. H. Doyle and son Dr. Alan Doyle of Tisdale, Sask. were visitors in town for a few days this week, guests at the home of Dr and Mrs Denis Hanlan. Dr Hanlan and Dr Doyle were classmates at the Canadian Memorial Chiropractic College in Toronto. Mr. Doyle Sr. spent the first four months of 1954 in the Anglo-Egyptian Sudan visiting another son who is an agricultural engineer.

Through the columns of the Standard, Mr and Mrs Alex Shand now of Edmonton and formerly of Claysmore, extend best wishes for the New Year to all of their old friends in town and district.

Mr and Mrs Mark Norton and family spent New Year's in Edmonton, guests at the home of Mrs Norton's parents, Mr and Mrs Jack Reid.

CLANDONALD HALL

## Fish & Game Assoc. To Meet Jan. 17th

The Vermilion Fish and Game Association will hold their first meeting of the new year on Jan. 17 at 8 p.m. in the Legion hall. There is a great amount of business to attend to as well as reports from the District convention and the appointing of delegates for the Alberta convention which is being held next month in Calgary.

An evening of films is planned and through the program committee a good night of entertainment. You don't have to be a member of the Fish and Game to come to the meetings, anyone interested in being a sportsman may enjoy these sportsmen's get togethers. Business is comprised of Junior organization, Sporting Dog club, Convention reports.

Monthly meetings, instead of the heretofore hit and run type, entertainment you wish at your meetings and many other interesting items are on the agenda. The film for this meeting will be Canada Goose and hunting films. This Association is not limited to the men only, but is open to the ladies who are interested in becoming better acquainted with ways of the gun and fishing rod. All are welcome.

This Branch is proud to report that last year it was the only Association in Alberta with lady members and this year would like very much to repeat this honor.

## Ivy Chapman Wins Suit of the Month

Miss Ivy Chapman was the winner of last month's draw on the suit of the month sponsored by The Loyal Edmonton Regiment Local Reserve unit, and is the richer by $65 as she decided to take the cash rather than the suit.

Tickets will be on sale next week for this month's suit and the draw will be made on Tuesday, Feb. 1 at the armories where there will be a free show in connection with the draw. All are cordially invited — remember only 300 tickets at 50c each are sold on these draws.

The manager of the Columbia theatre wishes to express thanks and gratitude to Moren Electric and Long's Drug store for the treats given to the kiddies, and to Mr. Kent of Vermilion Beverages for giving the kiddies free drinks when Santa visited here before Christmas. Also a special thanks to all the teachers for their co-operation and help received. We feel that this is an undertaking well worth its while, and hope that all the children enjoyed it as much as we enjoyed presenting it to them.

## OBITUARY

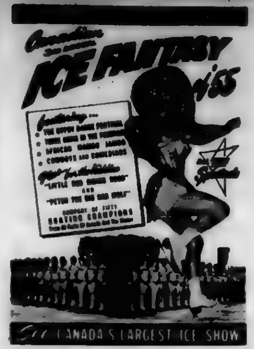
*WILLIAM ARTHUR WAY*

William Arthur Way, infant son of Mr and Mrs. Wm. Way of Mannville, passed away at the Vermilion hospital on January 1st at the age of ten months.

Besides his sorrowing parents he leaves to mourn his passing four brothers and three sisters, Fred with the RCAF in Germany, Harry, Chris and Victor at home, Mrs. A. Graich of Mannville and Sheila and Teresa at home.

Funeral services were held at the Mannville United church on Tuesday Jan. 4 at 2 o'clock in the afternoon. Interment followed at the Mannville cemetery. The Rev. Holter officiated.

Moyers Funeral Home was in charge of arrangements.



DAZZLING LORRIE PERKINS heads the *"PARADE OF STARS"* for Canadian Ice Fantasy of '55 coming to the Vermilion Arena on Tuesday, January 18th.

First Canadian girl ever to star in Canada's largest and most magnificent ice spectacle, lovely Miss Perkins featured performances will thrill and amaze every member of the family.

Lorrie's scintillating "Blues" interpretation is one of the 24 big thrill-packed acts, all new in this year's sensational show.

Among the production numbers are "Three Coins in the Fountain," "Gypsy Dance Festival," "Cowboys and Comedians." There is a special fairytale version for the kiddies, "Little Red Riding Hood and Peter the Big Bad Wolf," and all the delightful animals from the Enchanted Forest.

Don't miss this lavishly costumed "Show of the Year"! Advance Tickets are on sale at the following places in Vermilion: Macleod's, Simonsen's, Long's Drug Store, and the Vermilion Locker Plant.

## Nurses' Assoc. Plan Burns' Night Dance

The Vermilion Graduate Nurses Association plan to hold a Burns' Night dance in the Elks Hall, Vermilion on Robbie Burns birthday, Jan. 25th. The whole countryside is invited and a very entertaining program of dances is being arranged.

If you are canny you will buy a ticket well in advance. If you do you will save 25c per ticket, paying only 50c, whereas if you pay at the door it will cost you 75c to enter. However, you will be given plenty of opportunity to purchase your ticket at 50c. Plan to attend this Burns' Night dance — you will enjoy it! 27-9c

DERWENT THEATRE

Showing at the Derwent theatre this week end Saturday Jan 8 and Monday Jan 10 "That's My Boy" with Dean Martin and Jerry Louis. Jan. 12, 13 and 14 the truly great production "Quo Vadis" showing 3 days so that everyone may see it. Sat. Jan. 15 and Mon. Jan 17 "Deadline U.S.A." featuring Humphrey Bogart and Ethel Barrymore in a newspaper drama. 27c

## LOCALS

Sgt. and Mrs. Harold Heidebrecht and daughter Lynne spent the Christmas week end at the home of Harold's sister and husband Mr and Mrs. Dick Swanson. Harold has recently been posted to Calgary from Ottawa. He is with the RCAF. Mrs. Mary McKone of Edmonton and son Buds of Calgary were also guests at the Swanson home.

Mr and Mrs. A. M. West returned home early this week from Winnipeg where they were guests at the home of their daughter and family Mr. and Mrs. Ken Holte, for Xmas and New Year's.

Mr. and Mrs. Les Williams and little son Scott spent New Year's at Mrs. Williams' family home in Saskatoon.

Bob Morrison, son of Mr and Mrs. Alex Morison, who graduated in Science last spring from the University of Alberta, has now entered the Faculty of Medicine. Bob was home from Varsity for the Christmas holidays.

Miss Anne Martin returned to Varsity on Sunday after spending Christmas with her parents Mr. and Mrs. George Martin and the family.

Under the parental roof for Christmas were the Misses Joan and Louise Robson from Calgary.

Mr and Mrs. Tom F. Brenneiser of Clandonald recently returned from Drayton Valley where they visited their son Tom and his wife Eileen. Tom is employed with the Saxony Vacuum Drilling Co. Mr and Mrs. Brenneiser found Drayton Valley and district a very busy place. They also saw Adolph Butz of Dewberry who is employed in oil field work as well.

Betty Hawley student nurse at the Royal Alex hospital in Edmonton was home for two weeks vacation over the Christmas season.

Mr and Mrs. Ted Herbert and family spent Christmas in Edmonton visiting the former's mother.

OTTAWA R. E. A.

Ottawa Rural Electrification Association will hold the annual meeting on Saturday Jan. 15 at 2 p.m. in the Legion hall Vermilion. Everybody interested please attend. 27-8c

## MILD CHRISTMAS WEATHER ENJOYED

Very mild and enjoyable weather was enjoyed over the Christmas holidays. Just the day before Xmas a light fall of snow covered the earth with a mantle of white. Rough, cold weather was experienced between Christmas and New Year's but this has in turn given way to nice mild winter weather. A total of 2.4 inches of snow has now fallen.

## Unique Xmas And New Year Greetings

Unique Christmas and New Year greetings in design form are sent out by teletype operators from Department of Transport Radio Beam stations all across Canada. 14 of these greetings were received at the local beam station at the Vermilion airport and most of them show great originality and considerable art in design. Not the least of the really good ones are the two designed and sent out by the local operators. Anyone interested in seeing these should call at the Northern Hardware where they are on view.

During 1954, the Canadian National Railways added 320 new coaches, sleepers and diners to its fleet of passenger equipment.

*IN MEMORIAM*

In loving memory of
*Mother and Dad Firth*
January 8, 1954 : December 18, 1949
"Their smiling ways and pleasant faces
Are a pleasure to recall.
They had a kindly word for each
And died beloved by all.
Some day we hope to meet them,
Some day, we know not when,
To clasp their hands in the better land,
Never to part again."
Ever remembered by Dorothy, Bill, Ken and Marie.

*IN MEMORIAM*

In loving memory of
*Flight-Lieutenant William Menzies* killed in action Dec. 29, 1944.
"He died as brave men have a chance to die
Fighting to save a world's morality
He died the noblest death that man might die,
Fighting for God, and right and liberty."
—Ever remembered by the Family.

## F.U.A. Memberships Exceed 45,000

F.U.A. head office reports that steady progress is being made in dealing with the flood of memberships which came in as a result of Round-Up day. Memberships so far recorded are in excess of 45,000 and there are still a considerable number of returns on hand which it has not been possible to deal with as yet.

In the circumstances it is impossible to get out all membership cards for some time yet. Also, many new subscribers to the F.U.A. paper cannot be put on the mailing list for this month's issue. The F.U.A. is asking all persons concerned to be patient until the situation can be cleared up.

In 1953 members of the Junior Red Cross sent shipments valued at $23,229.01 to less fortunate children in other lands.

## Vermilion River M. D. Appoints W. Poitras Pest Control Officer

Following is a summary of the minutes of Council of the M. D. of Vermilion River No. 71 held in the Municipal office, Kitscoty, on Dec. 14 and 15 with Dep. Reeve J. H. Kelly, Crs. J. D. Stone, J. C. Mr. W. H. Elginton of Lloydminster was appointed a municipal gas inspector for Rural Lloydminster.

## Pleasant Valley

Here is hoping that everyone had a most enjoyable Xmas. Remembering the pleasure and joy we have shared together let us hope that the New Year will bring continued joy to you. Pass on a cheery smile instead of a frown. Help to bring a little happiness in to the lives of those who are lonely at heart. The weather has been wonderful and roads are wide open with no snowdrifts to buck. The temperature has slipped down which means that we will be glad to remain close to the fire.

Mrs. Gillies spent Xmas in Edmonton with son Bill and family.

On Sunday Mr and Mrs. Simmons celebrated their Golden anniversary and over 50 friends signed the guest book during the afternoon and evening. All their neighbors and friends gathered to wish them many more happy years of wedded bliss. There were two lovely cakes, one baked by Mrs Simmons and the other a gift from their daughter Irene. Both were delicious. The rooms were tastefully decorated with yellow and white streamers. Tea was served during the afternoon and evening. Gifts received were lovely, from Irene each received a gold wrist watch and there were many cards, and gifts from friends nearby. Among these was a beautiful table lamp from Mr. Simmons' brother in Ontario. On Monday the neighbors gathered in the evening at the same home in a real surprise party with some 20 present. Mrs. Simmons had just returned from a beauty parlor in time for the gathering. Gertrude, a daughter from Kamloops and Irene were home to prepare for the occasion.

Among the visitors were their old friends Mr. and Mrs. Ross from Lloydminster and their son. There were lovely flowers from Mr and Mrs. Sweet and Irene. Pictures were taken of the family by Frank Gould. Later in the evening tea and lunch was served again to about 14 who enjoyed spending a happy time listening to some nice records. Yes even Mrs. Simmons had a little dance for old times' sake. At about 10:30 all joined hands and sang 'For They are Jolly Good Fellows'. All went their own ways home after enjoying a perfect day.

On Monday the Simmons family were dinner guests at the home of the writer. On Tuesday they went to the home of their daughter Mrs. Bob Drysdale for dinner. That evening the two daughters left on their return trips home by bus for Edmonton.

## Town Council Holds December Meeting

The regular meeting of the town council was held Dec. 6 with Mayor S. C. Heckbert, and Crs. M. Hill, D. R. Mitchell, G. W. Sutherland, K. G. Urquhart, Geo. C. Webb present. Absent, Cr. H. J. Payne.

Correspondence was received as follows: RCMP report for Nov.; Royal Alex hospital re emergency admission; Vermilion Board of Trade re 50th Anniversary celebrations; Mr. T. L. Conboy re resignation; Alberta Safety Council re safety campaign; Vermilion Kinsmen Club re rent of arena; North Star Oil re service station site.

The following motions carried.

That arena be rented to Kinsmen Jan 18th for ice show, at usual rental.

## Canadian Sports Display at New York

The Canadian Showroom at Rockefeller Centre, New York City, is offering selling opportunities and publicity for Canadian goods during this gift giving time by its display of Canadian sportswear and sports equipment, such as hockey sticks and hockey sweaters, latest in ski suits and skis, sturdy bush coats and sleeping bags for the hunter and fisherman.

Most of the 20 firms co-operating in this display are already selling in the U.S. Displayed prominently on every product is the name of the manufacturer and of the U.S. retailer. The opportunities for selling Canadian products to New York export houses will also be tested while the show is on.

Patchwork quilt made by volunteer workers of the Canadian Red Cross are known by grateful recipients around the world as the "Canada Quilt".

## Health Unit Notes

THRUSH

This is a condition found in young babies in which the tongue and inside of the mouth are coated with a white film which looks like milk. If attempts are made to remove the white film a raw red area is left.

The condition is caused by a parasitic infection of the mucous membrane of the mouth conveyed there by imperfectly cleansed feeding bottles, teats or nipples.

TREATMENT

The first thing of course is to remove the cause. Cleanse bottles with soap and water and a proper bottle brush and boil. The nipples should be rinsed thoroughly in running water, turned inside out and rubbed with salt to remove all milk [illegible]

The hands should be carefully washed before preparation of the baby's formula and everything used should be sterile. After preparation the nipple and bottle should be kept covered until used.

If nursing baby the mother should be careful to cleanse the nipples before each feed.

To treat the baby's mouth give sips of boiled water with a spoon following each feed to remove any milk. Three times a day put a drop of one per cent aqueous solution of Gentian Violet on the baby's tongue. This will [illegible] purple but will quickly clear the condition.

No attempt should be made to cleanse the mouth with swabs.

COMPLICATIONS

If the condition goes untreated baby will get very fretful and refuse feeds. The infection will spread through the digestive tract causing diarrhoea and sore buttocks.

LETTER FROM THE CAPITOL

# Alberta's Progress During 1954

EDMONTON Trying to find a starting place in a review of Alberta's progress in 1954 is like trying to find the end of a ball. And like a ball the province's fortunes continued to roll right along in the past year

There was a time when the ball seemed to roll backwards — a poor crop and constructive summer, hundreds of coal miners thrown out of work by lack of markets and slight drops in wholesale and retail sales. But, generally, few people would say the outlook for the province as a whole was anything but bright

Like the past several years, the progress centred on the development of the province's natural resources, mainly gas and oil, and industrial expansion. Notable in the search for oil and gas were the developments in fields in the Pembina area, west of Edmonton, and the Sturgeon Lake district of the south Peace River country

If there were fewer large industrial plants started during the year there were plenty of indications that even the expansion of the past year would be overshadowed by projects expected to start in 1955 On the drawing boards are plans for cement plants, a pulp mill and chemical factories. The export of natural gas from the province, which some federal and provincial officials seem to think will begin this year, is expected to bring the development of industries designed to use by-products which cannot be exported in the gas

Westcoast Transmission finally announced it will be exporting gas to B.C and the U.S. under an agreement signed with an American firm which won the right to pipe gas into the northwest states The Canadian company's gas will come from the Peace River district. Plans also are going ahead for the construction of a gas gathering system in the province, which will feed the big east-bound gas line

In the field of government and legislature, a variety of new measures have been introduced, old ones revised and revenues and expenditures have reached all time highs

The seven-week session of the legislature, held early in the year, included a lengthy education committee hearing and equally long house debate on the government's proposal to relieve the teacher shortage in the province's isolated schools. The proposal was adopted and last summer 130 persons enrolled in a special six-week teacher training course at the U. of A., 121 of them emerging as student-teachers.

The legislature also passed a budget calling for expenditures of nearly $205 million, a $30 million increase over the estimated spending of the previous year. Part of the increase was accounted for by additional $14 million aid to the over-burdened municipalities, while more money was slated for roads, public welfare and health.

No one knew at that time, possibly not even Premier Manning, that it would be the last budget he would introduce in the session. In December the premier relinquished the treasury post to Provincial Secretary C. E. Gerhart, stating more time would be required by his mine and minerals post. A relative newcomer to the political scene in the province, Edgar W. Hinman, of Cardston, elected first in 1952, became municipal affairs minister, the post held for many years by Mr. Gerhart.

It was the second cabinet shuffle of the year. Last January R. D. Jorgenson, Pembina MLA and Social Credit stalwart, became public welfare minister to succeed L. C Halmrast who became agriculture minister, the post held by David Ure, who died in a pre-Christmas road accident.

Then there was the Red Deer by-election to fill the vacancy created by Mr Ure's death. It provided fuel for the fires of political sages, when W.J.C. 'Cam' Kirby, a Progressive-Conservative was elected, the first new Conservative member in the Alberta legislature in several years.

This new year could provide many new things in the governmental and legislative realm but possibly the province's biggest thrill will come from the celebration, in a variety of ways, of the 50th anniversary of Alberta's becoming a province - and no doubt there will be many predictions of the province's development in the next 50 years

# News from Wildwood

Mr. and Mrs. Robert Shattuck are receiving congratulations on the birth of a son.

Mr. and Mrs. J. D. Stone had callers from far and near on Sunday Dec 26 to congratulate them on their 28th wedding anniversary.

Congrats, though late, should go to those five boys from this district who captured prizes last fall at the seed fair. First 2nd and 4th in wheat and 2nd and 3rd in barley. The boys were Clifford and Clayton Shoddice, David Jack, Allan and Jim Drysdale

Family gatherings were the order throughout the neighborhood both Xmas and New Year's day.

Mrs Jeff Fry was able to be home from an Edmonton hospital for the Christmas season. Her friends wish her continued improvement.

Mrs D. Drysdale returned last week from a visit in Edmonton with her daughter Mrs. C Shand.

Mr and Mrs H. F Wheadon were pleasantly surprised when their 6 sons arrived with their wives and families to spend Xmas with them. Tom and wife from Calgary, Bob and family, also Lindsay from Peace River Ted and Dick from Violet Grove and Ray from Brandon.

Mr M F Payne brought his family and Miss Ada Jack from Edmonton to spend Christmas with Geo D Jack

Mr Dirkson had his mother as a week end guest at Christmas.

Mr Harley Rea of Ponoka was an afternoon caller at the G D Jack home on Xmas day

Mrs. F. Brandvold was a holiday guest of her parents Mr. and Mrs. C. N Jeffery.

Mrs Dale and Merna of Wainwright were holiday visitors of the Alf Jack's.

Misses Helen Drysdale and Marian Campbell were home from the dorm for the holiday.

Mr. David Jack came home from the V.S.A. for Xmas vacation.

Messrs. Jim and Roy Shoddice have been holidaying at their parents home here.

Miss Doris Jack was a dinner guest in Marwayne Xmas evening.

Mr. Ted Wheadon of Violet Grove enjoyed a few days with his wife and family here last week. His daughter Patricia is at present in Lloydminster hospital.

Miss Diane and Howie Stoddart had a vacation with their grandparents.

Miss Eileen Jack from the Faculty of Education enjoyed a two weeks holiday with her parents.

Mr. and Mrs. Robert McKay of Edgerton came on Sunday for their daughter Sharon who has been a guest of Beverlie Jack.

# NEWS from ALLANDALE

(This bulletin was received too late for our Xmas issue.)

The weather has been wonderful. We haven't had below zero yet and very little snow.

On Dec. 1 Don Wilson, Eddie Throndson and Orley Omness were on a short hunting trip west of Edmonton. With no luck there they returned to Lake Wabamun on the 7th planning to fish, only to find out the date had been postponed.

Mr. and Mrs. Idelore Nelson spent a day in the city on Dec. 3. The following Sunday they and the family spent the day at the latter's home at Ferguson Flats. Their daughter Helen and baby Susan accompanied them.

Mr. and Mrs. Wm. Mayers and Mrs. Nora Ronaghan visited Mr. and Mrs. Allan Ronaghan and family at Irma on Dec. 5. Allan is on the teaching staff at that town.

Turkey-picking time — On Nov. 7 at Idelore Nelson's Mrs. Nelson bought 25 turkey poults last spring and this fall dressed 25 lovely birds; on the 9th at Johnny Nelson's dressing 60; around the same number at Martin Sr's. on Nov 14 and Throndson's on the 15th. The prices aren't so favorable this year for the producer.

It has been grand for skating this fall For a time there was no snow at all and the evenings were lovely and mild

We were surprised and pleased to see Frank Darling visiting in the district He and Edith are now living at Minburn

The first turkey shoot held in the district was at the Phillips' home on Dec 8. It proved very interesting for many who hadn't been to one before Mr and Mrs Martin Gosseling from Wainwright were home for the day Their two younger children had been with their Grandma for ten days prior to this time

Congratulations to Mr and Mrs Julius Kormas (nee Nora Phillips) of Saskatoon on the birth of a son the later part of September their first child.

The Allandale W.A. met at the Omness home Dec. 9 and was the annual meeting. Officers were elected as follows: President Mrs E Omness; Vice-Pres.—D Strome, Secretary- M Baldock; Treasurer, F Throndson, Ways and Means M McPhee and D Strome, Bazaar Conv. E. Nelson. The January meeting will be at the McPhee home on the second Thursday. Lunch D Strome and E Omness.

It was a lovely afternoon for your Stanley party Mrs. Moore We hope you had a good attendance Sorry we couldn't attend

Congratulations and our very best wishes to Mr. and Mrs. John O'Free of Williams' Lake, B.C who were married Nov. 27

For those who know the Lindville family you would be interested to know that Mr and Mrs Lindville are planning a trip to New Mexico in the new year for Jack's health.

On the evening of Dec. 13 friends and neighbors gathered at the Idelore Nelson home for a euchre party The new addition to their home makes a very large and comfortable kitchen. The phone is in and they plan on power in the spring making a very modern home

Congratulations to our dear friends at Red Deer, Mr. and Mrs. John Young who have recently celebrated their 60th wedding anniversary. This esteemed couple lived in our district for some time before going to Islay and then to Red Deer and are now with their daughter Olive and Milton

Commercial fishing on Muriel Lake opened Dec. 16 and closed on the 19th. Gus and Eddie Throndson, Orley Omness, Don Wilson and Louie and Ed Garnier spent some of that time on the lake Weather was very favorable, fishing was good and all had an enjoyable time

On the afternoon of the 19th Rev. Mr. MacKay from Vermilion conducted Christmas service in the Allandale United church. He gave a very inspiring message to a large congregation of around 70 With the kindness of Mrs. Harold Cooper we had a little table Xmas tree. The decorations were hand made by herself and looked lovely It was pleasing to see so many of the Clandonald folk. Carols were sung after the service

As 1955 stretches out before us our very best wishes and prayers for simplicity joy, insurance in God and growth in usefulness

# Letters to the Editor

This paper does not hold itself responsible for opinions expressed by correspondents

Irma, Alberta.
Dec. 24, 1954.

Editor, Vermilion Standard,
Vermilion, Alberta.

Dear Sir:

In the not too distant future the voters of this Federal constituency of Battle River-Camrose will have to decide who is to represent them in the House of Commons.

The late Robert Fair represented us most sincerely and capably and enjoyed the confidence of many who never supported the Social Credit party. As a farmer he was in a position to speak with authority on how federal policies affected the Alberta farmer. Those who had occasion to write to him or to see him at work in Ottawa know that he worked conscientiously and with devotion to the interests of his constituents.

We all regret the passing of Mr. Fair, and know that it will be hard to choose a successor having equal qualities.

It is unfortunate that Mr. Fair was a member of the Social Credit party. For twenty years we have had no representative in the party which has formed our federal government. For twenty years we have had no representation in the only party with sufficient national support to form the nucleus of an alternative government.

Why?

During Mr. Fair's term as member of parliament we have been registering a protest — a protest against conditions which existed in the "hungry thirties". The "forties" came with the unusual conditions of wartime and we continued to register a protest vote.

While great boards were set up with sweeping powers over marketing and freight rates while the federal government gained more and more power over the income surplus of Alberta farmers Battle River was on the outside looking in.

Today, rural depopulation has continued to the point where Battle River has ben linked with Camrose to form a single constituency

We elected Mr. Fair again and again to an impossible and unfair position. As a member of a sectional splinter party he never gained access to the caucuses of the government or of the alternative government. He could never look forward to a time when, as a cabinet member he could have a hand in the making of policies

Must this state of affairs continue? It must if we again elect a Social Credit candidate to the House of Commons.

Let us face the fact that the Social Credit 'prairie fire' has not swept into Ontario and Quebec, provinces which alone elect 160 of Canada's 265 Commons members. Without widespread support in those two provinces Social Credit has no hope of forming a federal government.

In my opinion it is time that we sent a member to Ottawa to support either the government or the party with the greatest likelihood of being the alternative government

That leaves us with two choices, Liberal or Progressive-Conservative. If we don't approve of the government's policies (and it seems obvious from past voting habits that we do not), we have but one choice, the Progressive-Conservative party

Here's to the health of the two-party system and of Battle River-Camrose constituency!

Sincerely,
Allen Ronaghan.

---

January, 3, 1955.

Editor, Vermilion Standard.

Dear Sir:

May we through the medium of your paper express our sincere thanks to Mr. Jack Brown and members of his choir and to all the assisting artists who presented the Christmas Carol Festival on Dec. 19th, the proceeds of which were donated to the Salvation Army Christmas Cheer fund. Our thanks also go to the public who have contributed so generously.

Christmas was made a little brighter for over 100 persons and the Salvation Army has counted it a privilege to be able to minister to those in need in this way.

Yours sincerely
Mildred Battrick (Major),
Florence N Hill (Sr Capt)
Officers in Charge.

---

The pennies, nickels and dimes raised by the Canadian Junior Red Cross for Crippled Children's work amounted to $150,679.63 last year.

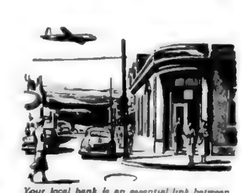
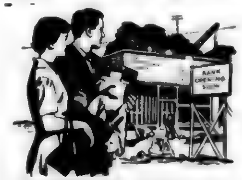
Among the benefits of Branch Banking . . .



Your local bank is an essential link between your community and the whole banking world

In remote areas, Canadians enjoy the same broad range of bank services, the same sense of security.



As communities develop, banking services are made available to meet new and growing needs.

Banking in Canada works in such a way that your local branch manager brings you all the resources, knowledge and experience of the bank he represents. It has branches throughout Canada and provides contacts the world over. The benefits of this branch banking system, developed to meet Canadian needs, are demonstrated every day by the quality and scope of your local banking service.

## W.I. Branches Elect Officers At December Meetings

All branches held their annual meetings during December with election of officers combined with a Christmas party.

CLAYSMORE

New officers - President, Mrs. J Willes. Vice-Pres., Mrs. F. Watling. Secretary, Mrs. H. J. Horn. Treasurer. Mrs. A. Olstad. Directors. Mrs. King. Mrs. R. Bauer. Mrs. R. McMillan. The annual bazaar held in November netted $83.50 and the dance following $14. They helped convene the annual Xmas concert.

VERMILION

During the month Vermilion made 24 sick calls and sent 5 cards besides sending flowers and fruit. They also sent fruit and a card to their ward in our local hospital at Christmas. A donation was sent to the Unitarian Relief Committee. All officers were re-elected by acclamation. The January meeting is to take the form of a pot luck supper.

SALTAUX

New officers were elected as follows: President Mrs. Rheta Smith. Vice-Pres. Mrs. Marian Emmott. Secretary. Mrs. Marjorie Smith. Treasurer Mrs. Lois Staden. A donation was sent to the T.B. fund and a Xmas gift box was sent to the Alberta Protestant Home for Children.

RAMSAY

Roll call was answered by each member bringing a white gift which were sent to the Salvation Army for distribution. The President then gave her address speaking of the W.I. objects emphasizing its importance as a Social and Educational Community centre. She also suggested activities for the coming year.

An interesting account of the school trustees convention held at Innisfree was given by Mrs. T. Henderson. New officers are as follow: President, Mrs. A. Henderson (re-elected). Vice-Pres., Mrs. J. Goshko (re-elected). Secretary, Mrs. T. Henderson (elected). Directors, Mrs. R. Bang appointed and Mrs. M. Sloan and Mrs. J. Horricks re-elected.

PRINCESS ANNE

All officers were returned by acclamation. Reports were given by the president, secretary, treasurer and committee conveners. These indicated a very successful year. Roll call was a Christmas gift which was used as a gift exchange.

THORNCLIFFE

New officers: President, Mrs. Tom Thompson, Vice-Pres., Mrs. James Moses, Secretary, Mrs., Reuben Clark, Welfare Committee, Mrs. Geo. Doherty. A donation was given to the Thorncliffe Xmas concert. Mrs. Harvey Acheson gave a talk on Stanley Home Products. Tickets are being sold on a ten dollar food hamper to be raffled later. A gift exchange was held.

WILDMERE

New officers: President, Mrs. Frank Gibson, Vice-Pres., Mrs. David Hughes, Secretary Mrs. Albert Holte. Treasurer Mrs. Guy Whitlock. Directors. Mrs. Osterberg Mrs Howard and Mrs. Bauman. Auditor Mrs. Martin.

A donation was given to the Xmas tree fund. This branch catered to an auction sale. They also have two new members Mrs. C Sweeney and Mrs. J Bauman.

FIVE POINT

New officers: President, Mrs. John te Kampe, Vice-Pres. Mrs. W. McCauley. Secretary Mrs. Hugh Thompson. Treasurer Mrs. R Gordon. Mrs. D. Clark read a paper 'Christmas in Other Lands'. Gifts were sent to two new babies of the district and also to some of the older members of the community as a Christmas remembrance.

CREIGHTON

Roll call was a Christmas reading. All officers were re-elected by acclamation. Mrs. D. Wagner was elected as United Nations convener, a new office. The handicraft list was completed and forwarded to Mrs. Pidcock. A gift exchange was held.

WILDMERE BEAVERS

Roll call was 10 cents per member for a deaf, dumb and blind girl. An interesting report was given by Mary Gibson on 'My Bedroom'.

More than 300,000 Canadian women have been trained in Red Cross Home Nursing classes.

Every member of the Canadian Red Cross Corps is a volunteer.

NEWS OF THE DISTRICT

## New Year's Eve Ball Draws Big Crowd At Islay

The days of festivities are over once more and all are back to routine. We hear some say - glad to be back on the usual rounds.

The New Year's Eve ball staged by Islay Community in the hall really exceeded that of other years. It was a lovely party with good music, a crowd of folk who came to have not a noisy but a happy time, plenty of decorations, balloons, caps, hats and many of those gay papertries to create fun. And the crowd really did have a gay time and a lovely lunch was enjoyed. There was no monotony in the musical fare as the different artists exchanged violin for banjo, guitar for bass viol etc. The pianist too had several exchanges. Lastly financial success too so everybody was happy.

The Misses Catharine and Marie Carey came by plane Thursday from Edmonton to spend the holidays with their father Mr Jack Carey. They left Edmonton at 4 p.m. and were at their own home by 5:30 p.m. They attended the school Xmas concert that night.

On Monday following Xmas a very nice afternoon was spent at the [illegible] home. Catherine was home and in came Mrs. Winnie Torrance, Edna Torrance, Mrs. Betty Purser, Catharine and Marie Carey and Gladys and Muriel Stone.

Mr and Mrs James Allan entertained Mr and Mrs McEachern and Catharine at dinner on New Year's day and on Sunday Mr Jack Carey and the Misses Catharine and Marie Carey.

Last Wednesday Mr and Mrs (Bothwell) Bill and Mrs Clara Millward and son Donald had dinner at the home of the Misses Stone. On Thursday Mr and Mrs. Jim Allan had dinner with the Misses Muriel and Gladys Stone.

Mr and Mrs. Dave Clark and family spent New Year's day with relatives at Paradise Valley.

Mr. and Mrs. Lloyd Proudfoot and two children from Saskatchewan have been spending the holiday season with Mrs. Proudfoot's parents Mr and Mrs. Albert Bech and other relatives.

Mr Lloyd Kitching from Manitoba who has been visiting his cousins Miss Bessie and Mr Ralph Anderson, has returned home.

Harold McClelland spent Xmas with the home folk, Mr and Mrs Jim McClelland.

During the holiday Miss Erva Sweet entertained a number of teenagers, part time skating and the remainder of the evening in her home. A jolly time was had in games and lunch.

J. B. March of Montreal has been appointed manager of the department of Public Relations, Canadian Pacific Railway Co. He succeeds the late J. H. Campbell who died recently.

Volunteer workers of the Canadian Red Cross Women's Work committee used over six tons of yarn to knit sweaters and socks for emergency relief in 1953.

*Everything's new but the name!*

**'55 DODGE** *V-8 and 6's*

*BIGGEST CAR IN THE LOW-PRICED FIELD*

More than a foot longer, inches wider and lower—years ahead in inspired styling—new in everything but name—that's the daring, new Dodge for '55! You'll sense a new trend in motorcars in its long, slim lines and clean, taut surfaces that give it an exciting "eager-for-action" look. Inside, intriguing new interior fabrics live in perfect harmony with exterior colours—and literally breathe richness and luxury.

There's a dramatic power story, too, for the '55 Dodge offers a great new V-8 and two dynamic 6's. And eager Dodge power, responsive to your slightest command, can be harnessed to PowerFlite*, finest of all automatic transmissions.

Learn the whole exciting story—see the daring new Dodge on display at your Dodge-De Soto dealer's now.

*PowerFlite, power steering, and power brakes are optional at moderate extra cost on Mayfair, Regent, and Crusader models. Power window lift and power seat are also available on Mayfair and Regent models at extra cost.

New Horizon full wrap windshield differs from ordinary wrap-arounds because it wraps around at top corners where you really need it, as well as the bottom. There's full vision from every point of view.

Front seat of two-door models folds ⅓-⅔ . . . allows easy entrance or exit without disturbing front seat passengers.

Gently sloping rear deck, extended fender line, and recessed taillights accentuate the car's low, graceful silhouette.

PowerFlite* Flite Control lever, a new styling treatment, is now mounted on instrument panel.

At The Arena on Tuesday, January 18th

## Big All New Ice Fantasy of 1955 Coming To Vermilion Soon

A gaily costumed, brightly lighted professional ice show featuring 44 skating champions from all parts of the continent is coming to Vermilion arena on Tuesday, Jan. 18. Vermilion Kinsmen will sponsor the show.

The all new third annual edition of the Canadian Ice Fantasy of '55 is bigger than ever and has something for every member of the family.

Everyone will enjoy the new lavish productions "Three Coins in the Fountain", "The Gypsy Dance Festival," "African Mambo" and for the kiddies that beautiful fairy tale version of "Little Red Riding Hood and Peter the Big, Bad Wolf" and thirty animals from the wooded forest.

Lovely Miss Lorrie Perkins, the Pacific Coast champion will steal your hearts away with her South American Sambo. Ken Hoeffert of [illegible] Texas will [illegible] the male [illegible] with Vancouver's senior champion, Charlie Murphy. Iris Peebles, Joyce McFarlane, Dorothy Yackman, Marie Sigurdson and Joan Turner, all well known skating professionals in the skating world, will thrill you with their all new production.

Comedy for everyone is provided in the side-splitting antics of Johnny Yano, Lorne Sharr of Saskatoon and Bob Clemin of Spokane. The trio combine in "Crazy Wet Sailor", an act that is guaranteed to bring the house down in laughter.

These brilliant stars combine to make the all new Canadian Ice Fantasy of '55 truly the most extravagant ice production ever released outside the big cities.

Advance tickets for the Vermilion showing of this fine show are on sale at Macleod's, Simonsen's, Vermilion Locker plant and Long's Drug store.

## Death of Reeve Arthur Clarke

Arthur Clarke, Reeve of the Municipal District of Vermilion River for the past two years, and a member of Vermilion School Division Board, died at noon on Friday, Jan. 7 in the Lloydminster hospital. He was 68 years of age. Mr. Clarke's home was at Paradise Valley. He leaves his wife to mourn his passing.

Mr. Clarke was taken ill early in December, missing both the council and school board meetings for that month. He was a patient in the hospital but was home for Christmas. His condition did not improve and he returned to the hospital passing away from pneumonia.

Mr. Clarke was an old timer of the Paradise Valley district, farming there for many years. Retiring from active work he moved into the village and became interested in municipal and school matters. He sat on the council as a councillor and two years ago was appointed reeve. He has been a member of the school division board for the past four years.

Funeral services were held at Paradise Valley on Wednesday afternoon at 2:00 o'clock with interment folowing in the Paradise Valley cemetery.

## Fred C. Long, Pioneer Business Man, Dies

There passed away in Vancouver shortly before midnight Saturday, January 8, a pioneer business man and deeply esteemed citizen of Vermilion, Frederick C. Long, at the age of 75 years. Mr. Long established one of the first businesses in Vermilion. He came from Orono, Ontario in 1905 and that year opened a drug store at Old Mannville. In 1906 he moved into Vermilion and commenced his drug business in a tent. Mr. Long was a graduate of the Ontario College of Pharmacy with the degree of Bachelor of Science in Pharmacy. In Vermilion he built up a successful and thriving business. Fourteen years ago he retired leaving this business to be carried on by his son Carman. Mr. and Mrs. Long lived for some years in Edmonton following his retirement, eventually moving to Vancouver where they have a beautiful home. His only lengthy absence from Vermilion through all those years was during the First World War when he served overseas with the Canadian forces.

During his life in Vermilion he proved an active and interested citizen. He served on the council and many of the organizations in the town, was an ardent curler and golfer and generous supporter of all enterprises that donate towards an active and growing community. He was a member of the United church and of the Masonic Lodge.

Surviving members of the family are his wife in Vancouver, one son Carman in Vermilion, one daughter Mrs. June Friesen at Chilliwack; a brother and sister Mr. Percy Long and Miss Nell Long of Vermilion, and a brother William in California. There are five grandchildren.

Funeral services were held in Vancouver on Wednesday afternoon, January 12th.

## Classes in Basic English For New Canadians

The Superintendent of Schools will conduct an organization meeting in the Vermilion Junior high school to determine the need for classes to assist new Canadians in the study of the English language.

If a sufficient number of new Canadians are interested in evening classes in Basic English and Citizenship, an effort will be made to arrange for an instructor to direct the lessons.

The meeting will be held in the Vermilion Junior high school Wednesday Jan. 19, at 8 p.m.

## School Districts Added To Division

Recent changes in the boundaries of the Vermilion School Division No. 25 have resulted in the addition of the following rural school districts:

SUBDIVISION No. 3
St. Margaret S.D. No. 2083
North Park S.D No. 2803
Martin S. D. No. 3096
Green Vale S.D. No. 3503
Tulliby Lake S.D. No. 3756
Acomb S.D. No. 4525
Canyon View S.D. No. 4746.

All the above districts are north of the North Saskatchewan River.

SUBDIVISION No. 4
Carleton S.D No. 3416
Hughes S.D. No. 4178.

SUBDIVISION No. 5
Louise Lake S.D. No. 1732
Ottawa S.D. No. 1849
Northern Star S.D. No. 3092
Chatsworth S.D. No. 3516.

Annual meetings in the various districts are being advertised for early in February.

## Vermilion Agricultural Society Sponsors Short Course For Farmers

The Vermilion Agricultural Society, in keeping with its policy of offering any possible assistance in agricultural extension, is planning a three day Short course for March 1 2 and 3, to which all farmers of the district are cordially invited. On one day of the course there will be special attention paid to the ladies of the community and further details will be made available from time to time.

Tentative plans call for afternoon sessions only on each of the three days, the program getting underway each day at 1:30 and as there will be only two topics discussed at each session there will be ample time for discussion, questions etc. On the first day it is hoped to have Hon. L.C Halmrast briefly address the gathering of both ladies and men.

If present proposals can be completed the program will include

TUESDAY MARCH 1

For the ladies

Frozen Foods, their handling and care, by Mr. Arnold, an expert in this line

Home Nursing by Mrs. W Boulton, Senior Nurse

For the men — Field Crops day: Plant Diseases, Rust, by Dr. R. F. Peterson, Director, Cereal Breeding Laboratory, Winnipeg. Fertilizers, by Dr F Bentley, U. of A.

WEDNESDAY, MARCH 2

Livestock Day — Insects affecting stock by Mr. R H. Painter of Lethbridge. Swine Improvement by Mr., M Syrotuck, Dominion Dept. of Agriculture

THURSDAY MARCH 3

Machinery and Farm Planning day: Hay Making by Mr. C. A Cheshire, Farm Planning by Mr F H. Newcombe

The sessions outlined will be held at the school of agriculture where every facility is available for illustrative material. The people of the area should consider themselves fortunate indeed that the school is available for such purposes and that the Agricultural Society is sufficiently interested to arrange the comprehensive plan for dissemination of agricultural information from the well known experts secured for the proposed short course.

It is hoped that a large number will take advantage of the course each day. There are no costs of any kind involved and assurance is available that problems which greatly affect all engaged in farming will be discussed in a practical manner.

## STILL ROOM FOR CURLERS

All men wishing to curl and who are not on a rink please hand in their names to Secretary Russell Carroll. Any rink not yet complete should also contact the secretary to see who is available.

## C.C.F. To Nominate February 5th

Board members of the Battle River-Camrose C.C.F. Constituency Association met at Viking recently and decided to nominate a candidate to contest the forthcoming by-election.

The nomination convention will be held at the community hall, in Viking, on Saturday Feb. 5 commencing at 1:30 p.m.

## 40 Rinks Enter Farmers' 'Spiel

The annual Farmers' Bonspiel, sponsored by the Vermilion Curling club and local business men, got away to a good start Thursday morning with 40 rinks competing. Play will continue through Friday and Saturday with the finals being played Saturday evening.

## Veteran, Pop. 200, Have Artificial Ice

(Edmonton Journal)

Artificial ice plants are no longer classified as luxuries in the curling fraternities. They are downright necessities.

And this no longer applies to just the large clubs. Even the smallest centres are in the act.

Take the case of Veteran (pop. 200) we have just heard about. It's a tiny place 30 miles east of Coronation, and they have a two-sheet layout.

A storekeeper, Ronnie Berns, is an ardent curler who wearied of the whims of the weatherman. So he became a prime mover in a campaign for artificial ice.

Cows, chickens, milk, eggs . . . whatever the farmers of the district had to offer in the way of barter was accepted as their contributions to this real community effort.

So now they can lay claim to the honor of being the tiniest centre with artificial ice, and it's one that will take some challenging.

Let all Calamity Janes, Fearful Freddies and other crepe hangers with a Fear of the Future, take note.

## Home and School Meeting Jan. 25th

The regular monthly meeting of the Vermilion Home and School Association will be held on Tuesday January 25th at 8:00 p.m. in the Junior high school.

## Heatherbell W. A. On Year's Work

The Heatherbell W.A. group reports a very active year in 1954 with the following work being accomplished:

The group made 34 dresses, 7 shirts, 15 pairs of bootees and a boy's suit, all for baby homes; also 46 nighties for the local hospital. A total of $35 was given to charitable organizations and $25 was given to the Auburndale church building fund. Flowers, gifts and cards were sent to the sick. A parcel of used clothing was sent to Korea and members donated to the local bazaar held in June.

Officers for the ensuing year are: President—Mrs. Ev. Cunningham Vice-Pres.—Mrs. Cora Lindreth Sec.-Treas.—Mrs. Rose Harle.

## St. Paul Hornets To Play Here Saturday

The league's new entry St. Paul Hornets will show at the Vermilion arena on Saturday at 8:30 p.m. taking on the fast-stepping Tigers. Our boys are getting away to a much earlier start at winning games than they usually do. St. Paul are having a rather rough time of it to date but this is their first year in the league and they will soon feel at home in the faster company and begin turning in their share of winning points.

## Bonnyville To Play Exhibition Here

The Bonnyville hockey team will play an exhibition game at the Vermilion arena on Wednesday, Jan 19 commencing at 8:30 p.m. Their opposition will be the Vermilion Tigers and a good game is in prospect.

Bonnyville have recently completed their new ice palace and from all reports, it is the finest in the province. This arena is being officially opened with a four-team tourney on Sunday, Jan. 16th. The Vermilion Tigers have been invited to play and have accepted the invitation.

## TIGERS WIN AT ST. PAUL 13-5

Vermilion played at St Paul last Saturday night in the new arena and handed out a 13-5 defeat to the Hornets. New in the league this year, St. Paul is taking steps to round up more local and district talent to bring their entry up to the calibre of the other teams. St Paul plays here Saturday Jan. 15 and some new faces are rumored to be in their line up so the local Tigers can expect plenty of opposition.

## Wins Good Deed Award, Mannville

MANNVILLE—On January 1, the T. Eaton Good Deed Club announced the award of their gold star pin and 15 jewel wrist watch to Miss Alice French of the Lefield district.

Alice received this award because she carried out good deeds for several years. Her mother passed away when he was nine, and since then she has been housekeeper for her father, and continued at school and always managed to have her homework done as well as keep the house. She is now in Grade 9 at Mannville school.

CORRECTION —

It was incorrectly stated in last week's Standard that four events would be played in the Farmers' Bonspiel. This was an error as 3 events is the proper number.

## Gas Kings Down Tigers 3 to 2 In League Home Opener

Viking Gas Kings won a 3-2 victory from the home town Tigers in the opening league game here Wednesday evening. The contest was close all the way with the score tied at 2-all until well into the third period when Bill Masson converted Strate's pass for the clinching marker. Paid attendance at the game was 702.

The Gas Kings opened the scoring at 2 15 in the first period. Tom Dunningan scoring on a combined play with J Dunnigan. Proctor was penalized and upon his return to the ice J Dunnigan caught ref Scotty Munroe's eye and was benched. The Tigers turned on the heat and their power attack bore fruit when Stew Cooper flipped in Coach Kreller's pass. Stu Barr went off for hooking but no harm resulted and the period ended 1-1.

The Kings had an edge in the play as Tigers gathered in four penalties to 1 for Viking. Masson made an end to end rush with Lefsrud converting the rebound putting the visitors one up. Schmidt was benched for slashing, Little for the same offence a little later keeping the locals disorganized and on the defensive. Ted Koehil and Wally Footz who combine again on one line and who are just as energetic as ever made the count 2-all. Ted scoring with the assist going to Wally. Koehil received two minutes for tripping and at the end of the period Kreller and Messmer were sent off for roughing.

The teams battled along on even terms until half way through the last canto when Kay Strate who went to the Gas Kings as coach from Wainwright this season, passed to Masson for the game winning marker. Penalties were handed out to Masson, Messmer and J Dunnigan for minor offences but the Tigers swarming around the Kings net like the proverbial swarm of bees, could not seem to get a real shot at Warner and failed to dent the old hemp the game ending 3-2.

This gives each team one win on the two games played between them this season.

Referee was Scotty Munroe of Edmonton with Russell Carroll as linesman.

LINEUPS

GAS KINGS — Warner, Messmer, Hall, Strate, J and T Dunnigan, Proctor, Masson, Lefsrud, Sarken, Brissard, B. and H. Walter.

TIGERS — La Porte, Kreller, Les Williams, Novak, Little, Cooper, Sherban, Schmidt, Footz, Koehil, Barr, Leahy, Lowrie, Frickleton, Ewen.

SUMMARY — 1st period: Tom Dunnigan (J Dunnigan); Cooper (Kreller). Pen. Proctor, John Dunnigan, Barr.

2nd period — Lefsrud (Masson); Koehil (Footz). Pen. Schmidt, Little, Koehil, Kreller, Messmer.

3rd period — Masson (Strate). Pen. Masson, Messmer, J Dunnigan.

## Hockey Chit - Chat

by GERRY MARSHALL

After an extensive road trip which took them to every other league centre except Wainwright the Tigers have come home tied with Viking for top spot. Before you read this however, one of the two clubs will have toppled from the driver's seat as they clash on Wednesday of this week. The team's record on the road is good, one loss while outscoring their opponents 21-12.

TIGERS 13 ST. PAUL 5

Saturday night's game in St Paul was a good one to watch for the Vermilion fans and believe me there were quite a number there too. The Tigers were playing good hockey and were full value for the 13-5 victory. Kreller, the veteran, and our young hustling players up front, really hit top form Saturday night. Kreller was his usual tricky self and very smart in scoring his two goals while the four other Tigers who scored a brace of goals were driving and boring in for the whole game. The marksmen with two were Footz, Lowrie, Stu Barr and Ted Sherban.

Cooper's line of himself, Frickleton and Sherban are really going places for the Tigers. This punch line is checking hard and scoring more than their share of goals.

Sherban notched four markers in three games, this is good in any man's league.

The line of Footz, Lowrie and Barr are carrying their share of the load as well. Each member of this line bulged the net twice in St Paul. Wally Foo had a big night with two goals and three assists.

The defence corps is also doing a great job and the work of John La Porte in goal has been terrific. The team as a whole is the best balanced one in the league and will be a real threat to Viking's title.

It was nice to see Les Williams, the perennial Tiger star, back at the blueline. Les can always be depended upon to turn in a stellar performance. The squad is practising conscientiously and will provide Vermil with some great hockey and who knows — perhaps the Craig cup.

## Many Guest at Board Of Trade Luncheon

The Vermilion Board of Trade was very pleased this week to have several guests from out of town at the luncheon on Wednesday. Included were Mr. W. R. Cornish, M.L.A. for Vermilion constituency who acknowledged his welcome with a short discussion on road matters in the province generally.

Three members from the Elk Point Chamber of Commerce were present. Mr. Ron Barwick president of the Chamber, Mr. Brailsford the secretary, and Mr. Yewchin. Mr. Barwick extended greetings from the Elk Point body, and remarked that his enthusiasm for Board of Trade endeavor which was kindled in Vermilion had in no way diminished when he moved to Elk Point.

## Here 47 Years, Mrs. Nellie Coombe Passes Away

Mrs Nellie Coombe beloved wife of Mr George Coombe died at the Vermilion hospital on January 10th at the age of 71 years. She came west to settle in the Islay district 47 years ago.

Besides her husband she leaves to mourn her passing one son Raymond in Edmonton, one daughter Mrs Perry Golby at Islay, three brothers, Tom Gould, Victoria, Bert and Fred Gould at Islay; two sisters, Mrs. Edith Giles, Victoria; Mrs Arthur Clare in Edmonton.

Funeral services will be held at the Alliance chapel on Friday, Jan. 14 at 2 p.m. Interment will be in the cemetery at Pleasant Valley church. Major Battrick and Sr Capt. Hill of the Salvation Army will officiate.

Moyer's Funeral Home is in charge of arrangements.

## Premier Manning To Broadcast Talks

"THESE ARE THE FACTS"

Premier Manning of the Province of Alberta is broadcasting a series of ten-minute talks entitled "These Are The Facts" over radio station CJCA each Wednesday evening at 10 15 o'clock. The talks commenced Wednesday, January 12th and the opening broadcast was well worth listening to regardless of the political leanings of the listener.

Anyone having difficulty hearing CJCA at that hour can listen to the same talk over CFCN, Calgary, at 9 30 p.m. each Tuesday.

## Kitscoty W. I. Elect Officers

The Kitscoty Women's Institute held their annual meeting on Jan. 6 at the home of Mrs J. Batty. The officers for the coming year were elected by acclamation as follows:

President — Mrs. J Batty
Vice-Pres. — Mrs. H Batty
Secretary — Mrs. M. K McDonald
Treasurer — Mrs. R. S Pidcock

## Board of Trade To Elect New Officers Wed., Jan. 26th

The annual meeting of the Vermilion Board of Trade will be held on Wednesday Jan. 26. The meeting will be preceded by the usual luncheon at the Rio cafe. Activities of the past year will be reviewed and plans for the ensuing year made. A full attendance of all business men, farmer members and others interested is desirable.

## Local Gideon Active

To begin the new year with renewed vigor three of the local Gideons, Obert Gunderson, E. W. G. Clendenning and E. Schurman journeyed to Therein and Mallaig and held two enjoyable church services in these towns on Sunday, Jan. 2.

On Friday, Jan. 7 the New Year's meeting was at Lloydminster in the home of Gideon George Baynton (thanks for the turkey, Geo.) where Bible and Testament [illegible] were discussed for the coming year. Present were Albin Swanson, R. Swanson, E. W. G. Clendenning, W. Mix, Wm. Stefanyk, O. Gunderson, Geo Baynton, E. Schurman, and one visitor Ted Brown.

Again on Jan. 9th four Gideons, W. B. Mix, E. W. G. Clendenning, Obert Gunderson and E. Schurman journeyed to Ardmore and Cherry Grove to tell the Gideon Bible distribution story. Reception in these points to the north of us was wonderful.

At present Gideon Roy Watkins is indisposed and is greatly missed on these jaunts. We need you, Roy, so get well quick.

COOPER BROS. — PUBLISHERS

VERMILION, ALBERTA, THURSDAY, JANUARY 13th, 1955

*DENTAL TREATMENT AVAILABLE—*

The Pensioners' Dental Treatment service has been operating in Alberta since June, 1947, but still hundreds of people in the province know little of the services it offers persons of advanced age and small income.

Under the special plan which is offered by the provincial government and the dental profession in Alberta, dental treatment is free to more than 35,000 Albertans including all pensioners of the provincial government, the blind and their wives and dependent children, allowances and to old age security pensioners on a means test.

The service, in all its phases, is operated under a monthly per capita grant from the provincial government. The dentists carry out dental treatment under a schedule of reduced fees.

No other plan of this kind is operated on the North American continent.

From the patients' point of view, the availability of the service is extremely simple. The administrative office of the Alberta Dental Association is supplied by the government with a list of names and addresses of those entitled to treatment.

The list is adjusted monthly. A patient merely applies to the dentist of his choice, who notes needs on a chart and proceeds with treatment as soon as authorization has been granted. In case of an emergency arising, no authorization is required prior to treatment.

MONEY TO BURN!

We are different than the Americans, states The Financial Post. While Americans scared themselves into smoking 4.8% fewer cigarettes in 1954, Canadians, unperturbed, actually smoked about 5% more.

In this matter and others Canadians have established that they are not simply a branch of the American race living north of the international boundary.

## LETTER FROM THE CAPITOL

# Albertans Lead in Car, Truck Purchases

EDMONTON. — In 1908 there were 220 motor vehicles registered in the whole of Canada. In 1953 the total was 3,421,797 while Alberta with 318,512 vehicles had more than the whole nation around the end of World War 1.

These are some of the interesting figures taken from a book of automotive statistics compiled and issued recently by the Canadian Automobile Chamber of Commerce, membership of which is composed of motor vehicle manufacturers. Because of the [illegible] of time required to compile the figures, the book is for the year 1953, although issued only in recent months.

GREATEST IN RELATION TO POPULATION

It shows that in relation to population Alberta has the greatest number of motor vehicles of any other Canadian province. While the national average is 4.3 persons per motor vehicle, Alberta's is 3.1 persons per motor vehicle, followed by Saskatchewan with 3.3 and Ontario and B.C. with 3.5 persons per vehicle.

MANY TRUCKS IN ALBERTA

Alberta's showing apparently is accounted for in large measure by the tremendous number of trucks registered. In a table on passenger cars alone Alberta is listed as having 4.9 persons per car compared with the national average of 5.9, Ontario is 4.4, B.C. 4.8.

But, another table shows Alberta registered 107,886 trucks in 1953, while B.C. had only 83,521. Even Saskatchewan topped the west coast province with 97,831 trucks.

Alberta's bus count of 2,[illegible] was the largest in the west and trailed only Ontario 3,048 and Quebec 2,404.

1953 RECORD YEAR

Canadian automotive dealers had a record year in 1953 with total sales of 662,528 motor vehicles with a retail value of $1,162,471,000. Alberta dealers sold 43,314 vehicles including 29,028 passenger cars and 14,286 trucks and buses.

Ontario's striking total of 198,364 vehicles, including 138,087 cars, probably is due in large part to the number of persons travelling to the automotive province to buy new cars.

In 1953 Canadians financed 646,512 vehicles for a total of $725,545,000 including 451,480 used vehicles for a total of $383,298,000. Alberta's share of this was 70,430 new and used vehicles for a total of $87,557,000 which included 47,970 used vehicles at $43,579,000.

Switching to the national scene, the statistics show the automobile industry produced 480,959 vehicles in 1953, composed of 360,265 passenger cars, 119,987 trucks and 697 coaches and buses. 20 plants were operating with 32,973 salaried employees and wage earners and wages and salaries totalling $131,316,134. The net cost of materials used in manufacturing the vehicles was $557,709,086.

Sales tax during 1953 totalled $60,090,750 and excise tax $62,674,380. Provincial governments reaped $218,158,000 in gasoline taxes and $84,447,000 from registration fees.

FOUR DOOR MOST POPULAR

In the types of car bodies produced, the four-door sedan accounted for 65% of the total with 210,480. Following this was the two-door sedan at 71,902. The increasingly popular hard-top convertible accounted for 16,195, while other types included 5 and 6 passenger coupes 12,135, two-seat station wagons 2,604, soft-top convertibles 1,680; three-passenger coupes 752 and three-seat station wagons 364.

Canada imported 58,475 motor vehicles valued at $85,738,461, in '53. The total includes 53,179 passenger cars and 5,108 trucks. Import value of motor vehicle parts was $[illegible],942.

EXPORTS SURPRISING

The nation's automobile industry exports more motor vehicles than many would expect. The total in 1953 was 45,222, with a total value of $58,319,039 and included 27,977 passenger cars and 17,245 trucks.

The destinations of these exports provide interesting reading. In 1953 the largest number 6,925 went to the Union of South Africa while the total to Belgium was 6,072. Some of the other importers of Canada-made cars included Australia 5,644, Mexico 2,064, Switzerland 1,417 and Venezuela 2,372.

*LOOK AT YOUR LABEL DATE!*

## WINTER GOUT

## Alberta's Treasury Department

The Treasury Department is concerned with any governmental activity that involves the receipt, custody or payment of money. The department was established by an Act of the Legislative Assembly called "The Treasury Department Act" and is headed by the Provincial Treasurer.

The Treasury Department Act prescribes the main function of the department which is the management and control of revenue and expenditure of the province. Each year the Provincial Treasurer prepares a budget containing estimates of the amounts required to pay the various expenses and costs of government services, as well as the estimates of revenues accruing from various sources.

The Budget Speech, delivered by the Provincial Treasurer to the Legislative Assembly, is a general statement explaining the financial condition of the province and the fiscal program of the Government.

The estimates are the amounts of revenues and expenditures expected by each department, and when passed by the legislature, they control the coming year's expenditures.

The Provincial Auditor, an official appointed by the Lieutenant Governor in Council under the Seal of the Province, keeps the accounts of the province. His responsibilities involve the checking of each item of revenue and the approval of each expenditure. He prepares the Public Accounts in which all the financial transactions of the province during the last fiscal year are set out.

As the Treasury Board, the Executive Council frames regulations respecting the bookkeeping and accounting of the Government.

The Treasury Branches Act authorizes the Provincial Treasurer to establish and operate branches of the Treasury at points throughout the province. To date, 47 branches, 13 sub-branches and 84 agencies have been established.

The Alberta Government Purchasing Agency Act is administered under the supervision of the Provincial Treasurer and the Director of Purchases is responsible to him. The Purchasing Agency purchases all supplies required by government departments.

Also attached to the Treasury Department is the Office of the Queen's Printer. The Queen's Printer is responsible for the publication of "The Alberta Gazette" which contains Government proclamations and official notices. This office publishes the statutes of the province and supplies all printing, stationery and general office supplies required by the departments.

The Provincial Treasurer administers The Retirement Annuities Act through which Alberta citizens may purchase annuities with a small initial deposit.

For administration purposes, the Board of Public Utility Commissioners is attached to the Treasury Department. Among its many responsibilities the Board regulates the rates charged by utility companies, protects the people of Alberta from unwise investments, approves debentures and regulates the financial activities of local governments. In regard to milk control, the Board computes the average cost of production, audits dairy plants and determines price charges for the consumer.

# Life Membership Is Conferred At Legion Meeting, Mannville

MANNVILLE. — Highlight of the annual meeting of the Mannville - Minburn Branch of the Canadian Legion was the presentation of a life membership certificate and badge to W. R. Jackson by President R. G. Rudd. Comrade Jackson is the oldest of the Charter members of Branch No. 33 living in the district.

Election of officers resulted in the following being placed in office:

President — R. G. Rudd
Vice-Pres. — L. S. Cotter
Sec.-Treas. — C. L. Blackford

Members of Executive — D. M. Hughes, H. Milburn, G. Watling, M. A. Smith, R. L. Boe, W. N. Crooks and R. E. White.

Other branch activities were held earlier in December which included a Christmas party for the children of ex-servicemen in the district. An impromptu program was staged featuring the kiddies present who wished to perform. As promised at 8:30 Santa appeared and distributed treats to the youngsters. A singsong of carols followed Santa's departure.

A cocktail party was held Dec 23rd with Legion members each inviting another couple. Les Kreiler gathered a few musicians together and provided music for dancing. The draw for the Xmas hampers was made at 11:30, the lucky winners being Ross Blair of Edmonton, W. E. Mercer and J. H. Baldwin.

On Dec. 28 a midnight frolic was held with the Melody Bells supplying the music. A good crowd was on hand and all enjoyed one of the best dances of the season.

The annual meeting on Dec. 30 rounded out a very successful Legion year which saw the membership reach an all time high and it is the intention to increase this membership in 1955.

# Wildmere Winks

The mail man came along last week before we were able to finish telling about the Xmas concerts. The third one we attended was presented by Mrs. Wilson and pupils of Thorncliffe school. It was good even though the children are very small. Santa found a well ladened tree with eager children looking for him.

Here is another late item but one we could not pass without commenting on. On Dec 22 Rev Ford and the Vermilion choir held a Carol service at the home of Mr. and Mrs. Frank Gibson of Basswood. There was a nice attendance and everyone truly enjoyed the service and the nice singing by the choir. A tasty lunch was served afterwards. Rev. Ford will soon be leaving Vermilion but he and Mrs. Ford take along a host of best wishes from the many friends they have made in the country as well as in town.

Our district as well as many others was saddened on Friday when word came that Mr Arthur Clark had passed away in Lloydminster hospital from pneumonia. Mr. Clark had been a councillor of Vermilion River M.D. for a number of years and the past two had acted as Reeve. He also was on the School Division board. He was a fine man and will be greatly missed by the Council and by his many friends and neighbors. To his sorrowing wife who has been sick for a number of years herself, and who depended so much on her husband, we extend our deepest sympathy, also to his brother John of Paradise Valley and other relatives in their hour of sorrow.

We are pleased to say the little Ross boy, son of Mr. and Mrs. Alex Ross, is now out of hospital after being burned in the face by a gasoline lamp exploding. He was lighting it at his grandmother's on New Year's day.

J. Walington bought a fat cow for beef from W. Isley of Woodvale. He and Cliff Cruthers did the butchering and shared the meat between them. It is lovely meat Wes.

A nice time was enjoyed at the Gay 90's New Year's dance. A nice crowd attended and lots of noise welcomed in the New Year. Mr. Thompson the M.C. really mixed up the crowd sometimes and that's what everyone enjoys. We all missed Faye — hope she thinks of us back here too.

Margaret Whitlock is home from Vermilion high school this week ill with the mumps. Speedy recovery to you Margaret.

Five of Albert Smith's family of Basswood have been sick with the chicken pox but all are now feeling better and starting back to school again.

We had nice chats on Saturday with Mrs. Rock Mead, Mrs. Moore, Mrs. G. Dibben, Mrs. Alex Ross and the writer's brother Laurence Graham.

# NEWS from ALLANDALE

Certainly no complaints about the weather. Our first below zero temperature was on Xmas eve. The coldest at time of writing was on Dec. 28, 30 below. January so far has been wonderful.

Just before Christmas the Idelore Nelsons traded their car in for a straight 6 light blue and cream top 55 model chevrolet. Ort Strome's have a new '54 Ford custom line, cream color with a blue top.

The Allandale concert held at the school on Dec. 22 was very well attended. The teacher Mrs. Green from town and pupils are to be congratulated on their splendid concert, considering the time spent and the number of pupils, only ten this term. Santa arrived and had a large number of gifts to distribute for the pupils and older folk.

Mr. and Mrs. Louis Baldock and Glen motored to Saskatoon on Dec. 24 to spend Xmas with the latter's sister Mr. and Mrs. Broadfoot. They returned home the following Monday morning.

Mr. and Mrs. Idelore Nelson and family spent Christmas at Mrs. Nelson's parents' home at Ferguson Flats.

On Dec. 26 Mr. and Mrs. Herb McPhee attended the golden wedding anniversary of Mr. and Mrs. Simmons, south of Islay. May you have many more years of happiness and good health together.

The evening of Dec. 28th Ralph Strome's house caught on fire from a spark from the chimney causing damage to the roof. There was a terrific wind and storm that night but with the phones in no time at all there was a lot of help. The 26 line however wasn't working very well. It seems customary for a fire alarm to give one long ring, at times 26 line doesn't give too good a service and we are apt to ring 'fire' at any time trying to get central.

Mr and Mrs. Mayers and Allen Ronaghan motored to Elk Point on Dec. 28 to visit Stella's sister Mrs Gertie Swanson. Mrs. Swanson had most of her family home the Sunday after Christmas.

Mrs. Wm. Armstrong, Mrs. Allen Ronaghan and Mrs. Jimmy Martin were in the hospital during the holidays. All are home again now and feeling better.

Rev. MacKay held a service in Clandonald on Jan. 2. He gave a very good New Year's message, taken from Matt 4:38-44. If we would only abide by that through the years! There will be no services at Allandale this winter. Services will be at Clandonald every two weeks, next one Jan. 16 at 3 p.m. Let's put church first on our list of activities.

Eddie Throndson accompanied by Tom Souder of the city were among the many fishermen on Lake Wabamum commencing Dec. 28. The weather wasn't so favorable but catches were good and quite satisfactory.

Mr and Mrs. M. Broadfoot from Saskatoon, Mr. and Mrs. Tommy Greaves and family from the city, Mr. and Mrs. W. Hogabeam from Derwent spent New Year's at the Baldock home.

Mr. and Mrs. Bev Baldock from town and Jerry Brass and Miss Merle Lock from the city visited the Baldocks on the Sunday after New Year's.

On the evening of Jan. 2 Mr. and Mrs. Wm. Mayers left for Minnesota. Johnny Nelson took them to Wainwright to leave on the midnight train. They plan on spending the winter in the States visiting friends and relatives at Leitchfield, Grand Rapids and Ada. We wish them a happy holiday.

It was a pleasant evening on Jan. 7 when the community gathered at the school to honor the newlyweds Mr. and Mrs. Bill Wells who are at the Jack Cross farm. After euchre in which prizes were won by Hilda Cross, Myrna McPhee, Glen Baldock and Leonard McPhee, lunch was served and then two chrome chairs and other gifts and a small purse were presented to Dorothy and Bill by Orley Omness on behalf of the community. The happy couple thanked their friends for their kindness and extended a welcome for all to visit them.

On Jan. 10 Mr. and Mrs. Jack Cross left for a trip to the U. S. Some of the agenda — attending the bull sale at Denver, Col., and visiting relatives in Wyoming. Mrs. John Arnold is keeping the home fires burning while they are away.

Closing Thought: "Do unto others as you would that they should do unto you".

LIBRARY TO CLOSE 6 P.M. ON SATURDAYS

During the winter months the Vermilion Public library will close at 6 p.m. each Saturday, instead of 9 p.m. 28-9x

# Wildmere Beavers Meet

The Wildmere Beavers met at the home of Mrs. Martin on Jan. 8th. The meeting opened in the usual manner, followed by the reading of the minutes of the previous meeting. Roll call received varied answers on "The Xmas Present I Liked Best". The treasurer gave her report on income and expenses since the last meeting.

Janet Cruthers gave a very interesting report on Education. The social was a car contest by Doreen Moore.

Next meeting will be held at the home of Janet Cruthers on Feb. 12. Roll call is to be an exchange of home-made Valentines. Mary, Sylvia and Ruby are in charge of the lunch.

# Tips on Touring

By Carol Lane

Women's Travel Authority

The car and camera are our most popular tools for winter "sports". No other season enables you to record pleasures of your family and friends, neighborhood or trip with such dramatic contrasts.

In the winter months of clear air and white fields there is a picture scene everywhere you drive. Here are some tips for capturing and keeping those winter scenes.

Increase the scope of your winter camera work with a lens hood. It fits any type of camera and enables you to take advantage of subtle back or side-lighting of snow scenes that show off the flaky grain and textures of the snowy surface. To prevent the shadows of trees, building or frosty noses from going so black that all detail is lost, allow one-half to one full stop extra exposure.

"Framing" the landscape by aiming the camera between snow laden trees or the branches of a twisted pine can give the picture a three-dimensional effect.

Many a day's picture taking pleasure has been ruined by improper handling of the camera or film. Stray snow flakes should be wiped off the camera as soon as possible. Film, which is apt to stiffen in cold weather, should be wound slowly to avoid tearing or creating static electricity that may spot the negative. Have exposed loaded camera off radiators or film processed as soon as possible thereafter. Heat can turn all your wonderful snow scenes into 'slush'. When you get home, keep the

*(CLIP AND SAVE)*

# Officers Elected by Dewberry W. A.

The Dewberry Ladies' Aid held their annual meeting at the home of Mrs. F. Braithwaite recently. The meeting opened with the singing of a hymn followed by the Lord's Prayer.

Mrs. Ewen read a passage from the Bible. Mrs. Craig read from the Upper Room, leaving us this message: "Who . . . is willing to consecrate his service this day unto the Lord?"

The meeting was then open for renewed memberships. There are three lifetime members, namely Mrs. E. Brett, Mrs. S. Websdale, and Mrs. W. Porter.

Election of officers resulted as follows: President, Mrs. F. Braithwaite. Vice-President, Mrs. H. Hornigold; Secretary, Mrs. G. Finney; Treasurer, Mrs. J. Porter; Sunshine Lady, Mrs. D. Munroe; Bazaar Convener, Mrs. E. Brett; Press Correspondent, Mrs. N. E. Jones.

The Travelling Basket, Sunshine Box and Birthday Box were counted. Motion made by Mrs. Hornigold that same be added to the building fund. This was seconded by Mrs. Porter.

Discussion centred on the year's activities. A few of the highlights were decided on. In January it is hoped to have Mrs. Batty and her group from Kitscoty. In February there will be a Silver Tea. The Canadian Utilities will send an economist out to demonstrate "freezers" at this tea.

Motion was made to omit the July meeting.

A chicken supper is planned in the fall. No motion was made regarding the Easter Tea but it is as traditional as the yearly clean-up day at the church.

Mrs. S. Websdale was missed at this meeting. She and her husband are visiting relatives and friends in B. C. It is hoped that Mrs. Websdale recovered from her fall and is able to enjoy the holiday.

The Christmas letter from the Haythornes was read. They have moved from Blairmore to 254 Moss St., Victoria, B.C. Every success is wished them in their new charge.

The Travelling Basket will be sent on its way again. The Birthday Box is to be carried on.

The president gave a vote of thanks to the retiring secretary.

Mrs. Brett will have the February meeting. Any lady wishing to help in service to the church will be most welcome. "Many hands make light work."

The meeting closed with the benediction and following this "Happy Birthday" was sung to the birthday member of the month.

The hostess, assisted by her sister-in-law Mrs. W. Braithwaite, served a delicious lunch. This closed an afternoon of good fellowship.

## Vermilion Rink At Viking TV 'Spiel

A Vermilion rink composed of Skip Aldous Kent, Gordon Park, Newt Cooper and Martin Shalka are curling in the TV bonspiel at Viking this week. The curling fiesta commenced Thursday.

W. I.

OTTAWA R. E. A.

Ottawa Rural Electrification Association will hold the annual meeting on Saturday, Jan. 15 at 2 p.m. in the Legion hall Vermilion. Everybody interested please attend. 27-8c

The Canadian National Railways reports increases in shipments of ores and concentrates, crude oil, woodpulp, newsprint and cement during the past year.

New railway construction by the Canadian National now in progress includes a 170-mile line between Beattyville and Chibougamau in Quebec and a 27-mile line from Hillsport to Lake Manitouwadge in Ontario. The 40-mile line to serve the aluminum development of Kitimat in B.C. is nearing completion.

*Subscribers are urgently asked to check their subscription dates as shown on their Standard labels.*

## Mannville Old Timer Dies At 94

MANNVILLE — Word was received on Monday of the death of a well known old timer of Mannville, Mr. Peter Gilchrist, at the age of 94. Mr. Gilchrist passed away at Burnaby, B.C. where he has lived with his daughters, Mrs. Tunnis Smith and Mrs. Jean Wilson, since he left Mannville in 1941.

Mr. Gilchrist moved to [illegible] from Ontario before the Riel Rebellion. He came to Mannville about 1914 and was the agent for Cockshutt machinery here for many years. He operated the hog ranch now owned by R. Legg and W. Chrysler for several years before moving to B. C. Mr. Gilchrist was well known for his cheery whistle at all times.

## NEWS OF THE DISTRICT

# "Hobo Teas" Planned by Islay W. A.

Today, Tuesday, the school flag is at half mast for Mrs. Coombe, who passed away last evening in Vermilion hospital. Sympathy goes to those who mourn her passing . . . another pioneer of the Islay district.

Doesn't look natural! No, sir, to see Mr. McNeely delivering a truck load of fat pigs at the stock yards. Just can't get used to not seeing the good old dray horses and Jack on the Islay streets. But Jack has taken to farming.

Curling? Sure, it finally got under way. And we see some farmers scurrying to the rink, practising for the Farmers' Bonspiel in Vermilion. That is just one of the 'spiels you mustn't do without.

Bill Purves hardly finishes the chores and just pops into town in that big Plymouth. Seems Mr. Purves likes that word Plymouth; he also raises some excellent Plymouth Rock poultry. We saw some very fine finished dressed roasters of his —beautiful birds they are.

Bad colds are on the go. Mrs. Violet Schaffer finally had to give in. Mr. Dave Martin is also confined to the house. Bob Oram goes to haul the feed and other heavy chores.

The high school elimination playoff for curling (Taylor & Pearson) will be held at the Islay curling rink Jan. 22nd, when Islay, Vermilion, Kitscoty and Paradise Valley will participate. We hope for a fine day.

The January meeting of the United church W.A. was held at the home of Mrs. Bill Shaw. A good attendance, for it was a lovely day. Mrs. I. D. Inman led the devotional section. The program for the year was drawn up and other business gone through. All are waiting for our woollens to come from Fairfield's and then we can send a box of clothing to Korea, as we have quite a pile on hand. However, if anyone has useful articles of clothing, bring them along: there is a great need over there.

Oh, yes, the W.A. says we will have some 'Hobo Teas' this year — may start them any time. Anyone may have a group of women, likely a car load, call on you any day. Each woman must go just as she is when called for — no dressing up or you'll be fined— and the hostess to be just as she is found, too. The tea will be just what happens to be in the house. The driver of the car collects the money and it is handed to the W.A treasurer. We look for some fun and happy afternoons.

Mr. Albert Anderson returned home this past week end after visiting his brothers at Roland and Virden, in Manitoba.

Walter McCaughan and his boys' hockey team have been having a few work-outs. Hope to see some games soon.

Often notice Jack Carey driving into town, the dog in the back seat of the car. Though Jack misses some of the family, he and Bruce McLennan are doing fine while Mrs. Carey and Norman are away.

A speedy recovery is wished Mrs. Alf Jones who met with a serious accident and is now in the Islay hospital; and to Mrs. Bill Hanna and Mrs. Russell Buchanan who are also in the hospital.

Kenny Gunn and Lila Waterfield spent the Christmas week in Saskatoon, guests of Dr. and Mrs. Brad Gunn.

Joe Waterfield returned to the University Sunday after spending the Christmas holidays at the home of his parents, Mr. and Mrs. H. Waterfield.

Vera and Lyle Anson, Mary and Emerson, report a very happy hunting holiday west of Edson.

The party at Kenilworth school held last Wednesday evening for the district kiddies proved to be a happy gathering for young and old alike.

Mr. and Mrs. Jack Marfleet of Vermilion, announce the engagement of their eldest daughter Ruth Marilyn, to Mr. Frederick William Krause, only son of Mr. and Mrs. William Krause, also of Vermilion. The wedding will take place in the First United church, Vermilion, on Saturday January 22nd at 7:30 o'clock in the evening. The reception will be held immediately following in the church parlor. All friends and relatives please accept this as an invitation.

Mrs. Jack McLeod of Weston, Ont., and Mrs. Roy Hess of Bolton, Ont., are guests at the home of their uncle and aunt Mr. and Mrs. George Lyons. This is the first trip west for Mrs. McLeod and Mrs. Hess and they came to attend the wedding of their cousin Gwen Lyons.

Mr. and Mrs. Carl Thomaser, although having left Vermilion quite a number of years ago, are still very much interested in Vermilion and its people. They wish all old friends here a happy and prosperous New Year.

Mrs. E. Rooks was a visitor to Lamont on Saturday to see her niece Betty Lou Rooks of Marwayne receive her nurse's cap.

Mr. and Mrs. Albert Keast and John of Stettler were visitors at the home of Mr. and Mrs. E. Rooks for Christmas and New Year's.

Brian Callaghan, son of Mr. and Mrs. Pat Calaghan, who is presently home on furlough, has recently returned from 13 months in the far east on board HMCS Cayuga. Some of the ports contacted were Hong Kong, Tokyo, Okinawa, Inchone, Guam and Pearl Harbor.

Mr. and Mrs. Ted Miller of Lethbridge and formerly of Vermilion, renewed acquaintances at Vegreville over the Xmas season, according to a local note in the Vegreville Observer.

Mr. and Mrs. Wm. McIntyre and Mary Ellen attended the capping ceremonies at Lamont hospital on Saturday evening when their eldest daughter Audrey received her cap.

Mr. and Mrs. Bert Scarfe of Okanagan Falls, B.C., arrived before Christmas to spend the festive season at the home of their daughter Mrs. Bill Hall. Mr Scarfe has returned to their home while Mrs. Scarfe is enjoying a longer visit and renewing old acquaintances.

Miss Audrey McIntyre, nurse-in-training at Lamont hospital spent a few days at her home recently.

Clarke Wilson is presently holidaying in Vancouver, visiting his son and daughter-in-law Mr and Mrs. Gordon Wilson. Apparently there is quite a variety in the weather, not too cold, foggy, some sunshine, it rains and there is a light frost at times.

Visitors at the Hall home north of Vermilion over Xmas were Mrs. Irene Gloyne (nee Hall) and her two sons, and her brother Mr Knute Colbeck, all of Harlem, Montana.

Mr. and Mrs. Wm. R. Sinclair and two sons from Calgary spent the week from Christmas to New Years visiting at the home of Mrs. Sinclair's parents Mr. and Mrs. A. E. Kaiser. Mr and Mrs. Sinclair leave Jan. 16th by plane for Dallas, Texas, where they will spend some time on company business.

Mrs. Joe Vert (nee Florence Thompson) of Three Hills, Alta., spent ten days during the Xmas vacation at the family home here, Mr and Mrs. T. Thompson. Joe joined her Christmas eve for three days, leaving to return to Three Hills Monday afternoon. He is employed in the print shop and electrical press at the Prairie Bible Institute in Three Hills.

W. I.
The regular meeting of the W.I. will be held on Monday Jan. 17 in the Legion hall as a pot luck supper at 6:30 p.m. 28

-who passed away Jan. 19, 1953.
"There is a link death cannot sever
Love and remembrance last forever."
Ever remembered by Florence and Frank.

*APPRECIATION*
The Rebekah Lodge wish to thank everyone who supported the draw for the doll house. The winner was Lois Downey of Vermilion. Bonnie Proudfoot drew the winning ticket from the basket. 28

## Mannville & District LOCALS

Curling is the news of the day. Last Wednesday men commenced curling for the season. A general meeting was held and a joint bonspiel with Minburn and Innisfree was discussed. It was decided to join with these two curling clubs but the date has not been set yet.

The ladies curled on Saturday night with a President vs. a Vice-President competition with the Vice-President's side victorious. The ladies enjoyed lunch at Linda's Coffee shop after curling.

Miss E. Ricken has joined the nursing staff of the Mannville hospital.

Of interest to Mannville and district will be the news of the birth of a son to Mr. and Mrs. S. Arnett (nee Doris McFadden) of Viking on Jan. 9.

Mrs. E. Poliakiwsky of Mannville is now on the nursing staff of the Myrnam hospital.

Mr. John Schock has been ill for more than a week and is now in the local hospital. His son Adolphe Schock is delivering the mail during his father's illness. Also in the hospital is Mr. F. C. McPhee. Both are reported as progressing favorably.

Rev. R. Clennett who has been taking two services at Mannville as well as looking after his own parish at Clandonald is in the Col. Mewburn hospital, Edmonton, having undergone an operation. He is reported progressing favorably and should be out sometime next week.

## Investing In Canada

A new flood of European capital seeking safe and profitable investments on this side of the Atlantic is in the ready to move stage, reports The Financial Post.

An estimated $200 millions in capital has already filtered into Canada since the war. A lot more is now under way.

The flow of this 'new' money through Switzerland continues. But now it's being strengthened by switch deals through Tangiers, Casablanca, Montevideo and Lima which will eventually deposit millions of dollars in Canada.

## Pleasant Valley

It is a little colder today but the sun is shining and roads are still good. There is lots of visiting going on.

On Sunday Betty Lloyd, the Moore family and Albert Dupruit were visitors at the home of the writer. Laurence Gould and family were supper guests at Mrs. Gillies. It was David's birthday also. Let's see now — how old? well not quite old enough for the [illegible].

The Reid family were supper guests on Saturday night of Mr and Mrs Gordon Gould. Mr and Mrs Christie Clark journeyed to Lila's for supper Thursday night.

Last Sunday the writer and husband Doreen and family were dinner guests at the home of Mr and Mrs Shaw. Such a delicious turkey dinner!

Word has just been received that Mrs. Nellie Coombe has passed away.

Further donations to the Cancer fund in memory of the late George Shepherd have been received as follow: Mr and Mrs. Wm. Dwyer; Mr. and Mrs. E. Jones, Mr and Mrs. James E. Miller and Jimmie, Mr and Mrs J. B. Mix; Mr and Mrs. V Dedelly, Mr. and Mrs. A. S. Morrison and family.

Clifford Shepherd left on Wednesday for his home at Whitehorse after visiting his mother Mrs. Geo. Shepherd for two weeks.

New passenger equipment placed in service last year by the Canadian National Railways, if coupled together into one train, would stretch for nearly six miles.

**Are Modern Prescription Prices High?**

Many people think so, but such is not the case. Below are five reasons as to why, in reality, prescription prices are low:

1. They are so effective.
2. They help you get well quicker.
3. They reduce the total cost of illness.
4. They help you live longer.
5. They are products of modern research and production methods.

True, years ago your prescription cost only a dollar, but it may have been a dollar wasted.

## Nurses' Assoc. Plan Burns' Night Dance

The Vermilion Graduate Nurses' Association plan to hold a Burns' Night dance in the Elks Hall, Vermilion on Robbie Burns' birthday, Jan. 25th. The whole countryside is invited and a very entertaining program of dances is being arranged.

If you are canny you will buy a ticket well in advance. If you do you will save 25c per ticket, paying only 50c, whereas if you pay at the door it will cost you 75c to enter. However, you will be given plenty of opportunity to purchase your ticket at 50c. Plan to attend this Burns' Nicht dance — you will enjoy it! 27-9c

HOME BAKING SALE

The Cub and Scout Mothers' Association is holding a sale of home baking in the Mayfair building on Saturday Jan. 15 from 3 to 5 p.m. 26-9c

At Vermilion Arena Tuesday, January 18th

## Big Canadian Ice Show Breaking All Attendance Records

Canada's largest and finest ice spectacle has ben breaking all attendance records throughout Western Canada on its Third annual tour. Many of the arenas have found it necessary to place additional seating on the ice in order to increase accommodation.

The all new Third annual edition of the Canadian Ice Fantasy of '55 is featuring sparkling new family entertainment, the 20 top songs from the hit parade, and a host of new stars including 44 top skaters from Canada and the States plus eight big new production numbers, makes this year's Ice Fantasy a show of which all Canada can be proud.

Among the 24 thrill packed acts the feature number "Three Coins in the Fountain' highlights the popular new motion picture song hit. Vivid costuming, delightful music and inspired performers create a never to be forgotten action-packed symphony of color and movement.

"Hot enough for a sun burn" is torrid, tantalizing "Gypsy Dance Festival" where the orchestra blends a rhythmatic background tempo to bewitching interpretations of featured soloist, lovely Miss Lorrie Perkins.

Riotous comedy is the order of the day when comedians Yano, Closin and Shurr appear in the zaniest, most original hilarious antics of the entire year.

Every adult is a child at heart and every child will thrill to the fantasy of "Little Red Riding Hood and Peter the Big Bad Wolf" and the 30 gaily costumed animals from the wooded forest.

Is it any wonder that Canadian Ice Fantasy of 55 is being acclaimed as Canada's most dazzling ice spectacle. The whole family will love it, so plan now to attend.

Advance tickets are on sale at Macleods, Simonsen's, Long's and the Vermilion Locker plant.

## F.U.A. Membership Passes 50,000 Mark

EDMONTON. — The Farmers' Union of Alberta announced Monday that with nearly 75% of its field organizers (formen and crew) having reported results, the membership had passed the 50,000 mark.

Campaign director W. D. Summers, who returned last week to direct "mop-up" operations (designed to insure the Provincial farm body reaching its announced objective of 51%), expressed the opinion that the membership would level off around 60,000.

That would mean, he explained, that 36,000 heads of farm families had 'joined'. "This figure would be only a couple of thousand short of our target for a clear majority. It might well mean an intensive job to obtain the extra memberships. The last 1000-foot climb up the mountain is always the hardest. And so are the last 1000 members the hardest to enroll" he [illegible].

A blueprint to concentrate every available farm union worker in an intensive campaign has been prepared, it was learned. The plans call for the holding of 60 subdistrict conventions within a three week period in February.

Areas and locals failing to report by Feb 10 will be given top priority attention, FUA officials stated. Surprise of the campaign came when the Peace River Block in B.C. claimed to have almost doubled its highest previous membership.

## Dewberry Ladies' 'Spiel Jan. 26 & 27

The Dewberry Ladies open bonspiel will be held Jan. 26 and 27. All ladies who have ever played in this popular event will want to compete again. Entries should be sent to Iris Hodgson, Secretary of the Dewberry Ladies Club, Dewberry. 27-8

## NEWS from Clandonald

Nearly at the half way mark in January and still no prolonged cold weather. Fortunately the night of the high wind there was practically no snow otherwise most side roads would now be impassable.

A sure sign of the season — curling, got away to a start on Sunday with the staging of a local bonspiel. It seems altogether likely with times being not quite so prosperous that there will not be as many larger spiels as has been the case in former years. If a stranger arriving in town during the next week or so is struck by the number of crippled inhabitants it will be explained by the fact that it is those unused muscles rebelling at the sudden amount of unusual exercise caused by the starting of this very popular winter pastime.

It was certainly a welcome sight when the Dewberry news once more appeared in a recent issue of the Standard. They were greatly missed during the past ten months or so by one reader at least and we certainly hope that the correspondent will do his utmost to see that such a thing does not occur again.

A line from the Hagen family at Blackfalds also complains at the lack of Clandonald news at times. Had we known that we were being missed we would have tried to do better even if we have to use our imagination.

The holiday season saw the usual number of district visitors and family gatherings. Among those who were noticed were Mr. and Mrs. Dick Goad's daughter and son-in-law Mr. and Mrs. Joe Conlin; Arthur Rowntree Jr. from the R.C.A.F base at Cold Lake; Maurice Mazyk now working for the Beaver Lumber in a town south west of Edmonton; Cliff Stockwell from Edmonton; Mr and Mrs. Fritz Brockman and infant daughter from Dinant and Mrs. Maguire's youngest daughter and her husband from down Castor way.

Several 1955 cars have already made their appearance in this district. One of the latest is a V-8 Chevrolet belonging to Ignace Frey of the St Andrews community. Also driving something a little better than previously are Hugh Logan, Henry Schneider, Don Goad, and Ed Stockwell with an oversize Volkswaggen.

Sorry to have to report that our minister the Rev. R. Clennet is at present unable to carry on the work of the parish due to temporary ill health. He left to enter an Edmonton hospital early in the New Year but treated the whole affair very lightly and expects to be back on the job shortly after the middle of the month.

Tuesday night several local residents attended the regular Riverton F.U.A. meeting, among them being Alistaire Lawrence the new president of this local. A very enjoyable evening was spent which finished up with a program of films shown by Norman Mathison, and provided by the N.F.B. It is to be hoped more of these visits can be arranged as they prove very educational as well as entertaining.

Not long ago while visiting a well known farmer not far away we were invited to inspect the pigs at 12 midnight. To see over 50 thriving young pigs from five sows in the middle of January is a striking example of what can be accomplished with good buildings, good management and the aid of infra-red light bulbs. Incidently one litter arrived the night the wind blew about 50 mph and the temperature dropped 40 to 50 degrees in a short time.

Plans seem to be well underway for the new Ukrainian Catholic church which it is understood will be located between the Orange hall and the house formerly owned by R. Currie. At present it is not understood whether a new building is to be erected or one will be moved in. A bingo party is being held toward the end of the month by the church members and tickets are also being sold for some valuable prizes which will be drawn for at that time.

Sympathy of friends here goes to the Coulter family of Vermilion in their recent sad bereavement. Mrs. Coulter passed away Jan. 29 in the Vermilion hospital following a lengthy illness.

## Chefs Build Model Of Macdonald Hotel

EDMONTON. — A four-foot high model of the C.N.R.'s Macdonald hotel, Edmonton, containing 200 pounds of icing sugar and one and a half gallons of egg white was made by three of the hotel's chefs.

The attractive model which Chef William Schmidts, assistant pastry cook Tadeusz Konikl and pastry cook Walter [illegible] built during their spare time, was placed on display in the hotel lobby.

*Check that date label on your Standard today!*

**CANADA'S LARGEST ICE SHOW**

**Dazzling Lorrie Perkins headlines the "Parade of Stars" for Canadian Ice Fantasy of '55 coming to the Vermilion Arena on Tuesday, January 18th.**

First Canadian girl ever to star in Canada's largest and most magnificent Ice Spectacle, lovely Miss Perkins' featured performances will thrill and amaze every member of the family. Lorrie's scintillating "Blues" interpretation is one of the 24 big thrill-packed Acts, all new in this year's sensational Show.

Among the production numbers are *"Three Coins in the Fountain," "Gypsy Dance Festival," "Cowboys and Comedians."* There is a special Fairytale version for the Kiddies. *"Little Red Riding Hood and Peter the Big Bad Wolf,"* and all the delightful animals from The Enchanted Forest. Don't miss this lavishly costumed "Show of the Year"!

Mr. and Mrs. Walter Arnold and daughter of Edmonton and Mr. Roy Arnold were Christmas visitors with relatives here.

# Of Many Things . . .

By [illegible]

[illegible]

Today I had an unusual experience. I spent the morning interviewing a big-time movie star; and part of the afternoon doing the same thing with one of Canada's leading industrialists. I found many similarities, and one remarkable difference.

Both had worked hard to earn their reputation. The movie star told me how she had once, at the beginning of her career, taken singing lessons from the same coach as Margaret Whiting. She said that Margaret, who has now hit the big time with a bang, had a very hard row to hoe, because her father was such a success in the music-writing field. Margaret had to work twice as hard as others, because she was always afraid of letting her father down, and because others expected so much of her.

Movie stars, I gathered, are much different in reality from what the press agents say about them. They are very human. They have all sorts of anxieties. Fan mail means almost everything to them, for if the housewives across the country don't write them letters, they don't hold their contracts very long.

The business tycoon also talked about the housewives. He said they really run his business. If he fails to meet their requirements, the product doesn't move off the shelves and he gets fired. A letter of complaint, from some irate housewife, gets more attention than a complaint from one of the company's shareholders. Likewise a letter of appreciation is a high spot in his day.

I was impressed by the similarity in the biographies of these two people. Both had worked hard. Both had known many disappointments and set-backs, but had kept on because of some implicit faith that it was in their stars to succeed. But I was more impressed by the difference.

The movie star told me her press agent always liked to work into the story the fact that she makes more than $9000 a week. He claimed it made the public respect her more.

The tycoon, on the other hand, didn't want to mention his earnings. He was in the upper brackets, somewhere in the neighborhood of $25,000 per year, but he preferred not to talk about it. He said, rather plaintively, "For some reason or other, a lot of people don't like to see a business man rewarded for his years of work. I can't quite understand it, but I know it's true."

I wonder why that is? The movie star merely entertains us, and we reward her gladly with a fabulous fortune. The business leader provides us with such wonders as television, automobiles, air-conditioning, vacuum cleaners and such useful gadgets, and yet we begrudge him his relatively small rewards. It's a queer world! I think some of us ned to take another look at our sense of values. But not me. I've got a free ticket to see my movie star entertain at a local theatre tonight.

*QUICK CANADIAN QUIZ*

1 Name the six Great Lakes.
2. Of Canada's 15 million people how many are 16 years of age and under?
3. Which province leads in annual coal production?
4. Is the number of Canadians now employed in manufacturing greater or less than in 1939?
5. What government agency controls all television broadcasting in Canada?

ANSWERS: 5, The CBC; 3, Alberta leads in volume of coal production, Nova Scotia in value of production; 1, Lake Superior, Michigan, Huron, St. Clair, Erie, Ontario; 4, Manufacturing now employs more than twice as many Canadians as in 1939, is chief source of livelihood of Canadians; 2, Nearly 5 million.

# Health Unit Notes

MEASLES

This is still a common disease amongst children and parents should be able to recognize the early symptoms so that they can isolate the child and put other children in the family in quarantine if necessary.

SYMPTOMS

The child has a fever and is irritable and may vomit. Sneezing, a dry cough, watery red eyes, and a running nose are followed on the fourth day by the appearance of the rash. This rash is blotchy red and covers the whole surface of the body and last three or four days.

Red Measles can be distinguished from German Measles by the rash which in the latter case appears on the first day of the illness. Also in German Measles the glands behind the ears and at back of the neck are swollen.

Red Measles is quite a severe illness and the child should be protected from draughts, kept in bed in a well ventilated room. The room sroule be darkened while the child's eyes are inflammed. A light diet with plenty of fluids should be given and care taken that the bowels act regularly.

ISOLATION AND QUARANTINE

A child with measles must be isolated for 10 days and should not return to school until fully recovered. If there is not a complete recovery after two weeks a doctor should be consulted.

All children in the household who have not had measles must be quarantined for two weeks and this means not going to school and NOT playing with children who have not had measles.

NOTIFICATION

The law requires that measles be notified to the doctor or Health Unit.

MUMPS

This disease has been very prevalent this fall and early recognition and rigid isolation are the only ways to prevent its further spread.

SYMPTOMS

As in most other infections the first signs of illness are irritableness in the child, lack of energy and a desire to sleep. The child may or may not complain of a sore throat. The swelling soon appears in front and below the ear on one or both sides and chewing is usually painful.

TREATMENT

Keep the child in bed and give plenty of bland drinks avoiding things too acid and too hot. The child may get up when the swelling subsides but should not return to school for at least a week and only then if perfectly well. Adults as well as other children who have not had mumps should be kept away from the patient but they need not be quarantined.

Complications in this disease are swelling and inflammation of the ovaries or testes which may cause sterility in later life but this can be avoided if the patient is kept at rest in the acute stage of the illness and adequate convalescence is allowed before return to active life.

BABY & PRE-SCHOOL CLINICS

Monday, Jan. 17 — Legion hall, Vermilion 2 to 4 p.m.

Tuesday, Jan. 18 — Ranfurly hotel 10 to 12 noon

Tuesday, Jan. 18 — Innisfree clinic 2 to 3:30 p.m.

Friday Jan. 21 — Mannville school 11 to 12 noon.

Friday Jan 21 Minburn school 2 to 3 p.m.

---

including frosting cakes!

The Red Cross auxiliary met at the home of Mrs. Ray McQuid on Jan. 5 and worked another quilt. It is to go to a recent fire victim. As always it was a pleasant gathering with friendly talk while busy at work. A letter from a former neighbor, Fia Haan, now Mrs. Bill Stark of Rosebud, was circulated with a wedding picture of her taken last Aug. 25th.

Christmas usually brings news from old friends that way.

The next Red Cross meeting will be held at the home of Mrs. F. Van Wageningen on Feb. 2.

Tommy Lysons has left with Eric Nelson for Marlborough west of Edson to work in the bush. He got a very black eye just before Xmas when a chain slipped and cut his face, requiring several stitches.

Rolf and Daan Eggenberger are new pupils at the school. They arrived just before Christmas from Holland with their parents who are at present in Calgary, while they are staying with the writer.

We just heard the sad news of the death of Mr. Fred Long in Vancouver, an old timer of Vermilion, well known and liked there and in the surrounding communities. Our sincere sympathy goes to his wife and family.

# WOODVALE NOTES

It is hard to realize that at time of writing we are well into January. Xmas 1954 over and two weeks behind us. There was a pleasant school party on the 23rd in the gaily decorated room, the happy children, the jolly Santa Claus and piles and piles of gifts and finally a lovely lunch. An afternoon much enjoyed by all there.

Christmas day found many homes full of friends and children from far and near. It brought to the Goutier family except for one son, all the children and grandchildren home, including a new grand daughter born in August. Mrs. Watson also had her whole family with her that day and there must of course, have been many others home for the holiday.

Mr and Mrs. T. Preston went to Edmonton to spend the week with their daughter Mrs. Bob Warren.

A few were unfortunate enough to be in the hospital. Among them were Bert Portsmith who has since come home, and Mr W Machell who is still in Islay hospital.

Little Mary Isley got her face cut by falling glass the day before Christmas, requiring 4 stitches and then early in the new year she came down with chicken pox. Apparently some other kiddies in the district also came down with it at the same time.

Mrs Elsie Dixon formerly of the Hindville district, broke her hip a few weeks ago while staying with her daughter in Ontario.

We are sorry to hear that Mr Cecil King has to go to Edmonton to undergo an operation. Our sincere wishes that all our sick friends will soon find good health again in this new year.

Susan Wolters accompanied her grandmother Mrs. Curtis Wilson to High River.

Curling has commenced and the grand sport is well underway. Teams from Tolland are playing regularly in the league across the coulee. We never knew it, but the wives share in the fun by making sandwiches and cakes for lunch in turn, and if they are too busy with meetings of their own the men prove capable of doing that themselves.

Family excursion rates, put into effect by the Canadian National Railways last year, enable parents and children to travel together at considerably reduced cost.

*QUICK CANADIAN QUIZ*

1 In what year were the Canadian Houses of Parliament in Ottawa destroyed by fire?
2. In what year was "The National Policy", the policy of developing Canadian industry through tariff protection, originated?
3. Is agricultural production possible in the Yukon?
4. What animal accounts for for nine-tenths of Canada's fur farm production?
5 What one commodity accounts for a third of all the freight moved by the Canadian railways?

ANSWERS 5, wheat; 3 in the Yukon there is commercial market-gardening and there have been successful experiments in the production of poultry, cattle, hogs and spring grain; 1, 1916; 4, the mink; 2, 1878.

Friends of Eric Hawkins will be pleased to learn that he won a car in a bingo game in Edmonton recently

Congratulations and all good wishes to Gwen Lyons who will be married on Saturday Jan 8 to Mr Earle Swift of Lloydminster

The writer was pleased to have Mrs J Arnold and Mr and Mrs. B Wells visit on New Year's eve Mr and Mrs Hardy were supper guests Sunday at the Maggs home

## Grey Cup On Display In Macdonald Hotel

EDMONTON The Grey Cup, symbolic of Canadian football supremacy has been placed on display in the lobby of the C.N.R.'s Macdonald hotel, Edmonton. The trophy will remain on display in the hotel until January 30 to 31 inclusive.

## Sixteen Years Ago Today

*Jan. 16th, 1939*

W. J. Croisse retired from the C.N.R. after driving a locomotive for more than a million miles.

Mayor J W G Morrison will be a guest of honor at a luncheon to be tendered in Edmonton on Friday to attend the farewell being accorded the Hon. R. B. Bennett on the eve of his departure for England.

Frank Edward Cannon, well known pioneer farmer, passed away

Terms of Mayor Morrison and Crs W P Pilkie and Jack White expire this month. Continuing councillors are Dr Scott, E. M. Stewart and D. L. Kennedy.

Tom Dick was elected president of the Canadian Legion.

Another major fire was narrowly averted Wednesday last week when a determined band of fire fighters succeeded in dousing a blaze in the office and warehouse of the Alberta Western Lumber Co. The brigade fought the blaze in 30 below weather.

D. Taylor was installed as Exalted Ruler of the Vermilion Elks. The Islay Hospital board was composed of J. Givens, W. Urquhart and A. Wood and L. Brown.

## Thirty-two Years Ago Today

*Jan. 10, 1923*

The winners for the best essays on the history and development of term in office Continuing councillors are S. R. P. Cooper, W. R. Wyse and J. A. M. Crain. On the school board the terms of Chairman W. P. Pilkie and L. G. Dunlevy expire with the other members being W. S. Cash, M. G. Reid and Mrs. Robertson and H. P. Long.

Over 200 attended the New Year's eve ball in the Albert hall.

W. H. Duncan, while Mayor Morrison completes his second two-year term of office.

Continuing councillors are S. R. P. Cooper, W. R. Wyse and J. A. M. Crain. On the school board the terms of Chairman W. P. Pilkie and L. G. Dunlevy expire with the other members being W. S. Cash, M. G. Reid and Mrs. Robertson and H. P. Long.

Over 200 attended the New Year's eve ball in the Albert hall.

## NEWS from KITSCOTY

Mr and Mrs Alex Johnston and family spent several days last week visiting in Edmonton and Leduc

Mr Earl Franke and Mr. Mickey Bateman accompanied by a friend, are all from Fort Saskatchewan, spent a week end visiting with their parents and families.

Congratulations and best wishes for a long and happy married life are extended to Mr and Mrs Russell Burton (nee Marie Miles) who were married recently in Vermilion and are residing in the Kitscoty district.

Congratulations are extended to Mr and Mrs Ken Hyrytiw on the happy proud parents of a baby son, born in Jan 4 in Lloydminster hospital a million, $1 billion!

*QUICK CANADIAN QUIZ*

1. In what year did Alcock and Brown fly from Newfoundland to Ireland?

2 What is the total membership of the House of Commons?

3. Is the federal government receiving annually on social security taxes?

ANSWERS: 5. in recent years than. 3 12 billion: 1. 1919: 4. in re- foreign capital have been selling more than half a billion bun : us more than we have been selling 2. 385.

## SEED FOR 1955

Because of the widespread damage this season from both stem and leaf rust there will be a heavy demand for rust-resistant varieties of wheat. Stocks will be limited and farmers would, therefore, be well advised to order their seed early. Our "Crop Testing Plan" is ready to assist you in securing your requirements for 1955.

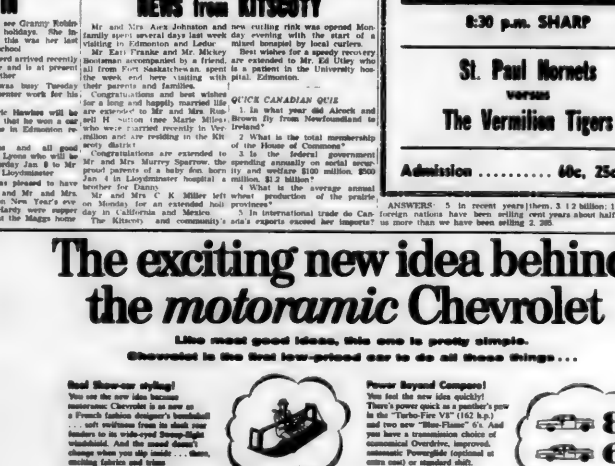
# The exciting new idea behind the *motoramic* Chevrolet

Like most good ideas, this one is pretty simple.
Chevrolet is the first low-priced car to do all these things....



**Real Show-car styling!** You see the new idea beginning motoramic Chevrolet is as new as a French fashion designer's bombshell . . . with its sleek, ribbon-like rear fenders to its wide-eyed Panoramic windshield. And the mood doesn't change inside either . . . there, exciting fabrics and trims harmonize with the whole car.

**Power Beyond Compare!** You feel the new idea quickly! There's power quick as a panther's pre in the "Turbo-Fire V8" (162 h.p.) and two new "Blue-Flame" 6's. And you have a transmission choice of economical Overdrive, improved, automatic Powerglide (standard at extra cost) or standard shift.

**A Sensational Ride!** You live the new idea instantly! The "feel" you get at the wheel of the new Chevrolet is pure Ultra-Ride front suspension. Outrigger rear springs give confidence in turns . . . smooth ease on effortless Ball-Race steering. New Anti-Dive braking control checks dive nosing down in front during sudden stops.

**Every Luxury Option** And if you want to enjoy the new idea in the convenience of power assists (optional at extra cost) you can have them on an effortless Powerglide or Powerflite. Only Chevrolet offers complete luxury driving on a modest budget.

**Won't You Try It?** Here, we can only tell you how successfully the Motoramic Chevrolet expresses the clear and exciting new idea. But the car itself can quickly show you! Come in for a demonstration drive, won't you, first chance you get?

motoramic

CHEVROLET more than a new car . . . a new Concept of low-cost motoring

## Tigers Win Exhibition Game from Bonnyville

The Tigers had their hands full Wednesday evening in handling the visiting Bonnyville Pontiacs and eked out a narrow 4-3 victory The winning goal was scored by Wally Footz at 19.36 in the third period

The visitors led 3-2 at the end of the first, score was tied at 3 each when the second period ended and it looked like a tie game until Wally's goal gave the homesters the odd counter in seven.

Scoring for the visitors was Dauriher from R. Joly. C Sylvestre from R. Joly; Messier. For the Tigers it was Les Williams from Bill Williams; Les Williams from Kreller; Stan Cooper from Bill Novak, Wally Footz.

Despite all the attractions at the rink during the past week, a very generous crowd of 233 attended and seemed to enjoy the game immensely Russ Carroll and Emil Theriault officiated

PONTIACS Lachaniki Neves, Keitz Bronseau, Vallee. C Sylvestre, Dauruther B Joly, R. Ouimet, Dallaire Messier E Ouimet Wiegers, L. Sylvestre

TIGERS Legarie, Les Williams, Novak, Kreller, Bill Williams, Stanley Cooper, Schmidt, Footz, Lesley Fricktown, Lowrie, Winters, Barr.

## Varied Activities Reported At Annual Red Cross Meeting

S. D. SIMONSON ELECTED PRESIDENT

The annual meeting of the Vermilion Branch of the Canadian Red Cross was held on Wednesday, December 15th. Not a large crowd was in attendance but an interesting and worthwhile meeting was held.

Reports were heard from the convenors of various committees.

Mrs. Buckingham reported for Anne Stewart of the Swimming and Water Safety Committee. Mrs. Buckingham was pleased with Anne's work at the swimming pool this past summer. Thirty-seven children received the gave of her time too. It was felt that the pool proposed would be better because of the help of these two girls.

Mr. Buckingham reported on the Blood Donor's Clinics. Two clinics were held during the year. About 200 donations were made. It was mentioned that with a community this size, a minimum of 300 donations might have been larger. But we are grateful for even those that were received.

Mr. F. Stewart in his report of Junior Red Cross activities mentioned that nine of his 10 rooms had organized but that all of the rooms were actually working, collecting coupons, wrappers, having candy sales and using various other means of collecting funds. Parcels to be sent to other countries were being made. Sixty-five dozen bandages went to headquarters in Calgary.

The Canon-Watson Auxiliary presented a very worthwhile report. An average of 10 ladies attended the meetings which were held monthly. Ten quilts were made. About $30 was raised by bazaars and work. Donations were made to CARE, the Hungarian March of Dimes, Hurricane Relief, and fire victims. Boxes of clothing were sent to the Indian school. This group is to be commended for its efforts.

On completion of reports, an election of officers followed. Following is the new slate of officers:

President, Mr. S. D. Simonson; Vice-Presidents, Mrs. J. R. Robson; Secretary, Dorothy Seitz; Treasurer, Mr. Stan Logan; Campaign Manager, Mrs. Robson and Mr. D. R. Mitchell; Swimming and Water Safety, Mr F. Stewart; Women's Work Mrs. C. F. R. Robson; Blood Transfusion Service (Mr. Simonson and Mrs. Robson to find a new convener); Provincial Council, Mr. S. Simonson; Relief Committee, Mrs. F. Stewart.

In the meantime since the first of 1955 the municipal district has been setup with a council and offices are under the direction of Leonard L. Gorst as official administrator The new council will be sworn into office and take over the controls as from the date of the meeting on March 15

The new boundaries of the M. D. will be the combined Mannville Municipal District. Nominations will be received by R. C. Mc Wagner for the Vermilion area and L. Mannville from 2 to 4 p.m. on Thursday, February 3rd.

## Notes From St. Saviour's Church

ANNUAL MEETING OF PARISHIONERS

The annual meeting of the St Saviour's parish and its adjoining points will be held on Monday, Jan. 17th at 8 p.m. in the parish hall. The meeting will take the form of a "Pot Luck Supper" Parishioners and adherents from the town and district are cordially invited to join in the hour of fellowship before the meeting and then to hear the reports of the organizations and to join in the election of parish officers for the coming year

SERVICES AT FAMILY SERVICE

At the regular family service held in St. Saviour's on Sunday Jan 9 at 11:00 a.m seven children were baptized Truly it was a Family service as the regular congregation along with the children of the Sunday school witnessed the administration of this sacrament These baptized were Robert Vaughan Bobrusko, Claude Brennan Pamela Jean Novak, Douglas Briggs Snelgrove, Mayson Kenneth Stone, Roy Lee Stone and Lynda Florence Stone

Baptized on Sunday Jan 16 was David Gregory Eliet Lee at St Saviour's and in the presence of the Pleasant Valley congregation at the home of Mr and Mrs Bert Gould Stanley Norman Gould

OFFICERS ELECTED AT W.A. ANNUAL MEETING

At the annual meeting of the St Saviour's W.A held on Jan 13 the following were elected to office:

President Mrs C Hodgson

1st Vice-Pres Mrs J Keale
2nd Vice-Pres Mrs G Williams
Secretary Mrs M Urquhart
Treasurer Mrs J Keale
Dorcas Sec Mrs H Scott
U.T.O. Sec Mrs J Hobden
Educ and Living Message Sec Miss G Barry
Sewing Convener Mrs W Mc Donald
Flower and Sick Com Mrs W R Staden
Prayer Partner Mrs M Adamson
Little Helpers Sec Mrs J Knight

## ROTARIANS VISIT VERMILION

Twelve Rotarians from Lloydminster Rotary Club headed by President Jim Shumlick visited Vermilion Monday in the interests of Rotary and were hosts to some fifteen Vermilion business men at a noon supper served at the Rio Cafe at 6:30 p.m.

President Hemstock explained the purposes of Rotary and many questions were asked and answered A committee of Vermilion men was named to further investigate the possibility of organizing a Rotary Club here

*RECEPTION*

A reception will be held at the home of Mr and Mrs Melvin Arthur on Friday January 28th from 4 p.m. to 8 p.m. in honor of Mr and Mrs. Frederick Arthur on the occasion of their Golden wedding.

## Tigers Play In New Bonnyville Arena

Vermilion Tigers hockey team helped to officially open the new Bonnyville arena on Friday night the day where there was a great gathering to see the new ice palace put in use.

Also present were representatives of the Vermilion Board of Trade, who extended congratulations to Bonnyville for their outstanding achievement. On behalf of Vermilion, The arena rink is stated to be about the finest and most complete in Western Canada, barring none.

The Tigers didn't fare so well in their hockey game, going down before the Edmonton Airlines team by a score of 10 goals to 3. The score at the end of the first period was 3-2 for the Edmonton crew, but they outscored the Tigers by 7 goals to 1 in the sandwich session the last period being scoreless.

It remained, however, for Vermilion to open the scoring in the new arena, centre man Stew Cooper getting the honor of the first goal. Other Tiger marksmen were Marvin Little and Les Williams.

## Tigers Lose League Fixture At Vegreville

Vermilion Tigers lost a regular league fixture at Vegreville Monday evening by a 5-3 score It was the third game in three nights for the Vermilion crew and they showed definite signs of being leg weary and tired.

## Open New Curling Rinks at Kitscoty And Vegreville

Wednesday marked the official opening of two new curling rinks with representatives from the Vermilion club being guests at each

At Kitscoty a fine new three-sheet rink which is a great credit to the community was officially put into use Vermilion representatives at the function were Messrs. Ben Mitchell, Ross Boake, Mark Norton and Fred Zurch.

Taking part in the festivities at Vegreville were Ed Curley, Gordon Dirk, Freeman French and Victor Tillett

The club and people of Vegreville are justly proud of their new six-sheet rink complete with artificial ice plant, which ranks with the finest in Canada.

Interesting programs and a fine time were reported from both points.

## Juveniles Lose In Overtime

Getting a team together without benefit of team practice or coaching, the youngster band of Vermilion Juveniles played in a tourney at St Paul last Sunday and lost out 5-5 to St Paul in the first game after a half hour of overtime play.

## Home & School To Meet

The regular monthly meeting of the Vermilion Home and School Association will be held on Tuesday, Jan. 25 at 8:00 p.m. in the Junior High school.

## COMMANDOS HERE THIS FRIDAY

Wainwright Commandos, who have run up quite a nice winning streak in the league, will make their first appearance of the current league season in Vermilion on Friday night, Jan. 21st at 8:30 p.m. This is one of the games postponed due to mild weather the first part of the season. The game has all the necessities for a first class encounter and the biggest crowd of the season will probably see the Commandos and Tigers square off in this, their first meeting of the season.

On Saturday, January 22nd Vermilion plays at St. Paul; on Wednesday they play at Wainwright, while on Saturday, January 29th Wainwright come back for another game here.

## Minburn M. D. To Elect 7 Councillors

Owing to the extensive changes in the boundaries the Minburn M. D. will hold election for a complete slate of seven councillors. Nomination day is Thursday, Feb. 3rd, with election day set for Thursday, March 3rd from 10 a. m. to 5 p.m. Ralph Wagner is the returning officer.

## St. Paul Makes Initial Appearance At The Local Arena

St. Paul Hornets made their initial appearance at the Vermilion arena Saturday night and while they lost the game, 10-3, they nevertheless caught the fancy of the crowd by their fast skating and wide range of play and thereby gave a big hand on several occasions. It wasn't anything like the difference in the teams indicated by the score. All the Hornets had to make them a first class contender in the league is a couple of heavier and more experienced defence men. Two of the St Paul players, M. Dehid and Hrytiw stood out quite prominently for their fast, shifty skaters and good puck carriers.

M. Dehid scored the hat trick for the visitors notching three of the team's four goals with Shakun tallying the fourth. The Tigers 11 goals were divided among five players each Kreller getting two of them.

Referee Scotty Munroe and Ernie Russell Carroll handled the game

ST PAUL Pundick, Zaharichuk, Dehid, Hrytiw, Hassan, Richard, Shakun, Beveller, Vlatkunas, Delisle

VERMILION Laporte Kreller, L. Williams, Little, Footz, Cooper, Sherban, Schmidt Footz, Lowrie W. Williams, Novak, Legarie Joly

St. Paul incidentally, played three men short, one complete forward line failing to arrive for the game

*SUMMARY*

1st period Schmidt (Cooper); Les Williams (Kreller, Koehli); Leahy (Koehli Kreller); Dehid (Hassan, Hrytiw); Pen. Zaharichuk, Little, Hrytiw, Little.

2nd period Kreller (Schmidt); Footz (Barr); Lowrie (Sherban); Dehid (Shakun); Koehli; Novak Penalty Kreller

3rd period Kreller (Cooper); Bill Williams (Kreller); Cooper (Schmidt, Kreller); Dehid (Hrytiw) Shakun (Hrytiw Zaharichuk)

Penalty, Little

Paid attendance to the game was 706

## Annual Meeting Of Board Of Trade Wednesday, January 26th

At the meeting of the Board of Trade held Jan 12 Past President Ashley H Cooper was in the chair and there were 22 present

F. M Stewart introduced visiting guests from the Elk Point Board of Trade President of that Board Mr R J Barwald and Secretary Mr Baile ford and Mr Yverchin.

The chairman welcomed Mr W R Elk Point Board of Trade, also spoke to the Board and stated he was very pleased to again attend a meeting of the Vermilion Board. He assured the members that the Elk Point Board of Trade was still functioning and was interested in the matters of Highway 41 and fully supported the objective of the Vermilion body in this connection

On motion of Mitchell Stephens it was decided to hold the annual meeting on Jan 26 and the President was empowered to appoint a nominating committee to bring in a suggested slate of officers at that meeting for the coming year

The proposed news letter for the Board was left for the new executive.

Mr Cooper read the Board's calendar of coming events and the meeting adjourned.

Mr. Yverchin addressed the Board briefly

Mr Barwick President of the Elk Point Board of Trade, also spoke to the Board and stated he was very pleased to again attend a meeting of the Vermilion Board. He assured the members that the Elk Point Board of Trade was still functioning and was interested in the matters of Highway 41 and fully supported the objective of the Vermilion body in this connection

On motion of Mitchell Stephens it was decided to hold the annual meeting on Jan 26 and the President was empowered to appoint a nominating committee to bring in a suggested slate of officers at that meeting for the coming year

# THE VERMILION STANDARD

Alta Prov Library Dec 55

Vol. XLVI. No. 29. Vermilion, Alberta, Thursday, January 20th, 1955. 12 PAGES $2.00 a Year

## District Objective Is $2,000.00.

## Legion Polio Fund Canvass To Commence January 24th

At the Legion meeting on Jan. 10 it was decided to start the Polio fund canvass in Vermilion and district on Jan. 24. George Martin was appointed convener of the committee.

The Vermilion Branch quota is set at $1500 but the local branch is sure that this can be exceeded. Last year it was the same quota but citizens in this district came through with over $2000.

Polio is the dread cripppler of little children and older people too. In 1953 there were a lot of cases of polio in this district. In 1954 there were a few cases also. The Legion polio fund must be ready for what may happen in 1955.

The polio fund helps out in many ways where the government grants do not apply. Where families are suddenly stricken there are ambulance bills, home nursing and treatments, railway fares to Edmonton for patients, wheel chairs etc. In many cases the parents are unable to pay for these emergency charges also, the fund provides for iron lungs and respirators for out-lying districts.

People in this district may be interested to learn that nine very needy cases of polio have been helped in this district to a total of $715.53. There are several other claims still pending. This all means that the money donated to this very worthy cause by people in Vermilion district comes back to help the stricken families here

The objective for all Alberta is $100,000. Surely Vermilion business men, farmers and workers will not fail to do their part in the Legion Polio fund canvass this year The returned men of this district ask that everyone do what they can.

It might be worth while to announce that the Polio fund is to help all children and adults and not just ex-servicemen and their families. Nearly everyone who obtained benefits from this fund last year were not ex-servicemen or their families

Anyone is welcome to make a donation at any time to George Martin, Thos. Waite Vic Tillett, Bob Allen or E H Buckingham.

## DATES CHANGED FOR 'SPIEL

Dates of the Vermilion bonspiel have been changed from those formerly advertised and this big event will be held on February 21, 22, 23 and 24. The change was necessary due to the former dates conflicting with the combined Mannville bonspiel-Innisfree spiel. This duplication of dates was due to a misunderstanding.

## Military Ball Planned For February 4th

"A" Company of the Loyal Edmonton Regiment has about completed plans for a military ball to be held in the armories on the evening of Feb. 4th.

This is the third Military ball put on by the local unit since it was organized eight years ago. These affairs have been very popular with the town and ex-service personnel in this area.

Col Bradshaw Officer Commanding the regiment will attend He will be accompanied by seven senior officers and their wives from Western Command. Edmonton.

There has been some misunderstanding about the dress regulations Major Lock Martin wishes to announce that ex-service and ex-servicemen should wear uniform. Evening dress and dinner jackets are also in order but if anyone prefers they can wear a lounge suit that is not

Tickets are not being sold but the committee asks that everyone should "R.S.V.P." to Capt Buckingham before the end of January. A telephone call is sufficient if this is more convenient

Any further enquiries can be made to Major Martin, Capt Buckingham, Capt Kaiser or Lieut Chalmers

BABY & PRE-SCHOOL CLINICS

Monday Jan 24 Legion hall, Vermilion 2 to 4 p.m.

Thursday Jan 27th Albert school 11 to 12 noon

Friday Jan 28 Paradise Valley school 2 to 4 p.m

Friday Jan 28 Riverrouge school 11 to 12 noon.

## Annual Meeting Of Board Of Trade Wednesday, January 26th

At the meeting of the Board of Trade held Jan 12 Past President Ashley H Cooper was in the chair and there were 22 present

Mr. Yverchin addressed the Board briefly

## Legion W. A. Elect Officers

At the recent annual meeting of the Ladies' Auxiliary to Canadian Legion, the following officers were elected for 1955:

President, Mrs. Ethel Thompson; 1st Vice President, Mrs. M. Jones; 2nd Vice President, Mrs. F. Perkins; Secy., Mrs. Ivy Pare; Treas., Mrs. Ann Wright; Executive, served as Alma Cameron, Mrs. E. Rooke, Mrs. E. Stephens, Mrs. F. Long, Mrs. N. Klashinsky Mrs Fligate

A report of the year's activities of the W. A. is also given and will appear in next week's Standard

## Suffers Broken Arm In Farm Accident

*(Allendale News)*

The people of Allandale district were very sorry to learn of the accident in Vernon Nelson's barn at farm last Saturday morning. While Vernon and his father were using a load of grain, somehow his coat sleeve caught in the shaft that turned the grain loader causing a compound fracture to his right arm above the elbow. He is now in the Vermilion hospital under the care of Dr King

## Add Facilities At Mannville Rest Room

MANNVILLE — The W.I. and Legion committee met on Saturday Jan 15 in the Municipal council chamber The President, Miss Chas Finlay reported that water and gas were now installed in the rest room which will be more convenient for the public

After the year's expenses for the installation of water and the upkeep of the building were met there was a substantial balance on hand

The annual rummage sale is being planned for April 16 in the Orange hall and articles donated for the sale will be gratefully received

The same officers were re-elected for 1955

President Mrs Chas Finlay
Secretary Mrs J J McLaughlin
Treasurer Mrs A M Rutherford

The committee appointed the President or one appointed from each of the eight W.I.s and the library

## Wainwright Plays Inter - School Games Here

Teams from Wainwright Junior High school journeyed to Vermilion last Saturday in Vermilion playing a series of basketball and one hockey game during the day.

In a hockey game between teams from the two Junior Highs the Wainwright came out the winners by a 3 score

The Wainwright Junior high girls then defeated a team of local grade nine girls in a close and exciting basketball game 17 points to 15.

Basketball teams from the senior high schools of the two towns then clashed with Vermilion winning 34 to 14

In the final game of the day the Wainwright high school girls won from the local A.C.A. girls' basketball team, having things much their own way for the whole game

Hines & Delaney, local John Deere dealers, are again play hosts to the farmers of the area, when they hold their annual John Deere Night Show at the Columbia theatre on Thursday, Jan. 27.

The program includes several entertaining films as well as reels showing the very latest developments in the machinery line. See the display advertisement in this issue for complete details.

## Copy Held Over

Due to a combination of circumstances a considerable quantity of news material has been held over until next week This includes some regular features such as the 16 and 25 years ago notes, Health Unit notes, the obituary of the late Mrs Neljie Nicolle Dewberry and Pleasant Valley news, a letter as well a some shorter general items of news This will all be given preference next week

## PREMIER PAYS TRIBUTE TO THE LATE BRIGGS PARR

At the opening of the present session, members of the House of Commons paid tribute to the late member for Battle River-Camrose.

Prime Minister St. Laurent in taking note of the vacant chair stated that Mr. Parr would be remembered by members and the people of his constituency as a man who devoted his full energies to his parliamentary duties.

## Judicial Sale of Farm Property by Tender

Pursuant to an order of Honourable Mr Justice E. B. Wilson of the Supreme Court of Alberta, and of certain directions for sale sealed tenders will be received for the purchase of the following parcel of farm property, situate 7 miles from Islay, Alberta to be sold in Edmonton, Alberta.

North half of Section Nine (9), Township Fifty (50), Range Four (4), West of the Fourth Meridian, in the Province of Alberta, excepting thereout 1.50 acres more or less for a road way of record in the Land Titles Office as to this Land Registration District as Plan 4197 C.L.

*Reserving thereout all mines and minerals.*

subject to the conditions and reservations contained in the original grant from the Crown or in the existing Certificate of Title thereto, and subject to all taxes, rates and assessments imposed thereon, subsequent to the 31st day of December 1954

The sale will be subject to an upset price of $6,000.00.

Tenders must be enclosed in sealed envelopes marked "Tender re the Governor and Company of Adventurers of England Trading into Hudson's Bay vs Harold Hamblin, and Mrs. Robert Hamblin, Suit No. 2512" and addressed to the Clerk of the Supreme Court, Law Courts Building, Edmonton, and must be in the hands of the said Clerk not later than 12:00 o'clock noon on the 28th day of February, 1955

*TERMS OF SALE*

Each tender must be accompanied by a marked cheque or certified for 10% of the amount of the tender and the balance of the purchase price shall be paid into Court within forty days after the acceptance of the tender, provided however, the Purchaser may make payment before expiration of that time, money by ways of mortgages or otherwise.

The deposit of 10% shall be forfeited by the Purchaser to the Vendor should he carry out the purchase after the acceptance of his tender and the deposits of unsuccessful tenderers will be returned to them immediately after rejection thereof.

The Vendor or any person may bid reasonably accepted. In all other respects the terms and conditions of the sale will be standing conditions of sale of the Supreme Court of Alberta as far as the same are applicable hereto.

For further particulars apply to Messrs Lindsay Emery & Ford, Barristers, 201 Imperial Bank of Canada Building, 104th Street, Edmonton, Alberta

DATED at the City of Edmonton, in the Province of Alberta, this 10th day of January, A.D. 1955.

"Sinclair Dufour"
Clerk of Court

APPROVED:
"E. B. Wilson"
Justice of Supreme Court — 03-2nd

## Feeding Value Of Damaged Grain

A new pamphlet entitled "The Feeding Value of Damaged Grain" has been published by the Experimental Station, Lethbridge. It should be of interest to every farmer who has any occasion to feed grain which has been damaged by frost rust, mold or heating. Copies may be obtained by writing to the Experimental Farm Service, Dept. of Agriculture, Ottawa, or to the Experimental farms at either Lethbridge Lacombe or Beaverlodge.

## Letters to the Editor

Vermilion, Alberta.
Jan. 19, 1955.

The Editor,
The Vermilion Standard.
Dear Mr. Cooper:

The members of Frog Lake Chapter I.O.D.E. wish to publicly express their appreciation for the valuable publicity given so freely and cheerfully during the past year, and for other services rendered the Chapter.

Sincerely,
Frog Lake Chapter, I.O.D.E.
per
Dewberry, Alberta.

The Editor and staff,
Vermilion Standard.
Dear Sirs:

Thank you very much for publishing our monthly reports. Friends here and in distant places like to read about our activities.

Sincerely
Mrs. Elsie Jones, Sec'y.
Dewberry Ladies Aid.

HOW ALBERTA'S FINANCIAL PROGRAM HELPS YOU

Orderly debt retirement, constructive use of revenue, and aid to municipalities mark the Alberta Government's financial program.

Accumulated investments and surpluses now amount to $548,000,000 more than the outstanding public debt. A provincial debt which totalled $150,150,819 in 1945 has been reduced to approximately $91,000,000 in nine years. Present debt retirement plans call for the payment of the entire provincial debt by 1972, but allows the province the right to call in over 70 per cent of the debt at any time after 1954.

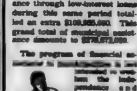
Under the debt re-organization program of 1945, retirement of the debt had been planned by 1980, but all revenues made this good possible many years earlier than expected.

Although total payment of the provincial debt is possible after June 1, 1980, the Alberta Government has created a reserve fund to protect the interests of the public would be served better by the investment of surplus funds in low-interest loans to finance urgent municipal capital expenditures.

The Alberta Government's municipal assistance program is intended to allow municipal ratepayers to share in benefits from the development of provincial natural resources.

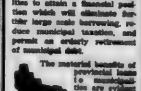
During the past five years, direct grants and bulkier financial aid to Alberta municipalities total $349,972,000. Assistance through low-interest loans during this same period totalled an extra $109,965,000. This grand total of municipal assistance amounts to $570,972,000.

The program of financial assistance to municipalities is not

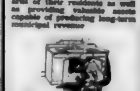


just the individual concern of the municipal governments. These low-interest provincial government loans are being offered to help municipalities to attain a financial position which will enable them to use their large scale borrowing, reduce municipal taxation, and permit an orderly retirement of municipal debt.

The material benefits of



assistance to municipalities are evident throughout the province. Local improvements, the reserve of financial assistance to provide such utilities as water and sewer systems which have improved the living standards of their residents as well as industrial plants which assist capable of producing long-term municipal revenue.



Under the Rural Electrification Revolving Fund, loans are granted to rural electrification associations. In 1954, a total of $10,000,000 was provided to assist in the rural electrification program. As at October 31st, 1954 loans of $7,676,327 had been made to these associations. Repayment in the fund as at November 1st was $2,323,673.

GOVERNMENT OF THE PROVINCE OF ALBERTA

READ and USE the

This paper does not hold itself responsible for opinions expressed by correspondents.

Vermilion, Alberta.
Jan. 17, 1955.

Messrs. Cooper Bros.,
The Vermilion Standard.
Dear Sirs:

On behalf of the W.M.S. of the United church we wish to send our grateful thanks for your kindness in granting us the use of space in the Standard office for printing our monthly reports.

It is very gratifying to see the write-ups of our meetings and it is stimulating to our members.

Elizabeth Pilgrim,
Press Secretary,
W.M.S. United Church.

Vermilion, Jan. 17, 1955.

The Editor,
Vermilion Standard.
Dear Sir:

We have read with interest, your story, taken from the Edmonton Journal, about the Curlers of Vermilion.

Cows, chickens, milk, eggs, and what have you? Along with the cash donations, it all boiled down to a sizable building fund; and they evidently built the plant to fit the fund.

There is nothing in the story to suggest that they ever even considered asking their neighbors to back their nose, on collateral that would not be considered by a loan company.

So, three cheers for the curlers of Veteran. May their rocks glide home with a minimum of frozen toes. May they wind up the season with their full share of the trophies and rinks. And may they ever stand as a shining example of initiative and self reliance.

As you kindly remember my friends, neighbors and myself, who in this case comprise a majority of the taxpayers of Vermilion, to "take note", we are doing just that.

As to county hawkers, crypt hangers and others "with a line of the future", we honestly believe that the Irresponsible Optimist has lured many more people, both individuals and companies, into the financial spider webs, than the Canny Pessimist ever has.

Yours truly,
Fearful Freddy.

Vermilion, R. R. 3.

The Editor,
Vermilion Standard.
Dear Sir:

The letter from Mr. Allen Ronaghan in Jan. 6th publication calls for some comments. I can heartily endorse that Mr. Ronaghan says in his letter regarding the integrity and sincerity of the late Mr Parr. He was always ready to champion the interests of the farmer and the veteran. As far as Social Credit are concerned Mr. Parr was just a voice crying in the wilderness. Social Credit is just a splinter from the Conservative Party and Social Creditors should support the Conservative Party instead of being a splinter they have hopes of becoming the whole batch and eliminating the Conservatives as they did in Alberta. These two great wings of the Conservative Party, Social Credit and Progressive Conservatives in Ontario, should unite like they did in British Columbia and then I think they could capture the government, otherwise I don't see much chance for either. Mr. Drew and Mr. Robert Low are no novices. They should get together and see what they can do about it. It is not good for one party to hold office for so long in Canada. There should be a change.

The Social Credit Conservative party of Canada would sound very good the two parties together would be dropped. It didn't mean anything anyway.

As for me and my house Mr. Editor, I am afraid we will have to register a protest vote for the CCF the co-operative party, whose slogan is Security First.

Mr. Ronaghan says he likes the two-party system, and so do I, when you can have three properly defined, Liberals, Conservatives, Social Credit, are all in the one class looking after the capitalistic classes CCF are trying to do something for the working classes.

Yours truly,
H. Wear

Vermilion, Alberta.

## NEWS OF THE DISTRICT

## Taylor-Pearson Play-Off at Islay

This Saturday, Jan. 22 will see the elimination round for the Taylor & Pearson high school curling event at the Islay rink. Vermilion, Kitscoty, Paradise Valley and Islay rinks will be participating.

Two rinks went to the Farmers' hospital in Vermilion — no prizes mind you! Now two rinks are playing in the Dewberry spiel.

Mrs. Violet Schaffer is in hospital and we are glad to say is somewhat improved. Some relatives come to see her, brother Doug. Sister Marion (Mrs. Schaffer and her little daughter), sister Bertha and her husband Mr. Riley and wee baby from Edmonton, sister Evelyn (Mrs. Dalkin) from Rivercourse.

Several families received a nice cake of good old Scotch shortbread made by Mrs. Jim Allan, lovely cake — and Yes Sir George, we are all still alive!

Last week we told you that Hobo Teas were going to be tried this year — well today, Tuesday, the writer's home was visited by a group of ladies out for a Hobo tea, namely Mrs. Elsie Clark, Mrs. Betty Purser, Mrs. Buchanan, Mrs. I. D. Inman and Miss Bessie Anderson and do you know, not one of us tossed so very untidy! Sometimes one is caught in overalls, curlers in the hair or the house generally upset. Well our table had quite a lot of newspapers, books etc. on it. Do you know it is a nice, easy way to spend an hour or so, not all tired out getting ready to go out. I believe this custom may become very popular as we had such a nice time Tuesday. Bessie tended it nicely for Mrs. Buchanan, as just yesterday Mr. and Mrs. Russell Buchanan took their baby home, as Grandma had been caring for the baby while Helen, its mother had been overtime in hospital.

From all account those of us who did not attend Dr. Kit's magic show missed some very strange and wonderful exhibitions of hypnosis.

The average value of a mink pelt to the Canadian fur farmer is under $20. —Quick Canadian Facts.

Over the past 5 years the total of income taxes collected by Ottawa has nearly doubled.

## Vital Need for Second North-South Highway

## Many Centres Ask Continuation Of Highway 41 South

WAINWRIGHT — Twenty delegates from Board of Trade and Chambers of Commerce from Consort, Cold Lake, Grand Centre, Elk Point, Derwent, Vermilion, Wainwright, Czar and Consort gathered at Wainwright on Wednesday, Jan. 12 to make plans for a delegation to meet the Hon. Gordon Taylor on Tuesday, Jan. 18 to discuss with him the importance of continuing Highway 41 from its present terminus at Wainwright to Medicine Hat, where it would join with Highway 1 and also with the highway to the south entering the U.S. at Whitlock.

E. M. Stewart of Vermilion was called upon as spokesman of the sponsoring Chamber. With the assistance of a map of the province Mr Stewart outlined the proposed highway and a suggested route. He pointed out that of this road, approximately 230 miles had already been constructed and was in good condition. He said that he felt that we had not given our government a sufficient measure of support in the past in regards to this road, particularly in view of the strong support given to the demands for other highways of a similar nature in the province.

In discussing the proposed road, he said that it could not be viewed from the angle of a local road, for much of it would necessarily travel through an area that was sparsely settled. However 5 years in the particular area, the need for the road remained, as with the great difficulty entailed in making a trip from the northern to the southern part of the province in the eastern section

It was underlined later in the meeting however, that in approaching the government the delegation should not be too insistent on the exact routing of the road, as this is a matter which would have to be settled by the engineers in charge of laying out the route, and also would be decided to a great extent by the Minister

He said that he hoped to have Messrs. Cornish, Manson and Reierson M.L.A's in some of the areas involved, to accompany the delegation to Edmonton to take part in the discussion

Kenn Tory referred back to the dedication of the Elk Point bridge when it was virtually the start of the improvement program for highway 41. He pointed out that the men who had through their foresight and aggressiveness, brought the Elk Point bridge to a reality, and compared the condition of the road from Vermilion northward at that time with its present condition. The highway now stops short at Wainwright he said, and further pressure would be required to have it continued on its northward way.

W. Sutherland of Vermilion was of the opinion that it would be unwise to approach the government on a piece meal angle and urged that the delegation support the road as a whole. He claimed that we should ask for an overall survey of the road, and ask that it be constructed as appropriations were available rather than ask that the road be completed only to a certain point.

The government's present plan for distributing appropriations for road construction was based purely on a per capita basis, and he felt that a number of people As the proposed road would be built partly through areas of light settlement the committee would have to base its claim on other ideas this merely serving the greatest possible number of people on its actual route.

Mr. Kells of Consort said that previous requests had been tendered for the completion of this road but that while the delegations had been well received they had been given little encouragement. In view of this and other factors he felt that the placing of too much stress upon the actual route of the highway should be avoided

A letter was read from the Blindloss Board of Trade supporting the request for highway 41 and suggesting a route which carried it closer to the Saskatchewan boundary. A map was included with the letter which received the consideration of the delegates

Reg Mitchell of Vermilion also expressed his opinion that the delegation to Edmonton would find it wise to be fortified with good reasons why the highway should be completed He felt that if these reasons were compiled and laid before the minister that encouraging results would be obtained

Quite a bit of discussion centered around the matter of the five miles of road through the Military Camp area, and it was pointed out that this piece of the present municipal road was under the jurisdiction of the province The importance of this five mile of road to economy of the district was pointed out by various speakers One of the primary points here was that a part of Wainwright Hospital district was located south of the Army camp area and should this piece of road be closed or left unattended, access to the hospital would be very difficult It was also pointed out that there was a considerable amount of traffic carried on in Wainwright by those resident to the south of the camp.

It was felt particularly by the delegates from Wainwright, that an effort should be made by the delegation to Edmonton to clarify the status of this five miles.

COMMITTEE SET UP

On motion it was then decided that delegates present appoint members to a permanent committee to follow up request for the maintenance of highway 41 in the future The following committee was then set up.

President—E. G. Barritt, Wainwright; Secretary — J. A. Morgan, Wainwright; Executive W. Mc-Kay, Cold Lake, F. Brady Grand Centre. J. L. Thompson, Bonnyville E. M. Stewart, Vermilion; C. Gould. Czar: Nick Krogger Consort Ron Barwick. Elk Point; C. Gordon, Derwent, with one to be named from Medicine Hat

Mr Barritt then called the members of the newly formed committee together to make preliminary arrangements for the visit with the Hon Mr Taylor Minister of Highways.

## Happy Centre W.I. Entertain Husbands

MANNVILLE — Every available husband, accompanied by his wife, turned out in full force at the curling rink on Thursday, Jan. 13 for Happy Centre W.I.'s 4th annual bonspiel.

The weatherman co-operated along with the members to make it one of the most successful days to date. Seven rinks of husbands and wives participated in the curling spiel which got underway at 10:00 a.m. A quartet skipped by one of the new member's husband, Mr. D. W. Craft, emerged victorious in the Grand Challenge event. His teammates were O. Younge, Mrs. O. Younge and Mrs. M. Finlay. Mr. O. Younge's foursome, Mrs. E. Mercer, Mrs. L. [illegible] and Mr. [illegible] second. Mr. W. Osborn's rink of Milton Finlay won the second. Mrs. J. Coxford, Mr. Lloyd Boe and Mrs. J. McLaughlin copped the Hard Luck prize.

A bounteous chicken dinner was served following the first draw, coffee and trimmings served at mid-afternoon and at the end of the spiel the members all partook of another generous repast before wending their weary ways home. All were in accord that it had been a good day well spent.

The W.I. ladies wish to take this opportunity of thanking Mr. Ross Leitch for his help with the prizes.

By Your District Agriculturist

# "GREEN ACRES"

**Seed Oats Wanted**

The Department of Agriculture, Edmonton, has asked me to locate seed oats for shipment to areas needing seed. Anyone having seed oats reasonably free of wild oats and of good germination should see the managers of seed plants at Marwayne, Paradise Valley and Vermilion.

**One-Way Disk**

I have just received a report from the Lethbridge Experimental Station which says that one-way buries about half of the stubble in the first operation. This means that land being summerfallowed should only get one stroke of the one-way and after that blade weeders, cultivators or rod weeders should be used. After all we need the stubble on top if we are going to save the soil from wind and water erosion.

**Quality in Pigs**

Grade A pigs in Alberta were down to 18% for 1954. I cannot get the figure for this district but I am sure it is much higher. I can go into any stock yards in this area except Clandonald and see only white pigs. This cannot be said of any other district in Alberta. Keep up the good work, fellows. It pays off in dollars and cents.

**Seeing Things**

Did you ever see a hen wearing glasses? Well, they put them on hens when they start feather picking. This is a vicious habit which starts in many flocks and soon develops into cannibalism where weak birds are picked to pieces. When dull glasses are put on the hens which do the feather picking, they can see to feed but not to pick at each other.

**Feeding Damaged Grain**

I have received a supply of new circulars entitled "The Feeding of Damaged Grain." Every farmer feeding livestock or poultry ought to get a copy of this circular.

**Lice on Cattle**

Last winter several farmers in this area wondered why their cattle were thin and unthrifty when they were getting good feed. They found out later that they were covered with lice. Every stock raiser ought to check his cattle for lice and if found give a treatment of lice powder.

**Club Leaders Meeting**

On January 21st a club leaders' Short Course will be held at the School of Agriculture, Vermilion. All 4-H Club leaders are asked to attend. Also anyone else interested in club work or in community leadership is invited. The meeting starts at 10:00 a.m.

# NEWS from ALLANDALE

Our unbelievable January weather is still with us and we have very little snow to date.

Our deepest sympathy to Mrs. Long and family. The late Mr. Fred Long will be long remembered in the Town of Vermilion and a wide surrounding area. His patience and cheery smile of welcome to all his customers in the drug store [illegible] well loved by all. Though that was some years ago these acts of kindness shall long be remembered and cherished by his many friends.

Mrs. Dorothy Johnson and Ronnie have moved to Vermilion for the winter. They are staying with daughter Joyce in her comfortable suite. June left for Stettler on the 19th and will be working there as a stenographer. Jimmy Martin has the cattle to winter for the Johnson's.

The Allandale W.A. met at the McPhee home on Jan. 13 with a good attendance. Some bazaar material was on hand and distributed. Next [illegible] will be made for rags to be sent for goods and articles, premiums to go for the W. A. if agreeable. [illegible] coupons to be handed in also. The meeting will be at the Baldock home. Mrs. Armstrong and Mrs. Nelson on the lunch committee.

The Campbell Lake Jr. Red Cross had a lovely evening for the whist party on the 14th. Nine tables were played. Prizes were won by Mrs. R. Johnson first, 2nd, E. Omness and consolation H. McKinnon. For the men O. Omness won first, Allan Good 2nd and R. Johnson consolation. A lovely lunch was served and a very social evening spent.

A phone call from Mrs. Jim Walker (Tillie Heitman) on the 15th from Vermilion. Tillie and son were spending a few days with Aunt Rose. Cpl. J. Walker, R.C.A.F. is spending a year in France. Tillie and baby are with her sister at Marwayne.

The sympathy of the community goes to Mr. Selwood and relatives on the death of Mrs. Selwood. They have lived a long life together in the Clandonald district and her presence will be greatly missed.

A visit from Mr. and Mrs. Wm. Young of Dewberry last Sunday was very much enjoyed. Mrs. Young is looking and feeling very well after her operation at Medicine Hat before Xmas. Donna is doing well at Varsity, and that day Jackie was keeping the home fires burning.

Mr Orville Armstrong has been going to the city for treatments on his lip. He went again last Monday morning. Mrs. Louis Baldock accompanied him to spend the week in the city with her daughter Beryl and family.

Closing thought: Christianity is not a philosophy, but a way of living. Spiritual strength can come to us in quiet moments.

# Hockey Chit-Chat

by GERRY MARSHALL

The Tigers seem to be a hot and [illegible] team this year. They started much faster than usual but [illegible] to be slowing a little. What [illegible] Tigers really lack is finesse around the opponent's cage. We noticed in the Viking game last week that the Tigers had enough chances to win [illegible] games, but no, they lost 3-2. Also against St. Paul our crew muffed a few good chances while creaming the Hornets 11-4.

When the Bengals get this miscue down according to Hoyle, they should win more than their share of games.

CLENDENNING'S FAMILY WEAR OFFERS PRIZES

Ernie Clendenning, manager of Clendennings' Family Wear has announced he will once again give a 'Stetson' hat to any player scoring a 'Hat Trick' — that is 3 goals in one game. Saturday night Elmer Kreller and Ted Koehli almost won themselves a hat as both scored two goals and came very close to cashing in.

LOSE TO VEGREVILLE

Monday night in Vegreville the Tigers dropped another hard-fought battle to the Rangers. The Tigers, playing without the services of Ted Koehli, Bill Schmidt and Murray Lowrie showed definite signs of weariness having played 3 games in three days. Bill Novak seemed to find himself on defense Monday night and played a bang-up game both ways. He played a good defensive game and brought the crowd to their feet with his end to end rushes. Incidently Novak has scored a goal in each of the last two games — his first and second of the season.

Marvin Little was playing up front Monday night and made a good showing for himself. Little is the rough and rugged type of hockey player so much needed in today's game.

JUVENILES SEE ACTION

The Town of Vermilion was given some publicity through another hockey team over the week end as the Vermilion Juveniles played in the St. Paul hockey tourney. Although the boys failed to make any money they gave a good account of themselves losing 6-5 after thirty minutes of sudden death overtime. It's too bad they have no coaching or sponsors.

PLAY WAINWRIGHT FRIDAY

Friday night the Tigers play their first game with Wainwright. The Commandos are rumored to have a strong team and should put up a stiff battle, but . . . we think the Tigers will come through with their second home win in a row

# House Warming Party Held At Derwent

A house warming party was held for Mr. and Mrs. John Pashulka of Derwent at which the esteemed couple were presented with a beautiful three-piece bedroom suite. Arrangements for the enjoyable event were made by Mr. Harry Jaremco and Mr. John Tisiak. A large number of friends and relatives attended. Among those present were Mr. and Mrs. John Jaremico, Mr. and Mrs. Paul Jaremico, Mr. and Mrs. Bill Jaremco, Mr. and Mrs Teeder Jaremico, Mr. and Mrs Mike Jarock, Mr. and Mrs. Bill Kochan, Mr. and Mrs. Mike Vislik, Mr. and Mrs. Frank Myshak, Mr and Mrs. Mike Myshak, Mr and Mrs. Paul Chanasyk, Mr. and Mrs. Dan Pashulka, Mr. and Mrs. Mike Pashulka, Mr. and Mrs. Alec Pashulka, Mr. and Mrs. Peter Tisiak, Mr. and Mrs. John Tisiak, Mr. and Mrs. Mike Tisiak, Mr. and Mrs. Marshall Metio, Mr. and Mrs. Bill Wysocki, Mr. and Mrs. Steve Wysocki, Mr. and Mrs. Emil Wysocki, Mr. and Mrs. Peter Kezak, Mr. and Mrs. Bill Kezak, Mr. and Mrs. Joe Kezak, Mr. and Mrs. John Zurba, Mr. and Mrs. Sadaski, Mr. and Mrs. Mike Atmon, Mr. and Mrs. Frank Bielech, Mr. and Mrs. Alex Zuk, Mr. and Mrs. Harry Zablanski, Miss Carloune Petryshen, Miss Jennie Sadoski, Mr Mike Wysocki.

There are more than 9,000,000 head of cattle on Canadian farms.

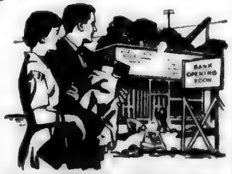
Among the benefits of Branch Banking . . .

*Your local bank is an essential link between your community and the whole banking world.*

*In remote areas, Canadians enjoy the same broad range of bank services, the same sense of security.*



*As communities develop, banking services are made available to meet new and growing needs.*

Banking in Canada works in such a way that your local branch manager brings you all the resources, knowledge and experience of the bank he represents. It has branches throughout Canada and provides contacts the world over. The benefits of this branch banking system, developed to meet Canadian needs, are demonstrated every day by the quality and scope of your local banking service.
THE BANKS SERVING YOUR COMMUNITY

## Means More Jobs

A $226 million a year business will get a new and probably a big boost when the Government's Central Mortgage and Housing Corp. starts guaranteeing home improvement loans made by banks, reports The Financial Post.

The authorization sections of the National Housing Act have been on the books, for the most part for years. But they will go into force on Feb. 1. The move is based on the Government's wish to bolster the economy and employment at this time.

Nets used by Gulf of Mexico shrimp fishermen scrape the bottom so closely they will pick up a pair of eye glasses. One boat reports picking up a set of false teeth lost overboard a week before by an elderly captain.

## Bridal Shower For Miss Ruth Marfleet

Honoring Miss Ruth Marfleet whose marriage to Mr. Fred Krause is an event of Jan. 22, Mrs. Chas. Heckbert, Mrs. Chas. Upshall and Mrs. Lawrence Webb entertained at a miscellaneous shower at Mrs. Heckbert's home recently.

During the evening contests were played with the winners being Mrs. George Braithwaite and Mrs. Bert Edwards.

From the "teller's cage" placed before her, the guest of honor "withdrew" many beautiful and useful gifts, for which she thanked those present very fittingly.

The pleasant evening was brought to a close with lunch served by the hostesses.

Miss Lorraine Sillers, one of the lovely girls skating in the 'Ice Fantasies of '55' which showed here on Tuesday, spent the time in town visiting her uncle and aunt Mr. and Mrs. Tom Conboy.

Mr. and Mrs. J. W. Muir returned early this week from Ontario where they have spent the past three months visiting relatives at Dundalk, Durham and at several other centres. A very fine winter is being enjoyed in Ontario.

## Handicraft Guild Classes

ST. PATRICK'S TEA

The W.M.S. of the United church will serve a St. Patrick's Tea on Wednesday, March 16th commencing at 3:00 o'clock in the afternoon. 29x

Mr. and Mrs. R. H. Norton returned recently from spending Xmas and New Year's at Victoria and Vancouver. While in Victoria they called on Mr. and Mrs. Sandy Watt. Sandy is reported as very busy carpentering around his house and is making a good job of it, also doing some fishing but not catching any. Others visited were Dr. and Mrs. W. W. Bell, Mr. and Mrs. Dave Kennedy, and Mr. and Mrs. Norman Greig. The latter two are managing the Red Cedar Motel, a luxuriously furnished deluxe stopping place. Mr. C. L. Whitby is improving nicely following his recent operation. Others seen on the island were Dr. and Mrs. Knapp formerly of Islay and Mannville, Mr. and Mrs. Jack Selkirk and Dr. and Mrs. Hugh MacDonald. In Vancouver George Law was phoned and it was learned that he was recovering from a heart attack which had slowed his activities somewhat, and Ab Sinclair and wife were called on. New Year's was spent in Tacoma where Mr. and Mrs. Norton were guests at the home of Mrs. Norton's brother. The trip was made by car and roads all the way were good.

Mrs. Antoine of Edmonton was a visitor in town for a few days during the past week, during which time she renewed acquaintances with many old friends.

Mrs. Janet M. McComas sends the Standard along a change of address. Her many old friends hereabouts will be interested to learn that she has now moved from Bremner right into Edmonton and resides at 11011-83rd Ave.

Mr. and Mrs. Jim Hobden returned last week after spending several weeks at Penticton, B.C., visiting their daughter and family, Mr. and Mrs. Norman Emsland.

Dance at Basswood Friday, Jan. 28. Horpestad music. Everybody welcome. 29-30

*IN MEMORIAM*

In memory of my mother
*MATTIE WITHERBE*
—who passed away Jan. 16, 1946.

"Although the garment of her soul has passed away,
The shining spirit and the love-light stay;
The echo of her voice, her eyes, her smile,
Just as they were, are with me all the while."

—With Love, Beth.

*IN MEMORIAM*

In loving memory of our dear husband and father,
*MR. JAMES CAVIL*
—who passed away Jan. 20, 1954.

"Deep in our hearts you are fondly remembered,
Sweet, happy memories cling 'round your name;
True hearts that loved you with deepest affection,
Always will love you in death just the same."

—Ever remembered by his loving Wife and Family.

*IN MEMORIAM*

In memory of our Dad
*JAMES W. GOULD*
—who passed away Jan. 17, 1953.

"Not dead — Oh No! But just borne
Beyond the shadows,
Into the full, clear light;
Forever done with mist and cloud and tempest,
Where all is calm and bright.
Not silent — just passed out of earth's hearing
To sing heaven's new sweet song;
Not lonely — dearly loved and dearly loving
Amid the white-robed throng.
Not forgetful — but keeping fond remembrance
Of dear ones left awhile
And looking gladly to the bright reunion
With hand-clasp and with smile."

Lovingly remembered by loving wife Sylvia, Marvin, Laura and family, Maurice and [illegible]

# WILDMERE W. I. NOTES

The Wildmere W.I. met at the home of Mrs. David Dibben Wednesday Jan. 5 with 16 members present. The meeting opened with 'O Canada' and the Creed. Happy Birthday was sung for Mrs. L. Howard who had a birthday that day. Roll Call: "What would you do in case of an enemy air attack?" Several good answers were given.

Mrs. W. J. Garnett gave the Christmas tree report. A hearty vote of thanks was given her also to Mrs. Noel Garnett and Mrs. Hughes for the nice Xmas program and treats. The Sick convener reported one fruit basket given Mrs. N. Garnett when in hospital. The treasurer reported a nice amount on hand and in the bank.

Correspondence included a handicraft list from Mrs. Pidcock at Kitscoty and ten articles were chosen from it. A thank you letter from Mrs. Garnett for a fruit basket. Mrs. Garnett read a letter from Mrs. Davis of Barton W.I. in England. She told of attending an antique sale in a big mansion in England where one book sold for £7,000. Antique buyers were there from all over the world.

The project will be selected each month and money donations will be taken from funds. New program books were looked over and approved. The directors are to be congratulated on the interesting roll calls etc. they contain. Handicraft convener Mrs. Holte is to get four more crests for members. Mrs. R. Martin is United Nations convener a position filled previously by Mrs. Steele but she did not join this year.

Mrs. W. J. Barnett spoke on Dr. Hitschmanova as her topic. She had heard her speak in Edmonton in November. She told of the orphans in Korea, and of thousands in India who have never seen a doctor or nurse.

Mrs. Garnett then gave an outline of the civil defence course she took last fall. That is something we could all take notice of. We never know when a disaster such as 'Hurricane Hazel' might strike.

Mrs. J. Bauman had the Social which was a riddle game with the answers being makes of cars. Mrs. Roy Dibben was the winner. John Jump Up was won by Mrs. Fred Haines. Next meeting will be held at the home of Mrs. Roy Dibben on Feb. 2nd. Roll Call will be Canadians in the news. Topic by Mrs. L. Howard. Social by Mrs. A. Holte. Lunch committee Mrs. F. Haines, Mrs. A. Holte and Mrs. L. Howard. Project: Used clothing, socks, etc.

Mrs. Gibson and Mrs. Holte the new officers did very well at the meeting. God Save the Queen was sung and the hostess then served a delicious lunch.

---

Mr. W. F. Stewart, principal of the local elementary school, was bereaved by the death of his father in Edmonton on Tuesday, January 18th. The late Mr. Stewart was 75 years of age.

## Thorncliffe Organizes F.U.A.

The F.U.A. organization meeting was held at Thorncliffe school on Jan. 11. Mrs. Redman was present as special speaker and gave a report on the Edmonton convention. Mr. Fred Haines, President of Wildmere local, gave advice on forming one here.

It was decided to form a local after some discussion, to be known as Thorncliffe, meetings to be held the first Thursday evening of the month at 8 p.m.

The following officers were elected:

President: Tom Thompson
Vice-Pres.: Hugh Stewart
Sec-Treas.: L. McIntosh
Directors: Mrs. T. Thompson, Mrs. F. Clark, Jim Moore, Cliff Hollen.

Planning Committee: A. Hodgson, J. Coates, A. Brown. Mrs. J. Moore in charge of the bulletin.

## THE STAGETTES

Who's doing the dishes? "Oh no, I couldn't, can't move." Who will have more strawberries and ice cream? Groan. It was a lovely pot luck supper. Louise like Lena is in the tea cup reading business. All she needs is a towel, eh what? Are all the girls really going on a trip Lena? (She couldn't put her finger on 'em that way.) Guess what? No hot water! well let's have our meeting.

How about a good turn out Feb. 1? 100 per cent — get that! With your constitutions. The Educational committee loves it. Well planned kids. It's been a long time since we were all present. Who is going to be the black sheep? No don't say it — it'll mean pink! Seriously though girls, let's give it a try.

Clothing: Saturday, Jan. 29 — Dave Sedgwick, Garysale Saskatchewan.

Second Section — The Vermilion Standard

Page 1 — Second Section — Vermilion, Alberta, Thursday, January 20th, 1955.

## Claysmore W. I. Notes

Great interest was shown by the members of the Claysmore W.I. at their get-together at Mrs. J. Horne's on the afternoon of Jan. 12. There were ten members present.

The meeting opened by singing O Canada and the Creed, followed by the Roll Call "An Embarrassing Moment".

Minutes of the December meeting were read by the secretary and approved.

The treasurer's report was read and adopted. The Social Service convener reported two fruit baskets sent to patients in the hospital.

Business arising out of the minutes was then taken up. Treasurer was advised to order A.W.I. pins to have on hand as members' birthdays rolled around, also order the "Home & Country" for all members. Program books were given out.

Under the head of new business activities for 1955 were discussed. It was decided to make our donation to A.W.I. fund in February and a committee was appointed to look after the details of the project. Bazaar material was ordered and will be given out at the next meeting.

The fun period was conducted by Mrs. J. Willes and prize was won by Mrs. R. Bauer.

Collection was taken and meeting adjourned. A delicious lunch was served by the hostess.

The February meeting will be held at the home of Mrs. O. Willes.

## Nurses' Assoc. Plan Burns' Night Dance

The Vermilion Graduate Nurses' Association plan to hold a Burns' Night dance in the Elks Hall, Vermilion on Robbie Burns' birthday, Jan. 25th. The whole countryside is invited and a very entertaining program of dances is being arranged.

If you are canny you will buy a ticket well in advance. If you do you will save 25c per ticket, paying only 50c, whereas if you pay at the door it will cost you 75c to enter. However, you will be given plenty of opportunity to purchase your ticket at 50c. Plan to attend this Burns' Night dance — you will enjoy it! 27-9c

---

LIBRARY TO CLOSE 6 P.M. ON SATURDAYS

During the winter months the Vermilion Public library will close at 6 p.m. each Saturday, instead of 9 p.m. 28-9c

---

---

MR. AND MRS. STANLEY OLINYK

On October 2nd Nadia Rose Zurba, only daughter of Mr. and Mrs. John Zurba of Derwent was united in marriage to Stanley Olinyk, only son of Mr. and Mrs. Joseph Olinyk of Myrnam. After spending a honeymoon in Banff and the western United States the happy couple now reside at High River, Alberta, where the groom is employed by the C. P. R.

## Islay Hospital Board Meets

# Petition For Transfer Refused

The year end meeting of the Islay Municipal Hospital Board was held in the hospital Jan. 3. All board members and Secretary attended.

The minutes of the preceding meeting were adopted as read and financial statement was adopted as read.

Inner spring mattresses were ordered purchased to complete ward bed coverage. Cd.

Secretary was authorized to attend annual audit in Edmonton.

Photostated copies of financial statement for the year were authorized to be mailed to all ratepayers. Cd.

It was authorized that this hospital adopt the change-over to the uniform accounting system sponsored by the Dept. of Public Health as of Jan. 1, 1955, and that the position of Secretary-Treasurer be raised to full time status. Cd.

Mr. Inman was appointed a committee to secure coal by the truckload on a trial basis for the purpose of cost comparison. Cd.

Correspondence from Dept. of Public Health was read advising that the petition of a portion of the Islay Hospital District requesting transfer to the Vermilion Hospital District had been refused. The report was adopted by the Board and ordered filed.

Matron's report: In hospital 12; admitted 31; discharged 31; remaining 12; births 1; Operations 2 major and 2 minor; receipts $4557.60.

Accounts and salaries were ordered paid as approved. Cd.

Meeting adjourned to meet Feb. 5th at 2 p.m.

## Bowtell Bulletin

We wish to extend our own and the district's deepest sympathy to the Long family on the passing of a well known old timer Mr. Fred Long; also to the Coombes family on the death of Mrs. Coombes in the Vermilion hospital.

Charlie Pierman, Logan Gow and Tom Sherwood enjoyed a trip to the south of Vegreville Thursday where Charlie purchased a purebred Polled Hereford bull.

Visitors Friday at the writer's were Mr. Glasner, Grandma Jones and Mr. and Mrs. Care and Jack.

There will be a dance this Friday 21st in the community hall, please note folks.

Mr. and Mrs. Lippert, Lena and Phylis were Sunday visitors at the Robinson home.

## K. H. S. Notes

Hi folks, long time no see! Did you think we had been drowned out or snow under? Although we have been silent, we have been busy.

The new term was launched with a gay initiation during which our beginners were very much beginners with short skirts, short trousers (rolled pant legs) suckers, etc. They can tell you all about it!

Then we had Student Union elections. Gordon Jacobs took office as president, Cecile Davies as vice-president, Doris Jack as secretary-treasurer, Donna McKinnon as the social convener, Jack Currie as sports convener and Pat Kneen as press reporter.

A gay note was struck by the blue and silver Snowflake Frolic, which was many said, one of K.H.S.'s most successful. That was hardly over when we were groaning under Christmas exams and frantically studying every spare moment, but no harm seems to have been done as everyone was back after the holidays.

Now curling is the main event with brooms and rinks the main topic of conversation. Hockey is next and everyone is looking forward to the games.

Take note everybody, less than 12 week till Easter.

And, although the wish is belated, it is a Hearty, a Happy and Successful Year to all.

## W. M. S.

The W.M.S. of the United church held their first meeting of the new year on Thursday, Jan. 13 at 8.00 o'clock at the home of Mrs. Roebuck.

Mrs. Robinson our past president, opened the meeting with a beautiful prayer, she then reviewed all the old business before turning the meeting over to the new president, Mrs. C. Barr. Roll call was then taken and revealed 19 members present.

The Rev. Mr. MacKay took the installation service and the new officers were installed. The service was beautiful and we all felt the sincerity of it. The president resumed the new business. The most important item of the evening was deciding to serve a Valentine supper to the C.G.I.T. girls when they are affiliated to the W.M.S. This will take place on Feb. 14.

The reports were taken for the past year, the minutes read and approved. The meeting was then brought to a close with everyone singing "Standing at the Portals of an Opening Year".

The committee then served a very welcome lunch which was enjoyed by all.

## CLANDONALD

Mrs. Mary A. Selwood passed away suddenly at her home early Friday morning Jan. 14.

Mrs. Selwood was born at Dunbury, Cheshire, England and came to Canada in April of 1913. She resided in the old Wellsdale district until her marriage to William H. Selwood, a pioneer of the district. For some years they lived at Drumheller where Mr. Selwood was engaged as an engineer at the mines. Eventually they came to their present home in the Pelican Lake district.

She leaves to mourn her passing besides her loving husband, one sister Mrs. Louisa Wilkinson and three brothers, William Williamson of Leicester, England, Thomas of Victoria, B.C. and Frank of Edmonton.

Mrs. Selwood was predeceased by three brothers and one sister: James Frederick of Chicago, who died last year; Peter Oswald of Vermilion, John of the Clandonald district and Eleanor of Wayne, Philadelphia.

The funeral service took place at St. Mary's Anglican church, Clandonald on Tuesday Jan. 18 at 2:00 o'clock. The Rev. Mr. Douglas Ford of Vermilion officiated.

Moyers Funeral Home was in charge of arrangements.

## Sutton-Miles Nuptials Held At First United Church, Vermilion

The First United church, Vermilion, was the scene of a very pretty double-ring ceremony on Wednesday December 29th when the Rev. C.W. MacKay united in matrimony Miss [illegible] Marie Miles, second daughter of Mrs. Phyllis Miles, Kitscoty, and Mr Russell Howard Sutton, eldest son of Mrs. E. T. Rooks of Vermilion.

The bride entered the church on the arm of her brother-in-law Mr. Pascall Martell who gave her in marriage. She was radiant in a floor-length strapless gown of white bridal satin styled with a double overskirt of nylon net with Chantilly lace inserts, a matching lace bolero, with lily point sleeves and pointed collar modified her gown. A sweetheart shaped headdress of lace held in place her fingertip veil of nylon net and Chantilly lace. The bride wore a three-strand pearl necklace and matching earrings, a gift from the groom, and she carried an arm bouquet of American Beauty roses and lily of the valley tied with matching tulle.

Miss Margaret Miles, as maid of honor, and Miss Mary Mannen, as bridesmaid, [illegible] floor-length gowns of pink and blue nylon net over taffeta, featuring puckered bodices and net boleros. Their bouffant skirts were encircled with rows of ruffled net. The dresses were complemented by matching styled headdresses of tiny sweetheart roses and ribbon-tied mittens in pink and blue. They carried tulle tied nosegays of sweetheart roses and wore topaz pendants and earrings, a gift from the bride.

The groom was ably attended by [illegible]

Ushering the guests to the pews were Mr Roger Rooks and Mr. [illegible]

During the signing of the register Miss Beth Tyler sang "A Wedding Prayer" accompanied by Mrs. Elsie Batty who ably provided all the wedding marches.

The reception was held in the Tracy Memorial hall, Kitscoty, where the bride's mother received wearing a grey gabardine suit with red accessories, and she chose a corsage of red sweetheart roses.

Mrs. Rooks, the groom's mother, wore a becoming dress of blue silk crepe and lace, complemented by rose and black accessories and pink sweetheart roses en corsage.

The bridal table was laid with a white cloth centred by a beautifully decorated three-tiered cake topped with a miniature bride and groom. The cake was imbedded in white tulle and flanked by tall pink tapers in silver candlesticks and bouquets of pink flowers in crystal vases.

After the bride and groom cut the wedding cake the Rev. C. W. MacKay proposed a toast to the bride to which the groom ably responded.

Several young friends of the bride and groom assisted in serving the seventy-five guests who signed the guest book presided over by Miss Florence Rooks. Miss Beth Tyler entertained with a delightful solo, "I'll Walk Beside You".

Guests from afar were Mr and Mrs. P. Martell from Drayton Valley, Mr and Mrs. A. Keast, Stettler; Mr and Mrs. A. Falerly and family of Lindbergh; Mr and Mrs. F Bendixen and Mr. Frank Bendixen all from Heinsburg; Mr and Mrs. J Hansen and Kenneth of Riverton, Mr and Mrs. H. Manners and Robert of Lloydminster.

For a honeymoon trip to Edmonton and points west, the bride donned a Kelly green gabardine suit with brown accessories, and a corsage of pink roses.

A wedding dance was held in the town hall the same evening where the bride and groom entertained a large number of their friends.

Mr and Mrs. Sutton will make their home on the groom's farm in the Kitscoty district.

## Kokanee News

Mr and Mrs. J. Hohol, Joanne and Elmer left Saturday morning for Two Hills, Alberta to spend the week end with friends and relatives.

Mr. and Mrs. Wes Funnell and Larry motored to Edmonton for a long week end.

It is pleasing to report that Mr. Robinson Sr. is doing well after his operation in an Edmonton hospital.

Mr. John Smith returned to the K. Nelson home after spending a holiday with his friends in Calgary.

Roger Watt and Luther Thompson were recent visitors to Edmonton.

Mr. and Mrs. W. H. Allen left on Saturday for Victoria, B.C.

Mr and Mrs. Jim Sutherland and son Bruce of North Gully, Sask., spent Sunday visiting the McLean families.

Mr. and Mrs. W. Blake have moved to Vermilion for the winter.

Mr and Mrs. Alf Robinson motored to Edmonton to spend a few days and to visit with Alf's dad. Last reports are that Mr Robinson is not doing so well.

We hope all the men aren't like one we know — who seems to think more of his tobacco than his wife. We're afraid the next place this gentleman goes he'll take his tobacco can with him and leave his wife sitting on the doorstep!

Clarence Hicks is spending a few days with Archie Robinson.

A skating party was held on Friday evening. Everyone enjoyed themselves and wish to thank Victor Lumley for putting it on. Also thanks to Mrs. Karl Nelson for making the coffee.

A supper was held at Mr. and Mrs Roger Watt's for a number of relatives, the occasion being Mr Tom Watt's birthday.

Annette McLean is again in the hospital getting the 4th cast on her leg.

Don't forget the dance at the Union school on Friday, Jan. 21.

## Tips on Touring

By Carol Lane

Women's Travel Authority

There is a basic rule for driving in foggy weather which should be pasted on the windshield of every car: "See and be seen". How to see better in fog: Experiment by flicking the headlight beam up and down several times, but in most cases the lower beam will be best. High beam lights bounce too many rays off the fog and back into your eyes. If you have a spotlight, focus it on the right-hand side of the road, and down.

Turn off all inside lights, including the dash light. (The darker it is inside, the better you'll see outside). Keep the windshield clean and side windows open. If you have a passenger, he should watch the right-hand side while you keep a sharp eye on the centre white line — but stay well to its right.

How to be seen in fog: Make certain your stop-signal and tail light are working and free of dirt. Blow your horn freely, especially when climbing or coming down hills or slight rises. If another car is approaching or coming up behind, flick the headbeams and blow the horn until you are certain he knows you are there. If you are in trouble, pull to the side of the road as quickly, and as far, as possible. Leave lights on.

"See — and be seen", to cut foggy weather trouble to a minimum.

It is estimated that in the next five years the annual cost of federal old age pension payments will increase from $377 millions to $425 millions. —Quick Canadian Facts

## Of Many Things . . .

By [illegible]

HOME ENTERTAINMENT

Santa brought a movie projector and camera to our home this Christmas, and my wife and I learned a lot because of it. In the past, we had always planned for a sitter to look after our youngsters on New Year's Eve while we went out on a party. This year we had to pass up the party, because the youngsters had a plan.

They had decided to make a picture show. I was to be the camera man; my wife was to be the producer. The pantomime was prepared by my son, [illegible], with his sister [illegible] playing the star role. Kathy and the twins had bit parts; and some chums from up the street came in to help with the scenery and do the crowd scenes.

I used up ten dollars worth of film — somewhat less than the parties of old used to cost me; and I had the best New Year's Eve of my life. We haven't had the developed pictures back yet; but even if I turned out to be a flop as a camera man, and my wife a dud as a producer, we gained a lot.

From here on in we'll spend less time gawking at TV, doling our money with the [illegible] that medium is dishing out to the public under the guise of culture. We'll seldom spend the time, money and effort required to get downtown for a floor show. We've a piano at home and we'll gather round it with the youngsters; we'll make more movies, we'll play more games, and we'll make our own fun.

Looking back over 1954, I realize that my wife and I have been guilty of the common sin of this generation. We've let others entertain us. We've tried to buy our fun. Professional hockey, professional dancing, government radio and government television — the whole show being performed for us while we merely sat and watched.

This is a national curse. Canadians are in danger of becoming passive spectators in sports, entertainment and government. We do practically nothing for ourselves any more; we want everything done for us. We've forgotten that when you give any group the power to do things for you, you also give them the power to do things to you.

It's going to be different around our house in 1955. Dad, Mom and the youngsters are going to handle their own entertainment. Why don't you try it, too?

## OBITUARY

*Mrs. Flora Victor Coulter*

Mrs. Flora Victor Coulter, aged 60 years and 7 months, passed away in the Vermilion Municipal Hospital on December 29th, 1954, after a prolonged illness.

The funeral service was held on Monday, January 3rd at 2 o'clock in the Alliance chapel, Vermilion. The service was conducted by the pastor Rev. J. T. McNair. The capacity congregation in attendance testified to the esteem in which Mrs. Coulter was held. Interment was made in the Vermilion cemetery, pall bearers being Messrs. Wilfred McLennan, Frank Dibben, Obert Gunderson, Ralph Wilson, Edward Magistad and Cecil Sowden.

Mrs. Coulter was born in Hants Country, Nova Scotia, coming to the Vermilion district with her husband and family from Ibstone, Sask., some twenty years later. She is survived by her husband William, two sons, Charles of Lloydminster and Walter of Vermilion, and five daughter, Mrs. Lloyd Fulgham of Paradise Valley, Mrs. Eric Johnson of Rocky Mountain House, Mrs. Fred Clarke of Thorncliffe district, Mary and Elizabeth of Vermilion. There are eight grandchildren, two brothers in the U.S.A. and two sisters, Mrs. Fred Minn, Vancouver, B.C., and Mrs. Chas. Caldwell of Hants Co., N.S.

Beautiful floral tributes were received from:

Loving husband and children, also the grandchildren; Leeman, John and Hazel Clark; Fred and Florence Martin; Grace and Chas. Cawthorpe; Mrs. Barker, Art and Irma; Kay and Marshall Jackson, Louis Doreen Hicks Frank, Marg Wilhelm Harry and Thelma Sweeney; Mr. and Mrs. C. Nels; Mr and Mrs. K. Betz; Mr. and Mrs. H. Taylor; Mr. and Mrs. Jim Cameron; the MacNabs; Mr. B. McGinnes and family; Mr and Mrs Don Harrison; Thorncliffe Mut. Tel. Co.; Bowtell Busy Bees; Congregation of the Church of God, Paradise Valley.

Donations to Alliance Chapel Building Fund: Mr. and Mrs. G. Dibben and Robert; Heatheringtons; Mr. and Mrs. D. Currah and Doreen; Mr. and Mrs. G. Pierce; Mr and Mrs. C. Thompson; Mr. and Mrs. F. Dibben and family; Mr and Mrs. L. Mayhew and family; Alliance W.M.P. Band; Mr. and Mrs. W. McLennan and Marg; Mr and Mrs. M. Kupin and family; Mayhew Brothers; Mrs. Pres-

## PARADISE VALLEY NEWS

Christmas is over once again and it is time to settle down and send in some news once more. A Happy and Prosperous New Year to all.

Visitors to their former homes included Miss Laura Knutson who spent Xmas with her parents Mr. and Mrs. L. Knutson where there was a family reunion, 28 sitting down to the Xmas dinner. Mr. and Mrs. John Matheson and Gregory spent the week end at the Matheson home. Mr. and Mrs. D. P. Odegard, David and Karin visited with Mr. Odegard's parents at Meeting Creek for a few days during the holiday. Mr. and Mrs. Herb Foxwell and Cheryl of Edmonton were Christmas guests at the Hoskin and Gordon homes. Miss Sharon Walters who is attending school at Saskatoon, Miss Lois Stoddart and Don Levitt, students at the Lutheran College at Camrose were home for the holidays. Many, many more were home or away for the holidays and all report enjoyable times were spent.

Mrs. E. Mason and Mrs. L. A. Matheson entertained the W.A. in the United church basement Friday Jan. 7. There were 15 members present. The annual year end reports were given by the officers and committee conveners. The ladies decided to change the night of the W.A. meetings from Friday to Tuesday so the next meeting will be held Tuesday, Feb. 1 at the usual time of 8 o'clock. The general feeling of the meeting was that this change might tend to improve the attendance. However, if after given a trial Tuesday nights prove unsatisfactory, the Friday night meeting will be resumed.

One by one the early settlers of our district are passing on. During the past week two have left us in the persons of Mr. Charles Holmstrom aged 87 and Arthur Clarke aged 58. More detailed reports will be written later. To the families we extend our sincere sympathy.

Expansion of Canadian manufacturing created 34,300 new jobs in 1952, 23,000 in 1953, 16,200 in 1954. —Quick Canadian Facts.

ton; Mr. and Mrs. A. Dick and family; Mr. and Mrs. Eric Madill; Alliance Youth Fellowship; Alliance Missions; Mr. and Mrs. A. Tovell.

Crippled Children fund: Mr. and Mrs. John Hilcox; Mr. and Mrs. J. King; Mr. and Mrs. J. Mouse; Mr. and Mrs. Elmer Isley; Mr. and Mrs. Ken Urquhart and Mrs. Elliott; Mr. and Mrs. R. Mullen; Ed and Dean Stockwell; Mr. and Mrs. H. Brake and family; Grace, Chris and Bill Bradshaw and Wesley Harris.

Cancer Fund donations: Mr. and Mrs. Alex Stone; Mr. and Mrs. Coombes; Mr. and Mrs. R. Jory; Mr. and Mrs. Morris Cooper and family.

Cemetery fund: T. D. Watt and Gladys Clark.

## C. N. R. President Rewards Good Deed

WINNIPEG. — Two Transcona youths, Brian Shore and David Pearson, are sporting new watches which were unexpected gifts from Donald Gordon, chairman and president, C.N.R. Each youth also received a letter from the railway president praising them for having prevented a possible railway accident last July.

While returning to the C. N. R. station at Ottermere, Ont., the two youths discovered a large rock on the track about one and a half miles from the station. Realizing the danger of a train striking the rock, they ran to Ottermere to summon help to remove it.

On being notified, C. E. Walton of Ottermere and E. S. Malley of East Kildonan, Man., rushed to a point one mile east and west of the obstruction to warn any oncoming trains; while the youths and J. Gregor and I. Manning of Transcona, and E. E. Hurley and Richard Hurley Jr. of Ottermere, removed the rock. They completed the task within ten minutes of the arrival of a freight train.

The six persons who heeded Brian and David's appeal for help also received individual gifts and letters. In sending the gifts as a memento of the initiative shown, each of the president's letters praised the individuals for their presence of mind and thanked them for their co-operative spirit.

We bring you—

THE 1955 BUICK

New thriller in Style—Power-Performance

A General Motors Value

A BRIGHT NEW FRESHNESS greets your eyes and tells you: *Buick's done it again.*

You see it in the bold distinction of that gleaming Wide-Screen Grille. You see it in the rakish sweep of the rear-end contours. You see it in the whole fore-and-aft newness of fleet-lined grace that marks Buick the beauty thrill of 1955.

**New horsepower—up to 236**

You learn more when you get the power story. Up to new peaks go the horsepowers of every Buick V8 engine—a walloping 188 h.p. in the low-price SPECIAL—a mighty 236 h.p. in the CENTURY, SUPER and ROADMASTER.

And it's new, more responsive, far abler power you can literally feel as you go.

But even bigger Buick news for 1955 is something more than style and power. *It's what the "variable pitch propeller" now had done for Dynaflow Drive.**

**Up goes performance—and gas mileage too**

When you find it necessary to push the pedal to the floor board, you do more than call on the greatest high-compression V8 power in Buick history.

You do what a pilot does when he heads his plane down a runway.

You do in oil what he does in air—*you cut down take-off time by using "variable pitch propellers."*

In this case, the propeller blades are inside the Dynaflow unit. But they're engineered to swivel or change their "pitch" just like plane propellers—and with the same result: one pitch for getaway, another pitch for gas-saving fuel efficiency. *And what you get in the way of instantaneous safety-surge with absolute smoothness, you can only believe when you feel it.*

**This you have to try**

Of course, we want you to come and see the trend-setting new Buicks—look into the betterments in gasoline mileage that add new thrift to these spectacular cars.

But this year, "seeing" is only the beginning. So—join the crowds viewing the new Buicks, and make a date to get behind the wheel as soon as we can have a demonstrator available. We promise you the thrill of the year.

*Standard on ROADMASTER, optional at extra cost on other Series.

### C.G.I.T. Paradise Valley "Valley Maids" News

The regular meeting of the C.G.I.T. was held in the church basement Dec. 1. The meeting was called to order by singing 'O Canada'. A square was formed and the Purpose was then repeated. Grace Stoddart and Margaret Wolf followed with the devotional. In new business the girls had a discussion on the Xmas party. The roll call was called with 13 members present. Grace Stoddart made a motion that we have our Xmas party on Dec 21 seconded by Patsy Johnson. It was then decided that we would invite our mothers. Linda Stepenoff moved that the meeting be adjourned. Games were played after the meeting.

A special meeting was held on the church on the 15th to practice for the Vesper Service and plan our Christmas party. It was decided to have a supper with our mothers and go carol singing and return to the church for gift exchange.

The regular meeting of the Valley Maids was held in the church basement Wednesday Jan 5. The meeting opened by the singing of 'O Canada' followed by the repeating of the Purpose. Mrs Gunn led the girls in the devotional 14 members answered the roll call. In new business Grace Stoddart made a motion that we send $5 to the British and Foreign Bible Society. Margaret Wolf moved that the meeting be adjourned. "Comrades" was said and "Taps" sung. Games were then played and a lunch enjoyed. Grace Stoddart moved a vote of thanks to Patsy Johnson for the lovely lunch.

### Princess Anne W. I. Notes

PRINCESS ANNE W I alu lar

The meeting was held at the home of Mrs. R. C. Mead on Jan. 10, with 10 members and 3 visitors present. Mrs. Bert Searle of Okanagan Falls, B.C., Mrs. Wm. Hall and Mrs. Geo. Maggs.

The business of the meeting, followed the usual opening procedure.

It was moved and seconded that each member would answer the February roll call with a donation to the "Cod Fish for Korea" drive.

A discussion re the making of a heavy tied quilt from suit patches to be sent to the Unitarian Services committee, followed. Each member is to make several patches, then a bee will be held to sew them together and tie the quilt.

The topic for the day was the compiling of our Handicraft list for 1955.

Mrs. George Mead was appointed convener for the standing committee on the United Nations.

The meeting was adjourned with the singing of "The Queen," after which the hostesses, Mrs. R. Strome and Mrs. Maggs on behalf of Mrs. O. Strome served a delicious lunch.

The February meeting is to be held at the home of Mrs. R. Reeves. Mrs. F. West and Mrs. Parchewsky to serve lunch.

### WILDMERE WINKS

The Standard in recent weeks has reported the names of many old friends who have passed on to their well deserved rest. It was with a deep sorrow we read of the passing of Mr Fred Long who was a real pioneer of Vermilion. The drug store business he started is still being run by his son Carman. Our deepest sympathy along with the community's goes out to his sorrowing wife, daughter and son, and his sister and brothers left to mourn his passing.

Our sympathy also to Mr. Coombes and relatives on the loss of a loving wife, mother and sister. Mrs. Coombes was the news reporter for Islay rural and her column will be greatly missed in the Standard.

Another who passed on in recent weeks was Mrs. Gow of Calgary. She was a real pioneer woman and one was always sure of a warm welcome in her home. To her sorrowing family, Logan of Borradaile, Bill and Ruht in Calgary, also another son and daughter, we extend our deepest sympathy.

ARTHUR CLARKE LAID TO REST

The large funeral for Mr Clarke bespoke the high esteem he held in the community. It was held in the theatre at Paradise Valley. All the councillors of Vermilion River and staff and the divisional school board trustees were honorary pallbearers. One of Mr Clarke's nephews Mr Marshall read the scripture and another brother sang "The Old Rugged Cross". He was laid to rest in the cemetery just north of the town. He leaves to mourn his passing his loving wife, two sisters and two brothers, a step-son and several nephews and nieces.

Yes, Clandonald we too were pleased to see Dewberry news in the paper once again. We hope our scribe and councillor's ankle is soon better so he can once more play hockey and get around without the use of crutches.

Mumps made their appearance in Basswood last week when Mrs. Gibson and son Ernest became victims of the disease. We are pleased to say all the sick folks with mumps and chicken pox have now recovered.

The south country did very well at the Farmers' Bonspiel. The Noel Garnett and Cliff Cruthers rinks of Wildmere both got prizes, also Billie McGrath of Tolland, and Billie Veitch of Battleview. The King rink of Thorncliffe got in the prizes too while the Gordon Larsen rink of Buffalo Coulee won the Grand Challenge. The lunches the ladies put up at the rink were really good and very tasty.

Laurence Graham from north of town was a visitor to the Wallington home on Sunday.

Mrs. Lloyd Howard, Allan and Howard Coburn received word this week that their mother was very sick at the coast. We all hope she has improved before this news is printed.

Funniest thing seen: A curler from south of town by the name of Harry, walking along the street on Saturday with a puffed up chest. Was it all pride Harry over winning a prize in the spiel?

Federal government spending on social security and welfare alone is now more than twice the total of all of Ottawa's spending in 1939. —Quick Canadian Facts.

## Mayor Heckbert Retiring From Office

In addressing the annual meeting of the Vermilion Board of Trade on Wednesday, Mayor S. Carl Heckbert announced that his term of office as chief magistrate of the town expired in February, and that he was not seeking re-election owing to commitments of a provincial office for the next year.

The Mayor added that the terms of councillors George Webb and G. W. Sutherland expired this February and he regretted to say that after many years of very active service on the council, K. G. Urquhart was resigning due to pressure of business interests and a candidate would have to be selected to fill his unexpired term. This meant that the Town of Vermilion would be in need of a mayor and three councillors to carry on for the next year.

It was in the interests of the welfare of the town said Mayor Heckbert for all citizens to give serious thought to the problem of filling these vacancies well beforehand, and not leave such important decisions to hasty action on nomination day.

## Military Ball Highlight Of Winter Season

The Military Ball, which is to be held in the armories on Friday, Feb. 4 promises to be one of the highlights of the winter social season. The members of the committee, representing the local Reserve Unit and the civilian advisors, are sparing no effort in planning, nor expense, to make sure that everyone will be well satisfied with the entire evening.

The best orchestra available, members of the P.P.C.L.I. band, has been engaged to provide the music. Much work is being done on decorating for the event and the committee feels that all attending will find a pleasing atmosphere in this regard. The luncheon which will be served promises to be one of the best yet at a dance of this kind and this part of the function will be satisfactory to all.

The committee would urge all who plan to attend to be there on time as the dance will commence with the Grand March, to be led by the local officers and service men from the Regiment and from Western Command. It is planned that this will start at 10 p.m. sharp.

The orchestra from the P.P.C.L.I. band contains many top notch musicians and reports from all who have heard this orchestra maintain that they compare in quality to any professional band from the States. Music of this high calibre is one of the highlights of the Military Ball and will no doubt make it one of the best dances ever to be staged in the town of Vermilion.

## Scouts, Cubs Ask For Coupons, Box Tops

Attention, all housewives! The Quaker Company are sponsoring a contest which rewards the winners redeeming the most coupons with a generous cash prize. The Scouts and Cubs, Brownies and Guides, as one organization are trying hard to win this prize in order to boost the Scout Hall building fund.

They would greatly appreciate anyone saving coupons from Quaker Flour and box tops from Quaker Rolled Oats for the next three months. Coupons and box tops thus saved may be given to any member of the Scouts, Cubs, Guides and Brownies. 30-3

## Officers of United Church W.A. Inducted

On Sunday Jan. 16 Rev. MacKay inducted the new officers of the W.A. of the United church for the coming year. The following officers were chosen:

President—Mrs. Marion Davis
1st Vice—Mrs. Alice Allen
2nd Vice—Mrs. Ethel Rooks
Secretary—Mrs. Beryl Seuffert
Treasurer—Mrs. M. Anderson
Press Corresp.—Mrs. L. Eldem
Group 1 Leader—Mrs. Seuffert
Gr. 1 Asst. Leader—Mrs. Marshall
Secretary—Mrs. Sybil Roebuck
Treasurer—Mrs. Rae Curtis
Group 2 Leader—Mrs. Downey
Gr. 2 Asst. Leader—Mrs. Davis
Secretary—Mrs. Eva Hawley
Treasurer—Mrs. Madge McLean
Gr. 3 Leader—Mrs. Ann Winters
Gr. 3 Asst.—Mrs. Esther Glew
Secretary—Mrs. Vi Gibbons
Treasurer—Mrs. Alice Allen

## Fish & Game Make Plans for Active Year

The Vermilion Fish and Game Association held their first monthly meeting on Monday, January 17th with a very good attendance. It was noticed that five lady members were present and three junior members.

It was voted that those interested in a Sporting Dog Club get into touch with either the secretary or Dr. Bob Anderson. This will be a separate organization from that of the Fish & Game Association.

Mr. C. Neis will be the member to attend the Provincial convention in Calgary next month.

All boys and girls interested in joining the Junior association please get in touch with either of the members of that committee, Mr. L. Hareuther, Mr. J. Stewart, or Mr. J. Chalmers. The membership fee is 50c. there are six members now and would like to see about fifty.

The Crow and Magpie Feet competition will be carried out again this year and NOW is the time to get started collecting the feet. Cut the feet off at the ankle and this will stop all odors. This year there will be three prizes given for the most pairs of feet turned in before the end of July. There is still the bounty of 5c per pair. Get out, boys and girls, and get them in, starting March 1st. The prizes will be on display in the window of the collector.

The monthly meetings will be held in the Legion hall at 8:00 p.m. sharp on the third Monday of each month, and after the meeting coffee and sandwiches will be served. We are very hopeful of having for our film next meeting the 1954 Grey Cup film and also a member of the Eskimos to tell how the battle went and explain any questions asked.

## Commandos Here Saturday

The fast travelling Wainwright Commandos are back here Saturday for a scheduled league game. So far these two teams have met twice with the Commandos winning each time 4-3 and 5-1.

Those who saw the game here last Friday evening claim it to be the best brand of hockey displayed to date in the arena this season. Both teams play it fast and clean so that a mighty fine encounter can be relied upon for Saturday night. Be at the Vermilion arena 8:30 sharp for one of the best fixtures of the winter.

## Ladies' Annual 'Spiel February 1 and 2

The Ladies' Curling Club are holding their annual bonspiel on Feb. 1st and 2nd. Entries should be in by noon, Sunday, January 30 and may be phoned in to 417. The prize committee have an attractive and useful lot of prizes.

Two club rinks journeyed to Mannville last Wednesday and returned with the Bank of Commerce Challenge trophy.

## Kitscoty H. S. Rink Wins Play Off

The Kitscoty high school rink won the Taylor-Pearson play-off for this zone and Friday and Saturday will see them in Edmonton competing for the Northern Alberta championship and a chance for further laurels. The play-off for this zone was at Islay and ended with Kitscoty winning all three of their games. Vermilion won 2 and lost one, Paradise Valley two wins and one loss, with Islay losing three.

The Kitscoty high school rink was comprised of Gordon Jacobs of Rivercourse, skip; Bill McGuigan of Islay, 3rd; Ken McLennan, Islay 2nd and Dale Mitchell, Streamstown, lead.

The V.H.S. rink had Brent Long skip, Stewart Cooper 3rd, Duncan Locke 2nd and Ed Frissell lead. The V.H.S. rink won the zone playoff one year ago and played in the city, an experience they enjoyed very much.

## Derwent Rink Are Big Winners At St. Paul Bonspiel

The Zazaluk rink were the big winners at the St. Paul bonspiel which was completed over the week end. The final of the Grand Challenge was won from Dr. Eastwood of the Alberta Avenue club in Edmonton by a score of 13-8. With this open event went the Bodard trophy.

The Derwent quartet also racked up 93 points in six games to win the Grand Aggregate and the Laboucane trophy.

Members of the rink were Steve Zazaluk, skip, Marshall Mudryk, third, Emil Mudryk, second, and Paul Zazaluk lead.

## Rector Appointed For St. Saviour's

On Sunday last the announcement was made of a successor to the Rev. D. A. Ford as rector of St. Saviour's parish. The new rector is to be the Rev. Kelis A. Minchin, at present assistant-curate at Holy Trinity church in Edmonton. Mr. Minchin is the son of the late Rev. A. E. Minchin and is therefore well acquainted with rectory life. The new rector is a graduate of the University of Toronto and of Wycliffe College, Toronto. Until last fall Mr. Minchin was the incumbent of Westlock in this diocese. He is married and Mrs. Minchin is well known in musical circles in Edmonton.

Mr and Mrs. Minchin will occupy the rectory at the first of April and until that time an interim clergyman from Edson in this diocese will carry on the duties of this parish.

## Liberals Seek Battle River-Camrose Seat

A three-way contest for the Battle River-Camrose federal riding, where a by-election is pending, was assured when the executive of the Liberal organization decided to call a nominating convention at Viking on Feb. 16th. Date of the by-election has not yet been announced from Ottawa.

Social Credit-ers will nominate at Viking on Wednesday next, Feb. 2, while the C.C.F. will hold their convention for this purpose on Saturday, February 5th.

## Happy Hour Group Elects Officers

The annual meeting of the St Saviour's Happy Hour group was held at the home of Mrs. Gib Stephen on Thursday, Jan. 20 at 8 p.m. with 25 members and visitors present.

Reports of the year's work were read and then the group proceeded to elect officers for the coming year. The new officers are:

President — Mrs. R. K. Chalmers
Vice-Pres — Mrs. W. Parker
Secretary — Mrs. V. Tillett
Treasurer — Mrs. M. Taylor
Dorcas Sec. — Mrs. W. Fooks
United Thank Offering Sec. — Mrs. T. Milligan
Sunshine Sec. — Mrs. L. Webb

Following the meeting a pleasant social time was enjoyed, in the course of which a presentation was made to Mrs. D. A. Ford on the occasion of her moving to Calgary. In addition to the gift favorite recipes were enclosed in a book from all the members. Refreshments concluded a very worthwhile and happy evening.

## Derwent Bonspiel Feb. 4th, 5th, 6th

Derwent curling club will hold an open bonspiel on Feb. 4, 5 and 6 and all comers are invited to enter. Three events will be played. Entries may be phoned to numbers 21 or 7, Derwent.

## Sunday Dinners At Brunswick Hotel

The Brunswick hotel dining room is now under entirely new management and staff, the new proprietor being Mr. H. Rukavina, a chef with 26 years experience. Mr. and Mrs. Rukavina come to Vermilion from Edmonton.

Meals will be served at all hours as formerly but the dining room will also be open on Sundays with a special dinner menu served from 4:30 to 8:30 p.m. A really nice Sunday dinner will be made a specialty with children's orders available when the whole family dine out.

For full particulars see the announcement in advertising columns of the Standard this week.

### Annual Meeting Held On Wednesday

## Board of Trade Elect Dr. Ben King As President

The Vermilion Board of Trade chose for its president this year, Dr. A. Ben King, well known young medico of the town who has taken a keen interest in town affairs and community enterprises ever since coming to Vermilion nine years ago. Elected to the office of vice-president is Mr. Ross Boake, owner and proprietor of the drug store which bears his name. In town now for twelve years Mr. Boake has served on council, school board and many of the other organizations so necessary to an active centre.

The complete roster of officers for the Board of Trade for 1955 is:

Hon. Pres.—His Worship, Mayor of Vermilion
Immediate Past Pres. — K. G. Urquhart
Vice-Pres. —J. R. Boake
Sec.-Treas. —F. J. Richardson
Dir. of Pub.—Ashley H. Cooper
Farmer Rep.—Roy Walker
Executive Members — I. Miller, E. J. Herzog, E. A. Locke, Albert Hareuther, Thos. McPherson, R. Keith Chalmers, Mitchell Taylor, Dr. Denis P. Hanlan.

Immediately following the election of the new officers His Worship Mayor Heckbert administered the oath of office to the incoming president and vice-president. Before doing so the Mayor expressed appreciation for the splendid contribution rendered Vermilion and the community by the Board of Trade over the years.

After taking the chair the new president stated that he approached this position with considerable pride knowing that it was a very important office in the life of a town, and with just a little humility and doubt as to his ability to fill the position due to the efficiency of his predecessors in office.

Dr. King then went on to outline some of the projects which he hoped to foster during the coming year.

Following this, the retiring president gave a resume of the work achieved and attempted during the year 1954. Commencing next week the Standard plans to publish this talk by instalments as it does give an insight into the activities of this promotional body of the town and district.

Immediately after the regular meeting an executive meeting was held to appoint the standing committees for the ensuing year.

## Death of Cecil King

Cecil King, esteemed farmer of the Thorncliffe district, passed away at the University hospital in Edmonton early Wednesday morning, January 26th, following an illness of several months.

Funeral services were held this Thursday morning at 11 o'clock at Howard & McBride's funeral chapel, Edmonton. A memorial service will be held at St. Saviour's Anglican Church, Vermilion, on Saturday afternoon, January 29th at three o'clock.

## Legion Polio Canvass Started On Monday

Seven Legion members are canvassing the business blocks in Vermilion, while a group of the Legion ladies auxiliary members are canvassing the residential area.

It is too soon to add up the figures but canvassers report that everywhere citizens are supporting the polio campaign very well indeed. It is expected that collections will be as good as last year, when over $2,000.00 was obtained.

It might be of interest to Vermilion people that a large part of the amount collected last year has been paid out in distress claims right here in the district.

The fund is used to such an extent that there would not be enough left to carry through his year, especially if a polio outbreak occurs again in this district such as happened two years ago. Hence the reason for another canvass, and all citizens are asked to be generous in supporting this work of charity.

Very likely some town people, and farmers too will be missed in the canvass. Donations may be left with George Martin, chairman, Vic Tillett, president; E. H. Buckingham, secretary, or Thos. Watts.

## O.E.S. Instal Officers

At a recent meeting of Queen Esther Chapter with Sister Eleanor Brass, Past Matron, as installing officer, in the chair, the following new slate of officers was installed:

Worthy Matron—Sis. E. Macnab
Worthy Patron—Bro. F. Inman
Assoc. Matron—Sis. K. Stewart
Assoc. Patron—Bro. O. Omness
Secretary—Sis. M. Conboy
Treasurer—Sis. D. Scott
Conductress—Sis. A. Green
Assoc. Conduct.—Sis. J. Norton
Chaplain—Sis. A. Simonson
Marshall—Sis. H. Barr
Organist—Sis. M. Boake
Adah—Sis. R. Inman
Ruth—Sis. D. Ackerman
Esther—Sis. M. Brennan
Martha—Sis. F. Dixon
Electa—Sis. I. Moffatt
Warder—Sis. A. Braithwaite
Sentinel—Sis. A. Soldan.

Sister R. Inman acted as installing marshall assisted by Sister K. Fyfe, Past Matron.

## Britannia Rebekah Lodge Members Presented With Veteran Jewels

January 10th was a memorable occasion for Britannia Rebekah Lodge No. 48. That evening in the presence of practically all the members, the Noble Grand, Sister Beryl Seuffert under Order of Business No. 16, handed the gavel to D.D.P. Sister Marie Martin. Then, Sister Martin in a pleasing little speech on their behalf very appropriately presented Sisters Annie Cameron, P.N.G., Beth Witherbe, P.N.G., and Mary Keys, P.N.G., with their 25-year veteran jewels. Sister Cameron and Sister Witherbe, being charter members of the lodge will be eligible for their 40-year jewels on July 15, 1955. All three sisters are P.D.D.P.'s and Sister Cameron in addition, served as Alberta Assembly Inside Guardian in 1935-36. They were also presented with pink carnation corsages. It was a complete surprise, but each sister responded with feeling, in her own particular way.

A short recess was declared during which time the three honored Rebekahs were congratulated by the members.

In the centre of the table, spread with an ecru cut-work cloth, was placed a most attractive cake decorated in pink, fluffy icing and topped by the Three Links bearing forty years membership. On either side stood tall, green lighted tapers in brass holders completing a very pretty arrangement for the serving of a most delicious lunch. The three guests of honor together cut the cake. Members of the Past Noble Grands' Association helped with the serving.

Snapshots were taken of the occasion and all members joined in the evening's entertainment which made one of the most pleasant and memorable meetings Britannia Rebekah lodge had ever had.

Shortly after midnight, the happy evening of fraternal good fellowship was brought to a close by singing "For They Are Jolly Good Sisters".

## TOP PICTURE FOR CLANDONALD

Showing for the first time in this section of Alberta, "The Quiet Man" will be shown at the Clandonald theatre on Mon. and Tues. Feb. 7 and 8. There will be two shows each night at 7:30 and 9:30. This is one of the top productions and is being shown at Clandonald at regular prices. 30-1c

## HI-SCHOOL HI-LITES

The V.H.S. girls 'A' basketball team showed everyone that they are still 'the champs' when they trounced Wainwright girls 28-14 in a game here recently. Although it was their first game of the season, the girls proved that they had forgotten nothing, and, cheered on by the V.H.S. cheer leaders played a good brand of basketball. High scorers for the game were Rhea Ireland with 11 points, followed by Hazel Barr with 9.

Also in the world of sports were the exciting contests to see who would represent V.H.S. at the Taylor-Pearson curling play-offs. Three rinks skipped by Brent Long, Ken Shepherd and Bob Hemmingway played off at the local rink with Long's foursome of Stewart Cooper at third, Duncan Locke 2nd and Ed Frissell lead, coming out on top. This rink played in the regional play-off at Islay where they lost only one game. Kitscoty, the winner of the round-robin go to Edmonton to compete this week end. Good luck Kitscoty!

CARNIVAL COMING UP

The annual V. H. S. carnival is now in its planning stages and under the guidance of Mr Bell committees have been set up and put to work. The carnival date is set for Feb. 25, so watch for more news next week.

### Council Holds Lengthy Session

## TOWN PROPERTY IN DEMAND

A regular meeting of the town council was held on Jan. 17 with Mayor S. C. Heckbert and Crs. M. Hill, D. R. Mitchell, H. J. Payne, G. W. Sutherland, K. G. Urquhart present.

Absent: Cr. George C. Webb.

Mr. Metcalfe attended the meeting and discussed with the Council the purchase of a lot and erection of a dwelling in the Vermilion Heights subdivision.

Mr. Robson and Mr. Simonson representing the Red Cross organization attended the meeting and asked that the Council give consideration to giving some assistance in providing equipment (such as an oxygen tank) for a privately owned ambulance. Council stated they would appoint a committee to look into the matter.

The minutes of previous meeting were adopted as read.

The financial statements were adopted as read.

The following motions carried:

By-law 1-55 appointing H. W. J. Foster as returning officer for 1955 given 1st, 2nd and 3rd reading and finally passed.

That the Vermilion Curling club's request to use the skating rink for the bonspiel be granted with the usual arrangements.

That request of North Star Oil of Jan. 14 in regard to the purchase of Lots 11 and 12, Blk. 35, Plan 4987 S, be granted.

HOSPITAL FIRE ESCAPE

After consideration of a letter from Fire Commissioner Bridges that the Secretary write Commissioner Bridges advising him that the Council is not satisfied with the disposition of the matter of the fire escape situation at the Vermilion Municipal hospital. Copies of the letter to go to Dr. McCallum of Hospital Services and the Vermilion Municipal hospital.

LOT SALES

Moved that the following property be sold to:

Arvid Horpestad, Lot 9, Blk. 33, Plan 635-V for $150; John Wilhite, Lots 19 and 20, Blk. 30, Plan 635-V, for $315; George Cooper, W½ of Lot 2, Blk. 30, Plan 5504-HW for $100. All sales subject to the usual sales agreement.

That J. Gordey be appointed as weed inspector and pest control officer.

Authorize Secretary to allow the monthly discounts on water and sewer accounts with Provincial and Dominion governments any time payment arrives after discount date allowed, for the month for which the payment is given and that any discounts outstanding on the books.

By-law 10-54 cancelling Business tax of J. D. Adam $31.30 and John Toner $62.70, be given 1st, 2nd, 3rd and final reading.

Town accounts, water and sewer accounts and water and sewer extension accounts were passed and ordered paid same having been certified by the Finance committee.

## Health and Good Sense

The Health League of Canada which carries out a year-round program of education in the prevention of sickness, requests the co-operation of all people in awakening every Canadian to the importance of health consciousness. "A nation Canada-wide joining of hands of all groups and individuals," it declares, "will do the job of carrying the Health Week message into every home in

There is much to be said for the efforts of organizations doing work like this. They are certainly a symptom of the democratic mind. They are not bound in communist or similar states, but not because they do not need for them. It is because as with so many other things there is no necessity for the citizen to carry them out.

Lastly there is more true insurance of health in education than in all the health insurance schemes Education seeks to prevent sickness which is true insurance for health. Anything else can only give relief when sickness has already struck.

As anybody who has ever been sick will agree — and how many fortunates among us have not? — the lessons of the old proverb still ring true namely an ounce of prevention is worth many times more than a pound of cure.

### Vermilion Health —

As a result of a dog biting a child on the school grounds recently dogs are very much in the public eye in Vermilion again. Two comments age people who take pride in their gardens pronound vigorously against the dog nuisance. The rabies menace came along and for a time dogs on the loose were few and this proved quite a relief. Now they are back more numerous than ever a menace on the school grounds where they naturally congregate, a nuisance on the streets, and in the summer a continual source of annoyance and disagreement to the gardener and a menace to health.

All dog owners should ask themselves very seriously if their pets serves any useful purpose. The old adage of a boy and his dog hardly holds anymore in a town like ours. Dogs are on their own much more than they are in the company of their youthful owners. People who at one time think that they just must have a dog for the children usually regret that decision later but once they have one find it difficult to dispose of the pet.

In view of all the angles, the Standard agrees with the decision of the town council. If you must have a dog then he should be kept muzzled.

An owner of a dog when asked his opinion will probably very frankly tell you that a dog in town is a nuisance and that its usefulness is practically non-existent.

## Control of Public Lands in Alberta

In 1930, when the Dominion Government handed over the administration of Alberta's natural resources to the Province, the Department of Lands and Mines was organized. Due to increasing development of resources, it was necessary to divide the original department. On April 1, 1945, the Department of Mines and Minerals and the Department of Lands and Forests were established.

The Lands Branch of the Department of Lands and Forests has jurisdiction over most of the public lands in the Province. Involving over 90 million acres, these public lands make up more than half of Alberta's entire land area. Approximately nine million acres are now held under lease, permit or sale agreement. Eighty million acres still unrecorded contain as much arable land as all under cultivated areas now handled.

Public lands in Alberta are classified into unclassified and non-settlement zones. Where the land is covered with timber or is considered suitable for agriculture, settlement is not permitted. Such land may be leased for commercial purposes or lands available for grazing on a temporary basis.

In the settlement zone public lands are made available under various conditions, such as homestead, grazing or cultivation leases and sale agreements.

Alberta's homestead lease policy governs the disposal of public lands for settlement. A person may apply for a lease on a half-section of land. Payment for the lease includes taxes, is made on a crop share basis on completion of specified residence and cultivation requirements, and is obtained for a nominal sum.

The homestead lease policy of the Department of Lands and Forests has been well received. More than 6,000 leases, representing about three million acres, are now in operation.

The Provincial Parks Board is a part of the Department of Lands and Forests. The function of the Board is to preserve and help develop Alberta's unique recreational resources for the province's citizens. The work of the Board is carried out by Alberta sailing for its recreational, historical and game preserves. The work of the Board is carried out by operative basis, with the Alberta Government and local residents co-operating. About 25 parks have been established to date, with additional areas reserved for future development.

The largest stock of Alberta maps is carried by the Technical Division. These are easily available to the general public and to all government offices.

The aerial Photographic Library maintained by the Technical Division consists of photographs of the entire province. Over 135,000 photographs are on file. From members, prospectors, photographs, topographical photographs, pictorial coverage is obtained of any desired area.

Alberta's aerial photographs are of tremendous importance to province and public alike. Enabling oil companies, geologists, and prospectors find them invaluable. They are also used by municipal officials for assessment purposes, for land reconnaissance in road construction. They serve an important purpose in locating bridges and town planning. A forest inventory is also maintained by the photographs and their use in forest management is indispensable.

GOVERNMENT OF THE PROVINCE OF ALBERTA

## Annual Meeting W.A. St. Alban's, Chailey

MANNVILLE — St Alban's W.A., Chailey at their annual meeting elected the following officers for 1955: President Mrs. W R Cornish. Vice-Pres. -Mrs J E Cornish. Secretary- Mrs Gerald Cashin. Delegate to the W A Annual Mrs L S Coulter and Mrs. Gerald Coulter. Delegate to Vermilion Deanery Mrs T Rostron.

## By Your District Agriculturist

# "GREEN ACRES"

### 1954 BRAND BOOKS

I have just been informed by the Alberta Department of Agriculture that a new brand book will arrive soon for use in this office. Every owner is welcome to come in and look it over. Every check mus ought to be a registered brand. The cost is only $5 and they must be renewed every four years.

### COYOTE CULLING

In Southern Alberta cover crops are very well. Get crop in towards July 10 and pasturing starts Sept. 15. Gains of 2 and 3 pounds per head per day are common. Last summer Chas Pearman of Vermilion used a cover crop for fall feeding. Mr Pearman reports that he is very well satisfied with the results and intends to broadcast in the fall. Call in the office and see Mr Bowman's figures.

### PLANT DISEASES

Moisture has always been the limiting factor in growing field crops in this area. It now looks like plant diseases may take a big per toll of crop yields than lack of rain fall ever did. What to do about it? Use seed free of disease, use disease resistant varieties and don't grow the same kind of crop on the same field for two years in succession. Maybe we are going to be forced into a cropping system whether we want to or not.

### LOOSE HOUSING

A while ago I visited F Van Wageningen at his farm in the Tulsa district. Mr Van Wageningen milks about 20 high producing Holstein cows. He is very well pleased with his new loose housing barn and milking parlor. Anyone thinking of building or remodeling a dairy barn ought to see this lay-out. Van says he would never go back to tying up cows and cleaning out cow stables again.

### FEEDING FOR SOWS

In this area there is a lack of bulletin on sweet clover and soft water. Young pigs and brood sows come weak from a lack of iodine in the blood grown on sweet clover hay or pasture. From the time of breeding the following sows should get a sow mixture: 4 parts of Potatoes, 1 part Get particulars from this office.

### CATALOGUE

Yes, seed catalogs arrive in every mail so it can't be long till spring rain fall ever did. What to do about it? Use seed free of disease, use disease resistant varieties and don't grow the same kind of crop on the same field for two years in succession. Maybe we are going to be forced into a cropping system whether we want to or not.

### LOOSE HOUSING

A while ago I visited F Van Wageningen at his farm in the Tulsa district. Mr Van Wageningen milks about 20 high producing Holstein cows. He is very well pleased with his new loose housing barn and milking parlor. Anyone thinking of building or remodeling a dairy barn ought to see this lay-out. Van says he would never go back to tying up cows and cleaning out cow stables again.

### FEEDING FOR SOWS

In this area there is a lack of bulletin on sweet clover and soft water. Young pigs and brood sows come weak from a lack of iodine in the blood grown on sweet clover hay or pasture. From the time of breeding the following sows should get a sow mixture: 4 parts of Potatoes, 1 part

Get particulars from this office.

### CATALOGUE

Yes, seed catalogs arrive in every mail so it can't be long till spring rain fall ever did. What to do about it? Use seed free of disease, use disease resistant varieties and don't grow the same kind of crop on the same field for two years in succession. Maybe we are going to be forced into a cropping system whether we want to or not.

## Way Off Balance

Aunt Jemima

Free paper does not hold itself responsible for opinions expressed by correspondents.

January 29, 1955.

Dear Editor:

Elsewhere in this paper there appears a letter from Mrs. Bowman of Kerrobing and condoling of dogs in the Town of Vermilion. I would like to say that letter is the first letter the reason the town has found it necessary to enforce these regulations more strictly.

Safety of the children is of course one of the reasons mentioned on several occasions recently there have been one or more dogs in the school grounds playing with the children. After a while the dog tires of playing and often gets cross and fights with or bites the children. Only last week there was an occasion where one child was severely bitten by a dog on the school grounds.

The many dogs running at large in the town also proved to be a nuisance and a danger to pedestrians and motorists. Very often they are seen lying or playing on the sidewalk or crossing a street in front of an oncoming car. Their barking at all hours of the night and early morning is also most disturbing.

Many of the dogs running at large are unowned and unlicensed, and while these are primarily the ones for which the regulations outlined in the notice are intended, they are by no means ones. Any dog which is found running at large after January 31st will be impounded for forty-eight (48) hours and if not claimed at that time, will be disposed of. In any case where the dog is carrying a license an effort will be made to contact the owner before finally disposing of the dog.

We are sure the citizens of the town will agree that there is a need for more rigid enforcement of these regulations and we solicit their support in keeping their animals penned and by advising the town office any time they see a dog running at large.

Yours very truly,
C. H. WEGNER,
Secretary-Treasurer,
Town of Vermilion.

Vermilion, Alberta,
Jan. 24, 1955.

Dear Mr. Cooper:

At the beginning of a fresh year, the members of the Happy Hour Group of St. Saviour's W.A. wish me to thank you most sincerely for all the notices you published in the Standard for us, throughout the past year. We appreciate your help very much indeed.

Yours, very sincerely,
Marjorie E. Tillett,
Sec'y, Happy Hour Group.

## Vermilion Curlers Win At St. Paul

Two Vermilion rinks came home with prizes from the St. Paul 'spiel. Aileen Kiwi, Marshall Jackson, Jack Hannan and Sandy Wyle scooped first in the third competition. Skip Bill Sutherland with Ross Beale, Bill McLaughlin and Tom McPherson won first in the fourth event. Last year's winners, Glen Gilchrist, George Webb, Bob Reeve and Norm McInnis didn't come home with any of the silverware this time.

Check Had date inlist on your Standard Today!

## Commandos Score Three Goals In Third Period To Win 4 - 3

Trailing 3-1 going into the third period the Wainwright Commandos staged a rally that netted them three goals and gave them a 4-3 victory over the Vermilion Tigers in the local arena last Friday night. It was the first meeting of the two teams this season.

Wainwright appears to have a well balanced team and the game was the best seen here so far. Although it wasn't a regular hockey night, being one of the pantomime games wedged in on a Friday night in an effort to catch up, a goodly crowd of fans numbering 508 fans cheered on the players.

Kreller opened the scoring at 10:05 in the first but at 16:33 Hallett converted Auburn's pass to tie it up. In the second stanza Ewen scored on Kreller's pass and then the same player made it 3-1 on an unassisted effort. Laporte had to be good to stave off the Commandos and he came through in some tight spots, the period ending 3-1.

The third was a sad story from a Tiger fan viewpoint, with Taubersie scoring from Auburn; Machan from Carp, and Gulltner adding the clincher.

Referees of Edmonton and Carroll of Vermilion refereed.

COMMANDOS — Hallett (Auburn); Pen. Berg, Hallett. S. Williams, Berg, Little.
2nd period: Ewen (Kreller); Ewen; Pen. Hallett.
3rd period: Taubersie (Auburn); Machan (Carp); Gultner; Pen. Mc-Isaac. B. Williams.

SUMMARY
1st period: Kreller; Hallett (Auburn); Pen. Berg, Hallett. S. Williams, Berg, Little.
2nd period: Ewen (Kreller); Ewen; Pen. Hallett.
3rd period: Taubersie (Auburn); Machan (Carp); Gultner; Pen. McIsaac. B. Williams.

## Girls Re-organize Basketball Club

The town girls have now organized Vermilion basketball club and have secured Murray Millar as their coach. Eleven girls have been turning out to practises and anyone else interested in playing is invited to attend. Practises are held Tuesday evenings. Just contact Doris Schmidt or Thelma Hunter if you want to play.

In their first game the town girls won from the V.S.A. girls 44-13.

Information is desired as to the whereabouts of the girls basketball sweaters. There were 12 of these with the name Acre on the front and a number on the back. Now only three are left. Any help in locating the others would be appreciated by the girls.

## Curl At Frig 'Spiel, Mayerthorpe

Curling in a refrigerator bonspiel at Mayerthorpe are Darce Curral, Roger Rowe, Fred Braitwaite and Hazel Calvert, who as Vermilion rinks were doing very well in an entry list that was well studded with big names in curling circles.

## Vermilion Tigers Lose At St. Paul

St. Paul rang up their first league victory on home ice last Saturday night at the expense of the Vermilion Tigers by a 6-3 score. The first period was scoreless and the Tigers took a lead early in the second when Stew Cooper scored after Lee Lesiuk had set on Les Williams' assist and the second from Kreller. The third Tiger counter was notched by coach Elmer Kreller.

In the third period, playing two games in as many nights again told with the home team on the front end a number on the back. Now only three are left. Any help in locating the others would be appreciated by the girls.

It was a greatly strengthened St. Paul team that defeated the locals. A new goalie and two defensemen making a big difference, and the Hornets will now be a handful for any team in the league.

## Curlers Attend Two Official Openings

MANNVILLE — One Mannville rink of curlers journeyed west and one east last week to participate in the openings of two new rinks. Mr. A Bodard's rink curled against Mundare in the new Vegreville rink. Mr J. Gushko skipped the rink that went to Kitscoty. A high school rink skipped by R. Webb also played at Vegreville.

## MIDGETS LOSE TO LLOYDMINSTER, 4-3

Vermilion Midgets lost a good game of hockey to Lloydminster last Sunday evening at the local arena by a 4-3 score.

**Vegreville School Division No. 19**

## Hockey Chit - Chat

by GERRY MARSHALL

The E.A.H.L. schedule is half over and after the 6th game of the season the Tigers have played a fast, hard skating game and deserved their win St. Paul has imported about 10 players from Saskatchewan and now have a fast bustling club which will give a lot of trouble to all opposition from here on in. Vermilion now remains the only team in the league free of imports. Vermilion's youth movement started over a year ago and appears to be paying off as the young players up from the Midgets and what have you are going great guns. Stew Cooper is perhaps the most noticeable example as he is playing heads up hockey and is one of the club's high scorers. Others graduating from the kids league are Mark Little Stu Barr, Leo Leahy and Murray Lowrie all of whom were members of the Vermilion Kinsmen Midgets not so long ago. Besides the midgets we have two pee-wees sponsored by the V.A.A. and the Jr. Sponsored Juveniles. We can thank these associations and teams for keeping Vermilion in the limelight with good hometown talent and although the Tigers may not be in first place they have the goods and hometown supporters at least know the names of members of their club.

Scoring goals is still a necessity in hockey and so far the Tigers haven't scored with regularity as well. Kreller is now drilling his squad on the snap shooting and we believe the next time the club takes to the ice someone will get a shutout and a decision. Perhaps Les Williams Bill Novak and Lee Laporte for a backfield and four forwards setting the . . . the Bengals should soon start to roar and make a drive to the finish line.

## Vermilion Ladies Win

MANNVILLE — Two rinks from Vermilion challenged the Mannville ladies on Wednesday of last week for the Bank of Commerce curling shield. Mrs Locke and Mrs Cross skipped the Vermilion rinks and Mrs. Hasinoff and Mrs. Erna Gerhart were the Mannville skips. Both games were won by Vermilion.

Mannville ladies were hostesses to Vermilion ladies when lunch was served at the rink after the games.

## Discusses Income Tax, Surface Rights

## F.U.A. DIRECTOR ADDRESSES MEETING AT WILDMERE

On Monday evening last week, barring the usual preliminaries, all business was suspended except that arising from Mrs. Redman's address. Mrs. Redman is a director of the F.U.A.

After explaining some of Elizabeth Sterling Haines outstanding work in drama and art, and pointing out that there was a move to have her presented with a Jubilee award, she thought that it would be nice if the same could be granted to Mrs. Rose of Miller for her outstanding work in the West, especially in connection with farm organizations.

The Alberta Federation of Agriculture (A.F.A.) is an active group of various economic groups such as the dairy pool, poultry pool, wheat pool, wool growers and the A.L.C. with one member each on the board. The F.U.A. the only grass roots organization for agriculture are allowed three directors on this board at a cost of 12½c per member. This links the F.U.A. with the Canadian Federation of Agriculture and through them with the Food and Agricultural Organization (F.A.O.) a world organization designed primarily to bring about a better understanding between exporting and importing nations the world over.

### RETAIN INCOME TAX CONSULTANT

The F.U.A. has now retained an income tax consultant for all bona fide members and if you wish to have your income tax made out at a small nominal cost based on the amount of work done.

### SURFACE RIGHTS

In connection with surface rights the main point brought out that of compensation where the gas company has an arbitration board to settle all disputes, and as Mrs Redman pointed out this board is absolutely fair taking into consideration all angles such as nuisance value, damage and inconvenience. The other was that of industrial assessment where some development other than agriculture on a farm there is an assessment of $167 per acre on the property involved and not that of the current rate. This she thought should be changed against the user of said development as it usually holds a lease and not against the title holder as at present.

In viewing Mrs Redman expressed regret that there were not more women in the F.U.A. organization, pointing out that in times of stress they were the real sufferers also that their members are needed to really have a strong and healthy organization.

At the close of her address Mrs Redman was accorded a hearty vote of thanks and then adjournment was made for lunch. The next meeting will be held on usual on the second Wednesday in March.

### FORMS NEW LOCAL

While in the district Mrs. Redman formed a new local at Thorncliffe school taking in that district immediately south of Vermilion. The new local is now off to a good start and shows much promise of being an active one.

# Health Unit Notes

THE TRUE CONCEPT OF FITNESS

*(Extracts from a lecture by Alex G. Mearns, M.D., Lecturer in Glasgow University)*

What is meant by fitness? For the youth it may conjure up a vision of muscle-building, the running track or gymnasium — in a word, physical culture. The teen-aged girl may tend rather to think in terms of good looks, of lustrous hair, a bright eye and a clear skin. Both are in a measure correct, but there is more to fitness than its physical aspects, important as they are.

In its broadest sense the concept should be tripartite, taking into account the spiritual, mental and physical needs of life and this fact should be kept in mind by all who essay medical or medico-social work. Many who are low in spirit due let us say to a tragic bereavement, or a serious and permanent reverse to prospects, are neither purpose nor goal in life become embittered and cynical, and health suffers. The healer in their case is often not the doctor but the clergyman who by pointing to the higher purpose in man's affairs can restore something of the balance and set them on the way to recovery. So it sometimes is with people living alone and spiritually troubled. Others again are undergoing a mental tribulation beyond their capacity and the mind has not been able to cope with it. It may be a marital difficulty, or a job of too great a responsibility but at all events there is in many cases a reflected deterioration of physical fitness the psycho-somatic effect of the moderns which will not be overcome until the mental stress has been removed. Still others are in the grip of a bodily malady tuberculosis for example which depresses the mind and spirits alike. In such instances physical ailment and mental despondency must be tackled together since the conviction in the patient's mind that he will recover is a powerful factor in accelerating the healing of the lung lesion. Difficulties of the emotional complex that half-way house between spirit and mind may also occasion a decline in physical health. In summary, the true meaning of fitness is well expressed by the famous triangle of the YMCA which says in effect, "we care for the spirits, minds and bodies of our members".

Health comes from the pursuance of a seven-point regimen, to be varied in its application in accordance with age and development, and that this regimen is nothing more than applied commonsense. Here it is: Cleanliness, adequate sleep and rest, fresh air, exercise, balanced diet, sensible clothing, and the right use of leisure.

Cleanliness implies not only the hygiene of the body's surface but also of its interior. Water is the best cleansing agent for the intestine and, contrary to what is apparently a widely held view, will not 'rust the machinery'; it is therefore unnecessary to add alcohol or an anti-corrosive. Cleanliness of food, of clothing and of the environment is also an essential for health.

Sleep is far and away the best restorative of the tired organism. Different people need different amounts and each must find his own requirement, but an airy room, the minimum of bed clothing for comfort, warm feet, a light meal shortly before retiring and, not least, a calm mind, are the fundamentals for a good night's rest. People should relax more often. This does not mean sitting down with a book, or by the radio; it is the conscious, directive effort of making the body quite limp and the mind a blank, for say, 15 to 20 minutes each day. The steady cultivation of this habit will bring a sense of well-being not only at the end of the day, but in the evening of life itself.

Fresh air is essential for fitness. Have lots of it in the house by day and by night and get into the open whenever you can. Breathe well, and this means a good carriage to inflate the lungs and light, loose clothing so that the skin can breathe too.

Exercise first of all implies an erect posture in standing, walking and sitting. Have you ever really thought about the importance to health of a good posture? It is hygienic, keeping the chest well-expanded, the abdominal muscles properly tensed, the head high and the feet well placed. It is economic because it is less tiring. It is psychologically sound because it enables one to look the world in the face. It is aesthetic and a graceful carriage acquired in youth will make for an upright gait in the later years. Walking is fine exercise for all ages. As for games, which are the pleasantest form of exercise play what you like within your age and physical capacity, and play for fun.

Dietetics for health should mean more than just protein, vitamins and calorific values. It should suggest balanced feeding, fresh clean food, good cookery, attractive service and a pleasant atmosphere in which to eat. Bad cooking and bickering at meals retard digestion; well-cooked dishes and pleasant conversation help it along.

As to clothing, there are three fundamentals. Wear the minimum for warmth, avoid constriction at any point and distribute the garments evenly over the body. Have a basic under set, which need not vary in weight, and add to, or take from, the top layer as the seasons change. Darker shades in winter absorb heat, lighter-hued fabrics in summer reflect heat, and help to keep us cool. Buy well fitting shoes of the proper size, and your feet will not defeat you.

Last, there is the question of leisure activities. Have hobbies, and let them be of two kinds. First, a communal hobby represented by membership of a guild, a youth organization or a club — doing things together; second, an individual hobby such as a handicraft or a collecting interest. Get away from mundane affairs for a spell and sink yourself in the pleasure of creating something of use or beauty. Interests of this kind are a true refreshment of mind and body.

Such then are the commonsense pointers to fitness, and they apply to every man, woman and child.

THOSE WERE THE DAYS

# Legion Ladies Report Active Year

As 1954 has drawn to a close the Ladies' Auxiliary to the Canadian Legion, Vermilion Branch, can look back on a very successful year, both from activity and service standpoints.

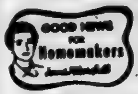
Ten regular meetings were held with an average of 25 in attendance. Four new members have joined and one has moved away. Activities have been many with the primary money raising project being catering to banquets. The annual church parade was held in May and the Auxiliary joined with Post 11 for Decoration Day and Nov. 11th services. A very enjoyable rally was held at Vegreville with a goodly attendance from this branch. The trip was made by bus.

The new business consisted of having the kitchen moved to the main floor. This has now been completed except for laying of linoleum. This has resulted in a new, ultra modern and most commodious kitchen.

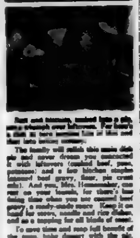
Donations totalling $225.00 were made to the following worth-while causes: Polio fund; Books for Korea; Red Cross; Red Shield; Boy Scouts; Ex-Servicemen's Home for Children; C.N.I.B.; Provincial Hospital Fund.

A small donation was also given to Rudy Fielding and a gift to Jack Baldwin in appreciation of help given the W.A.

The Sunshine committee sent cards, flowers and fruit baskets to sick members. Parcels and Christmas cards were sent to the boys in service and a small Christmas gift to life members and those over 80.



Use Beef Gravy in Meat Pie



The family will relish this main dish pie and never dream you concocted it with leftovers (cooked beef, peas, potatoes) and a few kitchen staples (canned beef gravy, flour, pie crust mix). And you, Mrs. Homemaker, can rest on your laurels, for there's less fussing time when you use canned beef gravy, a ready-made sauce. Keep it on hand for stews, noodle and rice dishes, and as a topping for all kinds of meat.

To save time and reap full benefit of the oven, bake dessert with the pie. Fill cored-out apples with fresh cranberries (cooked) and pour sugar syrup over top. Baking time for apples is slightly longer than for the pie, but this means they will be hot and juicy at dessert time.

While pie and apples are baking, toss greens with French dressing for the salad. These fixings take precious little time, and you're ready on the dot when the gang comes trooping to the table.

## HAS PARTY ON 81st BIRTHDAY

MANNVILLE. — Mrs. E. Renspies was guest of honor at a party on Monday afternoon when a number of ladies gathered at the home of Mrs. R. Lugg. Those present were Mrs. Ruttan, Mrs. Arthur Emmott, Mrs. Gardiner, Mrs. I. Matney, Mrs. J. Chrysler, Mrs. W. Osborn, Mrs. H. Arnold, Mrs. E. Lugg, Mrs. W. A. Hubbard, Mrs. E. Hubbard, Mrs. W. Chrysler, Mrs. R. A. Lugg. This was the occasion of Mrs. Renspies 81st birthday and a good visit was enjoyed by all reminiscing and so forth. Mrs. Prill Sr. was unable to come on account of illness.

The hostesses Mrs. E. Hubbard, Mrs. A. Hubbard, Mrs. W. Chrysler and Mrs. Lugg served a dainty lunch to bring an enjoyable afternoon to a close.

# Jane Kirby, Skating Champion

Canadian skating champion Jane Kirby who will be starred in the all-new Ice Cycles of 1955" to be presented in the Edmonton Gardens Feb. 7 to 12. The 20 year old skating sensation is shown here in "Gobs and Gals", one of the 10 production numbers and 20 starring acts to be featured in the giant 10th Anniversary edition of Ice Cycles.

# The World of Wheat

*By W. G. MALAHER, Director, Research Department, Searle Grain Co. Ltd.*

*EXCHANGING GRAIN FOR REGISTERED SEED*

The Canadian Wheat Board has again put into effect the policy started in 1954, under which farmers were permitted to haul commercial grain over the quota and to apply the proceeds towards the purchase of Registered or Certified seed. This year, however, the policy is to be broadened, the quantity of grain that can be delivered over the quota having been increased to 400 bushels and the quantity of Registered or Certified seed that may be purchased, to 150 bushels.

Coming as it does, at a time when strict delivery quotas are in force at all stations, and when farmers are finding it increasingly difficult to provide the necessary cash with which to purchase good seed, this provision is a very timely one and there is no doubt that many farmers will want to take full advantage of it.

The maintenance of quality is Canada's chief factor in selling her grain abroad. But the farmer stands to gain, too, since the use of Registered or Certified seed means higher yields and better grades; thus the small sum expended on a few bushels of Registered or Certified seed, each year, is a sound investment.

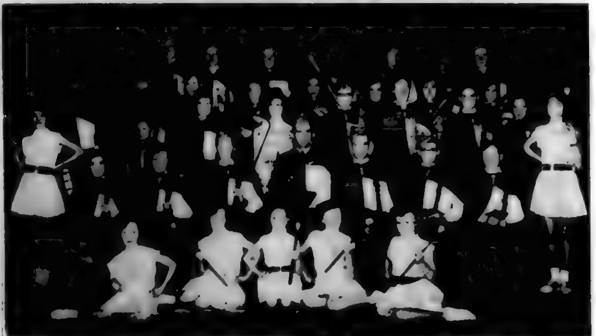
BABY & PRE-SCHOOL CLINICS

Monday, Jan. 31 — Legion hall, Vermilion, 2 to 4 p.m.
Thursday, Feb. 2 — Derwent school, 11 to 12 noon.
Thursday, Feb. 3 — Clandonald school, 2 to 4 p.m.
Friday, Feb. 4 — Dewberry school, 2 to 3:30 p.m.

## EXCITING COLORS AND STYLING ON DODGE ROYAL LANCER

Three-tone and smart color combinations are introduced for the first time in the automotive industry to accent the new "Forward Look" styling of the 1955 Dodge Royal Lancer hardtop. Lower, longer and wider, 16 inches longer than the Custom Royal Lancer hardtop shown here is powered by a Super Red Ram V-8 engine developing 183 horsepower. Also in the Custom Royal line is a luxurious four door sedan and a convertible coupe. All models come equipped with PowerFlite fully automatic transmission as standard equipment.

# Dewberry Boys' Band Plans Series of Spring Concerts



The Dewberry Boys' Band pictured above have planned a series of concerts for the coming spring and will be heard at several centres. During the season too they appear at many sports days, fairs, and celebrations. Organized by the Dewberry people, taught and directed by Walter Protsch, the band of young people has made remarkable progress and have proved an asset to any function.

Top row, left to right — Douglas Wilson, Edward Jones, Jack Young, Robert Protsch, Bob Parker, Floyd Wood, Ernie Braithwaite.

Second row, left to right — Guy Williams, Ray Bendixen, Wayne Jones, Ken Parker, Doug Madden, Mickey Bendixen, Martin Craig and Gary Protsch.

Third row left to right — Majorette Ruth Ewen, Kenneth Lukaschuk, Lorne Braithwaite, Majorette Nola Protsch, Floyd Sweet, Jim Jones, Larry Grant, Dean McMillan, and Majorette Isabel Jones.

Fourth row, seated, left to right Brian Braithwaite, Meredith Whiteside, Lorne Timanson, Walter Protsch, Rudy Holman, Bobby Kosiw, Elmer Jones.

First in the row of majorettes in front is little Miss Braithwaite, Lorraine Braithwaite, Karen Protsch, Sharon Braithwaite, and Cheryl Ann Jones.

## OBITUARY

*MRS. MARY A. SELWOOD*

Funeral services were held at St. Mary's Anglican church, Clandonald, on Tuesday, Jan. 18th for the late Mrs. Mary A. Selwood. The Rev. Douglas Ford of Vermilion officiated. Two hymns "Rock of Ages" and "Abide With Me" were sung, with Miss Eileen Stockwell as organist. Interment took place in the Clandonald cemetery.

The pall bearers were Messrs. Hugh Hagen, Edward Stockwell, Harry Brake, Milton Farrell, Clarence Free and Tom Stockwell.

Mrs. Selwood passed away suddenly at her home on Friday morning January 14. She leaves to mourn her loss her loving husband Wm. H. Selwood, one sister Mrs. Louisa Wilkinson and three brothers, William Williamson of Leicester, Eng., Thomas of Victoria, B.C. and Frank of Clandonald, also fourteen nieces and nephews.

Mrs. Selwood was predeceased by three brothers and one sister, James Frederick of Chicago, who died last year; Peter Oswald of Vermilion; John of the old Wellsdale district, and Eleanor of Wayne Philadelphia.

Beautiful floral tributes were received from:

Will; Louie; Frank, Tom, Jack and Dave; Tom and Agnes and family; Bill, Florence and Peter; Pierce, Mary, Norah and Gwyneth; Edith, Stuart and family, Louie, Harry and family; Uncle John Emmie, Win and Jack, Muriel Phil and the boys, Joyce Scilas and family; Mr. and Mrs. Rhoads, Elk Point; St Mary's Anglican W. A.; Clandonald Community, Hugh, Florence and Ann; Mrs. Snelgrove and family; Milton and Eunice Lee and girls, Mr and Mrs Milton Farrell and family, Bill Cook Jr and family Vancouver.

Crippled Children's Fund: Mr and Mrs. Rhoads, Elk Point, Mrs. F. A. Douglas, Mr and Mrs. Fred Goddard, Lorne and Norman McPhee, Mr and Mrs. Pat Monaghan, Mr and Mrs. F Monaghan, Grant Family Clandonald, Steve Shyska and family, Mr and Mrs Dick Good, Ed Stockwell and Eileen, Mr and Mrs Geo E Convey, Mr and Mrs H Brake and family, Mrs. S Filipiuk, John and Irene, Mr and Mrs O Cummins, Mr and Mrs Herb McPhee and family.

Donations to the Red Cross: J. C. Tarchuk and family, John McMorrow, Mr and Mrs. R. Mead and family, Mr and Mrs. A. C. P. Free, Mr and Mrs. John Nelson and girls, Mr and Mrs. Pat Toner, Mr and Mrs M. Conaghan; Mayhew Bros.; Mr and Mrs Matt Kada; Mr. and Mrs Ralph Strome and family, Mr and Mrs. H. Schoonmaker, Isabel Fisher and Mrs. Fisher.

Moyers were in charge of the arrangements.

"A" Co. L.E.R. advise that it will be impossible to hold the show advertised for Feb. 1st, but the draw for the Suit of the Month will be made on that date and announcement of the winner made in the following issue of *The Standard*.

# NEWS from DEWBERRY

(This bulletin was written for last week's Standard. Please allow for lapse of time.)

As this is a weekly newspaper we quote the weather conditions at time of writing for the benefit of people who are away for the winter. A few days can change the picture greatly. However, to date you can still drive a car with no difficulty at all over roads in the district. It has been a long time since this happened before on Jan. 17th.

Sympathy of the district is extended to the families of Ernest Keast and Steve Sikora. Mr. Ernest Keast, one of the early Dewberry settlers, passed away recently in Vancouver. Mr. Steve Sikora died at the Elk Point hospital. He came to the Dewberry district about 1928.

Garry Garnier is back at school again after an appendectomy in the Islay hospital.

Gerald Kinshella is back home after 3 weeks in hospital due to suffering severe burns to his legs.

Municipal assessors are working in the town of Dewberry at present.

Frank Bowman was the double winner of prizes given by the Lloydminster Fish and Game Assoc. He received a rod for the biggest jackfish caught and a reel for the biggest pickerel. Perhaps he catches more fish than anyone too!

At the next meeting of the Dewberry F.U.A. local the resolution concerning vaccination of heifer calves for Bangs disease that go to feed lots only, will be thoroughly discussed.

Gerald Hodgson has left town and will go into the store business at Olds. The family will probably stay until the end of the school term. All wish him the best of success in his new location. Always one of the leaders as a community worker he will be greatly missed.

The Wowk family attended the funeral at St. Paul last week of Father Quirion. They had known him when they lived in that district.

Quite a large number attended game night of the Dewberry Home and School. 13 tables of whist were played along with 3 of crib. Table tennis and games for the children were provided by the teachers.

In hockey games played here recently Dewberry high school defeated Marwayne, Kitscoty lost to Lashburn.

Jim Magill who suffered a badly cut foot recently is now home on crutches. He was hurt in a freak car accident while moving a house recently.

Local farmers are having no difficulty in disposing of grain quotas now. Seems to be ample room in the elevators. It begins to look as is there is little grain left to haul.

One of the recent changes in the boundaries of Vermilion River results in the east boundary line of Div. 7 moved three miles east.

## OBITUARY

MRS. NELLIE M. COOMBE

Funeral services for Mrs. Nellie M. Coombe, beloved wife of Mr. George Coombe, were held on Friday, January 14th at 2 o'clock in the afternoon at the Alliance Chapel. Major Battrick and Sr. Capt. Hill officiated. Interment followed in the cemetery beside the little Anglican church at Pleasant Valley in the country district in which she had lived so many years, and which was so dear to her heart.

Mrs. Coombe passed away in the Vermilion hospital on January 10th at the age of 71 years. She was born in Newington, Kent, England, on Sept. 11, 1883 and came to Canada in 1889 when only six years of age. The family settled at Cypress Hills in Manitoba. On November 19 1902 she married her first husband, Mr Eli Coombe, who predeceased her. In 1907 they came West and settled in the Islay district, which has since been their home. In later years she married Mr. Geo. Coombe.

She leaves to mourn her passing her sorrowing husband, Mr. George Coombe, one son Raymond in Edmonton, one daughter, Mrs. Percy Golby at Islay, three brothers, Tom Gould, Victoria, Bert and Fred at Islay, and two sisters, Mrs. Edith Giles, Victoria, and Mrs. Arthur Clare, Edmonton.

During her life Mrs. Gould spent much time working with the Salvation Army. She also enjoyed writing and under the pen name of Aunt Nellie contributed articles, recipes to farm journals and local papers. The past few winters Mr and Mrs. Coombe have lived in Vermilion and during that time she had a very high regard for the members of the Ministerial Association. It was noteworthy that at her funeral several members of the Association occupied places at the pulpit.

Flowers and memorial donations were received from: Loving Husband and grand daughter Helen, Son Raymond, Evelyn and family, Daughter Esther, Percy and Barbara, Sister Maude Arthur Bernard and Winnie; Sister Edie brother Tom and families, Sterling Cleaners Red Deer; Sister Nellie Gould Claude Joyce and family and Mabel, Members of Salvation Army Home League, Officers and Comrades of Salvation Army Corps, Christie Annie and girls, Bert and Helen Parker and family, Bert and Gladys Gould.

Crippled Children's Fund: Mrs. J. W. Gould, Marvin, Maurice, Laura, Sylvia, Marvin, Laura, M..., Laurence, Christie and ..., Frank, Thelma and family, ..., Chaeney and family, Christie, Annie and girls, Mr and Mrs ... Madden.

Canadian Cancer Society: Cooper Bros.; Keith, Jean and boys.

Islay Cemetery Fund: Lila, Bill and Mrs Bowser.

Gideons International: Mr and Mrs Roy Watkins, Mr and Mrs E. Schurman, Mr and Mrs W. B. Mix.

Moyer's were in charge of the arrangements.

CARD OF THANKS

I wish to extend my heartfelt thanks to the matron and staff of Vermilion hospital for their kindly care and attention to Mrs. Coombe during her long illness, special thanks to Mr Yarwood, Major Battrick and Cr Capt. Hill; to Charlie Burt and all his helpers for the arrangements and preparation of the last resting place of my darling wife, and to the many for the beautiful floral tributes, memorial donations and cards of sympathy.

George Coombe

## Former Mannville Man Makes Large Bequest

MANNVILE. From the Montreal Star of January 18th comes the following news of a Canadian's gift to Tannas, Sweden: "A donation of $413,000 has been made from the estate of the late Olof Hanson of Vancouver, former Liberal member of the Canadian parliament, to his old home parish of Tannas in northern Sweden. Mr. Hanson, who died in 1952, set aside the sum for charitable purposes in Tannas which has 2,250 inhabitants.

Mr. Hanson homesteaded in the Mannville district where Mr. and Mrs. K. Blackburn now live, the S.W. Sec. 18-52-8, w4th.

Mild enjoyable winter weather still continues although it did slip down in the dead of Tuesday night to 25 below zero for a short time. Few knew about it and it was just a quick dip. Roads are wide open and the snowfall this week has amounted to .09 inches. High winds have built up drifts across side roads in spots but these have been quickly broken through.

A tread is the ups and downs on a tire that keep you from slipping. When the tread is worn off, there isn't *anything* to keep you from slipping. This is particularly bad when the roads get slippery, like they do these days. You really ought to ride on tires that have treads. Oughtn't you?

*Order your COUNTER CHECK BOOKS from The STANDARD.*

## 1955 To Be Exciting Year for Auto Buyers

Not only for car buyers but for manufacturers, dealers and labor as well. 1955 will be the most exciting year in automotive history, says the January Reader's Digest.

New car buyers will be wooed this year as never before. "A marketing race unequalled in industrial history" is predicted. This year the industry offers ten "new cars", Hudson, Packard, Chevrolet, Pontiac, Ford, Mercury, Plymouth, Dodge, DeSoto and Chrysler. In the luxury field the Chrysler company will turn out the markedly different Imperial and Ford will offer the Continental, one of the world's swankiest cars, priced higher than any other U.S. make.

In 1916 there were 140 companies manufacturing autos in North America. In 1921 there were 88, in 1953 nine. Today, says the Digest article, there are only six. The year 1955 will decide whether the term 'Big Three' means anything. Chrysler has historically taken one-fifth, sometimes nearly one-fourth of the passenger car market. In 1954 it got less than one sixth of the Canadian market, and only one-ninth of the U.S. market. Meanwhile General Motors and Ford together gobbled up 80% of the market in both countries.

The new year will determine, also whether the trend toward less profit for dealers will continue. In 1954 dealers were speaking of "profitless prosperity". The National Automobile Dealers Assoc. reports dealers net profits on sales as 9.4% in 1946, 2.2% in 1953, 1.9% in the first half of 1954.

## For Sale .. Cars, Trucks

## Wedding Bells

*REPP—SHERWOOD*

Mr. and Mrs. T. Sherwood announce the marriage of their eldest daughter, Isabell Daisy, to James Edward Repp. The wedding service was solemnized by the Rev. D. A. Ford at St. Saviour's church on Saturday, January 22nd.

*Mrs. Sylva Tracy announces the engagement of her daughter, Loretta Grace, to Harold Robert Cleland, the wedding to take place at Knox United Church in Edmonton on February 5th, 1955 at 2:30 p.m.*

Away for a holiday to Vancouver and Seattle for two weeks are Obert Gunderson and Ernie Clendenning. The trip is being made by car.

Several students from the U. of A. in Edmonton spent the week end at their homes in town including Jerry Harle, John Stewart and Larry Kehoe.

Miss Rose Mary Gow, student nurse at the General hospital in Edmonton received the white cap of the nursing profession at a ceremony held recently in the hospital chapel. She is a 1954 graduate of the V. H. S.

Mrs. R. J. Rowe was the winner of 5th prize for the non-Edmonton entries in the Edmonton Journal's 41st slogan contest.

"A" Co. L.E.R. advise that it will be impossible to hold the show advertised for Feb. 1st, but the draw for the Suit of the Month will be made on that date and announcement of the winner made in the following issue of *The Standard*.

The January meeting of the Busy Bees was held at the home of Mrs. Repp with 16 present. All enjoyed the pot luck supper. Due to the treasurer resigning Mrs. Jones was nominated to fill that position, and she accepted. Letters were read from Mrs. McClelland, Mrs. Fulton and Mrs. A. McGinnis. It was decided to hold a card party on Jan. 28th. Two new members Mrs. Scott and Mrs. B. Gould joined. The next meeting will be held at the home of Mrs. Williams. Lunch will be served by Mrs. Scott, Mrs. A. Morrison and Mrs. Maggs.

MANNVILLE HIGH SCHOOL RINK LOSES AT VEG

SHOWER BRIDE ELECT

A surprise shower for Miss Ruth Marfleet was held Wednesday evening, Jan 19th at the home of Mrs. Doug Maxwell. The bride-elect was presented with a dainty corsage. A few games were played. A little "overtime" was suggested for Ruth when a "ledger" appeared filled with many beautiful and useful gifts.

The guest of honor graciously thanked the guests, inviting everyone to her wedding. After this a tasty lunch was served by the hostesses, Mrs. John Gordey and Mrs. Doug Maxwell.

CELEBRATE GOLD WEDDING

Mr. and Mrs. Charles A. Henderson of rural South Edmonton recently observed the 50th anniversary of their wedding. Mrs. A. Y. Law, formerly of Vermilion and now of Edmonton, and Mrs. R. Findlay of Vermilion are daughters of Mr. and Mrs. Henderson and were present at the reception. A grandson, Mr. Robert Law, proposed a toast to the honored couple.

SAILOR PROMOTED

Promotion of CPO Douglas W. J. Walker, 30 years, of Vermilion, Alberta and Vancouver, to the rank of acting commissioned officer special branch, has been announced by naval headquarters. Mr. Walker was born in Vermilion on March 22, 1924 and is the son of Mr. and Mrs. Frank Walker. His father at that time was employed on the C. N. R. The family moved to Vancouver when Douglas was a very small boy.

The following have been received in memory of the late Mrs. Flora Coulter: Gideon International; Mr. and Mrs. Norman Yarwood and Ruby; Mr. and Mrs. Cecil Sowden; Mrs. Malek and Bogus and Robert Service; Mr and Mrs. E. W. Clendenning; Mr. and Mrs. Roy Watkins; Mr. and Mrs. O. Gunderson; Mr. and Mrs. E. Schurman; Mr. and Mrs. Frank Hill and family; Mr. and Mrs. Elwood Hill and Mr. and Mrs. Mahan Hill; Missions Mr and Mrs. Ed Magistad.

**CARD OF THANKS**

I wish to take this opportunity to thank Dr. Stephens, Miss Keith, and the nursing staff for their care and kindness during my recent illness, many thanks also to the kind friends for flowers, fruit, cards and others gifts, and visits. Your kindness is deeply appreciated.

Mrs. Alfred Logan.

**CARD OF THANKS**

I wish to thank Dr King, and the nurses for their care and kindness during my stay in hospital also to my friends and neighbors for the gifts of fruit flowers and cards.

Mrs. P. McCambridge

## The World of Wheat

*By W. G. MALAHER, Director, Research Department, Searle Grain Co. Ltd.*

LESS WHEAT—MORE MEAT

We referred some time ago to the fact that during the past number of years the consumption of wheat in both Canada and the U.S.A. had failed to keep pace with the population.

Closely linked with the question of wheat consumption are several others. In the first place, general prosperity and a higher standard of living always brings an increased demand for meat and dairy products and a tendency to swing away from the simpler and less expensive diet in which cereals play a prominent part. This increase has been quite marked not only on the North American continent where the per capita consumption of meat has shown a percentage increase since pre-war years of close to 10%, but also in Europe as well.

All this means that it is necessary to feed a greater quantity of grain if the demand for meat and dairy products is to be met. Thus livestock population affects the acreage seeded to feed grains, as well as the proportion of these grains that are fed or marketed. Peoples changing tastes therefore as reflected in their diet may have quite a marked effect upon the pattern of agricultural production and marketing. At the present time the trend is toward a higher protein diet or a greater consumption of meat and dairy products but that is a reflection of the times, and times change.

## Death of John Young At Red Deer

ISLAY — Mr. John Young, formerly of Islay, passed away in Red Deer last week, funeral services being held on Saturday. One son Bill lives at Dewberry.

## Military Ball Attracts Many Local Citizens

A large number of invitations have been acknowledged by Vermilion and district people, for the Military Ball to be held in the armouries Feb. 4.

'A' Coy., The Loyal Edmonton Regiment is planning many attractions and ball room decorations for this popular event.

Major L. Martin, O.C has obtained permission from Headquarters of Western Command for all ex-service personnel to wear uniforms. It is not necessary to wear a uniform but it adds to the occasion.

The citizen's committee for 'A' Coy., asks that 'R.S.V.P.' notes be sent to Capt. Buckingham as the catering and other matters must be arranged beforehand.

The officers and men of 'A' Coy., hope that all service and ex-service men and women in the district will support this undertaking of the unit. Everyone is invited whether you served in the forces or not. If you did not get an invitation by mail please apply to Capt. Buckingham for one.

In order that there will be no misunderstanding the committee wishes to emphasize that this ball is a community affair and it is hoped that everyone will understand that they are welcome.

## Tigers Lose 5-1 At Wainwright

Vermilion Tigers lost at Wainwright on Wednesday evening by a score of 5 to 1 in a regular league fixture. Bill [illegible] notched the lone Tiger counter with an assist going to Stewart Cooper. There wasn't the margin indicated by the score as the Tigers scored one uncounted goal and centreman Cooper was pulled down from behind when in the clear on another play. It [illegible] have been enough to win but it all adds up to the best game of the season here this coming Saturday night. Be on hand at the Vermilion arena at 8:30 and see these two teams play good, clean, fast hockey.

## Juveniles Win At Lashburn

Vermilion Juveniles played at Lashburn Tuesday night and came home the winners 6 goals to 5 in a first class hockey game.

## Club Elect Mrs. G. Lumley President

The January meeting of the Greenlawn Goodwill Club was held at the home of Mrs. Elsby Walker with eleven members and one visitor present. The meeting was called to order by the president, Mrs. W Jones was appointed secretary pro tem as the regular incumbent was absent. The first business of the year was consideration of the financial report which was read and adopted. Election of new officers followed and resulted as follows:

President — Mrs. G. Lumley
Vice-Pres. — Mrs. R. Thompson
Secretary — Mrs. W. Jones

Sick Committee of Mrs. G. Lumley and Mrs Mac Maddox was re-elected.

The club is sponsoring a whist drive and dance on Feb. 4th. Everybody is invited.

Following adjournment a delicious lunch was served by the hostess.

## OBITUARY

**MRS. KAY CHUBLINSKY**

Mrs. Kay Chublinsky passed away in Edmonton recently, leaving to mourn her loss three sons, Frank of Edmonton, Peter of Clandonald, John of Vancouver, and two daughters, Mary of Primula and Lily of Toronto. There are 21 grandchildren and four great grandchildren.

She was predeceased by her husband in 1934 and by one son Mike of Clandonald in 1930.

A community wreath and memorial donations to the Crippled Children's fund were received from Mr. and Mrs. W Mead and family, Mr. and Mrs. John Nelson and family, Mr and Mrs Pat Toner and family, the Tanchuk family, A. Macdonald and family, Alex Grant, Fred Goddard and family.

**CARD OF THANKS**

I wish to thank the people of Clandonald and district for the kindness and sympathy received during my bereavement, and for the floral wreath and memorial donations.
Peter Chublinsky

**Too Late to Classify**

GAS HEATER—[illegible] Both like new. Ph. 443.

Most popular of the new Buicks in the Century Series is the stylish Riviera, unmatched in its field for advanced design, power and performance. The Century styling for 1955 features a completely new front end with a wide-screen grille, visored headlights and a roll-edge bumper with strikingly different dual wing guards. It has four ventiports instead of three as in the past. Buick's panoramic windshield, and [illegible] with a swept-back tail light design. The Century, which last year was the highest powered car for its price in the auto industry has increased its engine output to 236 horsepower for 1955. The distinctive wheel covers and Buick's sensational new variable pitch Dynaflow transmission are optional accessories at extra cost.

## Ice Fantasy Proves Top Entertainment

The program presented by the Ice Fantasy of '55 in the arena on Tuesday afternoon and evening was well worthy of the advance advertising. The acts were good and were excellently done and provided very good entertainment for young and old alike. It was quite an extravagant production for any place outside of the cities.

Sponsors of the ice show here were the Vermilion Kinsmen.

## Mannville Group Annual Meeting

MANNVILLE.—The annual meeting of the Happy Hour Group was held on Monday evening at the home of Mrs. J. McLuckie with fifteen members present. The aim of one project met with success and netted an average of approximately $31.00 each month. The Group helped the vestry with the installation of gas, water and sewerage in the parsonage besides the yearly allotment to the minister's salary.

Gifts and cards were sent to all sick members and donations made to presents, Little Helpers party, etc.

The officers for the coming year are as follows: President, Mrs. Jean Lugg; 1st Vice President, Mrs. F. Kreiler; 2nd Vice President, Mrs. Peggy Croft; 3rd Vice President, Mrs. Edith Laidler; Secretary, Mrs. Noreen Hetherington; Treasurer, Mrs. Marion Smith; Dorcas Secy., Mrs. Peggy Hubbard; Educational Secy., Mrs. Edith Pederson; Little Helpers Secy., Mrs. Joy Manz.

Mrs. Lugg thanked all retiring officers and those who were continuing, for work in the past year.

Mrs. Lugg and Mrs. Rita Goshko co-hostesses, served a delicious lunch.

## Car Competition Keen

Amid the brow-wrinkling imponderables now clouding the outline of the Canadian auto market, there is agreement on this, says Jack McArthur in The Financial Post. Competition this year will make last year's sales battle look like a pink tea party.

Only one thing could throw out this calculation: Indefinite continuance of the Ford strike.

If an extended walkout continues to paralyze Ford production and prevents Ford from hitting the big spring and summer sales period, Canada could suddenly find itself short of new cars.

But there are strengthening signs this week that 8000 Ford workers will soon leave the picket line for the production line.

## J. H. Kelly Is New Reeve Of Vermilion River Municipality

The following is a summary of the minutes of the meeting of the Council of the M.D. of Vermilion River No. 71 held in the Municipal office, Kitscoty on Jan. 11 and 12.

Present: Crs. J. D. Stone, J. C. Wallington, P. McGuigan, J. H. Kelly, T. Beisheim and J. C. Anderson.

Minutes of December meeting were accepted as presented.

Accounts approved by Finance committee were passed for payment.

Financial statement for December was accepted.

Cr. Kelly was appointed Reeve to complete the term of the late Cr. A. Stone.

Cr. Stone was appointed Deputy-Reeve to complete the term of the former Deputy-Reeve Cr. Kelly.

Cr. Kelly was appointed a member of the Finance committee.

A pound will be established on the NE 31-51-4 with David Hrycash as poundkeeper.

Fire and wind insurance of $4000 each was placed on the machine sheds at Marwayne, Clandonald and Vermilion.

The proposed subdivision of Pt. NW 36-49-1 containing Blks. 61 and 62 was approved.

Moved by Cr. Beisheim that a message of sympathy be extended to the family of the late Arthur Clarke, a long time member and Reeve of the M.D. Cd.

Moved by Cr. Anderson that Crs. Kelly and Stone be appointed a committee to administer affairs of M.D. in Div. 1 until such time as a councillor is elected. Cd.

Moved by Cr. Kelly that Ace Oils Ltd. be granted permission to lay a gas pipe line from SE corner of SW ¼-26-50-2 to NE corner of 23-50-2. The line to be laid at a depth of four feet below surface of road and subject to Government regulations concerning same. Cd.

Bank charges in amount of $19.92 in December were authorized.

Application was made to Village of Kitscoty for water and sewer service.

By-law No. 782 concerning sale of NE 17-55-1 given 3 readings and carried.

By-law No. 783 concerning sale of SE 20-55-1 given 3 readings and carried.

By-law No. 784 concerning purchase of Model AD40 Allis Chalmers motorgrader, snow plow and wing at a cost of $22,418 less trade-in of $5,418, given 3 readings and carried.

By-law No. 785 concerning the leasing of the following TR lands given 3 readings and carried: E½ 7-50-4 to D. B. Shirreff for $100 cash; NW 7-50-4 to Robt. Howse for $40 cash.

By-law No. 786 concerning the expropriation of land for roadway across N½ Sec. 5-54-5 given three readings and carried.

Moved by Cr. Anderson that the members of council be a committee to organize Jubilee celebrations sometime during the summer of 1955. Cd.

Moved by Cr. Wallington that Allan Brodhead be granted a permit to erect a frame 1½ story building 34'x34' on Lot 3 Blk. 11 Plan 5650HW. Cd.

Moved by Cr. Anderson that 3 lights be installed at new subdivision, south of railway track at Dewberry and that old type shades be replaced with new flat type. Cd.

Moved by Cr. Stone that amount of $1500 in Dominion of Canada Bonds, called in, be re-invested in 1976 issue. Cd.

Moved by Cr. Stone that a Gestetner machine be purchased at cost of $711. Cd.

## Board of Trade Hears Report On Highway Delegation

The following is a summary of the Board of Trade meeting minutes held on Jan. 19. The President was in the chair and there were 20 present.

Mr. E. M. Stewart, Chairman of the Roads committee, reported that his committee and Mr. Sutherland attended a meeting at Wainwright on the 12th with representatives from the towns on highway 41, to discuss ways and means to promote the continuation of highway 41 south.

At this meeting it was arranged for delegates from the various boards of trade to attend on the Minister of Highways in Edmonton on Tuesday Jan. 18. This delegation numbering 20, attended in Edmonton on the Hon. Mr Gordon Taylor Minister of Highways, and there Mayor Wallace of Wainwright acted as spokesman for the delegation and presented a printed brief to the Minister on behalf of the Boards of Trade of Cold Lake Grand Centre Elk Point, Derwent Bonnyville Vermilion, Wainwright Czar and Consort as represented by the committee set up by these Boards, namely Highway 41 Extension committee. Vermilion representatives on this delegation were Mr Stewart, Mr. A. H. Cooper, and Mr. W. R. Cornish, M.L.A.

Mr. Stewart stated the Minister seemed very favorably impressed and that he said Highway 41 was definitely in the government plans to be completed.

Mr Cooper reported that Mr. Taylor also said that so far as the Government was concerned a Meridian highway had never been considered.

Mr. Stewart expressed the appreciation of the delegation in the fact that Mr. Cornish attended with the delegates.

The Chairman commended the Roads committee for the work done in this connection.

Mr E. M. Stewart was appointed the Board's representative on the Highway 41 Extension committee.

## C. W. L. Hold Regular Meeting

The monthly meeting of the C. W.L. was held in the parish hall on Jan. 13 with a very good attendance.

Mrs Toner Sr. volunteered to convene the wedding dinner held on Jan. 18.

A bake sale will be held at the Noonan Coffee shop Jan. 29.

A nominating committee was selected by Father Landrigan. Election of new officers for 1955 will take place at the next meeting. We are hoping there will be a large attendance and all ladies of the parish who are not yet members of the C.W.L. are cordially invited to attend this meeting and join the club.

It was decided to purchase the stamped goods and distribute among the ladies of the parish for the Fall bazaar.

The meeting was brought to a close and lunch was served.

## Vote To Retain County System

Citizens of the first two counties to be established in Alberta, Vulcan and Grande Prairie, have voted to retain the county system of government, J. W. Judge, deputy minister of municipal affairs, said Monday.

Although official voting returns have not been received by the department, the county system is reported to have been favored by substantial majorities. The majority at Grande Prairie was about two to one.

Under the County Act, citizens of areas established as counties must vote on the system at the end of the first four years.
—Edmonton Journal.

## Paradise Valley

We are going to start off with the weather. Looking back to Jan. 21, 1954 we find in our records that the thermometer registered 48 below. This year on the same date it was 10 above, so you see we have something to be thankful for. Also the roads, how different they are! The snow plow has not made a trip this year.

A square dance was held in the hall on Wednesday evening with a gentleman from Edmonton in attendance to see the possibility of forming a square dance club in town. We hear that there is every possibility of such a club being formed.

Curling is the order of the day. The mixed bonspiel has been completed with the Wiley rink finishing first, the Matheson rink 2nd and the Nickle rink 3rd. The regular schedule is now in force.

We welcome Mr. and Mrs. N. R Johnson and family of Hardisty to our town. Mr. and Mrs. Johnson have taken up residence in the Brown building. Mr. Johnson is the new C.P.R. agent.

A 4-H rally was held in Vermilion on Friday Jan. 21. Mr. and Mrs. Reg Holgate, Miss Marion Holgate, Fred Weeks and Mrs. W A Gunn attended from this district. Mr Stepenoff, one of the leaders was unable to attend as he was called to Provost due to the illness of his mother.

A Hobby Craft demonstration was held in the United church basement on Thursday evening Jan. 20 with a large attendance. There will be another meeting next Thursday at the same place, 8 o'clock. Anyone interested in crafts of any kind is invited to attend.

## Wouldn't Bar Him

Among proposals considered by a recent traffic conference in Toronto was one calling for periodic driving tests. This suggestion seems sound enough, says The Financial Post, but it wouldn't eliminate the discourteous driver who, with his boorish habits, is responsible for many smash-ups and deaths. In a formal test he would be on his best behavior and would likely pass with flying colors.

Gifts! A wardrobe of love ... or a few really good ones!

## F.U.A. Membership Now 60,000

EDMONTON. — Round-up day office of the Farmers' Union of Alberta announced the first of the week that the membership returns had already passed the 60,000 mark. Isolated local 'Mop-up' operations, it was stated, were responsible for the consistent addition of about 200 new members a day to the 57,700 realized by Jan. 15 when arrears of mail and over the counter returns were finally tabulated.

Many messages expressing strong approval of the Sub-district Convention-Workshop idea had reached Edmonton headquarters, officials said. A majority of district executives were reported to have met already in order to lay plans for ensuring success of the educational series, scheduled to start by the middle of next month or before, weather and roads permitting.

Dates and places for the holding of Workshops will be announced in the Standard shortly.

# "Ice Cycles of 1955" Is Greatest Production Ever

Walt Disney's "Snow White and the Seven Dwarfs", a completely new production of the enchanting fairy tale, will be the featured number of "Ice Cycles of 1955" to be presented by the Edmonton Exhibition Association in the Edmonton Gardens Feb. 7 to 12.

No effort or expense has been spared to make this 10th Anniversary edition of Ice Cycles the greatest ever. Costing nearly $1,000,000 to produce the show will feature a cast of more than 125, headed by the well-known skating team of Margaret Field and Jimmy Lawrence; Mickey Carrington, member of the 1952 British Olympic figure skating team, Jane Kirby of Ottawa, former Canadian Singles and Senior Pair ice skating champion, Ala Zanova of Prague, who skated with the Czechoslovakian figure skating team at the 1952 Olympic Winter Games in Oslo.

Paul Castle, the skating midget, only 4'6" will also be featured in the show, along with the Pyne Twins, famous pair skating champions, comedians Setta and Labrecue, the sensational adagio team of Curtin and Hittle and the Ice Cyclettes.

Ten great production numbers and 20 acts will make up the all-new, all-star program of "Ice Cycles of 1955".

Leading off the gala 10th edition of this "wonder show on ice" is the breath-taking production sequence celebrating the 75th anniversary of the invention of the electric light entitled "Diamond Fantasy of Light". Filled with glitter and pageantry the number salutes the era of world progress that began when Thomas A. Edison perfected the electric light in 1879.

Sprightly and gay is the "Jingle Polka" set in an Alpine background and costumed in brilliant colors. Six mammoth snowmen add comedy and novelty to the number guaranteed to please all children from 3 to 103.

Jet-propelled skating by 48 girls and boys, with special emphasis on precision, sets the motive for "Gobs and Gals" the production with a navy yard atmosphere.

Highlight of the all-new Ice Cycles show is the imaginative and authentic ice version of Walt Disney's "Snow White and the Seven Dwarfs". The tale is told with an unusual flair for fantasy streamlined to fit the style and tempo that characterizes every Ice Cycles production.

However with all the modernization of the Snow White story, its presentation is true to the basic concepts of the century old children's tale and to the fabulous Walt Disney motion picture version as well.

All the Disney musical favorites that are hummed and whistled from coast to coast, are featured. Musically these songs, which have become classic folk tunes, are presented by a picked chorus of the best voices in Hollywood, with the solo parts sung by the artists who originally made them popular in the famous Disney movie.

Scenic backgrounds for Snow White set a new standard of production for the ice show field.

Dramatically, the roles have been cast from the best of the Ice Cycles' all-star cast. Snow White will be portrayed by Margaret Field with Jimmy Lawrence as the dashing Prince. Jane Kirby will be seen in the role of the wicked Queen and the dull-witted, but ever-lovable Dopey the seventh Dwarf is given new animation by Paul Castle.

Snow White and the Seven Dwarfs familiar to millions, now with the added speed and charm and dash that can only be given the story by a presentation on ice—awaits a whole new generation of children.

"Ice Cycles of 1955" will be presented every evening at 8:30 Feb. 7 to 12, with a special Saturday matinee at 2:30 p.m. on Feb. 12.

Dance at Beauvood Friday, Jan. 28. Harpestad music. Everybody welcome. 28-30

---

The port of Montreal is 300 miles nearer Liverpool than is the port of New York.

## Sixteen Years Ago Today

*Jan. 26th, 1939*

Chief of Police H. C. Oakley will retire from service at the end of January after thirty years continuous service in that capacity for the Town of Vermilion.

The town and district mourned the loss of its first mayor, Matthew A. Brimacombe, who passed away Jan. 18.

A surplus of $11,000 was shown in the town's financial statement. This was the most favorable statement presented for some years.

The Board of Trade had several distinguished visitors at their luncheon meeting including the Hon. W. A. Fallow, Minister of Public Works, Dean Howes and George Clash. J. R. Robson newly-appointed secretary of the Vermilion school division who has moved in to town from Dewberry was also present and was introduced.

After hearing George Clash explain the plan of Alberta Treasury Branches a very large meeting at the Columbia theatre voted in favor of establishing a Treasury branch in Vermilion.

## Thirty-two Years Ago Today

*Jan. 24th, 1923*

Jack Tucker was appointed manager of the Vermilion hockey club succeeding Ed Ivy who is leaving for California.

A. C. Brown who was the first manager of the Canadian Bank of Commerce in Vermilion, died in Vancouver. He was a brother of H. W. Brown.

The finest carload of steers shipped into the Edmonton stockyards for the past two years came from the J. H. Foster farm at Claysmore. He received 6½c per pound for them.

A meeting of the women voters of the Vermilion Centre S.D. was held for the purpose of considering a woman candidate for the school board.

## Unsatisfied Judgment Fund Shows Deficit

The Motor Vehicles Branch of the Alberta Highways Department reports the Unsatisfied Judgment fund showed a deficit of $26,766 for the nine months between April and Dec. 31, 1954.

Expenditures during the period were $363,991 while receipts were $327,225. Expenditures were made up of $97,262 in hospital and medical payments, $241,287 in court damages, $25,878 in court costs and $2,969 in miscellaneous payments.

The fund, financed by $1 fees collected with each motor vehicle registration, provides for paying damages and costs awarded in court judgments arising out of motor vehicle accidents when the person found liable cannot pay the judgment.

Operations of the fund over the fiscal year, which ends March 31, 1955, will likely show a surplus.

T. E. CHESTER CYRIL CHAPMAN

T. E. Chester, manager of the Canadian Pacific Railway's Empress Hotel at Victoria, B.C., will retire the end of this month under the company's pension regulations, it was announced by R. A. Mackie, general manager of hotels. He will be succeeded by Cyril Chapman.

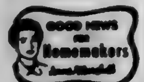
STORE SALES UP

Department store sales have started well in 1955, reports The Financial Post. For the week ended Jan. 8 they were up 4.3% from the same week of previous year. Alberta sales were up 11.6%, B.C. up 20.2%; Ontario and Quebec up a fraction of a point; Manitoba down 0.3% and Saskatchewan down 8.5%. The Atlantic provinces were up 3.9 per cent.

COSTLY STRIKE

Little seems to have been accomplished by the Ford strike, comments The Financial Post, except for the dubious achievement of breaking the former 99-day record (Ford 1945) for a strike in the automotive industry.

For Ford workers the resulting strike has meant a direct pay loss of some 20 millions. Added to that is the incalculable wage loss for employees of supplier industries idled by the walkout.



# Of Many Things . . .

By AMBROSE HILLS

DAVE

I don't know what church Dave belongs to, but I know that he carries in his wallet a prayer, and that he reads it often, and it has done something very remarkable for him.

Dave was once a veritable stumble-bum, an alcoholic outcast, a denizen of skid row. Though he came from a fine family, they were unable to do much for him. He was wedded to the bottle. A leading Montreal psychiatrist eventually treated him, but without any results. Today that same psychiatrist refers to Dave as "my most successful failure".

One Easter at Number 1 police station, Dave realized that he was completely licked. Somehow, he found his way home once again, and made a long-distance call to New York to the offices of Alcoholics Anonymous.

"Nobody can stop you drinking," they said, "unless you want to stop for yourself. Do you honestly want to?"

He said he did, and this time he meant it. They wrote to him every day for a year. He became the founder of AA in Montreal. Thousands of former problem drinkers have been helped by him. He's one of the most highly respected men in town today. Yet he's extremely humble.

One thing everybody envies in Dave is his tranquility. Nothing seems to rile him or disturb him or put him into a tailspin. He has genuine peace of mind and soul. Ask him how he attains it, and he's likely to take from his wallet (a very thin wallet, incidentally) a crumpled bit of paper with the prayer typed on it. I thought that even in this "gimme" age you might like to have a copy. Here it is, the "Prayer of Saint Francis":

"LORD, make me an instrument of Thy peace; where there is hatred, let me sow love; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy.

O DIVINE MASTER, grant that I may not so much seek to be consoled, as to console, to be understood, as to understand; to be loved, as to love; for it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life."

## Claysmore Clippings

Gordon Gerry who has just returned from Germany where he has been serving with the air force, visited at the home of Mr and Mrs. Robert MacMillan. On Saturday he was enroute to Lloydminster to visit his father G. Gerrie, and his sister and family Mr and Mrs. Syd DeGere.

Mr and Mrs. Stanley Gerrie of Edmonton were week end visitors at the home of Mr. and Mrs. Robt. MacMillan.

Mr. and Mrs. R. D. Lynch have returned home from a trip to Wisconsin where they were called by the death of Mr. Lynch's sister.

We were sorry to hear Frankie McCauley has been quite sick with a bad cold. We hope he will soon be feeling well enough to be out and around again.

BORN — To Mr. and Mrs. Vern Shroyen, Victoria, B.C., (nee Margaret MacMillan) a son, on Jan. 1.

Mr and Mrs. Karlstrom of Edburg are visiting their daughter and family Mr. and Mrs. A. Olestad.

Congatulations to Mr. and Mrs. A. Olestad on the birth of a son in the Vermilion hospital, Jan. 13, Kenneth Michael.

The Olestad family are now well settled in the new Wheat Pool house and are enjoying all the comforts of a city dwelling.

The Willes orchestra played for a very enjoyable dance at the Bowtell school on Friday evening.

# 204 Lose Lives In Alberta Motor Accidents In 1954

The toll of motor vehicle accidents in the province last year took 204 lives, according to a preliminary survey compiled by the Alberta Safety Council.

Though it is still alarming, the death toll is below the previous year, according to safety officials.

Edmonton had 10 death, compared with 16 in 1953, while Calgary had 11, which was a decrease of 7.

The RCMP reported 171 fatalities, mainly in rural areas, compared with 200 in the previous year. In addition, there was one in Medicine Hat, six in Lethbridge, one in Beverly, two in Edson and two at Forest Lawn in the south.

For the entire province last year fatal accidents were down 14.6%.

The worst months for motor vehicle accidents were January and December, according to the survey. These two months accounted for 3,480 of the aggregate of 16,446 motor vehicle accidents in the entire province last year.

The summary also discloses a decided trend to the observance of greater safety last year. Compared to 1953, when there were 17,832 motor vehicle accidents, the number last year was 1,386 less, or a drop of 7.8%.

At the same time, Alberta's motor vehicle registrations last year, comprising passenger cars, motor trucks and motor cycles, climbed to a new high of 329,841, an increase of 21,237 over the previous year.

Rural sections of Alberta, including towns, led the way in motor vehicle accidents reported by the RCMP, with a total of 7,153, but this was well below the previous year's total of 8,087.

Edmonton had a total of 4,989 accidents and Calgary 3,178, and these two cities accounted for nearly half of the Provincial aggregate. In 1953 Edmonton's total was 5,246 while Calgary was next with 3,362.

During the year, Medicine Hat had 275 accidents, other points included Lethbridge 416; Jasper Place 162; Beverly 20; Lacombe 45; Ponoka 34; Stony Plain 10; Taber 52; Edson 60.

Persons injured in motor vehicle accidents last year in Alberta numbered 3,632, which was a decrease of 715, or 16.4% from the previous year.

Those reported injured by the RCMP at rural points reached a total of 2,193, as against 2,927 the year before. The Edmonton total increased from 712 to 728 and Calgary's from 513 to 554.

The monthly report for December disclosed 29 fatalities, a drop of eight from previous year.

Indicating a response to safety appeals, November and December closed the year with 10 less deaths each month than in the comparable periods of 1953.

## More Life Insurance

Canadians bought $271 millions in new life insurance during the month of November, an increase of 4.1% over November, 1953, sales of $260.3 millions, reports The Financial Post. For the first 11 months of last year sales were $2,417.8 millions, up 1.1% from $2,390.7 millions in the corresponding 1953 period.

## Wilmore Wails

It is pleasing to hear that Mrs. H. Wear of Buffalo Center district is now home again after her serious operation at the local hospital. She is feeling quite well again. We hope she continues to gain health and strength.

The writer, husband and Kenny Graham attended the Ice Fantasy in Vermilion last Tuesday evening and it was well worth attending. There were some wonderful acts and the costumes were grand with the spotlights showing up the colors so nicely. Several thought they were going to be soaked with water in one act — it turned out to be a bucket full of paper instead.

Apologies to Ken Kennedy and members of his rink for omitting mentioning their names as prize winners in the Farmers' spiel last week.

Mr. T. Stockwell and Frank Malanek visited the writer's last week. Mr. Stockwell was on P.F.A. business. Mr Malanek bought a purebred Hereford bull from Jim.

Kathleen Cruthers took chicken pox last week but she is now feeling fine again. Her sister Maureen had the misfortune to fall while on skates on Monday cutting her mouth and loosening several front teeth. She was taken to the doctor and we hope she will suffer no ill effects from the fall.

Mrs Lloyd Howard, Lorraine and Phillip left Monday morning from Wainwright for Victoria, B.C. to visit her mother Mrs. Coburn Sr. who has been very sick this last while.

Preston Central school pupils held a skating party at the school rink on Friday evening with a good attendance. The Alberta Wheat Pool also held a picnic during this school basement the same evening and a nice crowd attended. Every one enjoyed the pictures and lunch given by Mr Braithwaite. Mr Dobson and Mr. Davies on the Fern Pool. All will be looking forward to next year when they will come again. Social committee members of the school then served free coffee and cookies and hot dogs.

Several from out our way attended the Krums-Marriott wedding and reception following. Ruth looked lovely as did her attendants. About 90 attended the reception in the church hall afterwards. We wish them many years of happiness together as they left on a short honeymoon and on their return will reside in Edmonton.

We are sorry to hear Lily Eyben of Ambersdale district has been in Edmonton for treatment. She came home Saturday evening but has to go back again in three weeks time. Best of luck for complete recovery Lily as you have been laid up with your leg ailment a long while.

Wilmore Beavers Girls club will hold a dance in Beaverdam school Friday Jan. 28. Everyone welcome.

We along with the community, wish to extend to Mr. and Mrs. Fred Arthur of Ambersdale hearty congratulations on their golden wedding anniversary on Jan. 26. Mr. and Mrs. Arthur came in the early days and have resided here ever since. A warm welcome always greets you when you visit their door. Richness anywhere in the district never lacks Mrs. Arthur's way to aid and help. Mr. Arthur is a willing helper and a good neighbor. We all wish them many more years of happiness together.

Take notice Wilmore Telephone Mutual Telephone members. The annual meeting will be held Wednesday, Feb. 2 at the Wilmore curling rink at 2 o'clock. Please plan to attend.

On Saturday in town we enjoyed chatting with Mrs. Chas Waldmeyer, Mrs. Galloway, Mrs. Hans Eyben, Mrs. Moore and Mrs. Seefort.

How many listen to the radio program Trail of the Pioneers? Of late they have been telling of Frederick McLeod. Of how he travelled from Winnipeg to Edmonton over the Battleford Trail. That trail incidentally, went right past the present Wilmore P.F.A. and cut across the prairie close to the home of the writer. The marks of the old trail have now disappeared owing to the breaking up of the land.

Mary Graham and Joe Lecuyer and Hazel Whitlock of Wilmore are the latest victims of the mumps.

## To Attend National Life Underwriters Meeting in Toronto

A. D. Berry of the National Life Assce. Edmonton has been selected to represent the Life Underwriters Association of Edmonton at the annual National meeting of the Life Underwriters Association of Canada in Toronto Jan. 29 and 30.

The Life Underwriters Association of Canada is a national organization consisting of 74 local associations similar to the Edmonton one. Its membership is more than 7000. At the annual meeting of the association delegates from all across Canada elect a new board of directors review the past year and set up plans for the coming year's activities.

The aim of the association is, "To advance the best interests of true life insurance". The Association sponsors a 3-year course leading to the Chartered Life Underwriter" (C.L.U.). Diplomas from more than 30 of the leading universities are awarded to those who pass each year's annual meeting, and this will be the Edmonton's own.

SHOWN ABOVE is a scene from of the 10 great production numbers in Walt Disney's brand new "Snow hers and 20 starring acts featured in White and the Seven Dwarfs", one in "Ice Cycles of 1955" to be presented by the Edmonton Exhibition Association in the Edmonton Gardens Feb. 7 to 12. The roles of Snow White and Prince Charming will be skated by the incomparable Margaret Field and Jimmy Lawrence.

Speedy recovery to you girls.

Mr. and Mrs. Len Merriott of Frank Clarke in Very well. Mr Calmar visited Mr and Mrs. W. is up in a wheel chair now.

## Pleasant Valley

(This bulletin was received for last week's Standard but was held over. Please make due allowance for lapse of time.)

The Sunday service was well attended last afternoon for the christening of Stanley Norman Gould.

Everyone is very sorry that we have to bid farewell to Mr. and Mrs. Les Ford. All would have felt happier had he declined the offer. However we do hope that his successor will be just as enthusiastic in his work.

The ladies housecoats are enthusiastic about their curling this winter. Mrs. Reid, Doreen Gould and Mrs. J. Maire are enjoying a few games — and losing too, we hear.

Congrats to Mr. and Mrs. Munro on the birth of a son — to Fern Pool. All will be looking forward to next year when they will come again. Social committee members of the school then served free coffee and cookies and hot dogs.

Several from out our way attended the Krums-Marriott wedding and reception following. Ruth looked lovely as did her attendants. About 90 attended the reception in the church hall afterwards. ## Judicial Sale of Farm Property by Tender

Pursuant to an order of Honourable Mr. Justice E. B. Wilson of the Supreme Court of Alberta, and of certain directions for sale, sealed tenders will be received for the purchase of the following parcel of farm property, situate 7 miles from Islay, Alberta, to be sold in Edmonton, Alberta.

North half of Section Nine (9), Township Fifty (50), Range Four (4), West of the Fourth Meridian. In the Province of Alberta, excepting thereout 1.50 acres more or less for a road-way of record in the Land Titles Office as to the Land Registration District as Plan 4187 C.L.

*Reserving thereout* all mines and minerals.

subject to the conditions and reservations contained in the original grant from the Crown or in the existing Certificate of Title thereto, and subject to all taxes, rates and assessments imposed thereon subsequent to the 31st day of December, 1954.

This half section has 130 acres cultivated with most of the balance suitable for cultivation. Nearest school and post office to Islay, seven miles. Land is shallow black loam and is fairly clear of weeds. Buildings consist of frame house and barn in poor condition. Land is fenced and cross fenced. Water supply from 140' well.

The sale will be subject to an upset price of $6,000.00.

Tenders must be enclosed in sealed envelopes marked, "Tender re the Governor and Company of Adventurers of England Trading into Hudson's Bay vs. Robert Harkin and Mrs. Robert Harkin, his wife, No. 3013" and addressed to the Clerk of the Supreme Court, Court House, Edmonton, and must be in the hands of the said Clerk not later than 12:00 o'clock noon on the 28th day of February, 1955.

*TERMS OF SALE*

Each tender must be accompanied by a marked cheque or cash for 10% of the amounts of the tender, and the balance of the purchase price shall be paid into Court within forty days after the acceptance of the tender, without demand, the Purchaser to make his own arrangements for the money by ways of mortgages or otherwise.

The deposit of 10% shall be forfeited by the successful tenderer if he refuses to carry out the purchase after the acceptance of his tender. Cheques of unsuccessful tenderers will be returned to them immediately after rejection thereof; the highest or any tender not necessarily accepted. In all other respects the terms and conditions of the sale will be standing conditions of sale of the Supreme Court of Alberta as far as the same are applicable hereto.

For further particulars apply to Messrs. Lindsay, Emery & Ford, Messrs. Jamieson & Lambert, Barristers, 201 Imperial Bank of Canada Building, 100th Street, Edmonton, Alberta.

DATED at the City of Edmonton, in the Province of Alberta, this 10th day of January, A.D. 1955.

"Mirlel Dufour"
Deputy Clerk of Court.

APPROVED:
"E. B. Wilson"

St. Peter's, Marie—
7:00 P.M.—Evensong.

## Taylor & Pearson Play-Off A Big Day

## 'Well Baby' Clinics Recommence, Islay

The well baby clinic begins in Islay again in February. It will be the second Thursday, 10th, at 2 p.m.

Mr. Teddy Monger and Mr. Bill Davies are having a few days in hospital here, as well as Mrs. Currie Sr. and son Nizie.

Saturday was a full day of high school curling. A very pleasant day it was too and I believe all who watched the games enjoyed them. The visiting rinks were entertained at lunch at noon in the banquet room of the school by the Senior girls and Mrs. Irene Martin acted as hostess. During the day the Students' Union served hot coffee, doughnuts and pie at the rink. The Kitscoty High school carried off the honors. The rink was composed of Gordon Jacobs, skip, Rivercourse; Bill McColgan of Islay; Ken McLennan of Islay and Dale Mitchell of Streamstown, but all are attending high school in Kitscoty. These boys go to Edmonton Jan. 30 and 31.

Dalton Torrance accompanied by Mrs. Torrance, went to Edmonton Monday with a load of cattle from Dave Martin's.

Walter McCaughan and Ralph Andersen attended the hockey game at Lloydminster last Saturday.

We were sorry to learn of the passing of Mr. John Young in Red Deer this past week. The funeral was held Saturday. Mr. and Mrs. Young spent a number of years here in Islay after they retired from farming. A son, Bill, lives near Dewberry.

Mr. and Mrs. Lloyd McFadden of Vermilion called on Mr. and Mrs. Ulva McFadyen and Mr. and Mrs. McEachern on Sunday. All attended the afternoon church service.

Harry Young and Percy Goldy had some good fishing in the lake at Vermilion recently.

Roy and Minnie Farber of Earlie visited on Saturday at Mrs. Jim Gould's and Marvin. Then Sunday came Elmer and Mrs. Watson and son Owen from Lloydminster, needless to say a good old time visit was enjoyed even if getting brief.

During 1954, the Canadian National Railways increased their freight car fleet by over 5,300 units.

## WOODVALE NOTES

It almost feels like spring this small issue of Jan. 23, even, with a small-sized storm and strong wind, but luckily not enough snow to block the roads, though we hear it's heavy going on some sideroads. The Woodvale ladies practised for their coming hockey game with the Basswood team on the 20th. They defeated a Basswood team on basketice 9-3 the week before, but know that Basswood will be strengthened considerably for the next bout.

Mumps are slowly making the rounds. Latest victims are Mrs. Eleaner Raud and Marilyn Watt.

The Woodvale Community Association held its annual meeting on the 12th and elected the same slate of officers with Arnot Brown as president and Mrs. Eva Dickson secretary-treasurer.

Babies from this side of the cosee are taken to the clinics held in Preston school for their inoculation.

There was an F.U.A. meeting on the 11th but attendance was small.

# Health Unit Notes

COMMUNICABLE DISEASE REGULATIONS

It has come to the notice of the Health Unit staff that the regulations governing the control of communicable diseases are not being strictly adhered to. The full co-operation of all concerned is necessary if these diseases are to be prevented from spreading throughout the community and it would be advisable to keep this article for future reference.

The following diseases must be notified to the Health Unit by the doctor if he is consulted, otherwise by the parent or affected person:

Scarlet Fever, Septic Sore Throat, Measles, Diphtheria, Food Infections, Rubella (German Measles), Whooping Cough, Poliomyelitis and Dysentry.

The regulations concerning the isolation and quarantine of patients and contacts is as follows:

*Scarlet Fever and Septic Sore Throat* — For patient, 7 days isolation if under the care of a physician from whom treatment is being received (and taken) and if declared by physician to be free of infection, otherwise for 21 days. All cases will remain isolated until clinical recovery and until all infected discharges have ceased.

Contacts 18 years of age and under who remain in the same house to be quarantined for the isolation period of the case. Contacts over 18 years of age who remain in the same house to be excluded from all occupations involving contact with children or foods which may transmit the disease, for the isolation period of the case. Older contacts under 18 years of age to be in quarantine for 7 days (this applies to all contacts whether they have had the disease or not).

*Measles* — Isolation of patient for ten days. Quarantine of susceptible contacts for 10 days after the last exposure.

*Poliomyelitis* — Isolation two weeks. Quarantine all contacts under 18 years and all over 18 years who are in contact with children or handling food, for 14 days.

*Diphtheria* — Isolation 2 weeks or two days depending on bacteriological examinations. Quarantine of all contacts until proved not to be carriers, subject to certain regulations.

*Food Infections* — Isolation exclusion from food handling and occupations involving the care of children until clinical recovery and until two stool specimens taken within an interval of at least 24 hours however them are negative. No quarantine for contacts.

*Dysentry* — No isolation for amoebic dysentry. Those infected with the bacillary type should be isolated for the duration of the disease in a room screened against flies. No quarantine for contacts.

It should be noted that cases of whooping cough are occurring in the area and these could be prevented if the children had a course of preventive inoculations.

Further particulars and literature on all these matters can be obtained from your Health Unit office.

BABY & PRE-SCHOOL CLINICS

Monday, Jan. 31. — Legion hall, Vermilion, 2 to 4 p.m.

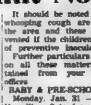
Tuesday, Feb. 1. — Derwent school, 11 to 12 noon.

Thursday, Feb. 3 — Clandonald school, 2 to 4 p.m.

Friday, Feb. 4 — Dewberry school, 2 to 3:30 p.m.

## Tips on Touring

by Carol Lane — Woman's Travel Authority



I've just completed an exhaustive study of the travelling and vacationing habits of the Canadian male and female and one of the things I've discovered are of real significance.

There is no longer a "vacation season". Nowadays people travel and vacation the year round . . . Women always take far too many clothes — they could get by with 63 pounds of luggage for a cross-country trip — men are just as bad in only a few cases know how to pack a suit properly.

If a woman dresses and acts like a lady, she'll be treated like one when travelling alone . . . girls who wear flashy clothes, too brief shorts, excessive make-up, are inviting trouble. Never check into a tourist court where all the car licenses are local.

Most places are as much fun in summer as in winter. No girl should be without a lightweight travel iron, no more than a man should be without a razor.

Make a point of ordering food you've never had before. Young men's bows must each better when they have little responsibilities like keeping car records, watching signs etc.

Farmers are the best tourists and travellers. If you have limited time in a big city, take a sightseeing bus instead of your own car. As a homesickness antidote, buy your hometown newspaper at an out of town newsstand.

## LETTER FROM THE CAPITOL

## Socialized Medicine

EDMONTON — Is Alberta moving into socialized medicine? That, according to some reports, is the question many medical men in the province are asking as increasing indications are that the provincial government plans to extend its health program at the legislative session opening Feb. 17.

Published reports, apparently leaked by medical officials, call the plans a health insurance scheme and indicate it would be linked with Medical Services Incorporated, which was formed by the medical men of the province a few years ago. The details of the scheme, if it is to be put into operation through the forthcoming session, probably will not be known until the legislation is introduced in the house.

According to the available information, the province would pay one-third of the costs. This, of course, brings up the question "Who is to pay the remainder?"

Will it work in a similar manner to the present hospitalization and extra services plans in which the municipalities participate and the taxpayer feels it through his taxes? To what extent will it touch the pocketbook of the citizens? Will it be compulsory or will it be compulsory only to ratepayers and optional to non-ratepayers as are the current schemes?

When health insurance schemes are discussed, thoughts of most people turn to B.C., where considerable controversy and difficulty arose over the institution of compulsory health insurance there. One of the results was the imposing of a 5% provincial sales tax on goods at the retail level.

It seems hardly likely the Alberta government would draw up a health scheme which would require imposing a sales tax, for if a scheme could not be financed from the already large revenues the government is getting it probably would not be a very sound scheme.

The present schemes operate on a 50-50 basis between the province and the municipalities which adopt the plans on behalf of their ratepayers. The municipalities raise their share through taxation. Persons who do not pay municipal taxes are eligible on payment of stipulated annual rates.

The schemes give hospitalization in standard wards at a charge of $1 a day to the patient and extra services, barring some drugs at an additional $1 a day.

In a submission to the provincial cabinet last week, the Associated Hospitals of Alberta, representing the province's 93 general hospitals, asked for the establishment of a commission to study all government hospitalization schemes with a view to simplification it said.

"The acceptance of the extra services plan has been disappointing. The study (by the association) indicates only 23.15 per cent of the total hospital days in the province come under the plan."

The group indicated it would favor one plan, which would embrace the two schemes.

The hospitals also complained the rates accepted by the government as standard ward rates for the payment of the provincial share of the hospitalization scheme were not realistic and should be increased to meet actual costs. They want an all inclusive rate for ward and extra services and feel a rate of $3 per day should be recognized for new-born babies, which now are included under the maternity rate paid by the government.

The association's printed brief made no mention of a possible health insurance scheme, although

Private radio stations pay about a quarter of a million dollars a year to the CBC in licence fees. —Quick's Canadian Facts.

## NEWS from KITSCOTY

Mrs. R. M. Mathewson and Mrs. M. Miller visited with relatives in Edmonton recently.

We are pleased to report Mrs. John Dale is home from her long stay in the hospital and much improved in health. Her daughter Mrs. Ross Walker and little granddaughter Elizabeth of Saskatoon are visiting here at present.

The Rev. Andrew Potter who has been attending college in Toronto for the past four months has returned and taken up duties as minister of St. Johns church here.

Miss Christine Page, student at the U. of A. spent the week end here visiting with her parents Mr. and Mrs. V. J. Page.

Best wishes for a speedy recovery are extended to Mrs. J Christiansen, a patient in the University hospital Edmonton, and Mrs. Paul. Ine McLean who has been ill in Lloydminster hospital for the past three weeks.

Mr. and Mrs. Alex Potter arrived home during the week end after spending the past two months visiting their family at Edmonton and Black Diamond.

Misses Mary Manson, Judy and Donna Sheppard and Rose Marie McKenzie are taking lessons in fancy skating at Lloydminster this winter.

Mr. F. C. Seabrook of Edmonton is in town again visiting with his old friends and renewing acquaintances.

## Mannville Pee-Wees Defeat Vermilion

MANNVILLE — There was an excellent crowd at the hockey game on Sunday afternoon when the Mannville 14 and under team defeated a Vermilion team by a score of 10 to 3. Those scoring goals for the Mannville Pee Wees' were David Croft with 3, Charlie Gerhart 3, Allan Menz 3, Danny Hasinoff 1.

These boys under the direction of Howard Schreyer and Les Kreller have the makings of a real hockey team and with the new rink and continued support of the town and district, Mannville should once again be the home of one of the best hockey teams in the Edmonton to Lloydminster area. We have had good hockey teams in the past — let's support these young fellows and keep them playing hockey.

Line-up: Goal, George Korchinsky; Fwds. David Croft, Allan Manz, Charlie Gerhart, Scott Blackburn, Gene Schreyer, Tom Laidler, Allan Doherty; Defence Danny Hasinoff, Roy North, Nelson Modin.

John Croft refereed.

The boys thank the folks for the support given on Sunday and ask them to watch for posters for the next home game.

possibly the group's officers just restrained from mentioning it in print.

Probably any health scheme to be introduced will require some direct financial outlay by citizens wishing to participate. The absolutely free, fully-socialized plans, officials have said in the past, lead to care, treatment or hospitalization in cases where they are not really necessary.

## Poor Yields, Low Quality, Cut Entries In Barley Contest

As the Feb. 18 judging date approaches for the 1954 National Barley Contest it seems likely that not much more than 15 per cent of the entries will get to the judging tables at all.

Although deadline for shipments has passed, Dr. T. J. Harrison, director of the Barley Improvement Institute, has announced that every extension possible will be given because of adverse conditions in the 1954 crop year.

So long as carload entries are shipped and inspected before the judging date they will be eligible for consideration if they grade high enough to meet malting barley standards.

Growers in Alberta have been particularly hard hit. The number of carload shipments from that province is little more than enough to take up the 14 regional cash awards of the competition. For its purpose the province was divided in to two regions with 7 prizes for each.

Up to Jan. 22 only 154 carloads had been inspected in Winnipeg, 130 from Manitoba growers and 15 from Alberta. Under normal conditions there would have been several hundreds. All samples inspected will be shipped to Edmonton for the Feb. 18 judging.

# Extensive Plans For Alberta's Golden Jubilee Celebration

Hon. C. E. Gerhart, Provincial Secretary and chairman of the Golden Jubilee Cabinet committee, announced today that the Government and his committee had approved a comprehensive plan for Alberta's Golden Jubilee celebrations. The plan has been prepared by a working committee of the Deputy Minister of Economic Affairs set up to organize and assist Jubilee observances in the province.

SCROLLS FOR PIONEERS

The plan includes presentation of illuminated scrolls to senior Alberta citizens who were living in Alberta during 1905 and are Alberta residents during 1955, and the presentation of engraved silver spoons to all babies born in Alberta on Sept. 1, 1955 Jubilee Day. A suitable presentation will also be made to all those married in Alberta that day.

MOBILE CARAVANS

Two mobile caravans are to be purchased to carry and exhibit the Golden Jubilee displays. The caravans, which will be equipped with facilities for the projection of motion pictures, will tour Alberta towns, villages and municipalities from June to September as part of local Jubilee programs.

RUSTIC ARCHES

Rustic arches are to be built to provide a permanent, decorative entry to the province, and will be erected on main highways leading into the province to welcome tourists and Jubilee visitors. The program of identifying and marking Alberta historic sites also will be intensified during 1955 while the Dept. of Highways will establish as many picnic table sites as possible, placing shelters over tables where necessary and providing [illegible]

[illegible]

... clude a collection of Alberta articles, fiction, and poetry. The University of Alberta Mixed Chorus will tour various parts of Alberta, presenting a Jubilee choral program while a song-writing competition, sponsored by the Alberta Music Board, will offer three cash prizes for acceptable Jubilee songs. A play-writing competition that offers cash prizes of $250 each for the three best plays of Alberta writers has also been approved as part of the Jubilee plans. Ten thousand copies of the Jubilee Anthology are being purchased and will be distributed throughout the province. Copies also will be distributed by the Departments of Agriculture and Education.

SQUARE DANCES

A professional square dance caller will be employed for about three weeks to assist in local Jubilee celebrations while possibly a famous Canadian dance orchestra will be invited to play at special Jubilee dances.

INFORMATION DISPLAY

A special information display will be erected at the Fort Macleod Tourist Information Bureau, a joint project of the Department of Economic Affairs and the Canadian Rockies Tourist Association. An extensive publicity program will also be undertaken to advertise and promote all features of the Alberta Golden Jubilee.

ASSISTANCE TO BE GIVEN

To assist municipalities in the organization of local Jubilee celebrations, as has already been announced, the Alberta Government proposes to provide a fund which will be used to assist municipalities [illegible]

JUBILEE CLIMAX SEPT 5-10

[illegible]

... ducted. Special programs will centre around construction of the provincial auditoriums at Calgary and Edmonton.

CELEBRATIONS BEGIN JAN. 14

Jubilee celebrations will begin this week, Jan. 14 with the opening of the new Jubilee Recreation Centre at Lacombe. A dinner and entertainment will be included in the opening ceremonies.

WHIST DRIVE

The regular whist drive will be held in St. Saviour's parish hall on Monday, Jan. 31st at 8 p.m. Everybody welcome.

ST. SAVIOUR'S W. A.

St. Saviour's W. A. will hold a Dorcas meeting on Thursday, Feb. 3rd at 3.00 p.m. in the parish hall.

# JAMES SMITH, KITSCOTY, IS SOCIAL CREDIT CANDIDATE

James A. Smith, of Kitscoty, school principal, was elected Social Credit candidate for the Battle River-Camrose constituency at Viking Wednesday at what is claimed was the largest nominating convention ever held in the province. There were 428 accredited delegates in attendance besides many interested spectators.

THREE NOMINATED

The names of three men were placed before the large convention. James A. Smith was the first nominated, followed by Dr. Byerstein of Camrose and James Marshall of Bashaw. Both Dr. Byerstein and Mr. Marshall are former members of parliament, representing at different times the former Camrose Federal riding. After making his address, Mr. Marshall withdrew from the election.

Following the election addresses, the vote was taken and the result was the choice of Mr. Smith by a narrow margin considering the large number of voters. Following the announcement of the result of the ballot, Dr. Byerstein immediately made the choice unanimous and pledged his support to Mr. Smith.

Arrangements for the convention were well carried out and the registration of delegates, examining of credentials and issuing of ballots was completed in less than two hours.

SOLON LOW SPEAKS

Following the nomination convention, the packed theatre was addressed by Solon Low, member of parliament and National leader of the Social Credit party. The Social Credit leader dealt with some of the major questions facing Canada and Canadians today.

At the opening of the convention tribute was paid to the late Robt. Fair, with each of the speakers of the day paying tribute to the departed member of parliament.

Date of the by-election has not yet been announced from Ottawa.

# Pipe-Major John MacMillan Passes

John MacMillan, known throughout Canada as "Pipe Major", and famed for his prowess with the bagpipes, died at the Vermilion hospital on January 31st, following a short illness.

Mr. MacMillan was born at Inverness-shire, Scotland, on June 29, 1881. He and the family came to Canada in 1924 and lived for one year at Red Deer, one year in Calgary and then moved to the St. Andrews district, north of Vermilion where he had carried on farming operations to the time of his death.

It falls to the lot of very few men to meet with the experiences in life equal to that of Pipe Major MacMillan. During the Boer war he enlisted with the Queen's Own Cameron Highlanders and was on board ship en route to South Africa when it was discovered that he was much too young and he was returned to Belfast. In the First World war he served for the entire course with the 5th Battalion of the Queen's Own Cameron Highlanders, and became a Pipe Major in charge of a pipe band. Between the two world wars he came to Canada and in August 1940 joined the 16-22nd Sask. Horse Regiment, again in charge of a pipe band which quickly became known for its proficiency. In 1943 he transferred once again to his old regiment the Queen's Own Cameron Highlanders at Ottawa and was stationed at Lansdowne Park. Here he was again in charge of the pipe band, one of the show bands of Canada. As such he lead the band on all gala occasions appearing in many of the large cities in the United States as well as Canada. This famous pipe band led the McArthur Day parade in New York, a parade 116 blocks long. Mr. McMillan was also the head piper on the occasion of the 25th anniversary celebrations honoring the late Prime Minister MacKenzie King. The Pipe Major returned to his farm home at St. Andrews following a heart attack in 1944, and has lived here since that time.

It was he who trained the pipe band of the Canadian Women's Army Corps, the only ladies pipe band in Canada.

Funeral services were held this this Thursday, February 3rd at 10.30 o'clock in the morning at the St. Andrews Roman Catholic church. Interment took place in the church cemetery. Rev. Father Stewart officiated.

Left to mourn his loss are his sorrowing wife, two sons, Angus of Vermilion and Sandy of Clandonald. One sister Mrs. Roderick MacIntyre lives in Scotland. There are six grandchildren.

Moyers Funeral Home in charge of arrangements.

# Death and Funeral Of Andrew Selthun

Well known old timer of the Islay and Vermilion district, Andrew Selthun passed away in Edmonton on January 27th. Funeral services were held at the Foster & McGarvey Funeral Chapel on Saturday, Jan. 29. The Rev. M. J. Bruer officiated. Interment was made in the Westlawn Memorial Park.

Many beautiful floral tributes were received.

Besides his loving wife he is survived by three sons, Ray of Ryley, Melvin of Camrose, Fred of Brooks and three daughters, Mrs. George Martin, Edmonton; Mrs. A. Schmidt, Edmonton; Miss Helen Selthun of Edmonton. There are four grandchildren.

# Rev. D. A. Ford And Family Farewelled

Possibly the tribute dearest to the heart of a Pastor, is to see his church full to overflowing. Such a manifestation of their appreciation for work well done was paid the Rev. Douglas A. Ford at St. Saviour's Anglican church at the Sunday evening service Jan. 30. This was the occasion of the final service conducted by Mr. Ford prior to his departure for Calgary.

Every point in the parish was well represented. They came from King Edward, Pleasant Valley, Islay, Kenilworth, Basswood and Buffalo Coulee, to augment the large number of townspeople present, each and everyone very sorry that they had to bid farewell to their well loved Rector and his family.

Following the church service all gathered in the parish hall where presentations were made, farewells suitably expressed, a social hour spent, and Mr. and Mrs. Ford and their three children, Michael, Stephen and Kathie sent on to their new parish and home in Calgary, accompanied by the blessings and good wishes of each and everyone.

# C.G.I.T. Carry Out Active Program

The Canadian Girls in Training resumed their meetings following the Christmas recess on Monday, Jan. 10. This gathering took the form of a very nice pot luck supper. This was followed by a short business session, a sing-song and then was completed by all the girls going skating, rounding out a very enjoyable meeting.

On Sunday Jan. 16 following the Week of Prayer, the girls attended the morning service in a body, at the First United church.

The C.G.I.T. have enjoyed addresses from two speakers during the month, Mrs. N. N. Bentley gave a very interesting and informative talk on "Good Grooming". Mrs. Jack Wright told the girls of her trip to Hawaii in a very interesting and amusing manner. Many thanks to both these ladies.

Since Xmas too, farewell was said to Miss Ruth Marfleet, now Mrs. Fred Krause, a leader of the intermediate group. The C.G.I.T. presented her with a silver spoon.

A new leader, Mrs. Mark Norton, was welcomed into the happy C.G.I.T. throng.

On Friday evening, January 28, the Graduate and Senior group held a mixed party which commenced with a gay and noisy tobogganing party out at the farm of Mr. and Mrs. Hollen. Well covered with snow the happy throng returned to the church hall where games were played and a very substantial lunch of weiners and beans, buns and strawberry sundaes was served - heartily partaken and greatly enjoyed.

Hay, wheat, oats and barley have been grown as far north in Canada as Aklavik, on the Arctic Ocean.

# WE ARE SORRY ...

If we couldn't serve you as nice a Sunday dinner as we wished to do, but we did not expect such a demand for Sunday dinners, so we ran out of food and dishes also.

Please try us again, we will know what to expect and will be prepared for you all.

How about trying our true and delicious CHICKEN a la KING this Sunday?

Thank you very much for your wonderful patronage.

The Management,

Windsor, Ont., has the highest average manufacturing wage of all Canadian cities.

# Hilda Cross Rink Wins Challenge

Twenty-six rinks competed in the annual ladies' bonspiel which was completed late Wednesday evening. A complete report of rink personnel, etc. will appear next week. The winers of the various events were:

GRAND CHALLENGE

1. Hilda Cross, Vermilion; 2, Mrs. Gower, Clandonald; 3, Mrs. G. Majeau, Mannville; 4, Mrs. Gordon Larsen, Buffalo Coulee.

PROFESSIONAL SHIELD

1, Mrs. Al Locke, Vermilion; 2, Mrs. Dora Caron, Vermilion; 3, Mrs. Bob Martin, Wildmere; 4, Mrs. A. Gerhart, Mannville.

MERCHANTS

1. Mrs. Dobson, Lloydminster; 2, Mrs. Lena Williams, Vermilion; 3, Mrs. Jo McCaig, Vermilion; 4, Mrs. Scoggins, Mannville.

FOURTH EVENT

Finals of this event will be played at Dewberry between Mrs. M. Jones and Mrs. F. Bowman, both of Dewberry. Third and fourth prize winners will be Mrs. E. Corley and Mrs. R. Bodard.

# Viking Rink Wins Legion Zone Play-off

The rink skipped by Vince Slavik won the zone play-offs of the Canadian Legion here on Sunday. Other members of the champion quartet were Bob Thunell, Leo Kelly and [illegible]

Viking chalked up three wins in the round robin play-off which included rinks from Vegreville, Hughenden and St. Paul. The winners and the runners-up, Vegreville, now proceed on to the provincial finals at Wetaskiwin.

Some very good curling was in evidence Sunday. The games were originally scheduled for St. Paul but were switched to Vermilion when a bad drip, due to the mild weather, caused ice trouble there. Vermilion ice was perfect for the occasion.

The federal government, now employing about 172,000 persons, is Canada's largest employer.

# Active Year Is Reviewed By Congregation Of United Church

On Wednesday evening the annual meeting of the congregation of the United church was started off with a turkey supper at 6 o'clock which the men served to about 140 members present.

Following the supper the annual report was given showing a very satisfactory year in the work of the church and financial support by the congregation.

CHURCH RENOVATED

The interior of the church has been completely renovated at a cost of $9,842.80 giving a very pleasing appearance. The ladies of the W.A. did their share, turning over to the fund $3300.

SUNDAY SCHOOL GROWS

The Sunday school has grown under the able leadership of Supt. E. Schurman from a registered 125 to 185 during the year, and will soon reach 200.

Two members were re-elected to the Board of Session, Mr. W. D. Williams and Mr. W. Elliott.

Three members, Mr. D. C. Folk, Mr. N. N. Bentley and Dr. C. W. Stephens were re-elected to the Board of Stewards.

SMITH GETS THE NOD dp. m

# TWO LEAGUE GAMES NEXT WEEK

Hockey fans will see two league games here next week. On Wednesday Feb. 9th St. Paul with their rejuvenated team will make their [illegible] appearance here. They turned the tables on Vermilion at St. Paul 6 goals to 3 in their last [illegible].

On Saturday Feb. 12 Viking Gas Kings play their final game of the regular league fixtures on Vermilion ice.

This Saturday Feb. 5 the Tigers make the journey to the Viking [illegible].

# Annual School Meeting Feb. 4th

The annual meeting of subdivision 6 of the Vermilion School Division will be held in the junior high school Friday evening Feb. [illegible] commencing at 8 p.m. Financial statement of the division will be given as well as very complete and interesting reports by the school superintendent. This is a public meeting and everyone is invited to attend.

# Anglicans Review Accomplishments Of Past Year At Annual Meeting

The words of the Rector may well be quoted in analyzing the annual meeting of the parishioners of St. Saviour's Anglican parish on Monday evening Jan. 24. They rejoiced at their outstanding accomplishments, took great pride in having played a vital role in advancing the spiritual life of the people and regretted at that which had not been done.

Reports were given by representatives of the many affiliated bodies of the church, and every report without exception showed progress in the past year. The Sunday school had grown from 78 to 105; Little Helpers up to 26 (these are the little ones below school age), a Junior W.A. had been formed, the Men's club was very active and even made money during the year, a badminton club played once a week in the parish hall; the Senior choir was flourishing and enjoyed their part in the church work very much.

The two groups of the W.A. Afternoon and Happy Hour had raised $2,157.72 and $1,253.24 respectively, stupendous accomplishments.

The church general fund showed receipts of $7,103.31 and finances generally were in a satisfactory condition.

The Rector, Rev. D. A. Ford in making his report stated that he had held 232 services during the year, 30 had been confirmed and there had been 38 baptisms. Outside services had been held at King Edward, Pleasant Valley, Islay, Kenilworth, Basswood and Buffalo Coulee.

Election of officers resulted as follows:

Rector's Warden — E. H. Buckingham
People's Warden — L. H. Pockett
Members of the Vestry — J. R. Robson, Ashley Cooper, Keith King, J. Kneale, [illegible] Chalmers, Mitchell Taylor, J. K. Thompson, J. W. G. Morrison, L. H. Playne, Wm. Fooks, Loch Martin, Gib Stephen.

Lay delegates to Synod are E. H. Buckingham, L. H. Playne, K. Chalmers with alternates M. Taylor, J. R. Robson, L. H. Pockett.

Building achievements during the year had been an addition on the north side of the church providing vestry and extra Sunday school space and the finishing up of the tower room.

Appreciation of the incumbency of Rev. Ford was moved by Mr. Buckingham and heartily endorsed by all present.

# New Board of Trade Officials Sworn In

Newly elected officers of the Vermilion Board of Trade are shown being sworn into office by His Worship Mayor S. C. Heckbert. From left to right are the new president Dr. A. Ben King who at the time the photo was taken had just completed his oath; Mayor S. C. Heckbert, and J. R. Boake, the vice-president.
*Photo by Vermilion Photocraft.*

# C. N. Brennan Is Town Member On School Div. Board

Claude N. Brennan is the new representative of the Vermilion town school district on the large Vermilion School Division Board. Mr. Brennan's nomination papers were the only ones filed with the school division secretary at the time of expiry Monday, Jan. 31st at 5 p.m. The new member will represent Subdivision 6 which is entirely within the bounds of the old Vermilion school district.

In Subdivision 1 Mr. Allan Weeks of McLaughlin was elected to complete the unexpired term of Arthur Clarke, deceased.

In Subdivision 2 Mr. Thos. Clutterbuck of Kitscoty was re-elected by acclamation for a second term.

In Vermilion, Subdivision 6, Mr. Brennan succeeds Ashley H. Cooper, who did not stand for re-election after serving five years on the Divisional board representing the Town of Vermilion. Prior to that Mr. Jas. D. Adam, Q.C., now of Edmonton, was the local trustee who served for four years, dating back to the time of the inclusion of the town schools into the school division.

Other members of the board are R. C. Mead of Campbell Lake, W. L. Brown of Islay and D. C. McGrath of Tolland.

# District Club Leaders Attend Short Course

About 70 4-H Club Leaders and Club officers attended an instruction course at the School of Agriculture recently. Groups from as far away as Provost were present. Altogether representatives from 24 Clubs answered the roll call.

Mr. L. Usher, Assistant Supervisor of 4-H Clubs for Alberta conducted the course. He was assisted by Miss Priscilla Melwa, in charge of Girls' Club work for the province, and Miss Olsen of the same branch.

Mr. Usher stressed programme planning so that clubs would have regular meetings throughout the year. This has proved by some of the most successful 4-H clubs to hold clubs together and the members get more out of club work through a united effort where everyone has a part in meetings and in programmes.

The matter of thematic displays was discussed at some length. Under this project clubs prepare exhibits for competition at agricultural fairs. The displays depict agricultural subjects. The object is to teach a lesson with charts and related material.

Mr. N. N. Bentley, principal of the School of Agriculture, addressed the meeting and welcomed the gathering to the college. Mr. Bentley arranged a tour of the buildings and explained the course of instruction given to the students.

District Agriculturist E. H. Buckingham, Vermilion, and Steward Duncan, Wainwright organized the course for the benefit of the clubs in their respective areas. Miss June Kirk, District Home Economist of Wainwright also brought in some of her girls' clubs.

Altogether it seemed a very profitable day and club leaders and officers went home with a greater knowledge of club work and what is just as important, an inspiration to put the suggestions into practice.

# Local Gideons Travel 1000 Miles For Services

Local Gideons believe in proving that this is a church partnership year. The boys of the Vermilion-Lloydminster Camp of Gideons have travelled a total of 1000 miles to take part in fifteen church services during the month of January. Not one Sunday in the five in January was missed. At least two services a Sunday and seven on one Sunday and on this particular one Gideon Coldridge the western field secretary of the organization was with the camp. These services have been spread as far apart as Cherry Grove to the north, Wainwright on the south, Innisfree to the west and Lloydminster to the east.

The Gideon Story of Holy Scripture distribution was told in all the churches and in some a devotional was added.

The churches were of various denominations including Missionary Alliance, United, Baptist, Full Gospel and Pentecostal.

This is church partnership year in which the Gideons believe in telling the various churches of their Stewardship in the matter of Bible placements.

Members of the local camp expect to journey to Edmonton on Feb. 4th to take part in a supper meeting of the Gideons of that city in the Corona hotel.

# Charles S. Holmstrom Of Paradise Valley Passes Away

Charles S. Holmstrom, 87 years, who first came to the Paradise Valley district in 1905 passed away at the Lloydminster hospital on Jan. [illegible]. Funeral services were held Feb. [illegible] in the Paradise Valley community hall.

He leaves to mourn his loss two daughters, Mrs. W. A. Gunn of Paradise Valley and Mrs. Robert Fair of Vermilion.

# Kill 40 Rats On One Farm

RIVERTON F.U.A. HOLDS INTERESTING MEETING

A well attended meeting of Riverton F.U.A. local was held in the Riverton hall on Wednesday with Mr. Bennie Timanson in the chair. In discussing a questionnaire as to what is the subject causing the most concern in the district, the income tax collectors' methods of collecting seemed to be causing a lot of concern to some of those present. Producer Marketing boards was a close second.

Subjects for discussion at the next regular meeting of the local: The arbitrary action of the provincial government raising the per diem rate at the Islay hospital from $1 to $1.50; The advisability of amalgamating the Dewberry, Greenlawn and Riverton F.U.A. locals into one local.

Mr. Wilfrid Poitras, pest control officer for Vermilion River M.D., had on exhibition about 40 Norwegian rats he had poisoned that day at a farm a little north and west of Lloydminster. Mr. [illegible] showed a film depicting the menace of rat infestation. Some other films were shown dealing with Grassland Farming and Vaccination of Livestock.

Mr. Buckingham spoke on Grassland Farming and Breeding and the feeding of hogs to get best results stating that there is a tendency among hog raisers to put too much fat on their hogs and recommended feeding a higher percentage of oats for finishing.

The next meeting of Riverton F.U.A. will be held on the first Tuesday in March. Members of Greenlawn and Dewberry locals are especially invited to attend and all can be assured of an interesting meeting. We were very pleased to see Mrs. Haskell still making coffee for the lunch that followed, a job she has undertaken to the great pleasure of everyone at practically all Riverton social functions for around 25 years. "Lang may her lum reek"

# Arena Fund Helped At Mannville

MANNVILLE — A dance was held at Lake Geneva on Jan. 28 with the proceeds going to the Arena fund. The bean guessing contest won by Mrs. Nick Mishtaw netted $1.55. Mrs. Ed Summers was the winner of the pot holders, this raffle realized $2.55. A total of $23.05 was cleared and a special thanks to all those who helped with the music and the lunch.

# ELKS NEWSPAPER CAR BINGO

Numbers previously published:

[illegible]

Numbers drawn this week are: I - 30, and O - 65.

The Box bingo has not yet been claimed.

Time is running out — Better buy a card today!

# The Vermilion Standard

VERMILION, ALBERTA

S. R. P. COOPER — FOUNDER 1909

ESTABLISHED 1909

Published Every Thursday at the Office, Main Street.

Authorized as Second Class Mail, Post Office Dept., Ottawa

COOPER BROS. — PUBLISHERS

VERMILION, ALBERTA, THURSDAY, FEBRUARY 3, 1955

*CIVIL DEFENCE*

As a public service the Standard is publishing the first of a series of articles on "Civil Defence" as it affects the people of Vermilion River M.D. This information is prepared and released by the Civil Defence Control Committee of the Municipality.

*NOT EXCEPTIONAL*

Many people will learn with surprise that the mild and very enjoyable January we have been experiencing in Alberta is not at all exceptional. For instance 14 Januarys in the last 75 years have had higher average temperatures than January, 1955. You only have to go back to 1948 to find a warmer January as the climate in Alberta isn't to be too far off.

Despite the fact that there were warmer January months than in 1955 we still think that it would have been hard to improve upon, mild temperatures, yet enough frost to provide ice for winter sports. little snow meaning wide open roads for easy travel, and weather in general providing ideal conditions for carrying on outdoor work.

You Know when ordering the weather for next January, we'll take a repeat of January 1955!

## By Your District Agriculturist

# "GREEN ACRES"

THE PRESS BULLETIN

This is an annual bulletin on farm topics published by the University of Alberta. It tells about rust weed killers, growing rape for seed. Gateway barley etc. Copies can be obtained at my office

DISEASE OF POTATOES

Potato diseases of some kind affected nearly every potato patch in this district last year Most of the seed put in the ground this year will be diseased and will produce diseased crops. The yields will be low and potatoes will be small and a lot will rot in storage It is a good time for people to order certified seed potatoes for planting next spring. Seed growers will not have enough to go around.

SHEEP IN THIS DISTRICT

Sheep have been giving better returns than cattle in recent years. There are only a few sheep raisers in this district They are all well satisfied with the returns from mutton and wool Anyone can start in a small way Bulletins on raising sheep are available free of charge from this office

FARM LOAN BOARD

Any farmer who owns land to offer as security can get a long term loan from the Farm Loan board. Application forms can be obtained from Canadian Farm Loan Board. C.P.R. Building Edmonton.

DIE AT WAINWRIGHT

Miss June Kirk was recently appointed as District Home Economist at Wainwright. Miss Kirk will serve this district. Groups of ladies should write Miss Kirk for addressing meetings on home topics. Also Miss Kirk would be pleased to organize girls clubs. This is the time of year for groups of girls to form garden, cooking and sewing clubs

SELKIRK WHEAT

I am just informed that the supply of Selkirk wheat has run out. Hitherto that is just as well as it was never recommended as a variety for general use in Alberta. Furthermore seed cannot be had in any quantities Selkirk is a suitable variety for Alberta conditions.

BULL LOAN POLICY

There are now 39 bulls out on loan in Vermilion River municipality under the Canada Bonding Co. policy. Several more will be placed this year All that is needed is a group of five farmers. If you are interested let me know soon as the closing off date for organizing is the middle of February.

E. H. Buckingham, D.A.

## Federation of Agriculture Holds Annual Meeting

# PRICE SUPPORTS FOR AGRICULTURAL PRODUCTS

EDMONTON. — Price supports on basic agricultural products are the only way the Canadian farmers minimum wages guarantee and his unemployment insurance delegates to the annual Canadian Federation of Agriculture convention were told in Edmonton last week.

Speaking was the CFA president of many years and managing director Dr. H. H. Hannam, an Ontario dairy farmer.

A considerable portion of Dr. Hannam's main address to the meeting was devoted to upholding the need of support prices and urging efforts to make the general public better acquainted with their effect on the farmer and consequently on the national economy as a whole. Part of this duty he believes lies with the members of parliament especially the cabinet ministers as well as farm organizations.

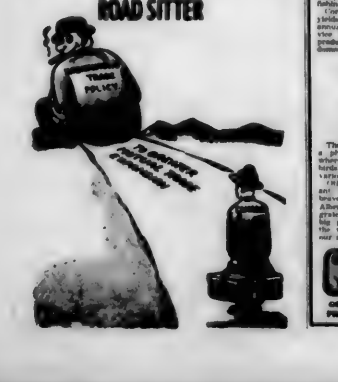
Revolting the basis for floor prices, he said the late Prime Minister Mackenzie King had promised three successive farmers were required to accept selling prices on their products barring the last war He also pointed out farm price supports are favored by all the political parties in the national house.

Three aspects of supports are not understood by the public he feels The first is they are not guaranteed profitable prices but of minimum security for the farm family and second they are not special privileges granted the farmer but a program applied to the farm business as the basis of the general economy.

In the third place he contended the cost of price supports are "relatively small certainly no more apparently speaking than pay ments by taxpayers subsidizing other industries whether they be gold mining coal mining, shipping industrial labor or manufacturing."

He said the costs of customs tariffs passed on to the consumer are far more costly to the Canadian people than the farm price supports

(continued on column 6)



## Forest Protection and Conservation

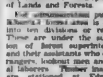
### In Alberta

Over half the land area of Alberta is covered with trees. Alberta's forests range almost the eastern slopes of the Rocky Mountains and in the wooded and northern part of the Province. These are of vital importance not only for the 400 million board feet of lumber cut each year but for

fish and game that they shelter, but also for their control of the water supply of the western part of Canada.

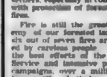
The protection and conservation of these resources are the responsibilities of the Forestry Branch of the Department of Lands and Forests.

For administration purposes, Alberta's forest area is divided into ten divisions or reserves. These are under the supervision of forest superintendents and their assistants who employ rangers, lookout men and chief Alberta Timber Inspectors are stationed at Edmonton, Athabasca, Entwistle and at Bowden.



Officers of the Forest Service are responsible for forest preservation, the prevention and suppression of fires and the planning, harvesting and utilization of timber. They also direct the field duties, the men interpret the and regulations administered by the Forestry Division for the public and work closely with the L. C. M. F. Further duties include assistance to lumbermen, farmers, fishermen and settlers, especially in connection with permission of forests from fires.

Fire is still the greatest enemy of our forested land and six out of seven fires are started by careless people Despite the best efforts of the Forest Service and intensive publicity campaigns, over a million dollars worth of timber is lost each year



The Forest Service radio system, essential in communication throughout the reserves, has been geared to the requirements of civil defence in Alberta.

Forests in the Crowsnest, Bow River and Clearwater Reserves are administered by the Eastern Rockies Forest Conservation Board Since this area contains the headwaters of the rivers helping to supply Alberta in Saskatchewan and Manitoba the work of the board is financed jointly by the Governments of Canada and Alberta.

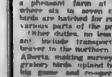
Alberta's forest inventory, being made from aerial photographs and ground surveys, provides an accurate measure of our resources. An effective forest management program is thus being carried on which, by effective cutting assures a perpetual supply of timber for future generations.

The Fish and Game Branch plays an important part in the work of the Department of Lands and Forests. Conservation is being carried out by the planting of various species of fish are made in carefully selected waters and many smaller lakes are stocked fishing attractions to this work.

Commercial fishing in Alberta's yields over ten million pounds annually and the Department carefully ensures a high quality product when placed on the domestic and export markets.

The Game Branch maintains a pheasant farm at Brooks where six to seven thousand birds are hatched for release in various parts of the province

Other duties have been important and include transporting live bravest to the northern parts of Alberta, making surveys of migratory birds upland birds and big game and co-operating in the work of rabies control in our northern forests.



## Tragedy Repeats

A tragedy entered in the early years of her life after leaving Vermilion, was recently repeated in the life of a former Vermilion lady.

Many will recall Miss Daisy Cates who attended high school here in the early days The family moved away and Daisy married and became Mrs. Ed Hoch, and Hoch Island was in Hamonton. Mr. Hoch was a writer and was to cover the Olympic games in Europe and planned to take his wife with him. With all arrangements made for the departure Mr. Hoch dropped dead on the morning they were to leave. Daisy then returned to Long Beach and fifteen years ago remarried and became Mrs. M. O. Palmer, her husband being the superintendent of a large cannery. Recently Mr. and Mrs. Palmer booked a three months' tour of Europe. On January 4th, just prior to the date of their departure, Mr. Palmer drove into Long Beach and was killed in an auto accident on the way. The tragic word was received in Vermilion recently by Daisy's girlhood friend. Mrs. T. H. Davis.

Friends who remember the Giles family readily know that Mr. and Mrs. Giles Sr. have passed away; Mildred and Edna are both married and living at Long Beach, with son Roy also in California.

## Pleasant Valley

Pleasant Valley was well represented on Sunday night last at Vermilion to say goodbye to Rev. Douglas Ford and his family. Attending church that night is really worth the effort and it is lovely to hear the singing of the choir.

The ladies of this district did very well at the Dewberry bonspiel, and brought home some nice prizes. Congratulations girls!

Word has been received of the birth of Lyle Belliveau. Sympathy is extended to the members of the family. Prayers say the Belliveau family lived in the Pleasant Valley district just across from the church.

Pleasing reports are heard about Mrs. Dupratt who is now sitting up and all hope that she will soon be home among us all again. In the meantime, keep smiling."

A week ago on Sunday Mr and Mrs Bert Gould, the Waterfield family and Lloyd and Betty enjoyed a delicious turkey dinner at the home of Mr and Mrs. Christie Charb. Mr. Bowser is feeling quite well again. In the evening Keith and Jean Gould and the boys were down for supper.

The writer hears that Doris got stuck in a snow drift. Don't feel too badly Doris — Lloyd did too. The snow is surprisingly deep in places. The plow was out yesterday so roads should be clear again soon.

Welfare spending by government agencies only now totals more than $100 per capita annually in Canada. —Quick Canadian Facts.

## FARM SUPPORTS FOR AGRICULTURAL PRODUCTS

(continued from column 3)

although not as easily recognized

Expressing his feelings elsewhere than in the convention Dr. Hannam suggested the maintenance of effective price support policies is essential with the present unbalanced state of farm economy in which increase is declining although farming costs remain high. This situation, he said, is resulting in increasing demands for parity prices.

Full parity prices called for by some farmers and farm leaders would, in the C.F.A president's opinion, cause a controlled economy and a system of rigid production controls. Full parity in the minds of many would be fraught with troubles involving huge farm product surpluses such as those in the U.S.

Emphasizing his desire to see retention of farm price supports he said a controlled economy in farm income would start a farm recession which would do damage to all sections of the country's economy.

Federal Agriculture minister Jas. G. Gardiner is also slated to address the meeting In his opinion the present Agricultural Prices Support Act puts out what most Canadian farmers want and "may even be a proper definition of parity to them."

He made this statement after quoting this section of the Support Act "The board shall endeavor to secure adequate and stable returns for agriculture by promoting orderly adjustment from war to peace conditions and shall endeavor to secure fair relationship between the returns from agriculture and those from other occupations."

This said the minister is more helpful than saying parity which can mean many different things.

Mr Gardiner also pointed to the Agricultural Products Cooperative Marketing Act as a second piece of legislation designed to help farmers market their products. Under the act farmers wishing to market their products through a "pooling" co-operative method can obtain a government guarantee with a bank in the co-operative can make the initial payment Since the act was established in 1939 there have been 139 agreements, and only two times when the government had to make good on the guarantees.

Duncan, V.I., claims a world's record of 10 inches of rain in three hours from 3 to 6 o'clock

# Tigers and Commandos In Four-All Tie

Tigers and Commandos battled to a four all overtime tie last Saturday night in a fast game in which the local Tigers showed to good advantage with the exception of the second period. Vermilion had the edge in the first, third and overtime periods but just couldn't make their territorial advantage pay off in goals.

The second period was highlighted by a fight between Commando Hallett and Tiger Footz, resulting in Hallett getting a 5 minute rest and Footz 5 minutes and 2 minutes. The visitors gathered up 7 of the 12 penalties but this didn't help the Tigers much. They showed to better advantage when the teams were at full strength.

Commandos scored first, McIntee from Hallett but Stew Cooper evened the count with assists going to Bill Schmidt and Les Williams. The Tigers went one up, Schmidt from Kreller before the period ended

The second was a scraggy 20 minutes, well punctured by penalties to both teams. Berg from Murray made the count 2 all, and Carp put the visitors one up at the close of the period.

Early in the third Auburn from Hardin and Carp made things look black for the Tigers as the score then read 4-2 Nothing daunted and living up to their name the Tigers fought back and forced the game into overtime Stu Barr converted a pass from Footz and Ewen and then Les Williams and Elmer Kreller combined for a pretty goal.

The overtime had a local tinge but no goals resulted either way.

The biggest crowd of the season, 761 cash customers witnessed the game.

Haxby and Carroll officiated

Two new players Frank Ewing of Mannville and R. Chryzanowski of the V.S.A. made their first appearance with the Tigers and both look capable of working right in to the Tiger machine and giving it added strength.

SCORESHEET — McIntee, Auburn, Murray, Hallett, Rasmussen, Carp, McCann, Hardin, Touchette, Giltner Meintee, Bierach, Berg, Bogatie.

TIGERS — La Porte, Kreller, L. Williams Novak, Ewing, Cooper, Schmidt, Footz, Barr, W. Williams, Scherban, Freckleton, Leahy, Ewen, Chryzanowski.

## Rangers Trim Tigers 7 Goals To 2

Vegreville Rangers a greatly improved seventh from the past couple of seasons made their first appearance on Vermilion ice Wednesday evening and trimmed the Tigers 7 goals to 2. The game was a distinct let-down after the Commando Tiger 4 all tie of last Saturday. little in the way of good hockey being displayed until the last period having a particularly off night Even at that some of the Rangers net played a particularly good game better than he has ever shown here in previous years and praised the Tigers on what appeared to be some very good goals

Scoring summary Vegreville

## Longer Weather Looks

Pretty soon Canada's weather man is going to take a longer look ahead, says The Financial Post, instead of the two-day forecast we are getting now he is going to tell us what to expect for almost a week

Long-range forecasting has been the farmers' sports promoters and to a great many others whose business or pleasure depends on the weather. Perhaps even holiday resort operators will be interested in the bright prospect for better weather predictions. Most of the details of the game line-ups etc have to be omitted

Harrison and Carroll officials

## DOOR PRIZE AT COLUMBIA

A lovely table lamp will be given away as a door prize at the Colonial Theatre on Wednesday Feb 9th.

Z Charuk (Dewberry), Buzz Chaplin (Vegreville), Chryz Chryzanowski (Viking), Shandro, Charuk (Dewberry), Vermilion Chryzanowski, Kriel (no Less Louis)

Owing to proximity to press time details of the game line-ups etc have to be omitted

Harrison and Carroll officials

## Butter's Big Lead

Margarine production in Canada, says The Financial Post, rose 5% in 1954 over 1953. Creamery butter output increased 3% But about 27 lbs of creamery butter were produced for every pound of margarine

Of total revenue of $27,430,725 in the year ending March 31, 1954, the CBC obtained $3,836,354 from commercial broadcasting and the remainder from taxes earmarked for the CBC and from parliamentary grants out of general tax revenue Quick Canadian Facts.

# LOCAL NEWS

The white caps of their profession were presented to the following Vermilion and district girls at a ceremony at the University hospital last Friday evening: Betty A. Barlow, Iris D. Lind, Rose Bloxham of Paradise Valley, Audrey A. Hamilton of Mannville, Joan M. Linglngs of Calgary and formerly of Vermilion.

Mrs. J. D. Adam and the twins Eleanor and Irene of Edmonton were visitors in Vermilion for the week end of Jan. 22. January 22 was the occasion of the birthday of Irene and Eleanor and they felt they just had to spend it in Vermilion with their many young friends here.

Maurice Fallow came in for a lot of notice in Edmonton recently when the Edmonton Flying Club of which he is secretary-manager won three national awards. The awards included the Yorath trophy awarded to Mr. Fallow personally as the most efficient instructor-manager among Canadian Flying clubs. This is the fourth time Maurice has won this award. The Edmonton Club also won the Safe Flying Certificate and the shield for the Club Bulletin. This bulletin is called the 'Slipstream' and is edited by Maury himself.

Mrs. A. Cameron had as her guest over the week end her son Roy and Mrs. Cameron and their two sons, Don and Gerald from Edmonton. Mr. and Mrs. Cameron also visited the latter's mother and brother at Mannville.

Old friends here will regret to learn of the death of Miss Wilma Hughes, vice-principal of Mount Royal elementary school in Edmonton, who passed away last Wednesday. Miss Hughes was born at Innisfree and attended high school in Vermilion.

### CARD OF THANKS

It is with the sincerest gratitude that we express to our many friends our appreciation of their kindly expressions of esteem in the floral [illegible] memorial donations, and words of sympathy which came to us in our bereavement in the loss of a beloved husband and father. These tangible expressions of sympathy have helped to lighten our burden of sorrow.

Mrs. Long, Carman and June.

### CARD OF THANKS

We wish to thank our friends and neighbors for their kindness and sympathy extended to us during our recent bereavement, also for the many beautiful floral tributes received. We especially thank Mr. Hugh Hagen and those who assisted him in the cemetery, also Matt Conaghan for his kindness, the pall bearers and the Rev. Douglas Ford.

W. H. Selwood and the Williamson family

### FORMER CLANDONALD LADY DIES IN EDMONTON

On Jan. 27 Mrs. Margaret MacDonald of 8719-99 St. (formerly of Clandonald), passed away in her 74th year. She leaves her husband Malcolm; three sons and three daughters, Angus and Fred, Vancouver, John, Edmonton, Mary at home; Mrs. Marion Convey, Clandonald, Mrs. Joan Thibaudeau in Saskatoon, two brothers and one sister, Angus McIntyre, Westlock, John McIntyre and Miss Mathilda McIntyre, Scotland, also 13 grandchildren.

Samuel Cunard, son of a Halifax dockyard crapenter, was the originator of regular transatlantic steam ship service.
*Quick Canadian Facts*

In the average year one out of four Canadian manufacturing companies operates at a loss.

*Check that date label on your Standard today!*

The Rev. and Mrs. D. A. Ford and three children, Michael, Stephen and Kathie left Monday morning by car for their new home in Calgary. They will reside in the rectory at 1319-4th St. N.W.

Friends were pleased to see Mr. and Mrs. Clyde Sobey, Shirley, Allen and Byron who visited here from Stettler over the week end. They drove up Friday evening and returned home late Sunday. While here they were guests of Mr. and Mrs. Floyd Bottorff. The whole family attended the hockey game Saturday evening and enjoyed it immensely.

Included among the student nurses who received their caps at the Royal Alexandra hospital school of nursing on Saturday were Marion Barr, Betty Hawley of Vermilion and Elsie Stuparyk of Elk Point.

Mrs. Lena Jaremico, and Miss Olga Pashulka returned home recently from a two weeks holiday spent at Cranbrook, B.C.

Mrs. W. E. B. Wilson of Victoria, B.C., who has been visiting her daughters Mrs. Don Harrison and Mrs. Garth Roberts, plans to leave on her trip home this Thursday.

Mr. and Mrs. George Lind attended the capping exercises at the University of Alberta hospital school of nursing where their daughter Iris received her cap.

Mr. and Mrs. Basil Hawley, Mrs. Oakley and Mrs. Eldem attended the capping ceremony at the Royal Alexandra hospital last week end during which Miss Betty Hawley received her cap.

### W. A. GROUPS TO MEET

The W. A. groups of the United church will meet Tuesday, Feb. 8 at the following homes: Mrs. Seuffert's group at Mrs. Oakley's; Mrs. Downey's group at Mrs. McLean's; Mrs. Winters' group at Mrs. (Dr.) Anderson's. 31

### LEGION W.A. TO MEET

The regular meeting of Women's Auxiliary to Canadian Legion will be held on Monday Feb. 7 in the Legion hall. Entertainment will follow the meeting. 31x

### HAPPY HOUR GROUP

The Happy Hour Group of St. Saviour's W.A. will meet at the home of Mrs. Wm. Fooks on Thursday, Feb. 10 at 8 p.m.

### WHIST DRIVE

Whist drive in St. Saviour's parish hall on Wednesday, Feb. 9 commencing at 8 p.m. Everybody welcome. 31x

### BOWTELL

Dance at Bowtell on Friday Feb. 11. Horpestad music. Admission 60 cents each. Lunch supplied. 31 2

### DEWBERRY

Dewberry C.W.L. are holding a Bingo on Wednesday Feb. 9 at 9 p.m. in the Dewberry hall. Everybody welcome. 31x

### CLANDONALD HALL

Showing at the Clandonald hall this week end Fri. and Sat. Feb. 4 and 5. 'You're in the Navy Now' with Gary Cooper and Jane Greer. Mon. and Tues. Feb. 7 and 8 the great new production 'The Quiet Man' with John Wayne, Maureen O'Hara and Barry Fitzgerald, two shows each evening at 7:30 and 9:30. Next week end 'Sky Full of Moon'. News reel each week. 31x

### DERWENT THEATRE

Showing at the Derwent theatre Sat. Feb. 5 and Mon. Feb. 7 'Dallas' with Gary Cooper and Ruth Roman, a powerful outdoor story. Wed. and Thurs. Feb. 9 and 10 'Titanic' the mightiest drama of the century; Sat. and Mon. Feb. 12 and 14, 'The Stooge' a laugh riot with Dean Martin and Jerry Lewis. 31x

## Mannville & District LOCALS

Watch next week's paper for a write-up of the Mannville Aces. Many will remember this hockey team which held sway in this part of the proivnce for a number of years.

Mrs. Ross Leitch and Mrs. Russell Whitson were Calgary visitors over the week end. Miss Sandra Leitch spent the week end in Edmonton.

The Mannville ladies are curling this week in the Vermilion ladies' bonspiel.

Mannville rinks are curling in the Irma, Kitscoty and Vegreville men's bonspiels.

Rev. R. Clennett is ill in the Elk Point hospital but is reported improving favorably.

Mr. Steve O'Connor of Kitscoty is a patient in the Mannville hospital with pleurisy. At time of writing he is somewhat better.

The fast and furious hockey game on Tuesday night resulted in a win for Mannville by a 2-1 score over Creighton. Evanchiew scored the two goals for Mannville and Bloemhagan for Creighton.

Mannville and District Home and School Assoc. held their January meeting as an evening for classroom visiting. Many parents got around to visit the [illegible] where their children attend school. This was followed by a short business meeting in one of the classrooms, as the school is now without any auditorium space.

The first parade of the newly formed Cadet Corps is scheduled for Wednesday Feb. 9. There are 26 boys enrolled.

As last week was 'Youth Week' across Canada the C.G.I.T. held church parade on Sunday morning and attended the United church for the 11:00 a.m. service. On Sunday Feb. 6 they will again hold church parade and this time will attend the 7:00 o'clock service in the Anglican church.

## The Little Towns

*Main Street, Revisited — "They Are Transformed!" Dorothy Thompson —*

In the 1920's, a novelist named Sinclair Lewis visited his wrath and a stinging indictment upon the Small Town. In a scathing satire, he renounced the materialism of his own home background and the title of his novel coined a new meaning for "Main Street."

Today thirty-five years later writer Dorothy Thompson revisits and re-evaluates America's "little towns" — cities with population under 50,000 — 'home' to nearly 42,000,000 people.

"For comfort, cleanliness, cosiness, few — if any — countries can match the American small towns," she declares in the February Ladies' Home Journal.

The local civic consciousness of the small towns is higher than that of the big-city populations. In the great cities people vote for reform. In the little towns they 'undertake' the reforms."

Who is transforming the little towns? "Everybody" believes Miss Thompson. "Once the most important people in the community were the ones with the most money, even if they were as mean as old Scrooge. Now a well-to-do man who is not also public-spirited goes without acclaim." You can't be loved in America's little towns if you set yourself above others."

Industries are different, too, from what they were 25 years ago, she reports. No longer eyesores, they now stand amidst lawns and shrubbery and often look more like private schools than like factories.

Small-town folks are far more sophisticated, cultivated and knowledgeable today than were Sinclair Lewis' characters, partly, believes the writer, "because everybody has more money, because travel has been democratized and because communications bring the affairs of the world into every living room."

The February Ladies' Home Journal points out that - "Small towns (and smaller cities) have produced almost all of our leading native-born writers and other artists, of America's five winners of the Nobel prize for literature, all but one came originally from small towns."

## Union F.U.A. Notes

Union F.U.A. had a very successful bee at the school last month and made up three long tables and built a number of sturdy benches so in the future all can sit comfortably at meetings.

Every member should study up on marketing boards as the day is coming when members will be expected to vote intelligently on them. There was a very good discussion on these boards on Farm Radio Forum last week.

Dates to remember: Feb. 9 - Card party at Union school. Ladies please bring lunch and an extra deck or two of cards would be appreciated.

Feb. 16 — F.U.A. meeting featuring a picture show. Ladies please bring lunch.

Feb. 18 — Dance at Union school (or should we say community hall).

That lady who plays second fiddle to a can of tobacco got even last week! She went out and left him home sick in bed (too sick to even smoke [illegible]).

Perfect winter weather continues. Temperatures are mild and there is little snow. Just enough frost at nights to keep ice in the two arenas in good condition. There is little sign of a break and the sun becomes warmer each day.

DAILY TEMPERATURES

## Pretty Candlelit Wedding At First United Church, Vermilion

KRAUSE—MARFLEET

The candlelit altar of First United church was decorated with baskets of chrysanthemums and stocks for the recent evening wedding of Ruth Marilyn, daughter of Mr. and Mrs. Jack Marfleet, and Frederick William Krause, son of Mr. and Mrs. William Krause, all of Vermilion.

Rev. C. W. MacKay officiated at the double ring ceremony.

Given in marriage by her father, the bride wore a strapless gown of white net over satin and lace, with matching jacket, fashioned with lily point sleeves. Her full length veil misted from a crown of sequins and pearls. She carried a cascade bouquet of American Beauty roses. The bride's only jewellery were cameo pendant and earrings, gift of the groom.

Mrs Russell McKeever, sister of the groom as matron of honor wore a gown of gold net over taffeta and carried mauve carnations.

Miss Joan Maxwell, the maid of honor in a turquoise gown of net over taffeta carried a bouquet of deep pink carnations.

Miss Evelyn Marfleet, sister of the bride, as junior bridesmaid chose a waltz-length gown of rose net and lace over taffeta. She carried a bouquet of pale yellow carnations.

The attendants wore matching floral head pieces.

Supporting the groom were Mr. James McGaughey, Mr. Harry Skelton and Mr Henry Dewald.

Ushering the guests to pews marked with heather and tulle were Mr. Warren Marfleet, brother of the bride, and Mr. Russell McKeever, brother-in-law of the groom.

During the signing of the register, Mr. Thos. Watts, accompanied by Mrs. Albert West, sang "The Wedding Prayer."

Following the ceremony, an open reception was held in the church hall.

The bride's table was centred by a four-tiered wedding cake embedded in pink tulle and rose buds, and flanked by crystal vases of roses.

Receiving with the bridal party, the mother of the bride wore royal blue crepe and lace with winter white accessories. Her corsage was of pink roses and white freezia.

Mrs. Krause, mother of the groom chose a dress of mink brown taffeta with matching accessories, complemented by a corsage of mauve carnations.

The bride's grandmother, Mrs. Harry Marfleet in navy crepe with a corsage of red roses and white freezia, also received with the bridal party.

The toast was proposed by Mr. James McGaughey, suitably replied to by the groom.

Before changing to her going-away outfit of smoke grey with coral accessories, the bride tossed her bouquet from the stairway.

Following a short honeymoon at Banff, the happy couple will reside in Edmonton.

### KENILWORTH

Dance at Kenilworth hall on Friday Feb. 4. Admission 50 cents each. Good music. Everybody welcome. 30-1x

### Riverton Locals

Congratulations to Mr. and Mrs. Gordon Mathison on the birth of a son in the car on the way to the Islay hospital early last Sunday morning.

Neal Jones, the John Deere agent at Dewberry is to be congratulated on the extra good show provided, which most Riverton people had the pleasure of viewing.

## THE STAGETTES

The Stagettes are still in full swing. The last meeting became more interesting as it progressed. Just ask Nan! Soon after the meeting began, off came her coat, but that wasn't enough — her Stagette jacket came next . . . and then a cardigan sweater. Of course her hat, scarf and gloves were removed upon arrival. Half way through the meeting she decided she just couldn't stand the heat — so, off came her — no, her boots! Yes, Nan came to the meeting all dressed to go skating. I'm sure she didn't freeze in the arena.

The girls have a busy time ahead of them. If you go to the Military Ball on Friday, Feb. 4 you will find Esta Curtis and Mildred Conboy checking coats at 9 p.m. At 11 Betty Grey and Marie Ferby will take over. If you check your coat any time after 1 you will have Lil Hareuther and Jean Hildreth at your service.

At the Saturday night dance on Feb. 5, Lena Miller and Nan Marshall will be in the check room.

The Firemen's Ball on Feb. 15 is another busy night for the girls. From 10 to 12 your coats will be checked by Marie Miller and Noreen Sawtell. At 12 o'clock Ernie Werzyk and Rita Wright will be in charge of the check room.

There was a swell turnout at the last meeting. Let's keep it that way girls. We hope to see all of you in the Legion hall at 8 p.m. sharp on Feb. 15. (Double space next time eh . . . Atta girl).

## Scouts, Cubs Ask For Coupons, Box Tops

Attention, all housewives! The Quaker Company are sponsoring a contest which rewards the winners redeeming the most coupons with a generous cash prize. The Scouts and Cubs, Brownies and Guides, as one organization are trying hard to win this prize in order to boost the Scout Hall building fund.

They would greatly appreciate anyone saving coupons from Quaker Flour and box tops from Quaker Rolled Oats for the next three months. Coupons and box tops thus saved may be given to any member of the Scouts, Cubs, Guides and Brownies. 30-2

LEGION VIMY DANCE

Watch for further particulars of the Legion Vimy dance to be held Easter Monday night April 11. 31-2x

### SEEDTIME and HARVEST

By Dr. P. J. Greaney, Director, Line Elevators Farm Service, Winnipeg, Manitoba.

ARE INSECTS DESTROYING YOUR GRAIN?

Serious infestations of stored grain by the Rusty Grain Beetle, and other insects, have been reported recently from several points in the Prairie Provinces, particularly in southern Manitoba. Such infestations are a clear warning that if favorable conditions occur, these insects may become a real menace to the safe storage of grain throughout Western Canada.

*Watch That Grain.* During the next few weeks, all farm-stored grain, particularly old grain, should be carefully examined for rusty grain beetles, and other insects. The adult rusty grain beetle is a flattened, reddish-brown insect about 1/16 of an inch long. It has "feelers" or antennae that are almost as long as its body. Wherever these insects become established, the grain invariably heats. Thus the rusty grain beetle damages grain not only by feeding on it, but by causing it to heat and spoil.

*Control Measures.* Light infestations of insects may be eliminated by transferring the grain during cold weather — the colder the better. Grain should, however, be transferred slowly, or, if possible, exposed in thin layers so that the temperature may be lowered appreciably. Cleaning the grain during transfer will remove many insects. Where grain is heavily infested with insects, however, arrangements should be made at once for proper and thorough fumigation.

*Seek Advice.* Any farmer who finds a serious infestation of insects in his stored grain should report the matter at once to, and seek advice from, his local Agricultural Representative, or the Stored Products Insect Laboratory, Winnipeg. Elevator Agents who find rusty grain beetles or other strange insects in their grain should notify their Superintendents at once. Early action on clean-up measures will prevent insect build-up. Now is the time to find out if your stored grain is free of insects, and in good condition.

China is world's second largest producer of pork, having an estimated hog population in 1953 of 77 million. The U.S. leads with about 85 million hogs.

## Koknee Kolumn

Congratulations to Mr. and Mrs. Bob Hobbis on the birth of a son.

Mr. Elmer Juvis returned home last week after spending a few months in the U.S. visiting with relatives including a brother he had not seen for 27 years.

Mr. Teddy Monger was a patient in the Islay hospital and everyone is now glad to see him home again.

Jack Bowman was home for a short visit from Marlboro, Alberta where he is working for the winter.

Gordon Tattersal spent a couple of days in hospital following an accident. His tractor and trailer overturned and pinned him underneath.

Mr. and Mrs. Roger Watt, Margaret and Marilyn motored to Edmonton for the week end bringing Mrs. Watt's mother home with them.

Donna McLean spent the week end with Mr. and Mrs. Bill Wells.

Bob Tessman suffered an injury to one leg while working in the bush in the north.

Mr. and Mrs. Wilbur Feenstra and family of Queenie Creek north of Vermilion visited Mr. and Mrs. Hohol Friday evening.

Eric Nelson left on Tuesday for Marlboro, Alta., after spending a couple of days at home.

Mr. and Mrs. Alf Robinson motored to Edmonton and brought back Alf's dad who has been a patient in the hospital.

Mr. and Mrs. Colin McLean and family spent the week end with Barbara's sister Mrs. Bruce at North Gully.

Woodvale boys played hockey against Basswood on Sunday, the visiting team being the winners — but wait until next game boys!

Proctor and Clarence Crocker made a business trip to Lamont recently.

Annual Meetings Are Planned

## Boundaries of School Subdivisions Undergo Many Changes

The regular meeting of the Vermilion School Division No. 25 was held at the Divisional office on Friday Jan. 21, with Chairman R. C. Mead and Trustees A. H. Cooper, D. C. McGrath, W. L. Brown and T. Clutterbuck in attendance.

Chairman R. C. Mead voiced the loss experienced by the Divisional board with the passing of the late Mr. Arthur Clarke, trustee for Subdivision No. 1. The secretary was instructed to write a letter of condolence to Mrs. Clarke.

Ellsworth Bus route: Mr. Mead reported on inspection of part of the route travelled to convey pupils adjacent to Saskatchewan River. Bush will be cut to allow for better driving vision.

P. J. Lorenz: Board approved payment in lieu of conveyance for pupils attending Jumbo Hill S.D.

Boundary Changes: Secretary reported that changes had been approved by the Dept. of Education for re-subdivision of school subdivisions. The following changes were noted:

Grainview S.D. No. 4177 from Subdiv. No. 3 to Subdiv. No. 2; North Home S.D. 4705, Riverton S.D. No. 2128, Hazeldine S.D. 1829 from Subdiv. 3 to Subdiv. 5; Gap Lake 3897 from Subdiv. 4 to 5; Louise Lake 1732, Northern Star 3082 from Two Hills School Div. to Subdiv. 5; Ottawa 1849, Chatsworth 3694 from Vegreville School Division to Subdiv. 5; St. Margaret 2083, North Park 2803, Green Vale 3503, Tulliby Lake 3758, Acomb 4525, Canyon View 4746 from St Paul School Division to Subdiv. 4; Morrison 1630, Trimbleville 1825 from Subdiv. 5 to 4.

Annual Meetings: Annual meetings for the subdivisions will be held as follows: Subdiv. 1—McLaughlin, Feb. 2; Subdiv. 2—Kitscoty, Feb. 8; Subdiv 3—Marwayne Feb. 3; Subdiv. 4—Woodvale school Feb. 5; Subdiv. 5—Dewberry, Feb. 7; Subdiv. 6—Vermilion Feb. 4.

New Bus Routes: Secretary reported, effective with January school opening, bus routes formerly operated in Vegreville and St. Paul School Divisions would now be operated by Vermilion S.D.

Board approved continuation of existing contracts until end of June term for the following routes — Hughes and Chatsworth from the Vegreville S.D. and Tulliby Lake, North Park and St. Margaret from St. Paul S.D.

Chatsworth: Delegation representing Chatsworth Community Centre made application for the purchase of buildings for community centre. Board approved sale subject to approval of Dept. of Education.

Caretaking, Rye S.D.: Board approved increase to $18 per month for janitor service at Rye school as recommended by local board.

New Buildings — Marwayne: The Board approved reports from architect's office and School Buildings Branch following inspection visits.

Progress Payment No. 5 in the amount of $12,387.93 as presented from architect was approved for payment.

Borrowing Resolution: Resolution was passed for current borrowing for 1955 in amount of $100,000.

Dormitory Report 1954: Average attendance at dormitory 61.82; Fees collected $10,503.95; Total expenditure $14,857.23. Board approved statement showing deficit on total dormitory operations for 1954 as $4353.28, with grant claim to be submitted to Dept. of Education in amount of $3751.20.

Conveyance: Board approved the applications for payments in lieu of conveyance for M. Golinowski, of Myrtle Hill S.D. and J. Zeszczuk, Sunnydale S.D.

Burkedale S.D.: Delegation attended meeting representing the Burkedale Community Assoc. with request to purchase school property. Board agreed to sell school and site for the sum of $200.

Staff: Board accepted resignation of Mrs. Eileen Brodbin from Vermilion Elementary school staff and approved employment of Mrs. Evelyn McCrae as temporary teacher.

Superintendent's Reports: Report presented following topics: Staff; Visits to schools; Operation of schools; Changes in school operation because of boundary changes; Evening classes for New Canadians at Vermilion Junior high.

Next Meeting: At call of chairman.

## PARADISE VALLEY NEWS

Allan Lloyd Pedden of 722-2nd Ave N.W., Calgary, died in the General hospital recently after a brief illness. Mr. Pedden was 67 years of age. A native of Strathroy, Ont., he came West in 1905 and homesteaded near Stettler. In 1929 he moved to Paradise Valley with his family. While here he was engaged in the trucking business. In 1941 he moved to Calgary where he was employed with the T. Eaton Co. Ltd. until 1953. The funeral was held from the Jacques Funeral Home with Rev. A. T. Bell in charge. Burial was in the Queen's Park cemetery. He is survived by his wife Mabel of Calgary; four daughters Mrs. G. McAfee of Edgerton; Mrs. Edward Witzaney of Lloydminster; Mrs. Robert Nicholson and Mrs. Kenneth Sears both of Calgary; four sons Alex and Jack, Edmonton, Gordon of Sarnia and Allan of Edinburg, Ill. There are fifteen grandchildren, two sisters Mrs. D. B. Schooly and Mrs. Edith Hennessy both of Calgary and a brother Victor A. Pedden in Edmonton.

Mr. and Mrs. Elmer Storms and Mrs. Bond of Weyburn, Sask., Mr. Bert Caldwell, Kennie and Charles of Altario were recent visitors at the home of Mr. and Mrs. J. M. Storms. We regret to hear that Miss Mary Storms is a patient in the Lloydminster hospital. Other patients from Paradise Valley include Mr. Charles Bennett, Mr. William Teasdale, Mr. Richard Smith and Mrs. W. J. Sirett.

Congratulations to Mr. and Mrs. Jack Olsen of Wetaskiwin on their recent marriage. They spent part of their honeymoon at Paradise Valley visiting with Jack's grandmother Mrs. C. Beckett.

We extend our sympathy to the Bush family of McLaughlin on the death of Mrs. Bush Sr. who passed away last week end. The funeral was held on Tuesday from the McLaughlin hall with Rev. D. D. Davidson in charge.

The annual meeting of the Battle River Seed Cleaning Plant Assoc. was held Wednesday afternoon. A large number of shareholders were in attendance. A full report will appear later.

NOTHING BUT THE TRUTH by Russ Arnold

## "Ice Cycles" At Edmonton Gardens Feb. 7th to 12th

The 10th annual edition of Canada's leading ice show, "Ice Cycles of 1955", will open at the Edmonton Gardens Feb. 7 for a week's engagment. Performances will be held nightly at 8:30, with a Saturday matinee Feb. 12 at 2:30 p.m.

Produced in Hollywood by John H. Harris, Ice Cycles is a companion show to the famed Ice Capades, also produced by Mr. Harris. It plays the longest itinerary and visits more cities than any other major ice show.

Ice Cycles is the leading show of its kind in Canada and plays every large city in the Dominion from Victoria to Halifax. Its annual schedule extends over 30,000 miles and reaches into 30 metropolitan cities in the U.S. and Canada.

The ice spectacle is the result of the great demand for Harris' Ice Capades, which naturally cannot play every city on the continent. When the Ice Capades tour is ended, the stage settings, costumes, music and all the production numbers are transferred to another cast, renamed Ice Cycles and begins its second-year tour.

Many times Harris sends Ice Capades cast members to the Ice Cycles company. Mickey Carrington, Paul Castle and Curtin and Hittle came to Cycles this year directly from Ice Capades.

The production to be seen here actually has been pre-tested for audience acceptance. Last season, with many of the same members of the cast, it appeared in Madison Square Garden in New York City where box office records were set for an 11-day engagement.

It is also the same show that was the only ice show to be chosen to appear twice on the coast to coast Ed Sullivan television show, 'Toast of the Town'.

## F.U.A. Plan Series "Grassroots Workshops"

EDMONTON. — The Farmers' Union of Alberta will start its proposed province - wide series of "Grassroots Workshops" Feb. 14th, it was announced this week from Union headquarters.

Eleven of the 14 districts into which Alberta has been divided by the farm body have agreed so far to participate. The B.C. Block district held its Workshops in mid-January.

A Canadian record has already been achieved by the 'Round-up' membership drive last fall, it was learned. The previous membership record was made by the Saskatchewan Farmers' Union in the fall of 1953 when nearly 48% of the farm heads of the province were signed up.

According to a statement released by W. D. Summers, F.U.A. Campaign director, the present number of farm heads of families enrolled in Alberta has topped the 49% mark.

"I am confident the Workshops now being planned will realize the lifelong ambition of thousands of veteran farm unionists," Mr. Summers asserted. "That was to build an association that could speak for the clear majority of the men and women on the farms in Alberta. Today we're on the eve of achieving the goal that has eluded us since the beginning of farm organization in Canada. In football parlance, the F.U.A. team could be described as being on their opponents' one yard line, first down and with two downs to go for a victory touchdown!"

Full information is also available at the Hospital Office, or from the Secretary-Treasurer.

BY ORDER OF VERMILION MUNICIPAL HOSPITAL BOARD

I. MOFFAT, Secretary-Treasurer

Phone [illegible], Vermilion. [illegible]

## WILDMERE WINKS

Everyone was saddened to hear that Mr. C. King of Thorncliffe had passed away. While all knew he was very ill we all had hopes he would recover. Another of our pioneers who saw the prairie in its early days. He was always willing to help and was a good neighbor and friend. In the early days when programs and concerts were held both he and Mrs. King were always doing more than their share. To his sorrowing wife and family also his sisters and brothers, especially Gerald who has been with him so much, we extend our heartfelt sympathy in their hour of sorrow. At the memorial service held Saturday afternoon at the Anglican church it bespoke the high esteem the deceased and his family held in the community with the well-filled church. Rev. Ford gave very comforting words to the family and everyone present.

A speedy recovery is wished Mr. Alex Murrison of Bowtell from his recent operation in Edmonton.

Congratulations to Mr. and Mrs. Jim Repp for a long and happily married life.

Congratulations to Mr. and Mrs. Wm. T. Garnett of Basswood on the birth of an 8 lb. 2-oz. daughter last Thursday at the local hospital. A sister for George and Judy.

Wildmere Beavers Girls Club dance held at Basswood last Friday was a grand success. A nice [illegible] crowd attended and a real pleasant time enjoyed. Horpestad's furnished the music and Chas. Sweeney was M.C.

It's the Basswood hockey team that can say they won this time, Woodvale! They played Sunday afternoon at the Wallington rink and score was 15-2 for Basswood. Several cars of players and spectators were on hand for the game. Next Sunday Basswood will play a team from north of town on the open air rink in Vermilion. Good luck to you boys.

A number from out our way attended church Sunday evening to hear Rev D. A. Ford's last service in Vermilion. They report a well-filled church. We are all sorry to see Rev. Ford and family leave us but do wish them every success and happiness in their new home.

A rink comprising Mrs. Martin, Mrs. Gibson, Mrs. Crothers and Miss Bean are playing in the Ladies bonspiel in Vermilion this week. We understand Mrs. Bathe is playing with a rink from Mannville. Good luck ladies.

Mumps the main topic these days as they are still going the rounds. Isabelle Gibson, Kenny Graham and Harvey Nelson are the latest victims. Allister Crothers has the chicken pox.

To Mr. Frizzell and Mr. Winters who are patients in the hospital we wish a speedy recovery to health.

How many listened to the 'Trail of the Pioneers' last Sunday? It was about Mr. and Mrs. George Powell who lived near where Scotty Hines now lives close to Vermilion. Certainly a long ways for a doctor to travel by horses to attend the sick. Dr. Harrison's wife is still living in Edmonton.

Mr. and Mrs. Dick Osterberg of Lethbridge visited with Mr. and Mrs. A. Osterberg of town for a week, and with their cousin Ray and family of Wildmere.

In a recent letter Lloyd Howard received from his wife who is visiting in Victoria, their daughter Laverne had the measles at the time. Mrs. Howard's mother was reported as much improved.

## NEWS from ISLAY

Congratulations are due to several people, only for different reasons: Mr. and Mrs. Gordon Matheson on the birth of a son in the Islay hospital; also to Mr. and Mrs. Bill King, a daughter; then to Mrs. B. Tesiey and her rink of Mrs. Biddy Marie, Mrs. Doreen Gould and Mrs. Bill Hannon on winning first prize in the second competition at the Dewberry Ladies bonspiel, a very nice set of dishes each (tea set); a men's rink also went to Marwayne and brought home a prize too.

Mr and Mrs. H. G. Young were in Edmonton over the week end. Mrs. Hilda Bell managed the store business while they were away.

A number of men's rinks are now participating in the Kitscoty bonspiel which has we hear, quite a large entry list.

We think Ronnie should have stayed with his motor scooter. It didn't seem to give him the trouble his car does — as we hear via the grapevine news!

NOTICE RE OTTAWA R.E.A.

Ottawa Rural Electrification Association will accept all applications received before Feb. 18 for the year 1955. Applications to be made to the secretary, A. L. Tovell before this date. 31-2

W. A. GROUPS TO MEET

The W. A. groups of the United church will meet Tuesday, Feb. 8 at the following homes: Mrs. Seuffert's group at Mrs. Oakley's; Mrs. Downey's group at Mrs. McLean's; Mrs. Winters' group at Mrs. (Dr.) Anderson's. 31

Canadians spend about two and a quarter billion dollars a year in food stores, less than a third of the total they pay in taxes to all governments. —Quick Canadian Facts

STUTTERING — COMMON BETWEEN 2 AND 5 YEARS

Many children go through a period of stuttering between the ages of two and five. They try to say something, hesitate, then try repeatedly to utter the sound or word they want to use. They may repeat the first letter of a word several times, or a whole word, or may even become so stuck they can't utter a sound. A great many children stutter at some time in learning to talk. By understanding its causes you may help to prevent it becoming a persistent habit.

NERVOUS TENSION TO BLAME

A young child's stuttering is the signal of too much nervous tension, making him lose control of the delicate muscular balance he needs for speech. That's why, in this early stage, you should do nothing directly about correcting his speech, such as having him say the word or sentence over again. Your job is to find out what's making him so tense. This may not be simple since the causes can be varied and far removed from the speech itself.

HIDE YOUR OWN ANXIETY

Ignore the stuttering itself and for the time being accept your child's speech as normal. Above all, do your best to prevent him from becoming anxious about his speech. Remember that your anxiety is readily felt by him. If you're upset or show pity, he'll react with more hesitation and stuttering.

Fatigue has a bearing on speech control; stuttering spasms happen more often when the child is overtired. The stammering child needs more rest than other children. An early bedtime is important. Poor toilet or feeding habits may cause emotional tension. Dealing wisely with feeding troubles, or with bed wetting may cause the stuttering to gradually disappear.

An emotional shock or fright sometimes results in stammering. Your task here is to build up his feeling of security after the disturbing experience. Let him pour out his fear and anxiety and don't try to correct his stuttering as he tells it. Help him forget the nasty shock by giving him pleasant experiences to enjoy — a family outing or a new plaything.

ARE YOUR DEMANDS TOO MUCH FOR HIM?

It's possible that his stuttering began when he tried to speak like the older ones around him. It turned out to be too much of a load. If you demand a lot from him and set impossibly high standards, he may find trouble in this hard business of learning to speak. When a child is making fast progress in talking, why complicate things by making a show of it in having him recite nursery rhymes and jingles? Don't urge him to say long words or show amusement when he makes mistakes in pronunciation.

Sometimes, after a long illness, a child will start stuttering because he isn't quite ready to resume his usual daily routine. See that his readjustment to everyday normal living takes place gradually. He had extra attention during his sickness and if you take it away too suddenly, the emotional reaction may show up in stammering.

Children who show a tendency towards stammering are usually overactive emotional youngsters. Too much activity and excitement in play can have a bad effect on their speech. A regular routine is needed for them. Keep movies and parties to a minimum. Temper tantrums, jealousies, fears, in fact any sign of emotional insecurity should be examined carefully and handled with patience. When there is constant quarreling between the parents, lack of harmony in the household, the child's speech development may be deeply affected. Emotional security is your child's main need. The periods at which stuttering is most common after the 2 to 3 age are when he enters school and at adolescence — both times of big adjustments to life.

STEPS TOWARDS HELPING HIM

Parents can do a real job of helping to prevent or cure stuttering if they always keep in mind the close tie-up between the child's emotional stability and his speech habits. Relieve his tensions and never hurry him in his attempts to talk. Give him a chance to speak without interruption; listen with patience. Some direct ways of helping your child strengthen his speech muscles are through blowing balloons and bubbles, whispering and singing. They also bolster his confidence and make him feel he's doing something to overcome this uncomfortable habit. Curing the confirmed or severe stutterer is not a quick or easy matter and setbacks are to be expected. It may be advisable in stubborn cases to seek the advice of speech specialists.

## Veterans Play Hockey At Mannville

MANNVILLE. — A good old time hockey game took place at the new rink in Mannville on Tuesday, Jan. 25, when the veteran hockey players of Hamilton-Bloomington met the veterans of Chailey. These men who put on such a good show of hockey were Kings of the Blade 15 or 16 years ago and have seldom skated since. The spectators were very enthusiastic about the game and one remarked that even though the players were very busy in their respective positions, the busiest of all was Mr. Maurice Smith, all time manager of the Bloomington Rangers, trying to keep lines of men on the ice for at least three minute sessions!

Line-ups were as follows:

Bloomington Rangers — Goal, Jim Gordon; Defence B. Clark, N. Ruthan, W. Ross, J. North; Forwards N. Cundal, G. Enfield, C. Townsend, A. Scoggins, R. Swain, J. and S. Tymchyshyn, R. McCauley.

Chailey Black Hawks — Goal T. Cornish, Defence K. Scoggins, G. Coulter, S. Jackson, R. Hollyoake; Forwards Glen Coulter, H. Thomas, B. Scott, S. Bloemhagen, S. Pyskly-wyc. Scorers were G. Coulter 2, B. Scott 1 and S. Bloemhagen 1.

The score was 4-0 in favor of Chailey but Jim Gordon in Bloomington goal came through in his old style to prevent Chailey from running up many more. M. Smith reports that many of the former players from that district had now moved away and so he was glad to be able to get some younger players to fill in for them. Thank you Elmer Kreller for acting as referee.

A colection was taken at the game and given to the arena fund.

Everyone appreciated the coffee and hot dogs served by the Birch Creek W.I.

## SEEDTIME and HARVEST

By Dr. F. J. Greaney, Director, Line Elevators Farm Service, Winnipeg, Manitoba

Sponsored by the following companies: [illegible]

GERMINATION TESTS IMPORTANT FOR 1955

The results of germination tests so far completed by this Department on over 6,000 farmers' seed samples of wheat, oats and barley from the 1954 crop, show that, in an unusually high percentage of the samples, the germination has been seriously damaged. It is apparent that in no year in the past 10 years has the need for germination tests been greater than it is this year.

*Severe Frost Damage*: Heavy frosts last September caused severe damage to grain crops over a large part of Alberta and northern Saskatchewan. Consequently the germination of the grain has been seriously impaired. In no crop is the damage more serious than in oats. Completed tests on oat samples from these areas show that well over 60% of the samples are germinating less than 65%, which is the minimum germination for the lowest seed grade. Furthermore 45% of the oat samples are germinating less than 50%. The seed germination situation is not as serious in wheat and barley but it is still not good. In both wheat and barley a large percentage of farmers seed samples are germinating poorly — less than 85%. This is one year when a grain sample may look very good but germinate very poorly. The only way to make sure of the vitality of the seed grain you are either keeping or buying from the 1954 crop is to find out if it is capable of germinating well, and hence suitable for seed.

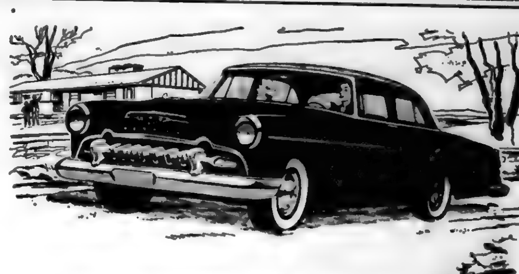
*Free Tests Available*: Farmers can have their seed tested for germination, without charge, through local agents of any of the Elevator Companies listed above. In submitting samples for testing, however please send in truly representative samples of "cleaned" seed. Germination tests are always important but for 1955 they are more important than ever.

## 6,323 Alta. Farms Electrified in 1954

Hon. N. A. Willmore, Minister of Industries and Labour, announces that 6,323 farms were electrified in 1954. This compares to 6,126 electrified in 1953.

There are now 20,504 electrified farms in Alberta and with the addition of non-farm and hamlet customers served off rural lines, the total number of customers is 25,120.

It is expected that this pace will continue during 1955 since the Alberta Power Commission reports that there are 2,073 more farmers organized into associations and requesting service. More are expected to organize during the year.



*Styling that captures the eye – power that commands the road!*

Long and low . . . sleek and smart . . . the exciting new De Soto draws admiring glances wherever you drive!

Its fresh, modern *motion-design* conveys The Forward Look of motion, even when the car is standing still. It's roomy and road hugging . . . a foot and a half wider than it is high. Its bigger glass areas slope gracefully inward from all sides toward the slim, trim top.

Below the broad hood, with its distinctive air scoop, is thrilling new power to rule the road! All 1955 De Sotos have magnificent new V-8 engines teamed with PowerFlite automatic transmission.

*First in style!* New Horizon windshield is the first *true* wrap-around design. Its corner posts are swept back so the glass can curve around at top as well as at the bottom. Luxurious interiors feature many smart new fabrics and colours offered for the *first time* in any car!

*The fabulous new*

DE SOTO '55

# NEWS from CLANDONALD

An unusual number of district residents have been suffering from various ailments during the past few weeks, some even requiring hospital treatment.

Last reports were that Harold Websdale was back in hospital still having trouble with the circulation in one arm. A son of Mr. and Mrs. [illegible] Schieler who has been under doctor's care for several months is also in hospital.

Joe Bardoel who suffered a rather severe foot injury while helping lower a well pump was still on crutches when last seen.

The Rev. A. Clennet who recently returned from Edmonton following an operation, is reported as being in Elk Point hospital following a check-up for a severe cold.

Flu has been prevalent around the district too since New Year's and at one time nearly two thirds of the public school pupils were absent on account of sickness.

Since sending in our last news several district residents have been bereaved by the loss of loved ones.

Mrs. George Convey last week suffered the loss of her mother Mrs. [illegible] MacDonald, a former Rusylvia resident who passed away in Edmonton following a long illness.

Mr. Pete Chubilnsky, local business man was also bereaved by the death of his mother in Edmonton.

Last week's paper contained the news of the passing of Mr. John Young whose son Bill and family, former residents here, now live at Dewberry.

To all these people and also Mr. Selwood and relatives goes our heartfelt sympathy in their bereavement.

Friends of the Andy Anderson family of the Ethelwyn district were shocked to hear of the sudden passing of an infant son on Sunday. Although the baby was ailing no particular concern was felt for its eventual recovery but sometime early Sunday morning the little one passed away.

Some side roads were blocked following the big blow of Sunday Jan. 16. However, everything will be back to normal shortly unless another big wind comes along, and this of course can easily happen.

F.U.A. MEETING

F.U.A. members and interested farmers please note that the regular meeting of this local will be in the Orange hall on Thursday, Feb. 10 commencing at 8 sharp. On the previous night Feb. 9 the regular N.F.B. show will be held commencing at 8:30 p.m. These shows are both entertaining and educational and are well worth the trouble of coming to town.

The Oliver one-day tractor school sponsored by Henry Schnieder, the proprietor of Imperial Motors, was not very largely attended. However, those present showed a very keen interest in what the expert had to say and judging by the number of questions asked was greatly appreciated. We hope that this affair will become a regular yearly event.

There is one lad in an Edmonton school who apparently knows a bargain when he sees one. A very young scholar received a wrist watch for Xmas so of course he wore it to school. That night he returned minus the watch but with ten cents — that being the sum for which he had sold his timepiece!

TOUGH, DAMP GRAIN

Between Aug. 1 and Dec. 31, 1954, 15.3% of al cars of grain inspected in western Canada were found to be either tough or damp. In the same five months of 1953 tough and damp shipments amounted to only 7.2%. In the month of December 29% of inspections were classed as tough or damp.

# Of Many Things . . .

By [illegible]

*THE RICH MEN*

When I was a lad, I thought the man who owned the corner store in our small prairie town must be very rich indeed. One look at the chocolates, the all-day suckers, the rows and rows of yard goods, the big round cheese, the bags of sugar — that convinced me. To own so much the man must be rich. Everybody in town spending money with him — what a wonderful life!

Because I bought quite a bit of his candy and chocolate, I was soon introduced to the town dentist. He pulled some teeth, bored holes in others, and sent father a bill for $23. I was amazed. All that money just for pulling a few teeth and stuffing a few others? The man must make a fortune!

Richest man of all, I thought, was the owner of the local hardware store. I'd look at the rifles in his window, and wonder how so much money could be charged for a bit of metal and wood. Beyond doubt, the hardware man was another Midas. All he had to do was stand behind the counter and take in money. How I envied him!

Then our baseball club bought an advertisement in the weekly paper. The publisher charged us 57 cents an inch! I realized at once that the editor of our hometown paper must also be a millionaire — getting more than half a dollar for an inch of paper and ink!

Then, as I got older, some of these wealthy citizens passed on. The corner merchant left assets barely enough to support his widow. Even the dentist, when he died, turned out to be of very modest means. The hardware merchant left a pretty large inheritance — twelve thousand dollars, folks said. The newspaper editor is still alive and printing, but if he's as rich as I thought he was, how come that same old second-hand Buick is parked in front of the print shop?

I noticed the other day that big corporations today average only about four cents profit on a dollar of sales. Retail profits in most towns runs even less than that.

It's too bad. It was so wonderful to feel you were shopping with millionaires, and that some day you, too, might own a corner store and pile up millions of your own.

But as you grow up, you learn. The big danger is that some Canadians haven't grown up. They still see profiteers behind every counter. They can't face the fact that profits are low. Why, if they admitted it, what would there be to grumble about? Poolroom politics would dry right up without the profiteers to be lambasted!

## TOP PICTURE FOR CLANDONALD

Showing for the first time in this section of Alberta, "The Quiet Man" will be shown at the Clandonald theatre on Mon. and Tues. Feb. 7 and 8. There will be two shows each night at 7:30 and 9:30. This is one of the top productions and is being shown at Clandonald at regular prices. 30-1x

# LETTERS TO THE EDITOR

This paper does not hold itself responsible for opinions expressed by correspondents.

Irma, Alberta.
Jan. 26, 1955.

The Editor,
The Vermilion Standard,
Vermilion, Alberta.

[illegible]

From the news reports we hear from different parts of the constituency it seems that we are to have the usual four or five-way race in the forthcoming by-election.

I would like to make a few remarks about what supporting splinter parties has done for us in this part of Canada.

From the point of view of population Alberta is Canada's 4th province. Our position in the total national production is hard to assess but our tremendous agricultural production is well known. Industrially our importance is growing swiftly.

In view of this it is interesting to note that out of 34 cabinet members and parliamentary assistants Alberta has exactly one cabinet [illegible].

By contrast the province of Nova Scotia, seventh in population, can boast one cabinet member and two parliamentary assistants. Manitoba, third among the grain-growing provinces, has one cabinet member and one parliamentary assistant to represent her in the making of executive decisions.

Only the province of Saskatchewan shares with us the doubtful distinction of having just one person to speak for her when cabinet decisions must be taken. Two members out of 34 to represent these two provinces!

Here in the West we have any number of federations, boards and unions clamoring for our support and making representations of one kind or another to the cabinet. We go to great lengths to support them. Then we turn around and continue to elect as members of Parliament people who never have had any opportunity to help make the policies which the cabinet members carry out.

Voting for splinter parties has not solved the problems which caused the birth of these parties in the first place. To make matters worse, voting for them has nearly destroyed our parliamentary system — a small opposition has been made weak by division into three groups and the government can do just as it pleases.

If the Liberal and Progressive Conservative parties do not know our point of view it is up to us to elect members who will sit in caucuses of those parties, who will take effective part in parliamentary debates, who can rise from the ranks as parliamentary assistants and cabinet members, who can help to make policies with the good of the West in mind.

Here's to the health of the two-party system and of Battle River-Camrose constituency.

Sincerely,
Allen Ronaghan.

# BOWTELL BULLETIN

Ten tables of cards were played Friday evening at the hall. Prizes went to the following: Ladies — Mrs. R. Repp, Mrs. A. Morrison, Mrs. O. Repp; Gents — Jack Caro, Bob Tweedy, Ken Fulton.

There will be a dance in Bowtell Community hall on Feb. 11.

Mr. and Mrs. Jones were guests for a turkey dinner Sunday at the Dedelly home; Frances Sherwood and Margaret Robinson enjoyed a visit Sunday evening at the Harrison home.

Last August a plane was in our district taking pictures of each farm. Last week we were able to see these in oil paintings. They were very good.

Congratulations to Miss Mary Gow for obtaining her nurse's cap. Mr. and Mrs. Gow attended the capping ceremony in the city.

Congratulations to Mr. and Mrs. Bob Hobbis on the birth of a baby boy in the Vermilion hospital.

Mr. and Mrs. Sherwood and Beverly enjoyed a visit recently at the Knutson home. While there we inspected a real nice flock of laying hens, and the Hereford cattle are something extra too Harold.

Quite a number from this district attended the last service of the Rev. Douglas Ford on Sunday evening and the grand get-together and social hour following the service. A delicious lunch was served by the ladies. Everyone is so sorry to see the Ford family leave Vermilion. People from all corners of the large district attended.

Mr. and Mrs. Walker celebrated their 34th wedding anniversary on Jan. 29th.

Mr. and Mrs. F. Robinson were Monday visitors at the Sherwood home.

## Annual Valentine Ball Planned By Firemen

One of the most enjoyable dances of the year, the annual Valentine Ball, sponsored by the Vermilion Fire Brigade, will be held in the spacious Elks hall on Tuesday evening Feb. 15. Inman's orchestra has been engaged for the dance and a varied and interesting dance program is being arranged.

The members of the Fire Brigade will soon be around to sell you a ticket. If you buy them now you will save money as advance tickets cost 50 cents with a charge of 75 cents made to those who purchase admission at the door. 30-2x

## SEEDTIME and HARVEST

By Dr. F. J. Greaney, Director, Line Elevators Farm Service, Winnipeg, Manitoba

Sponsored by the following companies: Federal, Alberta Pacific, Pioneer, Canadian Consolidated, Paterson, McCabe, Parrish & Heimbecker, Inter - Ocean, Ellison Milling and Quaker Oats

THE FARM PEOPLE OF TOMORROW

Owing to the many sacrifices and efforts that have been made by their parents, the rural young people of today have been provided with broader educational opportunities than were available even one generation ago. Consequently we find that today's farm boys and girls are not only physically sound, but intelligent, alert, well educated, and wise beyond their years. Nowadays, for instance, it is not enough to tell young people about stem rust of wheat; they must see the rust on the plant and study it under the microscope. They not only appreciate the contributions agricultural science is making, but are putting its findings into practice on their own farms.

It is safe to say that no voluntary educational programme is exerting a more beneficial influence on the development of the rural young people of Western Canada than the work directed by the Canadian Council on 4-H Clubs. Although the full story of the 4-H Club movement is a big one; its main objectives are simple enough—to train the Head to clearer thinking; the Heart to greater loyalty; the Hands to be more useful; and to promote Health for better living. Today, 68,729 young farm people in 4,788 4-H Clubs throughout Canada are not only "learning to do by doing" but, what is more important, actively preparing themselves to become stronger rural leaders and better Canadian citizens.

The Line Elevator Companies, our Sponsors, deem it a privilege to be associated with the work of the Canadian Council on 4-H Clubs. As the future of Western Canada is wrapped-up with the future of its rural youth — the farm people of tomorrow — we are convinced that no agricultural work offers a greater opportunity for service.

"Season's Greetings" to all our readers. May all the Joys of Christmas be yours, and may 1955 bring you Health, Happiness and Prosperity.

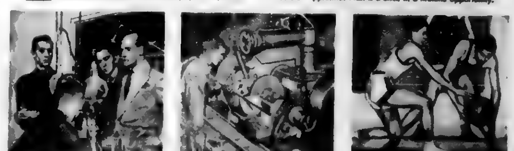
LEADERSHIP TRAINING for YOUNG MEN

To young men of 16 years of age, the Soldier Apprentice Training Plan offers most valuable training and career opportunities. It provides formal schooling, military training, trades apprenticeship and an opportunity to become a leader. Soldier Apprentices receive half pay of a private soldier recruit while 16 and on their 17th birthday they draw full pay.
To many young men from coast-to-coast, Soldier Apprentice Training has proved a wonderful experience and the starting point for excellent careers. In the words of a young Soldier Apprentice—"The Soldier Apprentice Plan is a once in a lifetime opportunity."


Formal Education — Civilian teachers are used for academic training in such subjects as Chemistry, Physics, Mathematics, English.
Trades — Besides getting a grounding in all ways of the Army, they are given the opportunity to learn one of 19 different trades.
Sports — It isn't all work . . . there's plenty of recreation — bowling, swimming, basketball, soccer, hockey, depending on the season.
To be eligible, young men must be 16 years of age, but not yet 17 and must have a minimum of Grade 8 education. For an interesting booklet on the Soldier Apprentice Plan, write, telephone or visit the Army Recruiting Centre nearest your home.
No. 10 Personnel Depot, Currie Barracks, Calgary, Alta. — Telephone 42171 — Local 71
The Army Information Centre, 10042 - 101st Street, Edmonton, Alta. — Telephone 42266
The Army Information Centre in your home town.
Listen to "Voice of the Army" — Tuesday and Thursday evenings over the Dominion Network.

COFFEE SHOP ON WHEELS— The Canadian Pacific's answer for travellers wanting snacks and lower priced meals on trains is coffee shop section shown above of new scenic dome coaches now going into service on the transcontinental trains. Steps at centre rear lead to scenic dome section where coach travellers can enjoy all-around view of passing country. A third section of these new Budd stainless steel streamlined cars contains 26 coach seats equipped with full length leg rests and reclining backs for long [illegible]. The 18 cars in coach-dome-coffee shop series are colorfully decorated with carved linoleum panels of provincial legislatures and coats of arms. In addition to the coffee shops which serve meals and snacks throughout the day and evening, the new C.P.R. trains will be equipped with [illegible] modern dining room cars which will be delivered next spring.

# OBITUARY

*CECIL MILLS KING*

On Saturday afternoon January 29th, a Service of Remembrance was held at St. Saviour's Anglican church for the late Cecil Mills King. Mr King died in Edmonton on January 25. The deceased came to the Vermilion district in 1909 and occupied a place very high in the respect, esteem and affection of a very wide circle of friends and acquaintances. In tribute to his memory St. Saviour's church was filled to capacity for the memorial service so fittingly conducted by the Rector Rev. D. A. Ford.

The funeral services were held in Edmonton at Howard & McBride's chapel on Thursday Jan. 27 at 11:00 o'clock in the morning. Cremation followed. The final resting place will be in the Garden of Remembrance, Woking, Surrey, England, and his name recorded in the Book of Remembrance there. Mr King was born at Stourbridge, Worcestershire, Eng.

Left to mourn his loss are his sorrowing wife, two sons Alfred John and Keith Ewen, and one daughter Jocelyn all of Vermilion. There are three grandchildren. A brother Gerald resides at Vermilion and there are two brothers and three sisters overseas.

Beautiful floral tributes and memorial donations were received from:

Loving Family; Cyril and Elsie; Victoria, Charles, Jill and Jennifer; Marjorie and Christian; Mr. and Mrs Hudson and Esther; Gladys and Lou Dennington, Archie and Kathie Holt; Doris and Sandy Thomson, Jack and Sarah Neale and family; St. Saviour's Vestry; Myrtle and Larry; Marjorie Knapp; May and Mrs. Oakley; Gertie and Mac, Mildred and Leo Klashinsky, Jessie and Ort Strome; The Webb Families; The Hawley Family; Don, Hilda and family; Mr. and Mrs. J. C. Schaumleffel; Mr. and Mrs Edward Clarke, Leonard and Shiela; Dorothy and Bill Pettigrew and family; Joy and Percy Walsh; Irvine Bell; Alec and Edna Ross and family; Mr. and Mrs. Elmer Isley and family, Mrs. Hawkesworth, Claude and Louise Bishop, Mr. and Mrs. Alfred Logan and family; Dower Bros. Staff; Mrs Roy Stone, Ken and Arleigh.

Crippled Children's Fund: Mr. and Mrs John Almond; Pringle and Doris Galloway, Mr and Mrs. Harry Sweeney; Mrs. Noonan and family, The Filipkowski Family; Annesley and Doris; Margaret and Frank Wilhelm; Mr. and Mrs. Jas Kirk; Mr. and Mrs. Brooks Lysons, Mr. and Mrs. A. F. Galloway.

Cemetery Fund: Mr. and Mrs. R. Osterberg; Mr. and Mrs. Chas Waldenberger; Mr. and Mrs. J. M. Wilson.

The Canadian Cancer Society Fund: Gerald and Jeannie; Mr. and Mrs T. H. Hobbs; Mrs. James Powell and Jim; Mr and Mrs. Keith Chalmers; Kay and Joe Hart and family; Mr. and Mrs. Jim Wallington; Joe and Doreen Ahlgren and family; Mr. and Mrs. W. R. Simmonds and boys; Mr. and Mrs. D. R. Mitchell; Larry and Ivy Pare and family; Mrs. H. Elliott, Ken and Lottie Urquhart; Mr. and Mrs. Jim Moses; Mr. and Mrs. Robert Galloway and family; Nellie and Lloyd; Mr and Mrs. Kather; Mr. and Mrs. W. S. Cash; Fred and Jane Swan; West Point Service; Mr. and Mrs. S. R. Bolden; Donalda and [illegible] Bathe; Mr and Mrs. Amos Gohsen; Cyp and Vera.

Donations made to St. Saviour's Building Fund in memory of Mr. C. M. King: Esther, Clive, Peggy and Roger; Mr and Mrs. [illegible] Dixon and family; Mr. and Mrs. Harry Scott and girls; Dorothy, Garry, Margaret and Fred; [illegible]den Family; Pochett Family; St. Saviour's Men's Club; J. Kneale and family; J. R. Robson and family; J. K. Thompson and family; Mr. and Mrs. Wm. Fooks; Mr. and Mrs. Andrews, Paradise Valley; Mrs. H. N. Stephens; Miss Margaret Stephens; Betty and Gerald Stephens; Miss Kay Stewart; Dorothy and Tom Watts; L. H. Playne; Mr and Mrs. Geo. McPhee; Thorncliffe Mutual Telephone Co.; Mr. and Mrs. O. R. I. Stephen; E. and M. Corlett and Bella; Joan and Mr. MacCallum, Pat and Warren.

# 80 Attend Church Meeting, Mannville

MANNVILLE. — McQueen United church held its annual meeting Monday evening after the pot luck supper to which some 80 persons sat down.

A very successful year was reported. An electric organ was purchased, gas installed in the church and church hall and gas and water in the manse. All organizations had been active through the year as shown by the reports, these being the W.A., Sunday school, C.G.I.T., Mission Band, Explorers and the W.M.S.

Votes of thanks wee given to the organist, Mrs. Elliott, and to splendid work during the year.

# Kitscoty News

Mr. and Mrs. Allen Lymburner and baby daughter have returned home after spending the past week visiting relatives in Edmonton and Crossfield.

Mrs. E. H. Sheppard spent part of last week visiting with her son in law and daughter Mr. and Mrs. David Eaves and family of Lloydminster.

Best wishes for better health and a speedy recovery are extended to Mr. Steve O'Connor who has been a patient in the Mannville hospital. Mrs. O'Connor has been visiting in Mannville with relatives while Steve has been ill.

Congratulations to Mr. and Mrs. [illegible] proud parents of a baby daughter, born Jan. 31 in the Lloydminster hospital, a sister for Wayne.

We would like to congratulate the ladies rink who won the Grand Challenge at the Dewberry Ladies bonspiel. They brought home a handsome trophy and beautiful chenille bedspreads as prizes. The following ladies made up the rink: Skip Mrs. C. (Betty) Connaree, lead Mrs. M. R. (Ethel) Hiltz, 2nd, Mrs. E. (Jessie) Stewart, 3rd Mrs. Jack (Nila) Miller.

Mr. and Mrs. Curtiss of Greenlawn district near Dewberry visited with their daughter Mr. and Mrs. A. Schmidt and family this week.

Master Eddie Lang has spent the past week visiting with his grandparents Mr and Mrs. R. A. Evans.

Mr. and Mrs. Howard Lawrence and boys and Jim Potter, all of Paradise Valley, were week end visitors to the home of their parents Mr. and Mrs. Alex Potter.

Mr and Mrs. R. S. Pidcock accompanied by Mr. H. Stokes spent Sunday in Edmonton at the home of Mr and Mrs. A. C. Lindell.

Mr and Mrs. V. J. Page and boys are enjoying a holiday at the Pacific coast at present.

# The Role Of The Welfare Centre In Times of Disaster

ROLE OF WELFARE CENTRE

Disaster may occur in your community at any time. The disaster may be from natural causes. For example fire, floods or tornado. Or it may be from enemy attack. When such a disaster occurs, great numbers of homeless people who may be dazed and suffering will find themselves unable to obtain the basic essentials of life without help from other people. It is at a time like this that local Civil Defence Welfare services must be prepared to give practical assistance to these victims immediately and to continue to meet those needs for some time. Emergency care may be needed for several days following a disaster and may even extend for a few weeks. The time will depend on the extent of the damage and also on the speed with which means for normal living are restored to the area. The main objective of Civil Defence Welfare services must be to get the people re-established in their normal way of living where they will be able to attend to the needs of themselves and their dependents. And that should be done as quickly as possible.

There will be other necessities that people who have been separated from their families and who are homeless following a disaster will need. They include food, lodging, clothing and also information, sympathy, guidance and advice on their personal problems.

Specific welfare services have been organizer' to meet the above mentioned requirements. Emergency lodging, feeding and clothing and Registration and Inquiry service.

Lodging Service: Temporary lodging must be provided for the homeless victims.

Feeding Service: Provision must be made to provide food for victims of an attack, also for Civil Defence workers and staffs in the First Aid stations.

Clothing Service: Clothing will be needed to meet all needs following a disaster.

Registration & Information Service: Registration must be carried out to record the victims who are missing, dead or hospitalized or evacuated. Information must be assembled concerning persons who receive any welfare service.

Information of a general nature on Civil Defence operations must be collected and authorized Civil Defence information will then be given out to the public.

A locating service should be established to reunite families and assist in obtaining any facts about the safety of persons.

Social Service: The object of this service will be to furnish the temporary needs of victims so that they may be rehabilitated as quickly as possible.

Evacuation and Reception Service: Plans will be made for the removal of civilians to places of greater safety. This service will also provide maintenance for the evacuees in the reception area and will also give assistance to those authorized to return to their homes.

Welfare centres will be established on the outer edge of a disaster area, also in Mutual Aid and Reception areas. Their objective will be to minimize the effects of the disaster, to maintain civilian morale and to keep production operations as near normal as possible.

Operations in these different sections must be speedy and efficient. Some of the victims may have made advance arrangements to go to their friends following any disaster, but they may need help in carrying out their plans. A large proportion of these people will have no place to go and they must be cared for until they have made some plans to rehabilitate themselves or until some plans have been worked out for them. A return to normal living must be accomplished as soon as conditions permit. In that way people will be able to help themselves and also be of some help to others.

Always remember that disaster is no respecter of persons or places. Civil Defence is organized preparedness. Your life, and others may depend on how you act if a disaster strikes. Be prepared and don't panic. If you never need what you have learned in Civil Defence you have lost nothing. If you never learn what Civil Defence tries to teach, you may lose everything. Enquiries invited. Start training now.

Information may be obtained from the Civil Defence Control Committee, M.D. of Vermilion River No. 71, Geo. H. Martin, Director, Jos. Batty, Secretary.

Japan's main export to Canada are oranges, fresh fish, steel castings, plywood, china, tableware, canned tuna, woollen gloves, toys, clothing, buttons, fish nets, jewelry, sewing machines and optical instruments. —*Quick Canadian Facts*

# "Fight Polio" Drive For Funds

The "Fight Polio" committee of the Canadian Legion spent nearly $30,000 in Alberta last year to protect stricken families from financial troubles and indirectly to help scores of poliomyelitis victims in their battle against the crippling disease.

According to the financial statement issued recently by the Legion polio committee, direct special assistance grants totalling $28,905 were authorized in 127 cases, scattered throughout Alberta.

The Legion is conducting a province-wide campaign in Alberta this month, so it can continue to give assistance to victims who are not eligible for aid from the provincial department of health or other agencies.

Much of the assitance given last year was in direct housekeeping grants, which are paid when the head of a family is stricken and the wife must work to support the children, or when the wife is stricken and outside help must be employed to maintain the household.

The doctors who serve on the Polio committee's medical advisory board say this type of aid has an important bearing on the success with which a patient can overcome the dreaded disease.

The medical men are called into consultation on cases which the Legion has been asked to assist, and advise on what type of assistance they think should be given.

They say the patient's mind should be free from other worries, and that financial difficulties could seriously retard their progress.

For that reason, the Legion endeavors to eliminate financial worries when at all possible, and tries to keep stricken families within a reasonable standard of living.

Besides housekeeping grants, the Legion in some cases has paid outstanding accounts to keep families out of debt.

Another important phase of the polio committee's work is purchasing the expensive and elaborate equipment needed in the treatment of polio patients.

Last year the committee spent $10,427 for five iron lngs, and another $15,778 on seven portable iron lungs which were placed strategically throughout the province for use in transporting victims to hospitals.

The total spent on equipment last year was $47,984, and the items purchased ranged from intricate physiotherapy devices and wheelchairs, to television sets which were placed in polio wards to help make life more enjoyable for the patients.

Transportation of victims to and from hospitals is another important contribution, and last year cost $5,313. The Legion also paid $4,946 to settle hospital accounts for 48 victims. Another $4,449 was paid to cover lectures and medical training expenses for students learning polio treatment techniques and physiotherapy at the Boston Medical Centre, University of Toronto and McGill University.

In addition, $2,100 was spent on six $350 bursaries for students who are learning physiotherapy at the University of Alberta. The string attached to the grants for students is that they practice in Alberta for at least a year after they graduate.

E. 'Ted' Brown, of Edmonton, the provincial president of the Legion, points out that Alberta is now beginning to feel the full effects of the serious polio outbreak of last year and the year before. He said the patients are recovering to the point where tey can be discharged from accredited polio hospitals, and are no longer eligible for full aid from the government.

Many of them, however, are far from recovered, and need transportation to and from hospitals where they can obtain physiotherapy treatments, financial assistance and aid in rehabilitating themselves.

The Legion's campaign for funds, undertaken for the first time in 1954 on behalf of the Canadian Foundation for Poliomyelitis, will continue until Feb. 17.

It is estimated that every 25,000 immigrants increase bread consumption in Canada by 4,000,000 loaves annually.

## C.N.R. Appointments

A graduate of the University of Saskatchewan, James A. MacDonald, has been appointed assistant to vice-president, research and development, Canadian National Railways, Montreal.

Born in Winnipeg, Mr McDonald lived for a time at Watson, Sask. where his father was C.N.R. station agent. He started with the railway as telegraph operator at Saskatoon in 1927 and two years later joined the navy. Following discharge he attended the University of Saskatchewan where he won a Rhodes scholarship to Oxford.

William P. Moffat, a native of Winnipeg, has been appointed chief of research for the C.N.R. at Montreal. A graduate of Royal Military College, Mr Moffat was a commander in the navy during the war. He has had 19 years experience in civil engineering.

A former Winnipegger, Gordon P. Hamilton has been appointed superintendent of pensions for the Canadian National. He was a [illegible] of the C.N.R. audit department at Winnipeg from 1928 to 1935 [illegible] he became a travelling accountant. He was transferred to Montreal in 1949 and was appointed special [illegible] of pensions there last year.

## NEWS from ALLANDALE

The weather is still kind to us all. More snow has fallen lately and with the snow and blow on the 23rd some of the roads had to be opened.

Our sympathy to Mr Coombe and family. 'Aunt Nellie's' Islay locals will be missed, her helpful philosophy and recipes.

Perhaps we'll see Clandonald news more often during the coming months. It was good to see Dewberry happenings back again.

Mr and Mrs. Milton Lee are living in town. They have recently had their house moved in from the farm. It is nicely located in the east part of town, a little west and across the street from Webb's implement and repair shop.

Mr and Mrs. Norman Anderson and daughters from Lloydminster were visitors at the latter's home (Armstrong's) on the 23rd. They called at the Orville Armstrong home on their way back in the evening. They experienced some heavy drifts on their way coming, on the flats north of Merrier's bridge.

We are pleased to report that Vernon Nelson is coming [illegible] very well after an operation on his arm on the 24th. A steel [illegible] had to be set in on account of the compound fracture. His arm will be put in a cast around the middle of the week Feb. 2, and they expect him home sometime around the last of the week if all goes well.

We wish Mr and Mrs. [illegible] Ronaghan and family well in their move from Lloydminster to Wainwright. Jimmy is still trucking oil.

Word from Mr. and Mrs. Wm. Mayers who were at Grand Rapids, Minn. They planned on going to Litchfield, were feeling fine and enjoying their holiday.

The flu at the Johnny Nelson home got them all at one time except the hired man. Joan came home from the city to help out. All are now coming along well and Joan intends returning soon to her position in the city.

Our sympathy to Mr and Mrs. Young and family at Dewberry and daughter Olive Milton and family at Red Deer on the passing of their father Mr John Young. "Not [illegible] to us who loved him, not lost but [illegible] before, he lives with us in memory, and will forevermore".

The Campbell Lake teacher and pupils had a lovely evening for their whist party on Jan. 28th. 11 tables were played. Prizes were [illegible] by [illegible] Farrell, Mrs. McIntyre, Betty West; H McKinnon, O. Strome and G Mead. For those who enjoy cards the W.I. are having a whist in the Island Hill school on Feb 4th.

It was a pleasant surprise to hear from Mrs. Elinor Farley. She has been working at the Lynwood San at Port Blakely Wash. She was planning to go home to Kent, [illegible] for a rest. Elinor [illegible] the Standard very much but is saddened by so many of her former acquaintances passing away.

Closing Thought: Not until we have taken the step from life into eternity shall we understand the meaning of Browning's words: "On the earth the broken arc, in heaven, a perfect round."

## Jobless Summary

Persons without jobs and seeking work were estimated at 247,000 on Dec 11 reports The Financial Post. This compares with 214,000 a month earlier, and 180,000 a year earlier. Latest jobless figure thus amounts to 4.6% of labor force.

Most jobless are younger people. Of persons without jobs seeking work 18% are under 20 years of age and 17% are 20-24. Compares with figures of 9% and 13% for persons with jobs.

### Sixteen Years Ago Today

*Feb. 2, 1939*

Albert M. West was elected president of the Board of Trade. [illegible] was vice-president and F J Richardson was secretary-treasurer.

The entire collection of Indian relics gathered over a period of more than a quarter of a century by the late Matthew Brinsmead is bequeathed in his will to the Vermilion high school.

[illegible] Hinton was elected chairman of the Vegreville School Division board.

Mrs. [illegible] Reid was elected president of the Anglican W.A. with Mrs. Leveredge vice-president, Mrs Gordon Williams secretary, Mrs Bell treasurer.

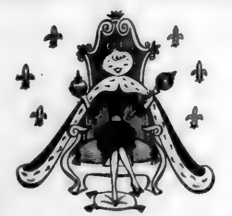
A Kitscoty rink is representing this division in the British Consols [illegible] at the Edmonton bonspiel [illegible] of Chris Cairns skip, Oliver Seward, Bill Dyck and [illegible] Gray.

February ushered in with temperatures of 22 to 32 below.

### Thirty-two Years Ago Today

*Jan. 31, 1923*

Over 300 gathered at the ratepayers meeting in the Albert hall [illegible] slate of candidates have been announced for the civic elections. The administration candidates are [illegible] W G. Mitchell for Mayor. [illegible] Stewart, W H Duncan and Wm. Snyder for councillors. The other slate consists of C W Robinson for Mayor, W. A. Fallow, J A [illegible] and J A. Kirkpatrick [illegible].



### FIT FOR A QUEEN

## Vermilion Agricultural Society Sponsors Practical Short Courses

The Vermilion Agricultural Society continues very active in the life of the community it is designed to serve and the latest development in their extension program is the sponsorship, along with the Provincial Department of Agriculture, of a practical Short Course for men and women, scheduled for March 1, 2 and 3 at the Provincial School of Agriculture, Vermilion.

Outstanding experts in their various lines have been engaged to lead the discussions. Dr. R. F. Peterson of Winnipeg, [illegible] in charge of the Cereal Breeding lab is to discuss plant diseases, including rust and doubtless all farmers will be intensely interested in this vital matter. Dr. C. F. Bentley of the staff of the University of Alberta will discuss fertilizers suitable to the area, while R. F. Painter of Lethbridge will examine the insects generally considered injurious to livestock and the methods of their eradication.

Mr. M. Syrotuck, well known officer of the Livestock Production Service will discuss Swine Improvement, while Mr. C A. Cheshire, Agricultural Engineer of the Provincial Department of Agriculture will take up the matter of the proper use of tillage implements. The men's program will finalize with a most interesting discussion of Farm Planning in Practice and Father and Son Business Agreements, led by Mr Rasmusson of the Department of Agriculture.

The ladies are not being forgotten in the courses and the following subjects and leaders will be introduced according to the program shortly to be released by the Society. On Tuesday March 1 Mr. L.H. Arnold of the Department of Public Welfare will discuss the proper freezing of fruits and vegetables, while Miss June Kirk, [illegible] Home Economist of Wainwright [illegible] take up the subject of [illegible] Home Making; on Wednesday, Mrs. W. H. Boulton, Senior nurse of the Minburn-Vermilion Health [illegible] will present a course in Home Nursing, to be followed by Miss Marian Inglis of Vegreville who will discuss Home Decoration.

The course for ladies will occupy two afternoons, while the [illegible] will have three afternoons; a [illegible] session will be held at 1:30 on March 1st when the Hon. L. C. Halmrast, Minister of Agriculture, will address the gathering.

Programs will open each afternoon at 1:30 and those attending will be released in good time so as to make it possible for them to disperse to their homes at a reasonable hour in the later afternoon.

There will be no charge or registration fee for the courses and arrangements are being made for 'breaks' in the program with coffee to be served through the kindness of the school of agriculture.

This general invitation is extended to all residents of the country and the towns and it is hoped that there will be goodly attendance at all sessions.

The complete program is given herewith:

PROGRAM — MEN'S COURSE
*TUESDAY, March 1*

1:30 p.m. — Official Opening. Joint meeting. Chairman Mr. E. M. Stewart, President, Vermilion Agricultural Society.

Opening Remarks — Mr. S. C. Heckbert, Mayor, Town of Vermilion; Mr. N. N. Bentley, Principal, School of Agriculture.

ADDRESS — The Hon. L. C. Halmrast, Minister of Agriculture.

FIELD CROPS DAY

Home Nursing: Mrs. W. H. Boulton, Vermilion, Sr. Nurse, Minburn Vermilion Health Unit.

3:00 p.m. — Home Decoration: Miss Marian Inglis, Vegreville District Home Economist

## Town Meeting Monday Night

The annual meeting of ratepayers of the town of Vermilion will be held in the Elks hall on Monday night Feb. 14 commencing at 8 p.m. Besides the annual review of town affairs the local representative on the Municipal Hospital board will report on behalf of that unit.

The terms of Mayor Heckbert and Councillors Bill Sutherland and George Webb expire, meaning three vacancies, while Councillor Melvin Hill resigned his seat on the council at Monday night's meeting. The Standard understands that Mr. Hill has been prevailed upon to run for the office of mayor. It is also rumored that Councillor Ken Urquhart intends to resign before nomination day. From standpoint of years of service Mr. Urquhart is the senior member of the board.

In the event of the resignation of Mr. Urquhart, nomination for a mayor and four councillors will be needed.

## WM. DAVIES DIES AT ISLAY

William Davies, who settled in the Islay district in 1905, died in the Islay hospital on February 9th at the age of 80 years. Funeral services will be held at the Islay United church on Saturday, Feb. 12th at 2 o'clock in the afternoon. The Rev Potter of Kitscoty will officiate and interment will take place in the Islay cemetery.

Mr. Davies leaves to mourn his passing his wife and three daughters Mrs Bob Milligan, in Edmonton, Mrs. Alf Jones, Islay; Mrs. H. Joy at Kitscoty. There are ten grandchildren.

Moyers of Vermilion are in charge of funeral arrangements.

## Viking Gas Kings Here Saturday

The Vermilion Tigers have a heavy agenda of games during the coming week. This Saturday they entertain the league leading Viking Gas Kings, on Monday they make a trip to Wainwright, then back here on Wednesday the Vegreville Rangers play their second game on Vermilion ice.

Home games to finish off the regular league schedule are

Saturday this week Feb. 12 — Viking Gas Kings; Wednesday, Feb. 16 — Vegreville Rangers. Word of this game was received too late to include in the regular display hockey advertisement.

The Vermilion Tigers are presently battling to keep in fourth place which means that they have a spot in the play-offs. The four top teams enter the play-offs with the number 1 team playing the third place holders and Number 2 and 4 teams meeting. The two winning teams play off for the Craig cup and the league championship.

Tigers are only one point in front of St. Paul and need points badly to hold that spot.

St Paul Hornets last Saturday night drubbed Wainwright Commandos 6-1 right on the Commandos' own ice, so that Wednesday night's win over the Tigers here made it two in a row for them.

## Coyote Nips Dewberry Man

Positions were reversed when a coyote hunter of the Dewberry district, became the hunted in a week end brush with a coyote.

Allan Bensmiller who farms about five miles from Dewberry, was driving his truck with his three hunting hounds in the vicinity of his farm, when he spotted a coyote. He stopped his truck and while his hounds gave chase Mr. Bensmiller proceeded toward a strawstack to observe the action.

The coyote, with the hounds hot on its heels, circled around when it saw Mr Bensmiller and had almost reached him when overtaken by the lead dog. The coyote turned quickly and fastened its teeth on the dog's nose. When Mr. Bensmiller moved in to rescue his hound the coyote quickly diverted its attention to the man.

Before the hounds could kill it, the coyote bit Mr Bensmiller on the hand. The hunter had to drive to Vermilion for treatment but the doctor's report ruled out the possibility of rabies.

## Vermilion 4-H Clubs Call Organizing Meetings

The Vermilion Wheat Club will hold a re-organization meeting in the court room on Saturday night at 7:30 p.m. Orders will be taken for seed at this meeting, and officers will be elected.

The Vermilion Barley Club will meet at the same time in the D.A.'s office.

Cheques will be passed out for prizes at the seed fair.

**New members are invited. Any farm boy or girl between the ages of 12 and 21 will be welcome.**

George Braithwaite is leader of the wheat club and Roy Jory has charge of the barley club. Anyone who cannot possibly attend their club meeting should see their club leader before the meeting and let him know about joining up again.

## Mr. and Mrs. Fred B. Arthur Celebrate Golden Wedding Anniversary

Pioneer homesteaders who have lived in the Auburndale district since 1908, Mr and Mrs. Fred B. Arthur, celebrated their golden wedding on Friday, January 28th. During that afternoon and evening many friends, young and old, called upon the esteemed couple to extend congratulations and best wishes.

Mr. and Mrs. Arthur were both born in Prince Edward Island. They were married in Dorchester, Mass., U.S.A. on January 28, 1905. In 1906 they came to Edmonton and in 1908 to Vermilion where they homesteaded. The homestead has been the site of the family home ever since.

Mr. and Mrs. Arthur have one son Melvin who lives in the district, and two daughters, Mrs. Ivan McInnes of Vermilion and Mrs. Garwood Delainey at Portland, Oregon.

At the reception over 100 guests called and paid their respects. The bride's table was beautifully laid with an ecru lace tablecloth and centred with a three-tiered wedding cake. Catering was done by the Willowby church group. Presiding at the tea table were Mrs. Frank Eyben, Mrs. W. A. Elward, Mrs. George Symes and Mrs. B. H. Rogan.

A toast to the bride and groom of fifty years was proposed by Mr James Irving and the reply was by the groom, Mr Fred Arthur. In tribute to the couple many beautiful cards, gifts and messages were received on the memorable occasion.

## Wes Waldenberger Retires From Oil Agency Business

J. W. "Wes" Waldenberger, well known old time Vermilion business man, has retired after serving as Imperial and Regal Oil agent for the past 27 years. Even before that he was connected with the oil business as he did the draying for Imperial Oil Co. from 1915 to 1920.

It was in 1929 that Mr. Waldenberger took over the Regal Oil agency. In 1936 when the Regal Co was purchased by Imperial, Wes was offered the Imperial agency. He accepted and has been in charge ever since. The business like all others has had its ups and downs, but one thing Wes is sure of, no business ever had a better bunch of customers than those he served.

During the war years help was scarce and with both sons in the armed forces he was forced to carry on at times alone. However, following the return of Stan and Ches both boys came back to the business and now they take over the fine agency so well handled by their father.

The increase in the use of gas and oil products over those 29 years, according to Mr. Waldenberger is terrific, doubling itself over and over again.

Their many friends and acquaintances will be pleased to learn that Mr. and Mrs. Waldenberger will retire right here in Vermilion, among their friends and close to their two sons and their families.

## C.W.L. Elect Officers At Annual Meeting

The annual meeting of the C.W.L. was held on Feb. 3 with a good attendance. After the yearly reports, which proved 1954 to be one of great success, were read, a very efficient election and installation of officers took place.

The executive for the new year follows:

President—Mrs. Perrier
1st Vice-Pres.—Mrs. Ross
2nd Vice-Pres.—Mrs. Delainey
3rd Vice-Pres.—Mrs. MacIntyre
Secretary—Mrs. Evans
Treasurer—Mrs. Keating
Councillors — Mrs. [illegible], Mrs. Dyck, Miss M. Killion.
Sick Convener—Mrs. Delainey
Social Convener—Mrs. Ross
Membership—Mrs. MacIntyre
Western Catholic Conv. and Reporter—Mrs. Keating
Spiritual Convener—Miss Killion
Kitchen Conv.—Mrs. Dowling
Press Reporter—Mrs. Edwards.

Activities for month of February include a bake sale, and to cater for a turkey dinner given the Altar boys by Fr. Landrigan.

There is to be a pot luck supper at the next regular meeting March 3rd. All ladies of the parish are cordially invited.

Director Fr. Landrigan in a few well chosen words thanked the past executive for their good work and wished the new executive every success in 1955.

The meeting was then brought to a close and lunch was served.

## "Leaping Up" Ceremony, Scout Hall

An interesting event took place last week in the Scout Hall when Scoutmaster Nankivelle and his Scouts welcomed eight Cubs into the ranks of the Boy Scouts.

The following boys took part in the "leaping up" ceremony: Bert Rinholm, Donald Dixon, Murray Ross, David Ackerman, Robert Park, Norman Wincher, Keith Barr, Henry [illegible].

A number of parents and younger Scouts were present and all thoroughly enjoyed seeing the boys take their first step towards becoming a Boy Scout.

## Former Vermilion Man Collapses, Dies

William Clarence Pullyblank, 57 year old chief provincial government building inspector, died in Camrose hospital Tuesday after being rushed there from his hotel room. His home was in Edmonton.

Mr Pullyblank lived at Islay and then in Vermilion for several years, being at that time employed as the manager of the Superior Lumber Yards.

Mr Pullyblank is believed to have suffered a heart seizure. He had told fellow workers he would be down for breakfast in a few minutes and when he failed to appear they investigated and found him unconscious.

Born in Keen, Ont., Mr Pullyblank came west in 1909 and for several years worked in the retail lumber business at points in the Edmonton district.

He served overseas in the First Great War in the Royal Flying Corps.

He had been with the provincial government for about 20 years, all of this time as an employee of the building inspector's department.

Survivors include his widow; two sons, Kenneth of Edmonton, and Keith of Red Deer, and his father Dr. William Pullyblank of Ponoka.

## Allandale United Church Board Meets

The Allandale United Church board met at the McIntyre home on the evening of Jan. 31st.

The church and grounds were discussed. When the grounds are suitable, landscaping will be undertaken.

Mr Gus Throndson was appointed to see about the windows, casings on the inside, and base boards. The fencing of the grounds will be carried out and before too long the church will have to be re-shingled.

The work so far done on the church is strictly from donations. The kindness of all who donated is much appreciated.

| | |
|---|---|
| Donations to date | $355.15 |
| Expenses: | |
| Moving of the church | $238.00 |
| Cement for foundation | 13.50 |
| Moving church on foundation | 35.00 |
| Transferring land and window pane | 36.75 |
| Floor and nails | [illegible] |

Secy E. M. Connell.

## Wm. Irvine Chosen C.C.F. Candidate

VIKING — William Irvine, of Wetaskiwin, was nominated Saturday as CCF candidate in the coming Battle River-Camrose federal bye-election, the date of which is to be announced.

Four persons were nominated. They were Lars Peterson, Holden; Alfred Arnstsen, Hay Lakes, S. Lefsrud, Viking, and Mr Irvine. Peterson and Lefsrud withdrew [illegible] nominations, leaving it a straight fight between Arnstsen and Irvine.

Mr Irvine is a former UFA member of Parliament, having served in the Commons for 18 years. He was at one time a member of the so-called "ginger group," named because of its radical speeches.

Jas. A. Smith, Kitscoty high school principal, was elected Social Credit candidate on Feb. 2nd. Liberals will nominate on Feb. 16th.

HOME HOCKEY GAMES

Saturday, Feb. 12 — Gas Kings vs. Tigers:
Wednesday, Feb. 16 — Rangers vs. Tigers.

## Third Period Rally Beats Tigers

A third period rally which netted the up and coming St Paul Hornets three goals spelled defeat for the Tigers on Wednesday night by a score of 3 to 2. The game was a good one, fast and clean throughout. St Paul now has a team of which they can well be proud, well coached, fast skaters, clean and sporty. The Tigers went into the final period with a 2-0 lead but could not hold the buzzing Hornets.

Actually the score was 3-all as referee Scotty Munroe for some reason known only to himself, over ruled the goal judge and declared that Elmer Kreller's shot in the first period did not enter the net. Actually the shot hit the inside of the post on the goalie's left side angled to the back of the net and hit the bottom bar, coming out on the other side. Everyone saw this but Scotty, who held some theory that the puck could not enter the net and come out at the angle it did. Several people showed Scotty just what did happen but it was too late even if he did chang his mind. The result was that the goal loomed large in the final result of the game. More than that it could mean the difference between Vermilion getting into the play-offs.

The above goal was the first scored in the game early in the first period. After the halfway mark Chryzanowski scored, assisted by Sherban, while before the period ended Lowrie made it 2-0 for the Tigers when he completed a three-way play with Leo Leahy and Freckleton. This however ended the Tigers' scoring for the game.

Early in the second Les Williams was benched for holding and La Porte rose to great heights to keep the Hornets at bay. Johnny was consistently good all through the game but was terrific at this particular time.

It was the third that proved the undoing of the Tigers. Melenchuk started things when he polished off a rush with Dehid and Hryciw. The game was tied up a little later Dion getting one on Richard's pass. Just when it looked as if the encounter would have to go into overtime Hryciw notched a pass from Dehid and Melenchuk.

Coach Kreller pulled his goalie in the final seconds.

The first cold night of the winter kept the crowd at home, [illegible] being only 191 cash customers on hand to witness a fast exciting encounter.

Scotty Munroe of Edmonton and Russ Carroll, Vermilion, officiated.

**Hornets Win at Wainwright**

The Hornets drubbed Wainwright Commandos 6-1 at Wainwright last Saturday.

HORNETS — Gauthier, Skakun, Blanchett, Labouceane, Dion, Richard and Dehid, Delisle, Hryciw, Melenchuk, Valliere.

TIGERS — La Porte, Kreller, L. Williams, B. Williams, Cooper, Novak, Schmidt, Barr, Sherban, Lowrie, Leahy, Ewen, Chryzanowski, Freckleton.

Summary — 1st period: Chryzanowski (Sherban, Lowrie, Leahy, Freckleton). Pen Ba[illegible].

2nd — Pen Hryciw, L. Williams, Dion.

3rd — Melenchuk (Dehid, Hryciw), Dion (Richard), Hryciw (Dehid, Melenchuk). Pen Skakun.

## Tigers Lose at Viking

Playing minus the services of Schmidt, Cooper and Footz, all at home with the flu, the Tigers absorbed an 11-3 trimming at the hands of the league leading Gas Kings at Viking last Saturday night.

## Wally Footz Bereaved By Death of Brother

Wally Footz of the C.N.R. depot staff was bereaved on Wednesday by the death of his brother Peter Footz at Smoky Lake. Peter was assistant serviceman for Canadian Utilities and while details are lacking it is believed death was by electrocution.

## Death of Mrs. Anna Koren, of Rusylvia

On February 8, Mrs. Anna Koren of Rusylvia passed away in Elk Point hospital at the age of 73. She is survived by three sons and eight daughters, Joseph of Egremont; Eddie of Beauvallon, Frank of Rusylvia, Mrs. Louise Robinson of Vermilion, Mrs. Mary Nowosad of Rusylvia, Mrs. Nellie Hurst of Tompkins, Sask., Mrs. Caroline Jepson of Port Coquitlam, B.C., Mrs. Steve Bose of Thoald South, Ont.; Mrs. Albina Roy of South Edmonton; Mrs. Lena Hleser of Edmonton and Mrs. Josephine Johnson of Elk Point. There are 43 grandchildren.

Funeral services will be held on Saturday, Feb. 12th at 10:30 a.m. in the St. Andrew's Catholic church, Rev. Father Stewart will officiate and interment will be made in the church cemetery.

GREY CUP FILM

The Knights of Columbus are bringing the Grey Cup football film to Vermilion on Thursday, Feb. 17. This will be shown to the public and high school students during the afternoon.

## Canadian Legion Notes

The February meeting of Vermilion Branch Canadian Legion will be held on Friday, Feb. 18 instead of on Monday as usual. Members please take note.

At the Zone rally held in Vegreville on Feb. 2, Bob Allan of Vermilion Branch was elected Zone Commander for the year 1955. This is a big Zone and a big job but we think Bob is big enough to look after it.

The Legion Polio Fund canvass is going along very well. It would appear however that not as much money will be collected as a year ago. George Martin, chairman of this committee would be very grateful if canvassers would finish up. He also asks that anyone who has been missed in the canvass and who would like to contribute to bring in a donation to the secretary's office (E. H. Buckingham).

Regarding country donors the committee wishes to say that it thanks one farmer from south of town who brought in a ten dollar bill this week.

Just because no polio cases have been reported in this area for several months does not mean that everyone struck down in recent years is entirely cured. A few days ago a cheque for $[illegible] was handed to one needy family in this district.

*MR. RATEPAYER — IT'S YOUR MEETING—*

Town and hospital business affairs as conducted for the past year will be fully reviewed and discussed at the annual meeting of ratepayers scheduled for Monday evening Feb. 14 in the Elks hall. Somewhat of a crisis is faced in town government circles this year due to the fact that the council will lose the services of an experienced mayor while at present it appears that there will be three and maybe four vacancies on the council. The council is comprised of seven members including the mayor so that the majority of that body will have to be elected this year, presenting an unusual situation. Citizens should give this condition their studied attention so that nominations can be decided upon well in advance and not completed in a hurry on nomination day.

*CONTENTMENT OR OBLIVION—*

Exactly eight citizens attended the annual meeting of School Division No. 6 last Friday evening. This is the occasion during which the activities of the entire school division are dealt with generally involving a total expenditure of $712,540.13, and more particularly the affairs of subdivision No. 6, in other words the Town of Vermilion School District, where expenditures for the year exceed $100,000.

Education of the rising generation is regarded as the most important business in the world yet in Vermilion only eight attend a meeting called yearly to discuss education in all its phases. It could be absolute contentment with the manner in which the educational matters are conducted and administered in Vermilion or, and this is the most likely, the rest of the citizens are simply entirely oblivious to school matters.

*RESEARCH WORKS WITH THE FARMER—*

Probably no other industry in Canada has as much research directed towards increasing its efficiency as agriculture. Hundreds of workers from coast to coast at federal and provincial experimental farms and research laboratories are making intensive studies of a wide variety of agricultural problems. These range from studies in animal nutrition to development of disease resistant crops; from soil conservation to woodlot management; from the effects of soil [illegible] to the economics of recently developed pest control chemicals.

In universities and at science service laboratories answers are being sought to questions such as: How do insects develop resistance to insecticides? Can some of the diseases affecting plants and livestock be reduced by feeding trace minerals? A new tool has been placed in the scientists' hands — radio active tracers — which makes certain phases of their work infinitely easier.

Industry too is playing its part by providing better fertilizers and more effective chemicals for killing weeds and insects. Test plots are maintained to study how industrial products can best be used to increase crop yields and provide more abundant food supplies for all Canadians.

Once the work of research has borne fruit, the information is passed to the farmer in many ways. The story is told in the weekly and daily newspapers and farm magazines, over the radio and on television. Pamphlets and motion pictures are made easily available to junior farmer short courses and adult study classes.

What other Canadian business can boast of such intensive interest in performing a good job still better?

## By Your District Agriculturist

# "GREEN ACRES"

**HATCHING EGG FLOCKS**

There are 885 farmers in Alberta producing eggs for hatcheries but only 13 in this district. Anyone who buys chicks must think that this is a money-making business. Everyone can do it as long as they comply with the regulations. Some of you poultry men ought to think about it.

**NEW PUBLICATION**

I have just received a supply of a new publication entitled "Alberta Department of Agriculture, its Functions and Services." There are 46 pages and it is well illustrated. Get your copy from this office.

**LAST CALL FOR TREES**

The Supervisor of Horticulture for Alberta reports that he can still take orders for Caragana, Green Ash, Manitoba Maple and Lodge [illegible] Pine, also cuttings of Russian Poplar. It is required that the land was summerfallowed in 1954. Applications are available from this office.

**DWARFISM IN CATTLE**

Really there are very few cases of dwarfism in Canada. Bulls and cows may be carriers of this characteristic but only when they are mated together are stunted animals born. Then it is a case of only one in four births. When an animal proves to be a dwarf both the sire and dam should be discarded and the herd watched for further cases.

**HARD PAN AND PLOW SOLE**

Many farmers believe that once in a while chisel-toothed cultivators should be used to a depth up to 24 inches to break up the hard pan. Many trials have been made all over United States and Canada but the results show that the increase in yields did not pay for the cost of deep tillage. Grass and Alfalfa are a far better and cheaper means of breaking up the plow sole.

**FEEDING FOR 'A' GRADE**

A good many more 'A' grade pigs would be marketed from this district if farmers would feed a heavy ration up to 150 pounds and then finish the pigs on half barley and half oats until the pigs are up to 200 pounds. This method seems to slow up the lay-on of back fat which is one of the chief reasons for lower grades.

Some 110,374 TV sets were sold in Canada in the first quarter of 1954, some 63% ahead of the 1953 figure.

In the first quarter of 1954, 461 Canadians met death and another 10,385 were injured on the nation's highways.

Two feature-length films were made in Canada during 1953, one in Quebec and one in Ontario.

# INDUSTRIES ASSURED IN ALBERTA

The Department of Industries and Labour carries many varied responsibilities. It takes an essential part in the development of industry throughout Alberta and in creating improved conditions affecting the whole economy of the Province.

One of the chief duties of the Department is the maintenance of harmonious relations between labour and management. A special branch—the Board of Industrial Relations—administers the Alberta Labour Act, which in itself has gained wide recognition as outstanding legislation of its kind. By its provisions, the Board of Industrial Relations has jurisdiction over such matters as minimum wages, hours of work, holiday and overtime pay, as well as general conditions affecting the welfare of the worker. The Act applies to all employers and employees in the province except farm labour and domestic servants.

Full collective bargaining rights are guaranteed under the Act and the procedure for settling disputes through negotiation, conciliation and arbitration is carefully outlined.

Alberta's record is singularly free from strike action. There have been relatively few major disputes. The department gives careful consideration to the problems of both labour and management.

In Alberta, with its marked industrial expansion, an adequate supply of skilled labour is essential. The training of young men and women for designated trades is the responsibility of the Apprenticeship Board and is a joint undertaking of the Provincial and Federal Governments. In relation to population, more apprentices are being trained in Alberta than in any other Canadian province.

The Co-operative Activities Branch of the department supervises all types of co-operatives in Alberta. These include rural electrification associations, producer co-operatives, livestock feeder associations and credit unions.

Special reference should be made to the Rural Electrification Associations through which farmers build power lines and electrify their farms. Assisted by the Co-operative Activities Branch, these associations have scored a remarkable record, with between five and six thousand additional farms being electrified each year. Total number is now well over 28,000 — an increase of some 14,000 since 1948.

A revolving fund of $10,000,000 has been made available by the Alberta Government, from which Rural Electrification Associations may borrow as much as 85% of the money needed to finance the building of their lines.

The Alberta Power Commission, charged with the general supervision and encouragement of all matters relating to electric power in the province, functions as a branch of the Department of Industries and Labour.

The Provincial Marketing Board, another branch, is empowered to provide producers, manufacturers, distributors and consumers with the means of buying and selling goods at fair and equitable prices. Its policy of buying raw materials in mass quantities may be applied where necessary, and is of great benefit to the small Alberta manufacturer.

Three special inspection services, designed to protect life and property, are conducted by other branches of the department. These are inspections of boilers and pressure vessels by the Boilers Branch, installation and appliances by the Electrical Protection Branch, (and under the provisions of the Factories Act) grain elevators, freight and passenger elevators and oil drilling rigs. The Factories Act also covers such matters as sanitary regulations and fire prevention.

Another division of the Department of Industries and Labour is the Bureau of Statistics. The function of the bureau is to collect and compile statistics of value not only to the various departments of government but to the public in general.

GOVERNMENT OF THE PROVINCE OF ALBERTA

**STROME RINK WINS SECOND PRIZE AT DERWENT**

The Ort Strome rink won second prize in the Grand Challenge at the Derwent Farmers' spiel last week. Bill Keller of Elk Point was winner of the main event.

# To Attend Conference Of Store Managers

Charlie Upshall, manager of the local Macleod's store, will leave Vermilion Feb. 13 to attend the Company's 1955 merchandising conference to be held in Calgary, Feb. 14 to 17 at the Palliser hotel. The conference will be attended by Macleods store managers and district supervisors from Alberta and Western Saskatchewan. The conference will follow a training and familiarization program for those attending in order that Macleods store personnel will be thoroughly conversant with the latest lines of merchandise, modern merchandising methods, buying trends and customer service. Mr. Upshall will be accompanied to Calgary by Mr. Wilf Elliott of Macleods store here, who will also be attending the conference.

# Kitscoty News

Congratulations are extended to Mr. James A. Smith, who was elected Social Credit candidate for the Battle River-Camrose constituency at the nominating convention in Viking on Feb. 2.

Best wishes for a speedy recovery are extended to Rev. Andrew Potter who is a patient in Islay hospital.

We are pleased to report little Miss Eileene Parkin is back at school after being in hospital and at home for over three months with a broken thigh bone.

Mr. and Mrs. R. Milligan and Robert of Edmonton visited with Mr. and Mrs. Henry Joy and family during the week end.

Mr. R. M. Mathewson, Sgt. and Mrs. K. Tinney, all of Edmonton, and Mr. and Mrs. George Mathewson and Isabel of Heath visited here with Mrs. Mathewson during the week end.

Mrs. James McCorry and Sheila were Edmonton visitors last week end.

Mr. and Mrs. D. Tramere of Edgerton visited with Mr. and Mrs. E. Joy last week.

The L.A. of Canadian Legion, Kitscoty Branch Post 158 are holding a tea and home cooking sale in the Tracy Memorial hall on Friday Feb. 11. The proceeds will go toward the Polio fund. Be sure to come and bring a friend. Everybody welcome.

*POTENT SUBSTANCE FOR THE TREATMENT OF ANEMIA—*

Crystalline Vitamin B12, the newest and most potent substance yet discovered for the treatment of anemia, is now being produced at the plant of Merck & Co., Ltd., manufacturing chemists in Valleyfield, Que.

In 1948 research workers in the Merck Research Laboratories announced the isolation of a red crystalline compound from liver. This compound in minute quantities, produced amazing results in the treatment of pernicious anemia. It has rapidly replaced liver therapy for this dreaded disease.

In Merck's Valleyfield plant, Crystalline Vitamin B12 is produced by fermentation in a similar manner to penicillin and streptomycin. This is followed by a complex series of separation and purification steps until the tiny blood-red crystals are isolated.

Production of the plant goes to pharmaceutical manufacturers for inclusion in tonics and prescription specialities. A further quantity is supplied to manufacturers of animal [illegible]

# Princess Anne W.I.

The regular monthly meeting was held at the home of Mrs. Ralph Reeves on Monday, Feb. 7. The vice-president was in the chair.

For roll call each member made a donation for "Operation Cod Fish for Korea", the amount being $8.25.

Report was given on the card party held at Island Hill on Friday, Feb. 4th.

Plans were made for another card party to be held in Campbell Lake school Friday, Feb. 11.

The topic for the afternoon was on present day methods of education. The paper was based on the "Curriculum News Letter" published by the Department of Education. This topic was capably handled by Mrs. Ralph Strome. A lively discussion period followed.

Mrs. Geo. Richardson had charge of the social for the afternoon. This was the matching of magazine ads with the products they advertised. This resulted in a three-way tie, Mrs. Dollman winning the draw.

The meeting adjourned with "God Save the Queen".

Mrs. West and Mrs. R. Strome, on behalf of Mrs. Parchewsky, served lunch.

The next meeting, March 7 will be at the home of Mrs. Richardson, Mrs. Dollman and Mrs. McKay to serve lunch.

New gold production available for export from Canada in 1953 totalled [illegible]

# Hockey Chit - Chat

*by GERRY MARSHALL*

What happened to the Tigers? This is a current topic at Coffee Row. Just when the Bengals seemed to be pulling out of their slump, poof! They are right back in it again, and how! Last week the Tigers took two of the worst lacings the club has had in the last two seasons. A 7-2 beating at the hands of the smoothest Ranger team to come out of Vegreville in a long time and then an 11-3 trouncing at Viking.

The Tigers certainly aren't this much poorer than the other teams, they are simply not digging hard enough and are playing a poor style of hockey. The team played a very listless game against Veg and were never really in the running. Lesnik, the very capable Vegreville net custodian met every Tiger thrust with the right answer and seemed to have no trouble at all throughout. From the point of view of the paying customers the game must have appeared rather ragged.

Saturday the Gas Kings were never in trouble while smothering a very short-handed Tiger crew. The 'rugged' team from the gas town literally 'cooked with gas' and the Tigers looked hopeless in trying to snuff out the flame.

Work and practice seem to be the only answers if the Tigers want to make a showing in the play-offs. Very likely the Tigers will be paired off against Veg (the only team they haven't gained a point off of this season) and if so, the Rangers may finally get into the league finals. Let's hope not — but you have to face it, something drastic has to change in the Tigers' Den or the locals will be watching the finals from the sidelines.

*HOCKEY GLANCES*

The minor teams of Vermilion have been quite active over the last month and show promising records. The Kinsmen Midgets have lost three games, one close and the other two — well, not so close, but the players with their good coaching soon should hit the victory trail and live up to the reputation of previous teams.

The Pee-Wee All Stars have done themselves proud by winning 2 of three games against outside opposition and the self-sponsored and self-coached Juveniles have dropped only one contest in four played (all out of town games). These teams are a core for future Tigers and show lots of promising material.

Back to Senior hockey the game Saturday night against the visiting Gas Kings should be a thriller. It is rumored Jim Ferguson may come back. If so he would help the Tigers out no end in avenging their loss at Viking.

HOME HOCKEY GAMES

Saturday, Feb. 12 — Gas Kings vs. Tigers;

Wednesday, Feb. 16 — Rangers vs. Tigers.

# WILDMERE WINKS

We are pleased to hear that Mr. A. Frissell of Vermilion is home again and feeling fine after his recent operation. Joe Winter and Henry Bretcher are both hospital patients, also Mrs. H. Teasdale. To you all we wish a speedy recovery to health.

One of our good neighbors Mr. Guy Whitlock had to be taken to the hospital early Sunday morning. At last report he was feeling some better. A speedy recovery Guy is wished you by your many friends.

Last week we omitted mentioning the splendid show put on by our local agents of the John Deere Co. It really was good and the large crowds at both shows spoke highly of it. The lunch given away was tremendous too. Congratulations to Messrs. Hines & Delainey and to any others who helped make the day such a huge success.

Our rink of lady curlers skipped by Mrs. R. Martin, with Mrs. Gibson, Mrs. Cruthers and Miss Besse won third prize in the second event at the ladies' spiel in Vermilion. Congratulations ladies.

While on the subject of curling Cliff Cruthers was on the Jimmie Cameron rink at the Ross Creek bonspiel last week end. They did not win anything but enjoyed some good curling in the new rink just recently completed there.

Still on sport Basswood hockey team won their game on Sunday afternoon in Vermilion from the team coached by Sammy Little from north of town. Well done boys. They report a nice clean, friendly game. Tonight (Tuesday) they are scheduled to play a college team on the college rink.

Mrs. W. T. Garnett and baby daughter Kathleen Mary, came home from the hospital on Saturday, both feeling well.

In a recent letter Mr. Laboucane of Wildmere had from Aubrey Rendell, the latter had sold his house at the coast and just had the furniture to sell and then he figured on coming back to Wildmere again. Long standing roots are hard to pull up Aubrey and we all will be glad to see him again.

Chicken pox and mumps are still on the go. Jenny, Maureen Allister, Wendy and Billie Cruthers all had them last week. Harvey Haines and Mrs. Robert Smith, William and Edward Haines have mumps.

Congratulations to Peggy Graham, Doreen Stone and Marlen Pilkie all from Vermilion on starting on the last year of training for nurses. Time flies by and before you know it you will be graduating. A day at first some thought would never come.

Remember folks, this is White Cane Week. Give a helping hand when needed.

Here is good sound advice and something to heed. Stop saving seconds when driving. Save lives. The life you save may be your own!

*IN MEMORIAM*

In fond and loving memory of *EILEEN*

The love of God, which took thee
does not sever
He only wounds to bind more
close together
Therefore we wait with hope
that never falters
The consummation of a love that
never alters."

## Alberta Safety Council Plans Meeting In Vermilion Feb. 16th

A comprehensive survey to determine the safety needs of Alberta towns and rural centres has been undertaken by the Alberta Safety Council.

In launching its 1955 campaign against traffic hazards, the Safety Council will seek first hand information on conditions. It will contact municipal authorities, the boards of trade and other groups to ascertain the nature of the safety problems in their respective communities and type of campaign needed.

Paul Lawrence, safety director for the ASC, announced recently that letters have been sent to the mayors and secretaries of towns and municipalities to inform them of the present effort. Various other organizations will also be notified, so that they will have an opportunity to express their views on local needs.

In this way, there will be a good volume of suggestions assembled, which will be a valuable guide to the Safety Council in carrying on its fight this year against motor vehicle and other accidents. Furthermore, it will give greater impetus to the trend toward a lower accident rate, which was revealed in 1954.

Robert M. Hume of the Alberta Safety Council will make the survey, visiting various towns and meeting officials and other citizens.

On Tuesday, Feb. 15, Mr. Hume will visit Derwent. Two Hills, Hairy Hill, Bruderheim, Mundare, Vegreville, Innisfree, Mannville, and on Vermilion where a night meeting is being arranged.

Last year the Alberta Safety Council sponsored a Courtesy Campaign opening at the end of June, in which more than 30 cities, towns, villages, hamlets and municipal districts took part. In the fall and winter, it staged a safe walking and driving campaign under the slogan "Death Begins at Dusk" which also was marked with success.

Last year, 84% of the fatalities in motor accidents occurred on the rural roads. Furthermore, 62% of the injuries last year were on highways outside of urban centres. These figures underline the need for the promotion of safety to the greatest degree possible in rural areas, in the opinion of the Safety Council.

BABY & PRE-SCHOOL CLINIC

Monday, Feb. 14 — Legion Hall, Vermilion 2 to 4 p.m.

Tuesday, Feb. 15 — Ranfurly hotel 10 to 12 noon; Clinic 2:30 to 3:30 p.m.

# The Vermilion Standard

## New Canadian Citizens Are Introduced At Board of Trade

At the regular meeting of the Board of Trade held on Wednesday, Feb. 2nd, Mr. Mitchell Taylor, chairman of the National Affairs committee, reported he had attended at the Court House on February 1st at the sittings of the District Court, when eleven persons received their Certificates of Canadian Citizenship. Mr. Taylor stated on behalf of the Board he had invited the new citizens to today's luncheon and that Mr. Adrienne Paris de Jong of Chandendall, and Mr. Anton Nowsad of Rzajytis, were present and he had pleasure in introducing them to the Board.

The chairman then congratulated Mr. de Jong and Mr. Nowsad on their attainment of Canadian citizenship and stated the Board was very glad to have them present as our guests today. He also stated they would be welcome to attend any of our Wednesday luncheons if they happened in Vermilion.

The president, Dr. Ben King, said he wished to extend the thanks and appreciation of the Board to Mr. Georg Conrad for taking pictures of the annual meeting and directed the secretary-treasurer to write to Mr. Conrad, thanking him.

It was decided to order 100 Canadian Chamber of Commerce stickers from the Canadian Chamber of Commerce.

The chairman then quoted excerpts from the Alberta Bulletin of the Alberta Associated Chambers of Commerce and Agriculture for November and December, 1954, which he thought might be of interest to the board members, and in particular he noticed that representatives of the Association had a meeting with the full provincial cabinet on Oct. 18th regarding various matters of provincial concern, which was probably the best and most useful meeting in the history of the Association. Premier Manning, after the meeting had said of the Association: "You cannot come too often for us."

It was also noted that the Association had a membership of community organizations such as the Boards of Trade, Chambers of Commerce, etc., of 112.

A letter was read from Don F. Mariott, Executive Secretary of the Edmonton Chamber of Commerce, congratulating Dr. King on his election to President of the Vermilion Board of Trade and expressing the hope that the Board would have an active year.

The chairman intimated to the various committee chairmen that he would expect written reports delivered to the secretary-treasurer of the plans made by each Committee for the year 1955.

The Entertainment Committee was instructed to arrange for welcome cards and the delivery of the same by members of the Board to bonspiel visitors at the Vermilion Bonspiel, Feb. 21st to 24th.

The chairman announced that henceforth there would be no Executive meeting of the Board the first Wednesday in each month following the Wednesday luncheon.

## "Respect For Law" Main Topic At Home and School Meeting

The January meeting of the Vermilion Home and School Association was held in the Junior high school Jan. 25. Attendance was down, as only about 65 parents and visitors were present.

In the absence of the President, Mr. E. Clendenning, Dr. D. Hanlan the Vice-President, presided.

A suggestion box was placed in the corridor with forms available that could be filled in. This is the first time for some years that suggestion boxes have been used, but it is planned to use this method at all future meetings. The members of the executive hope to receive many valuable suggestions topics for discussion and other information from the suggestion box.

Dr. Hanlan mentioned the sending of delegates to the annual convention at the Banff School of Fine Arts April 26 to 29. It is to be hoped that at least one or two of the members will be able to find the time to attend this convention.

The present school hours seem to be very satisfactory and general approval was expressed by both teachers and parents. Some parents would like to see three school hours remain in effect until Easter, but this topic was deferred until the February meeting.

A very interesting film entitled, "Why We Respect the Law" was shown, and served as a topic for discussion. The subject matter, as the title implies, was centred around the basic causes of disrespect for law. Condoning by parents of very minor thefts around the home, and the rather common practice of exceeding the road speed limits while driving were given as examples to a child of lack of respect for our laws. Then, as the child grows up, there is a definite possibility of more serious law infractions resulting in jail sentences.

The discussion on this film resulted in a secondary discussion on Saturday afternoon films which show various types of crimes being committed and their effect on child audiences. As a result of this, our theatre manager, Mr. Nick Kowalchuk, has been invited to attend the February meeting to take part in the discussion.

In the group discussions Miss Grey reported for the Primary group. This group thought that parents should be informed of more serious law infractions by their children, and that in every case the child should be permitted to tell his side of the story.

Mrs. Taylor reported for the Elementary group. In this report it was pointed out that some children had difficulty mastering sight reading and it was thought that they would progress more quickly under the phonic system.

Although all groups agreed that films should be shown to the school children, Mr. Cosh pointed out that the children see many films of a similar type but would offer his services in this connection. He also suggested that some of the school films would be of interest to the parents.

Mrs. Scott reported for the Junior high school group. Some time was spent in discussing the credit system in the high schools. Another thought was that since home environment is the most powerful influence in child training, instruction in honesty should begin early.

The High school group thought that the film was of value, although Mr. Metcalfe in reporting for them agreed that petty theft was not a current issue in either of these schools. A point of some importance was that high school students should account for days absent, and that frequent absences should be reported to their parents.

The 'Attendance Shield' was presented to Miss Grey for the Primary school.

After the closing convention lunch was served.

The February meeting will be held on Feb 22 at the Junior high school.

BOX 190,
Marwayne, Alberta.

The Editor,
The Vermilion Standard.

Dear Mr. Cooper:

"In connection with the Golden Jubilee displays. The painting of Lac Park displayed in the window of Stephens' store recently (and the salient if kindly commented in your paper) will be part of an exhibition during the coming months.

I wonder if you would be able to assist me in locating other settlers and business men who landed on the sandbar at the mouth of the Vermilion River during 1906 or later? This information is desired for a chart of historical data in this neighborhood based on the old map showing the chain of forts and trading posts immediately adjoining both east and west sides of Fort Vermilion along the North Saskatchewan River. 1780 A.D Buckingham House, Frog Lake House, and Fort Pitt and 1788 A.D. Manchester House. A case of "The, 50 Years Ago, and Now".

Your cooperation will be very much appreciated.

Yours sincerely,
Rosina Dudley.

*EDITOR'S NOTE:* Old timers able to supply information is Mrs. Dudlyze in this interesting and very worthy Jubilee Year project should contact her by writing to Box 190, Marwayne.

Cancer, credited with 17,710 deaths, killed nearly four times as many Canadians in 1952 as all other diseases combined.

The Canadian National Railways now use machines to change ties, lay rails, throw switches, control trains and many other jobs formerly done by hand.

## Tips on Touring

By Carol Lane
Women's Travel Authority

Next to your home, your automobile represents the largest single investment of your family — and like any important investment, it should be protected.

1. If you have a garage, never leave the car out overnight. Over a period of years a sheltered car will show far less wear and tear than one constantly exposed to the weather.

2. Treat your engine with respect. Always let the engine warm up a minute or two before driving off; always start in low gear, not in second; when the engine is laboring on steep grades, shift to second gear; keep an eye on the dashboard instruments to avoid trouble.

3. Be sensible about speed. Excessive speed is hard on your car, especially if it is old. And at 60 miles per hour you get far less gasoline mileage than at a more reasonable 40 miles per hour.

4. The majority of accidents, from dented fenders to total wrecks, could have been avoided. Obey every traffic regulation and make it a standing rule to give the other fellow the right of way.

5. Some service stations offer thorough check-up jobs, free, when your car is lubricated every 1000 miles. Take advantage of this service because a minor repair or adjustment now may prevent an accident or heavy repair bills later.

These simple rules will more than double the dividends on your car investment.

**KEEP UP WITH NEW VARIETIES**

New varieties of cereals are being developed in Western Canada every year. Each new variety is the result of years of careful crossing and selection, the main object of which is to develop varieties that will be more profitable for the Western farmer to grow. Before any variety can be licensed, however, it must have one or more characteristics that are a definite improvement over existing varieties. Such characteristics may include higher yield, better disease resistance, stronger straw, higher quality, early maturity etc.

*Conditions Vary.* In an area as large as the three Prairie Provinces naturally soil and climatic conditions vary widely. No one variety is likely to do well throughout the area. Therefore, it is important to choose varieties that are well adapted to the soil climatic zone in which they are to be grown. Don't grow a variety just because it is new but only if it will perform better under your local conditions than the variety you are growing at present.

*Value of Varieties Lost.* While some farmers promptly accept and grow the improved varieties many ignore them completely. A survey of the cereal varieties currently grown in the Prairie Provinces shows that many old, outdated sorts still occupy a fairly large percentage of the crop area. Many farmers still grow them against the advice of cereal varietal committees set up in each of the three prairie provinces to study and recommend suitable varieties, and in spite of the fact that their neighbours may be growing better ones.

Many new high yielding, disease resistant varieties of the small grain crops have been developed in the past few years. They should be more widely used by farmers. Get the advice of your local Agricultural Representative or District Agriculturist, and start now to grow the varieties best suited to your own district.

# LOCAL NEWS

Friends will be greatly interested to learn of the marriage in Calgary on Jan. 29 of Mr. Harvey Brown of Vermilion and Miss Shirley Stevenson of Delia, Alberta. Mr. Jim McKay was best man. Following the church wedding the happy young couple left for a two weeks' honeymoon trip to Ione, Washington and Spokane. The newlyweds intend to make their home on the farm in the Cummings district.

Mrs. C. A. Johnson, Mrs. F. G. Miller and Rev. W. Adam of Elk Point were all in Vermilion for the meeting of the Presbytery of St. Paul held last Thursday and Friday.

I. Miller is away on a holiday trip which took him to Toronto, Boston, while at present he is in California.

John Knight is in Edmonton this week attending a three day conference of Co-operative store managers from all over Alberta.

George C. Webb returned during the week from a trip which took him as far south as San Diego, Calif., in company with Ed Hart. The trip southward was made by car. Ed remained in the States for a longer visit with relatives. On his way home George was accompanied from Calgary by his brother John who is visiting here this week.

The following additional memorial donations have been received in memory of the late Mr. Cecil King: Anglican Church Building fund — George McPhee; Mr. and Mrs. H. B. Evans and Elinor; Mrs. R. Clark and family; Rowe and Sons; Mr. and Mrs. E. H. Buckingham; Mr. and Mrs. John Knight and family. Cancer Society — Mr. and Mrs. Robert H. Martin; Mr. and Mrs. John H. Batke; Mr. and Mrs. Frank H. Gibson.

Mr. and Mrs. Cliff Hollen wish to announce the engagement of their daughter Enid Mae to Hugh Dawson Shepherd, eldest son of Mr. and Mrs. Will Shepherd.

J. H. Tovell leaves this Thursday for Eastern Canada with destination Toronto. The trip is being made by Canadian National.

Noticed home from Varsity last week end were Miss Betty Bentley, Miss Noreen Dougan and Miss Anne Martin.

BROWNIE-GUIDE MOTHERS
A meeting of Brownie and Guide mothers will be held in the Scout hall on Wednesday Feb. 16 at 2:30 p.m. sharp. 32x

ST. SAVIOUR'S W. A.
St. Saviour's W.A. will hold a business meeting in the parish hall on Thursday Feb. 17 at 3 p.m.

CHATSWORTH MEETING
A meeting of the Chatsworth F.U.A. local and Chatsworth Community centre will be held at the Chatsworth school on Feb. 14 at 8 p.m. 32x

CLANDONALD HALL
At the Clandonald hall this week end Fri. and Sat. Feb. 11 and 12 — "Sky Full of Moon" a comedy with Carleton Carpenter, Jan Sterling, Keenan Wynn; Mon. and Tues., Feb. 14 and 15 — two shows 7:30 and 9:30 "Genevieve", a good comedy starring Dina Sheridan, John Gregson and Kal Kendall. Next week end Feb. 18 and 19 "Atomic City". News reel each week. 32x

DERWENT THEATRE
Showing at the Derwent theatre Sat. Feb. 12 and Mon. Feb. 14, "The Stooge", with Dean Martin and Jerry Lewis in a laugh riot; Wed. and Thurs. Feb. 16 and 17 "The Outriders" in color starring Joel McCrea and Arlene Dahl; Sat. and Mon. Feb. 19 and 21 "My Cousin Rachel", a powerful drama. 32x

## Mannville & District

At time of writing the Ladies' bonspiel is in full swing, with 9 visiting rinks. Happy Centre W.I. catered for the banquet on Tuesday evening and the ladies enjoyed a sumptuous turkey dinner with all the trimmings. The W.A. of the United church are serving lunches at the rink.

An accident west of town late Tuesday afternoon sent three people to the hospital. The car driven by Danny Swain was in collision with a truck driven by Mrs. Frank Linkivech. Mrs. Linkivech suffered shock but Danny and his father Cleland Swain, a passenger, were cut about the face and head. Mr. C. Swain was detained in hospital over night but the other two were allowed to return home. The car is badly smashed and the truck damaged. No other details are known at time of writing.

Mrs. C. Mercer of Edmonton is visiting this week with her daughter and family Mr. and Mrs. Jack Coxford.

Mrs. Renspies Sr. is a patient in the local hospital suffering with pneumonia but is somewhat improved at last report.

Mrs. B. A. French was honored on her 77th birthday at a family party at the home of her granddaughter Mrs. Joe Melnychuk. A three-tiered birthday cake, birthday wishes and gifts made this a happy occasion for Mrs. French.

Mr. Willie Syer was the recipient of a gift of a watch from friends in the Bruce district prior to his departure for Montreal where he plans to study television.

Mr. E. C. McPhee is returning home from the hospital this week after spending some time there. He is much improved.

Don't forget the Variety concert in the Orange hall on Friday, Feb. 11th. It is sponsored by Christ church vestry and will feature two half hour plays as well as vocal and instrumental numbers.

## Claysmore Clippings

Mr. and Mrs. H. Williamson and Mr. and Mrs. M. Woywitka were hosts for the card party at the school Friday night. Five tables of whist were played with Mrs. O. Willes winning first and Mrs. Mytrunek the consolation. For the men the winners were Bill Woywitka and Peter Krushinsky the consolation. After lunch dancing was enjoyed for an hour or two with the Willes orchestra kindly supplying the music.

There have been numerous cases of the flu around the neighborhood the past week or two. Almost every house has had someone ill. It is hoped that the worst of the siege is past and that those who are ill will soon be up and around again.

Everyone is glad to see Mr. and Mrs. Art Bauer back in the Claysmore district.

The W.I. will hold the February meeting at the home of Mrs. O. Willes on Wednesday, Feb. 9.

## Mannville Man Dies In Vegreville

MANNVILLE — Mr. Philip Goshko passed away in Vegreville where he moved from Mannville last fall. He had been in ill health for several months.

Mr. Goshko was born in Austria in 1885 and came to Canada when he was 22. In 1904 he married Pauline Kotlarchuk of Lavoy and farmed in the Stubno district until he moved to Mannville in 1941.

He is survived by his wife, four sons, John, Peter, James and Edward, two daughters, Mrs. John Nowitsky, and Mary. There are five grandchildren.

Funeral arrangements are by Park Memorial of Vegreville where the funeral will be on Thursday.

## Dewberry High Trims Midgets

A team of hockey players from the Dewberry high school sparked by Ernie Braithwaite and coached and managed by Angus Smith and Neil Jones proved too much for the local Midgets at the Vermilion arena last Saturday night and went home with a 10-4 victory.

Featuring in the Dewberry scoring were Eddie Timanson, Glen Ewen, Jimmy Jones, Eddie Wowk and Ernie Braithwaite.

For Vermilion Brian Ford tallied two, Lawrence Watkins one and Rod McDonell one.

DEWBERRY — Ed Jones, Wayne Jones, Wendell Elliott, John Machan, Lorne Braithwaite, Ernie Braithwaite, Glenn Ewen, Jim Jones, Rudy Holmen, Lorne Timanson, Eddie Wowk, Floyd Wood, [illegible].

VERMILION — Tom McPherson and Laverne Smith, Geo. Martin, Ray Marfleet, Wayne Ireland, Lee Coyne, Pat Bentley, Lawrence Watkins, Brian Ford, Jim Grant, Rod MacDonell.

"THE MOON IS BLUE"

"The Moon Is Blue" will be shown at the Columbia theatre Feb. 14, 15 and 16. This picture is suitable for sophisticated audiences only. No person under 16 years of age is allowed to see it.

# WEDDING BELLS

*SWIFT—LYONS*

First United church at Vermilion was the setting for a beautiful wedding on Saturday, January 8th, 1955, at 3:00 o'clock in the afternoon when Gwendolyn Elva, only daughter of Mr. and Mrs. Wm. George Lyons, became the bride of Mr. Earle John Swift, son of Mrs. Beatrice Swift and the late Mr. John Swift of Abbotsford, B.C. and formerly of Lloydminster, Sask.

The Rev. C. W. MacKay performed the ceremony.

The church was tastefully decorated with baskets of pink and white carnations. White bows marked the pews.

Given in marriage by her father the bride chose for her wedding a floor-length white strapless gown of Chantilly lace over satin and net, fashioned with a close fitting bolero jacket with small collar trimmed with pearls and lily point sleeves. Her floor-length veil was of nylon illusion net edged with Chantilly lace, softly gathered to a small half hat of satin, covered with lace and trimmed with seed pearls. A three-strand necklace of pearls, gift of the groom, was her only jewelry. Her bouquet was of American Beauty roses.

The bridesmaid, Miss Catherine Barr, chose a floor-length strapless gown of pink net and lace with small bolero jacket, and lace mittens. She carried a bouquet of yellow carnations.

The groom was attended by Mr. Robert Noyes as best man. The ushers were Mr. Ken Ranger and Mr. Rupert Wood.

The wedding music was played by Mr. Jack Brown.

During the ceremony Mr. Edward Lyons, brother of the bride sang "The Wedding Prayer" and "I'll Walk Beside You", while the register was being signed.

Immediately following the wedding a reception to one hundred and twenty-five guests was held in the church hall. For receiving the guests the bride's mother wore an Elizabethian blue crepe and lace dress with pink accessories and corsage of pink roses.

The bride's table was laid with a lace table cloth. A three-tiered wedding cake embedded in white tulle and topped with wedding bells in a heart, centred the table. The cake was flanked by four pink tapers in silver candlesticks and small vases of flowers. A family heirloom, a silver cake knife, was used to cut the wedding cake, and the bride served each of the guests personally.

Mr. Cliff McCormick proposed the toast to the bride in a very interesting manner. The groom replied most fittingly.

Mrs. M. Forbes was in charge of the guest book.

Mrs. R. Hesp and Mrs. J. McLeod of Toronto, cousins of the bride's father from Toronto, Ont., were present at the wedding.

For going away the bride chose a powder blue knitted suit with red accessories, with charcoal grey top coat.

The honeymoon trip was by car to Abbotsford, B.C., through the Western States as far as California. On their return the happy young couple will reside in Lloydminster.

Among the guests from out of town were many friends of the bride and groom from Lloydminster, Mrs. Roy Hesp of Bolton, Ont., Mrs. John McLeod of Weston, Ont., Mr. and Mrs. Jas. Dunlop and Mr. and Mrs. Gordon Thokan and Billie of Edmonton.

Numerous telegrams of good wishes and congratulations were received during the reception.

## Vermilion Curlers Win Challenge at Derwent

A rink of Vermilion curlers comprised of Aldous Kent, skip, Glen Gibbons, Jack Hossam and Wally Polinsky won the Grand Challenge event at the Derwent bonspiel last week.

Gordon Park, Al Lache, Martin Shalka and Larry Fare captured second in the No. 2 event. A third Vermilion rink also competed, composed of Warren Rosequist, Les Chivers, Bob Harle, Gene Chester.

## Claysmore Curlers Win Challenge At Kitscoty

*(From Claysmore Clippings)*

The Elmer McFadden-skipped foursome from the Mannville Curling club won the Grand Challenge event and the Dale cup in the open bonspiel at Kitscoty. On the winning rink were Elmer McFadden of Mannville skip, Vernon Willes 3rd, Fred Watling 2nd, Junior Williamson lead. Six straight games were won by this rink and congratulations are extended to them.

## Campbell Lake News

Mrs. R. C. Mead left on Sunday evening for Kelowna, B.C. to visit her mother, Mrs. Hanlon.

The Princess Anne W. I. held a card party at Island Hill community hall on Friday, Feb. 4th. There were nine tables. The prizes went to 1. Mr. Geo. Mead, 2. Mr. Fred West, 3. Mr. H. McKinnon. Consolation, Mr. Rex Withington. Ladies: 1. Mrs. Geo. Dollman, 2. Mrs. Geo. Mead, 3. Mrs. Ken McCrae, consolation, Helen Dollman.

Another card party is planned for Friday, Feb. 11th at the Campbell Lake school, by the W. I. branch. The proceeds from these card parties is to go the Arthritis & Rheumatism Society, so your attendance will be greatly appreciated.

A speedy recovery is wished for all those who were unfortunate enough to have the 'flu catch up with them. Especially Ray Armstrong of the Island Hill district who is confined in the hospital, and Geo. Richardson Jr. in the infirmary at V. S. A. And to Mrs. Joe Pughowsky who is confined in her home.

Glen Mead spent the week end at his home here, returning to Edmonton Sunday evening.

*IN MEMORIAM*

In loving memory of
*George Franklin Stonehouse*
who passed away Feb. 10 1953
at the age of 30 years.
He has not died who left us
For the better land of day.
He would not so [illegible]
He's only just away.
And right behind life's curtain

## W. A. Meets At Dewberry

The February meeting of Dewberry Ladies' Aid was held at the home of Mrs. E. Brett.

The meeting was opened with the singing of the hymn "Just As I Am" followed by the Lord's Prayer.

Mrs. Young read the 100th Psalm from the Bible. Mrs. Webadale read the message from the Upper Room for the day. "The Kingdom of God is at hand".

Minutes were read and adopted. Treasurer's report was given. The W.A. could not find a date to have Mrs. Batty's group but catered to the banquet for the Ladies' Curling club. Proceeds from same were voted to the Building fund. Sunshine Lady reported three cards sent. Balance of the meeting concerned arrangements for the Valentine Tea. This will be held in the hall on Feb. 11 commencing at 2:30 p.m. Mrs. Brown, Home Economist with Canadian Utilities, will speak on Home Freezers. Come and bring a friend.

The meeting closed with the Benediction, following this the hostess served a delicious lunch.

BRITISH BOY SCOUTS TO FLY TO CANADA

A mass flight of about 1000 British Boy Scouts from the U.K. to Canada will take place next August, it was announced recently. The boys, aged between 15 and 18 will be going to the Scouts 8th World Jamboree, to be held at Niagara-on-the-Lake, Ontario. Negotiations are being conducted for 30 South African, 12 Gold Coast and two Malta Scouts to join the party.

## Another Star Signed For "Ice Cycles"

As an added feature of the already star-packed "Ice Cycles of 1955", John H. Harris, producer, has signed a member of Britain's 1952 Oslo Olympic squad. He is talented Michael, "Little Mickey" Carrington.

The annual ice skating extravaganza, a favorite attraction in the city for many years, will be presented by the Edmonton Exhibition Association in the Edmonton Gardens Feb. 7 to 12.

Mickey, just 19 years old, started skating on outdoor rinks on the outskirts of London about ten years ago.

When Harris saw Mickey's double axle, double flip and all his other tricks, he signed young Carrington for Ice Capades, Ice Cycles' famed sister show in the U. S.

Slender, 5-foot 3½-in. Mickey says he loses a few pounds at every show even though he is on the ice an average of only ten minutes a day.

In Ice Cycles of 1955, Carrington is seen in two of the extravagant productions of the all-new show, "Diamond Jubilee of Light" and an elaborate precision number, "Little Foxes".

Show time for evening performances is 8:30, with a Saturday matinee at 2:30 p.m. on Feb. 12.

# Health Unit Notes

*MAINLY FOR THE TEEN-AGER*

ACNE: This is a condition of the skin very common amongst teenagers. The face and back become covered with pimples and blackheads which recur in crops and are an embarrassment at an age when pride is being taken in personal appearance.

The spots are the result of a blocking of the sebacious glands with oily sebum and subsequent infection by bacteria.

The actual causes of the condition are varied and may be traced to dyspepsia, constipation, excess of starch, sugar or fat in the diet, poor circulation or glandular disturbances associated with puberty.

TREATMENT: Exercise in the open air is important to stimulate the circulation. Attention to diet. Sweets, pastry, fatty and highly seasoned foods should be avoided. Plain simple food with plenty of protein, green vegetables, salads and raw fruit are advisable. Plenty of water and fruit juices should be drunk. Teeth may require attention. Constipation should be avoided and where necessary should be treated with salines.

Local treatment to the skin is important and aimed at keeping the pores clear. For this reason make-up should not be used to mask the condition. If the skin is greasy, borax or baking soda should be added to hot water for washing and if there are not many pustules this can be followed by a brisk friction with a soft towel. Grease should be avoided at all costs but calamine lotion can be applied sparingly at night.

If the condition is serious and there are many pustules the doctor should be consulted for more drastic treatment.

BABY & PRE-SCHOOL CLINIC

Monday, Feb. 14 — Legion Hall, Vermilion 2 to 4 p.m.

Tuesday, Feb. 15 — Ranfurly hotel 10 to 12 noon; Innisfree clinic 2:30 to 3:30 p.m.

Friday, Feb. 18 — Mannville school 10 to 12 noon; Minburn school 2 to 3 p.m.

# Kitscoty High School Notes

Well, you can't say we didn't try, but the big city job was too much for us. Our curling team, Gordon Jacobs, Bill McGuigan, Ken McLennan and Dale Mitchell, won the district competition and was entered in the Northern Alberta finals at Edmonton but lost out. Tough luck!

Curling here is being sandwiched between bonspiels and hockey games and getting squeezed right out at times. There have been some good games though with 12 rinks taking part.

As for hockey, the high school is doing well. Sunnydale has been defeated once, Earlie twice, Kitscoty not at all.

Elections for Carnival Queen put Cecile Davies, June Lang and Janet Christie in as candidates and immediately a frantic ticket selling race ensued and will continue until March 4 when the winner will be crowned. A dance will follow at the town hall.

Congratulations from K.H.S. to our principal Mr. Smith for his nomination as S.C. candidate in the coming by-election.

Congratulations also go to Mr. Uniat. Will your new daughter be K.H.S.'s star stenographer or mathematician?

And that winds up the news for now. More later.

# W. I. Activities For January

FIVE POINT

Christmas gifts were given to 3 older people, a new baby and two helpful husbands of the district. The handicraft list and the 1955 program were drawn up. Membership fees for the year invested by the members netted $10 more.

CLAYSMORE

A food hamper is to be raffled in the near future. A.W.I. pins were ordered and are to be presented to each member on her birthday. Material for the fall bazaar was ordered.

RAMSAY

A home cooking sale is planned for Feb. 12. A contribution was made to the Travel fund. A crib quilt is to be made and raffled in the near future. The handicraft list was drawn up.

PRINCESS ANNE

Roll call for February is to be answered with a donation for 'Cod fish for Korea' drive. A heavy quilt is to be made and sent to the Unitarian Service committee. The handicraft list was compiled.

SAULTEAUX

A donation was made to the 'Helen Morton Memorial Fund'. The handicraft list was prepared and forwarded to Mrs. Pidcock.

THORNCLIFFE

A food hamper was raffled on Feb. 3. During the last month $5 was donated to the Xmas concert and one fruit basket, two cards and a wreath were sent. The handicraft list was chosen. The members were invited and accepted to attend a pot luck supper of the Vermilion branch. It was also decided to ask to amalgamate with Vermilion because of their small membership.

KITSCOTY

Donations were sent to the 'Helen Morton Memorial Fund' and to 'Operation Codfish'. A Xmas hamper was sent to a patient in the Vermilion hospital. A magazine was ordered for the school. Stamped material to be worked was received from the 'Family Herald' and distributed to the members. The following new officers were elected: President, Mrs. J. Batty; Vice-Pres., Mrs. H. Batty; Sec'y, Mrs. M. K. McDonald; Treas., Mrs. S. Pidcock. Directors, Mrs. W. Govier, Mrs. Fox, Mrs. Miller, Mrs. Joy.

VERMILION

Their meeting followed a pot luck supper attended by the Thorncliffe branch. The annual reports were read and a visit from Mrs. Hamilton was enjoyed.

CREIGHTON

Provincial and district dues were paid and a subscription to Home & Country. The program for 1955 was completed. It was decided to do sewing for the local hospital.

WILDMERE BEAVERS

An interesting report re 'Education' was given by Janet Cruthers. It was decided to hold a dance on Jan. 28 and a raffle and dance sometime in February.

## U. K. Motor Industry's Million Cars A Year

More than a million cars and commercial vehicles were made in Britain last year — an all time record. The final figures put the total at 1,038,834 made up of nearly 770,000 cars and 270,000 commercial vehicles, each the highest annual figure yet, and together over 200,000 more than the 1953 output. Cars alone have recently been made at the rate of one every ten seconds of the working day.

## Attention, Farmers!

[illegible] over delivery of up to 400 bushels of grain may be made by farmers for the purchase of registered or certified seed. This is in addition to the designated quota at the producer's delivery point and is to be in payment or part payment for up to 150 bushels registered or certified seed wheat, oats or barley. There are however, a few stipulations laid down by the Wheat Board concerning this delivery.

1. The proceeds of the commercial grain delivered by the producer must not exceed the cost to the producer of the registered or certified seed purchased.

2. If the farmer buys his seed from the elevator he must sign an order for the seed required with the elevator agent either before or at the time he delivers his grain. If he buys his seed through one of the other agencies (Crop Improvement Associations, the Crop Testing Plan, from a bona fide dealer in registered and certified seed or from a registered seed grower) he must submit a certified copy of the invoice covering the purchase of the seed along with instructions to the elevator agent to issue a cash ticket to the seller for the value of the grain delivered over the quota.

In all cases entries covering the book in the space provided for supplementary quotas with the notation 'Seed Grain Purchase'.

This instruction expires June 1, 1955.

Letters to the Editor

Vermilion, Alberta, Feb. 4.

The Editor,
Vermilion Standard
Dear Sir:

I would like to take this opportunity of thanking your for the free space and generous publicity given by your paper to the Health Unit and its work throughout the past year.

This is a public service which is greatly appreciated by the staff of the Unit and the community it serves.

Yours truly,
Sophie Pawliuk,
for Mrs. E. Boulton,
Senior Nurse.

Ottawa, Jan. 18, 1955.

Editor, Vermilion Standard
Vermilion, Alberta
Dear Sir:

May I, through you, extend to the people of Canada the very warm thanks of myself and other members of the Post Office staffs from coast to coast for the exceptional co-operation extended in the mailing of their Christmas cards and gifts.

Reports now being received from postmasters in all parts of the country indicate clearly that more than ever before the public showed its anxiety to assist the service by mailing early, with the result that the postal staffs were able to effect most Christmas deliveries in good time for the holiday.

The reports also indicate that the proportion of correctly addressed and well-packaged mail was higher than ever before, although, as in the past, delays and difficulties were experienced as a result of failure on the part of some mailers to observe good mailing practices.

Much of the credit for the success achieved in our handling of the Christmas mails must of course go to the newspapers who in many cases took great pains to remind the public of the advantages to be gained in observing various mailing dates and in correct addressing and packaging their mail. Need less to say this assistance has been much appreciated.

Yours sincerely,
W. J. Turnbull,
Dep. Postmaster General

LETTER FROM THE CAPITOL

## Research Council Favors Using Fluorine In Public Water Supplies

EDMONTON. — Report of the Alberta Research Council's special seven-man fluoridation committee indicates that overwhelming scientific evidence in favor of using fluorine in public water supplies to reduce tooth decay left the committee no alternative but to register its "unqualified endorsation" of the procedure for Alberta communities.

The report, two years in the making, was issued at the end of last week by Highways Minister Gordon E. Taylor, who is research council chairman.

Mr. Taylor said the government plans no immediate action on the report. Undoubtedly there will be considerable discussion about it in the forthcoming legislature.

With so many Alberta towns now equipped with their own waterworks systems, it would seem particularly profitable for citizens to investigate the research council's findings and weigh them against the arguments being voiced against fluoridation.

It is not too early for this, even if it is some time before smaller centres are in a position to install the necessary equipment. The committee suggested fluoridation start only as soon as qualified engineers of the provincial health board are prepared to give adequate supervision.

At the same time the committee notes: "From an economic, as well as a health viewpoint there is a great loss by allowing endless investigations to delay the application of fluoridation as a preventive health measure. It is estimated that for every dollar spent on fluoridation, $60 to $70 will be saved in dental treatment."

Little cost is involved the committee says, and for most communities would run 10 to 20 cents per person per year for equipment and chemicals. No increase in the waterworks staff is required.

Some Albertans already are drinking water which contains as much or more fluorine as experience shows is necessary to give maximum protection against tooth decay. In some areas, the water contains less or no fluorine.

Before fluoridation for any specific town's system begins, a check of the natural fluorine content would be made to determine whether it was sufficient or needed augmenting to bring it to the best level. As to suggestions the addition of fluorides to the water is not the same as when the water contains natural fluorides, the committee states: "It must be emphasized the fluorides added when the water is fluoridated are of like properties — both physical and chemical—as those that occur in naturally fluoridated water."

It adds that in cities where fluoridation has been introduced and there are more than 1,000 in the U.S. and Canada there have been no complaints of significance from industrial users of the water and no harm to lawns and plants has been seen. Taste of the water is not affected.

The committee maintains: "Fluoridation does not represent involuntary mass medication as fluoride does not exert any therapeutic action. It does not bring about repair of damage already done by tooth decay.

Actually all that is proposed is that the concentration of a substance naturally present in the water supply shall be increased to a level which has been demonstrated to be optimal for dental health. Such a procedure is neither more nor less than the addition of Vitamin A to butter or to margarine or the addition of Vitamin B Complex members to flour."

The report also states that on the basis of analyses of foods containing fluorides, it has been determined the normal intake on a balanced diet is not enough to combat decay and that water is a more important source of fluorine.

It also says the amount which would be used is so much less than the amount which could do harm it is inconceivable anyone will suffer ill effects. For instance, actual experiments were conducted giving adults four doses of 80 milligrams of sodium fluoride a day and children 3½ to 6 years, 20 to 50 milligrams. There was no evidence of poisoning.

Compare these daily totals — 80 to 320 milligrams — with the 1.2 to 1.6 milligrams which would be consumed by persons drinking water with the amount of fluorine suggested and you can see little reason for concern.

There also is no evidence, the committee says, that indicates a person would be harmed by the continued drinking of fluoridated water.

With the publication of the report, it can be expected that well-meaning but misinformed opponents of fluoridation, will increase their efforts. In some areas they have gone to fantastic lengths to defeat the proposed fluoridation of water and in too many cases have succeeded.

We understand some opponents sincerely believe it is a plot by communists or other subversive agents to undermine the nation's health. Others see a danger that saboteurs would be able to cripple a city's water supply by dumping excess quantities of fluorides from the fluoridation apparatus.

The answer to the latter is that even the amounts of fluorides which probably would be available at the water - treatment station would not be enough to cause mottling of the citizen's teeth. This mottling occurs where there is an over-concentration of fluorides in the drinking water but other than the unsightliness there is no other damage to the teeth or any other part of the body, according to scientific researchers.

The three main arguments put up against fluoridation are that fluorides are poisons; that the whole thing is still in the experimental stage and that fluoridation is a step toward socialized medicine and invades individuals' rights.

First, of all, fluorides are poisons but in the small amounts to be used have definitely been proven beneficial and indeed are found in varying quantities, usually too small for benefit, in many foods. As to still being an experiment, those in favor of it, point out that many persons are drinking water which is naturally fluoridated and continued examination and study have pointed to this as the reason they have fewer dental difficulties.

In addition, controlled experiments in actual cities have been carried out including Brantford, Ont., where the water has been fluoridated and annual dental examinations carried out to check results since 1945. In connection with the third objection, proponents say the benefits to be had out weigh such a consideration.

## Scouts, Cubs Ask For Coupons, Box Tops

Attention, all housewives! The Quaker Company are sponsoring a contest which rewards the winners redeeming the most coupons with a generous cash prize. The Scouts and Cubs, Brownies and Guides, as one organization are trying hard to win this prize in order to boost the Scout Hall building fund.

They would greatly appreciate anyone saving coupons from Quaker Flour and box tops from Quaker Rolled Oats for the next three months. Coupons and box tops thus saved may be given to any member of the Scouts, Cubs, Guides and Brownies. 30-3

THOSE WERE THE DAYS

By ART BEEMAN

WHY NOT YOU?

Have you a piano or a violin or a banjo; a guitar, ukulele, or Jew's-harp in your home? If so, how long has it been since you have played one of them?

Like every art, music exists not only to be heard but to be made. Surely, you can get better music than you can "make" on radio, television or a record player. But this is not the point!

The act of creating does something special for you. It brings a sense of relaxation and satisfaction you can get in no other way. It is rewarding to fall under the spell of great music when you listen to it, but making music yourself does something quite different and may be even better for you. Both add richness to life.

There is nothing like "taking it out" on the piano or in original dancing, or on the uke even, when you do not have the talent, the words, or the time to express your warm or vital or desperate or wistful feeling for life in any other way.

Honestly I do not know what people do who play no musical instrument, no matter how poorly, who feel self-conscious about dancing to music which makes them want to sway. Playing for others is quite different, even if you are accomplished, from sitting down alone and play for yourself.

Ever since I read about the woman who, at the age of 80, was arrested for playing her banjo too late and too loudly, that has been my ambition. What verve she must have had!

Many folks deny themselves this fundamental and relaxing outlet because they feel that if they play at all they must play well. What a mistake this is! Often the family is at fault in making the individual feel silly. Don't bother about what the neighbors think or, if necessary what your family thinks.

When you play the old fiddle or the flute or whatever, you will feel relaxed, your glands will be stimulated and for a short while you will live in another world, with your workaday problems forgotten, and you will be much better prepared to meet those problems because of your temporary release.

NEWS OF THE DISTRICT

## Dewberry 'Spiel Winners Announced

Yes, still a very mild winter and everybody is happy with sports thriving. Here is the latest round-up of sports news for the past week or two: First, in the men's open bonspiel, was the Paul Steppe rink from Elk Point which won from Neil Jones of Dewberry in the Grand Challenge. Frank Bowman of Dewberry won the second event with Quist of Marwayne the Consolation.

LADIES' SPIEL

In the ladies' open spiel Mrs. Miller of Kitscoty won 1st in the Challenge with Mrs. Joe Braithwaite of Dewberry 2nd. In the second event Mrs. Teskey of Islay, 1st, Mrs. Palnka of Derwent 2nd. Consolation was won by Mrs. Belsheim of Heinsberg, 2nd Mrs. Wilson, Heinsberg.

Mrs. Frank Bowman skipped her rink to the Grand Challenge at the Derwent ladies' bonspiel.

WIN HOCKEY ENCOUNTERS

Two teams of Dewberry boys 12 years and under and 14 and under went to Islay Saturday and won both hockey games played. The smaller lads garnered a shut out for their goalie Tom Hodgson. After the game, players, visitors and car drivers were served a very enjoyable lunch by the Islay folks.

The senior hockey team improves steadily but competition in the small town class is hard to find.

The high school hockey team has won most of the games played and show promise of players for the future.

In school curling the Dewberry high school bonspiel has just been completed with Gerry Garnier the winner over Bob Parker in the Grand Challenge.

Now it appears that the rink waiting room will be quite vacant until another bonspiel is organized.

FLASH—Bill Dennill's Dewberry rink has just won the Grand Challenge at the Heinsberg spiel.

A rink skipped by Sol Lemp took second in the Grand Challenge at Marwayne and second in the third competition.

Ratepayers are advised of the Vermilion River annual meeting on Feb. 19. If you are not satisfied with the supervision of your councillor don't hesitate to attend and let him know why.

F. U. A. MEETING

Dewberry F.U.A. local will hold their next meeting on Monday, Feb. 14 at the Harold Craige residence. The much talked of vaccination for Bangs Disease will be brought forth for discussion.

George Machon has been home on leave from the R.C.A.F. He is in the Radar Division and will be stationed at Vancouver Island on his return.

Little Freddie Tulloch is home after a spell in the Islay hospital, ill with pneumonia. Some sickness is reported in the district due to flu.

Two of our very hardy 'young' people in the persons of Grandad Jones and Graham Skinner are still two of our most enthusiastic curlers. Mr Jones played with the Jones rink which won second in the Dewberry open bonspiel.

Winston Braithwaite is now operating a bread delivery truck and is making trips to the surrounding towns from Vermilion daily. He is handling the Edmonton bread known as "Honeyboy".

## Koknee Kolumn

Mumps are making the rounds in this district. Bob Galloway and Donald are both sick with them, also Maureen Sweeney and Elmer Hohol. A speedy recovery is wished to all of them.

A very unusual incident happened at Woodvale school last week. While cleaning off the ice Marjorie Portsmith was bitten on the finger by a muskrat.

Mr. and Mrs. Bob Blake of Vermilion spent the week end with Mr. and Mrs. Viggo Lysen.

Mr and Mrs. Jack Bowman of Preston visited with Mr. and Mrs. Hohol on Thursday evening.

John Reid of Edmonton was a week end guest of Mr. and Mrs. Bob Hobbis.

Howard Lumley was a patient in the Islay hospital for a few days and hopes are extended that he is now feeling better.

Herman Kasendick and Roy Knight of Hillmond visited friends in the district on Sunday.

Latest official figures show that in 1951 motor vehicle accidents caused nine deaths per 10,000 vehicles registered in Canada.

Manufacturing produces nearly one-third of Canada's national income — more than twice the income from agriculture.

## Northwestern Utilities Ltd. Announces Capital Program For 1955

The Gas Co. announced that during this year it expects to expend something in excess of $2,500,000 in additions and extensions to its existing plant and in purchase of sundry equipment.

Last year 42 miles of pipeline were laid from Edmonton to the Bonnie Glen-Wizard Lake area where the Texaco Exploration Co. constructed a natural gas conservation plant. Gas first flowed through this line in December. Since that time the Texaco Co. have delivered to Northwestern approximately 15 million cubic feet of natural gas per day. In addition, 6 miles of transmission line were laid from the western limits of Edmonton to the Acheson area where Progas Ltd. has erected a small natural gas conservation plant. This plant commenced operations on Jan. 1 and has been delivering to Northwestern approximately 3 million cubic feet of natural gas per day. The Company now has 7 natural gas fields connected to its system.

No major transmission pipeline program is anticipated in 1955, although in excess of $100,000 is being provided to lay a 12¾-in. pipeline from the Company's No. 1 Edmonton Gate Station to the industrial area east of the city.

Last year the Company added 4,656 new customers to its system. This year it is budgeting for an additional 4,150 customers, of which some 3100 are anticipated to come from the Edmonton area. As at the end of 1954 the Company was serving a total of 60,254 customers in 32 communities. It is estimated that the potential system demand for natural gas for the winter 1955-56 might be as high as a rate of 266 million cubic feet per day.

The major portion of the capital expenditures this year will be for extensions and improvements to the distribution systems in the communities served by the Company and for the provision of service lines, meters, regulators, etc. to serve the new customers. $1,329,550 has been appropriated for this purpose.

Another major item in this year's budget is for the completion of the new meter shop and office building being built on the Company's property in Edmonton. The building is expected to be completed by Sept. 1 of this year.

## The World of Wheat

By W. G. MALAHER, Director, Research Department, Searle Grain Co. Ltd

FARM POPULATION TRENDS

During the past 20 years, significant changes have taken place on the North American continent with respect to the farm population. In the U.S.A., for instance, the number of persons living on farms is reported to have declined by close to 8 million between 1933 and 1952. Such a decline is far greater than during any similar period in the history of the U.S. In Canada the number of persons living on farms has likewise declined, latest census returns showing an overall drop of close to 100,000 during the 20-year period from 1931 to 1951. Here the decrease was most marked in the Maritimes and the Prairies where declines occurred of approximately 25% and 20% respectively. Exceptions to the general trend were Quebec and B.C. where there was actually an increase in the number of persons living on farms.

The movement from farms to cities and towns has come about mainly because of technological developments which have so increased efficiency that it now takes fewer farmers than formerly to produce the same volume of wheat or any other agricultural product. Western farms are larger, on the average, than they were, the number of acres cultivated and cropped tending to be geared to what is considered an economic unit, particularly from the standpoint of farm machinery.

In Canada there appears little likelihood of a reversal of this trend away from the farm, although in the U.S. the 1950 figures include an increasing number of purely 'residential' farms, which now number about 800,000.

# Retiring President Reviews Board Of Trade Activities For 1954

The activities of the Board of Trade for 1954, as given by the retiring President, Mr. K. G. Urquhart, will be published in a series of articles in the Standard beginning this week. The first instalment follows:

"Before giving you a report on the activities of the Board during the past year I wish to thank the members of the executive, the various committees, and the members at large, for the work done by them in Board of Trade matters and for the help they have given me as President.

As active Board of Trade is essential in each town or city. It not only serves the immediate interests of the local community, but also makes it possible to have a provincial body such as the Alberta Associated Chambers of Commerce and Agriculture which looks after matters of provincial scope, and the Canadian Chamber of Commerce which concerns itself with the interests of the province of Canada as a whole. These bodies derive their membership and strength from individual Boards of Trade and Chambers of Commerce. I am happy to be able to say our Board has maintained interest in Board of Trade work and has been active during the past year. Although attendance at some of the luncheons has been poor what we would like the average throughout the year has been good.

The following is a brief outline of the activities of the Board during the past year.

ATTENDS PROVINCIAL MEET

The Board, as usual, during the past few years, sent a delegate, namely Mr. Roy Walker (Chairman of the Agricultural Committee) and Mr. Reg Mitchell, to the annual meeting of the Associated Boards of Trade and Chambers of Commerce at Red Deer and a resolution of our Board moved by our delegates, that all motor vehicles in the province have signal lights for greater safety of operation, was passed by the Association and forwarded to the proper authorities.

In connection with motor vehicles, the matter of advertising the town on automobile plates was discussed and left for consideration for another year

Messrs Martin Shalita and Reg Mitchell were the invitation of the Bonnyville Board of Trade, attended as our representatives at a dinner meeting of the Bonnyville Board.

Our Ways and Means committee under the direction of the Chairman, Mr. Al Leslie, succeeded by having the addresses of telephone holders listed in the Alberta Telephone directory. Mr. Leslie personaly did a great deal of work on this.

CLEAN-UP CAMPAIGN

The Board sponsored a spring clean-up campaign which was held May 26. This was a very successful clean-up owing to the efforts of Mr. E. Clendenning, Chairman of the Civic committee, and the members of this committee, and the excellent publicity by the Vermilion Standard. Owing to the personal supervision of Mr. Clendenning and Dr. Hanlan nothing was left undone.

Speaking of "publicity", on behalf of the Board I wish to express our appreciation to Mr Ashley Cooper and the Vermilion Standard for the co-operation extended to the Board and the valuable publicity given by the Vermilion Standard in the reproduction of this the Executive at the beginning of the year gave a condensed history of membership in the Board to the Standard. Mr. Cooper at all times keeps bulletins going into the Standard in connection with C.J.C.A. and in the month of July furnished had the most effective publicity in the Edmonton Journal of any town of this size.

The Board has always endorsed sport for young people in the town and district and to this end a committee of the Board, headed by Mr Al Locke looked after the transportation of the hockey players on the Vermilion team. Letters of congratulations were sent to the Vermilion Tigers Baseball club, the coach, Gerry Moffit and the executive of the club on winning the Alberta Baseball league and to the Vermilion Ladies' Softball team upon winning the Provincial International 'B' Championship for 1954.

Seven members of the Board attended the Regional Conference of Boards of Trade held at Wainwright on March 12. These conferences are important because they afford an opportunity for different Boards to exchange ideas on Board of Trade work.

The 1953 meeting was held at Vermilion and although an invitation was extended to hold the Conference for 1955 at Vermilion it understand it is to be held at Lloydminster this year.

The President, Secretary and several other members of our Board, upon the invitation of the Lloydminster and District Board of Trade, attended a banquet at the Border town on Sept. 21 to hear an address by the guest speaker, Mr. Burns, President of the Canadian Chamber of Commerce.

Owing to the fact that the annual meeting of the Canadian Chamber of Commerce was held in 1954 at Halifax we were unable to send delegates to it, however we did in 1953 when it was held in Edmonton.

1954 ADDRESSES

During 1954 the Board was privileged to hear several interesting addresses by guest speakers at our luncheons.

Mr. H. Webber, Supervisor of Credit Unions for the Province, introduced by Dr. Hanlan, addressed the Board on the purposes and purposes of Credit Unions.

Mr. W. Boulton, Provincial Sanitary inspector at Vermilion, spoke to the Board on aspects of the Clean-up campaign.

Mr. Keith Chalmers, Chairman of the National Affairs committee, arranged to have Mr. Andy Thompson, Regional Liaison Officer re Immigration, address the Board on the subject of "Immigration in the Community". Motion pictures accompanied by moving pictures, and was very interesting.

Mr. Dewey Griffin, Secretary-Treasurer of the Alberta Associated Chambers of Commerce and Agriculture, outlined to the Board the objectives and scope of the activities of this Association.

At the request of the Board, Mr. Blake Executive Secretary of the Alberta Motor Assoc., Edmonton, addressed the Board on Oct. 13th, 1954, at a luncheon meeting. The Board had approached the Association with a view to having a branch office established at Vermilion. Mr. Blake stated that branches would be established in Camrose and in Grande Prairie in 1955, and it was planned to establish one in Vermilion in 1956.

Mr. F. Doyle who was visiting Dr. Hanlan here, gave the Board a most interesting address on Jan. 5 of this year on his recent trip to the Egyptian Sudan.

I think addresses of this kind, from persons outside of Vermilion, are instructive and interesting to Board members. I hope we will have more of them in 1955.

(Continued next week)

# Faster Schedules

MONTREAL — Effective April 24 Canadian National Railways will operate a new, faster transcontinental train which will considerably reduce running time from Montreal and Toronto to Vancouver. At the same time, all C.N.R. transcontinental passenger trains will be fully dieselized on the 2929 mile route.

The decision to speed up service followed a study which included a number of experimental runs with diesels on the Continental Limited. The C.N.R. is now studying how it can best use this time saving, having regard to the convenience of travellers and communities across the country, and on connections with other routes served by these trains.

The fast train will not replace the present popular Continental Limited, but will be in addition to it. However, the two sections of the Continental Limited will be consolidated at Capreol and run as one train to the Pacific Coast.

In addition to the passenger diesels, the fast transcontinental train will be made up entirely of new passenger equipment purchased by the C.N.R. during the past year. It will carry a wide variety of sleeping accommodation, and will have observe and grill cars as well as standard dining cars.

THAT DOES IT
By Al Smith

# Of Many Things . . .

By AMBROSE HILLS

*HOW FREE AM I?*

I was thinking some people angry these days. A reader in high dudgeon writes: "You talk a lot about free enterprise. But how free is the man who has to go to work each morning when the factory whistle blows? How free is a hungry man? Indeed, since you talk so much about it, how free are you?"

Let's just ignore the sarcasm and try to answer the man's questions. First, about that man who has to go to work each morning when the factory whistle blows. Yes, I think he is free, and I also think he is lucky. In Canada, the factory whistle says, "Your job is here, if you want it, at fair pay, in decent surroundings. If you don't like this factory you can stay home, or you can try another factory, or be a salesman, or a carpenter, or whatever you can persuade customers you can do well. You can even start your own factory if enough friends have confidence in you to help you raise the money." That's quite a bit of freedom. It would be quite different if all the factories were owned by the government, and the government blew the factory whistle. Then it would say, "Your supreme boss is calling. Get down to work or starve!" That's the kind of thing I fear when the government owns more and more every day.

Now, the second question was: How free is a hungry man? Thank God, free men in free countries are not so likely to be hungry as are the citizens of slave states where the government is in supreme command. A hungry man is in a tragic position, whether he be free or slave, just as a man afflicted with small pox is in a tragic condition. But the hungry man, if free, has an opportunity in a million different ways to earn food for himself and his family. He can earn it more easily here in a free country than he can anywhere else in the world.

And how free am I? Well, I still think I'm pretty free. My opinions are published in hundreds of papers where I've never met the editor at all, where I have not the slightest pull or influence. I write exactly as I please. Editors who disagree with me consign me to the wastebasket, or publish me and let readers decide to believe or not believe. If my facts are wrong, they check up fast.

Because I'm a writer, I'm glad the press is still free. Radio and TV are not so free, because the government has taken over the air waves. Editors who disagree with me consign me to the wastebasket, or publish me and let readers decide to believe or not believe. If my facts are wrong, they check up fast.

Now, the second question was: How free is a hungry man? Thank God, free men in free countries are not so likely to be hungry as are the citizens of slave states where the government is in supreme command. A hungry man is in a tragic position, whether he be free or slave, just as a man afflicted with small pox is in a tragic condition. But the hungry man, if free, has an opportunity in a million different ways to earn food for himself and his family. He can earn it more easily here in a free country than he can anywhere else in the world.

Now, the second question was: How free is a hungry man? Thank

# Liberals To Nominate At Viking

Liberals of Battle River-Camrose will meet at Viking on Wednesday, Feb. 16 for the purpose of selecting a candidate to contest the forthcoming federal by-election to be held this year.

The convention will be open to all who wish to attend, and it is hoped that a full representation of Liberals from all parts of the constituency will be present to take part in the important matter of selecting the candidate.

The decision to hold the meeting at Viking was made at a meeting of the executive of the Battle River-Camrose Liberal Association recently held at Wainwright, at which a number of prospective candidates were given preliminary consideration. It will fall to the general meeting however to make a final selection.

# Paradise Valley

Valley Maids C.G.I.T group met at the home of their leader Mrs. W. A. Gunn, on Wednesday evening. The meeting was called to order by singing of 'O Canada'. A square was formed and the girls repeated the Purpose. Mrs. Pautgard led in the Devotional with a number of the girls assisting. Mrs. Gunn read to us on Missionary Works. The roll call was taken and 14 members were present. In correspondence a letter was received from the National C.G.I.T. Camp Society. It was decided by the that instead of selling campaign books each girl would contribute a dime. For the next meeting the roll call will be answered with an exchange of Life Savers. The following demonstrations were given: Ruth Walker 'Receiving and Introducing a Guest Speaker'; Grace Stoddart and Margaret Wolf on 'C.G.I.T.' Unity'. Miss Hunnington on 'Do's and Dont's of Home Decorating'. Thank You Contest was said and 'Taps' sung. Games were played. Mrs. Gunn served a lunch and the girls separated for home.

We extend our sincere sympathy to the family of Mr M McLeod of Wainwright on the death of Mrs. McLeod who passed away on Thursday after a long and painful illness.

Glad to see Mr Dick Smith home after his long stay in Lloydminster hospital Mrs. Walter Sivett also came home Saturday. We hope both of these people will fully recover.

Curling is the order of the day. What with bonspiels at Kitscoty and, Lone Rock there is not much curling done at the local rink.

A good game of hockey was played on the local rink when the Edgerton school team came up and gave the locals their first game of the season. A real exciting contest was the result. The score was 2 for the P.V boys but it could have been anybody's game the teams were so even.

We are glad to hear that Mrs. M Kissling is doing well in the Lloydminster hospital after her recent operation.

Square dancing and honky tonk has taken quite a hold in town. Everyone appears quite enthusiastic. Let's hope that the interest continues.

# News Notes From Your District Home Economist

— By June E. Kirk —

Yes, once again you have a Home Economist in your district to carry on in place of Miss Shirley Holms.

It will be quite some time before I will be able to meet all of you personally — either your home or through women's groups — so this little "hello" will have to serve for the moment.

In the meantime do not hesitate to phone or write for any help I can offer you. My address is Department of Agriculture, Wainwright".

With Valentine's Day close at hand, you may be searching for a special treat for the youngsters or perhaps for the man of the house. How about this Cupid's Pie"? It's an excellent way to use up that left-over cranberry sauce, and it doesn't require baking!

First, make one of those quick cracker crusts made with crushed Graham crackers, melted butter and sugar. Press this mixture into a pie plate and chill.

Now, the Valentine-pink filling: Melt 20 marshmallows and one-third cup of evaporated milk together in the top of a double boiler. Stir to blend thoroughly and set aside to cool.

Then measure 1½ cups of cranberry sauce. 2 tablespoons each of lemon and orange juice 1 tablespoon lemon rind and two-thirds of a cup of evaporated milk. The rolls must be icy cold so you can whip it until very stiff. Having the bowl and beater cold will also make whipping easier.

Next, fold the sauce juice and rind into the marshmallow mixture and then add this to the whipped evaporated milk.

Turn this delicious filling into the cracker crumb crust and chill for several hours before serving.

Sounds wonderful, doesn't it? And did you know that evaporated milk can be stored very easily? It can be kept on the shelf until opened, then stored tightly covered in a cold place until the can is empty.

This is THE MARK OF A NEW AGE!

That big, bold Sweep-Sight Windshield—curving back to vertical corner posts—is easy-to-see evidence that Chevrolet has cast aside the tradition of the past to start a whole new age of low-cost motoring. It's smarter to look at—safer to look out of—and it's only part of Chevrolet's new outlook for '55!

Yes, Chevrolet brings you a whole new outlook in low-cost motoring for 1955! It's best symbolized, we think, by the sweeping expanse of windshield that widens your view of the road and lets you "see through" the corners for greater safety.

The car with the new ideas!

Besides widening your view of the road, the Motoramic Chevrolet broadens the whole horizon of its low-priced car. It was built around the idea that a car doesn't have to be high priced to look, ride and perform like it. A lot of time and sweat went into the building. A lot of bold traditions went out the window because they didn't measure up to this daring new concept. Trust Chevrolet to have the recourses and the skill—yes, and the courage—to break out completely with the past.

Everything's new in Chevrolet!

Everything — from its tubeless tires to its lower top. There's new beauty with that long, low "let's go" look! New fun underfoot with the new "Turbo-Fire" V8 and the new "Blue-Flame" six! A new choice of drives—new Overdrive, Super-Smooth Powerglide (extra-cost options), and new standard transmission! A wonderful new ride! New High-Level ventilation! But we can't even begin to give you the whole story here.

Look, look, look—it's smoother, cleaner, cheaper!

Chevrolet's stealing the thunder from the high-priced cars in more ways than one! Come in, drive it, and you'll see why the Motoramic Chevrolet starts a new and exciting age of low-cost motoring. This you're going to love!

A clearer view of the road . . . coming and going

MORE THAN A NEW CAR . . .
A WHOLE NEW CONCEPT OF
LOW-COST MOTORING!

NEW AGRICULTURAL BUILDING AT UNIVERSITY OF ALBERTA

## Guest Week Planned At The University of Alberta

The students of the University of Alberta will hold their annual Varsity Guest Week End on Feb. 25, 26 and 27. The purpose of the week end is to familiarize the people of the province with the work being done in the campus and to provide an opportunity for them to meet the students and their professors.

This year a particularly warm welcome to the farm population of Alberta is being extended. In previous years the Faculty of Agriculture has been hampered by lack of proper facilities for study and research. With the opening of the new Agricultural building in September of 1954, they now have at their disposal the newest and one of the best equipped buildings on the campus. The 'Ag' students are planning extensive displays and are looking forward to showing the people of Alberta the work they are doing. Busses will take interested visitors to the University farm, which they will find enjoyable and profitable.

Highlights of the week end will include conducted tours through all the major buildings on the campus. All the faculties have arranged a number fo displays which should prove interesting and informative to parents, friends and prospective students.

Studio Theatre is planning a new production entitled "Playboy of the Western World" with many students in the cast. Varsity Varieties, an all-student production, will be presented again this year. The Physical Education Department has scheduled a sports week end in conjunction with Varsity Guest Week End, to enable guests to see the university teams in action.

Parents of small children will be happy to know that the student nurses from the University hospital will provide a baby-sitting service in the Union building. Visitors are invited to drop into the Wauneita Lounge for tea after tours. Church service, University Symphony concert and famous University Mixed chorus are planned for Sunday.

Students in grades 11 and 12 would benefit greatly from the University Guest Week End.

LOCAL STUDENTS AT U OF A

The Vermilion and district students listed below join in extending a hearty invitation to all to attend Varsity Guest Week End:

John Stewart, Rex Boake, Larry Kehoe, Betty Bentley, Sports representative on Education Council, Stewart Dow, Peter Kupin, Gerald Harle, Anne Martin, Glen Mead.

From the University hospital the welcome is echoed by the following student nurses all from this district: Noreen Dougan, Betty Barlow, Catherine Barr, Iris Lind, Betty Kibblewhite, Shirley Sutherland.

Kitscoty Varsity students are Eileen Jack, Albert Lang and Violet Page.

'AG' STUDENTS AT WORK ON ALBERTA UNIVERSITY FARM

## Wildmere Women's Institute Notes

The Wildmere W.I. met at the home of Mrs. Roy Dibben on Feb. 2nd with ten members present. Some of the members were curling others away and some had sickness at home. Owing to the president Mrs. Gibson being absent Mrs. D. Hughes the vice-president took the chair.

Roll call was 'Canadians in the News' which was quite interesting. Correspondence was a letter from Mrs. Hamilton saying that she would be able to visit the Wildmere W. I. sometime in July; a letter from Mrs. Leferud concerning laws for women; a letter from Mrs. Redman of the F.W.U.A.

Mrs. Whitlock mentioned the Home Nursing course and this topic was tabled until next meeting when more members will be present.

It was decided to take out group membership of 15 for $5; money for same to come out of funds. Mrs. J. Wallington will distribute memberships when they come.

Treasurer's report was given and sick convener stated that two fruit baskets had been sent, to Mrs. Gibson and Mrs. W. T. Garnett and a baby spoon for baby Garnett.

Mrs. Roy Dibben will see Mr. P. Cross re Xmas cards.

Quite an interesting discussion took place on present divorce laws. Mrs. R. Osterburg won Johnny Jump Up. As Mrs. Howard was away no topic was given.

The social was by Mrs. A. Holte entitled "Familiar Names of Places" which everyone enjoyed. Mrs. D. Hughes was the winner. Meeting closed with a delicious lunch.

The next meeting will be at the home of Mrs. A. N. Garnett. Roll call: Your favorite electric appliance and why. Topic by Mrs. J. Bathe, social Mrs. C. Cruthers, lunch committee Mrs. D. Hughes, Mrs. R. Martin, Mrs. R. Osterburg. Date of meeting is March 2.

Cash sales accounted for 88.8 cents of the average Canadian retail consumer dollar in the first quarter of 1954.

## Mass Flight of British Boys Scouts to Canada

A mass flight of about 1000 British Boy Scouts from the U.K. to Canada will take place next August, it was announced recently. The boys, aged between 15 and 18 will be going to the Scouts 8th World Jamboree, to be held at Niagara-on-the-Lake Ontario. Negotiations are being conducted for 30 South African, 12 Gold Coast and two Malta Scouts to join the party.

IS YOUR SUB. DUE?

## ON EXERCISES IN GERMANY

[illegible] IN GERMANY PIX etc. These three soldiers of the Lord Strathcona's Horse (RC), take time out for a snack during brigade exercises in Germany. They are, left to right, Tpr. Frank Cameron of Innisfail, Sgt. Bob Robson of Vermilion and Tpr. Ervin Beyer of Arrowwood, Alta.

## "The Canadian" Cuts Time

Equipment such as this, powered by diesel locomotives, will enable the Canadian Pacific Railway's new streamliner "The Canadian" to slice 16 hours from the present Westward transcontinental schedules when the all stainless steel train goes into service April 24th. The new train will travel the 2,881 miles from Montreal to Vancouver in 71 hours and 10 minutes, and the 2,704 miles from Toronto to Vancouver in 67 hours, 55 minutes, reducing the trip by a full night in each direction. The latest in accommodation includes de luxe coaches, a skyline coffee shop dome coach in which meals or snacks can be obtained at popular prices, a modern electrically-kitchened dining car, new 'Manor' and 'Chateau' sleeping cars, and the newest thing on Canadian rails - scenic-dome lounge-observation sleeping cars.

**W. C. MARTIN**

## 1,500,000 New Testaments Go Out To Canadian Children

Canadian Gideons reached a new milestone in 1954 in the distribution of New Testaments to Canadian school children.

The month of November saw the placing of the one-and-one-half millionth copy of the Scriptures in Canada by The Gideons. This was the cumulative effort of the past 43 years, the period in which The Gideons have been organized in Canada, and carrying on this Bible-placing ministry as an association of Christian commercial and business men.

The one-millionth copy of the Scriptures was placed in January, 1952, in Victoria Hospital, in London, Ont., since which time period of a little over 2 and a half years, one-half a million Books have been sent out. Of this impressive total, complete Bibles numbered one-half a million, familiar sights in hotels, motels, hospitals, schools and in prisons. New Testaments made up the balance and were presented to nurses in training, service personnel and to school children.

Apart from these Canadian placements, many thousands of copies of the Scriptures have been sent overseas to England and to Japan. The current foreign enterprise of The Gideons International in Canada is the supplying of upwards of 25,000 copies of a bi-lingual Spanish-English New Testament for distribution in hotel guest rooms in Mexico, a work now well under way.

In Alberta distribution of Bibles and Testaments is organized by members in Edmonton, Calgary and several other smaller centres. In Edmonton 3200 school children received copies of the New Testament while 5000 were shipped out to school divisions in northern Alberta.

## NEWS from ISLAY

Five men's rinks took part in the Kitscoty bonspiel. Dalton Torrance and Co. upheld the honor for Islay and brought home a prize.

The Islay School carnival is booked for Feb. 18. Contestants for the Carnival Queen, Senior room, Yvonne Hannon; Intermediate room Sharon Redmond; Primary, Charlotte Wilkinson.

On Saturday 12th at 3 p.m. a Benefit tea for local aid will be held in the United church. It is being sponsored by the W.A. of the United church.

Emerson Ternoster had a few days in hospital, also Bill Hancock. Little Joyce Kowalski is there now having had an appendectomy. She is doing fine.

Mr. Albert Anderson and Mr. Charles Robertson attended the Presbytery in Vermilion for the two days; for one day, Mr. Dave Martin and Muriel and Gladys Stone.

Charles Robertson and Muriel Stone attended the annual school meeting of Div. 4 at the Woodvale school. More should attend such meetings and learn the workings of the set up. If we should tell you that text and work books were to be supplied free; that a kitchen was to be set up in every central school and free dinners served - all to be paid for out of your taxes I believe the next annual meeting would crowd the school - don't you think so? Woodvale is a beautiful building, and I know the women would exclaim with delight at the beautiful hardwood floor, so glossy that you can see your reflection. One thing I would like to know, and so would Mrs. McGrath, the name of the plants in the Primary room. How about putting the names on them Mrs. Roberts? We noticed that all the men removed their overshoes before going up into the rooms. These new buildings are a great contrast to the ones of 20 to 30 years ago. It is a pleasure to be in them.

The Islay school annual meeting will be held Feb. 14 at 8 p.m.

Canadian taxes on the average automobile amount to from $400 to $800.

## Elected Regional Vice-President Life Underwriters

R. H. Olberg C.L.U. of the Monarch Life Assurance Co., Edmonton, was elected regional vice-president for Alberta at the 49th annual meeting of the Life Underwriters Association of Canada held in Toronto Jan. 28 and 29. Elected to the board of directors of the association was J. R. Flummerfelt C.L.U. London Life Insurance Co., Calgary.

Mr Olberg's region covers the Province of Alberta.

Seventy of the 74 local organizations of the Life Underwriters Association of Canada were represented by delegates from points as far east as St. John's, Nfld., and west as far as Victoria, B.C.

Income tax was unknown in Canada prior to 1919.

# Vermilion Municipal Hospital
## District No. 2
## RATES 1955

**RATEPAYERS—**
$1.50 per day, extras included
FOR ALL IN-PATIENTS

**CONTRACT HOLDERS—**
$1.50 per day, extras included
FOR ALL IN-PATIENTS

**NON-RATEPAYERS—**
$6.30 per day, plus extras, 16 yrs. and over
$5.30 per day, plus extras, under 16 years

## Non-Ratepayers' Contracts

Non-ratepayers resident within the VERMILION MUNICIPAL HOSPITAL DISTRICT may qualify for ratepayers' rates and privileges by purchasing a non-ratepayers' contract during the month of JANUARY 1955.

That all resident males eighteen years or older other than students in a recognized educational institution, who are not ratepayers, be required to purchase hospital contracts before they are eligible for hospital benefits.

CONTRACT RATES

JANUARY 1955 $10.00 per family including extras, and transfer privileges to Edmonton Hospitals.

CONTRACTS purchased AFTER January 31st do not become effective for a period of 60 days.

*The Vermilion Municipal Hospital will pay $5.00 per day for medically referred or emergency patients.*

Contracts are available by mail or in person from the Secretary at the Hospital.

Full information is also available at the Hospital Office, or from the Secretary-Treasurer.

BY ORDER OF VERMILION MUNICIPAL HOSPITAL BOARD

I. MOFFAT, Secretary-Treasurer

# WOODVALE NOTES

Despite the mild winter weather colds and sickness seem very prevalent. Mumps still keep appearing in different families, the Galloway's, the Ruude and now the Hohol family has Elmer in bed with it.

Mrs. F. Kottmeier made several trips to Edmonton recently for treatments to her ear. While she and her husband were away Frankie Wolters looked after the farm and got a taste of batching.

Mr W. Marchell is still in Islay hospital but slowly improving and meeting there several old acquaintances like Mr T. Monger of Woodvale and Mr Bill Davies of Islay.

Mrs Bill Fortune and her brother Bert Portsmith left a few weeks ago for Peterborough, Ont., to visit a sister Mrs Bell who was seriously ill. Mrs. Fortune is expected back any day now but Bert plans to stay awhile longer.

The February meeting and quilting bee of the Red Cross Auxiliary was held at the home of Mrs. Van Wageningen on the 2nd with 13 ladies present so there was some extra time for the business part of the meeting. It was decided to donate $5 to the March of Dimes. More quilt blocks were brought and there are enough now for another quilt. There were three visitors who did their share of quilting, Mrs. C. McLean, Mrs. J. Hohol and Mrs. Walter Lysons. It is hoped they will come again and join this busy group. The next meeting is scheduled for March 2 at the home of Mrs. Enna Lysons, if the road is still open, otherwise the meeting will be held at Mrs. Harry Portsmith's. The quilt made this afternoon will go to the Vermilion Branch.

On Friday there was a skating party at night on the Wolters' farm with a large young crowd enjoying themselves thoroughly and a delicious lunch being served at the house afterwards. Quite a number stayed to play games and a lot of fun was reported to the writer by her two young guests who so recently arrived in this country. They still can't get over the number of parties held and the amount of cake, always more than they can eat! No wonder they like Canada!

The Woodvale Mutual Telephone meeting was held in Union school Thursday, Feb. 3. Harry Turner stayed in as President and Joe Ahlgren as the secretary-treasurer. This Monday several members worked to put new poles in the slough near Teasdale's, a place where no work can be done in the summer and where trouble is so often located.

The hydro was off for a couple of hours on Monday.

Adam Dunsch helped at Art Lysons' store last week. He has been a visitor and a helper quite often in the community.

LEGION VIMY DANCE

Watch for further particulars of the Legion Vimy dance to be held Easter Monday night April 11. 31-2x

Canada imported 28,151 gallons of sparkling and 1,000,116 gallons of non-sparkling wines in the 12 months ended March 31 1954.

*Order your COUNTER CHECK BOOKS from The STANDARD.*

## Sixteen Years Ago Today

*Feb. 9, 1939*

A frigid week had been experienced with an official low of 46 below at V.S.A. and 51 below in Edmonton. The high for the week was 12 below.

The boiler inspector ordered one of the boilers in the power plant replaced and sundry other repairs effected.

H. Meyerman was appointed as secretary-manager of the Derwent Livestock Marketing Assoc. The President was N. Morrison.

## Thirty-two Years Ago Today

*Feb. 7, 1923*

Winners at the annual carnival were Miss Grace Williams, Miss Emily Hay, Mr Ronald Barwick, Isabelle McKenzie, Kathleen Craig, Albert Minsky, G. Stacey, J. Currie and Miss Bowden.

Weather dropped to 40 below last Saturday, 3 inches of snow fell on Sunday, a Chinook came up Monday night, two showers of rain fell Tuesday and along with the Chinook made everything very slushy on Wednesday.

The annual meeting of Queenie Creek Stampede Assoc. was held with Anthony Dixon president, Tom Shadowcroft vice-president and G W Williams secretary. Directors were C. V. Casey, Chris Jenkins, Walter [illegible] and Fred Martin.

NOTICE RE OTTAWA R.E.A.

Ottawa Rural Electrification Association will accept all applications received before Feb. 18 for the year 1955. Applications to be made to the secretary, A. L. Tovell before this date. 31-2

BOWTELL

Dance at Bowtell on Friday, Feb. 11. Horpestad music. Admission 60 cents each. Lunch supplied 31-2

Problem: The Federal government is holding some 65,000,000 lbs. of butter, bought with taxpayers' money at 58 cents a pound. Meantime the world butter price is 41 cents a pound.

DERWENT THEATRE

Showing at the Derwent theatre Sat. Feb. 12 and Mon. Feb. 11 "The Stooge", with Dean Martin and Jerry Lewis in a laugh riot. Wed and Thurs. Feb. 16 and 17 "The Outriders" in color starring Joel McCrea and Arlene Dahl; Sat and Mon. Feb. 19 and 21 "My Cousin Rachel" a powerful drama. 32x

High costs have pushed most imported wool cloths into the so-called 'special' bracket whereby they enter Canada under greatly reduced duty benefits to the detriment of the Canadian textile industry.

# NOMINATIONS ARE CALLED FOR MAYOR AND FOUR COUNCILLORS

Vermilion needs a mayor and four councillors and nominations for the offices must be made Monday, Feb. 21 between the hours of 11 a.m. and 12:00 noon at the town offices. Returning Officer is H. W. Johnston.

The office of mayor and two of the council expired in the normal way, and of these Mayor Heckbert who has served four years is not standing for re-election nor is one of the councillors Mr. George C. Webb. The second councillor Mr. G. W. Sutherland has consented to run for a second term. The two other vacancies on the council were created by the resignations of Mr. K. G. Urquhart who after eight years has decided to retire from municipal government and Mr. Melvin Hill. Mr. Hill submitted his resignation due to the fact that he has been prevailed upon to be nominated for mayor.

Nomination day is Monday, Feb. 21. Election day follows two weeks after, Monday, March 7.

## Bereaved by Death Of Mother

Bill Pettigrew was bereaved last Saturday by the death of his mother who was killed in a car accident that day. The accident occurred on the highway 1½ miles north of Wetaskiwin. Mr. Pettigrew Sr. was also seriously injured in the accident.

Mr. and Mrs. Pettigrew Sr. live at Millet and were on their way home to that town, driving north, when their car and a southbound car collided head on. The driver of the second car, Ralph Hoeffling, was also killed in the accident.

## Board of Trade Meeting Wed.

The Board of Trade will hold its regular weekly meeting as usual on Wednesday next, Feb. 23rd at 12:10 noon at the Rio Cafe. It is hoped that some of the visiting curlers will attend that day, as it is bonspiel week in Vermilion.

All business men, employees and farmers are invited to attend these weekly meetings. Everyone is very welcome.

## Play Night At V.S.A. A Coming Event

Many residents of Vermilion, and friends of the School of Agriculture are expected to attend the School's "Play Night" which will be held this Saturday evening, February 19. This event has become a popular annual feature of the college program, and the quality of the plays shown in the past has always impressed the audiences.

Once more, three plays are planned. They include a mystery-farce entitled "The Midnight Ghost"; a comedy "Here Comes the Bride," and a drama "Moon-Up." Each of these plays is directed by members of the College staff, and the cast is drawn from those students who wish to acquire or add to their experience in dramatics.

The students are very enthusiastic about the choice of plays to be presented this year. The mystery element is introduced into the farce, which adds excitement to the action in which anything can happen when two ghosts decide to haunt the same house. "Here Comes the Bride" is a short item, presenting a riotous but rather unusual situation in college life. The drama, "Moon-Up" is a different story of a mother's love for an errant son. Altogether, it is expected that this year's program will produce the popular acclaim the School's previous dramatics have won. Curtain time is 8:15 p.m.

Ten Sheets of Ice — Five Competitions

# Weather Conditions Favor Bonspiel

Usually the largest event of its kind in rural Alberta, Vermilion's annual bonspiel is scheduled to start on Monday and will run for four days. Ten sheets of ice all right in the town will be used, six regular sheets in the new curling rink and four in the arena. All indications point to favorable weather — something the local curlers have not enjoyed for their spiel for at least three years, always seeming to run into a very mild spell.

Five competitions will be played assuring each rink of a minimum of five games. A "Smorgasboard" (all you can eat) will be held on Tuesday evening between the hours of 5 to 8 at the Legion hall at which all curlers will gather.

Entries for the spiel should be made to the local secretary Russell Carroll not later than Saturday, Feb. 19. Fees are $16 per rink.

Annual Meeting Held on Monday, Feb. 14th

# VERMILION RATEPAYERS REVIEW A YEAR OF PROGRESS

Ratepayers of the Town of Vermilion gathered at the annual meeting Monday evening and heard a review by the Mayor and members of the council of progress made during 1954. It appeared that the town had again made decided headway with the following achievements headlining activities for the past year. Twelve blocks of hard surface had been laid thus servicing the entire business section of the town; all of the roads in the other parts of town, 7 miles in all, had been treated with oil, 7,280 feet of new roads had been graded in new residential sections and gravelled; 2 miles of lanes had been graded and gravelled; water and sewer extensions to new residential sections of the town had been completed, a physical education instructor had been engaged during the summer months to teach swimming and P.T., new areas had been purchased by the town from nearby farmers to allow for the steady expansion so noticeable year by year; a wading pool had been built by the Kinsmen in the town playground; improvements were continued at the provincial park until now it is regarded as the playground of north-eastern Alberta; a new 12,000 fire truck had been purchased; a new hospital was commenced ultimate cost of which will be in the neighborhood of $300,000.

Many more improvements could be notated from the reports made by the councillors but the above will indicate the mammoth amount of work carried out year by year by the Mayor and Council of the town.

G. F. Stephens was moved to the chair for the meeting with E. L. Weeres appointed secretary.

THE HOSPITAL

Mr. Frank Welsh representative of the Town of Vermilion on the Municipal Hospital Board reported for that body. Considerable discussion centred around several errors made in the new building notably that of overlooking the installation of the required sprinkler system for fire prevention until the construction was well advanced. The sprinkler system had never been included in the architect's plans and the plans had been approved by the Building Branch Department of Health in Edmonton. Now the sprinkler system had to be installed at increased cost to meet the requirements of the Federal Department of Health in order to obtain the grant from that source. The system will not be as well concealed as would have been the case had it been included in the plans. Several exit doors were too narrow, not the required 42 inches in width and brickwork had to be torn out to put in the wider doors. Mr Welsh pointed out that these mistakes were very regrettable but had now been found out and were well on the way to being rectified.

The hospital now has on staff ten nurses, five nurses aides, 1 engineer, 7 kitchen and general help, one secretary and one assistant secretary, and one X-ray and lab technician, a staff in all of 26.

PUBLIC WORKS

Councillor K. G. Urquhart reviewed the work of the Public Works Department for 1954 touching on many of the projects noted in the opening paragraph. At the conclusion of his remarks he announced his retirement from the council after serving thereon for 8 years.

WATER & SEWER

Councillor Hill, chairman of the Water and Sewer committee gave some interesting facts, mainly that there were now 567 connected to the water lines in town and 532 on the sewer lines.

There are only 13 homes without either water and sewer in the town, and another 35 homes without the sewer but with water connections.

PUBLIC READING MORE

Convener of the Library committee was G. W. Sutherland who noted a very large increase in circulation of library books from 7,082 in 1953 to 9,764 in 1954. He also announced that the Kinsmen and Stagette clubs had undertaken to fix up the basement of the public library as a place to hold lodge meetings and that this would also be available for other organizations to hold meetings as well.

Councillor Mitchell reported considerable work at the arena rink done by the town's public works crew, also care of parks and boulevards.

BETTER BEHAVED

On behalf of the Police committee George Webb stated that costs in this department were up as the charges for services by the R.C.M.P. had been raised to $2000 per officer. Speaking well for the behaviour of the general public was the fact that fines levied were much lower in 1954 than the previous year, amounting to $1286. Mr. Webb also stated that new traffic by-laws for the town were being drafted.

APPRECIATES FIRE BRIGADE

Councillor H. J. Payne expressed his appreciation for the co-operation of the fire brigade as he was chairman of the fire committee and of street lighting. He remarked on the purchase of the new $12,000 fire engine.

Mayor S. C. Heckbert was the last speaker and summarized activities of the council in his annual report, remarking on many of the achievements notated in the opening paragraph as well as many other important business matters dealt with during the past year.

TAX COLLECTIONS

The Mayor reviewed finances and revealed that the total tax levy in Vermilion for 1954 was $134,710 and of this $123,289 or 91.5% had been collected. Tax arrears had thus shown a sizeable decrease over those of 1953 which totalled $9,089. The town cash reserves remain intact and consist of $12,000 in Dominion bonds and $22,500 in debentures of the Vermilion School division.

Mr. Heckbert announced his retirement as Mayor after four years as certain other obligations of a provincial nature rendered it impossible for him to seek re-election for a further term of office.

Expressions of appreciation were moved to the retiring Mayor and to retiring Councillors Urquhart and Webb as well as to all the council for work very well done during the year and to Mr Welsh for able representation on the hospital board.

Mayor Heckbert reminded the ratepayers present that the town needed a mayor and four councillors for 1955 and urged them to give this problem their [illegible] [illegible] [illegible] [illegible] [illegible] similar [illegible] of the past years.

# TIGERS WALLOP RANGERS 7-0 IN FINAL LEAGUE FIXTURE

**End Regular Games In A Blaze of Glory**

The Vermilion Tigers did several things in the game Wednesday night. They ended the regular league games in a blaze of glory by walloping the high flying Vegreville Rangers 7 goals to 0. In so doing they clicked as they have never clicked before this season: they had goal scoring punch, they covered their men, they had plenty of 'oomph' in their power attacks. They grabbed off fourth spot in the league play-offs, they scored the first shut-out of the league — and they raised their faithful fans' hopes of good things to come in the play-offs.

In scoring a shut-out Johnny Laporte turned in a remarkable game and in recognition of this Ernie Clendenning immediately announced that the sparkling goalie had qualified for one of his Stetson hats. Clendenning's Family Wear for the past two seasons has been presenting a Stetson hat to every Tiger player performing the hat trick. Johnny can't score goals very well from his spot on the team but he can score a shut-out and his great display was rewarded by Mr Clendenning's award.

Owing to proximity of the game to press time a detailed report cannot be given. Tigers needed the game to be sure of beating St. Paul out for the fourth play-off berth in the league. They went out after a win and they got it in no half way fashion.

Both teams were at full strength and Vegreville on their former display here were looked on as the smartest team of the league. The ice was sticky in the first period, but the Tigers rammed home three goals. They repeated in the second and finished off with a good defensive exhibition while still notching a singleton. Every man on the Tigers played heads up hockey. Details are contained in the summary.

Gordon Harrison refereed, and there were 387 paid customers on hand.

VEGREVILLE: Lesnik, Bushrer, Bandura, Van Deelan, Charuk, B. Charuk, Z. Vegara, Urbyn, Makowichuk, Shandro, Malinski, Hrechuk.

VERMILION: Laporte, Kreiler, L. Williams, Novak, Cooper, Footz, Schmidt, Barr, W. Williams, Sherban, Leahy, Ewen, Little, Chryzanowski.

SUMMARY: 1 Schmidt (Novak, B. Williams), Chryzanowski (Sherban, Little), Les Williams (Kreiler). Pen. B. Charuk, Little, Bushrer, Schmidt.

2nd: Kreiler (Sherban), Kreiler (Little, Chryzanowski), Cooper (Les Williams). Pen. Vagara, Malinski, Leahy, Van Deelan.

3rd: Sherban (Chryzanowski, Les Williams). Pen. Shandro, Bill Williams, Shandro, Little.

## Clendenning's Present Laporte With Stetson Hat

Immediately following Vermilion Tigers sensational 7-0 victory over the Vegreville Rangers Wednesday night, Ernie Clendenning, of Clendenning's Family Wear, announced that he would present Johnny Laporte, Vermilion goalie, with a Stetson hat, in recognition of his brilliant display of net minding. To date this is the only shut out in the Eastern Alberta Hockey league this season.

For the past two hockey seasons Clendenning's Family Wear has presented a Stetson Hat to every member of the Vermilion Tigers who performed the "Hat Trick."

## Play-Off Dates Not Known

Two games remain to be played in the Eastern Alberta Hockey League: Wainwright at Viking on Thursday Feb. 17 and St Paul at Viking Friday, Feb. 18. Play-off dates will probably be issued as soon as these two games are played.

General Election Will Be Held

# Many Candidates In Minburn M. D.

MANNVILLE — The Municipal District of Minburn No. 72 will have a general election and the following were nominated on Feb. 3 with only two withdrawals [illegible] 48 hours.

Division 1 — Castle Scott, [illegible] Kyben.

Division 2 — Ernest Anderson, A. W. Eidand, Jos. H. [illegible], Emmott, Watson, Fowler withdrew.

Division 3 — Paul Trynchuk, [illegible] Ross.

Division 4 — Paul Kaminsky, Steve Chorneski, George Erickson.

Division 5 — Jos. Makowecki, Basil Samoil.

Division 6 — John [illegible] M. D. [illegible] Chester Lowe withdrew.

Division 7 — George [illegible] Nick Lotruk.

Hospital board members were elected by acclamation as follows:

Ward 1 Mannville — Lester Em[illegible].

Ward 2 Mannville — Leon Ma[illegible].

Ward 3 Mannville — George Younge.

Ward 4 Vegreville — Jacob Yaf[illegible].

Ward 3 Vegreville — John Kot[illegible].

## Hockey Club Plan Sportsmen's Banquet

**Grey Cup Film — Sports Celebrities To Be Present**

The Vermilion Tigers Hockey club are sponsoring a Sportsmen's banquet in the Legion hall on Monday, Feb. 28 at 7 p.m. An outstanding program is in the course of being arranged built up around the showing of the 1954 Grey Cup film and the presence of sports celebrities from the worlds of football, baseball, golf, curling and sport writers.

Quite a number of sports celebrities will be guests at the banquet and among those contacted so far are Mr. Bud Polle, John Ducey, Rollie Miles, Pop Ivy, Glen Hall, Eagle Keys, Frankie Morris, Rollin Prather, Frank Anderson, Bill Pawson, Clarence and Stan Moher, Cy Thomas, Al Shaver, Don Fleming, Maurice Carter, Art Ward, Bart Gibb. Many have already stated that they will definitely be here and others in mind are still to be contacted.

Tickets for the Sportsmen's banquet are $5 a person. In other towns these have gone over in a big way and have proved a means of providing a very enjoyable and novel evening, also providing the hockey club with a fine contribution to its funds.

It is hoped to sell 200 tickets and these may be obtained from members of the hockey executive.

## Liberals Nominate Dr. F. Smith, Camrose

Dr. F. M. Smith of Camrose was the choice for candidate at a nominating convention of the Battle River-Camrose Liberal Association held at Viking on Wednesday. Two others were nominated besides Dr. Smith. They were A. W. Eastly, weekly newspaper publisher, Sedgewick, and Mrs. Mildred G. Redmen of Hardisty.

Hon. George Prudham, minister of mines and technical surveys was the chief speaker at the convention.

The Social Credit party has nominated J. A. Smith, of Kitscoty, as its candidate while William Irvine is the nominee of the CCF party.

The recent death of Robert Fair, Social Credit member, created the present vacancy. He had been a member of commons since 1935.

No date has been set for the by-election.

## High School Holds Annual Bonspiel

On Saturday, February 5th, V.H.S. held its annual high school bonspiel. Twelve rinks were entered and the foursome consisting of Bill Stonehouse, Bill Tough, Henry Wilson and Marjory Waidenberger won the Grand Challenge by defeating Stewart Cooper's rink in the final. The consolation was won by the quartet of Ed Frissell, Sue Carmichael, Robert Taylor and Larene Madill when they defeated Donald Stewart's rink in the final.

Last week two V.H.S. girls basketball teams played two games against V.S.A. In the first game the V.S.A. girls defeated the grade ten and eleven girls 18-15. In the second game the girls' "A" team defeated the V.S.A. squad 60-14.

V. H. S. finds it impossible to sponsor an ice carnival this year. Although we had our plans made and our committees ready to function we found that the flu epidemic left us short of talent and time.

## Acquitted

Edward Taylor of Mannville was acquitted by Magistrate Basler in police court at Mannville on Wednesday morning Feb 16th on a charge of theft of a diamond ring. His Worship in the course of his remarks absolved Mr Taylor from all blame in the matter. F. J. Richardson Q.C. acted for Mr Taylor.

## Ben Klatt Wins Top Provincial Award

Mr. Ben Klatt, manager of the Alberta Poultry Producers station in Vermilion has won the Challenge Shield for Registered Egg Grading Stations in the province for the year 1954.

This is an award made yearly by the Western Canada Producers Association (Alberta Division) and is made to the operator receiving the highest number of points for efficiency of operation, improvement of premises and equipment, and where the operator in the opinion of the judges, has made an outstanding contribution to the general improvement of the industry within his sphere of influence during the year.

Mr. Klatt annexed two prizes in the competitions both of them firsts. The young plant manager was thus entitled to attend the annual banquet of the Western Canada Produce Association at the Palliser hotel in Calgary on Feb. 7th where he was officially presented with the awards for his outstanding work.

## Complete Annual Meetings In Vermilion S. D.

Annual subdivisional meetings were held at the various centres throughout the Vermilion School Division during the first two weeks in February. The attendance was slightly higher than in 1953 when these meetings were held before the end of the fiscal year. Supt. Simonson's report showed that recommendation of Co-terminous Boundary Commission had been implemented by establishment of a coterminous unit comprising Vermilion School Division and Vermilion River M.D. Boundaries of the various subdivisions have been re-aligned with the area north of the Saskatchewan River formerly in the St. Paul School Division being now included in Subdivision No. 3 of the Vermilion S.D.

Three trustees were elected by acclamation. Mr. T. Clutterbuck, Lloydminster being re-elected for subdivision No. 2, Mr. Allen Weeks, McLaughlin to complete the unexpired portion of the late Mr. Arthur Clark's term of office and Mr. Claude Brennan, Vermilion, replacing retiring trustee Mr. A. H. Cooper in subdivision 6.

Organization meeting for the new board will be held on Friday, Feb. 25 when new trustees will take office.

## Invitation To Ladies' Social Bonspiel

The Vermilion Ladies Curling club wishes to extend an invitation to all ladies who are interested in curling to enter a Ladies' Social Bonspiel. Please call Mrs. C. Long, phone 161 before Feb. 27 if you wish to play. The bonspiel is to start Monday Feb. 28.

## Home and School To Meet

The regular monthly meeting of the Vermilion Home and School Association will be held on Tuesday, Feb. 22nd at 8:00 p.m. in the Junior high school.

# Vermilion 4H Clubs Organize for '55

The Vermilion 4H Grain Clubs met on Saturday evening to reorganize for another year. Ray Armstrong is the new president of the [illegible] club and Philip Taylor is vice-president. Allan Cunningham was elected secretary. George [illegible] was [illegible] as leader of [illegible].

[illegible] the officers [illegible] Ross Hee[illegible] Misick [illegible] the senior [illegible] Misick, Nick Ja[illegible] Green [illegible].

[illegible] people this [illegible] in these two clubs. [illegible] F. H. Buck [illegible] R. C. Hocking assistant [illegible] congratulated the members [illegible] splendid efforts during 1954. [illegible] membership has now in[illegible] which indicates the interest farm boys and girls are taking in the 4-H Club movement.

Seed orders were listed at the meeting and sent in to the Department of Agriculture for all members who needed new seed.

The clubs in this area are all planning to put on thematic displays at the Vermilion and Lloydminster summer fairs.

HELP YOUR NEIGHBOR

Members of the Town Council at the meeting Monday night asked for the opinion of ratepayers regarding sending the fire engine and members of the brigade outside the town limits to help fight fires either at farms or nearby villages. Vermilion now has a fire truck which can make good time on the road and render valuable assistance to neighbors in distress. In times past Vermilion Fire Brigade has always gone to help whenever called upon. The debatable point is, of course when the fire truck and some members of the brigade are out of town it leaves Vermilion itself without adequate fire protection. It is possible to have a fire break out here at the same time as one is raging elsewhere to which the brigade might be called. This is possible but not very probable and without hesitation we would say send help to our neighbor in distress. Only half the brigade leaves with the engine on such emergency calls. With the acquisition of the new fire truck last year we have two usable engines. With half the brigade home, one old fire engine and plenty of fire hydrants and water the town would still have fire protection every bit as good as prior to 1954 when the new engine was purchased.

You are there when a bewildered youngster in a foreign land joyfully accepts fresh clothing supplied by the Canadian Red Cross.

The Canadian Red Cross provides current weekly films for hospitalized veterans.

## F.W.U.A. Delegation Meets Premier

On Friday morning, February 11, a delegation from the Farm Women's Union of Alberta met with the Premier and Cabinet members and presented the resolutions endorsed recently at the Annual Convention. The brief contained matters of policy such as Property Laws Affecting Women, Health, Mental Health services, Mothers' Allowances and Education. Resolutions on Grants to Regional Libraries, Proper Disinfection after Scarlet Fever, Setting up of a Scholarship Board and an approved program for Homes for the Aged in this Province. The delegation received a very good hearing and there was a co-operative exchange of information.

BETTER HOLE UP AGAIN!

Alex Ross spotted a gopher darting around some 10 miles south-east of Vermilion on Tuesday Feb 15th. The gopher was getting his first look at the New Year during those bright, sunny days early this week. If he is wise he had better cuddle down in his hole again as a north-west wind sent the mercury down to the zero mark Thursday morning with lower temperatures to come.

## By Your District Agriculturist

# "GREEN ACRES"

WARBLE FLIES

Every cattle owner ought to get rid of warble flies. Cattle will not graze properly when warble flies are buzzing around in July and August. The loss of milk and beef is heavy. The time to kill warbles is when the lumps come on the back of the cattle in February and March. Warble fly powder is sold at every drug store and in hardware stores. Directions for use are on the package.

ELECTRICITY IN THE HOT BEDS

We used to use horse manure to give us heat in hot beds. Now it is hard to find the horse. Anyone in town or on the power line can use a heating cable. Why not grow your own bedding plants and also early lettuce and radish in a hot bed at home? Hardware stores sell these cables which are reasonable in price and last for years. Get a circular from this office on using heating cables in a hot bed.

AGRICULTURAL OUTLOOK

I have a supply of the Canada Government circular entitled 'Agricultural Prices Outlook for 1955.' Come in or write in for your copy.

RABIES CONTROL

Some people think that Rabies control is not in effect in this district. Alberta regulations set out the 53rd parallel as the southern line for Rabies control. This means that anyone who does not keep his dog confined or under control in this area is breaking the law. Dogs are not to run at large at any time unless the owner is there. By-laws in the towns stopping dogs from running loose all help in checking the spread of Rabies.

GUARDING AGAINST RABIES

When people are bitten by dogs or coyotes which appear abnormal they should see a medical doctor immediately. In fact any dog bite should be carefully checked. The dog should be tied up for two weeks and if he shows any sign of madness the person bitten should see a doctor immediately. Report all suspicious cases of Rabies in dogs or coyotes or other wild animals to the R.C.M.P. or to Dr. Young at Vermilion or Dr. Chiles at Lloydminster.

FORAGE SEED

Grass and Alfalfa seed is higher in price this year which means that it is scarce. Anyone planning on seeding down a field to grass ought to see about seed very soon. The seed plant at Marwayne, Gordon Ross at Vermilion and Mr. Swain of Mannville are handling seed for the Alberta Seed Growers Co-op.

## Bewley Bulletin

At the time of writing on Feb. 15th it is just like spring. This has certainly been a very mild winter.

A little late but congratulations nevertheless to Iris Lind on receiving her nurse's cap recently in Edmonton.

Congratulations to Mr. and Mrs. C. Pierman on the birth of a baby boy Sunday in the Vermilion hospital.

Mrs. A. Morrison and Mrs. A. Burton are on the sick list at time of writing and a quick recovery is wished them.

Visitors at the home of the writer Sunday were Mr. and Mrs. B. Wells, Mr. W. Armstrong and Albert. Your visits were much enjoyed folks.

Mr. and Mrs. Lippert and family were guests for supper on Sunday at the home of Mr. and Mrs. Repp.

## Another Serious Issue

## Alberta's Department of Agriculture

Alberta's Department of Agriculture was organized when the Province was created in 1905. Its objective is the constant improvement of farming practice, so that the farmer may receive the greatest return for his efforts without impairing the soil's fertility.

The work of the department is carried on under a number of branches, each staffed with men and women having special training and experience.

The Field Crops Branch has four divisions, all concerned with better crops and the improvement of cropping methods. These are

1. Crop Improvement. This division assembles and distributes information about crops and varieties of seed. Special emphasis is placed on forage crops. The use of better seed is encouraged and contributions are made toward the cost of municipal seed-cleaning plants.

2. Weed Control and Soil Conservation. Working closely with the Agricultural Service Boards, this division strives for increased returns to the farmer through better land use.

3. Horticulture. This division includes the provincial horticultural station at Brooks and a forest nursery station at Oliver. Information on trees, fruits, flowers, lawns and vegetables is provided and improvement of home grounds encouraged. A tree planting program with an objective of 100,000,000 trees is well under way.

4. Crop Protection. This division seeks to control pests and diseases. Information is distributed, and active campaigns for the control of field crop insects, rat migration and livestock predators waged.

The Agricultural Extension Service Branch, through the preparation and distribution of useful information, helps farmers to improve the effectiveness of their operations. To this end the branch employs 47 district agriculturists, 16 district home economists, a staff of supervisors as well as specialists in agricultural engineering, nutrition and home design. Many thousands of public meetings, home visits and office interviews are held each year. Agricultural statistics are compiled for general use, and Alberta's Master Farm Family program honoring outstanding families in five sections of the province is conducted by the branch.

The Radio and Information Branch is responsible for the radio program "Call of the Land." Information of agricultural interest is broadcast Monday through Friday from six Alberta radio stations, and printed releases are prepared and distributed weekly to the farm press and others.

The Poultry Branch assists farmers with their poultry enterprises. Flocks supplying eggs to hatcheries are tested and an experimental farm is operated at Oliver.

The Apiculture Branch is concerned with the promotion and efficiency of bee-keeping.

Schools of Agriculture and Home Economics are operated by the department at Olds, Vermilion and Fairview. Practical two-year courses in agriculture are offered to boys, and in home economics to girls. Courses start in October and continue until early April.

The Veterinary Services Branch seeks to reduce disease losses to the livestock and poultry industries, to this end maintaining a modern laboratory for diagnostic services.

The Livestock Branch promotes better breeding in cattle, sheep and swine through the greater use of purebred sires and encourages improvement generally through recommended feeding and management practices.

The Dairy Branch is concerned with improvement of the dairy industry from the raw to the finished product. As well as directing attention to production on the farm this branch is responsible for dairy factory and frozen food locker plant inspections.

The Fur Farm Branch provides Alberta's fur farmers with information and assistance designed to improve quality, reduce diseases and generally to increase efficiency in the production of ranch furs.

AGRICULTURE IS YOUR BUSINESS

GOVERNMENT OF THE PROVINCE OF ALBERTA

## NOTICE Of Nominations

PUBLIC NOTICE is hereby given that I will attend at the Town Hall, Vermilion, Alberta, on Monday, the 21st day of February, 1955, from ELEVEN o'clock in the forenoon until TWELVE o'clock noon, for the purpose of receiving Nominations of Candidates for the Office of Mayor for the next ensuing two years; Two (2) Councillors for next ensuing 2 years; Two (2) Councillors for one year to fill vacancies caused by resignations.

GIVEN under my hand at Vermilion, this 14th day of February, 1955.

H. W. JOHNSTON,
Returning Officer.
32c

## Winners At Mannville Ladies' Bonspiel

MANNVILLE.—Honors were divided between Minburn, Vermilion and Mannville in the Grand Challenge as Mrs. Lunn (Minburn) and her foursome came through to take first prize. Mrs. Gerhart (Mannville) was second, Majeau of Mannville placed third, while Locke, of Vermilion was fourth.

In the Merchants competition, McLuckie of Mannville claimed top honors after neatly edging out Cross of Vermilion, placing her second. Williams of Vermilion and Mercer of Mannville claimed third and fourth places respectively.

The Consolation event was topped by Bodard, Vermilion, with Scoggins of Mannville second. Caron (Vermilion) third and Emmott of Mannville and Buffalo Coulee, fourth.

The first rink to go off the board proved to be Nelson, Minburn, a prize being given for same. Majeau, a local rink, claimed the honor of having the first big end, winning a special prize also.

We understand that the Hi-School whom we were glad to see admitted this year, and Manz, also a local rink, tied for Hard Luck prize.

## Union F.U.A. Notes

A successful card party was held in the hall on Feb. 9 with seven tables filled. It seems the fireman was too enthusiastic and the electrical circuit breaker got too hot and tripped off. However, fortunately, there was an amateur electrician present and he fixed the trouble. While the lights were awaited there was an impromptu sing-song with a very amateur pianist leading the way. The prize winners for cards were Doris Halloway and Viggo Lysons. Both received cans of jam. The consolation of 2 bars of soap was won by a couple — well we won't mention names.

Mr. Stan Ross' "One Man's Viewpoint" should study up on how to win friends and influence people, among farmers at least. He won't do it by blasting our Wheat Board. The farmers pay the cost of operating the board and are behind it almost 100 per cent so why should Stan Ross worry. It could be pointed out to him that despite the huge surplus wheat is still over $1 per bushel — thanks to the Wheat Board. When open market prevailed and there was a surplus the price goes down to 30 cents as it did in the 30's.

BINGO DANCE PLANNED

Plans are underway for a big bingo at the hall on March 4 with a dance to follow. There is also a dance Feb. 18. Drop in won't you?

The next card party is March 23. Please bring your friends again. Ladies whose last name starts with the initials A to H bring sandwiches, remainder bring cakes please. If you bring no lunch at all then bring two bits.

A man lived on the Alberta-B.C. border for years without knowing for sure which province he lived in. Finally he hired a surveyor. You live in B.C., the surveyor said. Thank Heaven, roared the man, no more of those awful Alberta winters!

Port nurseries operated by the Canadian Red Cross welcome New Canadians at St. John and Halifax.

## ELECTION CARD

MINBURN MUNICIPAL ELECTION MARCH 3rd

Having been a member of the Council of the above mentioned Municipality for the past three years, I again solicit your support at the polls on March 3rd.

I would like the opportunity to complete my program which I have only started.

I pledge myself to give to the best of my ability fairness and efficiency to all ratepayers.

Please take note of the new boundaries, and please vote.

Respectfully submitted,

CASTLE SCOTT.

# LETTERS TO THE EDITOR

The Editor,
Vermilion Standard.

Dear Sir:

As a paying fan I would like to voice my opinion of the management of the 'Tigers Hockey Club' as I see it.

I fail to see why there is such a big thing made of the fact other towns in the league are improving the brand of hockey played by bolstering their teams with imports. I say more power to them. For all we know their heavier players may be like our own, and will not come out and play hockey. It seems strange to me that a smaller town like Viking can ice such a much stronger team while Vermilion seem to find it so hard to do. After all we have a large industry operating here as well.

The young Tigers do their best, but one or two bone-crushing jolts from these heavier and in most cases more experienced players is enough for anyone in one night's play.

This abuse of these young players I'm afraid is going to make them 'gunshy' and never will improve and will become spoiled.

So I say rather than brag about our non-import team we should feel ashamed of ourselves. these kids need a break with a good "tough" defence to back them up. So what about it Vermilion? Are we going to sit on the fence and let Vermilion's hockey die of a natural death, or are we going to do something about it?

Just a Fan.

Disaster can happen here! You are serving in any emergency when you support the Canadian Red Cross.

## INCREASE YOUR PROFITS FROM PASTURE AND HAY LANDS.

The carrying capacity of pastures and the production of hay lands can be greatly increased by the application of suitable fertilizers.

We have information on the results that have been obtained from fertilizing grasses. Let us tell you about them.

Order your Elephant Brand Fertilizer now—take delivery early, so that you will have it home before the roads break up in the spring.

## Hockey Chit-Chat

by GERRY MARSHALL

Before this is published the Tigers will either be in the play-offs or packed up for the season. Regardless of what happens we shall be proud of the Tigers. No gamer club has come out of Vermilion for many a moon and this club was really digging and checking in that race to the post.

PLAY GREAT HOCKEY AGAINST VIKING

Last Saturday's game with the Viking Gas Kings was a terrific example of hustle and although they lost 4-3 the Bengals played great hockey and had the Gas boys hanging on the rope at the final gong. They checked close, they skated hard and completely disorganized the powerful Viking squad. Eight minutes of the first period saw the Tigers' big chance to clinch that last play-off spot go down the drain. Slapping in three goals the Gas Kings virtually put the game on ice. Down 4-1 at one time the Krellerless Tigers battled back to within one goal difference. Les Williams was the trigger man on the last two goals and Frankie Ewing scored the first one.

Bill Novak, back on defence, played a great game as he checked well and threw a few clean body-checks out at the Dunnigans and their crowd.

WEIRD GOALS AT WAINWRIGHT

Monday night the Tigers dropped another close one to Wainwright 6 goals to 4. Paced by two-goal performances of Bob Chryzanowski and Stew Cooper the Tigers had their share of the play but three "weird" goals against La Porte ruined the 'Jungle Cats' chances of nailing down that play-off spot. Ice conditions had a lot to do with their game as the sheet was soft and very tiring to the Tigers who had only 11 players. Two of the team's fastest skaters, Frankie Ewing and Ted Sherban, failed to make the trip.

This play-off spot by the way, has now dwindled down to the last games of the schedule, St. Paul vs. Viking and Vermilion vs. Veg. If both St. Paul and Vermilion end the schedule with a loss each they will remain deadlocked at 7 points apiece, but the Tigers will be in the play-offs due to their superior goals for and against average. This factor looms very large at the moment. If Tigers do make the play-offs, Good Luck to them, and if they don't, it will be only the second time since 1945 that they haven't played in the league finals. Not a bad record at all.

HOCKEY GLANCES

Like we said the Midgets should soon hit their stride — well, they did, as they blasted Kitscoty 8-1.

Patsy Patsula and Johnny St. Martin are now playing against each other in the Edmonton Intermediate league.

## Tigers Lose To Gas Kings In Great Game By 4-3 Score Saturday

The hockey game last Saturday evening here against top rung Gas Kings was the equal to anything for excitement seen this season. The Tigers were playing without Kreller and in the first period before they could get used to navigating without their trusty skipper the Kings ran in three goals on them without a reply. Bjork from Hall, Rurka from Hall and Proktor from the Dunnigans. They were all good goals. Three penalties were handed out, to Messmer of the Gas Kings and to Sherban and Schmidt of the locals.

In the second the locals found their sea legs and held the high-scoring visitors scoreless and then in the last period went on a scoring rampage of their own and outtallied the Kings 3 goals to 1 but fell short of the tieing marker. The last period had a very decided Tiger tinge and with the least bit of luck around the goal the locals would have clinched the game.

In the second Viking players were benched four times and Vermil 3.

The third started badly for the Tigers as they had two men in the cooler and played 4 against 6, quite a handicap when the opposition is Viking. No harm resulted but when the teams were again at full strength Rurka scored on Strate's pass and the score was 4 to nil. From then on it was all Vermilion. Bill Novak was playing the game of his career as far as Vermilion was concerned. Les Williams looked like the unbeatable Les of old while pint-sized centre Frankie Ewing was travelling like lightning and playing an amazing game. Laporte was having one of his grand nights. When it was all over Tigers had scored three. Frankie Ewing from Stu Barr, Les Williams unassisted and Les from Bill Schmidt. Despite the fact that the swirling Tigers spent practically all the period on Warner's doorstep the equalizer just wasn't forthcoming and the visitors staggered off the ice the victors 4 to 3.

Despite the fact that both teams received numerous penalties all goals were scored when the teams were at full strength.

The crowd of 537 paid customers were in sort of a belligerent mood, much more so than ever seen in Vermilion before in what was actually a clean game. The Kings were penalized five times in the last period but in that session referee Gordon Harrison was calling everything. Russ Carroll was the linesman.

VIKING: Warner, Strate, Messmer, Thunell, Hall, J. Dunnigan, T. Dunnigan, Procktor, Rurka, Bjork, H. Whitten, Brissard.

VERMILION: LaPorte, L. Williams, Novak, Ewing, Cooper, S. Barr, Schmidt, W. Williams, Sherban, Leahy, Ewen, Chryzanowski.

SUMMARY: 1st: Bjork (Hall), Rurka (Hall), Procktor (J. Dunnigan, T. Dunnigan). Pen. Messmer, Sherban, Schmidt.

2nd: Pen. H. Whitten, Bjork, Messmer, Bjork, Schmidt (2), Bill Williams.

3rd: Rurka (Strate), Ewing (Barr), Les Williams, Les Williams (Schmidt). Pen. Rurka, Strate, T. Dunnigan, Messmer, J. Dunnigan.

## Tigers Drop Game At Wainwright

Two young Tiger players almost annexed a hat each from Emie Clendenning at Wainwright on Monday evening. Bob Chryzanowski and Stew Cooper notching two goals each. Assists on the goal scoring plays went to Bill Schmidt, Les Williams and Elmer Kreller. The game ended 6-4 for the Commandos. More details of this game will be found in Hockey Chit Chat on page three.

## Midgets Win

Vermilion Midgets turned in an 8-1 victory over a team from the Kitscoty high school. The game was played at the Vermilion arena last Saturday morning.

NEWS OF THE DISTRICT

## Forty Ratepayers Attend Annual School Meeting At Dewberry

Upwards of 40 ratepayers attended the annual meeting of subdivision 5 of the Vermilion school division held in the Dewberry hall. Trustee Rock Mead in his report stated that more closed schools have resulted in a loss of government grants per room but to offset this the Department of Education pays 40% of [illegible]. It is the aim of the Vermilion board to centralize all schools where reasonable. The new co-terminous boundary will see [illegible] students attending schools in their own division, school and municipal tax areas now being the same. Transportation costs have now [illegible] the figure of $108,711. One interesting fact is that the employees of the school division including teachers, secretary, repair men, etc. pay nearly $45,000 in income taxes each year.

Dewberry schools now have 234 pupils in the 8 rooms or nearly 30 pupils per teacher.

Alf Redman attended the New Holland Implement dealers convention in Red Deer last week.

Mr. and Mrs. Steve Romanchuk have left for Vancouver where Mrs. Romanchuk will visit her mother.

The John Deere show sponsored by local agent Neil Jones was much appreciated and three separate showings of the film were required to accommodate the crowd. Children were treated to ice cream and adults to a nice lunch after the show.

At a meeting of the Dewberry F.U.A. local all members attending the meeting asked that Brucellosis vaccination be strictly enforced including feeder lot heifers. At this meeting the P.F.A. was much discussed and further action will be taken on this at the next meeting.

It is expected to have Mr Hozack and Mr. Buckingham attend a local meeting to be held in March.

Everybody is enjoying the nice weather with the exception of the curlers. Clandonald spiel is having its troubles due to the warm days. As for the writer — he'll take the mild weather ahead of the curling.

Flu is very prevalent in the district with different pupils home each day from school.

The regular meeting of the town council was held Feb. 7 with Mayor S. C. Heckbert and Crs. M. Hill, D. R. Mitchell, H. J. Payne, G. W. Sutherland and K. G. Urquhart present.

Absent: Cr. Geo. C. Webb.

Correspondence: Winspear, Hamilton re Auditor's report; C. N. R. re trailer camp; Fire Commissioner re Vermilion Municipal Hospital; Director of Assessments re assessment for requisitional purposes; Alberta Civil Defence re Orientation Course; Minburn-Vermilion Health Unit quarterly and annual reports; Ackerman Constr. re Lots 25 and 26 Blk. 18.

The following motions carried:

That the minutes be adopted as read.

That the financial statements be adopted as read.

That the auditor's report be received and filed.

LAND PURCHASE

That the Town of Vermilion purchase 8.13 acres more or less of land contained in SW ¼-32-50-6 from the Canadian National Railways at the quoted price of $[illegible] and necessary costs.

That the fire brigade purchase 2 batteries for two fire trucks.

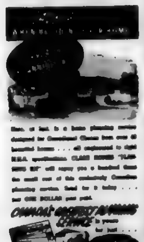
That all three fire trucks be equipped with signal lights.

That a public liability and property damage policy be taken out on all fire equipment not now covered.

That by-law No. 3-55 be given first reading.

That by-law No. 2-55 re street numbering be read 1st and 2nd times.

That the resignation of Cr. M. Hill be accepted with regret.



**Roy Watkins**

## 60 Ladies Attend W.M.S. Presbyterial

The second annual meeting of St. Paul United W.M.S. Presbyterial was held on February 9th in the Grace United church, Lloydminster, with sixty women in attendance from nine auxiliaries and four affiliated societies. The president, Mrs. J. A. Hamilton was in the chair and the session was opened with an inspiring worship service conducted by the Wainwright Auxiliary.

Encouraging reports, most of them showing progress, were given by the departmental secretaries. The allocation was exceeded and the meeting voted the surplus for gifts for Building Advance to the Scholarship Students fund. The book award for the best read Auxiliary was won by Ryley.

Mrs. W. L. Robinson of Vermilion conducted an impressive "In Memoriam" service which was concluded with a solo by Mrs M. Hill.

Rev. R. Taylor of St. Paul was guest speaker. He has had several years experience ministering to Alberta Indians, and his keen interest in the Indian people and sympathetic understanding of their problems made his informative address very interesting.

During the afternoon a solo by Mrs. J. Allen of Lloydminster was much enjoyed.

Mrs. J. A. Hamilton of Wainwright will continue as president for 1955 and the following news secretaries were named:

Secretary of Mission Circles, Mrs. A. W. Foran, Holden; Community Friendship Secretary, Mrs. R. Taylor, St. Paul; Missionary Monthly and World Friends Secretary, Miss Muriel Stone, Islay.

Rev. E. N. Morrison installed the officers for 1955.

At the close of the meeting a banquet was served by the Lloydminster Auxiliary.

## THE STAGETTES

With the spring-like, twitterpated-kind-of-feeling in the air we had a pretty good turn out — yep — and the Firemen's Ball to check for, too! That's my gang, always on their toes — killing two birds with one stone.

Big plans are at stake for District Convention, with Calgary playing hostess. The Convention will be held at Banff. With this in mind and being Stagette enthusiasts — (learning the why's and why for's about the club) we have quite a number of girls who are interested in going — the delegate needs moral support!

March 1, our next date (only a meeting) please have the Constitutions read and maybe some resolutions ready! (Calgary spends too much money on Conventions — who said that?)

Plans are also in the making for the annual Cotton Ball. The big event to come off the latter part of April. Somewhere in the discussion it was suggested that we [illegible] the "spiffed up" dressers. It's a Cotton Ball — remember!

By the way, is anyone wondering who those beautiful girls were at the dance and about town Tuesday night? Yes sir, they were our Stagettes [illegible]. The Beauty Counsellors visited us — wOw — didn't they do wonders for us! Well, they made us feel good anyway.

By the looks of things we're quite a busy group of girls. Yes, we, in other words, Kay and Sophie, are [illegible] Saturday, the 19th. Have fun!

*How about your DUES?*

1905-1955

# Golden Jubilee

## SONG WRITERS' COMPETITION and PLAY WRITING COMPETITION

*The Golden Jubilee Committee announces the establishment of a Song Writing Competition and a Play Writing Competition as part of the Alberta Jubilee activities. The purpose of the competitions is to stimulate interest in song writing and in the writing of regional drama and the production of plays written by Albertans.*

### Rules for Song Writers' Competition

1. Entries will be received up to April 15th, 1955. All entries must be sent to the Golden Jubilee Committee, Edmonton, in an envelope plainly marked "SONG WRITERS' COMPETITION."
2. Compositions previously published will not be eligible.
3. Open to amateur and professional song writers of Alberta. Entrants must have been resident in Alberta since October 1st, 1954, or if not resident at the present time must previously have been resident in Alberta for a period of five years or more.
4. Songs may be for solo voice or unison singing as well as part songs for two, three or four voices. If the compositions are designed to have a full piano accompaniment, this must be provided. (N.B. Failure to provide full accompaniment to songs requiring it will render the contestant liable to disqualification.)
5. $750 in prizes will be awarded to the compositions considered by the judges to be the best submitted. A substantial sum of money will be awarded to the most outstanding entry. If in the opinion of the judges, no submissions meet the required standards no prizes will be awarded.
6. Copyright arrangements in respect of the lyrics must be made by the composer. Arrangements for permission to use the poems in the Alberta Jubilee Anthology should be made with the Publishers.
7. The manuscripts of the songs submitted must be in duplicate, must not contain any identification marks but should be accompanied by a sealed envelope containing the name and address of the composer and attached to the manuscript.
8. The right is reserved by the Jubilee Committee to edit any composition.
9. Authors desiring the return of unacceptable manuscripts please enclose a self addressed envelope to facilitate their return.
10. The submission of any manuscript signifies an acceptance of all the rules, regulations and conditions as above stated.
11. Members of the Committee, Judges of the competition and their families are not eligible.

### Rules for Play Writing Competition

1. Entries will be received up to June 30, 1955. Three plays will be bought at a price of $250.00 per play and these plays will be made available to groups wishing to use them as part of the Jubilee activities free of royalty during the remainder of 1955. Inasmuch as it is desirable that plays see production during the writing, the Jubilee office will arrange that producing groups be put in touch with playwrights intending to offer plays for purchase. Playwrights planning to offer a play are asked to signify their intention by writing to the Jubilee Committee so that groups may be informed of plays in preparation. This is not, however, a condition of entry.
2. All entries must be sent to the Golden Jubilee Committee, Edmonton in an envelope plainly marked, "The Golden Jubilee Play Purchase."
3. Plays must have a playing time of not less than one hour and three-quarters but no restrictions are made as to the division of play material into acts.
4. There is no restriction as to subject matter.
5. Entrants if not resident at the present time, must have been resident in Alberta since October 1 1954, or previously have been resident in Alberta for a period of five years or more.
6. Plays must be unmarked and enclosed in a plain unmarked envelope. The name and address of the author should be clipped to the envelope.
7. Plays having been previously published are not eligible.
8. Plays should be typewritten, double spaced, and typed on one side of the paper only.
9. The right is reserved by the Jubilee Committee to edit any play so purchased.

GOLDEN JUBILEE COMMITTEE

Room 119 — Legislative Building — Edmonton, Alberta

# CLASSIFIED ADS

## Tenders

IN THE ESTATE OF ERNEST THOMPSON, late of Vermilion, Province of Alberta, Farmer, Deceased.

SEALED TENDERS will be received by the undersigned up until 12:00 o'clock noon on Friday, the 25th day of March, 1955, for the purchase of the following parcels of land situate near Vermilion, in the Province of Alberta and contained in this estate:

1. The North East quarter of Section 14, Township 51, Range 7, West of the Fourth Meridian, containing 160 acres more or less. Reserving thereout all mines and minerals. (Hay land).
2. The South East quarter of Section 24, Township 51, Range 7, West of the Fourth Meridian, containing 160 acres more or less. Reserving thereout all mines and minerals. (125 acres under cultivation).

Further information may be had from John J Hope, 5120 — 51st St., Vermilion (P.O. Box 1071) or James C Thompson, Vermilion, executors of the estate.

Tenders must be accompanied by 5% of the amount of tender, to be refunded in case of non acceptance; otherwise applied on purchase price. Mark letter "Tender Thompson Estate."

The highest or any tender not necessarily accepted.

DATED at Vermilion, Alberta, this 15th day of February, A.D. 1955.

J. W. G. MORRISON, Q.C.
Barrister and Solicitor,

RUST CONTROL
WHAT'S IT WORTH?

The staggering losses from rust in 1954 have emphasized the urgent need for intensified research on the rust problem. What financial benefits would the control of rust bring to the farmers of Western Canada? This can best be illustrated by the tremendous toll that stem rust of wheat alone has taken in the Prairie Provinces since 1916.

*Concrete Evidence* For the 16 years, 1916-28, 1930, 1935 and 1937, that is, before Thatcher and other rust-resistant wheat varieties were grown on any extensive scale, the average annual loss in farm income in Western Canada from stem rust was $47,500,000. In 1916 alone the financial loss was $234,000,000, while in 1930, and again in 1935, it was not less than $150,000,000. Here 15% of stem rust reduced farm income in the "rust area" of Western Canada in 1953 by $29,000,000. And then came 1954! Last year stem rust and leaf rust of wheat took at least $200,000,000 from the farmers of Western Canada.

*It Can Happen Again* The rust tragedy of 1954 is not likely to be repeated in 1955. However, let's not bury our heads in the sand—it can happen again! The control of rust is not a "hit or miss" proposition. No, rust control can only be accomplished by well-planned continuous and co-ordinated scientific effort (research).

*More Research Needed* The devastating rust epidemics of 1954 point up the tragic need for concentrated research on the rust problem, and the intensification of all control efforts. If, in the years ahead, sudden and disastrous rust losses are to be prevented, the fight against rust must be carried on continuously on a broad front. As cereal rust research is mainly a governmental activity, the farmers of Western Canada should demand that more financial assistance and facilities be provided immediately for rust control research. Needless to mention, an investment in rust research is truly an investment in the future welfare of the agricultural industry of Western Canada.

Mr. and Mrs. George Nestman returned to Vegreville recently from a trip to Toronto and Oshawa. They brought back with them from Oshawa, a new Chev obtained through Thomas garage. Notice was taken of a bread line in Toronto, due to unemployment. Mr. Nestman was happy to discover that he could get a haircut in Toronto for 50 cents, as opposed to 75 cents in Vegreville. Every time he gets his hair cut hereafter, he is going to Toronto, and thus save money, and will probably travel by air at that. They were gone three weeks and found the travelling very good, the roads being particularly fine, and the weather all that could be desired. —Vegreville Observer.

## LOCAL NEWS

*Mrs. Dorothy Johnson announces the engagement of her daughter June Maxine, to Mr. Alan Ramsay Russell, son of Mr. and Mrs. Douglas Russell of Stettler, the wedding to take place at 5:00 o'clock in the afternoon on March 16 at the United church, Vermilion.*

Mr. and Mrs. Ronnie Bushell have announced the engagement of their daughter, Connie, to Mr. James Allison. The wedding will take place on March 12th at the Metropolitan United church, Edmonton.

Miss Mildred Conboy left Sunday for Edmonton where she has been transferred to the head office of the Alberta Treasury Branch. Mildred was on the local Treasury Branch staff for six years.

A line from Mrs. Harold White, now located at Lacombe, indicates that the family is now well settled in their new home in that central Alberta town. With finishing their house and becoming acquainted they have been very busy. Harold is teaching Grade 9 there.

Charlie Upshall and Wilf Elliott of Macleod's staff are in Calgary attending a convention of store managers and staff this week.

Attending annual synod of the Edmonton Anglican diocese in the city this week are E. H. Buckingham, L. H. Playne and Mitchell Taylor, as delegates from St. Saviour's Parish, Vermilion.

BAKE SALE
A bake sale sponsored by the C. W.L. will be held in Noonan's Coffee shop on Saturday, Feb. 26th from 2 to 5 p.m. 33-4x

TEA AND SALE
The Guide and Brownie Mothers Assoc will hold a tea and sale of home cooking in the Elks hall on Saturday afternoon March 5. 33-5x

THE W. I.
The regular meeting of the W. I. will be held on Monday, Feb. 21st at 2:00 o'clock p.m. at the home of Mrs. E. T. Rooks.

WHIST DRIVE
A Whist Drive will be held in St. Saviour's hall on Monday, Feb. 21st commencing at 8:00 p.m. Everybody welcome.

BRIDE SHOWERED
On Wednesday Feb. 9 Mrs. Jones and Mrs. Dedeily were hostesses at a shower held at the home of Mrs. O. Repp, in honor of Mrs. Jim Repp (nee Isabel Sherwood). Forty-five guests were present. Following the playing of a few hilarious games the bride was presented with an overflowing basket of beautiful gifts of a wide variety.

In a few well chosen words Isabel thanked the ladies. A most delicious lunch was then served by the hostesses.

Aubrey Rendell who has lived for the past few years at Nanaimo, B.C., is receiving a warm welcome back to Vermilion and Wildmere, having arrived here last Friday morning. Aubrey sold his house and furniture at Nanaimo and following a stay here plans to make a trip to England.

O. F. Johnson of Vermilion paid one of his periodical visits to Vegreville Monday. When Oscar resided here he was warmly interested in municipal matters, was once a town constable for a short time, supervised the old municipal owned electric light plant and generally was a good citizen. Several years ago he removed to Vermilion and is now farming some miles east of that town. But he still likes to visit Vegreville and see old friends. - Vegreville Observer.

Melvin Hill plans to leave this week end for Vancouver where he will attend the convention of Marshall Wells company officials and store managers.

Roy Watkins is now spending each afternoon in his office following his recent illness.

John Spielman left last Friday for Blackie, Alberta, where he will commence farming.

KENILWORTH
Dance at the Kenilworth community hall on Friday Feb. 25. Admission 50 cents each. Good music. Everybody welcome. 33-4

ALLANDALE BAKE SALE
The Allandale W.A. are holding a sale of homebaking and farm products at the Vermilion Food Lockers on Saturday, Feb 26 at 2:30 p.m. All proceeds going to 'Whitney Camp' fund. 33-4x

## MANNVILLE & DISTRICT LOCALS

The joint bonspiel of the Innisfree, Minburn and Mannville curling clubs is in full swing with three sheets of ice at Mannville and two each at Minburn and Innisfree in use. The weather, though, is not too favorable for curling. We hope to have a full report next week.

Mr George Hubbard of Edmonton was in Mannville for a day last week to visit his mother, Mrs. Renspies who is in the local hospital. She is reported slightly improved.

Two rinks of Masonic members motored to Vegreville on Saturday to take part in a one-day Masonic bonspiel there.

Mrs. Ross Lane of Grande Prairie is visiting this week with her parents, Mr. and Mrs. E. C. McPhee. Mr McPhee has just returned home from the hospital.

Buffalo Coulee teachers were hosts on Saturday to teachers and their wives, husbands or escorts of the A.T.A. Sub-local. Winners of the one-day 'spiel were Mr. Myher, Mrs. Morrison, Mrs. Doherty and Mrs. Ross on one rink; Mr. Rustad, Mr Doherty, Mrs Drury and Mrs. Rostron on the other. The teachers were served a delicious dinner at noon and coffee and cookies during the afternoon.

The opening of the new gym. at the Mannville school is planned for Feb. 25th and it will be marked by a school concert and outside speakers. The high and junior high school students are putting on the concert.

Mrs. M. Johnson, Mrs. R. Whitson, Mrs. H. Doherty and Mrs. C. Sowden were joint hostesses at a Valentine Tea at the home of Mrs. Sowden on Monday, Feb. 14. Members of Birch Creek W. I. and their friends were entertained.

Four local rinks took part in the Myrnam bonspiel last week but no one brought home a prize.

Mr Harold Gerhart of Regina was a visitor with relatives in town for a short time on Saturday. He arrived from Edmonton with Alf Gerhart and then caught the night train back to Edmonton, from where he took a plane to Regina.

Mr. and Mrs. Jim Laidler of Vegreville and Mr. and Mrs. Frank Norris of Edmonton visited Mr. and Mrs. Pete Laidler on Sunday.

The Coffee Corner gave a surprise birthday party for Mr John Schock. The evening was spent by playing whist. Prizes were as follows: Lady's first, Mrs Jno. Schock; lady's consolation, Mrs Edward Schock. Men's first, Mrs. Charles Lynch, and Men's consolation, Mr Ed. Schock. A very tasty lunch was served by the Coffee Corner ladies.

Your time, your energy and your money makes Red Cross service possible. If you haven't the time or the energy your money can help carry on the work.

Canada's motor vehicle industry cut July shipments 46% in 1954 as the drop in dealer sales increased.

CARD OF THANKS
We wish to take this opportunity to thank Dr. Ben King, Miss Keith and her staff at the hospital, for the wonderful care and kindly attention given to our son Vernon while he was a patient in the hospital. We also wish to express our sincere appreciation to everyone who visited him and to those who sent fruits, candies, letters and cards. All these kindly acts made Vernon's time in the hospital seem much shorter.

## CURLERS BRING HOME PRIZES

Vermilion curlers have been bringing home prizes and glory from neighboring bonspiels during the past week or so. Darrell Currah, Roger Rowe, R. Bodard and Harding Brix won six straight games at Lloydminster to bring home the Grand Challenge and four Lazy Boy chairs.

Aldous Kent, Newt Cooper, John Gordey and Irvin Gordon lost only one game at the Bonnyville 'spiel and thereby won first prize in No. 3 competition. Their prizes were automatic toasters.

At the Elks bonspiel in Edmonton skip Gordon Park with Mac Simonson, Freeman French and "Tom Smith" were the second best rink in the second competition, bringing home a pair of boudoir lamps each.

## Farewell Miss Mildred Conboy

Miss Mildred Conboy on the staff of the local Treasury Branch since leaving school received a transfer to the main branch in Edmonton. She was presented with a beautiful woolen bed throw by her fellow workers on Friday at the end of her work here.

The same evening she was very pleasantly surprised when the Brass sisters entertained a group of neighbors and close friends in her honor. To start the party a lovely corsage of Talisman rosebuds, carnations and a sprig of heather the gift of Joan Kowalchuk was given to Mildred. The guests then joined in several hilarious card games. The hostesses then served a delicious lunch after which a group gift her O.E.S. Lodge ring was presented to Mildred.

She will be greatly missed in many groups for her pleasing personality and willing help but her friends congratulate her on the promotion received and wish her every success.

Under Auspices of Alliance Sunday School

## First Sunday School Parent-Teachers' Meeting Is Held

"Let's Get Acquainted" was the order of the day, or the evening, last Wednesday when the Alliance Chapel Sunday School held its first parent-teacher night. The primary purpose or aim of the "informal informative" evening was to interest parents in the work of the Sunday school. It has been said by prominent Sunday school workers that "parents should bring their children to Sunday school" rather than send them.

The program for the evening took the following form:

1. A conducted tour of the Sunday school rooms:
2. Official introduction of teachers and officers:
3. Explanation of the 6 point record system by six of the teachers: (a) 30%—Attendance, Keith Hetherington, Sunday school superintendent. (b) 10%—On Time, Mrs. E. W. Clendenning, secretary; (c) 10%—Brought Bible, Mrs. McNair, assistant primary teacher: Class Observations, Mrs. W. McLennan, primary teacher; (d) 10%—Brought Offering, Mrs. L. Mayhew, assistant beginners class teacher; (e) 30%—Completed Lessons, Mr. Albert Tovell, young people's teacher; (f) 10%—Church Attendance, Rev. McNair: Why the Sunday school student should stay for church.
4. Class Observations, Mrs. Kupin, junior girls teacher.

Frank Talks—Mr. E. Clendenning, junior boys teacher.

A Lesson in Welding—Mr. Obert Gunderson, interm. boys teacher.

In view of the fact that two of the teachers were unable to attend, Miss E. Hetherington, interm. girls teacher and Mr. L. McIntosh, bible class teacher, a short report for each was given by the superintendent.

A word from the parents to the teachers was very ably given by Mr. Lester Fair.

With the informative part of the evening though much enjoyed, gave way to another interesting and enjoyable aspect — a lunch, which was served by the ladies in the church basement.

A very enjoyable time was spent by all and it is hoped that another gathering of this nature may be held in the near future. All who are interested in the work of the Sunday school are cordially invited to attend the next Sunday school parent-teachers meeting. You are also invited to Sunday school each Sunday morning at 10.30 o'clock.

## Square News From Circle Eight

Last Thursday evening the Circle Eight Square Dance club held their regular club dance in the Vermilion armories. Fourteen squares went through their paces to the excellent calling by Harold Schacher, the club's regular caller. The floor was wonderful and the sound exceptionally good.

Nearly every club in surrounding towns had representatives attending this dance.

The ladies of the social committee provided coffee and sandwiches to round out an evening thoroughly enjoyed by all present.

NEXT DANCE FEB. 24

The Circle Eight's next club dance will be in the Legion hall Thursday Feb. 24 at 8 p.m. Harold will teach round dancing from 8 to 9 p.m. and the balance of the evening will be squares. Come early and brush up on rounds and mixers.

Next month the club has arranged to have Henry Lien, well known voice among square dancers as guest caller on March 24.

Last Friday evening a group of Circle Eight members travelled to St. Paul to attend a club dance as guests of the St. Paul Square dance club. The caller there was Doug McColl from Alix, a new voice in this part of the country, and a very good caller. Everyone attending reports a wonderful time and it is hoped to have St. Paul here as guests of the Circle Eight soon.

Watch for details later of the Big Square Dance Jamboree the C8 are planning for April. Doug McColl will be one of the four of the Central Alberta Callers Assoc. who are coming to do the calling.

## Masons Hold Enjoyable 'Spiel

A Masonic bonspiel, the first of its kind in Northern Alberta, was held last Saturday in the beautiful new artificial ice curling rink at Vegreville.

Thirty-two rinks, sixteen from Edmonton lodges and sixteen from district points competed for some very fine trophies and prizes.

An excellent banquet, catered for by the ladies of the Vegreville Chapter of the Eastern Star, wound up proceedings in the evening.

Two rinks of Vermilion Masons took part and while no trophies came home with them, all report a really enjoyable day and all agree that it should be an annual event. The rinks from here were made up as follows: Ken Rowe, C. T. Heckbert, Lawrence Webb and Ken Greenwood, George Webb, Sr., Dr. Ben King, Henning Haverslew and Morris Cooper.

## 270 Attend Bingo At Clandonald

A very successful bingo night was held in the Orange hall at Clandonald recently with 270 people sitting down to play the game. 20 prizes were given away during the evening. Winners of the door prizes were: 1. Peggy Dupuit, Mixmaster; 2. Floyd Wadstein, automatic toaster; 3. Mike Filipek, Furness, Sask., and 4. Steve Dobransky, Derwent $15 worth of groceries; 5. L. Carlson, wrist watch; 6. Con Gallagher, bedspread.

The committee in charge wish to thank Mrs. Andrew Dykowski of Derwent for her wonderful donations toward the bingo, contributing much to the success of the event.

The bingo night was sponsored by the Ukrainian Catholic church.

## Fish and Game To Meet Feb. 21st

Two weeks ago the Fish & Game Association announced that it would show the Grey Cup film, but have since found out that the Tiger hockey club are having the same film at their annual banquet on the 28th of this month. As sportsmen, the Fish & Game Association would like to see all that are able attend this banquet and support the Tiger hockey team. The date that the Fish and Game will show the Grey Cup film has been set back to March 28 at which time it will be shown in the Legion Hall at 8.00 p.m. A silver collection will be taken to defray expenses.

PHEASANT FARM

Just how many people have visited the Fish & Game pheasant farm? You are welcome to see just what has been done in this, the first year of activity on this project. Clarence Neis will be only to happy to show all those interested around. It is hoped to enlarge this project in the near future.

MEETING FEB. 21st.

The next meeting of the Fish & Game will be held on Feb. 21st, this Monday, at which time you will hear reports on the provincial convention. At the same time you will see three films, "Winged Horizons," "Blue Geese" and "Bushland Revels", all of these films are very interesting. At the last meeting there were five ladies and three junior members out; at the next meeting it is hoped that there are at least ten ladies and 20 junior members.

Come on out and join in a sportsman's night of enjoyment. "Dear Lord, if I make a hit, let it be a clean kill, and if I miss let it be clean miss."

## Termed Double Murder And Suicide Attempt At Streamstown

This whole area was very deeply shocked when it became known that the two young children of Chester Matson, C.P.R. agent at Streamstown were found shot to death last Thursday morning and the father was in critical condition from gun shot wounds. He is now a patient in the Lloydminster hospital and at last reports was stated to be recovering.

The children, aged 2½ years and 9 months were found dead in their cribs by a member of the section crew who called at the Matson home on Thursday morning. The father 28 years old was found in a semi-conscious condition with bullet wounds in chest and head.

A 22 calibre rifle and a number of cartridge cases were found beside the badly wounded Matson.

Members of the R.C.M.P. detachment at Lloydminster described the shootings as a double murder and suicide attempt.

Investigators reported that Mrs. Matson left home a day or two before the shootings following a quarrel. She has since been located and is in Lloydminster hospital.

## Pleasant Valley

The weather which had been a bit colder for a few days, has now turned nice and warm again. The roads are in good shape with only an odd drift, not enough to stop people from visiting to brighten up their spirits. On Sunday particularly quite a bit of visiting was enjoyed, Mr. and Mrs. Jim Repp were dinner guests at the Christie home; Mr. and Mrs. Bill Waterfield and family were dinner guests at the home of Mr. and Mrs. Bert Gould.

Mr. and Mrs. Maxwell and daughter were supper guests at Doreen's home where a lovely turkey with all the trimmings was very much enjoyed. Glad to hear that John is feeling better; Mrs. Giles and girls and Jean and Keith and the boys were supper guests at Christies - - so you see we country folks don't have much time to be lonely. Cooking big meals such as roast beef and Yorkshire pudding, mince pies and Spanish cream — let's see how many pieces of Yorkshire pudding Kenny?

Mrs. Gillies returned home from Edmonton Friday spending a night in Vermilion at the home of Mr. and Mrs. Jory.

## Kinsmen Clubs Celebrating Anniversary Feb. 20

The Association of Kinsmen Clubs organized in Hamilton, Feb. 20, 1920 by H. A. Rogers, is now 35 years old. The members of Canada's only young men's service clubs will celebrate this week, with special anniversary meetings, the growth of the organization they have helped to build, recalling past endeavors and planning greater projects for the betterment of their local community in its greatest need.

During this week the 285 clubs in the Association from St. Johns, Nfld., to Vancouver Island will recall past successes: Nationally, among which are the Milk for Britain Campaign which provided 50,000,000 quarts of milk for children in Britain; the European, Winnipeg and Southern Ontario Flood Relief campaigns in which a total of approximately $130,000 was made available; the Cancer Scholarship fund and other projects.

Each Club too will recount efforts made for the local community's greatest need which embraces service projects for young and old, from playgrounds for the tots to apartments for the old folks.

It is estimated that nearly three quarters of a million dollars are raised each year by the combined efforts of the member clubs and spent to help those who cannot help themselves without regard for race, color or creed. The thanks of all Kinsmen go this week particularly to all the citizens of Canada and to local newspapers who have supported their endeavors in the past. Thanks are due the Kinsmen clubs for their efforts in helping to make this Canada of ours a better place in which to live.

## Islay Municipal Hospital Board Holds Budget Meeting

The Islay Municipal Hospital Board met in the hospital on Feb. 5th with G. D. Jack, I. D. Inman, D. B. Shirreff, John K. Whiteside and the secretary present.

The minutes of the preceding meeting and financial statement were adopted as read. Cd.

A sign was ordered for the front of the hospital.

The auditor's statement was read, discussed and adopted.

Association membership in Associated hospitals was renewed and membership fee paid.

The 1955 budget was drawn up provisionally on a basis of $16,000 municipal requisition, same as last year, subject to approval of Public Utilities commission.

Salaries and accounts as approved were ordered paid.

Application was made to the A. P.S. Board for butter at a reduced price.

An office desk and chair were ordered to supplement present office equipment.

Matron's Report: In hosp. 12; admitted 41; discharged 38; remaining 15; Births 3; Ops. minor 7. Receipts $4617.90.

Adjournment to meet Saturday Mar. 5 at 2 p.m. in hospital.

# Health Unit Notes

OVERWEIGHT AND ITS DANGERS

Anyone who is 15 or more pounds heavier than his ideal weight is considered overweight. For those still in their 20's or younger a little extra weight does no harm. For people over 30 it is no good.

Overweight is a danger signal, particularly for those over 40. Overweight people develop diabetes, heart disease, high blood pressure, and other life-shortening conditions earlier, and are apt to die younger, than people whose weight is normal. They are poor surgical risks and have less resistance to infection. Stout women are more likely to develop complications in pregnancy.

WHAT MAKES A PERSON FAT?

Most people are fat simply because they eat too much. This does not necessarily mean that they stuff themselves with large quantities of food. It does mean that they take in more calories than their bodies can use. This is often surprisingly easy to do, particularly for a person who has poor eating habits.

Some people blame their overweight on metabolism (the rate at which their bodies use energy) and on the glands which regulate metabolism. In a very few cases, poorly functioning glands may contribute to overweight. Even then, the overweight patient, who is under a physician's treatment for glandular disorders is able to lose weight when his food intake is regulated.

What many people do not realize however is that the body's energy requirements usually change after age 30 to 40. As a person gets older metabolism slows down and fewer calories are needed to maintain weight. The trouble is that eating habits usually stay exactly the same, while physical activity often decreases.

Heredity is often claimed as the cause of overweight. Careful studies do not bear this out. Heredity does determine the type of body build a person has, but when people from overweight families change their eating habits it has been proved that they too, can lose weight.

Actually, most overweight people readily admit that their excess poundage comes from overeating. They say they just don't seem to be able to stop. Knowing why a thing is hard to do sometimes makes it easier to change.

HOW TO LOSE WEIGHT

Physical condition, degree of overweight, and individual living habits must all be carefully evaluated before an effective safe reducing plan can be worked out. No one can do this for himself. Only a physician has the necessary skill and equipment to decide how much, how fast, and with what treatment a person should lose weight. What benefits one may harm another. Therefore, a reducing program should be undertaken only under medical supervision.

Anyone who really wants to get rid of excess poundage can do it. Lots of people have, with determination and persistence. Desire and will power are 'musts' in any reducing program.

Everyone knows that self-denial is not easy and that changing long-established habits taxes the strongest will. Therefore, a person who is trying to do this difficult job deserves the help and support of his family and friends. Few people are able to persist in any course of action in the face of commiseration, indifference, ridicule, or opposition from those they love and respect.

To be worth anything, a loss of weight must be permanent. Therefore, anyone who wants to benefit from a weight-reduction program must make up his mind that he is changing his eating habits for life. Going back to old patterns will only pile up the pounds all over again. Unless this fact is accepted, reducing efforts will probably be wasted.

REMEMBER

1. To have 1½ pints of milk every day
2. To cut the visible fat from meat
3. To eat a salad or raw vegetable every day if possible
4. To eat a green, leafy, or yellow vegetable every day
5. To have a citrus fruit, tomato, cantaloupe, strawberries, or raw cabbage every day
6. To choose the bread or cereal you use from enriched whole-grain or rye varieties

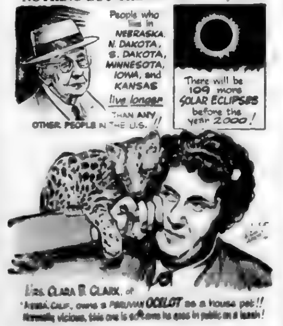
NOTHING BUT THE TRUTH by Arnold



## DEER LAKE

Deer Lake. First of all where is Deer Lake school? So many people have asked me that question when in Vermilion. Well, the A.M.A. have done a better job of explaining that than I hope to do, as they have erected signs on the main road 8 miles north of Islay and 6 miles south of Dewberry. The school is located 1 mile west of the main road on the four corners.

We have a nice school, built in the summer of 1946, so it is fairly new, although it is just the little red schoolhouse we have done not too bad in the past. Some of our former pupils are helping out with the teacher shortage as they have choosen teaching for a career.

Miss Edna Thompson is teaching for the second term in Dewberry; Miss Mae Fluney started to teach this last term at Kinsella, located near Blackfoot. Miss Peggy Dupuit has been on the staff of the Bank of Toronto at Clandonald for the past two years.

These three young ladies took all their grades including grade 9 at our Deer Lake school. That folks, is the best we can do as to the location of our school and what some of our former pupils are doing.

The little old red schoolhouse still has a bit that can be said in its favor. It is often the only place where the district people can get together for various forms of amusement, for our young folks and those who are not so young. Of course we know there are the town halls but a great many people never feel as welcome at those places as they do at their own country school, and as these little schools make way for the larger consolidated ones, we can't help but feel that we are losing something, but time marches on and our children do get a better chance in the large schools where they have more equipment and better facilities for teaching.

The John Deere show put on by the dealer Mr. Neil Jones of Dewberry was certainly well attended and very much enjoyed. Nearly everyone in the district was there.

The schoolchildren are beginning to look forward to this John Deere show as an annual event as they talk about it for weeks previous. It seems. Maybe it's the lovely lunch that is served and it certainly was just that for such a large crowd of people. The grand weather helps to bring out the crowd to these events and the weather has really been good despite a few colder days.

## Tips on Touring

By Carol Lane
Women's Travel Authority

A little attention to proper steering can eliminate one of the major causes of driving fatigue on a trip. It's amazing how many people make this simple operation difficult.

There's the stiff-arm driver who sits too far from the wheel, the low slung driver whose face barely peers over the wheel, and the crushed-chest driver who tucks the wheel into his or her midriff. All people have assumed uncomfortable and improper driving positions.

For most driving control and comfort first adjust the seat so that your forearms are about parallel with the plane of the wheel and you are able to operate the foot pedals easily. If you don't have a clear view of the road, prop yourself up with a car cushion.

Incidentally, pretty gloves have no place on a steering wheel if they are made of jersey, nylon or smooth suede since these materials may have a slippery grip. Capeskin or pigskin protect the hands without sacrificing safety or appearance.

More than three inches of 'play' in the steering mechanism may impair your control of the car. It also may contribute to misalignment of the wheels — and consequently extra tire wear. Reputable garages can easily correct this.

Steering is the simplest driving operation when you've been steered right to start with!

Fish from northern lakes in Manitoba and Saskatchewan are hitting the big time markets in Montreal and New York, as a result of the pushing of new rail lines into Manitoba's Sherridon-Lynn Lake area.

Through the Red Cross you are not alone when you need help — when you give help. In March give generously and serve by giving.

## Sixteen Years Ago Today

*Feb. 16, 1939*

Melvin Hill, Jack Wiebe and Neil MacKay were elected to the council in the six man election. Council for 1939 is Mayor Morrison and Crs George Webb, Dr. Scott, E. M. Stewart and the three newly elected members.

The school board is comprised of Dr. Knull, C. S. Kirby, Wm. Barr, Leigh Tyner and Don Taylor. The last two were elected by acclamation.

H. R. Parker was the town representative on the hospital board.

Vermilion hospital was scheduled to start Feb. 20.

Elsw McFadden of Mannville was badly hurt when struck by a car on Jasper Ave., Edmonton. He was in the city playing in the bonspiel with a rink of Mannville curlers.

## Thirty-two Years Ago Today

*Feb. 11, 1923*

J. W. G. Morrison was returned mayor for a third term, over C. W. Robinson 154 votes to 147 votes with two spoiled ballots. Councillors elected were J. A. Kirkpatrick, J. A. Rosborough, W. A. Fallow. Council for the year will consist of J. A. M. Craig, S. R. P. Cooper, W. R. Wiebe and the newly elected members. The school board is W. P. Pilkie, W. E. McKenzie, W.S. Cash, H. P. Long and M. G. Brecombe. There were 300 votes polled.

Extremely cold weather prevails with the mercury delighting in registering anywhere from 25 to 60 below.

Mannville Juniors defeated Vermilion in a top notch hockey game 3 goals to 1. The line-ups were: MANNVILLE — Gaherty, Eversfield, Milligan, Booker, Robteson, Cundal, Hamilton.

VERMILION — Bryden, Sharp, Werner, Ivy, Cooper, Bowman, Baldero and Wood.

## Variety Concert At Mannville

MANNVILLE. Due to the cold night and the busy season there was not such a large crowd at the Variety concert on Friday sponsored by Christ Church vestry but those present proved a very appreciative audience.

The program was varied. Mr. Elliott accompanied by Mrs. Elliott gave his first performance in two violin numbers. Mr. Frank Lychak, accompanying himself on the guitar and Mr. Jim Johnstone with his accordian were each well received by the audience. A novelty duet by Misses Betty Proudfoot and Adele Mackay, accompanied by Miss Carol Mercer, and the vocal duet by Misses Norma McLuckie and Glendah Gerhart, accompanied by Mrs McLuckie were both exceptionally well rendered.

Mr. Weaver Jr. gave a stirring rendition in a pianoforte solo.

The one-act comedy farce took place in a doctor's office and the patients that came for treatment and advice proved very profitable for the two quack doctors until the tooth snatcher in reality a detective told them the police were on the way.

A recitation "Trouble in the A-mann Corner" by Mrs. R. Lagg and an accordian solo "Whispering Hope" played by Mr. Jim Miller completed two hours of good entertainment.

## Canada "Teen Town" Conference At Evansburg

Sherwood Teen Town this year is being host to the Third Annual Canada Teen Conference to be held in the Village of Evansburg, Alta., from April 14 to 17. Evansburg is 70 miles east of Edmonton on paved highway 16.

If there is a group of young people who have organized a club in your town between the ages of 13 to 19 inclusive, they are invited to attend this conference. If there is not an organized group in your vicinity but there are some Teenagers who are interested in starting a club they may send not less than two or not more than four delegates along with one adviser who is over the age of 21 years. Here they will be shown how of forming a club of their own or if there is a club they are invited to attend and discuss their problems with other club members from throughout Western Canada.

The purpose of this conference is to promote more Clubs and to help any such clubs with their various problems. We are confident that the Teenagers who comprise this community attending this conference will find it both enjoyable and educational.

For further particulars and application forms please contact Miss Janet Foster, Evansburg, Alberta, prior to March 1st.

## Civil Defence Notes - Municipal District Of Vermilion River, No. 71

**PHYSICAL FACILITIES OF WELFARE**

A large building such as a high school, an hotel or auditorium would be an ideal location for a welfare centre. In the event of a site originally selected having been destroyed an alternative site must be chosen.

**WELFARE ASSEMBLY AREAS**

To avoid the confusion that might take hold of homeless refugees it will be necessary to set up temporary facilities near the scene of a disaster. Panic may develop if measures are not taken to provide for the immediate needs of the stricken people. Quick action and accurate guidance at this point will help to restore order and will enable many of the refugees to help in caring for themselves and also help others in their distress. This will do much for the morale of the people and will relieve the load on welfare services.

Several Welfare Assembly areas should be established near the scene of a disaster to channel the victims to the nearest Welfare Centre. There will be teams sent out from the Welfare Centre to the disaster area whose duty will be to gather the victims in the assembly area and after having given them a bath, if possible) will fit comfort them and reassure them and then assist them back to the Welfare centre

A very limited form of registration might be carried out to try and re-unite families who have been separated. If the weather is warm parks or other open spaces will be a good location for an assembly area but in winter buildings would be necessary.

The duties of these detachments, who are located as close to the disaster area as may be possible, are as follows: To help guide the disaster victims to welfare assembly areas, to collect names, and give out accurate information to relieve the anxiety of the public. All of which will help to maintain morale. They must also help the Damage Control officer as much as possible in any way they can. They could take charge of any valuable personal effects for the victims and arrange for their safety. One can readily see how much Civil Defence can do in time of disaster if well thought out plans have been made and can be put into effect quickly. You may need Civil Defence help sooner than you think possible and Civil Defence needs your co-operation now.

For further information contact George H Martin, Director, Vermilion, or Jos. Batty, Secretary, Kitscoty.

Canada has 115,000 troops on active service but here is the harsh note for the taxpayer — It takes 30,000 civil servants to administer these troops

The Canadian Red Cross trains thousands of men and women every year in skills to protect their families and neighbors in times of emergency.

97 per cent of Red Cross work in Canada is done by volunteers. You also serve by giving when you give to the Canadian Red Cross.

## "YOUTH FOR CHRIST" MEETING
**Tuesday, February 22nd**

MR. AND MRS. BENJAMIN FRANCESCO

A Youth for Christ meeting will be held in the United Church on Tuesday, February 22nd at 8:00 p.m. under the leadership of Evangelist Benjamin Francesco. He will also be showing a film of this country and will bring a message from God's Word.

EVERYBODY WELCOME!

## NEWS from ISLAY

The editorial in last week's Standard "Contentment or Oblivion" can be applied to more than Division 6 of the School Division though the annual meeting of Div. 6 held at Woodvale had more than 8 in attendance. I didn't count but maybe 15 were there. At our own local at Islay we had just six present.

We were pleased to see on Saturday Mrs. Shattuck, Mrs. Wylie, Mrs. Hearty all from Wildwood.

Apologies to Frances Kowalski for calling her Joyce. It was Frances who was in hospital, not Joyce as reported last week.

Mrs. Bill Shaw left Tuesday a.m. for Edmonton for a few days

Bill McLean, Bill Shaw, Dave Martin and Donnie and Jimmie Shaw went to Lloydminster Tuesday evening to attend a show on Plywood, its manufacture and uses.

Last week end Bill McLean and some friends went to Stony Lake and fished through the ice, having considerable good luck.

Last Friday evening Mr. and Mrs. Bill Shaw entertained a number of their friends and families. Altogether the house was the scene of a happy evening.

We hope Mrs. Lily McFadyen got to see Mrs. Steiner on Feb. 14th, the occasion of Mrs. Steiner's birthday. Did you have two birthdays this year Mrs. Steiner? Would like to have been at your house for a piece of the cake

Our shipment from Fairfields has not arrived yet, and we have had no word from our letter to them.

Donations to Cemetery fund in memory of Mr. Wm. Davies — Mr and Mrs. C. Redmond and family; Mrs. R. L. Stone, Ken and Arleigh; Mr and Mrs. L. Buchanan

BABY & PRE-SCHOOL CLINICS
Monday, Feb. 21 — Legion hall, Vermilion, 2 to 4 p.m.
Thursday, Feb. 24th — Albert school 11 to 12 noon.
Friday, Feb. 25 — Riverrourse school 11 to 12 noon; Paradise Valley school 2 to 3 p.m.

So richly rewarding to own a beautiful
Chrysler

There's a fresh, crisp, modern beauty about the glamorous new Chrysler that's sheer delight to the eye.

Its long, low, luxurious silhouette is only a hint of Chrysler's riding luxuriance that is scientifically confirmed from the moment you relax in its smartpanned comfort.

But, you know, there's a special pleasure reserved for you alone! The degree of personal pride and satisfaction that is yours who own a Chrysler is a rewarding experience in itself.

This reward is not alone the satisfaction of commanding the silken smoothness of Chrysler's great power. Even more than that, you'll enjoy knowing that you have the car that exemplifies the most advanced styling concepts translated into metal with unequalled craftsmanship. It is all part of Chrysler's Motion Design for The Forward Look that gives this superb car the look of going places, even when standing still.

Discover for yourself what a consistent source of pleasure this magnificent motor car can be.

## NEWS from ALLANDALE

Our coldest day of the year so far was on Feb. 9th with a -30 below. It didn't last long though, as today Feb. 13 the thermometer registers 33 above, a grand day, sunny and warm! The big new snow plow, operated by Bill Astley of Islay went by on the 9th so we have splendid roads.

It was very interesting to hear of one of our pioneers who lived near Vermilion over "Trails of the Pioneers". So many would remember George Powell and family and what they had to remember and overcome in those days along with so many others.

We spent a very enlightening evening in Vermilion on Feb. 3 at the St. Paul United Church presbytery. It was good to see the church full.

The sermon by one of our Edmonton clergymen was very inspiring. The girls choir with a few familiar faces, was very good Little Donald MacKay, son of Rev. and Mrs MacKay, was baptized. An old school friend, laywoman for Vilna, Mrs McMaster, was met there, and Mr Steinhauer who has been interested in church work for years. Yes, we live and learn when we have an interest to attend these functions. Lastly in the church hall "Camp Night in Midwinter" very good. Let's all help to make Camp Whitney a place to be proud of for our young generation and for their leaders. Dewberry band was marvelous and that village can be rightly proud of the band leader and all those who help. The acrobatics were wonderful — such supple to do all those grand sets. The C.G.I.T. staging was grand too — how do you do it without a mixture where it shouldn't be? It was all so interesting and an evening well spent.

The phone meeting held on the afternoon of Feb. 9 at the school was well attended. Take note — congregatory calls are "Five long rings".

On the afternoon of Feb. 10 the Allandale W.A. met at the Baldock home. After the devotional the main topic of business was discussion of decorating the interior of the church, to be carried out before too long. Grand remnant pieces were distributed for making articles for our bazaar. It was decided to hold a baking sale and farm products sale at the Food Lockers in town on Feb 26 at 2:30 p.m. All proceeds to go to Whitney Lake camp fund. March meeting to be at the Armstrong home and lunch by Mrs. Baldock and Mrs. Throndson.

Mrs Paul Whelan and daughter Paulette will leave Aylmer, Que. on Feb 24 to join her husband in France The 'Samaria' sails from Halifax on Feb. 27 and will dock at Port Le Havre, France, on March 6th. Paul will be there to meet his family and they will journey on to Gros Terquin, Paul's station.

Orley Omness was taken to the Islay hospital on afternoon of Feb. 11 by the kindness of Johnny Nelson with a touch of pleurisy and pneumonia. At time of writing he is coming along very well.

Mr. and Mrs. Idelore Nadeau and family motored to the Part on Sunday 13th. Mrs. Nelson and Leslie will spend the week with her sister and family Mrs. Lily Swanson. The rest of the family returned the same day.

It was good to see the Campbell Lake boys in the last evening and all the familiar names. Let's have more of it.

I see Ambrose Hills, writer of "Of Many Things" has his difficulties too. These writings are grand.

News from the Mayers — They are visiting Miss Wilkie at Vermilion Art and family at Watkins, Minn.

## Of Many Things . . .

By AMBROSE HILLS

HOMETOWN NEWS

I got news from home two ways. I read the hometown paper — and I get letters from Aunt Maude. Aunt Maude isn't as kind as the editor. Sometimes she's quite tart. She's in a particularly crusty mood right now about Ned Tutley and his family.

It seems the 'social workers' have been swarming around the Tutley household. Aunt Maude doesn't like social workers anyhow, so I discount what she says by about 50 per cent. The other 50 per cent seems to make sense.

"Well," she wrote, "those social workers I told you about are still fussing around Ned Tutley's place like hens in a rainstorm. Mashed a person sick.

"You remember Ned Tutley. You used to play pool with him. Probably kicked you, too. Ned plays good pool. I'm told — but don't tell him I told you. Spends enough time at it.

"Well, Ned used to get on not bad — because because Sarah ran the house carefully and Ned made good money in harvest time and worked steady around town. If you could get him to do a job. Ned always developed rheumatic aches a few hours except at harvesting. He liked harvesting, but any other thing that smelled of work gave him a bad case of rheumatics.

"Sarah was pretty tough; the family wasn't too bad off. Young Harry turned out to be a worker, and he got started delivering groceries for Alex Fairburn's Grocery. Molly got a job too, waiting on tables at Grace White's Coffee shop. Both youngsters gave most of their pay to Sarah and were quite willing to keep doing it until the younger children got old enough to dig in and help too. They were a happy-go-lucky family, and if I was to be honest, I might even say I envied them a bit — they had more fun than lots of folks do.

"Then, one Christmas, somebody told Ned about being able to get some help if he applied to a social agency. Naturally, Ned did. These professional social workers have been sticking around ever since. The other day, in the city paper, there was a picture of Ned and Sarah and a big article about their terrible plight. Then the usual drivel about Ned being a veteran needed to rescue these sad cases.

"Instead of being half ashamed of his lushiness, like he used to be, Ned Tutley's proud as a rooster. Figures he's been has been called him dirty, not kicking through with some handouts for him. Molly and young Harry were just dirty about it — at first. But now they've quit their jobs (the pretty soon the Tutley family will be just as bad off as the social workers say they are. Seems to me that folks who make a job out of misery have be darn sure there's enough misery around to keep them working!"

## Mannville Couple Silver Wedding

MANNVILLE. Friends and relatives gathered at the home of Mr and Mrs. John Schock's wedding day. Relatives from Saskatchewan were Mr. and Mrs. Albert Schock of Wascana, Mr. and Mrs. Hervey Schock, Mr. and Mrs. Ernest Huber and families, all of Leaburn, and relatives from Mannville Mr. and Mrs. Ben Schock and family, Mrs. Edward Schock and families were present. Mr. Charlie Schock of Lloydminster was also present. The presentation of several lovely gifts followed a buffet supper.

Mr and Mrs John Schock express sincere thanks for the thoughtful note on this 25th anniversary.

Thousands of Canadian women knit and sew for the Canadian Red Cross. Your contributions to the Canadian Red Cross provide the necessary materials to carry on this important service to the less fortunate at home and abroad.

## Retiring President Reviews Board Of Trade Activities For 1954

(Continued from last week)

Along these lines, the Board saw a sports picture, "From Every Mountainside", arranged by Mr. Ross Boake, Chairman of the Entertainment committee, assisted by Mr. Frank Walker.

The Board heartily endorsed the Hospital By-law for the construction of the new wing to the hospital. A committee of the Board, headed by Dr. King, contributed materially to the passing of the By-law by getting out the vote on voting day.

In the spring the Provincial Boiler and Mechanics Division was looking for accommodation for personnel here and if not obtained would possibly not have located here. The Ways and Means committee, together with the President, were instrumental in securing accommodation in the Witherbe block which resulted in the personnel being established here.

The Board held two very successful evening banquets. One was held in April honoring the Livestock prize winners in this district, at which 152 persons were present. The other was the Annual Farmers' banquet held Dec. 9th in the Anglican hall, which was taxed to capacity. This banquet was open to ladies as well as gentlemen and was addressed by Mr. Earl Bowser of the Faculty of Agriculture, University of Alberta, and Mrs. Bowser.

The success of these banquets was due in great measure, to the efficient efforts of the Chairman of the Agricultural Committee, Mr. Roy Walker and Mr. E. H. Buckingham, also on the committee.

The Entertainment committee under the Chairmanship of Mr. Martin Shalka, together with the President and the Secretary of the Board, invited members of the Wetaskiwin Flying club to break fast here in October, and after wards conducted the visitors on a tour of the town. Eight planes and about 15 people visited Vermilion on this occasion.

On Sunday, Nov. 21, 18 planes from the Central Aviation club were similarly entertained.

Efforts of this kind make Vermilion known to people from other towns and promote good will towards Vermilion.

The Board endorsed 'Fire Prevention Week' Oct. 3 to 9, and in this connection heard addresses from Fire Chief Conley of Vermilion and Mr. McHaan, Civil Defence officer.

In an endeavor to attract any possible economic development in Vermilion, Mr. Sutherland, Chairman of our Industrial committee, kept in touch with Mr. Martland, Supervisor of Economic Development in the Province, and in this connection an invitation has been extended to the Industrial Development Board of the Province to hold a sittings here. This invitation was again brought to the attention of Mr. Ralph R. Moore, Deputy Minister of Economic Affairs of the Province of Alberta, and the Board received a letter from Mr. Moore stating that he would recommend to the Industrial Development Board that its second meeting be held here.

The Roads Committee reported that highway 41 was gravelled south to Wainwright and the Minister of Highways contacted in regard to gravelling this highway north, and was informed that this part of the highway would probably be gravelled this spring.

A special committee of the Board was appointed to promote the Vegreville to North Battleford inclusive, consisting of Mr. E. Clendening, Chairman, and Dr. King. The committee sent out circular letters to all points along this route and received very favorable response. Our Board donated $25 to the Association. It was felt that we should continue to support this route and to keep interest alive in towns between Vegreville and Battleford, so that the Association would not possibly consider an alternative route because of lack of support from the towns mentioned.

The Retail Section under the chairmanship of Mr. J. Miller brought in a recommendation regarding shopping hours similar to the year before and at our meeting March 24 Mr Miller reported that a questionaire circulated by his committee definitely showed that the retail merchants did not want any change in early closing except that the stores would close at 6 p.m. until the end of April, instead of at 9 p.m. The shopping hours suggested by the Retail Section were approved by the Board.

Mr Sutherland and the Parks committee assisted the Fisheries Department in planting a large number of fish in the Vermilion Lake and the Board paid one-half the expense incurred.

The Board of Trade awarded the usual scholarship to the student in the Agricultural course at the V

## Paradise Valley

Mr. and Mrs. Frank McLeod, Mr. Minot McLeod and Miss C. McLeod, of Wainwright and Mrs. L. Langille of Westlock were visiting with friends and relatives in town and district during the past week.

We have had the coldest weather during the past week that we have experienced this winter. At time of writing a cold wind is helping to make it real miserable The radio promises us warmer weather in the offing. Let's hope so.

Curling and more curling is all you hear these days. Bonspiels to the right and left of us, men, ladies, mixed and students We cannot possibly hope to keep up with them. We have not heard however of any grand prizes coming this way The school bonspiel is being played at time of writing. Lone Rock, Rivercourse McLaughlin and Paradise Valley are all in it. It is being run off at Rivercourse and some games are also being played at McLaughlin to speed things up as quite a number of rinks have entered. Results next week.

Glad to hear that Mrs. Orville Fulgham is doing nicely in the Lloydminster hospital after her recent operation.

Progress In 1946 there were 36 Canadian sailing vessels of 10 to 60 tons fishing Atlantic and Pacific waters. By 1952 none were left and all vessels of 61 tons or more were powered by diesel or gasoline engines.

## News Notes From Your District Home Economist

This is just about the time of year when we tend to become "begged down". It's a long stretch between holidays, and daily routine becomes a little tiresome.

We can't do much about the time of year or the lack of holidays, but we can do something about homemaking chores. Let's take advantage of some of those lazy moments and put some thought into improving the routine.

I'm sure we'll all agree there are things we've been putting off for a long while due to lack of either time, energy, or money — or perhaps, all three.

If we begin by economizing on smaller things such as homemaking chores, and when these 'economies' become habit, we'll find we have a credit, not only in the piggy bank but in the 'time bank' and 'energy bank' too!

I'll start off with a few ideas here and perhaps you, your neighbors and I can carry on by exchanging other hints. And we could keep a section for "Better Homemaking Hints" in front of our recipe files.

Here's my donation.

Credit for your Time Bank — To make baking powder biscuits or shortcakes more quickly, add a little extra milk to the dough and drop from a spoon onto a cookie sheet.

To speed up cleaning, trim the waste from vegetables and other foods onto newspaper.

S.A. making greatest contribution to the Academic, Social, Literary and Athletic life of the school.

Recently the Board had the secretary again write the Dominion Minister of Public Works reminding him of the real necessity of having a new post office building in Vermilion.

The Board made a special effort to publicize the Town of Vermilion generally with a special edition of the Vermilion Standard on Nov. 18th, 1954. This special edition reached a great number of persons and not reached by the ordinary circulation of the Standard. The articles and illustrations in this edition were excellent and I wish to express the Board's thanks and appreciation to Mr. Miller, of the Retail Section, Dr. A. Bev King and Mr. Ashley Cooper who were largely responsible for the success of the issue.

(To be concluded next week)

Moyers were in charge of the arrangements.

*CARD OF THANKS*

We wish to express our appreciation and thanks to friends and relatives for spiritual offerings, floral tributes, messages of sympathy and acts of kindness extended to us in our recent bereavement in the loss of our dear husband and father. Special thanks to Doctor Evans, Miss A. Keith and Mrs. Stan Waldenberger, Mrs. K. Brix, Father Landrigan, Father Stewart, Father Rooney and Father Scriven; also to the staff of the Vermilion hospital.

Mrs. Dolina MacMillan, Angus and Sandy.

# LORETTA TRACY IS BRIDE OF HAROLD ROBERT CLELAND

Bouquets of daffodils and tulips decorated Knox United church, Edmonton recently for the early afternoon wedding of Miss Loretta Grace Tracy and Mr. Harold Robert Cleland.

Rev. A. G. S. Edworthy read the marriage vows for the daughter of Mrs. M. Sylva Tracy of Edmonton and the son of Mrs. Isobel Cleland of Vermilion.

Mr. Daniel G. Richardson of St. Albert gave the bride in marriage. For her wedding she wore a gown of heavy white satin brocade, the bodice fashioned on Empire lines with stand-up collar and trimmed with narrow velvet ribbon. The full skirt was styled of brocaded satin. Her veil emboidered with rhinestones and pearls, misted from a bandeau and she carried a bouquet of Talisman roses, hyacinths and carnations.

Attending the bride Miss Una May Leach and Miss Ellenor Tracy, the bride's sister, were similarly styled gowns and headdresses in shades of blue and coral. Each carried a Colonial bouquet of daffodils and carnations.

Mr. William Cleland was his brother's best man and ushers were Mr. Albert Cleland and Mr. Howard C. Hamilton.

Mrs. Donald Sime played the wedding music.

At a reception for 60 guests at Club Macombo, Mr. James Kellas proposed a toast to the bride.

For a wedding trip to southern Alberta, the bride donned a navy blue suit complemented with white and black accessories. A corsage of red roses was pinned at the shoulder of her princess-styled midnight blue top coat.

Mr. and Mrs. Cleland will make their home at Wainwright.

—Edmonton Journal.

When you support the Canadian Red Cross you are there when a crippled child needs transportation for clinical treatment. You serve by giving.

Capital investments in vessels, boats and gear in Canadian fisheries stood at $182,942,880 in 1952, double the figure of 1946.

# Coyote Control In Full Swing

The coyote control program has been in full swing this winter with significant numbers of coyotes having been killed. From the Peace River area there are reports of 390 coyotes killed in 3 areas in January, from the Lac La Biche-Cold Lake region, 171 during December and 62 in the Bruton area. Seven other M.D.'s [illegible] report good kills.

The demand for materials and equipment has been exceptionally heavy this winter according to Wm. Lobay, Supervisor of Crop Protection and Pest Control, Alberta Department of Agriculture. During January 1,292 coyote getters, 2,800 cyanide shells, 20,270 strychnine pellets and 1,086 jars of coyote scent were shipped out to post offices in the province. The good weather also allowed more extensive use of 1080 baits this year. As in the past these baits have been set in the sparsely settled areas only.

The coyote control policy was designed to aid the farmers and ranchers save their livestock from this predator. And much valuable livestock has been saved. Further it is felt that with the depopulation of coyotes desirable wildlife has increased and the incidence of rabies has decreased.

Farmers and ranchers should be congratulated on their active participation in the coyote control programs throughout the province. It is the large number of participants that has accounted for the high total coyote kills. Their interest is gratefully acknowledged and continued action solicited.

Municipal offices and post offices in Improvement Districts have ample supplies of the materials and equipment on hand and will be glad to issue these along with instructions.

Every person having problems with coyotes molesting his stock should get after that 'killer-coyote'. A pellet or a getter might do the trick.

# WHAT OUR REPAIR SHOPS HAVE TO OFFER:

1. **STROBOSCOPE** — To set your Distributor to perfect timing for better ignition performance.
2. **GASOLINE ANALYZER** — To better gas mileage and give peak performance to your car.
3. **A. V. R. TESTER** — To check your charging system, battery, etc.
4. **WET HONE** — To give precision fit on your King Pins, Steering Parts, Brake Cylinders and Piston Pins.
5. **Valve Refacer . . Valve Inserter . . Head Resector** — To give your vehicle a complete Motor Re-building Service.
6. **WHEEL BALANCER** — To ensure better ride, better steering and better tire wear.
7. **Wheel Alignment Machine** — To give you better steering and better tire wear.
8. **Radiator Repair Service** — To keep your cooling system in tip top shape.
9. **Steam Cleaner** — To clean your vehicle and make it look like new.
10. **Very Efficient Grease Rack** — To give that necessary maintenance that your Car needs.

**All these Machines and More . . . Plus Factory Trained Qualified Mechanics** to perform efficient services on your vehicle!

**P.S. – We now have a Tow Truck. Give Us a Ring when you Need a Tow!**

# Letters to the Editor

This paper does not hold itself responsible for opinions expressed by correspondents.

Dewberry, Alberta,
Feb. 8, 1955.

The Editor,
The Vermilion Standard.
Dear Mr. Cooper:

When Allen Ronaghan, in a recent issue of the Standard, states that in voting for splinter parties— we assume he means C.C.F. and S.C. -- has nearly destroyed our parliamentary system, I would say that if he has a correct diagnosis, we are on the right track, and the sooner this happens the better for Canada.

Remember we took our parliamentary system as a going concern from Great Britain. It was, and is, presumed that it is the best in the world. The chief reason for that assumption is that since we have made it ours it must be the best. The Russian system and the American system are each the best in the judgment of their peoples, for that same reason. Canada taking over the political clothing of Great Britain was like clothing an infant in his grandfather's coat, and it never did fit properly. At first it was far too big for the infant they put it on, but now it is much too small for the robust, rapidly developing giant.

Parliament, being composed of elected representatives of the people is regarded as the government of the country. In reality though parliament has little to do with either government policy or administration. These things are settled by an invisible clique behind the cabinet. Parliament is merely the stage upon which the farce of democracy is played. Theoretically Parliament is supreme. Practically, it is merely an excuse for whatever policy the government of the day may choose to follow.

If our voters could observe Parliament in action at close range they would note that from the Speech from the Throne to the end of the session the spirit of conflict dominates; and if by any chance he became convinced that his business or farm should be carried on, on the same lines as our parliament is conducted, he would hire a man to oppose his every action. We can imagine him saying to his hired man "Bill, after observing how our parliament carries on business, I am hiring you as my official opposition. If I tell you clearly that I want a certain thing done, you must do your utmost to prevent it. For instance if you see me putting gas in the tractor, you must empty it." If any farmer or business man acted the way parliament does, he would find himself in a lunatic asylum. A system that is foolish on the farm does not become wisdom when used on the floor of the House of Commons. The official opposition is recognized and a salary is provided for the leader. That is to say the Canadian people pay the Prime Minister a salary to promote legislation and lead the government, and at the same time they pay the opposition leader to obstruct and hinder him in every possible way.

Some claim that the function of the Official Opposition is to offer constructive criticism with a view to improving legislation. When did it occur in the Canadian parliament that the Government altered its policy to amount to anything at the suggestion of the opposition? It is well known that if the government altered its policy and accepted the advice of the opposition, the Government would be immediately defeated. This is just one example of the two party system of government.

At a big Liberal convention some years ago, a resolution was passed which in effect said, "The protective tariff is the most wasteful and costly method ever designed for the raising of national revenue, because for every dollar raised thereby for the public treasury, at least $3 pass into the hands of the protected interests, thereby building up that privileged class at the expense of the masses." We have had Liberal and Conservative governments since the above resolution was passed but their attitude regarding tariff matters has been very similar. At the forthcoming campaign in the Battle River-Camrose election the 'Old Parties' will most likely promise tariff reform and trust the electors to forget past promises as they have done in the past.

If we elect a Liberal in Battle River-Camrose the Liberals will think we are quite satisfied with them giving Quebec a cut in income tax, their having army horses on the payroll, and their laissez-faire attitude regarding unemployment and disastrous decline in farm income. If we elect a Social Crediter they will say, "Oh well, no change". BUT if we elect Bill Irvine and whom there is no one better equipped to espouse the rights of the ordinary man and expose the manipulations of the 'Moguls of Finance and Industry', THAT would really make the "Big Shots" sit up and take notice. So get out on election day in your thousands and mark your ballot William Irvine X.

Yours truly
G. T. Skinner

# The World of Wheat

*By W. G. MALAHER, Director, Research Department, Searle Grain Co. Ltd.*

DO GRAIN VARIETIES RUN OUT?

There is a fairly popular belief that any variety of grain grown for a period of years tends to 'run out', that is, to produce a smaller yield than was the case when the variety was originally introduced.

To the extent that admixtures occur, or that there is a change in the disease picture and consequently the ability of a variety to resist disease, it may be true that yields decline. But beyond this, plant scientists assure us that, in the strict sense, a variety does not 'run out' even over a relatively long period of time.

Experience has proven that, whilst changes may occur in the hereditary make-up of a variety, they are seldom great enough to reduce yields to any appreciable extent. Moreover, most changes take place at such a slow rate that they do not affect visible appearance.

It has also been demonstrated varieties grown in tests at one location for a long period of time, fail to show any decline in yield. Thus as long as steps are being taken to keep a variety pure, through the provision of new foundation stocks, the danger of a variety breaking down or deteriorating, from the standpoint of yield, appear very remote indeed.

# Pleasant Valley

NEW BRIDE SHOWERED

On Wednesday about 40 ladies gathered at the lovely home of Mrs. O. Repp where a shower was held for the new bride, Mrs. Jim Repp. The hostesses were Mrs. Dedelly and Mrs. Jones. A very jolly afternoon was spent. Two games were played - ask Mrs. Fenton what she did with her balloon when it was blown up. Then there was a bag filled with old clothing such as men's underwear, pants, shirts hats etc. It was passed around when music was played but when the music stopped the one holding the bag had to put on one of the articles. When the bag was empty there was a fashion parade. This would have made a very good picture for the Standard! After the hilarity had died down gifts were brought in by the ladies in a large clothes basket trimmed in a most fitting and gracious manner. Mrs. Daisy Cummings, aunt of the bride, and Mrs. Sherwood the bride's mother, helped to unwrap the lovely surprise packages. There were some very large boxes to open containing lovely spreads, blankets, quilts, sheets and many useful and pretty gifts.

Isobel thanked everyone in a fitting manner. Next on the program was a lunch and such a lunch, everything but soup was served, such a variety of cakes, cookies, tarts, sandwiches, sausage rolls. Oh yes, the writer lost count of how many rolls Mrs. Burton, a double 4?

**EXCHANGING GRAIN FOR SEED**

A regulation permitting farmers to haul grain over the quota against the purchase of Registered or Certified seed has again been put into effect for 1955. However, the quantity of grain that can be delivered has this year, been increased to 400 bushels and the quantity of Registered or Certified seed that may be purchased to 150 bushels. Many farmers will take advantage of this arrangement. All should consider it. See your nearest Searle Agent for full information.

## Busy Session For Alberta Legislature In Prospect

(Special to the Standard)

EDMONTON By this time most members of the Alberta legislature are in Edmonton preparing for the opening Thursday of the third session of the 12th legislature and according to all indications, it will be a heavy one

100 BILLS EXPECTED

More than 100 bills are expected to be introduced for legislative approval Among them almost definitely will be a scheme under which the government will take part in prepayment of medical surgical and obstetrical expenses Many are convinced the government also will bring in marketing legislation

CAR INSURANCE

There has been talk that car insurance will be discussed, if not on the floor of the legislature certainly in the caucus of Social Credit members. One thing is certain. It will not be mentioned in the Speech from the Throne, at the opening of the session, because there has been no Cabinet decision on the matter

ONE-DAY CAUCUS

Wednesday Social Credit members will meet in a one-day pre-session caucus to get a last-minute briefing on what is in the Throne Speech and what they can expect to be brought before the house in the following weeks At 3 p.m. on Friday Hon J J Bowlen recently confirmed by the federal government as Alberta's lieutenant governor will be escorted into the legislative chambers by Premier Manning and Clerk of the Legislative Assembly Robert Andison.

In his address he will outline the major points of legislation the government proposes to introduce, then he will leave the chamber wishing the members the best in their deliberations.

SEVEN WEEKS IN PROSPECT

By all present indications the session will last the full seven weeks available before Good Friday, a date before which it has been the custom in past years to prorogue

Two Social Credit members will lead off the many debates expected. J R Clark of Stettler constituency has been selected to move the Speech from the Throne while Leavitt, of Banff-Cochrane will speak as the seconder. Both will speak on Friday the second day of the session. Incidentally both were elected to the legislature for the first time at the last general election in 1952 and Leavitt, last year, opposed the government's proposal to introduce emergency teacher training.

Monday the opposition will take over with J Harper Prowse leader and Liberal leader in the house, probably taking the spotlight.

GERHART'S FIRST BUDGET

Some time before the second week in March is over, the new provincial treasurer C E. Gerhart, will produce his first budget in the house, a job which for several years now has fallen to Premier Manning. Undoubtedly the budget will be larger some say by at least $25 million which would raise the total of estimated spending to almost [illegible] million

NEW DEAL FOR M.D.'s

Past indications have been the municipalities can expect a new deal, despite continued criticisms by government members that they are spending too much on non-essentials. These certainly were the ideas left with municipal officials by Mr Gerhart before he was moved from the municipal affairs post He said the government is seriously concerned by mounting difficulties of cities towns and villages and would attempt to help solve some of them

HIGHWAY PROGRAM

The government's highway program will continue at high pace and may be stepped up this year in an effort to catch up on the back log created by last year's poor construction weather One of the new proposals expected is additional help for financially straitened municipalities in which more local road construction is needed Highways Minister Gordon E. Taylor intimated a few months ago he was preparing to recommend considerably more financial aid and even the use of government construction crews if necessary

LAND TITLES ACT

Also expected are changes in the Land Titles Act Attorney-General Lucien Maynard said at the last session changes were needed to eliminate recent difficulties encountered in connection with the ownership of mineral rights on Alberta lands

Whatever is in store for the legislature this year will become public knowledge within a few hours of your reading this and the 61 members (51 SC, 4 Liberal, 3 Conservative, 2 CCF and 1 Ind SC) will be studying and debating the proposed legislation.

## NEWS from KITSCOTY

Mr and Mrs. Murray Sparrow and family spent part of last week in Edmonton and district visiting relatives and friends.

Best wishes for a speedy recovery are extended to Mr Jack C Potter who at present is a patient in the Edson hospital, also better health to the many folks in town and district who are 'flu' sufferers.

Sincere sympathy is extended to Mrs. E. Utley and children in the sad loss of a husband and father.

Mr. and Mrs A Jack and Beverlie, accompanied by Mrs. E. Batty spent the past week end in Edmonton where Beverlie took a Toronto Conservatory singing examination.

Mr. and Mrs. C. K Miller have returned home after spending a delightful holiday in California and Mexico for the past month

Miss Dorothy Watt, Miss Barbara Reid, Mr. Elmer Tapley and Master Rickey Fedick all of Edmonton spent the week end here, visiting with Mr. and Mrs. Lawrence Watt.

Sincere sympathy is extended to Mr and Mrs Henry Joy and family in the passing of Mr. Wm. Davies, Mrs. Joy's father, who passed away last week in the Islay hospital

Mr. and Mrs. John Dyson of Lloydminster celebrated their silver wedding anniversary on Sunday at the home of their parents Mr. and Mrs. J F Finlin Several relatives from Marwayne, Vegreville and the district were present for the occasion.

We are pleased to report Mr Steve O'Connor is home from hospital and feeling a lot better; also Rev [illegible] is home after his stay in Islay hospital

Mrs I Swanson of Ribstone is spending a holiday with her daughter and son-in-law Mr. and Mrs. W A. McGladrie and family.

Mr and Mrs Bill Swyripa and Frances Anne have now taken up residence in their new home in town

The L.A. of the Canadian Legion Kitscoty Branch, wish to thank all those who came to their tea in aid of the Polio fund and those who so kindly donated baking for the sale on Friday Feb.11

Two Main Events Completed Wednesday

## Lunden of Dewberry Wins Grand Challenge; Coopers Annex Telford

The two major competitions were completed in Vermilion's annual bonspiel Wednesday evening with the Ralph Lunden rink of Dewberry winning the Grand Challenge from Darrell Currah in a thrilling thirteen end game, while the Cooper rink kept the Telford Memorial trophy at home by turning back a determined bid by Skip Steve Zazulak of Derwent. Both finals ranked with the best ever played on Vermilion ice during the annual spiels.

The finals in competitions 3, 4 and 5 will all be completed this Thursday evening, climaxing four full days of wonderful curling and wonderful curling weather.

*GRAND CHALLENGE*

The Grand Challenge winner was skipped by Ralph Lunden. Frank Bowman 3rd. Frank Mead 2nd. Harold McKnight lead

The runners-up were Darrell Currah, skip. Roger Rowe 3rd. Jack Currah 2nd. Jack Hessam lead.

SCORE BY ENDS

Lunden — 2 0 2 0 1 1 0 1 0 0 3 0 1 11

Currah — 0 2 0 1 0 0 2 0 2 2 0 0 0 10

Third prize went to Clarence Algot and rink of Derwent, fourth to Skip Alf Gerhart of Mannville.

*TELFORD MEMORIAL*

The Craig Bros. sponsored Telford Memorial competition was won by Skip Percy Cooper with Newt Cooper 3rd, Russell Carroll 2nd and Stewart Cooper lead. The second prize went to Skip Steve Zazulak with Marshall Mudryk, Nick Mithrush and John Palinka, from Derwent.

Third was won by Skip Gordon Park of Vermilion with fourth to Skip Bill Specht of Clandonald.

SCORE BY ENDS

Zazulak — 0 0 0 1 1 2 0 1 0 1 0 0 6

Cooper — 1 3 1 0 0 0 1 0 2 0 1 1 10

*THE BRUNSWICK*

The semi-final round of the Brunswick had been reached Wednesday night by midnight with the following rinks in the prize circle: Rosequist, Vermilion vs. Hubbard, Mannville; Wilkinson vs. Gibbons.

[illegible]

After the first day ice conditions were ideal at both the Vermilion and Mannville rinks and this set the stage for some exceptionally good curling.

The Vermilion club is much indebted to the Mannville club for the use of their ice for the big event, making nine sheets available and the completion of the spiel in four days.

75 RINKS COMPETE

Entries this year fell just a few short of the record 81 of a year ago, finishing off at 75. There were more visiting rinks than ever, but local entries fell far short of previous entries there being but 28 from the town club and 47 from visiting clubs.

## Don Wilson Rink In Charmed Circle

Don Wilson and his curlers, Irvin Gordon, Woodrow Wilson and Lawrence Anderson have now entered that exclusive circle who have counted a perfect end, that is made each rock of their eight count. It happened Wednesday evening. The Wilson quartet were playing Elmore Stewart and were having a rough time of it, being well behind 13 to 0 at the end of the 5th. Nothing daunted, the Wilsons came back strong to count their 'one in a lifetime' end on the 6th. When Skip Don Wilson went to play the last rock of the end he had seven rocks in the rocks but one of Skip Stewart's also lay well inside the circles. Don passed the opposing stone perfectly and stayed himself for the supreme thrill of a curler's life. While the big count made the score look a lot better it didn't unnerve the Stewart crew however who went on to win handily by a score of 21 to 10.

## Bags 220 Coyotes In One Year

Incredible as it seems Joe Stewart and his pack of hounds have killed 220 coyotes during the year just passed. This information was gathered up by the Vermilion Fish and Game branch who knew that Joe was doing an excellent job but they did not realize the huge number of the predators he had actually accounted for.

Joe keeps the hounds and hunts the coyotes just as a hobby - a hobby that has really paid off to the benefit of every farmer in the Vermilion and neighboring districts.

Seven Seek Seats On The Council

## Melvin Hill Mayor Elect

MAYOR ELECT

*MELVIN HILL*

who was elected Mayor of Vermilion by acclamation on Monday. Mr. Hill came to Vermilion in 1921 and has been one of the leading business men since that time He is a former councillor, a past president of the Board of Trade, and for the past few years has been very active in bringing the new Provincial Park here to its present stage of development.

Melvin Hill is mayor-elect of Vermilion, being acclaimed to that office on Monday, nomination day. Mr. Hill was the only candidate nominated for the position

The new mayor has been owner and manager of the Nelson-Hill hardware store in Vermilion since the year 1921. Of recent years he has affiliated with the Marshall Wells chain of hardware stores and is now a director of that organization.

Mr. Hill has previous municipal experience having served on the council here for several years at various times. He is also a past president of the board of trade. He has spent considerable time recently helping to establish and improve the provincial park now located here.

SEVEN SEEK VACANCIES ON COUNCIL

Widespread interest was shown in the four vacancies on the town council with the result that seven candidates were nominated. In alphabetical order these are Keith Chalmers, Albert Hareuther Kenneth Isley, E. A. Locke, George Martin, G W Sutherland and Chas Thompson

ELECTION DAY

Election day is Monday March 7th

Of the seven candidates nominated G. W. Sutherland is seeking re-election while the others will all be new to municipal government within the Town of Vermilion.

*RECEPTION*

*Mr and Mrs. J. J Eyben will hold an open reception at their home on Sunday, March 6th from 1:00 o'clock to 7:00 o'clock p.m., on the occasion of their 30th wedding anniversary.*

## Death of Guy Whitlock of Wildmere

Guy Whitlock, well known farmer of the Wildmere district, died at the University hospital on Wednesday Feb. 23 He was taken to the city hospital on Sunday Funeral arrangements had not been completed at press time.

## Locker Plant Wins Certificate of Merit

The Vermilion Frozen Food Locker Plant and Meat Market have recently received a high distinction when they were selected by the Department of Agriculture Dairy Branch for a Locker Plant Certificate of Merit

The Vermilion Locker plant qualified for this award by maintaining a high standard of service, packaging plant sanitation and temperature control for the year 1954

At a convention of locker plant operators held at the Macdonald hotel in Edmonton last Wednesday Thursday and Friday the Certificate of Merit was awarded to Mr Lawrence Hareuther and Miss Lil Hareuther who were in attendance

Of the 151 locker plants operating in Alberta only 19 received this award

## Calf Club Elects Ray Armstrong

The organization meeting for the Vermilion 4-H Calf club for the year 1954-55 was held on Dec 11, 1954. Mr. Buckingham welcomed all members and explained the 4-H pledge and 4-H work. Election of club officers was held, resulting as follows:

President Ray Armstrong
Vice-President - Bob Barr
Secretary - Hazel Barr
Club Reporter Pat Bentley

Other club members are: Joe Dymterko, Steve Dymterko, Allan Forbes, Neil Harrison Marion Mead Esther Mullens Albert Noble James Ross John Stewart, Fay Wilson Carol Hines Betty Robinson and Bob Ross

At the second meeting held on Jan 22 Bob Barr gave an interesting and helpful talk about his last year's calf This meeting was brought to a close with the showing of two films which were enjoyed by all

The next calf club meeting will be held Feb 26 in the court room at 7:30

Third Game Of Semi-Final Play-Off

## Viking Gas Kings Here Saturday

Viking Commandos who finished in the top spot of the Eastern Alberta hockey league, will be in town this Saturday night to play the Tigers in the third game of the league semi-final play-off. The series is a best of five game set-to

The first game played at Viking Tuesday night ended in a 4-4 overtime tie. The second game is being played at Viking publication night (Thursday), third and fourth games will be played here with the first one this Saturday Feb 26 — don't miss it! - and the next one Monday or Wednesday

At the same time Wainwright and Vegreville are playing the other semi final with the Rangers winning the first game.

In the E.A.H.L. the first team meets the fourth, and the second and third place teams play in the best of five game series. The winners then play for the league championship and Craig hockey trophy

See you at the Vermilion arena Saturday Feb 26th. Game time is 8:30. Fourth game will be played here Monday or Wednesday. Watch for posters.

## Sportsmen's Dinner Postponed to Mar. 15

The Sportsmen's Dinner planned for Monday Feb 28 has been postponed until Tuesday, March 15 All ticket holders please take note of the new date. This was necessitated by the fact that several of the notables in sport could not attend on Monday the 28th. Watch for more information regarding this interesting event in next week's Standard.

## Women's World Day Of Prayer

The Annual Women's Day of Prayer will be observed in Vermilion on Friday, Feb. 25. The topic of this year's service which will be held in the Salvation Army hall, will be 'Abide in Me' John 15:4. A member of the Salvation Army will act as chairman and members of the Anglican, United and Alliance churches will participate in the leadership of the various sections and in the prayers. The service will commence at 2 p.m. All ladies are invited.

## Tigers Tie Gas Kings At Viking

Vermilion Tigers came within 50 seconds of winning the first of the semi final play-off games against the top spot Gas Kings at Viking on Tuesday night. They tied the game up in the third at three-all on a goal by Coach Elmer Kreller to force the game into overtime. In the overtime the Tigers went out in front on Stew Cooper's goal and held this slim margin until only 50 seconds of the ten minute overtime period was left when the Gas Boys scored the marker that made it four-all

Frankie Ewing scored the first Vermilion goal, Bill Williams from Ewing the second Elmer Kreller the third and Stew Cooper from Elmer Kreller the fourth.

It was a great game and the one at the Vermilion arena Saturday night will be just as good, or even a little better, we hope, with the Tigers on the long end of the score

So be sure and remember, play-off hockey Saturday, Feb. 26 at Vermilion arena. 8:30 p.m. Turn out and give the boys your full vocal and financial support.

SAVINGS & CREDIT UNION

Savings and Credit Union annual meeting at the Junior high school on Thursday, March 3 at 8 p.m. 34x

## Agricultural Short Course Here Three Days Of Next Week

The Vermilion Agricultural Society is to be commended for organizing an Agricultural short course for the farmers of this district. Several large cities and towns in Alberta have been arranging these meetings for several years and now we have one for our own community

The Provincial Department of Agriculture has co-operated in obtaining special speakers First the subjects to be discussed were selected and then the best authorities on these subjects were approached. It is sufficient to say that speakers will be here from Winnipeg, Lethbridge, Edmonton and Red Deer to indicate the efforts made by the Agricultural Society in arranging a good program.

Hon. L C Halmrast has agreed to be present at the first session and to speak to a combined meeting All meetings for both ladies and gentlemen will be held at the school of agriculture

Some slight changes have been necessary so would everyone take note of the corrected time table set out below

Mr E M Stewart, President of the Agricultural Society and his officers hope that district farmers and town people also will take advantage of this effort by the Society to bring good speakers here to discuss practical agricultural subjects. If farmers show by their presence that they welcome this endeavor on their behalf the Agricultural Society plans on making it an annual get together

MEN'S SHORT COURSE

*TUESDAY, MARCH 1*

Joint meeting for both ladies and gentlemen

1:30 Official Opening

Welcome addresses by E M Stewart, President Vermilion Agricultural Society, M Hill, Mayor of Vermilion and N N Bentley Principal of the V.S.A.

[illegible] Hon L C Halmrast

*Field Crops Day*

To complete the evening a dance will be held in the Orange hall after the carnival

## Kent Rink Wins Challenge at Derwent

DERWENT Twenty three rinks competed in the annual men's open bonspiel at Derwent A Vermilion rink composed of Aldous Kent, skip Glen Gibbons Jack Hessam and Wally Polinsky captured the Grand Challenge event Second in the Challenge was won by a Derwent quartet, John Palinka skip, W. C Boher, Paul Bielest and Nick Wintonyk The winners in the various events were

*GRAND CHALLENGE*

1 Aldous Kent Vermilion
2 John Palinka Derwent
3 W. F Scherban, Myrnam
4 Marshall Mudryk Derwent

*MARCHANTS*

1 C A Algot Derwent
2 Gordon Park Vermilion
3 Steve Zazulak Derwent
4 F Hanochko Two Hills

*CITIZENS*

1 Derwent High School
2 Paul Stepa, Elk Point
3 M Yashesko Myrnam
4 H Schoonmaker Clandonald

Sincere thanks are extended to the executive and caretaker of the Myrnam Curling club for so kindly helping to make this bonspiel a success by making their rink available for several draws This kindly act helped to complete the bonspiel [illegible]

## Winners At Joint Bonspiel, Mannville

MANNVILLE The first Consolidated bonspiel in this area was tried this year amongst three villages Mannville Minburn and Innisfree using the rinks at all three places

Winners of the various events were as follows

*GRAND CHALLENGE*

1 Kent Vermilion 2 Mo[illegible] Vegreville 3 Whitson Mannville 4 Stepanik Innisfree

*INNISFREE EVENT*

1 Grey Minburn 2 Dick Lavoy 3 Ganton Innisfree 4 M Smith Buffalo Coulee

*MINBURN EVENT*

1 Wagner M[illegible] 2 [illegible] Innisfree 3 Stepanik Lavoy 4 [illegible] Mannville

*MANNVILLE EVENT*

1 Currah Vermilion 2 [illegible] lert Mannville, 3 J Pahyk Innisfree, 4 Myher Mannville

*CITIZENS EVENT*

1 Gerhart Mannville 2 [illegible] ford Mannville 3 La[illegible] Mannville 4 Ma[illegible] Mannville

## Ernie Rooks Draws Dream Crib Hand

Ernie Rooks playing cribbage with Bert Hutchinson on Monday evening was dealt 3 fives and the Jack of Hearts The five of Hearts was cut giving Ernie the dream hand in crib for 29 points!

Delegates Attend Fish & Game Convention

## 5,000 Pheasants For This District

With the three delegates sent by our local Association to Calgary, Mr C Nels, Mr. R. Sneigrove and Secretary J. Chalmers, came back great news that should win the approval of all sportsmen in the district This fall just before hunting season this district will be stocked with about 5000 pheasants This was promised our Association by Mr E Huestis, Fish and Game Commissioner for the Province of Alberta

GOOD AND WELFARE

It was moved and passed that the Attorney-General be required to guide magistrates in imposing minimum and maximum fines and jail sentences for fish and game infractions also that the government take definite action to have the regulations which prohibit pollution of streams enforced and that the enforcement of the act covering boats on Alberta lakes be enforced

UPLAND BIRD REGULATIONS

That the hunting day on cock pheasants start at the same time as that of other upland birds because of the impracticability of the [illegible] deadline that the possession limit be again included in regulations covering upland birds

GAME OFFICERS LAUDED

The delegates once again showed that they have full respect for the efficient officers of the Game Branch Not only was it requested that more wardens be hired to take care of the situation but it was also suggested that they be given clerical [illegible] wherever needed and that their salaries be increased and proper [illegible] accommodation for them and their families be supplied

Bob Forsland of the Game Branch answered some questions from the floor by saying that game wardens and fisheries inspectors had as much power as any other enforcement officer whether in uniform or not [illegible] before making a search wherever they felt one necessary Out of 45 resolutions [illegible] of these were passed and will be given to the game and fisheries branch for their information Most of these will be taken to the floor of the present legislature

TALKS GIVEN

Talks were given by the following learned gentlemen and enlightened everyone with answers to questions that had for a long time left local associations in the dark. Hon Ivan Casey, M.L.A., Minister of Lands and Forests; Mr. Frank Butler of Vancouver, B.C., Fish & Game Commissioner for that province, Mr. E. Paynter Fish and Game Commissioner of Saskatchewan; Mr Bennie Harley of Ducks Unlimited, Mr. M Ferrie, Secretary-Co-ordinator for the Province of Saskatchewan, and Dr. William Rowan, head of the Department of Zoology, University of Alberta.

The banquet held Saturday night was a huge success and the highlights were the seafood cocktail and roast elk. After the banquet, Hon Mr Casey presented the following trophies. The Fulton Trophy to Wm C Fisher past president of Calgary F and G for outstanding conservation; The Crandall Trophy to Henry Stelfox for being Canada's greatest sportsman for the year. F E Mitchell trophy to the Olds Association for the Best Club Award J A Cunningham trophy to Red Deer for the highest per cent increase of membership; and Game Trails trophy to Viking for the highest number of predators destroyed, (crows and magpies).

Authorized as Second Class Mail, Post Office Dept., Ottawa.

COOPER BROS. — PUBLISHERS

VERMILION, ALBERTA, THURSDAY, FEBRUARY 24, 1955

*VERMILION SHOULD DO LIKEWISE—*

The first local history project in Alberta has been published for sale during the province's Golden Jubilee celebrations.

It is "Memoirs of the Ghost Pine Homesteaders", a 200-page hard-cover book containing the reminiscences of pioneers in the area east of Three Hills and north-west of Drumheller. Compiled by the Ghost Pine Community group, it deals with the hardships, adventures and frontier life of settlers who came to the area soon after the turn of the century.

One of the most interesting memoirs was written by A. A. J. Bleriot, whose brother Louis, made the first historic flight across the English Channel in 1909. Now a resident of France, Mr. Bleriot described many colorful events of the pioneer era. "I almost went to the Klondike as a salesman", wrote Mr. Bleriot, "for it was the time of the gold rush to the Yukon and hundreds of [illegible] were heading for the [illegible] instead I purchased a wagon, team of horses, tent, blankets and other [illegible]ties, and I set out to locate a place."

[illegible] pioneers, such as Mrs. Hazel Smith, Clyde Ruby and John Minor described their trips overland to the Ghost Pine area and the hardships of early pioneer life.

Any profits from the project will be used by the community [illegible] for charity work. Orders for [illegible] should be addressed to: "Ghost Pine Memoirs" Ghost Pine Creek, Alberta.

During the month of March the Canadian Red Cross is asking for your help. The absolute minimum to carry on essential services in 1955 is $5,664,[illegible].

## Chamber of Commerce . . . What and Why?

"What is a chamber of commerce and why should we have one?" will be among the subjects treated at the regional conference to be held in Peace River on Wednesday, March 2. This will be the first board of trade and chamber of commerce working conference of the 1955 series, and is the only one planned for the Peace River country this year.

This regional conference will be open to delegates from all boards and chambers in the area west of Slave Lake. It will feature speakers, panels and round table discussions on all phases of board and chamber operation. Problems of interest to the area will be discussed with a view to future action.

Like similar conferences in 1953 and 1954 the current series is sponsored jointly by The Canadian Chamber of Commerce and the Alberta Associated Chambers of Commerce and Agriculture, with the co-operation and assistance of the various host boards and chambers. Some 300 delegates from almost 100 Alberta communities attended the ten one-day conferences in the last series.

Other conferences are planned for Lloydminster on March 16, Coronation on March 30, central Alberta in early April and Fort Macleod around mid-April.

PURCHASES FINE RECORDING EQUIPMENT

Alf Logan informs the Standard that he has now purchased the very fine recording equipment of Sundy's Music store, Lloydminster, so that excellent service is thus available to everyone desiring recordings in Vermilion and district. See Mr. Logan's advertisement elsewhere in this issue.

By Your District Agriculturist

## "GREEN ACRES"

PACKAGE BEES

[illegible] package bees will be [illegible] this year at this office [illegible] Honey Producers Coop. The price for 2-lb. packages is $4.[illegible] each. For 3-lb. it is $5.[illegible]. March 15 is the cut off date for ordering bees. After that date each one will have to pay express from Edmonton.

MCP RECOMMENDED

At Lacombe Experimental Station tests have shown that MCP has controlled Hemp Nettle and other hard to kill weeds. About 60% of the weeds were killed and the others were hit so hard that very little seed was produced. Both 2, 4-D or MCP killed out nearly all the stink weed, ball mustard and pigweed. Chickweed was not affected by either treatment.

GRADE A PIGS

My assistant, Dick Stebbing, reports that he has looked over the pigs in several stockyards in this area. They don't look as well as they did last fall. There are less Grade A pigs going on the market. All I have to say is that Grade A pigs are worth $7.50 more than lower grades. Breeding and feeding should both be considered. Let us get rid of the red, brown, black, spotted and lop-eared pigs and the grades will be better.

LIVESTOCK LOSSES

To lose a calf or a cow or a pig or a hen is a big loss. Many farmers just charge it up to the profit and loss account. It is not all disease. Very often there is a lack of minerals and vitamins in the feed. A protein mineral [illegible] supplement is necessary for [illegible] cows, young stock and bred [illegible]mals. In cases of losses, [illegible] and young animals can be [illegible] the Veterinary Laboratory, [illegible]ton to find out the cause of the deaths.

SHORT COURSES

On March 1, 2 and 3 there will be an Agricultural Short course at Vermilion. The Agricultural Society and the Department of Agriculture hope that there will be a good turnout of farmers. So often it is only the farmers with big lay-outs who attend [illegible] meetings. Smaller farmers [illegible] learn something too from the special speakers. Everyone is welcome.

4-H CLUBS

Ten 4-H Grain clubs in this district have reorganized for another year. We welcome a new club at Marwayne with 40 boys and girls joining up. It looks like there will be 200 members in the [illegible] clubs this year. I only wish [illegible] every farm boy and girl [illegible] belong to a 4-H club. This is hardly possible now but I hope that it will not be too long until it can be done.

SEED TREATMENTS

All seed should be treated before it is sown. Besides controlling smut the mercuric dusts also check seedling blights and damping off diseases. It pays well to treat seed against these plant diseases. Don't use Formalin. It reduces the germination and as well the vitality of all seed treated.

SEVEN Piece Bedroom Group $100.50

Pillows — TWO soft Feather Pillows.

[illegible] FURNITURE

Phone 72 — Vermilion

Promoting Better Agriculture

IN ALBERTA

Although great progress is being made in other fields, Alberta's economy is still largely dependent upon agriculture. [illegible] farm income means greater prosperity for all, and when it is reduced, the effect is soon felt by everyone. It is important therefore that Alberta's farming industry be given every possible assistance and encouragement.

This is the purpose of the Alberta Department of Agriculture.

The work of the department embraces all phases of farm living. The 4-H Club movement is actively encouraged among farm boys and girls. Schools of Agriculture offer practical training for farm young people. Highly trained personnel are ready [illegible] farmers [illegible] their wives in solving their problems and improving their methods. And finally, Alberta's Master Farm Family program and the Agricultural Hall of Fame honor those making outstanding contributions to agriculture and their communities.

In addition to supervisors and technicians at headquarters, the department maintains a staff of 47 district agriculturists and 16 district home economists working out of 42 centres throughout the Province. These men and women bring the latest scientific knowledge of farming and farm management and of home-making directly into the home. Every year they hold thousands of public meetings and office interviews, and stand ready at all times to advise and assist farm men and women in every possible way.

In addition to this, district agriculturists direct the 4-H Club program in their districts. This young [illegible] is [illegible] in importance all over Alberta. By participating in various 4-H Club projects, the farm boy and girl learn by doing. The purpose of the program is to encourage and assist farm young people not only to appreciate better farming and home-making methods, but to become better citizens and active leaders in their communities.

The Department maintains Schools of Agriculture at Olds, Vermilion and Fairview. Here again the purpose is to encourage young people to make farming their vocation, and those who complete the courses return to their homes with a practical knowledge of how to make the [illegible] of their [illegible]tunities in agriculture.

Minimum entrance age to one of the three schools is sixteen years, and applicants should have at least Grade VIII standing. Regular courses in both agriculture and home economics extend through two terms lasting from October to early April.

The three schools can accommodate about 300 students. All young people taking the courses benefit from the experience and training gained, and many of those who have graduated now occupy important positions in public service and municipal government.

Established in 1949, Alberta's [illegible] Farm Family program [illegible] two-fold objective: to give official recognition to families who have made an outstanding success of farming, family relationships and community [illegible]ing, and also to [illegible] to follow the example of those who have earned [illegible]. There is no doubt [illegible] Master Farm Family [illegible] given impetus to "Good Farming, Right Living, Clear Thinking" in this Province.

The highest honor which the Department of Agriculture can bestow upon a farmer is to name him to the Agricultural Hall of Fame. So far five Albertans have gained this great distinction. The achievements of these so honored will be remembered for all time.

GOVERNMENT OF THE PROVINCE OF ALBERTA

READ and USE THE [illegible]

## Election Card

Having been nominated as a candidate for the Council, Town of Vermilion, I respectfully solicit your support at the polls on Monday, March 7. I have previously served on Municipal Councils, Hospital Board and School Division Board. If elected it is my intention to help carry on the program of the previous [illegible] to the best of my ability.

Respectfully submitted,
CHARLIE THOMPSON.

## V.S.A. Graduation Date Is Set

Graduation exercises of the Vermilion Agricultural School will be held April 6th. Guest speaker will be the Hon. Anders O. Aalborg, Minister of Education.

## Wildmere Winks

Sorry no Winks last week as ye writer and family were sick in bed with the flu.

Chicken pox is still on the go. Both Allan and Howard Coburn families, Donnie and Bobby Fadden, Allan Brooks and Louis Alexander family have all been sick with it.

On Sunday Guy Whitlock who has been ill in the Vermilion hospital was taken to the University hospital in Edmonton. Everyone joins with the writer in wishing him a speedy recovery. Guy is suffering from that blood disease Leukemia. Mrs. Whitlock went with him to Edmonton. Janet Cruthers is staying with their daughter Hazel.

Aubrey Rendell arrived back to Wildmere and everyone is pleased to see him. He has had a long and trying time with sickness and he is not feeling too well himself yet. We hope our good fresh Alberta air and the sunshine will soon have him feeling better.

Mrs. L. Howard and children came home from Victoria a week past Sunday. She reports leaving her mother feeling much better.

At the annual Telephone Co. meeting held at the curling rink early this month J. Batke was re-elected President; J. M. Wilson remains secretary-treasurer. Directors are Albert Holtz, Otto Wolters, and we do not know who the third one is at present. The Company is in very good financial condition.

On Wednesday evening last week a meeting was held at the Preston Central school to elect a school board. A large crowd attended. Trustees were Ray Osterberg for Preston, Roy Dibben for Basswood, Richard Donly for Triangle, Burton Beale for Battleview and Mrs. B. Beale a trustee at large who is also secretary. Roy Dibben is the chairman.

Three rinks from out our way are curling in the Vermilion bonspiel this week. Up to time of writing they had been doing very well.

Little [illegible] Coburn was taken to the doctor on Monday evening being very sick with chicken pox.

Congrats to Mr. and Mrs. Johnny Reed and Mr. and Mrs. Jeff Martin of Triangle on the birth of baby sons at the local hospital; also to Mr. and Mrs. McCafferty of Kitscoty on the birth of a son.

Mrs. J. Wilson and Mrs. Wallington were Friday evening callers with Mrs. G. Whitlock of Wildmere.

We wish to thank Mrs. Cruthers for her kindness to us when we were sick. It all is appreciated more than words can express.

All wish Mrs. D. Hughes a very speedy recovery from her recent illness in the hospital.

Another friend whom we hope is soon feeling better is Mrs. A. Cameron of town who had an operation last week.

Have you forgotten anything lately Rendell [illegible]?

Kittens are not born mousecatchers. When raised without a mother to train them kittens sometimes do not recognize mice as prey but make friends with them and occasionally are even afraid of them.

—The Reader's Digest.

More than a million Canadian children are members of the Junior Red Cross.

## ELECTION CARD

*MINBURN MUNICIPAL*

[illegible]

Having been a member of the Council of the above mentioned Municipality for the past three years, I again solicit your support at the polls on March 3rd.

I would like the opportunity to complete my program, which I have only started.

I pledge myself to give, to the best of my ability, fairness and efficiency to all ratepayers.

Please take note of the new boundaries, and please vote.

Respectfully submitted,
CASTLE SCOTT.

## Hockey Chit-Chat

●

by GERRY MARSHALL

Better late than never they say. Well, the Tigers exploded in their last game of the schedule to win the last play-off spot. Although the Tigers just got in by their 'for' and 'against' average they left no doubt in anyone's mind why they [illegible].

[illegible] blasting the Rangers 7-0 the Tigers did certain things they never bothered to do before, i.e.—they backchecked; they had close-in finish around the net; they passed with their heads up.

The entire Tiger club was happy after their victory. Laporte was perhaps the most relieved as he turned in a sparkling display in winning his Stetson given by Clendenning's Family Wear. By the way, this was the first Stetson for John in Tiger uniform, and also the only shut out in the league during regular league play. Coach Elmer Kreiler finally came off the ice smiling happily. The Old Master saw his troupe win a game easily against Veg (first time this season). The picture goal of the night went to Kreiler as he dipsy-doodled through the entire [illegible] team and beat Lesnik with a hard shot to the top right hand corner of the net.

Les Williams scored the slickest goal of the rout when he grabbed a rebound and at a bad angle picked the far corner a la Richard!

Now for a look at the play-off picture. Viking, finishing in the driver's seat are up against the resurgent Tigers and second place Wainwright tangle with the Rangers. The two winners meet in a 5-game series for the Craig cup.

HOCKEY GLANCES

Migets win again, trimming a Mannville team 6-4. The locals erupted for 4 goals in the last period to come from behind a 3-2 second period deficit.

## News Notes From Your District Home Economist

NEWS NOTES ladl rv ethrvtat
FOOD DOLLAR MANAGEMENT

This is such a large topic, I hesitate in beginning in case I use the whole newspaper instead of just one column! However it is important, and I can at least give you food for thought on the subject.

Managing your food-dollar is a big job and a day-to-day challenge. With a little time and energy spent in planning, a [illegible] skill in shopping and cooking, and a little knowledge of nutrition, you can reduce food costs and still protect your family's health.

The first step, meal planning, is best done for a week at a time. [illegible] important requirement of the homemaker at this stage is that she know the basic foods necessary for good health. This is where "Canada's Food Rules" enter the picture. And the choice of food should fit the family needs - for example, a growing teenager will often need larger quantities than a grown man. [illegible] costs and ways to save, and remember appetite appeal and to include leftovers.

After planning comes shopping. A food list kept in the kitchen for daily 'jottings' can be reorganized according to the arrangement of the counters in the store where you shop. This eliminates unnecessary wanderings during your shopping tour. If someone else is doing your shopping for you, be sure to include sizes, brands and quantities.

The best time to do your shopping is during the least busy hours in the store. Or, if you feel the savings are worth energy spent, watch for week end specials and brave the rush.

Learn the sizes, varieties, packer's brands and grades of different foods which suit your purposes best. The more you know about groceries, the more economical shopper you can be. Read labels and learn to recognize signs of quality. [illegible] take time to shop around for food items which may vary in price from store to store.

The third step in food-dollar management is proper food storage. Use the best methods available for storing food both before and after cooking. Kitchen, pantry or basement storage can be just as effective for some foods as the more expensive freezer and refrigerator storage. [illegible] wasted food is wasted money.

Skillful food preparation is the last step and the one I will say [illegible]. But here is one hint: try using spices, herbs and seasonings to bring out the flavor of thriftier cuts of meat and to give variety to inexpensive foods.

This is such a brief outline for such an important subject, but if you're interested — and I'm sure you are — I can send you the following free bulletins which will help you immensely:

For meal planning — "What We Should Eat Every Day"; "Canada's Food Rules" and "3-Way [illegible] Planning"

For shopping — "Buy By Grade"

For Food Storage — "Home Storage of Fruits and Vegetables"

For food preparation — "Tips on Food Preparation" and "Economical Luncheon and Supper Dishes"

The Household Finance Corporation of Canada, 80 Richmond St. West, Toronto 1, Ont. will also send you for 10 cents an excellent pamphlet on "Your Food Dollar". It's really worth having too.

P. S.: How are those "Better Homemaking Hints" coming along?

## Kitscoty News

Best wishes for a speedy recovery are extended to Mrs. R. F. [illegible] a patient in Islay hospital, and to Mr. T. Givens who is at present a patient in an Edmonton hospital.

Mr. and Mrs. J. S. Irwin who resided here for the past two years, left last week to make their home in Edmonton.

Mr. and Mrs. Joseph Batty were Edmonton visitors for two days last week.

Mr. J. C. Potter is home after spending the past two months working at the building trade near Edson.

Mr. and Mrs. Lynn Randall and family of Wainwright spent the week end at the home of their parents Mr. and Mrs. W. G. Stewart.

Mr. Norman McDonald of Edmonton and Mr. Merne Dale of Wainwright were visiting folks in town during the week end.

Mr. and Mrs. Wallace Cross are at present visiting with relatives in Calgary.

## Sixteen Years Ago Today

*Feb. 23rd, 1939*

Ed Corley, Jack Ridington, Maury Fallow and Slim Robinson won the Grand Challenge at the Mannville bonspiel.

W. M. Good of the Ethelwyn district passed away.

A big blizzard raged last Friday night and Saturday causing postponement of several annual meetings scheduled for Saturday.

The town was making a drive on dogs and dog licenses.

## Thirty-two Years Ago Today

*Feb. 21st, 1923*

Thirty-three English lady teachers arrived in Canada en route to Regina and Edmonton in an effort to relieve the shortage of teachers on the prairies.

The cold spell has been relieved by a real chinook and bright sunshine.

Vermilion's big annual bonspiel is due to open Monday.

New arivals in men's smart spring suits advertised at Craig's for $17.50.

## V.H.S. Curlers Win High School 'Spiel At St. Paul

Even though the four rinks of curlers from the Vermilion high school brought home the big prizes from the open high school bonspiel held at St. Paul last Saturday, the thoughts uppermost in the minds of the young people was the exceedingly fine time given them by the St. Paul students and the very friendly comradeship extended by each and everyone they met in the northern town. It was just wonderful and everyone attending enjoyed themselves to the utmost.

During the evening all visitors were guests at a supper served in the hall.

V.H.S. high school rinks won 1st, 2nd and 3rd in the Grand Challenge, while the fourth Vermilion rink was eliminated before entering the prizes by fellow school rink skipped by Bob Hemmingway. The rinks and prizes were as follow:

First — Skip Brent Long, Alan McPherson, Linda Long and Margaret Goodwin.

Second - Skip Stewart Cooper, Connie Harle, Ed Frizzell, Sue Carmichael. This rink also annexed a special prize for running up the biggest game score in the spiel.

Third — Skip Bob Hemmingway, Betty Proudfoot, Bob Stonehouse, Ruth Beatty.

The fourth rink competing was Skip Duncan Locke, Joan Shepherd, Pat Bentley and Donna Cooper, which won the first game played but lost the second.

The prizes were all good and were donated by the business men of that town. So many prizes were offered that a number of specials were given, for the biggest end, the highest score, youngest rink etc. The St. Paul students reported the finest of co-operation from St. Paul business men in this project, the first of its kind to be held in this section of Alberta.

Accompanying the students north were Mr. Dowling, Mr. MacPherson, Mr Hemmingway and Mr. Locke.

**McWILLIAMS & LONG**

For Men's Wear

It's as simple as this. In Winter, snow usually falls. Snow usually gets hard and slippery. If you drive too fast over something that's hard and slippery, you're apt to skid and bust something . . . yourself, usually. Then for goodness sakes why not drive slow? And use tire chains?

## Mannville Ratepayers Hold Annual Meeting

MANNVILLE. The annual meeting of the Village of Mannville was held in the council chambers on Monday, Feb. 14th at 8 p.m. Mr. Jack Hawley, as chairman for the evening called on the Secretary, Mr. Geo. Pemberton for the minutes of the last annual meeting.

Mr Hay gave his report as mayor of the Village and pointed out the various projects which had been completed during the past year, and outlined numerous matters which the Council considered necessary for the improvement of the Village in the present year's work.

Dr. Hasinoff as Medical Health Officer gave a report on health conditions during the year 1954, and recommended that the Council endeavor to arrange for garbage to be removed at least four times a year, and that a close watch be kept on the condition of the nuisance grounds.

Mr W N Crooks gave his report as hospital representative for the Village. He reported that the hospital had again come through a very satisfactory year, the shortage of nurses seems to be improving. The Hospital Board has under consideration the building of a Nurses' Home in the near future.

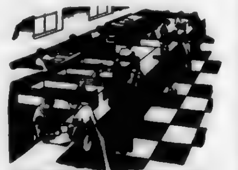
The financial statement was read and discussed at length. The Secretary's report and Municipal Inspector's report were read and accepted.

The following matters were then brought up for discussion: General Assessment. Taxation of Church Vicarages, Canadian Legion Hall, and Church Halls: Sidewalk Building: Purchasing grader for work in the Village. Water and sewerage extension to the south side: Permitting the fire engine to be taken outside the village limits.

On a motion by Dr. Hasinoff, seconded by W. N. Crooks, a hearty vote of thanks was passed to the outgoing councillor, Mr. A. Gerhart, and to Mayor Hay and M. Morey for their good work during the past year.

BABY & PRE-SCHOOL CLINICS Monday, Feb. 28 — Legion hall, Vermilion, 2 to 4 p.m.

## How Banking keeps pace...



*New ideas in bank premises give you speedier, more convenient, more informal banking service.*

*Modern machines help bank staffs keep up with greater use of services by more and more customers.*

*The advanced branch bank ... growing Canada.*

Today Canadians have 9,300,000 deposit accounts in the chartered banks—3,800,000 opened in the past ten years. Within the same period, branches have increased to 4,000; bank staffs have almost doubled to more than 50,000. Banking has grown in size and scope, continually adapting its services and improving its methods of operation, keeping pace with the greatly-increased banking requirements of the Canadian people.
